

Revenge On My First Love Chapter 290

Chloe said nothing to Bailey. Instead, she linked her arm with Sophia's and walked away.

Bailey asked excitedly after Drake whispered something to his ear, "Really?"

"Yeah!"

The three of them followed Chloe and Sophia.

When they were home, Aria just came back from the set. When she saw them, she hurried to ask, "Sophia, what has my brother bought for you? Show me."

Sophia took the necklace out, "Here it is."

"Wow, it's so stunning. The diamonds must be natural."

For Aria who had known a lot about jewelry, she could tell the diamonds were natural at a glance.

"Yes."

Emma approached, "Show me."

Drake stopped her in time, "Mom, I have something for you too."

She was surprised, "Me?"

"Yes." He took out a small exquisite box from his pocket, "This is for you. It's probably not as expensive as the one for Sophia, but I picked it the last time I went out."

Since they recognized each other, he hadn't bought anything for Emma. And even after he had bought a gift, he hadn't found the right time to give it to her. Today seemed like the right time.

There was a surprised look on Emma's face when she received it. She opened it and found a diamond necklace lying there.

"It's ..."

but I think it would be better to select a gift myself. After all, I think you would like everything I
