

Revenge On My First Love Chapter 38

When she arrived home, Olivia, who had been expecting the Old Riley to be back for several days, saw the Old Riley return and her whole body froze.

Drake glanced at her, "What, are you happy that Grandpa is back?"

The Old Riley then noticed that Olivia's reaction was a little strange.

Olivia quickly changed her expression: "How could I be unhappy? Of course I'm happy as hell, Dad, where the hell have you been, you really scared the hell out of me."

the Old Riley did not suspect otherwise: "And say it, it's all that"

"Grandpa!"

Drake timely reminders.

the Old Riley was suddenly startled by his pressure, previously knew that the aura of the grandson is powerful, but in the end did not apply pressure on his body, but now

But it must not be said that those things are indeed quite humiliating and cannot be known.

"Forget it, it's nothing, thanks to Drake this time, if it wasn't for Drake, I wouldn't have come back so quickly."

Olivia's eyes appeared hateful. She had already let the Old Riley down, but now she was back.

Drake glanced over there, "Why is she here, didn't I tell you? She's definitely not allowed to be in Riley manor."

Emilia wanted to go over there just now, but she didn't dare. She thought she was ignored, but she didn't expect to be discovered by Drake.

"Grandpa, I"

She didn't know how to say it, or Olivia said it.

"Dad, Emilia heard about your accident and came to me first. She was crying a lot and was worried about you."

"Then I heard that you were back here. She came over to see, she did not mean anything else, since she saw that you are fine, Emilia this is going to go."

Emilia nodded: "Grandpa, you're okay, I'll leave."
