

## Revenge On My First Love Chapter 66

When Sophia stepped out to wash her hands after taking care of the problem, she saw a person looking at her through the mirror.

She turned her head with a calm face and was about to walk past the woman in front of her when Cecelia called out to her.

"Sophia!"

Sophia stopped, looked straight ahead, and asked faintly, "May I help you?"

Cecelia's good-looking face was sulking: "If you chose to leave back then, why did you show up now? Did you come back for Drake? Didn't you hurt him enough back then?"

Sophia laughed.

Cecelia deadpanned, "What are you laughing at?"

"Cecelia, you just came back, many things are still unknown, I can spare you this time for the sake of your brother, but only this time."

Sophia's delicate cheeks, glazed eyes with threat and warning.

Cecelia grabbed her wrist, "Sophia, you're being arrogant, you hurt someone, and you're coming and going, who do you think Drake is?"

Sophia shrugged her off and said with an unpleasant look on her face, "Cecelia, don't go too far! My business is not your business!"

And then, thumping away on high heels.

Cecelia looked at her figure with chagrin. This woman, if she really dared to appear in front of Drake again, she would definitely make her look good.

When Flynn came over, he met up with Sophia.

He thought of just Cecelia also said to go to the bathroom, with her sister's character, they should not .....

Sure enough, Sophia said coldly as she looked askance at him, "Flynn, mind your sister, and if there's a next time, don't blame me for not being polite."

When I first met Sophia, I always thought she was a weak woman, but now I realize that she is clearly a big devil, his sister is no match at all.

He rushed to the bathroom and found Cecelia still standing there.

Flynn wrinkled his brow and asked, "Cecelia, did you come to mess with Sophia?"
