

Revenge On My First Love Chapter 301

Leah was Zain's younger sister, whom Sophia had heard about before. She liked Bailey but failed to win his heart. She had been trying to get close to Bailey through Bailey's mother, who thought Chloe was the perfect choice for her son and didn't give chances to any other woman.

From their conversation, it seemed that Leah had spoken ill of Chloe and was being lectured by Mrs. Duncan. Mrs. Duncan's words were harsh but right to the point.

"Mrs. Duncan, you misunderstood. I just..."

Before she finished, Mrs. Duncan interrupted her. "I misunderstood? Do you think of me as a fool who couldn't see what you were trying to do?"

Leah's face was very pale.

"Luckily, I caught you on the spot today. Who knows what else you have done to Chloe when I didn't see it?"

Leah hurriedly explained, "Mrs. Duncan, what could I do to Chloe?"

Before her words were finished, Chloe had put on a pitiful look, "Mrs. Duncan, it's okay. It's all in the past now..."

Leah opened her eyes wide and looked at Chloe in disbelief.

Although she did make trouble for Leah many times, it was because she couldn't stand the fact that Bailey dated some other woman. Moreover, she had never once succeeded in teaching Chloe a lesson. How could Chloe say those misleading words?

"No, it's not in the past. Leah, you think you can do anything you want with your brother as your backing? I'm telling you, Chloe is my future daughter-in-law and no one can hurt her!"

"It's not like that, Mrs. Duncan. I can explain, Chloe..."

Mrs. Duncan didn't want to listen at all and raised her hand, saying harshly, "Alright! Get out of my face now!"

Back then, although Mrs. Duncan disliked Leah, she would disguise her dislike.

Chloe looked at Leah with a complacent smile, as if saying, "No way you could defeat me!"

Leah left with a livid face.

Mrs. Duncan spotted Sophia and Emma and walked up to them, "Hey! Drake's mother and Sophia? What a coincidence!"
