Revenge On My First Love Chapter 273

Everyone here was sophisticated. Sophia smiled and said, "You are welcome. I will work hard to bring more benefits to everyone and the company."

Everyone drank.

After putting down their glasses, they all sat back in their chairs. However, Mr. Martin was still standing.

He said with a smile, "Mr. Riley, Ms. Lawson is really a model businesswoman. She has drunk eight glasses of wine already and four of them were with Mr. Porter. But she's still sober and energetic, I really admire that!"

His purpose of saying these words was obvious enough.

Everyone here could see that Mr. Martin and Spencer had become estranged because of the benefits brought by Sophia.

But none of them had expected that Mr. Martin would mock Spencer for what he had done to Sophia so freely. It was obvious he was siding with Sophia.

A show was going to be put on here.

Spencer looked at Mr. Martin in anger while Mr. Martin looked back at him provocatively.

'You want to take revenge on me? I am one step faster than you!'

Drake looked at Spencer, "Oh? Mr. Porter, you have drunk so much wine with my fiancee? You seem to be fine, too."

Mr. Martin said, smiling, "Oh, Mr. Porter didn't drink much. He had only two glasses."

Drake pretended to be confused, "And why is that?"

Drake's strong vibe put pressure on Spencer.

"Mr. Riley, that's not true. I'd like to propose a toast to you!"

Then, he drank up the wine in his glass.

Although he was good at drinking too, he was not as good as Sophia. The full glass of wine gave pain to his stomach.

But he found that Drake didn't even grab his glass.
