

## Revenge On My First Love Chapter 79

The old president of the Price Group, his wife, and his daughter came over, which was indeed not expected by everyone, and the Skylane Group company's internal rumors also came out little by little, saying that this time the Skylane Group purchasing department stopped there, all the Price family made the ghost.

Now it seems as if this is a real possibility.

Marley and Mrs. Price walked in with Cecelia, and Sophia was sitting in the president's chair, not even thinking of standing up, which made people look really unhappy.

"Mr. Price, Mrs. Price, Miss Cecelia , I don't know what you want to do in my place?"

Chloe was laughing on the side, and yes, that's the way it should be.

Cecelia stood up in anger and pointed at her: "Sophia ....."

Just after the beginning, it was pressed down by Marley.

Cecelia had an unhappy face.

Marley took the lead and said with a false smile on her face, "Ms. Lawson, I'm sorry about this one, and I hope you'll forgive us for this one."

Then he gestured at Mrs. Price and Cecelia.

Mrs. Price was also extremely upset when she faced Sophia like this, but thinking of her family, she could only tolerate this time, and she would find a chance to retaliate back sooner or later anyway.

"Ms. Lawson, I'm really sorry."

Then pushed Cecelia .

Cecelia could not say this in any way.

The first thing you can do is to make sure that you have a good understanding of the situation.

Marley gestures to Cecelia , who looks away.

"Cecelia!"

Perhaps really angry, Marley whispered.
