

## My Rich Wife – Chapter 1004 – Chapter 1,004, the Third Alchemist –

### Chapter 1004: Chapter 1,004, the Third Alchemist

Of course, no one would believe these words.

Qin Yu lay on the bed and quietly waited for Wan Gu Qiong to leave.

However, he was slightly worried in his heart.

Wan Gu Qiong, that scoundrel, had harassed the pavilion master many times. His methods were despicable and vile, and his obscenities were endless.

If it were not for the two martial saints by his side, Qin Yu would have already smashed his dog head.

“You won’t be able to be arrogant for long...”Qin Yu could not help but clench his fists.

Zhang Yi Jiu, who was standing at the side, could feel the murderous intent from Qin Yu’s body. He ran over and muttered, “What? What are you fantasizing about again?”

Qin Yu glanced at Zhang Yi Jiu and immediately said jokingly, “I remember that when I first met you, you seemed quite coquettish. Why have you changed your character now?”

Zhang Yi Jiu rolled his eyes and said with a smile, “If you’re willing to lend me your body, of course I’m Willing.”

“What exactly is this cultivation method of yours? Why are you like a Fairy?” Qin Yu frowned.

Zhang Yi Jiu waved his hand and said, “What do you know? This is called plucking Yang to supplement Yin.”

While the two were chatting, a voice came from outside.

Then, they saw Taozi push the door open and walk in.

“He has already left,” Taozi said.

Qin Yu was delighted and immediately got up to leave.

When he walked in front of Taozi, he suddenly noticed that there was a palm print on Taozi’s face.

“What happened?” Qin Yu frowned and asked.

Taozi shook her head and said, “Nothing.”

“It must be that Wan Gu Qiong,” Zhang Yi Jiu snorted at the side.

Qin Yu frowned.

“From your tone, it doesn’t sound like it’s his first time?” Qin Yu looked at Zhang Yi Jiu.

Zhang Yi Jiu sneered, “Wan Gu Qiong is the eldest young master. He will hit whoever he dislikes. Who Dares to provoke him?”

“Enough, stop talking. Hurry up and leave. Pavilion master is still waiting for you.” Taozi urged.

Qin Yu held back his anger. He looked at taozi and comforted, “Don’t worry. Wan Guqiong won’t be arrogant for long.”

Taozi rolled her eyes and said, “Okay, I got it. Hurry up and leave. Don’t waste time.”

Qin Yu grunted and followed Taozi all the way to Pavilion Master’s building.

Pavilion master had been waiting for Qin Yu for a long time.

As soon as Qin Yu went up the building, he hurriedly ran over and said, “Pavilion Master, that Beast, Wan Gu Qiong, didn’t do anything to you, right?”

“I’m fine.”Pavilion master shook his head. “Tell me about your matter.”

Qin Yu looked left and right. After making sure that pavilion master wasn’t injured, he heaved a sigh of relief.

After saying this, Qin Yu took out the three heavenly vanilla stalks from his spatial divine artifact.

A strange fragrance immediately assailed his nostrils.

Pavilion master looked at Qin Yu’s palm in surprise and said, “This is... heavenly vanilla? You really found it?”

Qin Yu smiled bitterly and said, “I didn’t find it. It was Yan Ruoxue who sent it.”

“Yan Ruoxue?”Pavilion master’s face was even more shocked.

Qin Yu grunted and said, “Do you still remember? We discussed the Yan family’s secret realm with old Mister Yan before.”

“The Yan family’s secret realm... is it real?” Pavilion master asked in surprise.

Qin Yu nodded his head vigorously and said, “Not only is it real, but the Yan family’s secret realm is also a high-level secret realm.”

Pavilion Master could not help but laugh and said, “Qin Yu, your little girlfriend really cares about you.”

Qin Yu sighed and said, “Yeah, I didn’t expect that I would have to rely on Ruoxue to get the heavenly vanilla in the end.”

He had thought that he would no longer rely on Yan Ruoxue after he embarked on the path of cultivation, but now it seemed that this was not the case.

“Oh right, this pill recipe says that three alchemists with purple flames are needed, but with my connections, there’s no way to find the third one.” Qin Yu looked at the pavilion master.

Hearing this, the pavilion master pondered for a moment and said, “I do know an alchemist who also has Purple Flames.”

Qin Yu’s eyes immediately lit up and hurriedly said, “Where is he now? Will he help us?”

A trace of embarrassment flashed across the Pavilion Master’s eyes. A moment later, she sighed slightly and said, “I can’t say for sure, but I haven’t been in contact with him for many years.”

Qin Yu carefully observed the change in the pavilion master's expression and said, "Pavilion master, could it be that you have a grudge against him?"

Pavilion master smiled and said, "A grudge is not really a grudge. It's just that there was a competitive relationship back then."

"A competitive relationship?" Qin Yu was silent for a moment before he guessed, "Back then, there was an organization that was on par with the Divine Alchemist Pavilion. In the end, the Divine Alchemist Pavilion won, right?"

"That's right. From then on, we have never interacted with each other again." Pavilion master nodded.

Qin Yu scratched his head and said, "It seems a little troublesome..."

"No worries." At this moment, pavilion master changed the topic.

"I'll accompany you."

Qin Yu frowned and said, "Pavilion Master, he won't take the opportunity to make things difficult for you, right?"

"I don't think so," pavilion master said.

"As long as you can successfully become a martial saint, some sacrifices are worth it."

At this moment, Qin Yu really could not think of any other way. He could only nod his head and agree.

The two of them discussed for a moment and planned to set off the next day.

The next day, before dawn, Qin Yu and the Pavilion Master had already left the Divine Alchemist Pavilion.

The two of them drove and set off on their journey.

The car sped along the road, crossing countless mountains and rivers, and headed straight for the south.

For an entire day and night, the two of them were still unable to arrive.

“Pavilion Master, how much longer?” Qin Yu asked.

Pavilion master said, “Soon, don’t worry.”

After another day or so, the car stopped near a rainforest.

Pavilion master pointed inside and said, “We can’t drive in here. Follow me. Remember, don’t say anything when you see him.”

“Okay, I got it.” Qin Yu nodded hard.

Then, pavilion master took the lead and stepped into this rainforest.

There was a dense jungle here, and rivers passed through the jungle from time to time.

The leaves rustled, as if some reptile was watching the two of them in the dark.

After passing through the jungle and stepping on the path, their clothes were wet by the rain on the leaves.

After a long time, the front was finally bright.

“This is where he lives,” pavilion master said quietly at the exit of the rainforest.

With a glance, he saw a large valley ahead.

There were a few words written on the valley: Dragon Transformation Valley.

The entire valley was filled with herbs that filled the entire mountain!

The medicinal fragrance rushed straight into his nose, and the dense spiritual Qi made the entire valley covered in a layer of gauze mist..

Chapter 1005: Chapter 1,005. If you win, you will help

“Dragon Transformation Valley.”Qin Yu silently recited these three words.

Pavilion master explained, “I once called Myself Divine Phoenix, and he called himself Dragon Transformation.”

Qin Yu scratched his head and muttered, “So there is such a history...”

“Alright, follow me.”Pavilion master took a step forward and walked into Dragon Transformation Valley.

As soon as he stepped into the Dragon Transformation Valley, a ray of light shot towards him!

Pavilion master waved his hand lightly, and the ray of light dissipated into thin air.

“Are you going to welcome your old friend like this?” Pavilion master said indifferently.

“Ji Yuhong, what are you doing here!” A cold voice came from the valley.

Pavilion master said indifferently, “I’m here to catch up with you.”

“Catch up with you? What is there to catch up with you? Get lost!” The voice in the valley was somewhat angry.

Seeing this, Qin Yu couldn’t help but secretly feel that things weren’t looking good.

From the looks of it, it wouldn’t be so easy to get his help.

“Who is this kid by your side? Your Child?” At this moment, a voice came from the inside again.

“I am the pavilion master’s Disciple.” Qin Yu cupped his hands and said.

“Disciple? HMPH, looking at your behavior, you don’t seem like an alchemist.” The person inside said coldly.

Pavilion master smiled and said, “Xiang Danqing, my disciple’s alchemy level is probably above yours.”

“Nonsense!” Xiang Danqing instantly flew into a rage!

Pavilion master said indifferently, “I came here today to tell you that not only can I beat you, but my disciple can also beat you today.”

“But I know that you have always been a person who can not afford to lose, and you only know how to show off with your words. Forget it, let’s go.”

After saying that, the pavilion master looked at Qin Yu and said, “Qin Yu, let’s go.”

Qin Yu, on the other hand, had an anxious look on his face. It was not easy for him to come here. Why did he want to leave after just coming here?

The Pavilion Master gave Qin Yu a look, indicating that Qin Yu should not be anxious.

Therefore, Qin Yu could only follow behind the pavilion master, planning to leave.

At this moment, a ray of light burst out from the valley!

They saw a tall, bare-chested, naked man, who looked like a savage, blocking their way.

He stared coldly at Ji Yuhong and said, “You only won by a fluke in the past, but now you have brought a junior to humiliate me! Ji Yuhong, don’t you think you have gone too far!”

Pavilion master raised his eyebrows and said, “When have I humiliated you? I’m just stating a fact.”

“Back then, you ran to this uninhabited place to hide because you lost to me. Don’t you think you can’t afford to lose?”

When Xiang Danqing heard this, his eyes immediately looked at Qin Yu.

His tall figure looked extremely oppressive.

“Kid, do you think you can beat me?” Xiang Danqing said coldly.

Qin Yu touched his nose and said, “It’s hard to say. I’m not sure if you can’t beat me.”

“Are all the juniors nowadays so arrogant?” Xiang Danqing said coldly.

“Even if you’re arrogant, you have to have the confidence to be arrogant,” pavilion master said indifferently.

“If you’re not convinced, just compete with him.”

Xiang Danqing shouted, “Do you think I don’t Dare? !”

“Okay, then let’s compete.” Pavilion master immediately made the decision.

“Qin Yu, are you okay?”

Qin Yu hurriedly nodded and said, “I’m fine.”

Pavilion master grunted and said, “Xiang Danqing, if my disciple wins, you will agree to one request of his. How about it?”

Xiang Danqing snorted lightly and said, “Not to mention one request, even ten requests will do!”

“Alright!” Pavilion master immediately nodded.

“If I win, Ji Yuhong, you will give the Divine Alchemist Pavilion to me, and then this Dragon Transformation Valley will be renamed the Divine

Phoenix Valley! You will stay here forever! Do You Dare?"Xiang Danqing narrowed his eyes and said.

"Okay."Pavilion master agreed without thinking.

Xiang Danqing laughed loudly and said, "Ji Yuhong! You underestimate me too much! Do you think I have been wasting my time all these years? !"

"Do you see this mountain full of herbs? These are the ingredients that I use to refine medicine!"

"After so many years, my alchemy skills are no longer on the same level! Ji Yuhong, you will definitely lose!"

Pavilion master raised his eyebrows and said, "Back then, you seemed to have said something similar. What happened in the end?"

Veins popped up on Xiang Danqing's forehead. He glared at Qin Yu and said, "Cut the crap, Kid. Let's give it a try!"

After saying that, he turned around and walked into the valley.

Qin Yu and pavilion master exchanged a glance and followed closely behind.

"Pavilion master, this person's alchemy skills should be very strong, right? What If I lose to him? When that time comes, do you really want to stay here for the rest of your life?"Qin Yu couldn't help but whisper along the way.

Pavilion Master Bai Qin Yu glanced at him and said, "Then don't lose."

Qin Yu took a deep breath and said, "Okay, I'll do my best!"

After stepping into the Dragon Transformation Valley, a strange smell assailed his nostrils.

This valley had a different world, as if it was a primitive residence.

Everything inside was made of stone. In the center of the hall, there was a cauldron made of stone.

There were still remnants of herbs inside the cauldron, and a strange smell assailed his nostrils.

“Tell me, how do you want to compete?” Xiang Danqing said coldly.

Pavilion master said indifferently, “Let’s compete with the one we competed with back then, the one who had more clear-heart pills in the end would win.”

“Hahahahaha!” Hearing this, Xiang Danqing couldn’t help but burst into laughter!

“Ji Yuhong, after I lost to you back then, I worked hard to develop clear-heart pills. Now, the clear-heart pills are easy for me!” Xiang Danqing said with a cold smile.

“I don’t want to bully you. I’ll give you a chance to regret.”

Pavilion master also seemed to be a little worried.

She looked at Qin Yu and said, “Qin Yu, what pill do you want to compete with?”

As she spoke, pavilion master kept winking at Qin Yu, as if asking him to choose a pill that he was good at.

However, Qin Yu took a deep breath and said, "Let's compete with the Clear Heart Pill."

Chapter 1006: Chapter 1,006 was not over yet

Xiang Danqing narrowed his eyes and sneered, "Your arrogant attitude is exactly the same as Ji Yuhong's."

Qin Yu could not help but feel a little wronged.

He had clearly kept a low profile, so why was he still called arrogant.

"Are you sure that the clear heart pill is okay?" Pavilion master asked.

Qin Yu nodded and said, "To me, any pill doesn't really make much difference."

The success of refining a pill depended on the strength of one's divine sense, in addition to one's skill in refining pills.

Qin Yu and Tie Dan's training had already made their divine sense extremely powerful.

"Then let's begin. Go to the mountain and pick the herbs yourself," Xiang Danqing said coldly.

With that, he turned around and walked out.

"Let's go," pavilion master said to Qin Yu.

Qin Yu grunted in gratitude. He turned around and walked out of the valley with quick steps, all the way to the mountain of herbs.

The mountain was filled with herbs, and they were all growing extremely vigorously.

It was obvious that Xiang Danqing was an alchemy fanatic, and he was also extremely attentive to the planting of herbs.

Qin Yu picked a batch of herbs according to the pill formula needed for the clear heart pill.

To prevent accidents, Qin Yu compared the herbs in different regions many times to ensure that the medicinal effects were maximized.

This also caused Qin Yu to spend even more time.

By the time Qin Yu returned to the valley, Xiang Danqing had already prepared.

“What? Does it take so long to pick herbs?” Xiang Danqing could not help but say with some ridicule.

Qin Yu was not angry. He smiled and said, “When fighting with senior, of course I have to make more preparations.”

Xiang Danqing snorted coldly and said, “Since the herbs have been brought back, don’t waste time.”

With that said, he took the herbs and walked to the stone cauldron.

His internal energy shook, and layers of fragments appeared on the inside of the stone cauldron!

Then, Xiang Danqing waved his hand, and the fragments were all cleaned out.

“To ensure the medicinal efficacy, I will shatter a layer of skin after every pill refinement to prevent the medicinal herbs from escaping and affecting the medicinal efficacy,” Xiang Danqing said indifferently.

Qin Yu didn't say anything. He took out the cauldron with the divine dragon engraved on it from the spatial divine tool.

Xiang Danqing's pupils suddenly shrank when he saw this cauldron!

“You actually gave this cauldron to him!” Xiang Danqing said angrily.

Pavilion master said indifferently, “You lost to me, so it naturally belongs to me. No one can control who I want to give it to.”

“You!” Xiang Danqing couldn't help but clench his teeth.

He said coldly, “Kid, I added a condition at the last minute.”

“Please speak, senior.” Qin Yu bowed and said.

Xiang Danqing said coldly, “If you lose, return this cauldron to me!”

“Okay.” Qin Yu agreed without thinking.

“Then let's begin.” Xiang Danqing didn't say anything more.

He threw the herbs into the cauldron, and then a purple-colored spiritual fire lit up in his palm!

“It really is a purple fire.” Qin Yu heaved a sigh of relief when he saw this.

Xiang Danqing waved his hand, and the flames instantly fell into the stone cauldron!

Under his control, the flames seemed to dance.

Xiang Danqing's control over the spiritual fire was extremely keen. The flames spread to almost every part of the herbs, and the medicinal effects were brought into full play.

Qin Yu did not waste any more time. He flipped his palm, and the same purple fire appeared in it.

Following that, Qin Yu used the same method and began to refine the herbs.

The two flames caused the temperature in the entire valley to soar.

Qin Yu relied on his powerful divine sense and focused all his attention on refining the pill.

“Chi la!”

At this moment, a sound came from within Xiang Danqing's cauldron!

The herbs within the stone cauldron actually began to withdraw their juice!

“What a fast speed!”

Such speed caused even the pavilion master to be slightly stunned!

On the other hand, Qin Yu's medicinal herbs had just begun to dissolve, and Wisps of medicinal juice had just flowed out.

“HMPH!”

Xiang Danqing lightly snorted, and with a loud shout, the stone cauldron immediately began to crackle with explosive sounds!

A burst of dense smoke erupted from within!

This was clearly a sign that the pill was about to be completed!

From refining to forming the pill, Xiang Danqing only spent less than an hour!

“What a fast speed!” Pavilion Master was secretly shocked!

“Ha!”

Xiang Danqing let out another Explosive Shout!

That purple flame instantly filled the entire stone cauldron!

A burst of sounds instantly came from within the stone cauldron! A rich medicinal fragrance assailed his nostrils!

Following that, Xiang Danqing put away the spiritual fire and walked straight to the front of the stone cauldron.

He extended his hand in and slowly began to search for the clear heart pill.

One Pill, two pills, three pills... a total of eighteen clear heart pills!

In such a short period of time, he had refined so many pills!

At this moment, even the pavilion master could not help but be greatly shocked!

“I remember that when you and I competed back then, you only refined sixteen pills,” Xiang Danqing said coldly.

“Now, I used even less time to refine 18 pills! Do you think your disciple can still win?”

Pavilion master smiled and said, “Xiang Danqing, it seems that you didn’t live in seclusion in vain all these years.”

Xiang Danqing sneered and said, “Of course! Not to mention your disciple, even you might not be my match!”

Pavilion master didn’t say anything and just looked at Qin Yu quietly.

At this moment, pavilion master was also faintly worried.

Qin Yu slightly closed his eyes and completely ignored Xiang Danqing.

Fortunately, the two of them were competing in quantity and not speed. Otherwise, Qin Yu would have lost miserably.

In the medicinal cauldron, the rich medicinal liquid was slowly taking shape.

The Purple Flame in Qin Yu’s hand also began to erupt!

“He’s finally about to form a pill.” Xiang Danqing snorted lightly.

“But with his method, he can at most form ten pills!”

Just as Xiang Danqing said.

Compared to Xiang Danqing, Qin Yu’s method was indeed much more immature.

“Ji Yuhong, you’re going to lose for sure!”Xiang Danqing sneered repeatedly.

“Boom!”

At this moment, the inside of Qin Yu’s medicinal cauldron also emitted waves of explosive sounds!

Xiang Danqing’s eyes immediately looked over.

“Have you finally formed the Pill?”Xiang Danqing couldn’t help but Snicker as he strode towards Qin Yu.

At this moment, Qin Yu suddenly waved his hand and said, “Senior, please wait a moment. It’s not over yet!”

“Oh?”Xiang Danqing glanced at the medicinal cauldron and said with a cold smile, “There are only nine clear heart pills in your cauldron. Other than that, there are remnants. Are you trying to stall for time?”

Qin Yu took a deep breath and said, “Senior, please wait a moment. I’m not done yet.”

After saying that, Qin Yu closed his eyes.

A thread of golden light immediately flew out from between his brows!

This golden light transformed into the shape of Qin Yu. Then, it took a step and arrived in front of the cauldron!

“Eh? Divine Sense?”Seeing this scene, Xiang Danqing seemed to be somewhat puzzled.

Then, he saw that the divine sense and Qin Yu's palm merged together!

Chapter 1007: Chapter 1,007, refining the recovery spirit pill

“What technique is this?”

Seeing this scene, not only Xiang Danqing, but also the pavilion master was extremely shocked.

Xiang Danqing narrowed his eyes and said, “This child's divine sense is extremely powerful.”

“Refining pills and divine sense are inseparable. His technique is inferior to yours, but his divine sense is more acute,” said the pavilion master in a deep voice.

At this moment, pavilion master suddenly guessed something!

“He gathered all his divine sense on his right hand to control the spiritual fire and refine the pill!” Pavilion master exclaimed.

Xiang Danqing's expression also changed slightly.

“I seem to have heard of this technique. It is called the divine right hand, but it is said that this technique can cause damage to the divine sense,” Xiang Danqing said in a deep voice.

Pavilion master frowned slightly, and her beautiful eyes stared intently at Qin Yu.

Under the burning of the spiritual fire, Qin Yu's divine sense also felt a trace of damage.

However, compared to the heavenly tribulation not long ago, this damage was not worth mentioning at all. It was almost negligible.

At this moment, the spiritual fire in Qin Yu's hand once again entered the medicinal cauldron.

The medicinal residue actually began to ooze out medicinal juice!

"Hahaha!" Xiang Danqing couldn't help but burst into laughter when he saw this.

"Could it be that this kid wants to use the medicinal residue to refine the heart cleansing pill?"

"He only refined nine pills out of the medicinal herbs. How many pills can he refine out of the medicinal residue?"

"Ji Yuhong, you're going to lose for sure!"

Pavilion master didn't say anything, but Xiang Danqing was right.

Could it be that Qin Yu could refine more than nine pills out of the medicinal residue?

Qin Yu poured all his divine sense into his right hand and slowly refined the residue.

The medicinal juice that burst out from the residue quickly began to shrink.

At this moment, the clear heart pill actually began to flow out the medicinal juice!

“HM?” Seeing this scene, Xiang Danqing’s expression changed slightly!

The so-called number of pills formed was the proportion of the medicinal efficacy used.

The reason why Qin Yu only refined nine clear heart pills was because the proportion of the medicinal juice used was too low!

Now, these wasted medicinal juice flowed out from the clear heart pills!

“There’s still a chance!”

Seeing this scene, pavilion master was instantly overjoyed!

“Withdraw!”

At this moment, Qin Yu shouted loudly!

The cauldron immediately emitted crackling sounds!

One clear heart pill after another took shape within the cauldron!

Qin Yu put away the spiritual fire, and his divine sense quickly returned to his body.

Following that, Qin Yu walked to the front of the medicinal cauldron. He stretched out his hand and took out the medicinal pills within the cauldron one by one.

One Pill, two pills, three pills.

Everyone stared at the medicinal cauldron.

“Sixteen pills, seventeen pills, eighteen pills, nineteen pills, twenty pills.”

There were twenty pure heart pills in Qin Yu’s hands!

“How is this possible!” Xiang Danqing’s expression changed drastically!

There were twenty pure heart pills, two more than him!

Seeing this, the pavilion master couldn’t help but laugh out loud.

“Xiang Danqing, you lost,” the pavilion master said indifferently.

Xiang Danqing stared at Qin Yu with a gloomy expression.

“Kid, you have some ability.” After a long time, Xiang Danqing took a deep breath.

Qin Yu bowed and said, “Senior used a stone cauldron, and I used a medicinal cauldron. I only took advantage of the medicinal cauldron, and my technique is far inferior to Senior’s.”

Xiang Danqing was stunned, and then he laughed loudly and said, “Good, good! Kid, you are much more pleasing to the eye than Ji Yuhong!”

Qin Yu looked at the pavilion master with slight embarrassment. The pavilion master smiled and shook his head, indicating that he didn’t care.

“Tell me, what do you want me to help you with?” Xiang Danqing said.

Hearing this, Qin Yu heaved a sigh of relief.

He said in a deep voice, “I Need Senior’s help to refine the recovery spirit pill.”

“Recovery Spirit Pill? What’s That?”Xiang Danqing had obviously never heard of it.

Qin Yu took out the prescription and handed it to Xiang Danqing.

After Xiang Danqing finished reading it, he looked at Qin Yu in surprise.

“Your golden core was damaged?”Xiang Danqing said in surprise.

“In other words, you didn’t use your spiritual power at all just now?”

Qin Yu scratched his head and said, “Yes, it’s all my fault for being young and ignorant. I was arrogant and tried to forcefully become a martial saint, but I failed...”

“Forcefully become a martial saint?”Xiang Danqing’s eyes instantly widened.

“Not only are your alchemy skills so superb, but your strength is also so powerful?”

Xiang Danqing could hardly believe it!

“Ji Yuhong, where did you find such a disciple? Find Me One Too!”Xiang Danqing couldn’t help but say.

Pavilion master smiled and said, “Alright, Hurry up and look at the pill formula. We can’t afford to waste time.”

“Pavilion Master, you don’t seem to have looked at the pill formula either,”Qin Yu reminded him.

Pavilion master shook his head helplessly.

Thus, the two of them took this pill formula and started to read it carefully.

The stone hanging in Qin Yu's heart finally fell to the ground.

He let out a slight sigh of relief and said in a low voice, "I can finally step into the martial saint realm."

Qin Yu took a look at the surrounding environment.

This was a place with no people and an excellent environment.

Perhaps, breaking through to the martial saint realm here was the wisest choice.

About two hours later.

Xiang Danqing and the pavilion master walked out together.

"How is it?" Qin Yu asked quickly.

The pavilion master said, "Wait here. We'll go to the mountain to get the herbs."

"Okay!" Qin Yu nodded excitedly!

The two of them did not say anything else and immediately walked up the mountain.

