## Chapter 111: Just Interest

Liu Shihui looked coldly at the two henchmen and said, “The two of you can go in first.”

“Yes, Young Master.” The two henchmen nodded and then walked toward the door.

Yao Qing had no strength left to stop the two people. Although he was extremely anxious, there was nothing he could do. He could only watch helplessly as they walked over.

“Young Master Liu, the door is locked.” The henchman couldn’t help but frown as he walked to the door.

“Then break the door open for me!” Liu Shihui said furiously.

“Yes, Young Master.”

At this moment, Qin Yu was sitting in the room while refining the pills in his body.

The refining speed of the Qi Gathering Pill was far faster than Qin Yu had imagined. These pills turned into spiritual energy and flowed through his dantian to attack the various acupoints in his body.

A faint light surrounded Qin Yu’s body. This light also began to converge bit by bit and slowly gathered at the location of his dantian.

Time passed minute by second, and the sound of the door being smashed sounded.

However, Qin Yu seemed to be isolated from the outside world and couldn't hear anything at all.

“Buzz!”

Finally, these pills were completely refined! The surging spiritual energy completely fused with Qin Yu's body! Finally, a ray of light was formed in his dantian.

“Phew.”

Qin Yu's eyes snapped open!

At this moment, a breeze blew around him!

A terrifying power was traveling around his body. Even his physical body became a few times tougher at this moment!

“Twenty-eight Qi Gathering Pill couldn't help me break through to the Foundation Establishment Stage.” Qin Yu frowned slightly and murmured in a low voice.

Currently, Qin Yu was just at the peak of the Qi Refining Stage and was just a hair's breadth away from the Foundation Establishment Stage.

“It seems that it's not that easy to break through to the next level.” Qin Yu thought to himself.

Even with three herbs, he couldn't even break through to the Foundation Establishment Stage. Who knew how many herbs he would have to spend to cultivate in the future?

Qin Yu couldn't help but feel a trace of pressure.

“Fortunately, the speed is faster than I thought,” Qin Yu said in a low voice.

He thought it would take at least three days, but it only took him a dozen hours.

“Bang, bang!”

At this moment, the sound of the door being smashed came from the door again.

Then, Liu Shihui’s angry roar from the courtyard also reached Qin Yu’s ears.

After advancing to the peak of the Qi Refining Stage, Qin Yu’s hearing also improved by leaps and bounds, and the spiritual energy in his body was as vast as the sea.

“Someone came?” Qin Yu narrowed his eyes. He immediately walked to the door and pushed it open.

As soon as the door opened, he saw two henchmen standing at the door, and a short distance away, Yao Qing was hugging Liu Shihui’s thigh tightly.

When he saw this scene, Qin Yu’s expression instantly turned cold.

“Mr. Qin...” Yao Qing spat out a sentence with difficulty. Then, he fell to the ground and completely fainted. At this moment, his hand also loosened.

“Liu Shihui?” Qin Yu looked coldly at Liu Shihui. His expression was cold.

Liu Shihui said with a nonchalant smile, “Mr. Qin, I specially came from South City to visit you. I didn’t expect your subordinate to be so disrespectful, so I helped you teach him a lesson.”

Qin Yu glanced at Liu Shihui without saying anything.

He walked to Yao Qing first and put his hand on his chest to use spiritual energy to protect Yao Qing’s life.

Then, Qin Yu raised his head and looked at Liu Shihui coldly.

“What are you doing here?” Qin Yu’s tone was cold.

Liu Shihui didn’t care at all. He said with a nonchalant smile, “Qin Yu, I’m here to take back my things.”

“Your things?” Qin Yu couldn’t help but sneer.

“I don’t have your things here.”

Liu Shihui narrowed his eyes and said with a smile, “Qin Yu, don’t play dumb with me. Where’s the Chinese knotweed?”

“It’s mine. What does it have to do with you?” Qin Yu snorted.

Liu Shihui’s expression turned cold again.

“Qin Yu, think about it carefully. Yan Ruoxue is no longer in Jiangcheng!” Liu Shihui shouted!

“So?” Qin Yu raised his eyebrows.

“So you should consider the consequences!” Liu Shihui said coldly.

Qin Yu looked at Liu Shihui and said indifferently, “I have already eaten that Chinese knotweed. If you want it, I can pull it for you.”

“You!” When he heard this, Liu Shihui’s expression instantly turned livid!

However, he didn’t take him seriously. He took a deep breath and said, “How about this, Qin Yu? I, Liu Shihui, am also a reasonable person.”

“In three days, you and I will have a public competition in South City. If I win, you will return the Chinese knotweed to me. How about that?” Liu Shihui said patiently.

Although Yan Ruoxue had already left Jiangcheng, Liu Shihui still didn’t want to take this risk.

If it was a public competition, even the Yan family couldn’t say anything.

“What if you lose?” Qin Yu asked back.

Liu Shihui said with a nonchalant smile, “If I lose, that Chinese knotweed will be yours. I won’t pester you!”

“That Chinese knotweed was mine to begin with. Are you out of your mind to use my belongings as collateral for a bet?” Qin Yu said coldly.

Liu Shihui’s expression changed, and he instantly felt a burst of anger in his chest!

He gritted his teeth and said while holding back his anger, “Then what do you think we should do?”

Qin Yu said coldly, “If you lose, you will kneel down and apologize to Yao Qing. You will also give me a herb king that is more than a hundred years old. What do you think?”

Liu Shihui was overjoyed! Without thinking, he immediately agreed.

“Okay, it’s a deal!”

Liu Shihui didn't take Qin Yu's conditions seriously at all.

Because in his opinion, it was impossible for him to lose!

"Okay, I'll look for you in three days," Qin Yu said coldly.

"Qin Yu, I hope you'll keep your word." Liu Shihui snorted, waved his hand, and turned to leave.

"Wait."

At this moment, Qin Yu suddenly called out to Liu Shihui.

Liu Shihui turned around and said with puzzlement, "Do you have anything else?"

Qin Yu slowly walked to Liu Shihui, suddenly raised his hand, and slapped the henchman's face!

With this slap, the henchman's face was directly shattered!

