

Revenge On My First Love Chapter 41

Drake's eyes met his as well.

Don't know!

But this face is exceedingly handsome and poses a great danger to him.

"I am!"

Bard threw a punch.

Paul first covered his mouth and then ran over.

Sophia knew that Bard was unstable, but she didn't expect to hit him when she first saw him.

"Bard, Bard!"

She went to stop it, but it was no use at all, Drake's fist swung straight at her.

Bard was struck, the back of his hand wiped the corner of his mouth, and was about to strike again when Sophia finally got in front of him this time.

"Bard, stop fighting!"

Bard looked at her in disbelief, "You told me not to fight? When he first"

"Come on, it's all in the past."

Bard was upset, but seeing his sister's appearance, he had to withdraw his hand. While looking at Drake, he pulled the person directly over and took him in his arms.

"Drake, you listen to me well, Sophia is the person I cover, in the future you dare to bully her, I want you to die on the third night, and you can not wait for the fifth night."

Drake's deep eyes were fixed on Sophia.

Sophia was naturally in his arms, with no intention of leaving, like she had done this action for I don't know how many times.

Paul stood on the side, can completely feel the cold from their own boss, as if to turn the entire airport into a thousand-year ice cellar, freezing everyone to death.

He didn't know where this man came from to be so driven, but hopefully he'll live well behind him.
