

Revenge On My First Love Chapter 276

After eating, Drake glanced at the time. It was time to go back to work. Before he left, he warned Sophia again.

"Don't let me see you eating other things in secret. If your stomach doesn't heal within half a year, I'll 'punish' you strictly!"

Sophia stuck out her tongue cutely again. What gave her away? How did he know what she wanted to do?

"Did you hear me?"

He roared very harshly in the end.

"Yeah! Just go!"

Drake leaned over and bit on her lip. "I hope you've learned your lesson!"

He then turned around and went out.

He didn't even give her a chance to complain.

"Come on!!" Chloe, who was idle and bored, walked in. "Someone is so different after being deeply in love!"

"You have been too bored recently, right?"

Chloe replied casually, "Send me to the branch in Africa then. Anyway, your brother Bard is there. But you can't. You need me to stay here and help you!"

"Damn girl!"

Chloe wore a triumphant smile.

In the afternoon, Sophia buried herself in work. It was indeed a bit difficult for her to quit alcohol. She had just taken over this company. She needed to visit some old clients. If the client insisted that she should drink, she couldn't really refuse.

Also, though the title of Mrs. Riley was useful, she couldn't use it as an excuse all the time. After all, she and Drake hadn't really married yet.

Sophia asked Chloe to prepare what she needed and then started to visit the clients one by one.