His entire face instantly collapsed! His body slid on the ground and he couldn't stop vomiting blood!

"Number Two!" Another henchman hurriedly rushed up.

"Young Master Liu, Number Two is... He's dead!" The other henchman's expression was extremely ugly!

"Qin Yu, what the f \* ck are you doing?!" Liu Shihui roared angrily.

Qin Yu said indifferently, "You hit my friend, so I'll collect some interest."

Liu Shihui's expression was extremely ugly. No one had dared to act so insolent in front of him!

At this moment, Liu Shihui wanted nothing more than to tear Qin Yu apart!

“I only taught a lap dog a lesson for you, yet you killed my henchman! Qin Yu, you’re too ruthless!” Liu Shihui clenched his teeth and said.

Qin Yu looked at Liu Shihui coldly and said, “First of all, Yao Qing isn’t my lap dog, but my friend.”

“Second of all, this is just a little interest.. Three days later, I will make you kneel in front of Yao Qing and apologize in person!”

## Chapter 112: Photos of Yan Ruoxue

Liu Shihui was so angry that his whole body was trembling! If he wasn’t afraid of the Yan family, he would have fought with Qin Yu to the death!

“Okay.” Liu Shihui pointed at Qin Yu and then sneered. “I want to see how long you can be so cocky!”

After saying this, Liu Shihui turned around and left.

Qin Yu looked at his back and couldn’t help sneering.

Then, he personally poured spiritual energy into Yao Qing and brewed a few pills to treat Yao Qing’s injuries.

Looking at Yao Qing, who was lying on the bed, Qin Yu couldn’t help but sigh.

Yao Qing was really a loyal guy. Without his help, he would have been interrupted by Liu Shihui.

At noon the next day, Yao Qing woke up from his coma.

“Mr. Qin.” The moment he woke up, Yao Qing hurriedly tried to get up.

Qin Yu waved his hand and said, "Lie down properly. You can't move your body now."

Yao Qing gritted his teeth and said in a low voice, "It's all my fault for being useless..."

"No." Qin Yu shook his head.

"It's all thanks to you," Qin Yu said seriously.

Yao Qing forced a smile. He sighed and said, "Liu Shihui is an Inner Strength Master Hands. His strength can't be underestimated. The gap between us is too big."

"Inner Strength Master Hands?" Qin Yu raised his eyebrows.

If it was compared to cultivation levels, Liu Shihui's level was equivalent to the early Foundation Establishment Stage. He was slightly better than Qin Yu, who was at the peak of the Qi Refining Stage.

However, Qin Yu wasn't worried.

Cultivation and martial arts were two different things. His strength was definitely above that of martial artists.

Qin Yu was fully confident that he could easily defeat Liu Shihui.

"Don't worry, I will take revenge for you," Qin Yu said with a smile.

Yao Qing was stunned. He hurriedly said, "Mr. Qin, you must not act recklessly! The Liu family is powerful. They are even above the Shen family!"

"You've heard of the Liu Family?" Qin Yu asked in surprise.

Yao Qing nodded and said, “When I was with Shen Tian in the past, they had worked together, so I know a little about them.”

Qin Yu grunted and signaled Yao Qing to continue.

Yao Qing said in a low voice, “The Liu family’s business is different from ordinary businesses. Their family supports a large number of hangers-on, including celebrities from all walks of life.”

“For example, big shots in the calligraphy world, celebrities in the jade stone world, and experts in the martial arts world...”

“Not only that, but the Liu family also focuses on martial arts. Liu Shihui is quite famous in the martial arts world of Chuzhou, and he is considered one of the best of the younger generation.”

After he heard Yao Qing’s words, not only was Qin Yu not worried at all, but he was even slightly excited.

“In that case... if I win against Liu Shihui, I will definitely become famous in Chuzhou,” Qin Yu muttered in a low voice.

Yao Qing was stunned. He didn’t expect Qin Yu to be unafraid at all!

Right now, Qin Yu urgently needed to become famous. This way, it would be more convenient for him to get in contact with people in the martial arts world.

This way, Qin Yu would be able to get the herbs faster.

“Have a good rest. I’ll bring you to South City in three days.” Qin Yu didn’t say anything more. He got up and walked out.

The surrounding spiritual energy was quite dense, so Qin Yu naturally wouldn’t miss it.

He sat by the river and closed his eyes slightly while absorbing the spiritual energy from nature.

...

The matter between Qin Yu and Liu Shihui soon spread.

The Liu family was afraid that the Yan family would blame them, so they deliberately created a commotion. They wanted everyone to know that Liu Shihui and Qin Yu were having a “friendly exchange and fair competition.”

Almost half of Chuzhou had heard about the incident between Qin Yu and Liu Shihui.

“Haha, I knew that someone would try to settle the account with Qin Yu once Miss Yan Left!”

“I didn’t expect the Liu family to act so quickly!”

“With the Liu family as the vanguard, Qin Yu is doomed!”

The news spread around quickly.

At this moment, Qin Yu wasn’t fazed at all.

He was sitting by the river while absorbing the surrounding spiritual energy.

For an entire day and night, the surrounding spiritual energy was almost completely absorbed, but he was still unable to break through to the Foundation Establishment Stage.

“It seems that breaking through to the next level is much harder than I imagined,” Qin Yu opened his eyes and murmured softly.

He clenched his fists and felt the abundant power in his body.

His power was at least several times stronger than before.

“I really don’t know what kind of strength a Foundation Establishment Stage cultivator will have.” Qin Yu began to look forward to it more and more.

“Excuse me, is Mr. Qin at home?” At this moment, someone suddenly shouted at the door of the villa.

Qin Yu looked over and saw a man standing at the door while looking around.

After walking all the way to the door, Qin Yu said somewhat suspiciously, “I’m Qin Yu. Who are you?”

The other party smiled and said, “Mr. Qin, there’s a package for you here. It’s from Jingdu.”

“Jingdu?” When he heard this, Qin Yu’s heart skipped a beat.

He hurriedly took the package and couldn’t wait to open it.

He saw that the package was filled with photos.

At a glance, he saw that there were at least a hundred of them.

And these photos were all of Yan Ruoxue and Qin Yu at the amusement park.