About half an hour later, the two of them returned to the valley with the herbs.

The three of them walked in front of the cauldron and the pavilion master reminded them, "This spirit restoration pill has extremely strict

requirements for alchemists, and the control of the spiritual fire has to be exquisite, so... we can't fail no matter what."

Qin Yu took a deep breath and said, "Seniors, don't feel too pressured. I have three stalks of heavenly vanilla in my hands anyway."

"Okay, then don't waste time. Let's begin," said Xiang Danqing..

Chapter 1008: Chapter 1,008, the pill was completed

Qin Yu had already familiarized himself with the pill formula. He was even more adept at how to refine medicine.

The three of them walked together in front of the medicinal cauldron that had a dragon tattoo on it.

"You can handle it." Xiang Danqing looked at Qin Yu.

Qin Yu grunted in gratitude. He took a deep breath and placed all the herbs into the medicinal cauldron.

Purple Flames lit up in the palms of the three people at almost the same time!

The Flames fell into the medicinal cauldron like three dazzling purple rays!

The rays of light connected to the hands of the three people, and the three of them refined the herbs together!

According to the requirements of the pill formula, the heavenly herbs had to be placed in last.

The process of refining the spirit recovery pill was extremely complicated and long. During this period, the fire temperature had to be constantly adjusted, and different herbs had to be continuously placed in.

The slightest carelessness could destroy this pill!

As he watched the three flames boil in the medicinal cauldron, Qin Yu suddenly felt as if he could feel the flames of the other two!

“These flames... seem to have fused together.”Qin Yu said with a frown.

“I feel it too.”Pavilion master said.

“En, I have the same feeling.”Xiang Danqing continued.

The three of them looked at each other. Just as they were puzzled, the three balls of flames suddenly burst out with a strange light!

They saw the three balls of flames rapidly merging in the medicinal cauldron!

In a moment, a small whirlpool formed in the medicinal cauldron!

All the herbs were sucked into it and turned into medicinal liquid in an instant!

“What’s going on?”Qin Yu hurriedly asked.

The knowledgeable pavilion master also shook his head and said, “I’ve never seen such a situation before.”

The whirlpool was still spinning crazily. Not only were the herbs sucked into it, the three balls of flames were the same!

“Hu!”

At this moment, it was as if a hurricane had risen from within the medicinal cauldron!

Immediately after, the three balls of flames that had fused together began to fuse!

Those three balls of flames that should have been purple actually turned seven-colored at this moment!

And this ball of flame seemed to be controlled by these three people at the same time!

“Seven-colored flame?” Qin Yu couldn’t help but widen his eyes!

Didn’t they say that the purple flame was the highest grade of flame? How did it become a seven-colored flame now?

“Could it be that... when three kinds of purple spiritual fire are fused together, they can produce a higher grade of Flame?” Pavilion master guessed.

“In other words, what is needed to refine the recovery spirit pill is not three kinds of purple spiritual fire, but this seven-colored flame?” Qin Yu also took over the conversation.

“It’s highly possible!” Xiang Danqing nodded and said.

Pavilion master glanced at Xiang Danqing and said, “Have you heard of these seven-colored flames?”

“No.” Xiang Danqing shook his head.

“I don’t care,”Qin Yu said in a deep voice.

“This pill formula is definitely not fake. Just follow the instructions on the pill formula.”

The two of them nodded and then closed their eyes slightly, controlling the flames with their whole body and mind.

The seven-colored flame was obviously more ferocious than the purple flame.

Not only could it dissolve the medicinal liquid faster, but it could also greatly improve the utilization of the herbs.

All the medicinal liquid merged into the seven-colored flame and then turned into Wisps of Mist.

Qin Yu controlled the spiritual fire and sealed the mist, afraid that it would spread out.

More than an hour passed. During this time, Qin Yu kept putting in the herbs.

These herbs first turned into medicinal juice, and then turned into Wisps of Mist.

The mist kept fusing in the medicinal cauldron, and finally turned into an extremely strange color.

This color was like green, but also had a hint of light blue.

And in the depths of these two colors, there were actually traces of blood-like color.

“According to the instructions on the pill formula, as long as you see this strange scene, it’s time to put in the heavenly vanilla.”Qin Yu looked at the two and said.

“And after putting in the heavenly vanilla, it’s the last step, the most important and most difficult step.”

Pavilion master and Xiang Danqing nodded, indicating that they were ready.

Qin Yu took a deep breath, took out the heavenly vanilla, and gently put it into the medicinal cauldron.

“Hu!”

The moment he put it in, the flame seemed to have lost control, and instantly became manic!

“Control the flame well!”Qin Yu hurriedly shouted.

Pavilion master and Xiang Danqing naturally did not dare to be negligent. They immediately closed their eyes slightly and focused on controlling the flame.

Within the medicinal cauldron, the flame was still incomparably manic, as if it wanted to burn out the fog formed by the medicinal juice!

And such a manic flame was unable to harm the heavenly vanilla in the slightest!

The heavenly vanilla lay within, not moving at all. It was not affected in the slightest.

“What’s going on?”Qin Yu asked with a frown.

“This heavenly vanilla can actually withstand this flame?”The Pavilion Master and Pavilion Master also exclaimed.

Qin Yu frowned slightly, but he did not dare to act rashly.

The pill formula did not record such a situation, which also caused Qin Yu to not dare to take the risk.

Therefore, the three of them did not say anything. They just quietly controlled the flame and looked at the heavenly vanilla.

Ten minutes had passed, but the heavenly vanilla still didn't move.

“That's not right,”Qin Yu said in a low voice.

“If the heavenly vanilla doesn't dissolve, the pill will never take shape.”

“That's right,”Xiang Danqing also said.

“Increase the strength of the Flame?”Pavilion master suggested.

Qin Yu was silent for a moment, then he gritted his teeth and said,  
“Forget it. Let's do as pavilion master says. There are two more heavenly vanilla anyway!”

“En.”

The three of them looked at each other. At almost the same time, they increased the strength of the flames.

“Hu!”

The Flames instantly became even more manic!

All of the internal Qi seemed to be expanding under the envelopment of the flames, almost bursting the medicinal cauldron!

And the Sky Vanilla that had been silent all this time finally had a reaction!

“That’s it!”Qin Yu was overjoyed when he saw this!

The heavenly vanilla quickly began to condense, and traces of medicinal juice flowed out from it!

The three of them did not dare to be distracted. They controlled the strength of the Flames to keep it in this state.

A few minutes later, all of the Heavenly Vanilla’s medicinal juice flowed out.

Under the grilling of the seven-colored flame, the medicinal juice began to turn into fog.

Strands of mist fused into the internal Qi from before, and the already strange color added a touch of dark green!

“Yes, that’s it!”Qin Yu was overjoyed!

This was exactly the same as the situation recorded in the pill formula!

Next, it was time to wait for the pill to be completed!

Chapter 1009: Chapter 1009, repairing the golden core

“Continue to control the Flame!”Qin Yu reminded.

The three of them worked together to control the seven-colored flame.

The medicinal juice of the sky herb completely turned into mist and merged into it.

Qin Yu looked at the two of them and said, “Next, we will continue to increase the strength of the spiritual fire to collect the pill.”

“Yes.”

“Yes.”

The two of them agreed at the same time. They carefully controlled the flame and increased the strength bit by bit.

Soon, the three of them reached their limits!

The flame became extremely manic, as if it was dancing in a medicinal cauldron!

Such a strong spiritual fire, even if they were top alchemists, they couldn't bear it at this moment.

Beads of sweat appeared on their foreheads, and their strength was almost sucked out.

“Hold On...”Qin Yu clenched his teeth and said hurriedly.

The other two didn't speak, afraid that their internal Qi would leak out.

“Ah! !”Xiang Danqing raised his head and roared, pouring all his strength into the spiritual fire!

Qin Yu and the Pavilion Master were the same. This ball of fire almost sucked out all their strength!

Fortunately, hard work paid off.

The Mist in the medicinal cauldron finally began to shrink!

“Quick, put away the Flame!”Qin Yu hurriedly reminded.

This was the requirement recorded in the pill formula, and Qin Yu didn’t dare to disobey it.

The three of them looked at each other and pulled out their hands at the same time.

The three people who had lost their cohesion couldn’t help but take a few steps back.

On the other hand, the medicinal cauldron was still throbbing with seven-colored flames.

Qin Yu hurriedly got up from the ground and ran to the front of the medicinal cauldron. His eyes were fixed on the ball of flames.

The seven-colored flames did not stop burning, but the scale was decreasing.

The Fog in the medicinal cauldron was taking shape bit by bit.

“The pill is almost done!”Qin Yu said with some excitement.

Pavilion master also nodded slightly and said, “Don’t be anxious. Wait slowly.”

Qin Yu grunted in gratitude. He stood in front of the medicinal cauldron and looked at the ball of flame with eager eyes.

This ball of seven-colored flame was extremely firm, and the speed at which the pill was taking shape was extremely slow.

Half an hour passed in the blink of an eye, but the pill was still unable to take shape.

However, Qin Yu did not lose his patience. His heart was filled with anticipation.

In the blink of an eye, another hour had passed.

The three of them stood in front of the medicinal cauldron and were about to fall asleep.

Even Qin Yu, who was incomparably excited, had lost more than half of his excitement at this moment.

“Bang!”

At this moment, a loud sound suddenly rang out from within the medicinal cauldron!

This loud sound immediately made the three of them perk up!

Qin Yu hurriedly looked at the medicinal cauldron and saw that there was a pill placed in the center of the flame.

The pill looked simple and unadorned, not at all like a top-notch pill.

“Is this the Spirit Recovery Pill? !” Qin Yu was incomparably excited.

He stretched out his hand and extended it towards the ball of flame, intending to take out the pill.

But the moment he touched the ball of seven-colored flame, an intense pain was transmitted from his finger!

“Hiss!”

Qin Yu gasped and hurriedly withdrew his hand!

He was horrified to find that this flame had directly burned the skin on his finger!

“Is this flame so terrifying?” Qin Yu couldn’t help but be greatly shocked when he saw this!

One had to know that with Qin Yu’s current physical body, even the spiritual fire would find it difficult to hurt him!

“Could it be that... the power of the flame formed by the three of us will also increase?” Xiang Danqing said in a deep voice.

“There must be records of this seven-colored flame. It must be above the Purple Flame,” pavilion master said in a deep voice.

Qin Yu nodded and said, “I agree.”

“Alright, don’t take the chestnuts out of the fire. Let’s wait.” Pavilion master patted Qin Yu’s shoulder.

Qin Yu nodded and said, “This is the only way.”

Time passed by minute by minute. The Flames in the medicinal cauldron began to disappear bit by bit.

Only after two of them disappeared did the seven-colored flames completely disappear.

Qin Yu grabbed the spirit recovery pill and looked at it excitedly.

“Is this the Spirit Recovery Pill? This small pill can really repair my golden pill?” Qin Yu felt that it was somewhat magical.

The problem that had troubled Qin Yu for a long time was actually solved by such a small pill!

“There’s nothing strange about it. Many people who suffer from illness and pain also only need one pill,” said the pavilion master.

Qin Yu agreed. He stroked the pill and then said in a low voice, “I’ve finally waited for this day.”

After saying that, Qin Yu looked at the pavilion master and Xiang Danqing, cupped his hands and said, “Seniors, I’m afraid I’ll need you to protect me from now on.”

“Don’t worry. I’ve been here for more than 30 years, and no one has ever come here before,” Xiang Danqing said.

“Okay, then I’m relieved.” Qin Yu held back the excitement in his heart.

He opened his mouth and swallowed the spirit recovery pill into his stomach!

The moment the pill fell into his stomach, traces of extremely gentle internal Qi exploded in Qin Yu’s Dantian!

This internal Qi continued to circulate in Qin Yu’s Dantian and finally gathered on his golden core!

The internal Qi poured into the cracks in Qin Yu's golden core like a surgeon, slowly repairing Qin Yu's golden core!

Qin Yu closed his eyes and decorated his dantian.

He was shocked to discover that the golden core was indeed recovering!

Such a large crack actually disappeared bit by bit!

“Spirit Recovery Pill... it can indeed repair my golden core!”

At this moment, Qin Yu was incomparably excited!

As long as the golden core was repaired, he would be able to officially welcome the martial saint's Heavenly Tribulation!

Qin Yu sat cross-legged on the ground. He held his breath and condensed his internal Qi, using his divine sense to control this bit of Aura.

The speed of the Golden Core's repair was extremely slow. According to this speed, it would probably take at least a day and a night.

Qin Yu was not in a hurry. He had already spent so much time, so he naturally did not care about a day and a half.

Pavilion master and Xiang Danqing were waiting by the side. During their leisure time, the two of them did not forget to bicker.

“This disciple of yours really has some skill. He has such ability at such a young age,” Xiang Danqing said indifferently.

Pavilion master said in a deep voice, “Actually, he is not really my disciple. He is just an elder of My Divine Alchemist Pavilion.”

Xiang Danqing sneered and said, “I knew it. How could you possibly have such a good disciple?”

Pavilion master glanced at him, as if he was too lazy to argue with him.

“But... This Qin Yu looks a little like your dream lover.”Xiang Danqing said half-jokingly and half-seriously..

Chapter 1010: Chapter 1,010 — divine sense grew stronger!

The moment these words left her mouth, the pavilion master’s expression changed slightly.

She looked coldly at Xiang Danqing, and there seemed to be a trace of anger in her eyes.

Xiang Danqing snorted lightly, “What ? You’ve been protecting him your whole life, and you can’t even bring it up?”

“That was my choice,”the pavilion master said coldly.

Xiang Danqing waved his hand and said, “Anyway, I think this kid looks a little like him.”

Pavilion master was silent for a moment, and then said, “Because Qin Yu is his son.”

Xiang Danqing was stunned, and then laughed out loud, “No wonder, no wonder you’re so attentive!”

“But then again, this kid can’t be your son, right?” Xiang Danqing laughed out loud.

“Of course not.” Pavilion master shook his head, and there seemed to be a hint of helplessness in his tone.

Just as the two of them were chatting, a bright light burst out from Qin Yu’s body not far away!

This bright light rose from his Dantian and shot straight to the center of his brows!

Xiang Danqing and pavilion master quickly turned around and looked at Qin Yu.

“Swish!”

Following that, an extremely terrifying internal Qi burst out from Qin Yu’s body!

Qin Yu suddenly opened his eyes, and a bright light burst out from his eyes!

This bright light shot to the side, and actually directly shattered the stone wall!

Pavilion master and Xiang Danqing exchanged a glance, and then quickly walked towards Qin Yu.

“How do you feel?” Pavilion master asked.

Qin Yu glanced at pavilion master, then slowly stood up and said in a low voice, “My golden core has recovered.”

“Phew.”

The pavilion master instantly let out a slight sigh of relief.

“Not only have I recovered, I feel that my strength seems to have improved again compared to before,”Qin Yu said in a low voice.

Although he could not figure out why, the spiritual power in his body had indeed become more vigorous.

“It seems that the handlebar mustache and tie Dan are right. Once I become a martial saint, it’s not an exaggeration to say that I’m invincible in the world,”Qin Yu said coldly.

“Do you plan to make a breakthrough now ?”Pavilion master asked.

Qin Yu shook his head and said, “No rush. I still have something in my hand.”

After he had finished speaking, Qin Yu flipped his palm and a leaf that shone like lava landed in his hand.

This leaf was the scarlet fire leaf that he had obtained at the hundred spirits gathering.

“What is this ?”Xiang Danqing asked in shock.

Qin Yu said, “Scarlet fire leaf. It can increase the power of divine sense.”

“I’ve never seen this thing before,”pavilion master also said.

Qin Yu couldn’t help but squint his eyes.

Even Pavilion Master and Xiang Danqing didn’t know about this thing.

It seemed that tie Dan wasn't lying. The person who knew about this thing was probably someone who had lived for more than a thousand years.

"This handlebar mustache..."Qin Yu muttered in his heart. For a moment, he couldn't figure out the identity of this handlebar mustache.

Of course, Qin Yu didn't think any further. He looked at the two of them and said, "Seniors, I'll have to trouble the two of you to protect me."

"No worries."Pavilion master nodded.

Qin Yu grunted in gratitude. He didn't waste any time. He immediately hung the scarlet fire leaf above his head and began to absorb the scarlet fire leaf.

The scarlet fire leaf hung above his head as if it had melted. Threads of internal Qi flowed down from the scarlet fire leaf and fused with Qin Yu's divine sense.

Under the effects of the scarlet flame leaf, Qin Yu's divine sense was slowly increasing.

At the same time.

Hua Zongxiong had already brought people to the Heaven Gate.

He brought people directly into the hall and asked coldly, "Where's Qin Yu?"

NIE tianxiang said with puzzlement, "Our sect master has something to do. What's the matter, sir?"

Hua zongxiong narrowed his eyes. He released his divine sense and covered more than half of the Heaven Gate, but didn't find Qin Yu's figure.

“Why? Didn't Qin Yu tell you?” Hua Zongxiong raised his eyebrows and asked.

“Tell us what?” Nie tianxiang asked.

When Hua Zongxiong heard that, he couldn't help but laugh and said, “It seems that your sect master of the Heaven Gate is just an empty title!”

“I said that I will take over the Heaven Gate in three days! He actually ran away at the last minute?”

NIE tianxiang frowned and said, “Don't talk nonsense, our sect master...”

“Boom!”

Before nie tianxiang could finish his words, an extremely powerful internal Qi erupted from Hua Zongxiong's body!

The might of a martial saint filled the entire hall!

For a moment, everyone trembled under this pressure!

NIE tianxiang did not dare to say a word.

Hua zongxiong said coldly, “From today on, the Heaven Gate will belong to me, Hua Zongxiong. If anyone is not convinced, you can step forward.”

The place was silent. No one said anything.

Just as Qin Yu had guessed, he had no foundation in the Heaven Gate. It didn't make much difference to the disciples who would be the sect master.

Hua Zongxiong didn't expect things to go so smoothly either. He couldn't help but sneer.

“From now on, everyone will listen to my orders. Those who disobey will die!”

“If that Qin Yu returns, remember to inform me!”

...

In the Dragon Transformation Valley.

The scarlet fire leaf hanging above his head was disappearing bit by bit.

From the initial palm-sized to now, it was only as small as a bean.

“Qin Yu's divine sense is already far beyond ordinary people. Now, he still needs to increase the power of his divine sense.”Xiang Danqing looked at Qin Yu and could not help but whisper.

The pavilion master quietly said, “He is a very hard-working person. He has been fighting against the martial arts association of Jingdu for a long time, and we are all waiting for the moment when he becomes a martial saint.”

“The martial arts association of Jingdu... I remember that the last person who publicly challenged them was still Jiang he,”Xiang Danqing said in a low voice.

“That's right.”The pavilion master nodded slightly.

Xiang Danqing could not help but feel a little emotional.

In the blink of an eye, so much time had passed. The younger generation had already grown to such an extent.

At this moment, the scarlet fire leaf hanging above Qin Yu's head was completely absorbed by him.

At this moment, a golden light burst out from the center of Qin Yu's brows!

The golden light rapidly transformed into Qin Yu's appearance. His entire body was filled with golden light, which was exceptionally dazzling in this dragon transformation valley.

Qin Yu's divine sense seemed to have become even denser. He was not in a hurry to return to his original body. Instead, he walked towards a place not too far away.

The distance between his divine sense and his original body was getting farther and farther. From the initial three steps, he had walked a full ten steps!

Not only that, his divine sense still had no intention of stopping!

“It can actually be so far away from his original body?” Pavilion master and Xiang Danqing could not help but be greatly shocked.

The divine sense only stopped after taking twenty-three steps!

“Hiss...” the pavilion master and Xiang Danqing looked at each other and sucked in a breath of cold air!

One had to know that for a martial marquis, the divine sense could not be too far away from the main body!

“Such a powerful divine sense, I really don’t know what kind of scene it will be after stepping into the martial saint realm....”

Chapter 1011: In chapter 1,011, the martial saint’s heavenly tribulation descended

Not far away, Qin Yu’s divine sense froze at 23 steps.

He took a step with great difficulty, as if he wanted to take the 24th step.

Unfortunately, no matter how hard Qin Yu tried, he was unable to take the 24th step.

“Looks like 23 steps is the limit.”Qin Yu sighed.

Not far away, the pavilion master could not help but say, “At this stage, let alone 23 steps, even three steps are difficult. Don’t be unsatisfied.”

Qin Yu smiled bitterly and sighed, “Yes, I should be satisfied too.”

After saying that, his divine sense flew back to his main body, and his eyes opened with a swoosh.

“The improvement brought by this scarlet fire leaf is really not ordinary,”said Xiang Danqing.

Qin Yu nodded and said, “En, I only obtained it by chance.”

“Should we try to transcend the Heavenly Tribulation Next?” Asked the pavilion master.

Qin Yu took a deep breath and nodded, “Yes, I don’t want to waste any more time.”

“Let’s do it here. The two of US will protect you,”said Xiang Danqing.

Qin Yu smiled bitterly, “Forget it. If we do it here, I’m afraid we will destroy your Dragon Transformation Valley.”

“It’s not that exaggerated,”said Xiang Danqing with a wave of his hand.

Qin Yu shook his head and said, “It’s really not that exaggerated. Senior, please help me find another place.”

Xiang Danqing did not insist anymore.

He brought Qin Yu out of the Dragon Transformation Valley and planned to find another place.

After Qin Yu’s reminder, Xiang Danqing brought Qin Yu to a place that was extremely far from the herbal field.

This place was also a valley. The scenery was pleasant, and the surroundings were even quieter.

“Let’s do it here,”Qin Yu agreed.

Although Qin Yu’s Dantian had already recovered, he still felt a little worried.

The last heavenly tribulation was still vivid in his mind.

Qin Yu had never seen such a scale before.

“I’ll have to trouble the two seniors to stay away from me.” Qin Yu bowed.

After he finished speaking, he sat down cross-legged and began the second heavenly tribulation of the martial saint!

Strands of divine sense surged into his dantian once again.

At this moment, the golden core in his Dantian also met the divine sense.

As the two fused, the heavenly tribulation of the martial saint descended once again!

Large patches of dark clouds pressed down on the top of his head. The extremely strong pressure made it difficult for him to breathe.

“The dark clouds are pressing down on the city and trying to destroy it.” Looking at the dense dark clouds in the sky, Xiang Danqing could not help but sigh.

“Crack!”

At this moment, a heavenly tribulation descended and smashed on Qin Yu’s body!

Seeing such a heavenly tribulation, Xiang Danqing’s face immediately turned pale!

“No wonder this kid told us to stay away from him. This kind of heavenly tribulation will really destroy my Dragon Transformation Valley!” Xiang Danqing said in surprise.

“This is only the first heavenly tribulation. The next heavenly tribulation will probably be even more terrifying. Let’s hide a little further away.”

The two of them shot backward and looked at Qin Yu from a distance.

After recovering his golden core, Qin Yu no longer needed to control his divine sense.

All his energy was used to welcome the heavenly tribulation. Compared to last time, this time was obviously much easier.

Qin Yu easily faced the first three heavenly tribulation.

In the blink of an eye, it was the fourth heavenly tribulation.

Crack

The Heavenly Lightning that defeated Qin Yu condensed in the dark clouds.

This time, the time it took seemed to be shorter.

Qin Yu stood up. The clothes on his body had been shattered, revealing his strong muscles.

“Come on, I won’t be easily defeated this time,”Qin Yu said coldly.

The heavenly tribulation seemed to be enraged. With a loud bang, the heavenly tribulation smashed toward Qin Yu!

Just like last time, everything it touched was instantly turned into ashes!

The huge rocks and rivers were evaporated in an instant!

Qin Yu stared at the heavenly tribulation as golden light erupted all over his body. His eyes were filled with determination!

The Heavenly Tribulation was falling towards Qin Yu at an extremely fast speed. The sizzling sound of it increased the sense of pressure!

“Come!”

Just as the heavenly tribulation was about to fall, Qin Yu let out an angry roar and his body soared into the sky. At this moment, the golden light exploded to the extreme!

“Boom!”

The Golden and blue colors collided in an instant! The two forces formed an intense collision!

The surrounding rocks were instantly shattered. The vast and mighty forces were rapidly spreading out in all directions!

“Not good! Run quickly!” Xiang Danqing cursed in his heart, and pulled the pavilion master as he turned around and left!

The shockwave formed by these two powers swept out in all directions!

Even though Qin Yu had deliberately chosen a place that was very far away from the Dragon Transformation Valley, the Dragon Transformation Valley was still not spared! It was directly destroyed by this power, and the lush and verdant medicinal herbs in the medicinal field directly withered!

“My Herbal Field!” Xiang Danqing immediately widened his eyes.

“Alright, follow me back to the Divine Alchemist Pavilion. I’ll compensate you.”Pavilion master said with a frown.

The two forces were still fighting. Blue veins bulged on Qin Yu’s body. All of his golden light condensed on his fist. Then, with a furious roar, the golden light instantly soared and actually directly dispersed the Blue Heavenly Tribulation!

Qin Yu fell to the ground, in high spirits. He raised his head to look at the sky and said coldly, “There are four more. Come On!”

