

Revenge On My First Love Chapter 88

Mrs. Price also smiled: "Isn't it? I thought Sophia was so powerful. Don't worry, I've made arrangements with the lawyers, and we're going to finish Sophia off this time."

"Mom, I knew you were the best for me."

"Are you guys still going to fool around?"

If not back home, Flynn did not know that these two people still have such an intention, before he said those words to them were in vain.

Mrs. Price said smugly, "Flynn, did you see that? Sophia hasn't fought back since that incident, proving that she's at the end of her rope."

Flynn laughed: "You guys think she doesn't have a big move on her side, don't be naive, okay? If I hadn't given out a big project to go over, do you think you would still be sitting here peacefully?"

"What do you mean?" Mrs. Price looked at him in disbelief.

"Sophia, since of course she dared to send out the video of her abroad, has not been afraid of you, it is you who have not understood what is going on until now."

"If you continue to mess with Sophia, don't blame me for leaving you alone."

Mrs. Price and Cecelia both looked at each other.

"Also, I advise you not to do anything else, otherwise, Sophia really starts to be ruthless, I have no choice." After saying that, he left.

Cecelia said angrily, "Mom, look at him, how can he make others look good and destroy our own momentum?"

Mrs. Price thought for a moment: "Cecelia, this is for now."

Cecelia looked at her incredulously, "What? Mom, now even you are"

"No, your brother's face can not not be given, and Sophia took our the Price family of that project, although we heart dissatisfaction, but also can not affect our the Price Group, to clean up Sophia there are plenty of ways, also not in a hurry this moment."

Cecelia is so unhappy that she just wants to get Sophia out of the house and never be around Drake.

.....

To celebrate this big deal, Sophia booked a big box at the bar and invited her staff to have a good time.
