

Revenge On My First Love Chapter 62

None of that matters anymore!

"Since we already broke up in the first place, no matter what it was because of, it doesn't matter anymore. I promised my brother that I would go back with him once things are taken care of over here."

"No regrets?"

Sophia smiled: "What are the regrets, we broke up at first, it means we are not destined for each other, in that case, don't try to force it."

"Okay, whether you go or stay, Helena and I will be there for you, we will always be the best sisters."

Well, it's enough to have sisters, brothers, and family.

Olivia's words did make the internet stop targeting her and she was fine, but it was Harris' invitation that came.

Sophia and Chloe came together, and when they arrived, Flynn, Bailey and Drake were already there. The three of them seemed to be talking about something, but when they both came in, all three stopped and looked at the two of them in unison.

Sophia and Chloe greeted each other as if they had nothing to do with each other before, and greeted them very calmly.

"Mr. Riley, Mr. Price, Mr. Duncan!"

"Ms. Lawson, Ms. Thomas!"

Flynn and Bailey two people finished greeting, subconsciously looked at Drake.

Drake also greeted simply, "Ms. Lawson, Ms. Thomas!"

Since Drake is sitting outside, Sophia is sitting either next to Drake or Bailey, no matter where she is.

Chloe sat on Bailey's side first, and Sophia glared at her.

Chloe expressed her innocence, so many people, and she could not say anything, but just nuzzled, as if to say, I do not dare to sit next to him, will be killed by the eyes of the two of you.

Sophia had no choice but to sit next to Drake.

Flynn snickered.

Drake went up underfoot and kicked him in the face.

Flynn expressed disbelief.

Five people sitting here, the atmosphere suddenly quiet, this time if not to say something, it still feels quite awkward.

"Harris didn't know when to come either, he set the game up!" Flynn was the first to speak up.