Perhaps it was Qin Yu’s arrogant words that angered the sky, and the dark clouds became even thicker.

Heavenly Tribulation after heavenly tribulation brewed within the dark clouds, like a shy woman stretching out her ankles. A trace of lightning power leaked out from the dark clouds.

However, this trace of lightning did not descend for a long time. Instead, it was hidden within the dark clouds and did not descend for a long time.

“What? What are you waiting for!”Qin Yu pointed at the dark clouds and shouted.

Before his voice had faded, this bolt of lightning came crashing down with a swoosh!

That speed was extremely fast. Before Qin Yu could even see it clearly, he was directly smashed onto the ground!

“What the hell is this...”just as Qin Yu was about to get up, the Lightning actually exploded on Qin Yu’s body!

In an instant, Qin Yu's flesh and blood flew everywhere, and his body shattered!

“What the F \* ck... Are You Messing with me ?”Qin Yu could not help but curse.

Before his body could reassemble, the remaining three actually descended at the same time!

“F \* ck.... Three Heavenly Tribulation at the same time ? !”Qin Yu's expression could not help but change drastically!

Chapter 1012: Chapter 1,012, Heavenly River Mystic Realm

The remaining three heavenly tribulation were going to come together ?

Furthermore, these three heavenly tribulation seemed to be stacking up ?

Qin Yu's expression changed drastically! This was something he had not expected at all!

“Oh no!”Qin Yu thought to himself that things were not looking good.

Looking at his incomplete body, Qin Yu had an ominous premonition in his heart!

“Rumble...”

The three heavenly tribulation were still stacking up, as if they would fall down at any moment!

Not far away, the expressions of pavilion master and Xiang Danqing were also not too good.

With such a scale of heavenly tribulation, any wisp of it could destroy one's soul!

“This kid's heavenly tribulation is even more terrifying than I imagined,”Xiang Danqing exclaimed in shock.

“As expected of that person's son.”

“Kacha!”

Just as the two of them were discussing, the heavenly tribulation smashed down viciously!

“Heavenly Tribulation!”Qin Yu shouted loudly. In such a situation, he had no way out!

“Come on!”Qin Yu propped up his damaged body and raised both his hands. Golden Rays shot out explosively, intending to forcefully withstand this heavenly tribulation!

“Boom!”

Finally, the Heavenly Tribulation smashed down fiercely on Qin Yu's body from high up in the sky!

In an instant, the area turned into a sea of lightning!

Everything within a few hundred meters was blue!

Rocks were destroyed, trees were broken, and even the river was instantly evaporated!

“Ah! !”

Qin Yu’s furious roar could be heard from the center of the Lightning!

Only his voice could be heard, but no one could see him!

Pavilion master and Xiang Danqing stared at the center of the Sea of lightning, their faces filled with worry!

“We must hold on...”pavilion master said in a low voice.

Although they were anxious, they couldn’t help at all.

Because such a scale of heavenly tribulation was definitely not something their bodies could withstand!

The Sea of lightning continued to spread, and in the blink of an eye, it covered a radius of nearly one thousand meters.

And the voice in the center of the Sea of lightning also became quieter and quieter.

“Will he be Alright?”Xiang Danqing said with a frown.

The pavilion master did not say a word. He only stared at the Sea of lightning.

No one dared to guarantee a heavenly tribulation of this scale.

Moreover, since ancient times, many people had died in the martial saint’s Heavenly Tribulation.

“I should have made more preparations back then.”The Pavilion Master could not help but blame himself.

If he had prepared a protective dharma artifact for Qin Yu earlier to resist this heavenly tribulation, he would not have had to suffer so much.

“Don’t worry. If he can endure it, his strength will be beyond imagination,” Xiang Danqing comforted him.

Pavilion master sighed slightly and said in a low voice, “This is the only way.”

In the Sea of lightning, Qin Yu’s body was almost torn apart.

Every inch of his flesh and bones was cracking.

His body was destroyed and then reassembled again. However, before he could reassemble successfully, he was destroyed again.

This process was extremely long, and the Pain Qin Yu had suffered was self-evident.

Fortunately, Qin Yu’s divine sense was strong enough. Under such pain, he could still maintain his consciousness and endure the pain.

“I will never fall...” Qin Yu gritted his teeth, and even his mouth was emitting traces of blue light.

Time slowly passed, but the sea of lightning showed no signs of disappearing.

Qin Yu forced himself to stand up. He didn’t dare to be negligent.

In the outside world, pavilion master and Xiang Danqing were even more shocked.

“It hasn’t stopped yet.”Xiang Danqing frowned. “Did something really happen to him?”

Pavilion master shook his head and said, “I can feel his internal Qi. This means that he is still alive.”

“To be able to survive such a heavenly tribulation is really shocking,”Xiang Danqing said in a low voice.

“Swoosh!”

At this moment, a figure suddenly shot over from not far away!

“Who is it!”Pavilion master and Xiang Danqing looked over at the same time!

They saw a man looking coldly in the direction of the heavenly tribulation.

“Martial saint’s Heavenly Tribulation,”the man said to himself.

Xiang Danqing frowned and asked, “Who are you? Why are you here?”

The man glanced at Xiang Danqing. Suddenly, he waved his hand and a ray of light shot over!

The terrifying qi energy directly sent Xiang Danqing flying!

“Is this person who is undergoing the Heavenly Tribulation Qin Yu?”The man asked coldly.

Pavilion master frowned slightly.

She could not see through this person's strength. This was enough to prove that his strength was far above hers.

“Martial Saint?” Pavilion master thought to herself that things were not looking good.

Then, pavilion master walked forward and said with a slight bow, “We have no intention to disturb you. We are only using this place. We are willing to bear all the losses.”

“Let me ask you, the person transcending the tribulation is Qin Yu!” That man ignored pavilion master's words and directly shouted!

Pavilion master's expression wasn't too good.

From his tone, this person was most likely coming for Qin Yu.

“No.” Thinking of this, pavilion master immediately shook his head.

“No? You Dare to lie to me?” This man's expression was incomparably cold.

Then, with his hands behind his back, he walked towards pavilion master's direction.

“Swish!”

Just as he approached, he suddenly stretched out his hand and grabbed pavilion master's forehead!

Then, a strand of divine sense entered and began to forcibly search his soul!

Pavilion Master's expression was incomparably ugly. She wanted to struggle, but found that she couldn't break free at all!

"HMPH, it really is that Qin Yu." The man sneered, then threw pavilion master to the side.

Then, the man looked at lei hai and sneered, "It really didn't take much effort to come here, to actually let me meet him here."

"Who exactly are you!" Pavilion master stood up and blocked in front of him.

This man raised his eyebrows and laughed coldly, "A mayfly trying to shake a tree, a mantis trying to stop a chariot. Do You Want to Die?"

Pavilion master's expression was ice cold as he said, "Although I am not your match, I will definitely not let you do whatever you want."

"Hahahaha!" This man immediately laughed loudly.

"Pavilion Master of the Medicine God's Pavilion, Alright, I will tell you who I am."

"I am Li Zi Qi from the Heavenly River Mystic Realm!"

Pavilion master's brows were tightly knitted together and she did not say a word.

She had never heard of any Heavenly River mystic realm and she had never heard of any Li Zi Qi.

But now that all the mystic realms wanted to get rid of Qin Yu, she was no longer surprised.

“In the fire country, I really do not dare to kill you. But here, I can take your life at any time.”Li Zi Qi said with his eyes narrowed.

The pavilion master did not say a word, but his entire body was emitting streams of purple flames..

Chapter 1013: Chapter 1,013, stepping into the Martial Saint Realm!

Li Ziqi could not help but squint his eyes when he saw this move.

“You really dare to stop me? Do you think you can stop me with just you?”Li Ziqi said coldly.

“How would I know if I don’t try?”The pavilion master said calmly.

Li Ziqi’s expression turned cold as he said, “You don’t know whether you’re Dead or Alive!”

After he finished speaking, Li Ziqi waved his large hand and directly grabbed towards the pavilion master!

The pavilion master did not dare to be negligent. A purple aura erupted from her body. That Aura transformed into a large hand and headed towards Li Ziqi!

“Bang!”

Unfortunately, the gap between a martial marquis and a martial saint was too big. How could the pavilion master be a match for Li Ziqi.

At the moment of contact, the purple light was immediately dispersed!  
The body of the pavilion master could not help but take a few steps back!

The expression of the pavilion master could not help but change.

“You broke my formation with just one palm. You are indeed worthy of being a martial saint.”The pavilion master said in a low voice.

Li Ziqi said coldly, “I remember that the Wan family’s Secret Realm’s Wan Gu Qiong seems to be interested in you. It would be better to cripple you and give you to the Wan Gu Qiong as a favor.”

With that, Li Ziqi walked over. He lifted his palm and pushed away the pavilion master’s Purple Light!

Pavilion master did not dare to be negligent. She hurriedly condensed the purple light again and turned it into a palm, slamming it at Li Ziqi!

“Bang!”

But this purple light was not worth mentioning in front of Li Ziqi. It was immediately scattered upon contact!

Li Ziqi’s palm passed through the purple light and slammed fiercely on pavilion master’s chest!

“Pu!”

With this palm strike, the pavilion master’s body was instantly pushed back. She spat out a mouthful of blood and her face turned extremely pale!

She tried to stand up but she realized that the pain from her wound made it impossible for her to stand up!

“You don’t know life from death.”Li Ziqi snorted coldly.

After he had finished speaking, he no longer paid attention to the pavilion master. Instead, he looked at the heavenly tribulation.

“It’s really a troublesome matter to let you become a martial saint.”Li Ziqi said coldly.

“Fortunately, I met you. It’s your bad luck.”

Li Ziqi opened his mouth and strode towards this lightning tribulation.

At this moment, he suddenly realized that his body had been frozen in place and he could not move.

“Eh?”

Li Ziqi frowned slightly. He lowered his head and saw two large purple hands grabbing onto his legs.

Not far away, the pavilion master was using all his strength to grab onto Li Ziqi!

“You’re courting death!”

This immediately made Li Ziqi furious!

He slashed with his hand and directly cut off the large purple hand!

Following that, Li Ziqi’s palm shook and a ray of light instantly sent the pavilion master flying!

“If you dare to block me again, kill without mercy!”Li Ziqi said coldly.

Pavilion master stood up with difficulty. She wanted to activate the purple light again, but she found that she no longer had any strength left in her body.

“You... stop...”pavilion master said with difficulty.

But how could Li Ziqi care about that? He strode towards the Lightning Tribulation.

“Kid, You’re Dead!”Li Ziqi laughed crazily.

But just as his foot touched the lightning tribulation, it was directly turned into powder by the Heavenly Tribulation! Half of his leg was instantly turned into ashes!

Li Ziqi’s expression could not help but change!

“What a powerful heavenly tribulation,”Li Ziqi exclaimed.

He frowned and his body shook. Rays of light immediately burst out from his body.

These rays of light continuously twined around his body and finally turned into armor!

With the protection of this level of armor, Li Ziqi once again stepped towards the heavenly tribulation.

However, when the armor touched the heavenly tribulation, it was shattered again!

This could not help but cause Li Ziqi’s expression to change drastically! His body also shot backwards!

“The second son’s heavenly tribulation is actually this terrifying?” Li Ziqi exclaimed in shock.

One had to know that he was also someone who had experienced the martial saint’s Heavenly Tribulation. Moreover, he had successfully survived the heavenly tribulation!

However, at this moment, when facing Qin Yu’s heavenly tribulation, he actually did not have the ability to resist!

“If this kid successfully becomes a martial saint, I don’t know how terrifying he will be!” Li Ziqi said in a low voice.

When he thought of this, his body shot out and his hands slowly closed in the air.

Then, he saw a huge blade condensed between his hands!

This blade was mighty and majestic in the air. A terrifying aura spread out in all directions.

“Kid, I will never let you become a martial saint!” Li Ziqi said coldly.

In the next second, he shouted loudly. Both of his hands immediately moved and slashed fiercely towards this sea of lightning!

A majestic aura instantly entered this heavenly tribulation’s internal Qi! That Sea of lightning was actually forcefully cut into two halves!

When he saw this scene, the pavilion master’s expression immediately became extremely ugly!

Li Ziqi coldly looked at the center of the Heavenly Tribulation and said in a low voice, “It’s actually reuniting again.”

The Sea of lightning that was cut in half rippled in all directions like waves.

But very quickly, it was like a stream of water, reuniting together again.

“Let’s do it again. Even if we can’t break this lightning tribulation, we can still kill you.”Li Ziqi sneered.

With that said, he closed his hands once again, and that large saber condensed into form again!

“Go to Hell!”

Li Ziqi let out an angry roar and his palm once again fiercely chopped towards the sea of lightning!

“Swoosh!”

The Sea of lightning was once again split into two! This huge blade actually pierced through the sea of lightning and fiercely chopped down!

“Boom!”

The ground instantly shook and the mountains shook, and smoke and dust rose in all directions!

Although the Sea of lightning was once again formed, the ground beneath the sea of lightning had already been completely shattered!

“I have penetrated the lightning tribulation and taken your life.”Li Ziqi looked at the sea of lightning and said faintly.

He was certain that Qin Yu had already died under his large saber.

After that, Li Ziqi turned around and looked at the pavilion master.

He walked straight to the front of the pavilion master and said condescendingly, “Pavilion Master of the Divine Alchemist Pavilion, you are still as charming as ever. No wonder the Brat from the Wan family is so infatuated.”

He sized up the pavilion master’s curvy figure and could not help but narrow his eyes.

“Don’t worry, I won’t kill you.”Li Zi Qi said indifferently.

After that, he grabbed the pavilion master with one hand and held her in his embrace.

The pavilion master wanted to struggle, but found that she had no strength left.

“I believe that the Wan family will offer a pretty good bargaining chip.”Li Zi Qi grinned and said coldly.

Just as he was about to turn around and leave, he suddenly felt a chill on his back, as if it was stabbing his back!

A chill instantly covered his entire body!

This feeling was as if he was being targeted by a fierce tiger!

Li Ziqi’s expression changed drastically, and he hurriedly turned around!

He saw a young man in shabby clothes walking out of the Sea of lightning.

His expression was ice-cold, and his eyes were dark as he walked out of the Sea of lightning step by step.

“Qin Yu! You... You’re not dead!”Li Ziqi’s expression changed drastically!

Qin Yu, who was not far away, did not say anything. He only walked towards Li Ziqi step by step.

“You... you’ve become a martial saint?”Li Ziqi swallowed his saliva. He felt extremely uneasy!

“What do you think?”Qin Yu said coldly..

Chapter 1014: Chapter 1014, is this your trump card?

At this moment, Qin Yu’s aura had already become extremely different!

His entire body was exuding a tranquility that was like water. However, within this tranquility, it also seemed as if there was a violent storm that could set off boundless waves at any time!

That kind of terror that could not help but emanate from the bottom of his heart caused Li Ziqi to feel extremely uneasy!

A trace of gratification flashed across the pavilion master’s face. She even had some anticipation. She wanted to see just how powerful Qin Yu was after becoming a martial saint.

Li Ziqi held the pavilion master with one hand and could not help but take two steps back.

He said coldly, “Kid, I don’t want to fight with you now. Let me leave. Otherwise, I will kill her!”

As he spoke, Li Ziqi grabbed pavilion master’s hand and quickly increased his strength!

Qin Yu’s expression was extremely cold, and his eyes burst with a cold light.

“Do you think I’ll agree to it?”Qin Yu walked towards Li Ziqi step by step.

Li Ziqi’s expression changed, and he shouted, “Aren’t you afraid that I’ll kill her!”

“In front of me, you no longer have the right to threaten me,”Qin Yu said coldly.

Before he could finish his sentence, Li Ziqi felt a gentle breeze pass by his eyes!

By the time he regained his senses, his right hand had already been chopped off by Qin Yu!

Meanwhile, the pavilion master was also held in Qin Yu’s arms.

All of this happened in the blink of an eye. The entire process took less than a second!

Li Ziqi looked at his broken arm and a wave of intense pain immediately assaulted him.

However, the intense pain on his body could not be compared to the fear in his heart!

Both of them were martial saints, yet Qin Yu had saved him in the blink of an eye! This already showed the difference in strength between the two of them!

“Pavilion Master, Are You Alright?” Qin Yu hugged the pavilion master with one hand and asked quietly.

Pavilion master shook his head, but fresh blood flowed out from the corner of his mouth.

Qin Yu did not say anything. He raised his palm and placed it on the pavilion master's chest.

A wave of warmth instantly flowed through Qin Yu's palm and spread throughout his entire body.

Pavilion master was shocked to discover that the pain in his body had completely disappeared!

Even his internal Qi had recovered by a few percent at this moment!

“Pavilion Master, Wait for me here,” Qin Yu said.

Pavilion master nodded, his eyes filled with gratification.

Not far away, Li Ziqi's expression changed. He seized this opportunity and turned around to escape!

However, he only managed to escape a few steps before he realized that the space in front of him had been sealed!

Turning around, he saw Qin Yu reaching out with a single hand. With a twist of his finger, that space was completely sealed!

Not to mention the physical body, even the primordial spirit could not escape!

Li Ziqi clenched his fist and threw it crazily at the space in front of him, but he realized that he could not break free at all!

This immediately caused Li Ziqi to be greatly alarmed!

He turned around and glared at Qin Yu, shouting, "Brat, I am a member of the Heavenly River Mystic Realm. If you kill me, the Heavenly River Mystic Realm will not let you off!"

"Heavenly River Mystic Realm... I'll go take a look." Qin Yu said coldly.

Li Ziqi gritted his teeth and glared at Qin Yu as he roared crazily, "We're both martial saints, I might not be afraid of You!"

"Everyone says that you're invincible in the martial saint realm. Today, I, Li Ziqi, want to see for myself!"

After he finished speaking, Li Ziqi waved his hand and rays of light shot towards Qin Yu from his sleeve!

The rays of light were like a violent storm as they bombarded towards Qin Yu with crackling sounds!

Qin Yu stood there without moving an inch as he allowed the rays of light to shoot towards him.

When all the Rays of light touched Qin Yu's body, they instantly melted!

This seemingly powerful move did not even leave a single white dot on Qin Yu's body!

When Li Ziqi saw this, his expression instantly became extremely ugly!

“How is this possible!” Li Ziqi was incomparably terrified!

Although he realized that Qin Yu was definitely not an ordinary martial saint, he did not expect that the gap between the two of them would be so huge!

“It seems that I can not hold back anymore.” Li Ziqi took a deep breath.

He glared at Qin Yu angrily as he slowly closed his hands.

That huge blade once again formed between his hands!

This technique was Li Ziqi’s trump card!

Even Qin Yu’s heavenly tribulation was split into two by this technique!

Therefore, Li Ziqi was extremely confident in this technique!

“Kid, it’s not too late for you to regret now!” Li Ziqi said coldly.

However, Qin Yu did not say a word. He only looked at Li Ziqi coldly.

His eyes were filled with contempt, as if he was looking down on an ant.

“You dare to look down on me!” This gaze completely infuriated Li Ziqi!

He said furiously, “Brat, I will make you pay the price!”

After a furious roar, the large saber in Li Ziqi’s hand condensed into form!

Both of his hands fell from the sky, ruthlessly slashing downwards!

The large saber carried a fierce aura as it ruthlessly slashed towards Qin Yu!

“Be careful!” Pavilion master immediately cried out in alarm when he saw the situation!

However, Qin Yu’s face was still filled with contempt. There was not the slightest fluctuation in his expression.

He stood there without moving an inch, as if he was looking at a jumping clown.

“You’re dead meat!” Li Ziqi roared!

That huge blade ruthlessly slashed towards Qin Yu!

Just as it was about to land on Qin Yu’s body, Qin Yu gently tilted his head.

The huge blade brushed past Qin Yu’s face and smashed onto Qin Yu’s shoulder!

“Clang!”

A deafening sound shook the entire valley!

Li Ziqi’s expression turned extremely ugly at this moment!

From the initial fear, it turned into horror, then from horror to despair!

The huge blade smashed onto Qin Yu’s shoulder, and the ground beneath Qin Yu’s feet instantly exploded and collapsed, sinking several meters!

However, Qin Yu’s figure remained unmoved!

Li Ziqi's trump card had actually not been able to hurt Qin Yu in the slightest!

"How... how is this possible!" Li Ziqi's forehead was covered in cold sweat, and his entire body was trembling non-stop!

This broadsword that could even cut through the heavenly tribulation had not been able to hurt Qin Yu in the slightest!

"Is this your trump card?" Qin Yu said coldly.

Li Ziqi trembled like a leaf and could not say a word.

In the next second, Qin Yu raised his finger and gently flicked the broadsword.

The broadsword instantly turned into ashes and disappeared without a trace..

Chapter 1015: Chapter 1,015. A martial saint was not worth mentioning

The broadsword was shattered in the blink of an eye.

Li Ziqi could not take it anymore. His body went limp and he fell to the ground!

Not far away, the pavilion master's beautiful eyes widened!

This almost invincible technique was actually so weak in front of Qin Yu?

Was this Qin Yu who had stepped into the martial saint realm? Indeed, he lived up to his reputation!

“Do you have any other techniques?” Qin Yu’s feet shook and he instantly appeared in front of Li Ziqi.

Li Ziqi was already scared out of his wits. With a “Plop” sound, he knelt on the ground and begged desperately, “I... I was wrong... I was wrong... spare me, spare my dog life...”

Li Ziqi’s tears flowed down his face and he cried like a child.

No one would have thought that an invincible martial saint would be so humble at this moment.

Qin Yu looked down at Li Ziqi with disdain in his eyes.

“As long as you spare me... I’m willing to be your slave. Please spare me...” Li Ziqi begged desperately.

Qin Yu said coldly, “You’re just an ant. You Don’t even have the qualifications to be your slave.”

After he finished speaking, Qin Yu slowly raised his palm and placed it on Li Ziqi’s forehead.

“Ah! ! !”

In an instant, Li Ziqi only felt his primordial spirit being forcefully pulled out!

His divine sense was lifted into the air by Qin Yu’s golden light with one hand.

“No, no! !”Li Ziqi roared like a madman!

However, at this moment, Qin Yu no longer had any compassion. With a golden flash, he directly sucked that primordial spirit into his body!

Qin Yu, who had become a martial saint, did not even need to use the heaven swallowing technique to instantly absorb the martial saint’s primordial spirit!

Although they were both martial saints, the gap between them was like a natural chasm!

After killing Li Ziqi, Qin Yu’s heart did not waver at all.

It was as if he had accidentally stepped on an ant.

Qin Yu ignored Li Ziqi’s corpse. He turned around and returned to the front of the pavilion master. He said quietly, “Pavilion Master, you have suffered.”

The pavilion master kept shaking his head and said, “Qin Yu, you... you’re even more powerful than I imagined.”

“Yes.”Qin Yu nodded.

“Even I didn’t expect that after becoming a martial saint, I would have such power.”

No wonder they had risked their lives to stop Qin Yu from becoming a martial saint.

It was because after Qin Yu became a martial saint, it would be a blow to the lower dimension!

“Oh right, where is Senior Xiang?” At this moment, Qin Yu suddenly thought of something.

Pavilion master quickly said, “He was sent flying by Li Ziqi’s palm strike.”

Qin Yu nodded and immediately released his divine sense to quickly find Xiang Danqing’s figure.

In the next second, Qin Yu’s figure disappeared. A few seconds later, he returned to the front of Pavilion Master.

He was still holding the unconscious Xiang Danqing in his arms.

“Fortunately, he didn’t die.” The pavilion master glanced at Xiang Danqing and shook his head.

Qin Yu placed one hand on Xiang Danqing’s body, and wisps of spirit Qi poured into it.

A few minutes later, Xiang Danqing opened his eyes in a daze.

He looked around in a daze, as if he had lost his memory.

“What happened?” Xiang Danqing rubbed his eyes.

When he clearly saw the scene in front of him, he seemed to have suddenly remembered something.

“Where is that martial saint? He wants to kill you!” Xiang Danqing said with a hint of fear.

“Alright, he has already been killed by Qin Yu.” The pavilion master held his forehead with a hint of helplessness.

Xiang Danqing was stunned. Then, he said in a shocked voice, “You... you have become a martial saint?”

“Yes, I was lucky to succeed.” Qin Yu said with a smile.

“That’s good, that’s good...” Xiang Danqing heaved a sigh of relief.

“It’s a pity that I didn’t get to see you make a move. I also don’t know how strong you are after you’ve become a martial saint.” Xiang Danqing said with some regret.

Qin Yu smiled and said, “It’s Alright, Senior. There will be many opportunities in the future.”

“When I’ve leveled the second secret area, I’ll invite you to go and visit it.”

His words were extremely calm.

However, the arrogance within the calmness was extremely shocking.

However, at this moment, pavilion master did not doubt the authenticity of Qin Yu’s words.

“Seniors, please wait for me for a moment.” Qin Yu bowed slightly and said.

After saying that, he turned around and walked back to the front of the heavenly tribulation.

This place was still a sea of lightning. Even if Qin Yu successfully transcended the heavenly tribulation, he still did not show any signs of disappearing.