Looking at these photos, Qin Yu felt a mixture of happiness and sorrow.

In the photos, Yan Ruoxue’s smile was so warm and brilliant that he wanted to touch it.

Qin Yu caressed the photos, and a happy smile appeared on his face.

“Ruoxue, wait for me.” The look in Qin Yu’s eyes instantly became extremely determined!

After signing his signature, Qin Yu took the photos back to his room.

He asked Yao Qing to buy some glue, and then pasted the hundreds of photos on the wall.

The entire wall was covered with photos of the two of them.

Looking at these photos, Qin Yu instantly felt invigorated!

Time flew by.

In the blink of an eye, there was only one day left before the competition with Liu Shihui.

At this time, upper class blue blood from all walks of life in South City had gathered at the Liu family.

“Young Master Liu, who is Qin Yu? How dare he challenge you to a fight?” Someone asked.

Liu Shihui took a sip of tea, and coldness flashed in his eyes. Then he said, “He’s a b\*stard!”

When everyone heard this, their expressions couldn’t help but turn cold.

“Young Master Liu, could it be that Qin Yu is very powerful?” Another person asked.

Liu Shihui snorted lightly. “A few days ago, my subordinate, Mr. Fan, fought with him. It’s not even worth mentioning.”

Mr. Fan was referring to the old servant who was instantly killed by Yan Jiang.

Mr. Fan's strength was inferior to Liu Shihui's, so Liu Shihui was completely confident.

However, Liu Shihui didn't know that in these few days, Qin Yu's strength had improved by leaps and bounds.

"He dares to challenge Young Master Liu despite his little abilities? Young Master Liu, give me the word, and I'll go kill him!" Someone at the side shouted.

"Yes, we'll go deal with him. There's no need for Young Master Liu to personally make a move!"

Liu Shihui put down the teacup in his hand. He swept his gaze across the crowd and said nonchalantly, "Okay, but I have to remind you that he has a close relationship with Yan Ruoxue of the Yan family."

When they heard this, the crowd instantly quieted down.

"Who's going?" Liu Shihui swept his gaze across the crowd.

The crowd, who were still acting aggressive and indignant just now, immediately fell silent.

Liu Shihui pointed at a random person and said, "You go ahead."

"Ahem, um... Young Master Liu, I... I have something to do these few days. I can't... I can't go."

"Young Master Liu, I still have something to do at home. I have to go back quickly, so I'll take my leave first."

"Gee, my wife gave birth today. I forgot. Young Master Liu, I'll leave now.."

## Chapter 113: Su Yan's Cousin

Liu Shihui wasn't shocked by everyone's attitude.

He also knew that these people wouldn't take such a risk for the Liu family.

Everyone left one after another. Liu Shihui couldn't help but snort.

...

The next day, Qin Yu packed his things and prepared to rush to South City.

At this time, Yao Qing's body had basically recovered. However, his legs were still a little wobbly, and he was limping when he walked.

"Hey, Mr. Qin, it's time for us to buy a car." On the way to the station, Yao Qing couldn't help but mutter.

Qin Yu thought about it. It seemed that they did need to buy a car.

In the future, they would definitely go out more and more. It would be inconvenient to have a car.

"When we return this time, we'll go and buy one," Qin Yu said.

The two of them sat in the car heading to South City. On the way, Liu Shihui sent a message to Qin Yu. The content of the message was the address of the competition.

What surprised Qin Yu was that Liu Shihui chose a scenic area instead of an interior arena.

“It seems that Liu Shihui wants to make a big deal out of this so that the Yan family won’t hold him accountable,” Yao Qing muttered while looking at the phone.

Qin Yu snorted and said, “That’s what I want.”

Yao Qing scratched his head and said worriedly, “Mr. Qin, you have to be careful. Liu Shihui is different from ordinary people. His strength...”

“Don’t worry,” Qin Yu interrupted Yao Qing.

“It’s a piece of cake for me to beat him,” Qin Yu said indifferently.

Hearing this, Yao Qing didn’t say anything more, but he was still a bit worried.

After more than five hours, the car finally arrived at South City.

Qin Yu glanced at his phone and said, “Let’s take a taxi to the nearby area.”

Qin Yu couldn’t help but sigh. It was more convenient to have a car.

Then, Qin Yu and Yao Qing took a taxi on the roadside and rushed to their destination, the Water Dragon Cave.

This was a famous scenic spot in South City. It was supposedly spring all year round and countless people would come to soak in the hot spring every year.

“I advise you not to go to the Water Dragon Cave today,” the driver said while driving.

Qin Yu then asked, “Why?”

The driver said, “The Water Dragon Cave was requisitioned by the Liu family today. They’re going to compete with a man named Qin Yu. Even if you go there, you won’t be able to play.”

Qin Yu couldn’t help but frown.

This Liu family really liked to requisition public places.

Cheng Lei did so last time, and the competition this time was so as well.

“I didn’t expect that even the taxi driver knew about this.” Qin Yu said in a low voice.

“This matter has caused a stir in the city. It’s hard not to know about it,” the driver lamented.

“But then again, I really don’t know what Qin Yu is thinking. He actually dared to compete with Young Master Liu. He’s really crazy,” the driver continued to mutter.

Qin Yu smiled and said, “Since he dared to challenge Liu Shihui, he naturally has confidence.”

The driver glanced at Qin Yu and sneered. “You must be from out of town, right?”

Qin Yu nodded and said, “How do you know?”

The driver smiled and said, “Because the locals wouldn’t say such things. Who doesn’t know that Liu Shihui is a sly person?”

“Why do you say that?” Qin Yu asked with some puzzlement.

The driver explained, “As far as I know, over the years, Liu Shihui has arranged at least a dozen public tournaments, and each time, he won by a landslide. Do you know why?”

“I don’t know.” Qin Yu shook his head and gestured for the driver to continue.

The driver smiled and said, “Because Liu Shihui will always fight with people who are weaker than him. Liu Shihui acts very humble in front of those who are stronger than him, or those who have a more powerful background than the Liu family.”

Qin Yu couldn’t help but raise his eyebrows and suddenly understood.

