

Revenge On My First Love Chapter 99

Not daring to slow down, rushed to tell Drake about it.

Drake gave him a look and Paul felt like the sky was falling.

"President, how about I find a way to get Ms. Lawson out of here now?"

"No need."

Don't need it?

Does it mean that their president doesn't care about Ms. Lawson anymore?

"Keep an eye on it, see what Sophia is up to, and try to work with her."

Paul : "....."

"Didn't you hear what I said?"

"Yes, yes, yes!"

Paul is still the first time to see the president of their family can change the order, all because of Sophia that woman ah.

Paul quickly called the people there, the people there also seemed to have not expected such a result, originally they are almost ready, waiting to take down Mr. Knight, but did not expect to come to such a news.

Well, listen to the government!

Sophia and Mr. Knight had a good deal and signed all the contracts that were not signed before.

Mr. Knight's heart was full of goodness when he thought that we would have more and more opportunities to meet in the future when we work together.

Sophia also took the initiative to say, "Mr. Knight, you see last time we did not eat well at dinner, this time I will treat you to eat."

"I've said it all, where is the point of having a woman treat you, it's still on me."

"How is that nice, in the mall, aren't men and women alike?" Sophia said deliberately.