As he stared at this sea of lightning, Qin Yu's mind stirred. The spatial divine artifact immediately began to flash with light!

Qin Yu had actually stored this sea of lightning into the spatial divine artifact!

Pavilion master and Xiang Danqing couldn't help but look at each other in dismay!

"A spatial divine artifact can be used in this manner?" Xiang Danqing felt that it was inconceivable.

Qin Yu turned around and walked back. He said with a smile, "An ordinary spatial divine artifact is naturally impossible, but this is a spatial prison."

A spatial prison used to imprison a supreme being at the peak of the supreme being realm would naturally be able to absorb this sea of lightning.

"Qin Yu, why are you collecting this sea of lightning?" Pavilion master asked.

Qin Yu glanced at the spatial divine weapon and said, "This thing is a great killing weapon. Even an ordinary martial saint wouldn't be able to withstand it."

"When I attack the second secret realm, it will have a magical effect."

"At the same time, I will use this sea of lightning to set up a mountain protecting formation."

Pavilion master was slightly surprised.

He seemed to be surprised by Qin Yu's strange ideas.

“What are your plans next? Return to Jingdu?” Pavilion master asked.

Qin Yu took a deep breath and shook his head: “No, now is not the time.”

Pavilion master and Xiang Danqing looked at each other, seemingly confused.

Qin Yu explained: “I am now infamous within the fire country's martial world, and I am known to be a notorious pyro.”

“No matter what I do, it will cause them to revile me. So now is not the time to return.”

“At the same time, we still need to make some preparations to attack the second mystic realm.”

This preparation was naturally referring to the heaven gate.

To Qin Yu, the flourishing country was an extremely precious resource.

There were countless top experts gathered there. If all of them could be integrated, then this force would be at the top in the entire world!

“I want to lead the army to flatten the second mystic realm,” Qin Yu said coldly..

Chapter 1016: Chapter 1,016, the current situation of Shengguo

Then, Qin Yu looked around and said apologetically, “Senior Xiang, I’m really sorry for destroying your herbal field and valley. You can leave after I help you repair the valley.”

Xiang Danqing waved his hand and stopped Qin Yu.

He shook his head and said, “I’ve been in the mountains for too many years. I’ve lost contact with this world.”

“Ji Yuhong is right. I really couldn’t afford to lose back then, so I hid here.”

“Now, I can be considered to be relieved. So... I’ll take this opportunity to leave the Transformation Dragon Valley.”

Qin Yu and the pavilion master looked at Xiang Danqing with slight surprise.

Xiang Danqing teased, “When I go back, I’ll have to rely on the two of you to take care of me.”

“No Problem!” Qin Yu immediately patted his chest and said.

Pavilion Master could not help but laugh.

The feud between the two of them seemed to have been resolved at this moment.

“Since that’s the case, I won’t stay any longer,” Qin Yu said.

After saying that, Qin Yu looked at pavilion master and said, “I’ll take you to the Wan family’s Secret Realm Now and kill the Wan Gu Qiong first.”

Pavilion master waved her hand and stopped Qin Yu.

She shook her head and said, "Just as you said, now is not the time."

"Although you are powerful, if you become the Public Enemy, it will be difficult for you to move forward."

Qin Yu frowned slightly and said, "I can ignore their gazes, but I will not tolerate the harassment of the Wan Gu Qiong."

"It doesn't matter." Pavilion master shook her head and said.

"He is just bluffing. He won't cause any substantial damage to me."

"But you are different. Your Path will never be limited to this. The future is still long. I don't want you to be stabbed in the back."

Qin Yu suddenly fell silent.

Pavilion master had helped him too much. Qin Yu would never forget this favor.

"I'll listen to you." Qin Yu took a deep breath.

"I believe I can't wait too long."

Pavilion master nodded and smiled. "I think so too."

Thus, the three of them did not say anything more. After saying their goodbyes, they each left.

After leaving the Transformation Dragon Valley, Qin Yu went straight back to the Sheng Kingdom.

Now that he had become a martial saint, Qin Yu was no longer afraid of anyone.

Even if it was the number one person, Zhai Xing, Qin Yu was still not afraid.

At this moment, in the Sheng Kingdom, at the Heaven Gate.

Hua Zongxiong had successfully taken over the Heaven Gate and pulled all his subordinates to the Heaven Gate.

It was not an exaggeration to say that Hua Zongxiong's arrival had made the heaven gate even more glorious.

He had reshuffled the cards of the Heaven Gate and replaced all the higher-ups with his own old generals.

What was shocking was that Hua Zongxiong had two martial saints under him! Including him, there were three martial saints!

This also made Hua Zongxiong's position unshakable. He had even made all the new sects in Sheng country look up to him!

And Qin Yu's escape at the critical moment was naturally criticized by people.

No one expected that not only did Qin Yu not fight back, he even chose to escape.

At the same time.

Qin Yu was on the way back.

On the plane, Qin Yu looked at the scenery outside the window, thinking about something.

A few hours later, Qin Yu successfully arrived in Shengguo.

He took a taxi from the road and went straight to the Heaven Gate.

On the way.

Qin Yu asked casually, “Master, what’s the situation in Shengguo Now? Who’s the King?”

The driver glanced at Qin Yu and said, “King? Shengguo is a place that doesn’t care about anything. How can there be a King?”

“If you want to survive here, you must have the protection of the sects. For example, our driver has the protection of the sects behind him. Otherwise, he wouldn’t be able to do it.”

Qin Yu nodded slightly and said, “In other words, there is no real leader in the current Sheng Kingdom?”

The driver sneered and said, “All the major sects want to be the king, but no one has the ability.”

Qin Yu pondered and said, “In other words, whoever becomes the number one among these sects can become the real leader of the Sheng Kingdom?”

“More or less.” The driver waved his hand and said.

“But isn’t it important to be the king? It’s just a title. Even if one really stands at the peak, who would be willing to call themselves the king? Wouldn’t that be giving themselves trouble for Nothing?”

Qin Yu nodded slightly.

It had to be said that what the driver said made sense.

“From now on, your driver will be protected by our Heaven Gate,” Qin Yu said casually.

The driver rolled his eyes and said, “Forget it. The leader of Heaven Gate ran away that day. Who doesn’t Know?”

Qin Yu couldn’t help but feel embarrassed.

He didn’t expect the news to spread so fast that even the driver knew about it.

The car soon arrived near Heaven Gate.

After getting off the car, the driver said, “Twenty thousand.”

Qin Yu couldn’t help but open his mouth.

After chatting for a while, he didn’t expect the driver to still ask for more money.

Qin Yu didn’t argue with him. After giving him the money, he walked straight into Heaven Gate.

Inside the Heaven Gate.

Hua Zongxiong was holding a map.

This map was the map of the Sheng Kingdom.

He was drawing on the map as if he was planning his next move.

“With our current ability, it should not be too difficult to control the Sheng Kingdom,” Hua Zongxiong said in a low voice.

A martial saint beside him nodded and said, “There are not many martial saints in the Sheng Kingdom, but there are many quasi martial saints.”

“If we can seize the opportunity to take down all the major sects in the Sheng Kingdom now, this power will be enough to crush any force in the future.”

Hua zongxiong nodded slightly and said, “That’s right. Any sect needs strong new blood.”

Just as the two of them were planning, someone rushed in from outside the door.

“Sect leader, it’s bad! That... that Qin Yu is back!”

Hearing this, Hua Zongxiong couldn’t help but raise his eyebrows.

“He still dares to come back?” Hua Zongxiong’s expression was quite playful.

“That’s good too. Now is the time to establish his power. We’ll use him as a stepping stone.”

After saying this, Hua Zongxiong stood up and walked out of the hall in large strides.

On the square of the Heaven Gate, Qin Yu was standing there, quietly waiting for Hua Zongxiong.

The surrounding disciples of the Heaven Gate were all gathered around and discussing animatedly.

“Qin Yu? Didn’t he run away at the last minute? Why is he back?”

“Could it be that he still wants to take back the Heaven Gate? That Hua Zongxiong is a genuine martial saint!”

“There are three martial saints! Such strength is the best in the entire Sheng Nation!”

Qin Yu remained silent as he listened to the discussions around him. His heart did not waver at all.

He hoped that Hua Zongxiong’s fame would spread far and wide and that everyone would be afraid of him.

Because if that was the case, after Qin Yu killed Hua zongxiong, it would be easier for him to stir up a commotion and win over the hearts of the people.

“Hehe, a piece of trash who abandoned his sect and ran away actually dares to return.”

Right at this moment, Hua Zongxiong walked out with large strides..

Chapter 1017: Chapter 1,017, submit to me

He sneered with a hint of mockery in his eyes.

After Hua Zongxiong appeared, the surrounding disciples hurriedly bowed and shouted, “Greetings, sect master!”

Seeing this scene, Hua Zongxiong couldn’t stop laughing.

“Qin Yu, did you see that? Now, the entire Heaven Gate belongs to me!” Hua zongxiong sneered.

“I believe that no one is willing to follow a sect master who ran away at the last minute.”

Qin Yu looked at Hua zongxiong coldly and said, “I think no one is willing to follow a sect master who kneels on the ground and begs for mercy.”

Hearing that, Hua Zongxiong couldn't help but sneer, “Are you talking about yourself? It's still not too late for you to kneel down and beg for mercy.”

“I don't want to talk nonsense with you. I still have big things to do. Let's end this quickly,” Qin Yu said coldly.

Hua zongxiong narrowed his eyes and sneered, “I also have the same intention!”

Before he finished his words, Hua Zongxiong's pupils suddenly shrank!

He saw Qin Yu's figure disappear on the spot, and many afterimages shot toward him!

When he came back to his senses, Qin Yu had already punched through his chest!

His palm went through his chest and out from the back!

Hua zongxiong lowered his head to look at his own chest, his eyes filled with disbelief.

“You...”Hua Zongxiong stared at Qin Yu, his expression changing drastically!

Qin Yu pulled out his fist and said coldly, “I wanted to kill you, but actually it was only a breath’s time. But in order to convince the public, I decided to give you a chance.”

After saying that, Qin Yu put his hands behind his back and said indifferently, “If you have any moves, just use them.”

Hua Zongxiong was instantly enraged! He said coldly, “Kid, you’re too arrogant!”

As he spoke, the aura on Hua Zongxiong’s body rapidly rose!

Following that, Hua Zongxiong’s feet shook and he shot toward Qin Yu explosively!

His body emitted a faint light, and his fists were like raindrops, continuously smashing toward Qin Yu with crackling sounds!

On the other hand, Qin Yu still had his hands behind his back, and his body was emitting a faint light, allowing Hua Zongxiong’s fist to land on his body.

For a moment, the sound of Peng Peng Peng was incessant!

The ground under Qin Yu’s feet was shattered, but Hua Zongxiong’s fist was still unable to penetrate this level of golden light!

After a series of attacks, Hua Zongxiong was so tired that he was gasping for breath, but Qin Yu still did not move an inch.

“Impossible!” Hua Zongxiong was instantly enraged and increased the intensity of his attacks once again!

Right at this moment, Qin Yu’s eyes turned cold. He casually waved his large hand, and a terrifying force directly struck onto Hua Zongxiong’s body!

In an instant, Hua Zongxiong was directly sent flying hundreds of meters, and even shattered the Heaven Gate’s city wall!

His body was smashed into the ground by the ruins, and everyone could not help but be dumbstruck!

He sent Hua Zongxiong flying with just one palm? What kind of strength was this? ! The Almighty Realm? !

“Ah! ! !”

At this moment, Hua Zongxiong’s furious roar came from under the ruins!

Hua Zongxiong was covered in blood, and his body was faintly emitting a strange light!

“Brat, you have completely infuriated me!” Hua Zongxiong roared again and again!

The mark between his brows flickered and shone at this moment, and behind Hua Zongxiong, the figure of a brown bear faintly appeared!

Seeing this, Qin Yu couldn’t help but raise his brows and sneered, “So you’ve obtained a Demon Beast Spirit Pill, and it’s a brown bear.”

Hua Zongxiong glared at Qin Yu and said, “Qin Yu, I’m going to tear you into pieces!”

After using the brown bear’s power, Hua Zongxiong’s strength instantly increased by dozens of times! With every move, the earth shook and the mountains shook!

“Go to hell!”

Accompanied by Hua Zongxiong’s furious roar, he shot towards Qin Yu again!

This time, his strength became incomparably powerful, but his speed did not decrease at all!

Qin Yu’s body swayed slightly, and every punch of Hua Zongxiong was easily dodged by Qin Yu!

Hua Zongxiong seemed to have gone mad and almost destroyed the entire Heaven Gate!

Seeing this, Qin Yu could not help but frown and said, “It was not easy to build the Heaven Gate. I Can’t let you destroy it.”

His tone was casual, but it was full of arrogance!

“Go to hell!”Hua Brown Bear roared angrily and punched at Qin Yu!

The brown bear behind him seemed to have also stretched out its fist at this moment and smashed at Qin Yu!

Qin Yu’s eyes narrowed, and both of his arms flickered with golden light!

“I’ll let you experience what true power is,”Qin Yu said coldly.

As soon as he finished speaking, Qin Yu clenched his fist and faced Hua Zongxiong’s fist!

That fist that flickered with golden light instantly illuminated the entire world!

“Bang!”

Finally, the two fists collided!

The expected stalemate did not occur!

At the instant of the collision, Hua Zongxiong’s entire arm was directly shattered!

That enormous penetrating force blasted towards Hua Zongxiong’s entire body!

In an instant, Hua Zongxiong’s body was directly shattered! Fresh blood dripped down, and his bones were even shattered into powder!

His body shot backwards rapidly, and it was unknown how long it took before he stabilized his body!

When everyone saw this scene, they could not help but swallow their saliva!

This... The Gap was too big!

Hua zongxiong fell to the ground. His internal Qi was weak and he could no longer stand up.

Qin Yu walked straight to him and said coldly, “Do you know that there is also a huge difference between a martial saint and a martial saint?”

Hua zongxiong rolled his throat as if he wanted to say something. However, Qin Yu did not give him the chance to do so and directly crushed his primordial spirit!

Hua zongxiong, who was known to be invincible, died just like that.

This ‘great battle’ only lasted for less than ten minutes before Hua Zongxiong turned into a skeleton.

Qin Yu turned around and coldly swept his gaze towards the crowd.

When the two martial saints following Hua Zongxiong saw that the situation was not good, they immediately knelt down and shouted, “Greetings sect leader Qin! We are willing to follow sect leader for Life!”

When everyone saw this, they also hurriedly knelt down and shouted, “Greetings sect leader Qin, we are willing to follow sect leader for our entire lives!”

Thousands of people shouted in unison, their voices shaking the sky!

Chapter 1018: In chapter 1,018, Gu Xinghe and he teng fell out

Qin Yu stared at this magnificent scene.

Although there was no joy or sadness on his face, he exuded a domineering aura. It was as if a deity had descended to the mortal world and no one dared to look directly at him.

The golden light on his body and the traces of bright red that were stained by it looked even more terrifying under the sunlight!

A martial saint was like a dog butcher. Everyone knew that from now on, no one would be able to stop this young man.

Looking at the two martial saints who were kneeling on the ground to express their goodwill, Qin Yu lifted them up with a wave of gentle air.

The two of them were terrified and did not dare to look at Qin Yu directly.

They did not know what their fate would be.

Whether they lived or died was no longer within their control.

“From now on, the Heaven Gate will be the number one sect in the Sheng Kingdom and even the entire world,” Qin Yu said quietly.

Although his voice was soft, it was like the sound of a loud bell, making people’s hearts tremble.

Everyone raised their heads in unison, their eyes shining with a hint of light.

They did not know whether that light was excited or nervous.

Qin Yu turned around and walked into the main hall.

He wanted to understand the situation of heaven gate as soon as possible.

Nie Tianxiang was summoned into the hall again, and the two martial saints who followed Hua Zongxiong stood at the side, waiting for Qin Yu's order.

Qin Yu lowered his head and looked down at the map.

The drawing on the map was Hua Zongxiong's next target.

It had to be said that Hua Zongxiong's thoughts were exactly the same as Qin Yu's.

The plan written on the map had saved Qin Yu some trouble.

A group of people stood on both sides of the hall.

These people were the higher-ups of the Heaven Gate. They were also the quasi martial saints who had the highest chance of becoming a martial saint.

Among them was Zhu Jinglong, who was known as the number one genius of the Heaven Gate.

Looking at the group of people in front of him, Qin Yu did not say anything. No one knew what he was thinking.

However, the people below were not as natural as Qin Yu

They felt uneasy. After all, they had just betrayed Qin Yu and belonged to Hua Zongxiong.

"Tomorrow at eight o'clock in the morning, everyone will gather in the main hall. I want to preach the Dao," Qin Yu said.

Everyone was stunned, but they quickly understood!

Preach the Dao? Stepping into the Martial Saint Stage?

“Thank you, sect leader Qin!” Everyone shouted in unison!

Qin Yu looked down at everyone from above. He only had the bearing of an emperor.

Perhaps it was because of the confidence brought by his strength. In the face of so many people, even if Qin Yu did not do anything, the powerful pressure was suffocating.

Other than preaching to these quasi martial saints, Qin Yu also had to refine a large number of pills.

These pills were distributed to the many disciples and distributed as rewards.

There was no difference in essence between managing a sect and managing a company.

Using both kindness and power was a method that would never go out of style.

After that, Qin Yu walked down from the sacred chair.

The many disciples quickly lowered their heads and did not dare to look at Qin Yu directly.

Qin Yu's steps were extremely slow. Each step seemed to step on everyone's heart.

At this moment, Qin Yu's figure stopped at Zhu Jinglong's side.

Zhu Jinglong's heart thumped and a drop of bean-sized sweat condensed from his sweat glands.

Qin Yu stood there and did not speak for a long time.

However, Zhu Jinglong's heart was extremely nervous.

Just as Qin Yu had guessed, he already had the intention to rebel in his heart. He was just waiting for the moment he stepped into the martial saint realm.

Initially, he thought that no one would know about it. However, Qin Yu's actions seemed to have peeled away his outer appearance and looked straight into his heart.

A moment later, Qin Yu raised his palm and gave Zhu Jinglong's shoulder a heavy slap.

Zhu Jinglong's expression froze and his body could not help but tremble.

Qin Yu did not say a word, but it was like a heavy hammer that smashed into his heart.

...

At the same time, in the fire country's Pyro Province.

Many of the younger generation were also trying to break through to the martial saint realm.

Under such a big environment, who knew how many people had chosen to seclude themselves in seclusion, unwilling to compete with others.

Among them, the most promising one was naturally Yan Jinyao.

And Gu Xinghe was still busy with his "Career".

In his office, stood a young man.

The young man was hidden under the black robe, and the cold internal Qi on his body could not be concealed at all.

“From today onwards, you must stop all your actions.” Gu Xinghe said coldly as he looked at He Teng.

“Now, all the blame is on Qin Yu. Now that Qin Yu has escaped from the fire country, if you continue to absorb the inner strength of others, you will be exposed sooner or later.”

He Teng pursed his lips and said: “Young master, please rest assured... .”

Although he said that, under the black robe, a trace of gloom flashed across He Teng’s face.

There was already a beginning. If he wanted to stop, how could Gu Xinghe stop him with just one sentence?

Moreover, He Teng had a strong feeling in his heart at this moment.

He was only one step away from becoming a martial saint.

Once he became a martial saint, he would be able to break free from the restrictions of the martial arts association in Jingdu!

... .

The entire fire country was in peace and harmony.

Ever since Qin Yu had left, everything seemed to have returned to peace.

Qin Yu had left for an entire half a month, and everyone seemed to have forgotten about Qin Yu.

But on this very day, the slaughter had quietly begun.

He Teng had made his move once again, killing over ten young disciples in one go!

These young disciples were all from a martial arts aristocratic family. With so many of them dead, they would naturally not let this matter rest.

Gu Xinghe quickly found out about this matter. He stood in his office and said furiously, “He Teng, do you take my words to heart! ?”

He Teng said indifferently, “Why is young master Gu so nervous? Even if Qin Yu is not in the country, we can still continue to place the blame on Qin Yu’s head.”

“Whether he is in the Yan country or not, isn’t it still up to you to decide?”

Gu Xinghe’s face darkened and he said coldly: “Do I still need you to teach me how to do it?”

“He Teng, I’m warning you, you better stop that Filthy Act of yours!”

He Teng’s eyes narrowed and he laughed coldly: “Filthy Act? Young Master Gu, isn’t the instigator of all this, you?”

“Are you courting death? !”Gu Xinghe was instantly enraged!

He Teng subconsciously took a step back, he narrowed his eyes and said, “Young Master Gu, you better not force me, or else.... I will expose your

dirty behavior to the public! Let everyone know that the one who killed was not Qin Yu, but you, the dignified leader of the martial arts world!”

Chapter 1019: Chapter 1,019, preparing to return to the country

Gu Xinghe’s face was full of frost.

He could not believe that this obedient dog in front of him would dare to say such outrageous words!

“Do you know what you’re doing?”Gu Xinghe’s tone was cold and threatening.

He Teng stood not far away and said in a similarly unfriendly tone, “Of course I know what I’m doing.”

“Young Master Gu, I work for you, so you have to give me some benefits.”

Gu Xinghe could not help but laugh out loud, “You’re just a dog. If I throw a bone to you, you have to take it. If you don’t throw it, you won’t even be able to eat SH \* t!”

He Teng was already prepared to shed all pretenses of cordiality.

He stood not far away and said calmly, “I don’t think so.”

“Okay! He Teng, let me explain something to you.”Gu Xinghe put his hands behind his back and said calmly.

He paced around the room and said as he walked, “You should know that for a superior, it is necessary to cultivate an antagonist to clear the opponents in the dark and clear the obstacles on the road

“But once the superior clears the obstacles, the antagonist will be eliminated immediately

“In this way, the superior will not only successfully eliminate the opponent and pave the way, but also gain credibility.”

“You and Qin Yu are both such characters.”

Before he finished speaking, Zhai Xing immediately walked in from outside the door.

“He Teng, if you were obedient, I could let you live a few more days, but unfortunately, you are not smart.” Gu Xinghe said with narrowed eyes.

He Teng glanced at Gu Xinghe and then at Zhai Xing. He could not help but snort, “Gu Xinghe, you underestimate me too much. You used me. Do you think I would trust you?”

“If I did not have the ability to escape, why would I come here to shed all pretense of cordiality?”

Gu Xinghe’s expression changed, and he immediately felt uneasy.

If he teng escaped, then the truth would be revealed!

At that time, the reputation of the martial arts association of Jingdu would be completely tarnished!

“Zhai Xing, kill him!” Thinking of this, Gu Xinghe immediately gave the order!

Zhai Xing did not say much. He did not like he teng to begin with, so he immediately curled his finger and sealed the space.

However, he teng was not anxious. He sneered, “Gu Xinghe, you will pay the price for your actions today!”

With that, he Teng’s figure turned into balls of black energy and swam in different directions!

These balls of black energy actually directly passed through the spatial barrier that Zhai Xing had set up and escaped!

Seeing this scene, Gu Xinghe’s expression immediately changed drastically!

“Hurry up and catch him. We must get rid of him no matter what!”Gu Xinghe shouted with all his might!

Zhai Xing agreed and immediately chased after him!

However, he Teng’s method of escaping was unparalleled, even better than Qin Yu’s.

The balls of black energy swam in different directions. Even Zhai Xing did not know which direction to pursue.

After a round of pursuit, they ended up with nothing.

This could not help but make Gu Xinghe in the office extremely angry!

“He actually escaped. We should have gotten rid of him earlier!”Gu Xinghe said angrily.

He paced around the office with an anxious look on his face, as if he didn't know how to deal with the situation.

"It's not too late to make amends," Zhai Xing said from the side.

"Young Master GU, if you take the initiative to admit your mistake, it means that you were bewitched by He Teng and did that. Maybe you can even recover some losses."

Hearing this, Gu Xinghe said furiously, "Take the initiative to admit your mistake? What mistake did I make? I'm the Young Master of the second mystic realm. I admit my mistake to them? In your dreams!"

Zhai Xing opened his mouth.

Thousands of words turned into a sigh in the end.

...

After he teng escaped, he quickly released the news on the martial arts forum.

As an unkillable cockroach, he Teng's treachery was definitely not inferior to Gu Xinghe's.

When the two of them worked together, he teng was already on guard.

Not only did he have recordings of the two of them, he even had videos of them when they killed!

On the same day.

He Teng spread the videos and recordings!

“A bunch of idiots. The one who really killed wasn’t Qin Yu, but I, he teng!”

“All of this was planned by Gu Xinghe who was willing to join the martial arts association of Jingdu! In order to Frame Qin Yu, he took advantage of You Idiots!”

“Unfortunately, you idiots don’t have any consciousness, let alone the ability to think independently

“Hahahaha! How ironic! A man who sacrificed many times for you idiots was chased away by you! and the real villain was worshipped as a god by you!”

Countless videos and recordings circulated in the streets.

Even if Gu Xinghe tried his best to delete the messages, he could not delete them all.

