

Revenge On My First Love Chapter 270

"Money makes the mare go."

That was true.

Sophia sat down, "You have saved me a lot of time. Thank you, Drake!"

"I want to hear you call my hubby."

Sophia suddenly blushed, "Stop it!"

"I'm serious!"

"I won't!"

"It's not like you haven't done it before."

Yes, back in university, Drake had managed to have her call him hubby.

But after all these years, she couldn't do it now.

"I won't!"

"It's okay. I know how to make you do it." Drake was in no rush.

Sophia knew what he meant and her face turned redder.

"By the way, I have done so much for you. Shouldn't you repay me?"

Sophia rolled her eyes at him, "How could you say that? I can repay you if I want but you can't ask me to do so. Besides, I didn't ask you to do this, you did it in your own will. What does it have to do with me?"

"Hey!" Drake didn't know what to say now, "You heartless woman!"

"Fine, what do you want? Say it!" Sophia didn't like to owe anyone anything, even if it was Drake.

"I have no boxers. Buy me some tonight."

Sophia was out of words.

She didn't expect that.

have someone buying

Besides, it's something rather private. You know my size, I will be waiting
