

Revenge On My First Love Chapter 295

Once Sophia arrived at her company entrance, Rodney scooted to her and opened her car door. He wasn't surprised to see her driving such a fancy car. After all, she was Drake's girlfriend, so Rodney believed the vehicle was from Drake.

How Rodney wished to drive such a luxury car in the future!

When Sophia got down, she glared at him and snapped, "I don't need it. Stay away from me!"

Earlier, others watched the scene and wondered if Rodney had been recruited because of his relationship with Sophia. However, they were confused after hearing Sophia's words, wondering what was happening.

Wearing a smile, Rodney said attentively, "It's my pleasure to serve you, Ms. Lawson."

"Save it for other women. It's useless for me." Sophia even didn't look at him.

However, the more she behaved so, the more Rodney believed he would have great satisfaction when having sex with her.

"Sophia, you've misunderstood me. I adore you deeply. You don't know how much I'm falling for your charm."

As he confessed, he knelt to her on one knee and wanted to peck the back of her right hand.

He was good at flirting with women. If it were another woman, she would be moved by him. However, Sophia gave him no chance and went straight into her exclusive elevator.

Rodney hurriedly followed her and wanted to enter it, but he didn't find it was the CEO's exclusive elevator for Sophia.

Therefore, once he approached, the alarm sounded.

Before Rodney understood what happened, the elevator doors slid close.

Looking disappointed, Rodney didn't believe his tactics didn't work. However, Sophia was also working in this company. He thought he still had plenty of chances.

When Chloe arrived at the company, she entered Sophia's office and asked, "Sophia, I heard Rodney harassed you as soon as you arrived."