These videos seemed to have grown wings. In just one day, they had spread throughout the entire martial arts world.

“I told you that Qin Yu would definitely not do such a thing. Unfortunately, you guys didn’t believe me!”

“Yes, yes, yes. I opposed it too! But you guys didn’t listen!”

“It’s all that Gu Xinghe’s fault. We were deceived by him!”

“As the leader of the Martial Arts Association of Jingdu, he actually did such a thing! He must give us an explanation!”

Looking at all the clamoring comments, Gu Xinghe’s face became almost distorted!

“This bunch of ants, how dare they demand an explanation from me!” Gu Xinghe fiercely threw his phone on the ground!

“Good, good! This bunch of ants who don’t know life from death, I’ll stomp you to death!”

“From now on, whoever dares to spread rumors, I’ll kill them!”

Thereafter, Gu Xinghe gathered all the arrangements of the Jingdu Martial Arts Association.

This included the black gold robe, the purple robe, and even the higher-ups.

On the same day, Gu Xinghe ordered the inspectors to kill anyone who dared to spread the news!

Zhai Xing looked at this scene and could not help but sigh.

He knew very well that this would not solve the problem and would only let the problem continue to ferment.

...

At this moment, Qin Yu was commanding the Heaven Gate to attack the various sects in Sheng Kingdom!

In every battle, Qin Yu personally took action. The morale of the entire heaven gate was greatly boosted!

Qin Yu’s prestige in Sheng Kingdom could be said to have returned!

In just a short dozen days, Qin Yu led the Heaven Gate Army and took down more than ten new sects!

This was the largest scale war in the history of glory country, and the speed of reunification was even more strange!

Qin Yu also picked up the plane to cultivate his trusted aides. In a dozen days, the Heaven Gate gathered a total of nearly ten thousand subordinates!

Among them, there were four martial saints and more than thirty martial marquis!

This kind of power was enough to look down on the world!

On this day.

Qin Yu looked at the map in his hand that was filled with drawings, and a trace of a smile appeared at the corner of his mouth.

“It’s about time to go back.”Qin Yu put down the brush in his hand, and his eyes turned to look in the direction of the fire country’s pyro..

Chapter 1020: Chapter 1,020, three hundred disciples!

While attacking the other sects, Qin Yu was also paying attention to the development of the fire country’s pyro world.

Qin Yu was also well aware of what was happening in the world of martial arts.

“Dog Bites Dog, a mouth hair.”Looking at He Teng Open Content, Qin Yu can not help but snort.

Never thought that the last to expose the face of Gu Xinghe, it will be he teng.

Qin Yu put away his phone and said in a cold voice: “We Shall Wait a few more days before we set off to return to the fire country.”

Towards the old enemies of the fire country, Qin Yu had long detested them to the extreme.

If it had not been for the pavilion master’s obstruction, the current gu xing he, and even the second mystic realm, would probably have already sunk into a corpse.

Fire Country, Pyro.

Under Gu Xing he’s orders, many ordinary martial artists had fallen into the hands of evil.

He Teng also used this opportunity to desperately absorb the resources that belonged to him.

In just a few days, the reputation of the martial arts association in Jingdu was getting worse and worse.

Gu Xinghe’s wanton and reckless actions had already aroused the extreme dissatisfaction of the officials.

Even Gu Xinghe himself did not expect that his big game of chess would end up like this.

In the office, Gu Xinghe’s expression became crazier and crazier. His mind was completely twisted.

“Damn it, damn it! These people all deserve to die!” Gu Xinghe smashed everything in the office, recklessly venting his emotions.

Zhai Xing stood at the side, not saying a word.

“Why didn’t you kill that Qin Yu earlier!” Suddenly, Gu Xinghe pointed his spear at Zhai Xing!

He glared at Zhai Xing and said through gritted teeth, “If you had killed Qin Yu earlier, there wouldn’t be this mess!”

Zhai Xing still did not speak, allowing Gu Xinghe to spew vulgarities.

At this moment, the door was suddenly opened.

“Who let you in!” Gu Xinghe waved his hand and a ray of divine light slashed out!

However, this palm was easily neutralized.

When he clearly saw the face of the newcomer, Gu Xinghe’s expression changed drastically!

“Dad... Dad? Why are you here?” After seeing Gu Zizhen, Gu Xinghe obviously calmed down a lot.

He hurriedly bowed with a nervous and fearful expression on his face.

“Dad, I...”

“Alright, don’t say anything else. Go back to the second mystic realm. I’ll take care of things here,” Gu Zizhen said coldly.

Gu Xinghe said somewhat unwillingly, “Dad, everything was going smoothly initially. I can resolve the situation now!”

“Resolve My Ass! If you don’t go back now, I’m afraid you won’t be able to go back!” Gu Zizhen said angrily!

Seeing that Gu Zizhen was really angry, Gu Xinghe didn’t dare to say anything.

Then, Gu Zizhen looked at Zhai Xing as if he wanted to say something, but in the end, he shook his head.

“All of You, come back with me,” Gu Zizhen said in a deep voice.

“What about the Martial Arts Association of Jingdu?” Zhai Xing asked.

Gu Zizhen pondered for a moment and said, “Let Xiaohang handle it for now. Let’s go back and lay low for a while.”

The two of them did not say anything else.

That day, Gu Zizhen left the martial arts association of Jingdu with Gu Xinghe.

Not only that, the martial arts association of Jingdu also issued a statement saying that they would punish Gu Xinghe severely.

But everyone knew that the so-called severe punishment was nothing.

For a moment, the entire martial arts world was furious.

“He killed so many people and just left like that?”

“Why! We must make him give us an explanation!”

“If Gu Xinghe doesn’t die, we won’t Give Up!”

However, these complaints didn’t have any real effect.

No one could break into the second secret realm. Moreover, they didn’t have the strength to challenge the second secret realm.

Without the deterrence of the martial arts association of Jingdu, the disciples who walked out of the mystic realms became even more arrogant.

Among them, the disciples of the mystic realm represented by Qiao Zun were tyrannical in the martial arts world. No one could stop them!

The disciples of the crown prince not only had to face the threat of He Teng, but also had to bear the humiliation of the disciples of the Mystic Realm.

For a time, the martial arts world was filled with grief.

More and more people gathered on nine pinnacles mountain.

These people gathered here, hoping to receive the protection of Jiang he and Xu Huaigu.

In just a few days.

More than a hundred people had already gathered on nine pinnacles mountain.

Looking at these martial artists who came to ask for help, Chang Mang could not help but feel angry.

“Damn it, a bunch of ingrates, hurry up and get down the mountain!” Chang Mang’s eyes were as wide as copper bells, and his voice was like a loud bell, shaking people to the point of trembling.

“Treat us as the Saviors today, and F \* cking turn on us tomorrow! I really want to kill all of you!”

Nearly a hundred people looked at each other, at a loss for words.

“Mr. Chang, you and Qin Yu are friends. Please send him a message, saying that we were blind and willing to apologize to him...”

“Right, right, right. Tell him that we all desperately hope that he can come back...”

“As long as he is willing to come back, we will apologize immediately!”

Hearing this, Chang Mang became even angrier.

He picked up a person’s collar and lifted him up into the air.

The anger in his heart seemed to be about to erupt from his fist.

“I will kill you first and then apologize to you, Alright!” Chang Mang gritted his teeth so hard that they were cracking.

“Now that no one cares about you, you want to F \* cking call him back? How can you be so thick-skinned?”

Chang Mang’s rough palm was filled with an abyss-like killing intent.

He seemed to be trying his best to restrain himself.

“Forget it, they are also in the dark and don’t know the truth.” Xu Huaigu shook his head and said.

Chang Mang was filled with anger, but he had nowhere to vent it out. He could only raise his head and let out a long howl. Then, he ruthlessly threw that martial artist to the ground.

“You bunch of people deserve to F \* cking die!”

Chang Mang threw down these words and turned around to leave.

This nine pinnacles mountain seemed to have become the only pure land, as well as the refuge of many martial artists.

Things had developed to this point, not to mention the martial dao resources, even their survival would be difficult.

Qiao Zun’s group had practically split up all the Martial Dao Resources they had.

Everyone dared to be angry, but they didn’t dare to say anything.

And thousands of kilometers away in the Heaven Gate Square, there were three hundred people gathered.

These three hundred people were the top experts that Qin Yu had carefully selected, and every one of them had been through hundreds of battles.

Their expressions were solemn, and their appearances were dignified, as if they were a well-trained team.

Qin Yu stood on the high platform in front of him, staring at the crowd.

His mind was filled with thoughts of how to kill his way back.

At this moment, Gu Zizhen walked in from outside the door.

When he saw Gu Zizhen, Gu Xinghe hurriedly stood up and said, “Dad, you want me to go back, i...”

“Shut up.” Gu Zizhen interrupted Gu Xinghe.

He said coldly, “Do you know what our priority is now?”

Gu Xinghe gritted his teeth and said, “Of course, we have to kill our way back!”

“Kill our way back my ass!” Gu Zizhen was instantly enraged.

“The reason I let you leave the second mystic realm was so that you could become a martial saint as soon as possible!”

“In the end? You wasted so much time on doing nothing!”

Gu Xinghe was instantly silenced.

He had long forgotten about the martial saint realm for such a long time.

“It’s impossible to enter the martial saint realm in a low-level secret area.” Gu Zizhen took a deep breath.

“Now, not only have you failed to enter the Martial Saint Realm, you’ve become infamous and even lost the right to show your face!”

Gu Xinghe was also a little flustered.

If he could not return to the current world, it meant that he would be stuck at the half-step martial Saint Realm Forever!

“Dad, you... If you want me to go back, I’ll definitely keep a low profile!” Gu Xinghe said anxiously.

Gu Zizhen said with a dark face, “Go back? You’ve already aroused public anger, how can you go back!”

“Then... then what should we do?” Gu Xinghe asked with some panic.

Gu Zizhen was silent for a moment and said coldly, “I’ve already applied to the higher-ups for you to go to the first secret area to cultivate. Don’t come back until you’ve become a martial saint.”

“The first secret area?”

Gu Xinghe’s eyes suddenly flashed with a glimmer of light!

After all, the higher-ups were in the first secret area! It was said that it was a real world!

“Pack up and get ready to leave,” Gu Zizhen said coldly.

“Thank you, Dad!” Gu Xinghe said excitedly.

“I’ll come back to see you after I’ve become a martial saint!”

Gu Zizhen waved his hand and didn’t say anything else.

At this moment, the two of them didn’t realize that this farewell would be forever.

...

At the foot of the five mountains.

This was the place where the pilgrimage was held.

Not only did many emperors ascend this mountain, many who had mastered martial arts had also stopped here.

But today, the five mountains welcomed many martial artists.

These martial artists did not only come from the mystic realm, they also included a large number of contemporary martial artists.

“Why are there so many people today? The front seems to be sealed off.”

“I don’t know. I heard that a big shot has arrived here.”

Some tourists discussed in low voices with curious expressions.

Meanwhile, many martial artists were looking at the mountain peak with complicated expressions.

“Do you guys think that Qiao Zun can really step into the Martial Saint Realm?” Someone commented.

“If he steps into the martial saint realm, he will become the first young generation to step into the Martial Saint Realm.”

“That’s right. With Qiao Zun’s character, once he becomes a martial saint, he will definitely stir up a storm of blood.”

The disciples in the secret realm did not really care. After all, they were birds of a feather.

However, the disciples of the current generation were slightly worried.

This Qiao Zun was not a kind person. From the bottom of his heart, he looked down on the martial artists of the current era.

And when the disciples of the secret realm stepped into the current era, he was also the first person to stir up a conflict.

Just as everyone was discussing, the martial saint auspicious clouds flashed in the sky!

When they saw the large patch of auspicious clouds, many tourists could not help but reveal curious expressions.

“What a beautiful cloud!”

“It seems to have appeared several times this year! What kind of sign is this?”

“Is it the end of the world? Didn’t the experts predict it?”

The tourists who did not know what was going on took out their phones one after another to take pictures.

However, many martial artists had different thoughts in their minds.

“It’s over. This Qiao Zun is really going to become a martial saint.”

“If he becomes a martial saint, we won’t have the chance to stand out anymore...”

“I remember that Qiao Zun said before that once he becomes a martial saint, he will kill all the martial artists in the world. In other words, once he becomes a martial saint, he will not allow any martial artists in the world to become a martial saint...”

“The words of a martial saint... are too powerful.”

The auspicious clouds in the sky gradually dispersed and were replaced by dark clouds.

The dark clouds were brewing the heavenly tribulation and were about to pour down at any moment.

“Boom!”

Soon, the first heavenly tribulation descended like three thousand silver waterfalls.

“Judging from the scale of this heavenly tribulation, Qiao Zun’s strength is definitely not ordinary.”

“Of course. After all, he is a genius disciple.”

“I only hope that he can be struck to death by the heavenly tribulation...”

Heavenly Tribulation after heavenly tribulation rolled down, as if they were going to split this world apart.

But what was shocking was that even with such a scale of heavenly tribulation, the mountain of the five peaks was not damaged at all.

It was as if there was a faint formation protecting the entire mountain range.

The first one.

The second one.

In the blink of an eye, Qiao Zun had already welcomed the eighth heavenly tribulation.

The scale of Qiao Zun's heavenly tribulation could not help but cause everyone to sigh.

"Such a scale is truly beyond our imagination," someone said in a low voice.

"If he were to become a martial saint, I'm afraid he would be even more powerful than those old martial saints."

Along with waves of deafening sounds, the heavenly tribulation ended.

The dark clouds in the sky slowly dispersed, revealing the blue sky and White Sun.

Everyone stared at the peak of the mountain, and their hearts were almost in their throats.

"Hahahahaha!"

Soon, a presumptuous laughter came from the peak of the mountain!

This voice contained inner strength, and it shook all directions!

Then, they saw a young man appear on the peak of the mountain.

He looked down at everyone and laughed crazily, "Today, I, Qiao Zun, have stepped into the martial saint realm. All of you must respect me! Those who disobey will be killed without mercy!"

The many martial artists below kept silent, but they felt extremely uneasy.

Qiao zun continued to say, “From today onwards, I will be reborn and become a saint. In a few days, I will dominate an area and encircle the land as a King! All of you, kneel down!”

As he spoke, a terrifying pressure spread rapidly!

The martial saint and Martial Marquis were an insurmountable chasm.

Under this pressure, many martial artists began to tremble and their legs could not help but tremble!

“Congratulations... Congratulations Young Master Qiao for stepping into the Martial Saint Realm!” Someone was the first to react and hurriedly shouted.

“Young Master Qiao is the first person of the younger generation to step into the martial saint realm. He is truly the number one genius!”

“What Yan Jinyao, Wan Gu Qiong, they are all just average people. From today onwards, the number one genius is only young master Qiao!”

“Hahahahaha, well said!” Qiao Zun could not help but laugh maniacally at everyone’s flattery. He had completely forgotten his form!

He swept his gaze across the crowd and said coldly, “Today, I will let all of you see how powerful I am after becoming a martial saint!”

Qiao Zun raised his hand and formed a seal with his mind. A rough red light that was like a mountain condensed on his palm.

Streams of killing Qi that were as thick as dark clouds struck everyone’s hearts.

That pressure seeped into their bones!

This was a true killing technique. Tens of thousands of streams of internal Qi condensed in his palm and finally evolved into the realm of mountains and seas!

“A true great creation technique!” Everyone’s hearts couldn’t help but tremble when they saw this!

“The number one person in the world lives up to his reputation!”

“Hahahaha!” Qiao Zun laughed maniacally.

“From today onwards, I will step into the Invincible Realm!”

But at this moment, not far away, a beam of golden light pierced through Qiao Zun’s killing technique like a rainbow piercing through the sun.

The golden light streaked across the sky and in the blink of an eye, it tore apart Qiao Zun’s technique!

The uneasiness that gathered in everyone’s hearts quickly disappeared.

Turning around, they saw a young man dressed in a black robe from the Heaven Gate stepping through the air and coming over!

“The number one person? Are you worthy of being called the number one person? However, how dare you spout nonsense here..” The young man’s voice was bone-chilling, but it was more filled with the dignity contained in his calm voice!

Chapter 1022: Chapter 1,022, three punches

In the blink of an eye, he had broken Qiao Zun's spell. Such strength could not help but shock everyone!

Qiao ZUN's expression naturally did not look good. He looked coldly at Qin Yu and said, "What do you mean by this, sir?"

"Nothing much. I just don't like you," Qin Yu said coldly.

Qiao Zun opened his mouth and was about to speak, but Qin Yu turned into a gust of wind and arrived in front of him in the blink of an eye!

Bang!

Bang!

Bang!

He raised his hand and punched three times!

Each punch landed on Qiao Zun's throat, chest, and abdomen.

These three seemingly ordinary punches actually made the arrogant Qiao Zun kneel on the ground!

A set of movements was completed in an instant.

Its speed was so fast that people couldn't react in time!

"Wah!"

Qiao Zun's mouth kept spitting out blood and acid, and his body curled up into a shrimp shape! He looked like he was in extreme pain!

His eyeballs enlarged, his body trembled, and his hands kept stroking his throat!

The people watching at the foot of the mountain instantly widened their eyes!

Who was this black-robed man? ! How could Qiao Zun be so vulnerable in front of him? !

“Argh...”

Qiao Zun’s face was distorted. Blue veins popped up on his forehead due to the pain.

“Who... who are you...”Qiao Zun said in pain.

Qin Yu did not answer him. Instead, he said coldly, “You dare to speak so arrogantly on the mountain of the five mountains. Is that all you have?”

“You are going too far. I... I will kill you...”Qiao Zun used all his strength and spat out a few words!

With that, Qiao Zun raised his palm again. A divine light that was like a rainbow rapidly shot out from his palm!

The incomparably heavy mountain and sea realm emitted thousands of strands of divine might of the Great Dao. It was incomparably heavy and shook the entire ground, causing it to rumble.

As Qiao Zun extended his palm forward, the mountain and sea realm surged forward in an imposing manner. It grew larger and larger, as if it wanted to Swallow Qin Yu within!

Facing the mountain and sea realm that contained the Great Dao, Qin Yu's expression was incomparably calm.

He raised a single hand and abruptly waved his palm.

“Bang!”

An ear-splitting sound rang out, and the mountain and sea realm collapsed with a bang under this wave!

Hiss...

Everyone sucked in a breath of cold air! Their faces were filled with shock!

A casual palm had broken Qiao Zun's secret technique? Just who was this person?

One had to know that this Qiao Zun was a martial saint! He was the representative of the unrivalled in the world!

At this moment, Qiao Zun's face was filled with terror!

As a martial saint, he naturally knew what this level of strength meant!

Qiao Zun opened his mouth as if he wanted to beg for mercy. However, Qin Yu did not give him a chance at all. The heavy pressure spread out and instantly pressed Qiao Zun to the ground!

“Remember, don't talk nonsense in your next life, and don't bump into the muzzle of a gun.”Qin Yu's cold voice was like a death sentence.

Looking at Qiao Zun who was like a stray dog, Qin Yu didn't have the slightest bit of pity in his heart.

He slightly raised his hand, and a golden light slashed at Qiao Zun from Qin Yu's hand like a flying knife.

“Swoosh!”

Qiao Zun's head and nascent divinity that had just been born were instantly cut into two!

“Bang!”

As his body fell to the ground, Qiao Zun's body completely disappeared.

There was complete silence below.

No one had expected such an ending.

Qiao Zun, who was enjoying the beautiful future just a moment ago, had turned into a corpse in the blink of an eye.

The many martial artists below looked at each other and discussed animatedly.

“Who is that black-robed man? How could he be so powerful?”

“Killing a martial saint is like slaughtering a dog. Could it be that this person is a legendary Almighty?”

“Heaven Gate? What kind of organization is this? Why haven't I heard of it before?”

“I know, it must be Qiao Zun spouting nonsense on the Wuyue supremacy mountain and angering the gods! This black-robed man was sent by the Heavens!”

Everyone discussed animatedly. They looked at Qin Yu on the mountain peak and felt uneasy.

No one knew if this person was an enemy or a friend. Would he be the next sky blood rainbow that brought despair.

At this moment, Qin Yu, who was standing on the mountain peak, slowly turned around.

Under everyone's gazes, Qin Yu reached out and took off the black robe on his head, slowly revealing his true appearance.

That thin figure, his cold gaze, his delicate and handsome face that carried a trace of determination, every part of it was so distinct!

"It's... It's Qin Yu! He's Qin Yu!"

No one knew who was the first to shout out!

"How... How is this possible? ! How Could Qin Yu have such strength? You must have seen wrongly, right?"

"Bullsh \* t, if that's not Qin Yu, then who is it? It's him who has returned. He must have stepped into the martial Saint Realm!"

Everyone stared at Qin Yu's figure with incomparable excitement.

However, the martial artists from the mystic realm did not look too good.

They stood at the side and did not make a sound. However, a strong sense of unease lingered in their hearts.

"Qin Yu, you're finally back!"

“Thank you, Mr. Qin, for standing up for us!”

Qin Yu swept his gaze across the martial artists and said coldly,

“Standing up for you? Why should I stand up for you?”

Hearing those words, everyone was immediately silenced! A trace of awkwardness appeared on their faces.

Qin Yu looked at the crowd and said with a cold laugh: “All of you should go find the martial arts association in Jingdu to stand up for all of you. Once I finish what I need to do, I will immediately leave the fire country.”

After throwing out those words, Qin Yu turned around and left..

Chapter 1023: Chapter 1,023, the Declaration of war

Everyone looked at each other and did not know what to do.

The news that Qiao Zun was about to become a martial saint had long spread throughout the martial arts world.

Many people raised their heads and looked at the pill cloud that had formed. They could not help but sigh.

“It seems that Qiao Zun is going to succeed.”

“If he succeeds in becoming a martial saint, it will definitely be bad news for us.”

Soon after, there was news:

“Qiao ZUN has successfully become a martial saint! He even announced that he would become the number one person in the world!”

Before the many martial artists were worried, there was another piece of news:

“Qiao Zun is dead! He was killed by three punches! The person who attacked him was none other than Qin Yu, who had disappeared for many days!”

The two pieces of news took less than ten minutes to confuse everyone.

Qin Yu had killed Qiao Zun with three punches? Wasn't this too F\*cking ridiculous?

Even if Qin Yu had successfully become a martial saint, it was impossible for him to kill a martial saint with three punches!

Just as everyone was suspecting, a video had already been uploaded.

In the video, Qiao Zun knelt at Qin Yu's feet like a dead dog.

Within a few minutes, his divine sense had been chopped off!

“Qin Yu... really killed Qiao Zun with three punches!”

“Damn, as expected of Qin Yu! After he became a martial saint, he is indeed invincible!”

“Too strong, this is too strong! Even the second mystic realm's star seizer might not be able to do it!”

On the nine Pinnacles Mountain, everyone was extremely excited as they watched the video.

“Hahahahaha!”

Chang Mang could not help but laugh out loud.

“As expected of Qin Yu! Good job!”

Kong Yun’s face was gloomy as he said in a low voice, “Looks like we have to work hard too.”

...

Divine Alchemist Pavilion.

Wan Gu Qiong sized up the pavilion master with a serious expression.

Pavilion master narrowed his eyes slightly and completely ignored wan gu Qiong.

This made Wan Gu Qiong extremely displeased.

He had come to the Divine Alchemist pavilion many times, but he was rejected every time.

“Damn it!”

Finally, Wan Gu Qiong could not hold it in anymore!

He flipped the table in front of him and said angrily, “I didn’t do anything to you out of respect for ye Qing. Don’t think that I’m really afraid of him!”

Pavilion master’s expression did not change and he did not say a word.

“Alright, are you forcing me?”Wan Gu Qiong’s face was gloomy.

“After I’m done with you, you’ll run away. I want to see what ye Qing can do to me!”

After he finished speaking, wan gu qiong bared his fangs and brandished his claws as he pounced towards the pavilion master!

The pavilion master furrowed his brows tightly. Just as he was about to get up, someone pushed open the door and entered.

“Who the F \* ck let you in!”

This made Wan Gu Qiong extremely angry.

“Young Master Wan, I’m afraid we have to leave quickly.”The martial saint of the Wan family said coldly.

Wan Gu Qiong said with a dark expression, “Leave? Where Are We Going?”

The martial saint of the Wan family continued, “Qin Yu has become a martial saint and killed Qiao Zun with three punches. If we don’t Leave Now, I’m afraid it will be too late.”

Wan Gu Qiong’s expression changed drastically when he heard these words!

He took the phone and watched the video in fear.

When he saw Qin Yu’s extremely powerful strength, beads of sweat immediately rolled down his forehead!

“Damn it...”Wan Gu Qiong cursed in his heart. He picked up his clothes from the ground and turned around to leave.

“Quick, return to the mystic realm immediately, Quick!”Wan Gu Qiong’s face was filled with fear, not daring to stay for even a moment.

At this moment, Qin Yu had already brought many disciples of the Heaven Gate back to the previous Jade Moon Villa.

This place had already been reduced to ruins and dilapidated beyond repair.

However, there was still a secret realm here. Hence, using this place as a base was undoubtedly the best choice.

