

## Revenge On My First Love Chapter 50

Inexplicably, Drake asked this question.

Sophia narrowed her eyes slightly: "Yes, it feels good, he's a much better kisser than you ....."

The latter words were not yet finished, his kiss once again covered.

"Drake you ....."

Once again, the words were swallowed up by him.

This man is crazy!

He completely blocked her lips, not giving her the slightest gap.

The hands are even moving unruly on her body.

Sophia's leg tries to lift up, but he presses it down easily.

Unknowingly, she stopped resisting.

But it's not the kind of fit that just gives up.

Drake let go of her, with only a few centimeters between the two.

"My kisses are that annoying to you?"

"I hate even you as a person!"

Four eyes facing each other.

After an unknown amount of time, Drake released her, walked out of her house, and closed the door behind him.

For a long time, Sophia did not respond, slowly, she squatted down, hands in the place of hair, the whole person is very bad.
