

Revenge On My First Love Chapter 267

Chloe was the young lady from the Thomas family. She was respected. So, the rich ladies readily agreed.

On the way out, Drake walked over and picked Sophia up.

"Hey!"

Sophia felt embarrassed. She didn't expect Drake to behave like that in front of so many people.

"You must be tired after standing in high-heeled shoes for so long. I'll carry you to the car!"

"Wow!"

Many people booed from behind.

Sophia was never a shy person. But at this moment, she blushed. She buried her face in his chest so as not to be seen by anyone.

People booed even louder after seeing that.

Sophia was at a loss for what to do.

Drake was turned on by Sophia's actions. When he put her in the car, he whispered into her ears.

"Don't seduce me all the time!"

"When did I seduce you..."

Before she finished speaking, he kissed her.

"Wow!"

People cheered again after seeing it.

Bailey picked Chloe up too. "He's showing off!"

"Hey!" Chloe reached out and patted his chest, "Hey! What are you doing? Put me down!"

Bailey looked at her speechlessly, "Look, Sophia got shy and hid in Drake's arms. What are you doing?"

Did he want Chloe to do the same? That was impossible.

Bailey had wanted to kiss Chloe but now he was not in the mood to do so.
