

Revenge On My First Love Chapter 90

Chloe also took out another gift, "Grandpa Nico, this is from my parents and they asked me to send it over, it's really their regret that they couldn't come to your birthday party."

"It's okay, it's good that you're here, it's good that you're here, come on Bailey, let me introduce you."

Bailey comes over from Flynn and Drake.

"Grandpa, I already know Miss Thomas."

Chloe raised an eyebrow.

old Duncan suddenly strained a face: "You know is you know, today by this occasion, I want to introduce you again."

Bailey nodded seriously.

"This Miss Thomas is the Pinkerton Thomas family's daughter, her father and your father were classmates when they were in college abroad, now Miss Thomas is working in Sealand, you have to take good care of her, you hear me? "

"I hear you, Grandpa!"

old Duncan finally satisfied with her attitude, looked at Chloe: "Chloe ah, I have not quite understand, how you come to work here, or in the Skylane Group? I mean, with your status, you can go elsewhere if you want."

"Besides, isn't the Thomas family still waiting for you to inherit it?"

Don't say old Duncan have such thoughts, is the same as others.

In the end, in their eyes, the Skylane Group still dropped Chloe's value.

Chloe smiled: "the Skylane Group, I don't have much to introduce, I think it's an honor to come to the Skylane Group, plus, it's because of the Skylane Group that I've gotten more exercise."

"Before coming here, no one noticed that I was the one from the Thomas family and that I could unfold my abilities as well as anyone else, and besides, Sophia and I were already good friends and she was comfortable enough to leave the company in my hands and let me do it, which I don't think anyone could have done."
