

## Revenge On My First Love

Chapter 3 You can't repay what you owe me in this life

The next second, Aria lunged at her: "Sophia, you shameless woman, how dare you provoke my brother, now I will teach you a lesson for my sister-in-law."

Sophia ducked a little and Aria fell to the ground and did a dog pile!

Sophia hooked her lips: "Miss Riley, I know you're sorry, but I didn't expect you to give me such a big gift just after we met, so how can I afford it!"

Aria's expression twisted in anger: "Sophia, I'm going to beat you to death, you bitch!"

Sophia's enchanting eyes narrowed slightly, and when the person leaned over, the bottom of her foot hooked her without moving, and Aria fell to the ground once again.

"Ah!"

"Aria!" A man came running in from outside and hurried to Aria's side: "Are you okay?"

When has Aria ever been so humiliated? She turned her head and looked over at a smug Sophia, getting to her feet with the help of Emilia Lane.

The moment she locked eyes with Sophia, there was anger in her eyes.

"I'm fine, sister-in-law, you don't have to worry about me, I just didn't expect to see this woman so soon, sister-in-law, she came over Sealand this time, she definitely wants to steal brother from you."

Emilia turns her head and locks eyes with Sophia.

No, it can't be, Sophia. How could she .....

Sophia, of course, did not miss a single expression in her eyes and coldly sarcastically said, "Emilia, did you not expect to see me again?"

Emilia's body stiffened for a moment.

Aria looked at them both strangely, "Sister-in-law, what does she mean by that?"

Emilia's face was pale and miserable, and it looked like there was something even Aria didn't know. She narrowed her eyes and snorted with Aria and said.

“Aria , you might be wrong, I have a brother, I’m not interested in stealing him from her, but you, three years later, still haven’t changed, still like to steal other people’s things, are you a dog?”

Aria was furious: “Sophia, don’t pretend you don’t know what I mean, I don’t believe you don’t know. Also, you’re the dog! Your whole family is a dog!”

“Ah!”

The next second, Aria cried out in pain.

Chloe came to her side at some point and grabbed her hair with a firm grip, asking with a smile on her face.

“Aria , who’s calling a dog?”

“I’m talking about Sophia, what does it have to do with you!”

Chloe snickered: “Sophia but my sister, you talk about her is the same as talking about me, I’ve heard about you for a long time, always upset me, only now I have a chance to clean you up!”

Following that, the force in her hands became a little stronger.

Emilia walked over worriedly: “Sophia, please let Aria go, it was my fault, it’s not Aria’s business.”

Aria shouted loudly, “Sister-in-law, don’t ask her, I’m fine, ah .....

Chloe does not Shaw do too much, just grabbed her hair hard, let Miss Riley can not stand.

Sophia scorns: “Emilia, you’re still talking like that! Only Aria, a big idiot, would believe you!”

“Who are you calling stupid!” Aria was so angry she was about to jump up and down.

Sophia casually replied, “Whoever answers is a big dummy!”

“You .....

“Let her go!”

Another man walks in with an aura that overwhelms the room.

Sophia glanced at it, she thought who was it, but it was Drake, this is to support his fiancée?

Sure enough, Emilia walked up to Drake: "Drake, save Aria!"

Drake's gaze locked with Chloe's.

Chloe admitted that this man's aura did scare her, but she had Sophia , who she was afraid of, and simply ignored him.

Drake looked over at Sophia .

Sophia walks up to Aria in a delicate manner.

Aria is still flailing, "Sophia , my brother is here, if you don't want to die ....."

Before she could finish her sentence, a slap directly on her face.

"Aria!"

When Emilia called out, she thought Aria was her real sister.

Chloe gave a thumbs up to Sophia, who she also thought was afraid of Drake.

Aria was confused for a moment and asked incredulously, "Don't you dare hit me!"

"Snap!"

Another slap.

"Aria , this is what you owe me back then, I beat you is beat you, today not to mention your brother standing here, is the queen standing here, sister I am not afraid!"

"You owe me more than you can ever repay in this lifetime!"

"Chloe, let's go!"

Chloe yanked Aria's hair hard again as she let go of her.

Aria was just about to shout from the back when she noticed the look Drake passed.

Aria aggrieved!

Passing by Drake's side, Sophia glanced at Drake and Emilia standing together, especially Emilia, and deliberately approached Drake and put her hand on Drake's arm, with a sneer at the corner of her mouth.

“The scum of the earth is not yet married! Please hurry up and don’t scourge the good people in this world.”

Sophia and Chloe leave with a flourish.

Aria was about to go after Sophia, when Drake grabbed her arm: “Aria, haven’t you had enough?”

Aria looked at him pitifully, “Brother, you don’t know how awful Sophia’s words were just now, she called me a dog, and called you a slag, and said that your sister-in-law is a slut, how can you let her go?”

“Let me ask you, what did she mean just now when she said that you can’t pay back what you owe her in this life?”

Aria subconsciously averted her eyes, not daring to meet his.

When he looked at him again, he said, “Brother, didn’t you come to accompany your sister-in-law to see what you should wear for grandpa’s birthday party? Let’s go, I think that red dress is very suitable for sister-in-law .....

Drake walked in.

Emilia also exhaled a breath of relief.

.....

Weekend, the Old Riley, Nathan’s birthday party.

This day, I don’t know how many celebrities came, all kinds of industries, it can be said to give Old Riley’s face.

Drake walked in with Emilia in a red dress and was immediately the center of attention. As the heir to the Riley family, Drake has just returned three years ago and has already put the family in order and is leading the Riley family to new heights.

So, don’t look at him as only twenty-five years old, but he is already an unparalleled figure in the business world.

But Drake has also reached the age of marriage, and all these years he has been surrounded by only Emilia a woman. So, their appearance, naturally, also attracted the attention of everyone.

“Mr. Riley and Miss Lane are such a great match!”

“Yeah, Mr. Riley and Miss Lane have been together for five or six years, right, Mr. Riley, and I wonder when you’ll get married?”
