

Revenge On My First Love Chapter 69

"Yes, my son said that it is especially good inside the company, and the colleagues are very loving to each other East."

Many people seemed to have heard about it, and they looked at Sophia together : "For the sake of you being the president of the Skylane Group, we'll believe you this time."

"Thanks!" Sophia's face beamed with a smile.

The four older men watched until Sophia returned from settling everything.

Sophia looked at the four of them strangely, "What's wrong, what are you looking at me for?"

Even after all this time, Flynn still couldn't believe that this was the same Sophia they knew.

Harris said gratefully, "Ms. Lawson, thank you so much, if it wasn't for you, we wouldn't have been able to finish this side so smoothly. Once this side is not finished, there is no way to start the whole work."

Sophia smiles: "Actually it's not a big deal, many people don't want to leave a place because they are used to living there, if they want to leave, there must be a lot of things that can't be solved, as long as we help them solve these and go to live in a better place, who doesn't want to leave?"

Yes, because the government attaches special importance to this project, this time to give them the allocation of houses are also very good. However, the people are not that ambitious, they just want to live the same life as before.

Harris admired from the bottom of his heart: "It's still Ms. Lawson, or this time we won't be so smooth."

"So, give me more credit!" Sophia said nonchalantly.

"That's for sure! Come on, let's go down there!"

Those places that were not so good were basically taken care of with the busy work of a few people.

A day down, a few people are also tired, ready to go back when the front was stopped by a car, Cecelia from above quickly ran down, came directly to the front of Drake, looking up and down:.

"Drake, I heard you got hit by something, is there anything going on, let me see!"

Drake glanced at Flynn.

Flynn said sheepishly, "I accidentally blurted it out!"