“Moreover, out of everyone who fought with Liu Shihui, who ended up well? The best case scenario is the ICU, and the worst case scenario is the crematorium,” the driver muttered.

“Just wait and see. Qin Yu will definitely be dead meat.” The driver hummed a tune, as if he was used to it.

The car soon arrived at the Water Dragon Cave.

The driver didn’t turn around and leave. Instead, he found a parking spot and parked the car.

Yao Qing glanced at him and said, “Why aren’t you leaving yet?”

The driver smiled and said, “I like to watch the fun as well. Of course, I can’t miss such a big event.”

Seeing this, Qin Yu couldn’t help but smile and shake his head.

“Let’s go.” Qin Yu shook his head and said.

Then, the two of them walked towards the Water Dragon Cave.

The Water Dragon Cave scenic area occupied an extremely large area, and the most famous of them was the natural hot spring.

In front of them, there was an extremely large natural hot spring that was steaming hot.

It was said that the scenery here was the same in winter. One could hardly feel the cold all year round.

At this time, this place had been isolated. Seven to eight people were in charge of guarding it to prevent anyone from approaching.

Qin Yu and Yao Qing stood outside the isolation line and looked at the Water Dragon Cave in front of them.

“How strange.” Qin Yu frowned slightly and murmured in a low voice.

“Mr. Qin, what’s wrong?” Yao Qing asked.

Qin Yu pointed in the direction of the Water Dragon Cave and said, “I keep feeling that the water here isn’t quite normal. I can even feel a trace of spiritual energy from the hot air.”

“Spiritual energy?” Yao Qing was stunned. He had obviously never heard of this term before.

Qin Yu didn’t explain. He stared at the Water Dragon Cave and said in a low voice, “Could it be that there is something hidden under the water?”

“Gee, Qin Yu, it really is you.” At this moment, a voice suddenly came from behind Qin Yu.

After turning his head, Qin Yu saw a beautiful girl in her twenties standing behind him.

Beside her were three to four young men of similar age.

“Sun Ying?” Seeing this girl, Qin Yu couldn’t help but frown.

This girl was Su Yan’s cousin. She used to be Qin Yu’s sister-in-law, and she went to university in South City.

Back when Qin Yu was still in the Su family, Sun Ying had always looked down on Qin Yu. She ridiculed Qin Yu and even ordered him around like a servant.

He didn’t expect to meet her here today.

“Sun Ying, the person who is competing with Young Master Liu today is also called Qin Yu. It can’t be him, right?” A young girl beside Sun Ying asked with her eyes widened.

Sun Ying sneered. “How is that possible? Qin Yu is a good-for-nothing who only knows how to do laundry and cook. How can he be the same person as that Qin Yu?”

Upon hearing Sun Ying’s words, the people around couldn’t help but snicker.

“Why are you talking to Mr. Qin?” Yao Qing frowned and said with a bit of displeasure.

“Forget it.” Qin Yu waved his hand.

Qin Yu didn’t want to say anything to the people of the Su family.

“Qin Yu, why aren’t you serving my sister at home? Why did you come to South City?” Sun Ying said arrogantly.

“I have nothing to do with your sister.” Qin Yu glanced at her and said coldly.

Sun Ying suddenly understood and said, “Oh, I know.. Were you kicked out by my sister again?”

## Chapter 114: Why Don’ t I Know You?

Seeing that Qin Yu didn’t say anything, Sun Ying continued, “You must have been kicked out again. My sister probably didn’t give you any money, right?”

Qin Yu didn’t say anything.

When he was in the Su family, he would often be kicked out by Su Yan because of small matters, and she wouldn’t give him a single cent.

At that time, Qin Yu couldn’t figure out why Su Yan would fly into a rage when it was obviously a very small matter.

It was only later that Qin Yu figured out that it was to let Qin Yu make room so that she could have a chance to stay with Zhao Gang.

“Forget it. You’re quite pitiful too. Why don’t you join us?” Sun Ying muttered.

Qin Yu glanced at her and said, “No need.”

“Tsk tsk, are you embarrassed? How can you live without money? Don’t try to keep up appearances. Who are you pretending for?” Sun Ying snickered.

Qin Yu couldn't be bothered to argue with Sun Ying. All his thoughts were on the Water Dragon Cave.

"You came here today for Young Master Liu's martial arts competition, right?" Sun Ying continued to ask.

Qin Yu glanced at her and nodded. "That's right."

"Tsk tsk." Sun Ying couldn't help but twitch her lips.

"Both of you are called Qin Yu. Why is the difference so big?" Sun Ying snickered.

"Sun Ying, is this your friend?" At this moment, a graceful young man suddenly walked over from a short distance away.

Seeing this young man, Sun Ying and the others hurriedly went up to greet him.

"Mr. Long, you're here too." Sun Ying and the others shouted one after another.

The man who was called Mr. Long nodded slightly and said, "Yep, it's such a big matter. Of course, I want to watch the fun. Moreover, Young Master Liu and I are friends. Of course I can't miss it."

"Wow, you and Young Master Liu are friends?" When they heard this, the eyes of Sun Ying and the others immediately lit up.

"That's right. Young Master Liu and I have known each other for many years. We can be considered old friends." Mr. Long bragged.

"Wow, Mr. Long, you're too awesome!" Sun Ying said excitedly.

At this point, Sun Ying said with a smile, “Mr. Long, look, this place is sealed off. We’re not allowed to enter. Since you and Young Master Liu are friends, can you bring us in?”

“That’s right. That’s right. Mr. Long, standing here is too far away. We can’t see anything clearly!” Sun Ying’s classmate also shouted.

The man who was called Mr. Long frowned slightly.

In fact, Mr. Long and Young Master Liu couldn’t be considered familiar with each other. They had only attended the same dinner once. It was uncertain whether Liu Shihui remembered him or not.

But in front of so many people, Mr. Long still braced himself and said, “No problem. Young Master Liu and I are friends. I’ll just ask him.”

“Wow, that’s great!” Sun Ying and the others shouted excitedly.

Qin Yu glanced at him and didn’t say anything.

Qin Yu never had a good impression of rich playboys.

