

## Revenge On My First Love Chapter 65

Harris was just being polite, and he knew Sophia wouldn't be there.

"Okay, then I'll go see him alone."

The next step is work.

Several times Sophia noticed that Flynn seemed to have something to say to her, but when he didn't, she didn't take it seriously.

Almost at the end, Flynn called out to her.

Sophia paused: "Something wrong?"

"Wanted to ask you, have you really given up on Drake?"

Sophia smiles, but the smile doesn't reach her eyes: "I gave up three years ago."

"Are you sure?"

Sophia wasn't sure what he meant by that, but said, "Of course."

"If you say so, then I'm relieved that my sister is coming back."

Sophia, of course, knows that Flynn has a sister, his sister likes Drake like a lot, this time back, it is clear that still want to be with him.

"Yeah? That's great!"

Flynn didn't see anything in Sophia's eyes, but there was something to be said.

"Although Drake has never admitted it, I can tell that even after these three years, he still has you in his heart. Sophia, I mean, if you really still like each other, then stop tossing and turn and get together before it's too late, isn't that good?"

Sophia was still smiling, "And do you think his family might approve?"

This is something that Flynn really has no answer for.

The Riley family's attitude was really the trigger for their breakup.

he spoke: "In that case, then I will be blunt, since you have decided to give
