

Revenge On My First Love Chapter 36

Sophia laughed coldly, see? This is the Old Riley, he did the same thing back then, and if she hadn't escaped that moment, how could she have been innocent!

Now it's good that he's repeating this, and it looks like it's really hard for him not to ruin her.

"the Old Riley, since you are unkind to me, don't blame me for being unrighteous to you." The rope on her hand suddenly fell down, Sophia did not give a few brawny men a chance, these men fell to the ground.

the Old Riley did not expect this to happen, the entire body subconsciously took a few steps backward.

Sophia patted the dust on her body and walked towards him.

"The Old Riley, do you think I, Sophia, am still at your mercy like I was back then? I haven't forgotten what you did to me back then, and I've been practicing desperately for the past two years because I know that you will definitely do it to me again when I return to Sealand this day."

"So, all this preparation I've done today is because of you!"

the Old Riley's body still backed up: "You, what do you want?"

Sophia hooked her lips, "What do you think would happen to the Riley family if they were missing one of you?"

"Sophia, you"

Sophia didn't give him any chance at all, directly a hand knife down, he passed out.

Twenty minutes later, Sophia threw the Old Riley into another room next to hers, tied the person there, and the person left.

When the Old Riley woke up, he looked around and found the place somewhat familiar and somewhat unfamiliar, he tried to move, but simply could not.

His mouth was still gagged with something, so he couldn't speak at all.

He wanted to ask for help, but even more so.

Know!

The door opened and the person who walked in was Sophia .

"Uh-uh-uh!" He tried to speak.

Sophia walked up to him and took it right out of his mouth.

"Sophia , you imprisoned me!"

"Yes, I am going to imprison you, what's wrong?" Sophia wore an unbearable expression.
