

Revenge On My First Love Chapter 40

Before Emilia could say anything, Chloe said, "Oh, I forgot, you've only been back in the Warburg family for six or seven years, and you haven't been in the Warburg family since you were a child, so it's normal to be uneducated."

Emilia was about to die of anger when Olivia put her on the back burner: "Miss Thomas, you're from the Pinkerton Thomas family and I can't afford to offend you, but there's something I feel I need to say to you."

"Miss Thomas is young, kind, good-hearted and simple, a rare and good child, but do not be taken advantage of by those who have a heart."

It was a nice thing to say, but on Chloe's side, it turned out to be a different story.

"What do you mean, you say I'm kind and simple, but you're really saying I'm stupid, aren't you? Who Chloe makes friends with is my business, not yours."

"Instead, you guys, don't leave here without apologizing."

Emilia certainly can't apologize, it's not like she did anything wrong.

Olivia knew very well that Chloe was in the way and there was nothing she could do about it, even with the Thomas family in the way.

"Emilia , apologize!"

Emilia bit her lip to death.

Olivia kept looking at her, pressuring her with her eyes.

Emilia walked up to Sophia and bowed her head like a gnat: "I'm sorry!"

Chloe said with complete disrespect, "I can't hear you!"

"I'm sorry!" She bit her lip to death, her voice a little louder.

"Still can't hear you!" Chloe had the look of a big sister.

"I'm sorry!" Emilia shouted straight out this time.

Chloe pulled Sophia up and asked, "Is this okay?"

Sophia looked over at her, "Chloe, it's okay, I'm actually fine, I just got pushed."

She is a white lotus flower temperament to the fullest.

Emilia almost wanted to kill someone, but with so many people watching, what else could she do but hold back?

Olivia glanced at Sophia and said to Emilia behind her,