“Hey, it’s probably going to start in a little more than an hour, right?” Sun Ying’s classmate, Chen Xin, said.

“I wonder who Qin Yu is. He actually dares to challenge Young Master Liu.”

“Yeah, he’s really too big for his britches.”

Everyone discussed animatedly. At this time, Mr. Long said nonchalantly, “Qin Yu’s background isn’t simple. As far as I know, he’s from a prominent family in Jingdu.”

“A prominent family in Jingdu?” When he heard this, Sun Ying and Chen Xin were somewhat surprised.

Mr. Long nodded and said nonchalantly, “That’s right, and it’s a very powerful family.”

“No wonder he dared to challenge Young Master Liu.” Sun Ying came to a realization.

“Hmph, what’s the use of having a powerful background? A martial arts competition isn’t a competition of family backgrounds.” Chen Xin snickered.

Mr. Long smiled and said, “As far as I know, Qin Yu is quite strong.”

When he heard this, even Qin Yu couldn’t help but turn around and look over.

Mr. Long said nonchalantly, “To tell you the truth, Qin Yu and I also have quite a good relationship.”

“Wow, Mr. Long, you’re too awesome! You actually know Qin Yu!” Sun Ying’s mouth was agape, and her big eyes were full of admiration.

Mr. Long nodded slightly and said, “That’s right. We’ve eaten and drank together.”

“As expected of Mr. Long! You know so many important people!” Chen Xin gave him a thumbs up.

Mr. Long said with a smile, “It’s nothing. It’s just because of the business dealings of my family. It’s not worth mentioning.”

As he listened to Mr. Long bragging, Qin Yu couldn’t bear it anymore.

He walked up to Mr. Long and said with a nonchalant smile, “You said you know Qin Yu?”

Mr. Long glanced at Qin Yu and said nonchalantly, “Of course, and he’s tight with me.”

Qin Yu sneered and said, “Then why don’t I know you?”

## Chapter 115: Just a Nobody

Hearing Qin Yu’s words, Mr. Long couldn’t help but frown.

“Who are you?” Mr. Long said with a cold expression.

“I’m Qin Yu. Don’t you know me?” Qin Yu snorted coldly.

“Enough, Qin Yu. Stop fooling around. The Qin Yu that Mr. Long is talking about isn’t you, Qin Yu!” Sun Ying rolled her eyes.

Mr. Long turned to Sun Ying and said, “Sun Ying, who is this person?”

Sun Ying said somewhat reluctantly, “My cousin’s husband is also called Qin Yu. He’s just a good-for-nothing son-in-law.”

When Mr. Long heard this, he couldn’t help but burst into laughter.

“Kid, I really don’t know you!” Mr. Long said with some amusement.

“I don’t know a loser like you.” At the end, Mr. Long added another sentence.

Qin Yu couldn’t help but sneer. “At least I’m better than someone like you, who only knows how to brag.”

“I’m bragging? Kid, do you want to get beaten?!” Mr. Long instantly flew into a rage and walked in front of Qin Yu!

Yao Qing immediately took a step forward and looked at Mr. Long coldly.

“If you want to fight, I’ll accompany you,” Yao Qing said coldly.

Mr. Long sized up Yao Qing and couldn’t help but sneer. “Why is a cripple acting all high and mighty? I don’t bully disabled people.”

“Mr. Long, forget it. He’s my brother-in-law after all. Stop fooling around.” Sun Ying saw the situation and hurriedly stopped him.

Mr. Long glanced at Sun Ying and said with a cold expression, “After he dared to talk to me like that, how can I just let it go?”

Sun Ying’s expression was a bit ugly. She quickly walked over and pulled Qin Yu while saying, “Qin Yu, Mr. Long is from a powerful family. Quickly apologize to him!”

“Apologize to him? Is he worthy of it?” Qin Yu couldn’t help but sneer.

“Qin Yu!” Sun Ying’s expression instantly turned ashen!

Mr. Long’s expression was dark as he said, “Kid, you’re really arrogant to the extreme! I have to teach you a lesson today!”

After saying that, Mr. Long clenched his fists and walked towards Qin Yu.

At this time, Sun Ying held Mr. Long back firmly.

She said with some pleading, “Mr. Long, just let it go for my sake, okay?”

Mr. Long looked at Sun Ying’s figure, and a crafty look flashed across his face.

“Okay, I won’t lower myself to his level for your sake,” Mr. Long said indifferently.

Sun Ying quickly said, “Thank you, Mr. Long!”

Mr. Long snorted and didn’t say anything else.

Then, Sun Ying quickly walked to Qin Yu and said with some anger, “Qin Yu, this isn’t Jiangcheng. It’s South City! You’d better not cause trouble, or else I won’t be able to explain to my sister!”

“Your sister and I have nothing to do with each other. You don’t need to account to anyone,” Qin Yu said indifferently.

Sun Ying didn’t know that Qin Yu and Su Yan had divorced. She thought that Qin Yu was just saying so in anger again, so she waved her hand and said, “Forget it. I can’t be bothered to care about your business. Just don’t cause trouble for me.”

After saying that, Sun Ying turned her head and walked to the side.

After she left, Yao Qing couldn’t help but say, “Mr. Qin, why don’t you let me teach Jiang Long a lesson?”

Qin Yu smiled and said, “There’s no need to lower yourself to his level.”

Yao Qing could only nod his head.

Qin Yu looked at the Water Dragon Cave.

He tried to release his internal qi to feel the hot air coming out of the Water Dragon Cave.

As expected, a faint spiritual energy surged into Qin Yu’s body.

Although it was very thin, it was enough to prove that there was definitely something in the Water Dragon Cave.

“Just from the heat alone, I can feel the spiritual energy in it. I wonder what is in the water,” Qin Yu thought to himself.

When the competition was over, he must go in and take a look.

As time went by, more and more tourists came to this area.

Although the Water Dragon Cave was sealed off, there were still many people watching outside the quarantine line.

Soon, it was past seven o'clock in the evening.

The sky gradually darkened, and lights were lit up near the Water Dragon Cave.

At this moment, commotion suddenly came from the crowd a short distance away.

“Young Master Liu is here!” Someone shouted.

When everyone heard this, they immediately looked in the direction of the sound!

