

Revenge On My First Love Chapter 76

After Mrs. Jones finished speaking, the person left.

Chloe walked over to Sophia: "Sophia, do you believe what she said?"

"There's nothing I can't trust, she doesn't have to lie to me."

"That Drake he"

"Leave him alone!"

Sophia has said that no matter what Drake says, she doesn't care.

Yeah, wouldn't care.

After leaving work and realizing that Bard wasn't out yet, Sophia went to the Summersky Group, where she had recently devoted herself to the Skylane Group and hadn't been over for a few days.

Summersky Group is also getting on track under Bard's management.

When she walked in, she didn't expect to run into Martha again so soon.

Martha is not short, should be similar to her, two nearly one meter seven women standing there, plus Martha so many years in the workplace experience, or have a certain aura.

Coupled with what happened earlier, there was hatred in her eyes at this point as she paid attention to her.

Sophia, however, did not care at all and just glanced at her, ready to leave.

Martha hated her teeth: "Sophia , the shame you gave me, I will not forget."

Sophia laughed, "What shame have I given you? And, don't you even have the most basic manners anymore?"

How dare you call her by her first name? That's ridiculous!

"Don't pretend you don't know, after you left that day, Mr. Riley because of what you did to me, you wouldn't be unaware."
