

Revenge On My First Love Chapter 72

"Cecelia , whatever feelings I still have for Sophia, I can't be with you, don't waste your time on me."

Cecelia's tears brushed down, desperately shaking her head: "No, Drake, I like you, I really like you, if I can't be with you in this life, I don't know what it means to live at all, can you try to get along with me? I'm sure you'll see that I'm not bad, Drake"

After what happened to Ronan, Drake was a little upset, he was not in the mood to play, stood up and said, "That's it, let's not talk about it, you guys can continue to play, I'll go first!"

Cecelia kept shouting, "Drake, Drake"

Drake walked so fast that no one even shouted at him to stop.

Flynn sighed: "Cecelia, originally I also asked Sophia, asked her what feelings for Drake, Sophia has said, she does not love Drake, but you see Drake's attitude is not at all Sophia does not love Drake, is Drake still love Sophia, Cecelia, you better give up on him!"

Cecelia gritted her teeth and said, "Brother, can you even believe such words? She said she doesn't love you and she doesn't love you? I think she obviously did it on purpose, while telling you that she doesn't love Drake, but still seduced him, this kind of woman, just disgusting."

Flynn wrinkled his brow, "Cecelia, stop it, Sophia is not like that!"

Cecelia looked at him incredulously, "Brother, you are my brother, how come even you are speaking for her now, what the hell are you thinking?"

"Cecelia , I know it's hard for you right now, but it's not yours, it's not yours after all, you can't no matter how hard you try!"

"I don't believe it, I didn't make a good effort before, but this time is different, now that I'm back, I'm going to make a good effort, I'm going to make Drake mine!"

Flynn tried to say something else, but Cecelia couldn't listen.

But it's still time to warn: "Listen, Cecelia , you know Drake's character, if you really provoke him, he doesn't know what he'll do to you, even if I'm your brother, I may not be able to help you."

"Hm, no, I'm sure that Drake will eventually make the right choice." Cecelia seems to have a lot of confidence in herself.

Flynn shook his head helplessly.

Bailey reached out and placed a comforting hand on his shoulder.