Sun Ying and the others beside them also looked in that direction.

“Mr. Long, Young Master Liu is here!” Chen Xin reminded from the side.

Mr. Long said indifferently, “I know. I'll greet him later and bring you in.”

“Thank you, Mr. Long!” Sun Ying and Chen Xin shouted.

“However, he can't go in.” At this time, Mr. Long pointed at Qin Yu.

Qin Yu glanced at him and sneered. “I don't need you to bring me in.”

“That’s good.” Mr. Long snorted.

As he spoke, Young Master Liu was already walking toward the direction of the Water Dragon Cave while surrounded by the crowd.

He was getting closer and closer to Qin Yu and the others. Mr. Long took this opportunity and walked forward quickly.

“Young Master Liu!” Mr. Long walked quickly to Young Master Liu and bowed.

Liu Shihui looked at Jiang Long and frowned. “You are?”

“I’m Jiang Song’s son, Jiang Long. We ate together!” Jiang Long said quickly.

Liu Shihui frowned and thought for a moment. Then he nodded and said, “I remember. There seemed to be such a person.”

Hearing this, Jiang Long suddenly looked at Sun Ying and the others with pride, as if he was showing off.

Then, Jiang Long continued, “Young Master Liu, the Water Dragon Cave is already isolated. It’s too far away. My friends can’t see it. Can you let us go in to watch for my sake?”

Liu Shihui frowned slightly and immediately looked at Jiang Long coldly.

“For your sake?” Liu Shihui narrowed his eyes and said.

As soon as he finished speaking, Liu Shihui suddenly raised his hand and slapped Jiang Long’s face!

“Who do you think you are? How dare you ask for a favor from me? In my eyes, your father is just a nobody. Who do you think you are?” Liu Shihui berated coldly.

Jiang Long covered his face and stood there looking extremely embarrassed.

“Get lost!” Liu Shihui’s henchman shouted.

Jiang Long looked at Liu Shihui awkwardly and ran back dejectedly.

Sun Ying and the others were even more dumbfounded. There was a hint of disdain in their eyes.

“My father and the Liu family might have had a conflict,” Jiang Long braced himself and explained.

“It’s not a conflict, is it? I heard him clearly. He said that your father is a nobody,” Qin Yu said indifferently from the side.

When he heard this, Jiang Long’s face flushed again.

He was a little embarrassed and angry as he scolded, “So what? He’s still much more superior than a loser like you!”

Qin Yu snorted lightly and couldn’t be bothered with him.

At this moment, Liu Shihui walked towards Qin Yu.

“Young Master Liu is coming!” Chen Xin hurriedly shouted.

Jiang Long was stunned, and then he immediately felt lucky.

Could it be that Young Master Liu had changed his mind?

“See, Young Master Liu must be here to invite us in!” Jiang Long patted his chest and said..

## Chapter 116: You Want to Kill Me?

Liu Shihui got closer and closer to the crowd and soon arrived beside Jiang Long.

Jiang Long eagerly walked forward. Just as he was about to greet him, Liu Shihui directly walked past Jiang Long and arrived in front of Qin Yu.

“Qin Yu, you really dared to come,” Liu Shihui said coldly.

Qin Yu smiled nonchalantly and said, “I’m still waiting for you to apologize to my friend.”

“Hahahaha!” Liu Shihui couldn’t help but burst into laughter.

“I admire your courage to face death with resignation,” Liu Shihui said with a sneer.

“I don’t want to argue with you,” Qin Yu said coldly.

Liu Shihui nodded. He leaned towards Qin Yu’s ear and whispered, “You should feel honored to have such a big fuss made over a nobody like you.”

After saying that, Liu Shihui patted Qin Yu’s shoulder and strode into the Water Dragon Cave.

At this moment, Sun Ying, Jiang Long, and the others were all dumbfounded.

This Qin Yu was really the Qin Yu who was competing with Liu Shihui ?

“How is this possible...” Sun Ying swallowed hard, and her eyes were filled with disbelief.

Wasn't Qin Yu a good-for-nothing who only knew how to do laundry and cook? How did he become someone who challenged Liu Shihui in the blink of an eye?

Jiang Long, who was a short distance away, was even more embarrassed. He wished he could find a hole to hide in.

“Sun Ying, your brother-in-law is quite amazing!” Chen Xin's eyes couldn't help but light up as she said with some excitement.

Sun Ying was still in shock and didn't come back to her senses for a while.

“Oh right, Liu Shihui, those are my friends. Let them come in together,” Qin Yu, who had walked to the entrance of the Water Dragon Cave, suddenly shouted.

Liu Shihui turned around and glanced at him. He waved his hand and said, “Do whatever you want. As long as you're not afraid of embarrassing yourself in front of your friends.”

Qin Yu turned his head to look at Sun Ying and said, “Come in.”

Chen Xin shouted excitedly, “Sun Ying, did you hear that? Your brother-in-law wants us to go in!”

After saying that, Chen Xin pulled Sun Ying and walked into the Water Dragon Cave.

“Oh right, except you.” Qin Yu pointed at Jiang Long and said.

Jiang Long's expression changed, and he couldn't help but curse inside, "Arrogant \*sshole, I looked forward to seeing Young Master Liu kill you!"

Everyone strode into the Water Dragon Cave, and the separation line was pulled up again.

At this time, there was still nearly an hour before the official martial arts competition, so Qin Yu and Liu Shihui weren't in a hurry.

"Qin Yu, you... When did you become someone with a powerful background in Jingdu?" Sun Ying couldn't help but ask.

Qin Yu glanced at her and said, "That was just Jiang Long bragging."

"Big shots always keep a low profile!" But at this moment, Sun Ying and Chen Xin already believed that Qin Yu had a powerful background. No matter what Qin Yu said, they wouldn't believe it.

Qin Yu didn't bother to explain to them. Instead, he walked to the Water Dragon Cave hot spring and squatted down.

He reached out his hand to scoop a small handful of water from the hot spring and drank it. Then, he exclaimed, "It's just as I guessed!"

The hot spring was filled with spiritual energy. Although it wasn't rich enough, it was enough to prove Qin Yu's idea!

