

Revenge On My First Love Chapter 59

Emilia was in a complete panic.

Does he, does he, does he know something?

the Old Riley wrinkled his brow and asked, "Drake, what the hell is going on? What else is going on besides this?"

The police department only made Nova confess to the murder of Sophia last night, and did not mention the car accident that year.

Emilia's body trembled with it.

Drake glanced at her, "Back in the day, Sophia was in a car accident when she was separated from me."

the Old Riley what a person, immediately understood what, asked: "You mean, this matter also can not be unconnected with them?"

"No, no, how could I possibly do such a thing?"

the Old Riley also looked at her, "No really?"

"I I"

Olivia took the lead and said, "Dad, I don't even know about this, it's definitely not Emilia's doing."

Emilia nodded her head desperately.

the Old Riley sneered, "Looks like I've really trusted you guys enough over the years!"

Drake was much relieved to hear that.

In fact, I don't blame Grandpa for being smart and confused, Olivia has done a lot of good things since she came in, and is very popular with the elderly.

If it weren't for Sophia's antics, he would still believe Olivia.

Olivia's heart was immediately startled and she looked at Emilia: "Emilia, is there something you haven't told me?"

Emilia is dumbfounded, Auntie Olivia is going to get rid of her?

I don't believe my sister did it, but if the police really didn't wrongly accuse the wrong person, then I really can't imagine how my sister would do such a
