

## Revenge On My First Love Chapter 271

"But I really don't want to owe Noah too much."

"You don't owe him. Do you owe us for our help?"

"It's different!"

"What's the difference? The four of us had always been close, right?"

"But he..."

"If you really feel uncomfortable accepting his help, you can help him back if he's in need, right?"

Sophia knew that Noah might actually need her help someday according to the Greenspan family's current situation.

"Well, don't think so much. Go to work, although you have had a good start, it won't be easy to take full control of this company."

Of course, Sophia knew that.

It was her first day in office, of course, she had to invite the shareholders to dinner in the evening.

They had dinner in the most luxurious box in the Sealand Grand Hotel.

When the chairman and senior executives arrived, they all smiled and said, "Ms. Lawson, you are so generous, treating us to dinner here."

"Yes, Ms. Lawson, we can see how seriously you take us."

Sophia wore a professional smile on her face, "I'm glad you like it. I was worried you might not like this place."

"Ms. Lawson, how could we not like it? This is just a get-together. It has been a long time since the last time we all got together."

"Come, take your seats!"

When everyone sat down, they suddenly realized something, "Hasn't Mr. Porter come?"

him kicked him and he was confused. Did he
