

Revenge On My First Love Chapter 60

the Old Riley nodded: "You're right, indeed, and in fact, back then, it was true that we owed her."

"By the way, don't let Olivia know about this."

"Don't worry, Grandpa!"

Drake is happy to see his grandfather come to his senses again. As long as his grandfather's heart is clear, Olivia can't make any demons.

.....

News of Nova's guilty plea soon spread. Who would have thought that a woman's heart would be so vicious as to deliberately murder Sophia .

Sophia is also really lucky to not be killed, otherwise, Sophia is really too wronged.

But even if Nova admits it, doesn't this have anything to do with Emilia?

The major players on the Internet began to analyze: do you think there is a possibility? Nova is helping her daughter to take the blame? Think about it, between Emilia and Sophia, it's a love rivalry, and every time Sophia wins, Emilia can't not hold a grudge against her from now on?

In that case, could Emilia have done something behind the scenes and then Sophia found out, but Nova felt sorry for her daughter, so she came out to take the blame?

There are also people who analyze: upstairs, you are right, but you have to think about one thing, Emilia dare to do so, must be the support of the family, as they say, things are different, if the Warburg family is not such a person, Emilia will do this kind of thing?

So I think this is not just Emilia's business, maybe Nova is really involved in it.

Some people even said: "Gossip, the Warburg family's financial situation a few years ago, someone behind these years, if not, the Warburg family would have been finished.

In other words, Sophia must have gotten in the way of the Warburg family, and that's why the Warburg family did it to Sophia.

These news on the Internet, seemingly empty, but in fact, who knows if it will really be on the matter? Anyway, everyone said a slate.
