

Revenge On My First Love Chapter 282

Olivia looked at him, "So, will you give up on Sophia?"

"But mom, back then, you said you would let me get married to Sophia, which could not only hurt Drake, but also make me get the support of the Lawson family."

"Yes, I did say so and I never give up that idea."

Roman was excited, "So what are we going to do?"

"You've tried every means but fail to gain her favor. During this time, you should do nothing. I will figure out a way for you after I help Zain to become the mayor."

For Roman, as long as he could marry Sophia, he wouldn't mind waiting a little while longer.

"Well, let's get back!"

"OK!"

Sophia didn't expect that Zain gave her a phone call to invite her to have a meal.

Sophia asked, "Only us?"

"No, my assistant is with me," said Zain.

But an assistant made no difference.

Nevertheless, it seemed that he didn't call her for the last cooperation. And Sophia was curious why he asked her out for dinner.

"Alright, when and where? Ask your assistant to send me a message!"

"OK!"

Sophia then phoned Drake and told him about the meal. Due to it, Drake looked bad.