“Let’s settle down here temporarily,”Qin Yu said.

“Yes, sect master!”The three hundred cavalry shouted in unison!

Everyone spent some time to tidy up the Jade Moon Villa.

Although it wasn’t as prosperous as before, at least it could accommodate people.

Before long, people came to celebrate.

Chang Mang and the others also came down from the nine Pinnacles Mountain to congratulate Qin Yu!

For a time, the Green Moon Villa was full of guests!

“Congratulations, Brother Qin, for stepping into the Martial Saint Realm!”Zhuang Teng seemed to have walked out from his sadness and smiled to congratulate Qin Yu.

“Today, Brother Qin has stepped into the martial saint realm. The martial artists of this age can be considered to have some say.” Chu Heng sighed slightly.

“Qin Yu, I knew that you would be the first one to become a martial saint!”

In the face of everyone’s congratulations, Qin Yu also stood up and thanked them one by one.

“Qin Yu, who are those people in black robes outside?” Chang Mang asked in puzzlement.

Qin Yu said, “They are my disciples.”

“Disciples?” When everyone heard this, they could not help but be slightly stunned.

Qin Yu hummed in gratitude and said, “They are only a part of them. The rest are still waiting for orders in the Sheng Kingdom.”

“TSK, tsk. To be able to form a team in such a short time, that’s impressive.”

“That’s nothing. With Brother Qin’s current appeal, I think it’s not impossible for him to replace the martial arts association of Jingdu with a wave of his arm!”

“That’s exactly what I intend to do,” Qin Yu said in a deep voice.

As soon as he said this, Zhuang Teng and the others couldn’t help but widen their eyes.

“Qin Yu, we were just joking. Don’t take it seriously.”Zhuang Teng patted Qin Yu’s shoulder.

“That’s right. The Martial Arts Association of Jingdu is deeply rooted. It Won’t be easy to replace them.”

“It’s better to take things one step at a time. No one knows what power the martial arts association of Jingdu has.”

“What’s there to be afraid of! What’s so great about the martial arts association of Jingdu ?”Chang Mang snorted coldly.

With that, he walked forward and said, “Qin Yu, when you attack the Martial Arts Association of Jingdu, Bring Me along!”

“Okay, no problem.”Qin Yu nodded.

After saying this, Qin Yu slowly stood up from his chair.

He swept his gaze over everyone and coldly said, “Spread the word that Heaven Gate has officially declared war on the Martial Arts Association of Jingdu and the Second Secret Realm!”

Chapter 1024: Chapter 1, 024, on the eve of the great battle

“So Fast ?”

This time, even Chang Mang couldn’t help but be surprised.

Qin Yu sneered, “I’ve been waiting for this day for a long time.”

The many guests who had come to celebrate in the great hall also stopped what they were doing.

Although Qin Yu's strength was obvious to everyone, the Jingdu martial arts association had been there for too many years. In all these years, who had truly won against the Jingdu Martial Arts Association?

It was not an exaggeration to say that even the authorities had never truly made a move against the Jingdu Martial Arts Association!

"The second mystic realm is only the beginning. Not only do I want to flatten the second mystic realm, I also want to get rid of the eight higher-ups behind it." Qin Yu's tone was extremely cold.

The things they had done to Yan Ruoxue were still fresh in their minds. Qin Yu would never let them off.

The news spread like wings across the entire martial arts world.

"Qin Yu is back! He killed the new martial saint, Qiao Zun, with three punches!"

"He declared war on the second Mystic Realm!"

"What? The second mystic realm? Is it the second mystic realm of the Martial Arts Association of Jingdu?"

"Damn, isn't this a little too arrogant? He has just become a martial saint, and he declared war on the second mystic realm? Does he really think that the second mystic realm is made of mud?"

Regarding this news, not only the current martial artists, but the disciples of the various Great Mystic Realms also sneered endlessly.

“This Qin Yu really thinks highly of himself.” At a certain mountain and water club in Jingdu.

“Declared war on the second mystic realm? Then doesn't that mean that his next step is to declare war on our various Great Mystic Realms?”

“He just entered the martial saint realm, so it's normal for him to be a little arrogant. Moreover, he just killed Qiao Zun.”

“So what if he's Qiao Zun? He has just become a martial saint. There's a huge difference between him and an old martial saint. I remember that he only needed one palm strike to kill a new martial saint.”

“I really don't know how this Qin Yu will end up.”

...

Jingdu, Yan family.

Yan Jinyao looked at the news on the martial arts forum with a gloomy expression.

“I've actually allowed him to be one step faster...” Yan Jinyao muttered in a low voice.

This was not what made Yan Jinyao the angriest. What made him the angriest was that Qin Yu seemed to have gained the upper hand in every aspect.

Unknowingly, not only had Qin Yu become a martial saint, he had even won over the hearts of the people.

“Damn it... he was clearly being suppressed everywhere. How could he be one step ahead of me in every aspect...” Yan Jinyao clenched his fists tightly.

Indeed, those who could not be beaten to death would only make people stronger.

“It seems that I have to break through as soon as possible,” Yan Jinyao said in his heart.

...

In the second secret area.

It could be said to be a small world.

Besides the disciples of the Gu family, there were many ordinary warriors here, but there weren't many people.

In the middle of the second secret area, in a towering hall.

A strong man walked in steadily.

“Zhai Xing, What's the matter?” Gu Zizhen opened his eyes lazily and asked casually.

Zhai Xing said in a deep voice, “Qin Yu declared war on the second Mystic Realm.”

Hearing this, Gu Zizhen was stunned for a moment, then couldn't help but laugh out loud.

“Qin Yu? Declared War on the second Mystic Realm?” Gu Zizhen couldn't close his mouth from laughing.

“I’ve lived for so long, this is the biggest joke I’ve Heard!”

Zhai Xing was not as optimistic as Gu Zizhen.

He said in a deep voice, “Qin Yu has a chaotic body, and the bloodline of a dao protector flows in his body. It’s better for us not to underestimate him.”

“Qiao Zun, the son of the Qiao family, has already died in his hands. It’s said that Qin Yu only used three punches.”

Gu Zizhen sneered, “Zhai Xing, are you afraid? Scared by a junior, right?”

Zhai xing shook his head, “I didn’t mean that.”

“Then there’s no need to talk nonsense,” gu Zizhen said coldly.

“The higher-ups have always wanted to get rid of Qin Yu, but they couldn’t find the opportunity. If he comes to me now, I’ll just kill him.”

Zhai xing frowned and said, “I think it’s necessary to make some preparations. I’m Afraid Qin Yu came prepared this time.”

“Enough!” Gu Zizhen shouted.

“Zhai Xing, you’ve been in the martial saint realm for so many years. Don’t you know how big the gap between Martial Saints is?”

“He, Qin Yu, is only a new martial saint. So what if he’s a Peerless Genius!”

Zhai Xing was silent.

After a while, he said in a deep voice, “You’ve saved my life once. You’ve treated me well these years. I will save you when necessary.”

“You ? Save Me ? hahahaha!”Gu Zizhen could not help but laugh.

“I am a peak martial saint. Do I Need You to save me ?”

Zhai Xing did not say anything else. He turned around and walked out of the main hall.

Gu Zizhen did not take Qin Yu seriously at all.

If it were not for the fact that this second secret realm did not have the conditions to step into the almighty realm, he would have already become a almighty long ago.

Once he stepped into the mighty figure realm, he would be an omnipotent existence that could fly in the sky and burrow through the Earth. How could he be afraid of Qin Yu.

...

At this moment, Qin Yu was gathering his men and preparing to head to the first target: the Wan family Mystic Realm.

Qin Yu had long detested the actions of Wan Gu Qiong.

He had killed countless disciples of the Jade Moon Villa, laid traps for Qin Yu many times, and harassed the Pavilion Master of the Divine Alchemist Pavilion.

Any one of these crimes would be enough to kill him a hundred times over!

Moreover... Qin Yu indeed had to show off his strength.

Although Qin Yu had stepped into the martial saint realm, no one thought that Qin Yu could go against those secret realms that had existed for many years.

This Wan Jia Secret Realm was a qualified stepping stone.

“Wan Gu Qiong, it’s time for you to die.”Qin Yu’s face was cold and his eyes revealed a cold light..

Chapter 1025: Chapter 1, 025, headed to the Wan family’s secret realm

The entire martial arts world was silent.

This seemed to be the calm before the storm, and it appeared exceptionally dull.

On this morning, Qin Yu drove to the Divine Alchemist Pavilion.

Ever since the myriad ancient jade had caused this disturbance, the Divine Alchemist Pavilion had also begun to show signs of decline.

Although the pavilion master’s alchemy skills were incomparably powerful, she had yet to become a martial saint, so she was unable to compete with others in this era.

Qin Yu tidied up his clothes and Strode towards the Divine Alchemist Pavilion.

“Elder Qin!”

Along the way, some disciples noticed Qin Yu and ran up to greet him.

These people treated Qin Yu as if he was their family, and their attitude was extremely warm.

“Elder Qin, I heard that you’ve entered the Martial Saint Realm and even killed Qiao Zun with three palm strikes. Is that true?”

“Not long ago, you said that you wanted to declare war on the second mystic realm. Are you really going to fight?”

“Elder Qin...”

Everyone surrounded Qin Yu’s side, chattering non-stop.

Qin Yu smiled and greeted them one by one. However, there were too many people and he really could not get away.

“Alright, Elder Qin must have something to do this time when he came back. Hurry up and make way.” At this moment, the fifth elder walked out and said.

Hearing the fifth Elder’s words, the many pharmacist reluctantly retreated to the side.

“Thank you, Fifth Elder.” Qin Yu bowed and said.

A trace of fear flashed across the fifth Elder’s face. He said with some bitterness, “With your current status, there’s no need for you to bow to me.”

Qin Yu shook his head and said, “Fifth elder, not to mention that I’m only a martial saint now, even if I step into the almighty or even the Tribulation Realm in the future, I’m still a junior.”

Fifth Elder opened his mouth as if he was moved.

“You’re here to look for the pavilion master, Right?” Fifth Elder changed the topic.

Qin Yu grunted and said, “Is she here?”

“She’s upstairs,” said fifth elder.

The two of them chatted as they walked. On the way, fifth elder sighed and said, “That Wan Gu Qiong is getting more and more outrageous. From the initial foul language to the later touching, she even wanted to commit adultery against the pavilion master a few days ago.”

“Unfortunately, we are weak. We Dare to be angry, but we don’t dare to speak.”

“Don’t worry, the Wan Gu Qiong won’t come again in the future,” Qin Yu said.

“Really?” There was a hint of pleading in the fifth Elder’s eyes.

Qin Yu nodded vigorously and said, “Yes, I came here this time to ask the pavilion master to accompany me to the Wan clan’s Secret Realm.”

“You want to...” the fifth elder seemed to have guessed something.

He covered his mouth and his face was filled with nervousness.

“Yes, I’ve said that once I’ve become a martial saint, the first thing I’ll do is to flatten the Wan clan’s Secret Realm.” Qin Yu’s tone was extremely cold.

When the fifth elder heard this, he could not help but smile bitterly and said, "I really didn't expect that you've grown to such an extent."

As they spoke, the two of them had already walked to the pavilion master's building.

"Fifth Elder, I'll go up first." Qin Yu greeted the fifth elder. Then, with a shake of his body, he went upstairs.

The pavilion master sat at the edge of the building. She heard the conversation between Qin Yu and the fifth elder clearly.

"Are you really going to the Wan family's Secret Realm?" Pavilion master asked.

Qin Yu grunted in gratitude and said, "I've been waiting for this day for a long time."

Pavilion master said in a deep voice, "After all, the Wan clan's secret realm is a clan that has been passed down for many years. Such a clan will definitely have a strong foundation to protect the secret realm."

"No worries," Qin Yu said.

"The current me will not be afraid of any of their foundations."

Although Qin Yu's tone was calm, his words revealed a strong confidence.

"That's true." Pavilion master laughed.

"In this world, you are already invincible. Indeed, nothing can stop you."

Qin Yu did not say a word, but he knew very well in his heart.

The path of cultivation was still very long. The martial saint was not the end at all.

In the Yan family's secret realm, even mighty figures could only become subordinates. Only the heavens knew how powerful there were still existences in this world.

“Sit.” Pavilion master waved his hand slightly and a chair fell in front of Qin Yu.

The two of them sat opposite each other and talked about the past and the present.

“Your popularity has been quite high recently. They seem to think of you as the new leader,” pavilion master said.

Qin Yu shook his head and said, “It's useless. They don't know my true strength at all.”

Pavilion master's beautiful eyes flashed with a trace of surprise.

“You killed Qiao Zun with three punches. Isn't that enough to prove your strength?” Pavilion master was shocked.

Qin Yu took a sip of tea and shook his head. “I tried to summon them to go with me to conquer the second mystic realm, but the effect was very poor.”

“That's different. After all, the second mystic realm has been established for many years. It has long been ingrained in people's hearts,” pavilion master said with a smile.

Qin Yu smiled. “To put it bluntly, they clearly hate the second mystic realm, but they don’t dare to follow me to resist. Either they don’t hate me enough, or they don’t believe me.”

“That’s true.”Pavilion master nodded.

“When I flatten the Wan Clan Mystic Realm, everything will be different,”Qin Yu said indifferently.

Pavilion master hummed in gratitude and continued to ask, “When do you plan to set off?”

“Tomorrow,”Qin Yu said without hesitation.

“Tomorrow, you will go to the Wan clan mystic realm with me.”

“I will personally kill the Wan Gu Qiong in front of you.”

Pavilion master did not express too many opinions regarding this.

“Oh right, where is Senior Xiang Danqing ? Didn’t he follow you to the Divine Alchemist Pavilion ?”At this moment, Qin Yu suddenly asked.

Pavilion master smiled and said, “He is farming on the back mountain and plans to re-mine the medicinal fields.”

“I have to say, Xiang Danqing is a good hand at mining the medicinal fields.”

Qin Yu could not help but smile and said, “This is also good. At least he can share the pressure of the warehouse.”

After saying that, Qin Yu stood up and said, “I won’t stay any longer. I’ll come and pick you up tomorrow.”

“Okay.”Pavilion master nodded.

...

Early the next morning.

Qin Yu gathered three hundred disciples of the Qin sect at the Green Moon Villa and prepared to head to the Wan family’s secret realm.

The three hundred people wore black robes and were full of imposing manner.

“Everyone, listen up.”Qin Yu swept his gaze across the crowd like a general.

“Follow me and set out together to flatten the secret land of the Wan Family!”

Chapter 1026: Chapter 1,026, breaking through the Mystic Realm!

Three Hundred Disciples in black robes followed behind Qin Yu, ready to set off for the Wan family Mystic Realm!

However, Qin Yu didn’t leave. He seemed to be waiting for something.

A few minutes later, a car slowly arrived in front of Qin Yu.

As soon as the car stopped, two people walked out.

They were mystery realm master Li Yu and Zhen Yue, whom they hadn’t seen for a long time.

The moment Zhen Yue saw Qin Yu, a complicated emotion appeared on her snow-white face.

She walked up to Qin Yu as if she had thousands of words to say.

“There’s no need to say it. I know everything.” Qin Yu waved his hand and interrupted Zhen Yue.

“Today is the time for the eternal jade to pay the price.”

The massacre that day left an extremely tragic memory in Zhen Yue’s heart.

Every time she thought of it, she would be terrified.

Qin Yu looked at the crowd and said coldly, “Let’s Go!”

Normally, it would be very difficult to find the mystic realm.

However, it was a pity that the Wan Gu Qiong had once taken Qin Yu to the Wan family Mystic Realm.

At that time, Qin Yu had remembered the location of the Wan family Mystic Realm in his heart.

The actions of hundreds of people naturally attracted the attention of countless people.

In addition, Qin Yu and the others’ strange attire made them even more eye-catching.

“Who are these people? Are they shooting a movie?”

“Heaven Gate? What Is That Thing?”

The news quickly spread on the martial arts forum.

“Today, Qin Yu brought over three hundred people and headed northwest!”

“What is he doing? is he going to attack the second secret realm?”

“Impossible. The entrance to the second mystic realm is in Jingdu. It’s not in the northwest at all!”

Busybodies immediately followed behind Qin Yu and the others, secretly recording Qin Yu’s actions.

Qin Yu ignored them. His expression was cold and filled with fighting spirit as he headed straight for the Wan family Mystic Realm.

While passing through the Divine Alchemist Pavilion, Qin Yu brought along the pavilion master.

This action immediately triggered speculation.

“Qin Yu brought along the Pavilion Master of the Divine Alchemist Pavilion!”

“I seem to have guessed what he’s going to do! Wan clan’s Secret Realm! Wan Gu Qiong!”

“Right, Wan Gu Qiong once killed hundreds of people from the Jade Moon Villa and harassed the Pavilion Master of the Divine Alchemist Pavilion many times. Qin Yu’s mission this time is definitely heading to the Wan clan’s Secret Realm!”

“Wan clan’s secret realm? That’s a very powerful secret realm. It’s said that their Wan clan was the first to step into the current world, and they were the first to set their eyes on Yan Ruoxue!”

“Hehe, it’s precisely because of this reason that Qin Yu made an attack on the Wan family’s Secret Realm.”

“There’s a good show to watch. I really don’t know if Qin Yu is as powerful as we imagined. Let’s wait and see!”

The crowd moved at an extremely fast speed and headed straight for the Wan family’s secret realm.

They used various means of transportation. After more than four hours, more than three hundred people gathered near the Wan family’s secret realm.

Qin Yu looked at Li Yu and said, “Li Yu, it’s up to you to open the Wan family’s Secret Realm.”

Li Yu nodded and walked to the entrance of the secret realm. He raised his hand and touched the void in front of him.

With Li Yu’s ability, it was not difficult to find this secret realm.

Therefore, after a while, rays of light appeared in front of everyone.

“This is the place,” Li Yu said in a low voice.

After saying that, he began to search for the secret key and used the secret key that he had learned to try to open this secret realm.

It was a long process, but Qin Yu was not in a hurry.

He sat on the peak of the mountain. The gentle breeze blew his long black hair, covering his stern face.

Time passed by minute by minute, and in the blink of an eye, an hour had passed.

“How long will it take?” Qin Yu asked.

A trace of regret flashed across Li Yu’s face.

He withdrew his palm and shook his head. “Qin Yu, I’m sorry. With the secret key in my hand, there’s no way to open this secret realm.”

Qin Yu frowned slightly and said, “No way to open it?”

“Yes, the secret key in this secret realm has obviously been processed. The Secret Key in my hand is insufficient,” Li Yu said.

“If it’s my master, he might be able to do it.”

“Your master? Jiang Nan?” Qin Yu shook his head.

It was obviously too late to go back and look for Jiang Nan now.

Moreover, with Jiang Nan’s personality, he might not necessarily help Qin Yu.

“I can’t do it at all. Do I have to go back?” Li Yu said with a bitter smile.

Qin Yu stared at the flickering light in front of him, and his eyes couldn’t help but flicker with a cold light.

“Let me try.” Qin Yu walked to the entrance of the mystic realm.

“You? Could it be that you also have control of the secret key?” Li Yu was somewhat surprised.

Qin Yu shook his head and said, “No, I might be able to violently smash open this mystic realm.”

When these words were said, Li Yu couldn't help but be greatly shocked.

Violently Smash Open the mystic realm? What kind of method was that?

Even the martial arts association of Jingdu had never tried this method before!

While Li Yu was still in shock, Qin Yu's fist was already shining with a golden light!

That light was dotted with this somewhat blank color, and it was extremely dazzling under the Green Mountains.

But what was even more attractive was the mountain-splitting and sea-breaking power contained in that fist!

“Boom!”

Qin Yu clenched his fist and threw it at the shining entrance in front of him!

The radiance that appeared on the surface of the entrance was instantly shaken and it was like a stream of air flowing around!

Qin Yu's expression was ice cold. Without saying a word, he raised his hand and threw another punch!

“If you can’t break me with one punch, then I’ll throw two punches. Sooner or later, there will be a moment when you can’t take it anymore,” Qin Yu said coldly.

He was a man of his words. He threw punch after punch at the entrance!

The stream of air at the entrance was actually diagnosed! The entrance seemed to be loosening!

Li Yu’s eyes widened and he was dumbfounded!

As a mystic realm master, this was the first time he had seen such an overbearing method!

“This is the ability of a martial saint?” Li Yu swallowed his saliva and whispered.

The pavilion master shook his head and corrected him, “It’s not the ability of a martial saint, it’s Qin Yu’s ability..”

Chapter 1027: Chapter 1,027, razing the Wan family’s Secret Territory!

Li Yu was instantly dumbfounded.

This was Qin Yu’s ability, but it did not mean that all martial saints could do it.

...

In the secret territory.

Wan Gu Qiong was enjoying his happy days.

Ever since he had returned to the Wan family's secret territory, he had relaxed his entire body and mind.

There were servants serving fine wine and delicacies, and there were even beauties sleeping on the bed. He was living a very happy life.

“If it wasn't for Yan Ruoxue, why would I have to leave the mystic realm? Are these days not pleasant?” Wan Gu Qiong looked up at the side of the bed with a happy expression.

“It's a pity that I wasn't able to bring the Pavilion Master of the Divine Alchemist Pavilion to the bed...”

Wan Gu Qiong felt waves of pity when he thought of Ji Yuhong.

“If there's a chance, I'll definitely bring the Pavilion Master of the Divine Alchemist Pavilion to the Wan family Mystic Realm! When the time comes, let's see where she can run to!”

Just as Wan Gu Qiong was thinking about it, a loud sound suddenly came from outside!

“Boom!”

Hearing this sound, Wan Gu Qiong hurriedly sat up.

“What's going on?” Wan Gu Qiong asked coldly.

Before he could answer, another loud sound came from outside!

This time, the entire house was making a loud noise, and the earth shook and the mountains shook!

The Wan family's secret realm was in a mess. Everyone felt uneasy about this sudden change.

“What's going on? Where did this huge sound come from?”

“Could it be that the secret realm is unstable and is about to break?”

“Then... then are we buried in there?”

Wan Gu Qiong's face darkened as he shouted, “Calm down! What's going on?”

Everyone quieted down when they saw Wan Gu Qiong.

Wan Gu Qiong looked at the person beside him and said, “Go and see what's going on. Find out where this sound came from.”

“Yes!” An attendant beside him hurriedly nodded.

A few minutes later.

This attendant hurriedly ran back.

“Not good, young master wan. Outside... there seems to be someone forcefully barging into the mystic realm outside!” The attendant said somewhat fearfully.

“Forcefully barging into the Mystic Realm?”

Hearing this, Wan Guqiong couldn't help but sneer repeatedly.

“It's probably that Qin Yu.” Very quickly, Wan guqiong guessed who it was.

At this moment, a middle-aged man slowly walked over from not far away.

When everyone saw this middle-aged man, they all bowed.

This person was none other than the head of the Wan family, Wan Zhengye!

“Dad.”Wan guqiong greeted Wan Zhengye.

Wan Zhengye nodded slightly and said coldly, “What’s Going On?”

“Dad, I’m afraid that Qin Yu is forcing his way into the mystic realm.”Wan guqiong said.

“Forcefully breaking into the secret realm?”Wan Zhengye could not help but smile as he shook his head.

“I’m afraid that Qin Yu has gone mad. He’s desperate to seek help? So what if he has become a martial saint? Forcefully breaking into the secret realm? It’s simply a pipe dream!”

Wan Gu Qiong also said with a smile, “That’s right. How could a martial saint forcefully break into the secret realm...”

“Boom!”

However, as soon as he finished speaking, a loud sound burst out!

At a glance, a divine light burst out from the direction of the exit!

This light scattered in all directions and spread to the horizon. Soon after, a series of shattering sounds could be heard!

The faces of the Wan family members changed drastically in unison!

Wan Gu Qiong's face turned ashen!

He subconsciously grabbed Wan Zhengye's arm and said in a trembling voice, "Dad... Dad, he couldn't have really forced his way in, right?"

"What are you panicking for!" Wan Zhengye berated.

"Let's not talk about whether he has the ability or not. So what if he has barged in? Does he really think our Wan family is made of mud? How dare a mere martial Saint Act Rashly?"

With Wan Zhengye's words, Wan Guqiong was clearly relieved.

"Go, set up the first line of defense. If he really barges in, kill him without mercy!" Wan Zhengye said coldly.

...

At the entrance, pieces of space shattered like glass.

After stepping through the entrance, it was the Wan family's secret realm.

Li Yu couldn't help but suck in a cold breath when he saw this scene!

He actually... really broke it open by force?

There was a way to open the secret realm by using one's fist?

As a secret realm master, this was simply... unheard of!

"The secret realm is only So-so," Qin Yu said coldly.

He turned to look at the heaven gate disciples and said coldly, “Everyone, listen up. Follow me and we will destroy the Wan family’s Mystic Realm!”

“Destroy the Wan family’s Mystic Realm!”

They shouted in unison, and their voices were deafening!

The warriors hiding not far away were even more dumbfounded!

“He... seems to have opened the Wan family’s Mystic Realm with his fist...”

