

Revenge On My First Love Chapter 277

If the clients who refused to meet Sophia saw what was happening right now, they would regret their decisions.

This client kept talking to Sophia with an even better attitude.

Sophia sighed, thinking that people were so snobbish nowadays.

However, since Drake had come over to support her, of course, she would not mind making use of him.

When it was about time, Sophia said. "Sorry, we have to go first, we have many other clients to visit."

"Go, hope we can talk later."

"Sure!"

The client sounded very ingratiating.

When they went out, Sophia whispered to Drake, who was beside her. "Why are you here?"

"Don't tell me that you don't know the reason!"

After being reminded by Chloe, Sophia guessed Drake's intention, but she was still a little confused. After all, the current Drake seemed to be more jealous than before.

"Do you think I'm here to prevent you from flirting with men?" Drake pointed out what Sophia was thinking.

Just as she came out of the elevator, Chloe said smartly, "Well, I have something to do. Bye."

She then immediately left.

She didn't want to be the third wheel.

Sophia was speechless, but when facing Drake, she smiled guiltily. "Would you believe me if I said I didn't think so?"

His anger vanished immediately after he saw her smile.

"You heartless girl. I came here for your sake. How can you think of me that way?"
