

## Revenge On My First Love Chapter 92

Sophia also looks over at Olivia and notices that something is wrong with her.

"No, it can't be!"

Aria asked once again, "Mom, what's going on?"

Olivia and Sophia looked at each other, and at that moment, she had a very complicated look in her eyes, as if there was something wrong, but she couldn't say it.

Sophia didn't think much of it and turned her head back.

"Well done!" Chloe said with particular relief, "Sophia, if they knew you had more talent in you, they would probably be furious."

"I just can't stand Cecelia getting in my face, if it weren't for that, I wouldn't bother playing the piano for everyone!"

It's also true that Sophia had an airport concert when she was very young, and the tickets were a sell-out at that time.

Sophia is also not short of money, but only play the piano as a pastime, no money with this aspect of the meaning, and then not open.

Rather, Drake has been looking at Sophia in a studied manner.

Flynn held out his hand and waved it in front of him, "Ugh, I know Sophia is indeed excellent how my sister can't compare, but you're being too obvious!"

Cecelia heard the look to Drake.

She originally wanted to show Drake that she was better than Sophia, but she never thought that Sophia would get the jump on her.

Sophia, Sophia, why is there a you in this world?

Sophia goes to answer a phone call and walks back to see Drake walking towards her.

Drake hadn't spoken to her since she arrived at the party today, and she assumed that the last time she said he was annoying, he wouldn't be in her presence again.

It doesn't look like it!

"That tune, how do you know it?"

Sophia gave him an unexpected look, "You still  
and was basically never performed outside, but only played it
