

Revenge On My First Love Chapter 54

Once inside, Sophia had already ordered wine and snacks for them.

Everyone took a look, are super expensive kind, can see, their president is very good to them.

Sophia had the wine poured into glasses, raised them up and said with a smile, "Come on, come on, everybody raise your glasses."

Everyone raises their glasses filled with wine.

"I am very grateful to everyone who has been able to follow me to this day without leaving me in these years. I can say that the single we received today can be said to be our biggest single, and at the same time, this single has a milestone significance for us, as you know, although we have stood firm in Sealand and have a certain popularity, but compared to the above, we are still much worse. "

"But I know that each of you are not defeated and are willing to accompany me to the top, so, my dears, you still need to work together with me next, so that we you build a different piece of sky!"

"Cheers!"

"Cheers!"

Bard while drinking wine, while looking at his sister, although it is easier to spoil the silly white sweet at the beginning, but now the sister, more charming.

At the same time, he actually felt more heartbroken for such a sister.

If it wasn't for that damn Drake, his sister would have been one of those unearthly little angels.

A cup into the belly, Chloe said with a smile: "Come, come, I mention another cup ah, although I came here not much time, the work above will often be some mistakes, but thank you very much for my tolerance, I hope we can get along better in the future, for the common goal, we must punch punch punch!"

"Punch Punch Punch!"

Everyone toasted again.

Helena smiled, not saying anything.

It was Bard who opened his mouth, "I'm sorry Sophia let me come today without mentioning a drink."

"Here, I'd like to toast to all of you, thank you for supporting and taking care of Sophia for so long, thank you!"

Everyone toasted again.

The next step is to go off on your own and have as much fun as you want.

Sophia sat with the three of them, always with a smile on her face.

"Although we were well prepared this time, we didn't expect to be chosen in the end, so I'm really happy."
