

Revenge On My First Love Chapter 75

"Of course not!" Sophia had a smile on her face and it was impossible to tell what she was thinking: "But I just came over to thank Martha for this, if it wasn't for you, I wouldn't have been able to have this dinner with Mr. Jones, and I wouldn't have been able to help Mrs. Jones find the evidence of Mr. Jones' fooling around. You!"

Chloe couldn't hold back her laughter.

Martha's expression was like a palette: "Ms. Lawson, what are you talking about, I don't understand!"

"Come on! LightSea Corp is a very powerful company in Sealand, and it's an honor for the Skylane Group to work with them. If it wasn't for your help, we wouldn't have been able to work with them, and of course, Mrs. Jones wouldn't have been in the dark for so long, it's all because of you!"

If people don't understand what's going on, then there's an IQ problem.

Oh my God, I bet this Martha is planning to harm Sophia! How vicious!

Martha also noticed the eyes of the others and said angrily, "Ms. Lawson, don't talk nonsense!"

"How can you talk nonsense? Oh, I see, you don't want people to know that you did such a good thing, right? That's fine, then I won't say anything."

Martha wanted to kill her.

"By the way, I'll cover your meal for one person today, thank you for your help today." With that, she explained to the waiter and went out with Chloe.

Martha's hand has been clenched into a fist, originally this time to sneak a picture of her and Mr. Jones, when the time to send Lawson family see, Lawson family will not reuse her, but where to expect, Sophia that woman actually will be her army.

Now so many people are watching, if this matter has spread to the Lawson family side

No, no way!

As she prepared to leave, a man with a powerful aura walked up to her.

"Mr. Riley!"

Martha is still afraid of this man, and she has heard that Sophia is his first love, so what if this man does something to her?

"Is it enough for you to eat these meals alone?"

Drake's words are puzzling.

But Martha thought she should answer - "Enough, enough!"

"I can't see enough!"

Martha didn't know what he was going

"Waiter!"

Drake's shout, the waiter, of course, could not disobey, rushed over and respectfully called
