

Revenge On My First Love Chapter 33

The four kept dodging.

Emilia shouted angrily: "Sophia , this is a police office, you do this"

Sophia said, "Is it against the law to do so? It doesn't matter if it's against the law, at most it's just a jail sentence, I'm not afraid!"

It is clear that the sound of this side is very loud, but the police office side froze a person did not come out of the.

Ten million coins is not a small number, a full half hour, three people smashed.

Sophia drove the car with a satisfied smile on her face: "Sisters, it's hard work, please go eat delicious food!"

Ignoring their murderous looks, Sophia drove them out of sight.

"It's too much, it's too much!" the Old Riley was smashed so many times that he would have been hurt if Olivia hadn't protected him.

When they arrived home, the Old Riley shouted, "Somebody, get me Drake!"

It seems that the Old Riley is completely disappointed with Drake after this one.

Olivia felt that everything she suffered today was worth it.

When the private doctor came to examine the Old Riley, he had no injuries, but Emilia, Aria, and Olivia had different injuries all over their bodies.

" Olivia , this time really let you suffer." the Old Riley said sadly.

Olivia smiled, "It's okay, Dad, as long as you're safe, that's all that matters."

Drake came back just in time to see the private doctor applying ointment to them, and he wondered what these guys were up to again.
