

Revenge On My First Love Chapter 284

Spencer walked out from his room with a few coughs, "Ms. Lawson, what brings you here?"

Sophia kept a gentle smile on her face. She said, "You've been off duty for days, and I almost complete my work, so I come to check on you. Do you mind, Porter?"

The address of "Porter" did make them seem a little bit closer to each other.

Spencer had to admit that she was apt at cultivating popularity, but he wouldn't submit to her easily.

"Of course not. My child is the age of you. Besides, it's my pleasure to be called so by you."

"I feel sorry how Drake treated you when you were drinking with him last time. He will make a mountain out of a molehill when I'm aggrieved."

Spencer smiled, "Just let it go. Such an event makes your relationship close, doesn't it?"

"In addition, it's lucky for our company to obtain the support of Mr. Riley."

He obviously knew what was better for the company but still did something disgusting against her behind her back.

"How's your health condition, Porter?"

Spencer began to act, "Ay, I'm aging. It's good for me not to stay in hospital after drinking so much. But the doctor told me I'd better stay at home and try to get well. If there's nothing for me to handle in the company, can I ask for a leave?"

"Oh, Porter, you've done a lot for the company and haven't have a good rest these years. Now that you make a request for sick leave, I should certainly permit it."

"Then I owe you a great debt of gratitude."

"Porter, don't say that."

Spencer smiled, "Well, well."