"This is probably the reason why the Water Dragon Cave is famous." Qin Yu stood up while feeling a little excited.

There were more and more people at the scene. Yao Qing kept looking around.

Most of the famous people in South City were invited in. Other than that, some big shots in the martial arts world of Chuzhou were also invited.

“I didn’t expect him to come.” At this moment, Yao Qing looked at a young man at the door and said.

Qin Yu looked over and asked casually, “Who is he?”

Yao Qing quickly replied, “Wei Ming, from the provincial capital. He is known as one of the top three young men in the martial arts world of the provincial capital. He was good friends with Shen Tian.”

Qin Yu sized up Wei Ming, rubbed his chin and muttered, “Top three? How does he compare to Liu Shihui?”

“This... I don’t know either, but I think Wei Ming should be better,” Yao Qing said.

Qin Yu nodded and didn’t say anything more.

Other than these people, there were also people from all walks of life in South City.

Among them were the gangsters in the underground world of South City, big shots in the business world, big shots in the literary and art world, and so on.

Most of these people stood beside Liu Shihui and chatted enthusiastically with him.

“Young Master Liu, I’ll leave this kid to you.” Wei Ming sat beside Liu Shihui and said with a smile.

Liu Shihui said with a smile, “Wei Ming, treat it as revenge for you, haha!”

“Then thank you very much, Young Master Liu.” Wei Ming said with a nonchalant smile.

After saying that, Wei Ming looked coldly at Qin Yu.

Qin Yu, who was standing a short distance away, quickly felt a murderous aura approaching him!

Qin Yu frowned slightly and immediately looked at Wei Ming.

“Mr. Qin, Wei Ming is very hostile towards you. You’d better be careful.”

Yao Qing also perceived this murderous aura.

Qin Yu ignored Yao Qing’s words and looked coldly at Wei Ming.

In the next second, Qin Yu actually took the initiative to walk towards Wei Ming!

“Mr. Qin!” Seeing this, Yao Qing hurriedly followed.

Very soon, Qin Yu came to Wei Ming’s side directly.

Qin Yu’s arrival immediately attracted countless gazes.

All the celebrities present couldn’t help but look over.

“He’s Qin Yu? He looks ordinary.”

“I heard that he’s a gigolo taken care of by the heiress of the Yan family.”

“No wonder. With the Yan family around, he does have the right to be arrogant.”

Wei Ming sized up Qin Yu from head to toe. Then, he suddenly looked at Yao Qing.

“Aren’t you the lackey by Shen Tian’s side? What? You betrayed him just like that?” Wei Ming said with some amusement.

Yao Qing gritted his teeth and said, "Mr. Wei, you misunderstood. I..."

"There's no need to explain," Wei Ming interrupted Yao Qing.

"No one cares where a lap dog goes anyway," Wei Ming said indifferently.

Yao Qing's expression changed, and he couldn't help but clench his fists.

He had been in the Shen family for many years and had never been treated as a human. This was the truth.

"You and Shen Tian are friends?" At this moment, Qin Yu spoke.

Wei Ming looked at Qin Yu coldly and said, "Since you know, you still dared to come and find me?"

Qin Yu narrowed his eyes and said, "You want to kill me?"

Wei Ming was stunned. He never thought that Qin Yu would ask such a question!

"Do you want to kill me?" Qin Yu repeated.

Wei Ming snorted coldly and said, "That's right. It's because of you that Shen Tian died!"

"Oh." Qin Yu nodded.

Then, Qin Yu pointed to Liu Shihui and said indifferently, "In that case, the two of you can attack together."

When he said this, everyone was shocked!

Qin Yu was a bit too arrogant!

One had to know that these two were both top-notch in the martial arts world of Chuzhou! No one dared to say such a thing!

Liu Shihui even laughed out loud.

“Qin Yu, I can sense that your strength has increased, but you are only at the ninth stage of Inner Strength.” Liu Shihui sneered.

“You’re merely at the ninth stage of Inner Strength, but you dare to be so arrogant? I will kill you as easily as squashing an ant!” Wei Ming said coldly..

## Chapter 117: Raise the Stakes

The two of them sneered and didn’t take Qin Yu seriously at all.

Qin Yu nodded and said, “I gave you a chance. If you want to take revenge for Shen Tian, I’ll wait for you at any time.”

After saying that, Qin Yu turned around and left.

“Stop!” At this time, Wei Ming shouted out loud.

He looked at Qin Yu coldly and said, “You came to provoke me and then want to leave just like that?”

Qin Yu smiled and said, “Then what else do you want?”

Wei Ming snorted coldly and said, “Stop masquerading as a hero when you’re just hiding behind a woman. I want to know how capable you are!”

As soon as he said that, Qin Yu felt a strong sense of internal qi pressing toward him!

In an instant, Qin Yu felt as if two mountains were pressing down on his shoulders!

Wei Ming looked at Qin Yu and sneered. The internal qi of his body became stronger and stronger. He wanted to show Qin Yu his might.

Qin Yu, who was standing in front of him, frowned slightly.

At this moment, his body suddenly shook slightly, and a terrifying force immediately rushed towards Wei Ming!

“Bang!”

Wei Ming immediately took a few steps back and almost fell to the ground!

This shocked Wei Ming immensely. All of his internal qi was easily dissolved by Qin Yu!

“What’s wrong?” Liu Shihui frowned and asked.

Wei Ming’s expression became a bit solemn, but he didn’t say anything for a long time.

“If you want to find trouble, I’ll wait for you,” Qin Yu looked at Wei Ming and said coldly.

After saying this, Qin Yu turned around and left.

Yao Qing, who was watching from the side, was terrified.

He followed behind Qin Yu with his forehead dripping with cold sweat.

After walking a distance away, Yao Qing wiped his sweat and said, “Mr. Qin, Liu Shihui alone is hard enough to deal with. Why do you still want to provoke Wei Ming...”

Qin Yu stopped in his tracks.

He turned around and looked at Yao Qing. He shook his head and said, “I don’t know why, but when I face these two people, I feel that they’re no threat.”

This feeling was very strange. As Inner Strength Master Hands, they were supposed to be stronger than Qin Yu.

