

Revenge On My First Love Chapter 302

"It's me. And you are..."

Sophia studied the man carefully but failed to recognize him.

"Here is the thing. I..."

Before finishing his words, he suddenly sprayed something on Sophia. As soon as she realized it was powder, she blacked out.

They were in a quiet corner, and only a few passersby saw Sophia being dragged away, but they rushed away, afraid to be avenged.

When Drake arrived, he didn't see Sophia. He dialed her number but failed to reach her on the phone.

Sophia seldom refused to answer his call unless something had happened to her!

Immediately, Drake called Emma.

"Mom, is Sophia with you now?"

Emma could tell the anxiety in his voice. "Nope. After she received your call, we were apart. Didn't you meet her?"

"Are you home now?"

"Yes, I am."

"All right. I gotta go." Drake was about to end the call.

"Wait a minute," Emma hurriedly stopped him. "Has anything happened to Sophia?"

"Not really. I called her but failed to reach her. She should be in the ladies' room. I'll try to call her again."

"All right."