“Pervert... pervert, this is too perverted!”

“If this were to spread out, I’m afraid no one would believe it. Fortunately, I took a photo in advance...”

“Let’s go, hurry up and follow him!”

Qin Yu led everyone and Strode into the secret realm.

The entrance of the secret realm was already broken, and anyone could enter at will.

After Qin Yu led everyone into the Wan family’s secret realm, the surrounding martial artists hurriedly followed.

Three hundred people stepped into the Wan family’s secret realm.

Qin Yu walked at the front and Strode forward.

Soon, he saw the so-called first line of defense.

More than ten people were controlling a formation at the same time.

This formation seemed to be a spatial barrier, emitting dense qi.

Seeing this scene, Qin Yu couldn't help but snort coldly.

His two fists drew an arc in the air, and then suddenly punched toward the spatial barrier!

“Boom!”

The golden light streaked across the sky, and in an instant, the wind and clouds surged. The golden light surged over, and such an aura shook the entire internal Qi!

The dozen or so people in charge of controlling the barrier were instantly subdued by this aura, and their faces could not help but flash with fear.

“Boom!”

Under this punch, the spatial barrier directly exploded!

And the dozen or so people were instantly shaken into a bloody mist!

Without the barrier to stop them, the Wan family's secret realm was like a lamb waiting to be slaughtered.

“Everyone listen up. Those who dare to resist will be killed without mercy!” Qin Yu said coldly.

“Yes!”

The three hundred people were like thugs as they charged into the Wan family's secret realm!

Wan Zhengye quickly ordered his subordinates to set up one block after another along the path of Qin Yu and the others.

“Clan leader, it’s bad! Our second line of defense has been broken through!”

“Clan leader, the third line of defense that we just erected has also been shattered!”

“Clan leader...”

As the lines of defense were shattered one after another, Wan Zhengye’s expression became increasingly unsightly.

He made a prompt decision and gathered all the martial saints of the Wan clan to welcome Qin Yu’s arrival.

However, Wan Gu Qiong was extremely uneasy.

He had a strong sense of danger. Under this sense of danger, Wan Gu Qiong actually planned to abandon the Wan clan’s Secret Realm and escape!

However, just as he was about to leave, the space in front of him suddenly distorted!

That spatial barrier was like a cage, blocking his path!

“You want to leave? Do you think you can leave?” He turned around and saw Qin Yu walking over step by step..

Chapter 1028: Chapter 1,028, fighting against five martial saints alone!

No matter how much effort Wan Gu Qiong put in, he was unable to shake this space in the slightest!

He turned around and looked at Qin Yu with a face as white as paper.

Wan Zhengye, who was standing in front of him, appeared to be much calmer.

He placed his hands behind his back and said indifferently, "I've long heard of your great name. I've finally been able to meet you today."

Qin Yu, however, said with a gloomy face, "You Old Thing, is this how you educate your son? Do you know your sins for not teaching your father?"

He opened his mouth and gave Wan Zhengye a show of strength. This made Wan Zhengye's originally warm expression freeze on his face.

He suppressed the anger in his heart and cupped his hands, saying, "You're right. It's indeed my fault for not being able to discipline him first. I will definitely discipline him in the future."

Speaking up to this point, Wan Zhengye paused for a moment and said with a smile, "There's no deep enmity between us. There's no need for us to go to the extent of fighting each other."

"F \* ck you. Do you think that I came here today to talk about family matters with you?" Qin Yu said with a cold face.

Wan Zhengye gritted his teeth and said, "Qin Yu, why don't we sit down and have a good talk? There's still room for negotiation."

“Talk?” Qin Yu’s face turned cold as he said coldly, “The Wan Gu Qiong killed so many people in the Green Moon Villa. How Can We Talk?”

“Who will be responsible for the deaths of those innocent people?”

Wan Zhengye smiled awkwardly and said, “I can make it up to you. I don’t know what you want.”

“Make it up to you? What can you make it up to me?” Qin Yu sneered.

“No matter what you have, the Wan Gu Qiong and you must die today.”

Wan Zhengye’s face turned completely cold.

“So there’s nothing to talk about?” Wan Zhengye narrowed his eyes and said.

“Cut the crap. If you kill the Wan Gu Qiong now and then kill yourself, there’s still a chance.”

“How dare you! Do you really think I’m afraid of You?” Wan Zhengye shouted.

As he spoke, four people walked towards him.

These four people were all martial saints and were also the four great protectors of the Wan family. Their strength was unfathomable!

“You are only a martial saint. How can you defeat the five of us?” Wan Zhengye said coldly.

Qin Yu’s gaze slowly swept across these people. Then, he sneered and said, “Just five good-for-nothings.”

“Good-for-nothings? Kid, what did you say? !” This instantly angered the four great protectors!

Wan Zhengye said coldly, “A kid who doesn’t know the immensity of Heaven and earth. Since that’s the case, then don’t blame us for being impolite!”

After he finished speaking, the five people’s bodies burst out with the might of a martial saint at the same time!

This aura spread out, and the supreme pressure was like a black cloud, making it difficult for people to break through the internal Qi.

This was a great battle between martial saints. Ordinary people could not participate in it. Therefore, they subconsciously stepped back, leaving a large space.

Qin Yu faced five martial saints, but there was not the slightest trace of panic on his face.

His calm and composed face made people extremely uneasy.

Wan Zhengye said in a deep voice, “I will ask you one last time, must you stand?”

Qin Yu sneered and pushed his palm forward. The family flag that was erected in the Wan family’s secret realm was instantly broken.

Although he didn’t say anything, his meaning was very obvious.

Wan Zhengye said with a dark face, “Four great protectors, listen to my orders. Follow me and kill this Qin Yu!”

“Yes!” The four of them stepped forward in unison.

The Great Protector could no longer hold it in. He took the initiative to attack and raised his hand to unleash a great killing technique!

Marks formed on the Great Protector's palm, and a vast ocean appeared behind him!

The ocean seemed to be corporeal. It carried a roar that contained divine power as it hovered in the air and roiled!

"Annihilate all living things!" The Great Protector roared angrily as he slapped his palm forward!

The vast ocean that hung above his head also moved!

It whizzed over to the ocean and instantly turned into a divine flood dragon that came out of the water. It pounced at Qin Yu with a Roar!

"The insect seal technique is not worth mentioning." Qin Yu's expression did not change. He slid his hand and a golden fist instantly appeared!

A world-shaking divine power gathered on Qin Yu's fist.

The Sun and moon that seemed to descend from the sky seemed to be about to vaporize the vast ocean, but it also seemed to be about to shatter the divine flood dragon's Head!

"Boom!"

The Golden Fist contained an invincible might and instantly shattered the divine flood dragon!

The divine flood dragon was shattered into pieces!

As for the Great Protector, he suffered a backlash. He took a few steps back before he stabilized his body!

“This kid is not easy to deal with!” The Great Protector’s face was pale as a grave expression appeared on his face.

The other protectors did not say a word, and Wan Zhengye was extremely uneasy.

The technique just now was the Great Protector’s famous ultimate skill, but it was shattered by Qin Yu’s punch.

This was enough to show that the gap in strength between the two of them was even greater than they had imagined.

“All of you, attack together,” Qin Yu said coldly.

At the moment of life and death, they did not care about fairness and face anymore.

The few of them looked at each other and immediately attacked at the same time, unleashing their great killing techniques one after another!

In an instant, rays of light shot into the sky and the aura they emitted shook the entire mystic realm to the point that it rumbled!

These killing techniques seemed to be competing with the sun and moon for brilliance. Any wisp of internal Qi emitted from them was enough to annihilate one’s soul!

The few beams of light that shot into the sky came from different directions like an inescapable net, trapping Qin Yu within!

“Slash!”

Wan Zhengye roared loudly! His palm suddenly pushed forward!

The four great protectors simultaneously used their divine power, as if they were planning to kill Qin Yu within!

“Under this technique, even a mighty figure would have to think twice. You’re Dead!”Wan Zhengye roared crazily!

The rays of light were like sharp blades as they slashed towards Qin Yu, trapping him within.

For a moment, that area of space formed a vortex that swirled wildly!

Everyone’s hearts were in their throats.

Such a great killing technique was simply unheard of!

“Boom!”

But right at this moment, a sound erupted from the center of the Vortex!

The golden light that was the size of a grain of rice was rapidly expanding!

In the blink of an eye, that golden light had covered the sun and moon and erupted!

The great killing technique that the five of them had unleashed at the same time was shattered into dust at this moment!

Wan Zhengye and the others took a step back one after another as a pale expression appeared on their faces!

At a glance, they could only see Qin Yu standing there without moving an inch. Only his body was emitting a golden light.

“This... This Qin Yu didn't make a move at all!”

“In other words.... He used his own aura to shatter the great killing technique of the five martial saints ? !”

Chapter 1029: Chapter 1,029, Wan family' s secret technique!

Just based on his own aura, he had shaken off the killing techniques of the five martial saints ?

This... wasn't this a little too exaggerated ?

“How could this be ?”A trace of fear appeared on Wan Zhengye's Stern Face.

The few protectors felt extremely uneasy.

Qin Yu stood not far away and looked at these people coldly.

He narrowed his eyes slightly and said coldly, “The Wan family's secret realm is too weak. However, the five early stage martial saints have disappointed me.”

These words were undoubtedly humiliating the WAN family!

The previously incomparably arrogant Wan family had now fallen into such a situation.

Everything had happened too quickly. It was so fast that it was unbelievable!

“Don’t be too arrogant!” Wan Zhengye shouted loudly.

He stretched out his hand, and a white lotus flower floated towards Qin Yu.

This lotus flower was not just a technique, it contained a destructive power! It seemed to be an internal Qi!

Qin Yu’s expression did not change. His feet shook slightly, and a golden internal Qi quickly spread out!

This internal Qi wrapped around Qin Yu and moved with his mind!

Not far away, the pavilion master could not help but be stunned.

Wasn’t this his own technique? When did Qin Yu learn it?

Wan Zhengye’s Lotus Flower continued to float towards Qin Yu. With a thought, two large golden hands hung behind Qin Yu’s back!

The large hands reached out and forcefully held the many lotus flowers between his palms!

“Pu!”

The lotus flower exploded in the center of the two golden palms.

The Lotus Flower, which originally had destructive power, made a funny sound like someone farting!

“This...”Wan Zhengye rubbed his eyes hard as if he couldn’t believe the scene in front of him!

“Do you have any other moves? If not, you can die,”Qin Yu said coldly.

Before they could answer, the two big hands behind Qin Yu had already reached out!

An overwhelming pressure instantly spread out!

The power contained in the two big hands was too powerful. Even if the five people tried their best to resist, they would still be smashed into pieces!

As Qin Yu narrowed his eyes, the power of the big hands suddenly soared!

“Bang!”

“Bang!”

“Bang!”

“Bang!”

Four separate palms struck the bodies of the four protectors from top to bottom!

These four martial saints were instantly smashed into meat paste!

Their lives and divine sense were smashed into pieces under this palm!

In the blink of an eye, four martial saints had died from the cultivation technique!

Most importantly, Qin Yu stood there without moving at all!

The many martial artists who were hiding in the distance and watching all sucked in a breath of cold air.

Qin Yu's strength had clearly exceeded their imagination!

These four martial saints had died like clowns in front of him!

"Dad, what... What should we do now..."Wan Gu Qiong said with some panic.

Wan Zhengye did not say a word. His face was gloomy and uncertain.

"Bring Out Your Wan family's foundation. Otherwise, there will be no chance,"Qin Yu said coldly.

As a secret realm that had existed for many years, it naturally had its own trump cards.

Wan Zhengye took a deep breath and said, "You've already killed four of my martial saints. Even if you want to vent, you should have done so! Do you really have to kill them all?"

Qin Yu said coldly, "If you had begged for mercy earlier, I would only have killed you and the Wan Gu Qiong. However, you've missed the opportunity."

"So... not a single member of the Wan family is left alive."

"Good, good! This arrogant brat is going too far! I'll let you witness the secret technique of my Wan Family!"

With that, Wan Zhengye waved his hand, and a pitch-black oil lamp fell into his hand.

He activated his spiritual power and ignited the flame, igniting the oil lamp.

Black energy began to spread in all directions.

And Wisps of Wan Zhengye's Divine Sense were drawn out!

Not long after, a huge ghost image condensed on the oil lamp!

It was clearly in the form of an evil ghost, but it contained an indestructible divine might that made people unable to resist worshipping it!

“What... What's going on? My legs seem to be out of control!”

“I don't want to kneel...”

Countless people's legs went limp as they knelt on the ground.

“What Bullsh \* T.”Qin Yu snorted coldly. He waved his hand, and a golden light flashed through the air.

The divine might that lingered in everyone's hearts instantly disappeared.

The ghost statue not far away was still suspended above the oil lamp.

And Wan Zhengye's Divine Sense seemed to want to merge with this ghost statue!

“This spell seems somewhat familiar. I remember that its power isn't that great,”Qin Yu said in a low voice.

“HMM? No, it seems different. This ghost statue seems to be summoning something.”

Just as Qin Yu guessed, the ghost statue opened its mouth and let out a whimpering sound!

Wan Zhengye said coldly, “Qin Yu, this is an internal Qi artifact passed down from my ancestors. It has the aura of a true God!”

“And the ghost statue behind me is from the nine serenities hell! It contains the true power of a God!”

Qin Yu frowned slightly and said in a low voice, “Does the nine serenities hell really exist? I always thought it was fake.”

However, on second thought, it made sense. If there was no nine serenities hell, where did the divine sense go?

“Wu Wu...”

The Wu Wu sounds became louder and louder, and the Wan family’s secret realm began to show strange phenomena.

Dark clouds blotted out the sky and the Sun, and the whole world seemed to fall into darkness.

One after another, oil lamps floated up in all directions, bringing with them faint rays of light!

The entire Wan family’s secret realm was like a real hell!

Rumble..

In the next second, the Earth began to sink, and the sky began to collapse, as if the entire secret realm had fallen into hell!

Chapter 1030: Chapter 1,030, slaughtering the gods in anger!

The entire space shook non-stop, and the people around them fell into extreme fear.

This sudden change in the environment brought a fear of facing ignorance.

Qin Yu's feet were also trembling non-stop. His body shook along with it, but his face didn't show much fluctuation.

All of the fear came from the lack of strength. When one was strong enough, there was no need to fear anything.

He looked around. The green oil lamp was still shining brightly.

Something seemed to be coming out from under the ground.

And all of this was because of the giant ghost statue in front of him!

“What is this thing?” Qin Yu frowned slightly.

The giant ghost statue not far away suddenly opened its mouth slightly.

The bloody mouth emitted waves of stinky internal Qi.

“Netherworld... Holy Region!”

The ghost statue let out a roar, and then rows and rows of armored skeletons emerged from the ground!

These skeletons were like a well-trained and powerful army!

They held ancient weapons in their hands, and with neat steps, rows and rows of skeletons appeared on the ground!

“What... What is this thing!”

“Ghost... Ghost? Are We all dead?”

“I don’t want to die, I don’t want to die in such a confused manner!”

Everyone began to panic. They couldn’t be blamed for this, because the scene around them was extremely similar to hell!

Most importantly, the holy power that emanated from the ghost statue made people tremble!

It was clearly a ghost statue, but it looked like a god!

Facing a god, not to mention fighting, even the slightest disrespect was difficult!

Seeing the disciples around him kneel down one by one, Qin Yu’s face turned solemn.

“This technique is similar to the power of faith of western sects,” Qin Yu said with a frown.

Strangely, although Qin Yu could feel the holy power, he had no intention of kneeling down.

“Mortal, why don’t you bow when you see God!”

The huge ghost statue let out a solemn and mighty sound.

Qin Yu raised his head to look at the ghost statue and said coldly, “What do you think? Why should I bow to you?”

“How dare you!”

Hearing Qin Yu’s disrespectful words, the ghost statue immediately let out a deafening sound!

At the same time, a skeleton suddenly moved.

He held the executioner’s broadsword in his hand and walked in front of a disciple of Qin.

The disciple was kneeling on the ground and trembling. He wanted to get up, but the fear in his heart made him unable to stand up at all!

Immediately after, the skeleton waved the executioner’s broadsword and slashed towards the disciple’s neck!

With a “Shua” sound, the head was directly chopped off!

The skeleton raised its palm and absorbed the Disciple’s divine sense into its body!

“Ah! !”

Seeing this scene, the disciples who were already terrified instantly felt as though they had lost their parents!

“We... I’m afraid we’ve really fallen into Hell...”

“It’s an execution... it’s an executioner from hell!”

Qin Yu’s expression was a little ugly.

He originally thought that there wouldn’t be any injuries in this battle, but he didn’t expect that one of his disciples would still die.

The executioner skeleton held a large saber in his hand and walked towards the other disciple.

He waved the large saber in his hand in mid-air, and then ruthlessly slashed towards the neck of the second disciple!

At this moment, Qin Yu stepped forward and swung his fist towards the executioner skeleton!

This punch contained boundless might, and instantly shattered the executioner skeleton into pieces!

“How dare you, Mortal!”

The ghost statue seemed to have been angered by Qin Yu’s actions!

“You dare to defy the gods, I will betray you and send you to the eighteen levels of hell!”The ghost statue roared repeatedly!

Qin Yu sneered, “Send me to hell? Before that, I will send you back first.”

After saying that, Qin Yu walked towards the large ghost statue.

His feet shook and his chariot-like fist carried rolling might as it ruthlessly smashed towards the ghost statue!

At this moment, the ghost statue opened its mouth. Its mouth rapidly enlarged, as if it had turned into a huge door!

And Qin Yu's body directly sank into his bloody mouth!

“Overconfident mortal...”after Devouring Qin Yu, the ghost statue's eyes widened in anger as it looked at the many heaven gate disciples present!

“It's over... Even the sect master hasn't been devoured by him. He's probably really a god from hell...”

“We've gotten into big trouble this time. I don't want to go to Hell...”

“Let me go, let me go...”

However, this ghost statue had no feelings, so how could it care about their begging for mercy?

The ghost statue opened its big mouth, and the big door opened again, ready to swallow everyone inside!

However, the moment it opened its mouth, Qin Yu rushed out of the mouth.

Looking at the ghost statue in front of him, Qin Yu couldn't help but frown.

After entering his body, Qin Yu seemed to have fallen into another world.

No matter how Qin Yu swung his fist, it would smash into nothingness.

“Could this ghost statue really be a god from hell?” At this moment, even Qin Yu began to doubt.

After being swallowed into his stomach, Qin Yu’s body seemed to be falling into another world.

His body was sinking rapidly, and his surroundings were empty.

Although it was different from the legendary hell, there was still a strong sense of fear in his heart.

“Could it be that this is really a god that was summoned through some kind of method?” Qin Yu frowned.

He looked at a disciple behind him and said coldly, “Stand up. These skeletons don’t have any battle strength yet. Why are they kneeling on the ground?”

“Gate... Gate Master, I can’t stand up at all...” the disciple said in fear.

“It’s as if something is pressing down on my heart. Fear, fear, respect, fear...”

Qin Yu touched his chin as if he had guessed something.

“I understand.” Qin Yu laughed coldly.

He looked at the ghost statue in front of him and shouted, “You are indeed a god. I admit it, but you don’t have any fighting strength, right?”

“How dare you, Mortal!”

The ghost statue ignored Qin Yu’s words and continued to shout.

Qin Yu sneered, “You should be relying on the power of a god... or an aura? This kind of aura can not be withstood by an ordinary person. They won’t even have the thought of fighting back, and then they will become meat for slaughter...”

“In other words, if I am not afraid of you, if I am not afraid of a god, you can’t do anything to me, right?”

The ghost statue’s eyes were as wide as copper bells, but it didn’t say a word.

Qin Yu couldn’t help but think of a sentence:

If you believe it, you have it. If you don’t believe it, you don’t have it.

Perhaps it was the same principle.

As long as you weren’t afraid, the ghosts and gods couldn’t hurt you at all!

“Whether you’re a god or an evil ghost, I’ll let you taste my fist today!” Qin Yu narrowed his eyes, and a golden light rose from his body..

Chapter 1031: Chapter 1, 031, the destruction of the Wan family

Qin Yu guessed something.

This kind of “God” seemed to rely on a domain, similar to Qin Yu’s heavy falling space.

As long as one was in this domain, one's body and mind would be greatly affected.

However, Qin Yu had no fear at all, so he naturally wouldn't be affected by this domain.

He Strode Forward, striding towards the ghost statue.

"I'll let you, this god, have a taste of my fist," Qin Yu said with a cold smile.

As he got closer and closer to the god, the light on Qin Yu's fist grew brighter and brighter.

The light, which was the size of a millstone, lit up this originally dim domain!

Qin Yu's right hand slid, and blue veins bulged out.

Through the blue veins, it was as if one could see the blood flowing in the blood vessels turning golden!

Qin Yu clenched his fist and shot out a beam of light towards the ghost statue!

This was a killing technique that could destroy anything in its path. It was extremely overbearing, like a storm or a bolt from the blue! It was sudden and hard to block!

"Break!"

Qin Yu smashed his fist towards the large pile of ghost statues in an unparalleled manner!

“Crack!”

Under Qin Yu’s incomparably tyrannical power, all kinds of demons and ghosts were not worth mentioning!

Power could overpower everything in time!

The huge ghost image began to shatter.

Cracks spread out rapidly in all directions like a spider web!

In a short moment, the ghost image shattered into pieces and finally turned into dust, disappearing into the void!

“I’ll remember you!”

Just when Qin Yu thought everything was over, the voice of the ghost statue came from the darkness!

The voice seemed to come from all directions, but also seemed to come from the bottom of one’s heart. It could not help but make one’s heart jump!

Even Qin Yu’s expression changed slightly!

The surrounding darkness began to dissipate bit by bit. The armored skeleton also turned into dust and disappeared into the void.

The Darkness disappeared bit by bit, revealing the true appearance of the Wan family’s secret realm.

The moment they saw the light, all the Heaven Gate’s disciples were overjoyed. The feeling of having survived the disaster made them gasp for breath.

“How is this possible...”

Not far away, Wan Zhengye’s pupils constricted, and his expression was extremely ugly.

This was a secret treasure passed down from the Wan family, and it had protected the Wan family for generations!

But now, this secret treasure was actually broken by Qin Yu!

“Is the Wan family... going to fall into my hands...”a trace of despair appeared on Wan Zhengye’s face.

Qin Yu walked in front of Wan Zhengye. He stretched out his hand and took the green oil lamp from Wan Zhengye’s hand.

The moment he took it, the oil lamp began to shatter.

In a moment, it turned into powder.

“The divine lamp... is shattered!”Wan Zhengye, who was already in despair, suddenly turned pale.

Qin Yu looked at Wan Zhengye coldly and said, “Do you still want to resist stubbornly?”

Wan Zhengye suddenly raised his head and said with a pleading tone, “Can you spare my son’s life? As long as you are willing, I can give you everything!”

“No, Wan Guqiong Must Die,”Qin Yu said straightforwardly.

Wan Zhengye gritted his teeth and said, "If you are willing to spare my son, I can tell you a secret. You will definitely be interested in this secret!"

"Secret?" Qin Yu narrowed his eyes and said, "What secret?"

"You have to Promise Me First!" Wan Zhengye turned back and looked at Wan guqiong, who was shaking like a leaf.

"Not only do you have to promise me, but you also have to swear on your primordial spirit!"

Hearing this, Qin Yu's face immediately turned cold.

It was useless for ordinary people to swear, but once they entered the nascent soul realm and broke the oath, it was very likely that it would affect their future cultivation path.

Although this possibility was not 100% , no cultivator was willing to try it.

"You'd better keep this secret in your stomach," Qin Yu said coldly.

With that, Qin Yu smashed Wan Zhengye's head with one palm!

This palm could not help but shatter his body, as well as his primordial spirit.

Not far away, Wan guqiong immediately collapsed to the ground, his face as pale as death.

He looked at Qin Yu with trembling eyes, his whole body trembling as if he could not even stand up.

Qin Yu walked in front of Wan guqiong and sneered, “You think I can’t kill you just because you escaped to the mystic realm, don’t you?”

Wan guqiong said in a trembling voice, “Qin Yu, don’t...”

“Kneel!”

Just as Wan Guqiong opened his mouth, Qin Yu shouted!

This voice contained the power of the Great Dao and scared Wan Guqiong so much that he almost fainted!

He tried to stand up many times, but he found that he couldn’t stand up at all.

“Do you still remember your arrogant attitude back then?” Qin Yu said coldly.

“When you slaughtered the disciples of the Green Moon Villa, did you ever think of today?”

The once elegant young master of the Wan family knelt down and begged like a stray dog.

Qin Yu turned to look at the pavilion master and said, “Pavilion Master, please finish him with your own hands.”

However, the pavilion master shook his head and said, “It’s better for you to do it.”

Qin Yu didn’t refuse anymore. He waved his hand and a golden light penetrated the body of the Wan Gu Qiong.

This palm actually directly penetrated his body and shattered Wan Gu Qiong's divine sense!

"Leave no one in the Wan family alive," Qin Yu coldly ordered.

