

## Revenge On My First Love Chapter 265

Sophia said helplessly, "Now who doesn't know I'm your girlfriend? Who dares to flirt with me?"

"Roman."

Sophia was speechless.

"Good girl, just stand here!"

Sophia could only stand beside him, smiling at everyone who came over.

"Mr. Riley, I don't know when you're getting married. But don't forget to invite us to the wedding!"

Sophia's body stiffened.

She had a bad hunch.

"It depends on my girlfriend. As long as she agrees, the wedding can be held at any time."

Sophia was speechless.

Everyone looked at Sophia. "Ms. Lawson, Mr. Riley loves you so deeply. We all know it. So, when are you going to marry him?"

Sophia was pissed off by Drake, who put her in predicament.

"We'll inform you when the time comes."

Hearing her answer, those people didn't go further. They were all smart enough to know when to stop.

"Well, then we'll be waiting for your invitation!"

"Yes, Ms. Lawson, don't forget us!"

Sophia smiled. "Sure!"

Then she looked at Drake provocatively.

Drake wasn't angry. Instead, he smiled.
