

Revenge On My First Love Chapter 304

The doctor wasn't willing to get involved, shaking his head while watching them showing PDA.

When it was almost time, he went out of the ward.

After he left, Drake's expression changed. "No way, my dear wife, I was kidding. Don't take it so seriously."

He didn't look like the masterful CEO any longer.

Although Sophia's expression eased, she looked away. "Don't talk nonsense. I'm not your wife."

"You are. We only lack marriage certificates. Besides, as I said before, if you want to register, I can ask the staff members from the City Hall to do it right away. You stopped me, didn't you?"

Sophia was rendered wordless. Seemingly it was all her fault.

"We haven't got married, anyway. So, I am not your wife."

Although Sophia was open-minded sometimes, she had traditional thoughts on many things. She didn't think it was proper for Drake to think she was his wife so far.

Another reason was that she was shy.

However, Drake deliberately teased her, "Don't forget. We're not married yet, but we've done everything that's supposed to be done by a couple."

Sophia glared at him. "Enough!"

"Sorry, honey," Drake immediately apologized.

He didn't think it was embarrassing to be a coward in Sophia's presence, though.

Sophia giggled as he expected.