This was a massacre. The Wan family had already lost the ability to resist. They were like lambs waiting to be slaughtered, like fish on a chopping board.

The Wan family's secret realm was instantly destroyed.

The corpses of the Wan family father and son were taken out of the secret realm and hung at the entrance of the secret realm.

This news quickly spread.

The news that Qin Yu had broken through the Wan family's secret realm made all the secret realms tremble in fear!

"Wan Gu Qiong is dead! No one expected that a secret realm that had been so glorious for so many years would end up like this."

"Everything seems to have changed overnight."

Many disciples of the secret realm started to feel uneasy. They were afraid that they would be the next to be liquidated.

After this battle, not only did the various secret realms start to panic, but the martial arts association of Jingdu also began to worry.

In the second secret realm, Zhai Xing told Gu Zizhen about this matter.

However, the arrogant Gu Zizhen still didn't take it seriously.

“Who does he think he is? Does he even deserve to be compared to me?” Gu Zizhen said coldly.

Zhai Xing didn't say anything, but he couldn't help but think to himself, this father and son of the Gu family are really the same

Gu Zi really didn't take it seriously, but the eight higher-ups of the martial arts association in Jingdu couldn't sit still.

In the meeting room.

The eight higher-ups descended once again.

This time, only the eight of them were talking.

“Qin Yu has already grown to an unbelievable level. It's still too late for us to act.”

“If we want to kill him now, the cost is too high. It's so high that we can't accept it.”

“Maybe... It's time to talk to him..”

Chapter 1032: Chapter 1, 032. The higher-ups invited him again

Ever since the Wan family mystic realm was flattened, the disciples of the Mystic Realm had kept a low profile.

Meanwhile, Qin Yu stayed in the Green Moon Villa and re-established the mountain gate.

The mountain gate was officially renamed as the Heaven Gate.

“You won’t object to changing this place to the Heaven Gate, right?” Standing at the entrance of the mountain gate, Qin Yu looked at Zhen Yue jokingly.

Zhen Yue quickly shook her head and said, “This belongs to you. The Green Moon Villa no longer exists.”

Qin Yu didn’t care about the name of the sect.

However, if Zhen Yue continued to lead the sect, it would be very difficult to convince the chief.

On the same day, all the good friends came to the Heaven Gate to celebrate at Qin Yu’s invitation.

Among them were Jiang he, Zhuang Teng, and Gu Taichu, who they hadn’t seen for a long time.

Gu Taichu’s strength had also stepped into the realm of the Martial Marquis. However, due to his lack of talent, it would be difficult for him to improve any further.

In the Hall of the Heaven Gate, everyone gathered in front of a huge round table.

After three rounds of drinking, Gu Taichu could not help but sigh, “I really did not expect that you have grown to such a level in such a short time.”

Qin Yu bowed and said, “I was just lucky.”

“Lucky?” Everyone couldn’t help but smile bitterly.

“If it was just luck, you would have died countless times.”

Qin Yu smiled and didn't say anything. Everyone knew that this was just Qin Yu's humble words.

After eating, Qin Yu left Gu Taichu and the others in the Heaven Gate and became a member of the Heaven Gate.

In the afternoon.

Yao Meng, Zhuang Tengkong Yun, and the others gathered under a pavilion in the Heaven Gate.

The weather gradually became warmer and the summer wind blew across everyone's faces. The atmosphere was quite harmonious.

“Everyone, what are your plans next?”Xiao Yuan asked with a faint smile.

Chu Hedao was the first to speak, “I plan to go into closed-door cultivation. Everyone has stepped into the martial saint realm. I Can't wait any longer.”

“Mm, that's what I'm thinking,”Kong Yun said.

“We can't let Qin Yu be the only one.”

“Sigh, it's time to try and break through. Otherwise, we'll be crushed by the wheels of the era.”

“This is a golden age.”Someone exclaimed.

This was indeed a golden age. There were countless geniuses emerging. No one knew if there would be new geniuses emerging and slapping them on the beach.

A great pressure lingered on everyone's head.

At this moment, Qin Yu walked over from not far away.

“What are we talking about?” Qin Yu found a seat and sat down.

“What else can we talk about? Of course we're talking about you being awesome,” Kong Yun said half-jokingly and half-seriously.

Qin Yu shook his head with a bitter smile and said, “Don't make fun of me.”

“I'm not making fun of you. You went from unknown to famous in just three years. You really make others envious.” Kong Yun curled his lips and said.

Qin Yu said in a low voice, “I was just forced. If I had the same living conditions as you, who would be willing to work so hard?”

“Cheh.” The few of them laughed.

“Qin Yu, where is Ruoxue? Where did she go? With your current ability, you should have the ability to protect her, right?” Yao Meng suddenly asked.

At the mention of Yan Ruoxue, Qin Yu immediately fell into silence.

After a while, Qin Yu shook his head and said, “My current ability is nothing. In this world... There are many existences that we don't know about.”

For example, the secret realm of the Yan family and the eight higher-ups of the martial arts association in Jingdu.

Based on a rough estimate, their strength was above that of mighty figures.

However, they didn't seem to be in this world. No one knew where they actually existed.

“What are your plans next?”Xiao Yuan asked.

Qin Yu said in a deep voice, “Attack the second secret realm.”

“Are you really going to do that?”Someone said in surprise.

Qin Yu grunted and said, “I want the martial arts association of Jingdu to disappear from this world.”

“And then replace them?”Someone asked.

Qin Yu glanced at him and shook his head. “No, such a meaningless organization shouldn't exist.”

“The second secret area... isn't that easy to deal with,”Yao Meng said in a low voice.

“As far as I know, besides the GU family, there are many warriors in the second secret area. The number is enormous.”

Qin Yu looked at Yao Meng in surprise and said, “Miss Yao, you seem to know something?”

“I've only heard of it, but I don't know the details,”Yao Meng said.

Qin Yu didn't say anything for a while.

The last time he went to the second secret area, it was only to save people. The places that Qin Yu went through were less than one-tenth of the second secret area.

Qin Yu had no idea what kind of power they had.

"It seems that I have to ask Little Qing about the situation," Qin Yu thought to himself.

Then, Qin Yu said jokingly, "Are you interested in going to the second secret area with me? There might be a lot of resources there."

"I'm afraid we won't join in the fun. It's time for us to go into seclusion to catch up with you," Kong Yun rolled his eyes and said.

Qin Yu smiled and said, "Then I wish all of you an early step into the martial saint realm."

"Thank you for your kind words." Yao Meng smiled.

After this day, they left the Heaven Gate one after another and began to search for their own dao techniques.

Meanwhile, Qin Yu sent people to the Divine Alchemist Pavilion and brought Little Qing to the Heaven Gate. He was ready to inquire about the second secret realm.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was Xia hang.

After picking up the phone, Qin Yu smiled and said, “Why, are you here to congratulate me?”

Xia hang on the other end said in a deep voice, “The higher-ups want to see you.”

A trace of shock flashed across Qin Yu’s face.

“Want to see me? Where?” Qin Yu stood up and asked.

“In the conference room of the Martial Arts Association of Jingdu,” Xia Hang said.

Qin Yu was silent for a moment and continued, “Okay, I’ll go to Jingdu now..”

Chapter 1033: Chapter 1,033: No Reconciliation!

After he hung up the phone, Qin Yu rushed towards Jingdu.

He rushed all the way to Jingdu. At this moment, the entrance of the martial arts association in Jingdu was already showing signs of decline.

Two Martial Saints were stationed at the entrance. They were sent by the second secret realm to protect and prevent anyone from taking the opportunity to cause trouble.

Qin Yu walked straight forward. These two martial saints immediately raised their hands to stop Qin Yu.

“Who are you?” One of the Martial Saints asked.

“Qin Yu.”

The two of them looked at each other. A trace of killing intent was clearly revealed in their eyes.

However, despite this, they still made way.

Qin Yu looked at these two people, but he did not leave for a long time.

He said coldly, “Do you want to kill me?”

The two people’s faces turned cold and they did not say a word.

At this moment, the internal Qi on Qin Yu’s body suddenly exploded!

A terrifying pressure instantly spread out!

Both of them were at the early-stage of the martial saint realm, but the difference in strength between them was like a horizontal ditch!

Just the pressure that Qin Yu released made the two of them break out in cold sweat!

They only felt as if they were carrying a huge mountain on their shoulders. This huge mountain kept pressing down on their bodies!

Very quickly, their originally tall and straight bodies slowly bent down.

Even though they tried their best to resist, it was still difficult for them to stop their bodies from sinking.

At this moment, Qin Yu withdrew the pressure on his body.

He said coldly, "It's best to restrain the killing intent on your bodies. The next time I discover it, it won't be so simple anymore."

The two of them were both shocked and afraid!

For the first time, they had their own understanding of Qin Yu's strength.

Qin Yu strode into the Jingdu Martial Arts Association. Xia Hang was already waiting at the door of the meeting room.

Seeing Qin Yu walking over, Xia Hang gave Qin Yu a look, indicating for him to be careful.

Qin Yu didn't say anything. He pushed open the door and swaggered in.

When he came to the meeting room for the second time, Qin Yu seemed to have sensed a strange internal Qi.

Qin Yu could sense a trace of internal Qi that did not belong to this world from those eight high-ranking officials.

Perhaps it was because of the power of his divine sense, or perhaps it was because Qin Yu had become a martial saint.

In short, when he came last time, Qin Yu did not sense this trace of internal Qi.

Qin Yu casually found a seat and sat down. He put his feet on the table and said indifferently, "Tell me, what do you want from me?"

Seeing Qin Yu's disrespectful attitude, although they were a bit displeased, they didn't say anything.

"Qin Yu, you are a talent, so young..."

“This kind of nonsense, there’s no need to say it,”Qin Yu interrupted them.

“Okay, then let’s get straight to the point,”one of the higher-ups said.

“The development of the situation has already exceeded our imagination. Your talent is even more powerful than we imagined.”

“If it continues to develop, it will be disadvantageous to both of us. Why Don’t we reconcile? You can put forward any conditions.”

When Qin Yu heard this, a hint of ridicule flashed across his face.

Before he came here, Qin Yu had already guessed what kind of fart they were going to say, so he was not surprised at all.

Qin Yu slowly sat up straight and sneered, “Reconcile? Do you think that’s possible?”

“There is nothing impossible in this world,”one of the higher-ups said.

Qin Yu sneered, “You hurt my woman and chased me to the ends of the Earth. I struggled to survive in the crevices and barely managed to survive until today.”

“Now that I’ve entered the Martial Saint Realm, do you think you can’t kill me and want to reconcile with me? Dream On!”

The scene fell into a short silence.

A few seconds later, a higher-up said, “We can give you the martial arts association of Jingdu, and you can control it.”

“We can guarantee that your authority is higher than any other president, whether it’s Granny Qin or Gu Xinghe.”

Qin Yu sneered, “If I remember correctly, this is the second time you’ve asked for peace with me, right?”

“It’s different. This time, we’re sincere,” a higher-up said.

“With your talent, the martial saint and even this world are not your final destination.”

“With our help, it’s possible for you to step into the almighty realm or even higher.”

Qin Yu sneered, “You want to reconcile? Fine, put tubes in your bodies and drain all your blood, how about that?”

“Qin Yu, don’t say such words that don’t show,” a higher-up said coldly.

“At least Yan Ruoxue isn’t dead. She’s still alive, isn’t She?”

“No matter what we did, it didn’t cause any serious consequences.”

Hearing this, Qin Yu was instantly furious!

He smashed the table in front of him with one punch and said with his eyes wide open, “F \* ck you! Didn’t cause any serious consequences? According to what you said, as long as people didn’t die, there wouldn’t be any consequences, right? F \* ck your mother!”

“Let me tell you eight animals, as long as I, Qin Yu, am still alive, I will definitely tear you into pieces!”

“I know, you are not in this world, right? No matter if you are in the first secret realm or any other world, I will definitely drag you out and kill you personally!”

Before they could finish their words, they had already fallen into a stalemate.

The voices of those eight higher-ups gradually turned cold.

“Just because we are having a good talk with you does not mean that we are afraid of you,” one of the higher-ups said coldly.

“You are only a martial saint. Although your strength is indeed far superior to an ordinary martial saint, we still have a way to kill you!”

Qin Yu looked at the few of them coldly and said, “You have already said this many times. I am looking forward to it.”

“Also, let me tell you, I will soon start a war against the second secret area.”

“After I have taken down the second secret area, my next target will be the first secret area! The eight of you, wait for me!”

After saying this, Qin Yu turned around and was about to leave.

“Don’t you want to Know About Yan Ruoxue?”

At this moment, a voice entered Qin Yu’s ears..

Chapter 1034: Chapter 1,034, Star Seizer!

Qin Yu, who was about to leave, stopped in his tracks.

He turned around and looked at the eight high-ranking officials present. He asked in a deep voice, “What do you know?”

“We know more than you think,” the high-ranking officials said coldly.

“Don’t you want to know the bloodline of the Yan family, the secret realm of the Yan Family?” They continued.

“We can tell you the way to the secret realm of the Yan family. Is this reason enough?”

Qin Yu quietly looked at the darkness in front of him. After a while, Qin Yu grinned and said, “I’ll ask you myself after I’ve conquered the first secret realm.”

“Qin Yu, if you leave now, you won’t have a chance in the future. We’ll do our best to get rid of you!” A shrill woman’s voice sounded behind him.

Qin Yu ignored her and left in large strides.

All the dirty things were ordered by these eight people.

Whether it was the arrest of Yan Ruoxue or the pursuit of Qin Yu, the eight of them were the main culprits.

It was impossible to reconcile with them.

After leaving the meeting room, Qin Yu was not in a hurry to leave.

When he came to the martial arts association in Jingdu, Qin Yu had always come and left in a hurry. After all, there were too many people and things that he was afraid of.

But now that Qin Yu had entered the martial arts association of Jingdu, it was as if he had entered a place where no one could stop him.

He quickly walked in the direction of the prison.

There were still people guarding the door of this prison.

The two warriors in charge of guarding the door quickly turned their faces to the side the moment they saw Qin Yu, afraid to meet Qin Yu's eyes.

Qin Yu coldly snorted and said, "Where's the key? Open this door."

"Qin... Qin Yu, this key isn't in our hands. We don't have such High Authority..."

Their voices were trembling, as if they were afraid of angering the god of death in front of them.

Qin Yu glanced at them and said, "Where's the key?"

Before the two of them could answer, Qin Yu waved his hand and said, "Forget it. It's too troublesome to take the key."

After saying that, Qin Yu clenched his fist and smashed it towards the door!

"Boom!"

After a loud sound, rays of light appeared on the door.

This light was obviously a formation set up! Under Qin Yu's punch, it instantly shattered!

Without the formation, the door was not worth mentioning.

Qin Yu used violence to demolish the door and strode into the prison.

The prison was empty. Last time, Qin Yu had already let everyone out.

He directly passed through this prison and strode into the depths.

In the depths, there was another large door.

This large door was simple and unadorned, yet extremely imposing.

It was rumored that behind this large door, martial saints were imprisoned!

For so many years, they had never opened this door!

"Even martial saints are imprisoned. I really don't know how much rice this Jingdu martial arts association still has." Qin Yu stood at the door and muttered in a low voice.

As he spoke, the aura on his body rapidly rose. Then, with a shake of his Golden Fist, the door gave off a loud bang!

This sound shook all directions, and the entire Jingdu's martial arts association was shaken!

One punch, two punches, three punches!

Under Qin Yu's three strikes, the door began to collapse!

The building could not withstand this power, and it stirred up waves of dust!

“Boom!”

With another punch, the golden light cut through the pitch-black door!

Under the brute force, the door, which was covered with countless taboos, completely collapsed!

After passing through the door, the first thing that came into view was not another prison, but a piece of nothingness.

“As expected, it’s just as I imagined.”

Qin Yu was not surprised to see this scene.

Just as he had guessed, the martial saint was not imprisoned, but in a secret realm!

Qin Yu walked forward and stretched out his hand, trying to find the entrance to this secret realm.

Soon, a light flashed in front of Qin Yu.

Qin Yu used the same trick again, wanting to forcefully break open this secret realm. Unfortunately, after Qin Yu had spent a lot of effort, this entrance still did not budge.

Could it be that this secret realm is above the Wan family’s secret realm?

Qin Yu thought to himself.

To be able to forcefully break open the Wan family’s secret realm and not be able to break open this secret realm...

This was enough to prove that this secret realm was probably more stable and mysterious than the Wan family's secret realm!

After standing here and thinking for a long time, Qin Yu finally left this place.

There was still a long way to go, so Qin Yu wasn't in a hurry.

After leaving the martial arts association of Jingdu, Qin Yu didn't stay any longer and returned to the Heaven Gate.

Qin Yu's actions undoubtedly angered the eight higher-ups.

In the second secret realm, a figure suddenly descended.

This figure was also not the original body, so one could only see a blurry figure.

Seeing this person, Gu Zizhen hurriedly stood up with a respectful expression.

"Greetings, higher-ups." Gu Zizhen bowed and said.

The higher-ups looked at Gu Zizhen and coldly said, "No matter what, you must guard the second mystic realm. I want you to do your best to get rid of Qin Yu."

Gu Zizhen hurriedly said, "Please rest assured, higher-ups. As long as Qin Yu dares to come, I guarantee that he will never return!"

"I want you to get rid of Qin Yu as soon as possible!" The higher-ups' voice contained some anger.

"Yes!" Gu Zizhen didn't dare to disobey and hurriedly agreed.

“As long as you get rid of Qin Yu, I’ll let you enter the first mystic realm and reunite with your son,”the higher-ups said indifferently.

Gu Zizhen’s expression slightly changed.

He knew very well that these words were not only encouraging him, but also threatening him with Gu Xinghe’s!

After the higher-ups left, a grave expression appeared on Gu Zizhen’s face.

“Go and call Zhai Xing over,”gu Zizhen said in a deep voice.

“There’s no need to call him over.”At this moment, Zhai Xing took the initiative to walk over.

Gu Zizhen glanced at Zhai Xing and said coldly, “Go kill Qin Yu and bring his corpse back.”

Zhai Xing seemed to have guessed it long ago. He nodded slightly and said, “Got it.”

After saying this, Zhai Xing prepared to leave.

“Wait.”

At this moment, Gu Zizhen called out to Zhai Xing.

He took out a spiritual artifact from his spatial artifact and handed it to Zhai Xing.

This spiritual artifact was shaped like a bell. Although it wasn’t big, it was extremely heavy.

On the surface of this bell, one after another extremely strange talismans were carved.

“Soul Bell?” Seeing this object, Zhai Xing frowned slightly.

“That’s right,” Gu Zizhen said coldly.

“I don’t need this item.” Zhai Xing returned the Soul Bell to Gu Zizhen.

However, Gu Zizhen said stubbornly, “Take it with you. Remember, no matter what price you have to pay, you must kill him.”

Zhai Xing held the soul bell, but there was a hint of fear on his face.

It was as if this soul bell was some shocking taboo item..

Chapter 1035: Chapter 1,035, I don’ t want to kill you

Zhai Xing held the Soul Bell and pondered for a long time before finally putting it away.

“No matter what, we must get rid of him, no matter what price we have to pay!”

These words circled around Zhai Xing’s ears.

...

At this moment, Qin Yu had already returned to the Heaven Gate.

He sent people to the Divine Alchemist Pavilion and brought Little Qing to the Heaven Gate.

Little Qing's talent was not considered strong, but her strength was not weak.

She had already stepped into the realm of the martial marquis at such a young age.

In the room, Little Qing carefully sat opposite Qin Yu.

She, who had yet to experience the world, looked somewhat shy.

Qin Yu poured her a cup of tea and said with a smile, "Don't be nervous. I just want to ask you a few questions."

Little Qing nodded and waited for Qin Yu to continue.

Qin Yu took a sip of tea and said quietly, "You are a native of the second mystic realm. I want to know the relevant information about the second mystic realm."

"For example... how many people are there in the second mystic realm, how many people are controlled by the Gu family, and how powerful the Gu family is."

After hearing Qin Yu's words, Xiao Qing was slightly surprised.

She said in a low voice, "I'm just an ordinary person in the second secret area, and I don't have much to do with the Gu family. There are many things that we don't have the right to know."

"Then tell me what you know," said Qin Yu.

Little Qing tried hard to recall the information about the second secret area.

“The population of the second secret area is about 30,000 people, more than half of which is occupied by the Martial Marquis,”said Little Qing.

“Around thirty thousand people?”Qin Yu could not help but raise his eyebrows.

This surprised him a little.

In other words, there were at least ten thousand martial marquis in the second secret area!

Even a martial saint would have to weigh such a number.

“I really underestimated them,”said Qin Yu with a frown.

“As for your strength and foundation, I’m not too sure. I only know that the Gu clan is very powerful,”continued little qing.

“Do you know Master Zhai Xing?”At this moment, Xiao Qing suddenly thought of something.

Qin Yu nodded and said, “Yes.”

“Although the Gu family controls the second mystic realm, Zhai Xing controls more than half of the military power,”Xiao Qing said.

“In addition to the military power, there are also the storage of magical artifacts, the storage of herbs, and so on. They each have their own duties.”

“The GU family only needs people who control Zhai Xing to be able to firmly control the second mystic realm in their hands.”

Qin Yu suddenly understood.

It seemed that the structure of the second mystic realm was similar to that of the current world, and it was controlled level by level.

However, it was not strange. It had been like this since ancient times. No one could control the entire world on their own.

“However, the most powerful one is still Gu Zizhen. It is said that they have a few extremely terrifying spiritual artifacts that were given to them by the heavens,” Xiao Qing continued.

“It was also because of these few spiritual artifacts that the Gu family became the chosen one. This also caused everyone to be willing to follow them. After all, no one was willing to go against the heavens.”

Hearing this, Qin Yu couldn't help but laugh.

The second secret realm was clearly still in a state of unliberation.

The so-called chosen one was just a tool used to control power.

Just like the ancient uprisings, most people would use this kind of excuse to win over the hearts of the people.

“The heaven you speak of should be those eight high-level officials,” said Qin Yu.

“Those few spiritual artifacts should have been given to them by the high-level officials.”

Little Qing shook his head and said, “I'm not too sure about that. Anyway, this kind of legend is widely spread. Everyone, from the elderly to the children, knows about it.”

“Other than these, I'm not too sure about the rest,” Little Qing said.

Qin Yu touched his chin.

The strength of the second mystic realm was obviously much stronger than he had imagined.

In this way, his three hundred disciples would probably be reduced to cannon fodder.

It was impossible to develop a large number of martial marquis in a short period of time.

Even if all the martial artists in the world were added together, they would not be able to gather ten thousand martial marquis.

“Can I go back now?” Xiao Qing asked carefully.

Qin Yu nodded and said, “I have already arranged a place for you. There are people waiting for you outside.”

Hearing this, Xiao Qing quickly stood up and walked out.

Qin Yu sat in the room and could not help but fall into deep thought.

If Qin Yu went crazy over 10,000 martial marquis, he might be able to win, but the price would be too high.

Moreover, Gu Zizhen was not a pushover.

The best way is to lure Gu Zizhen to this world and kill him! Qin Yu thought to himself.

As long as he killed Gu Zizhen, the second mystic realm would be destroyed.

That night, Qin Yu thought for an entire night, but he still could not come up with a good idea.

After thinking about it, Qin Yu finally decided to go to the second mystic realm first.

With Qin Yu's current ability, it would not be easy for the second secret area to trap him.

Even if it was Gu Zizhen, who was at the peak of the Martial Saint Realm, Qin Yu was not afraid.

"I wonder if the higher-ups will have a backup plan." Qin Yu thought to himself.

Even the Wan family secret area had a backup plan, let alone the second secret area.

Qin Yu did not continue to think about it. He planned to go to the second secret area first.

On the same day.

A piece of news spread out:

Zhai Xing had killed Qin Yu in the name of Gu Zizhen. Now, he had arrived at Jingdu!

This piece of news immediately attracted countless eyeballs!

One had to know that Zhai Xing represented the top experts among the old martial saints. His battle achievements were illustrious. Who knew how many Martial Saints had died at his hands!

And Qin Yu was the martial saint of the new generation. He had killed Qiao Zun with three punches and flattened the Wan family's mystic realm. He was currently in the limelight!

This battle was undoubtedly full of gimmicks!

Not only did many martial artists of the current era come when they heard the news, even some disciples of the secret realm had risked their lives to rush to the vicinity of the Heaven Gate. They intended to witness this battle with their own eyes!

“Zhai Xing... I knew you would definitely come.” Qin Yu's face was expressionless as he looked at the message on his phone.

Regarding Zhai Xing, Qin Yu's heart was rather complicated.

He could sense that Zhai Xing's nature was not bad.

When the Sky Blood Rainbow attacked, Zhai Xing was the only martial saint who stood out!

He disregarded his own safety and fought the sky blood rainbow with all his might. He almost died!

More importantly, he had let Qin Yu go twice! Otherwise, Qin Yu would have become a skeleton long ago!

“Zhai Xing... Why Did you come? I don't want to kill you...” Qin Yu could not help but clench his fists..