But when Qin Yu stood in front of these two people, he felt that he could easily crush them to death.

A short distance away, Wei Ming’s expression was extremely unsightly.

He suddenly had a bad premonition inside.

“Wei Ming, what’s wrong?” Liu Shihui asked in puzzlement.

Wei Ming took a deep breath. He stared at Liu Shihui and said with a grave expression, “Young Master Liu, you have to be careful later. I’m afraid Qin Yu isn’t as simple as he seems.”

Liu Shihui was stunned for a moment before he laughed out loud.

“Wei Ming, don’t joke around. He’s only at the ninth stage of Inner Strength. He’s nothing compared to you and me! I can easily kill him!” Liu Shihui didn’t take Wei Ming’s words to heart at all.

Wei Ming wanted to say something else, but he was interrupted by Liu Shihui with a wave of his hand.

“Wei Ming, just wait and see how I will avenge you.” Liu Shihui sneered.

Wei Ming didn’t say anything more.

“Maybe it’s just an illusion,” Wei Ming comforted himself inside.

Time flew by quickly. Liu Shihui didn’t treat Qin Yu as an opponent at all, so he just sat there eating, drinking, and having fun.

Qin Yu also didn’t take Liu Shihui seriously. All his thoughts were on the Water Dragon Cave.

In this short period of time, Qin Yu circled the Water Dragon Cave several times.

“The martial arts competition is about to start. Why do you keep circling around?” Sun Ying couldn’t help but grumble.

Qin Yu didn’t pay attention to her. His eyes were still staring at the Water Dragon Cave.

“Whose property is this Water Dragon Cave?” Qin Yu frowned and asked.

Sun Ying froze, then muttered, “How would I know? Besides, are you still in the mood to ask these questions in this life and death situation? Hurry up and think of a countermeasure.”

“It seems to be the Liu family’s.” At this time, Chen Xin suddenly muttered.

“The Liu family’s?” Qin Yu looked at Chen Xin and continued, “Are you sure?”

Chen Xin held her chin and pondered for a moment. Then, she clapped her hands and said, “Yes, it’s the Liu family’s property! I’ve seen it on the news before!”

Hearing this, Qin Yu narrowed his eyes slightly.

He looked at the Water Dragon Cave and said in a low voice, “We have to think of a way to get the Water Dragon Cave from him.”

“Okay, time’s up!”

At this moment, Liu Shihui suddenly shouted from a short distance away!

With his shout, the scene also quieted down.

Almost everyone’s eyes were on Liu Shihui.

“Qin Yu, you’re dead meat.” Liu Shihui grinned and said.

Qin Yu didn’t say anything and walked directly in Liu Shihui’s direction.

“Mr. Qin, be careful!” Yao Qing shouted with a worried look on his face.

The two of them soon arrived at the center of the Water Dragon Cave. In an instant, a strong light shone on the two of them.

Liu Shihui looked down on them and said coldly, “Kid, it’s not too late for you to backtrack now.”

Qin Yu grinned and said, “It’s too late for you to regret.”

Liu Shihui narrowed his eyes and sneered. “You’re the most arrogant person I’ve ever seen!”

“Young Master Liu, let’s end this quickly. I’ve even prepared a celebration banquet for you!” Someone shouted from the stands.

Liu Shihui looked in that direction and then sneered. “Qin Yu, you heard that, right? In order not to waste time, I’ve decided to end this quickly!”

After saying that, the internal qi on Liu Shihui's body suddenly soared! In an instant, it was raised to the limit!

A terrifying qi force was pressing towards Qin Yu!

“This is the strength of an Inner Strength Master Hands!” Liu Shihui looked at Qin Yu with a smug expression, as if he wanted to see fear and terror on Qin Yu's face.

However, Qin Yu's expression was calm. Not only did he have no reaction, but he even wanted to laugh.

“It seems like what I predicted.” Qin Yu took a deep breath.

“Inner strength and spiritual power... They are indeed not on the same level. The so-called Inner Strength Master Hands are pitifully weak.” Qin Yu muttered in a low voice.

“I'll let you make the first move.” Liu Shihui beckoned Qin Yu with his finger.

“Wait.” At this moment, Qin Yu suddenly said.

Liu shihui sneered. “What, are you afraid?”

Qin Yu shook his head and said, “No, I want to raise the stakes.”

“Oh really?” Liu Shihui seemed to be quite interested.

Qin Yu said, “If you win, I will return you a stalk of Chinese knotweed and give you a stalk of herbs with similar herbal properties.”

“Oh really? Are you serious?” Liu Shihui's eyes immediately lit up.

In his opinion, Qin Yu's backer was the Yan family! He definitely didn't lack herbs!

If he could get one more, it would undoubtedly be a blessing for Liu Shihui!

“If I win, you will kneel down and apologize to Yao Qing, and give me a hundred-year-old herb king. Besides that, I also want something else,” Qin Yu said in a sullen voice.

Liu Shihui raised his eyebrows and said, “Say it. I won’t lose anyway.”

Qin Yu pointed at the Water Dragon Cave and said, “Give this place to me.”

Liu Shihui frowned. The Water Dragon Cave provided a lot of income for the Liu family every year. He was really unwilling to give it away just like that.

However, Liu Shihui thought about it again and couldn’t help but laugh.

“Okay.” Liu Shihui nodded. In his opinion, he wouldn’t lose at all. Qin Yu was just giving him free herbs..

## Chapter 118: The Tyrannical Liu Shihui

Hearing Liu Shihui agree, Qin Yu smirked.

“Young Master Liu, you won’t go back on your words in front of so many people, right?” Qin Yu said with a smile.

Liu Shihui sneered and said, “I, Liu Shihui, am a man of my word! But you... you don’t actually think you can win, do you?”

Qin Yu didn’t say anything more. He stood there and beckoned Liu Shihui.

Liu Shihui's expression turned cold as he said coldly, "I'll teach you a good lesson right now, you insolent b\*stard!"

With that said, Liu Shihui clenched his fist and instantly appeared in front of Qin Yu!

"How fast!" The surrounding people couldn't help but exclaim!

"As expected of Young Master Liu. I didn't even see this punch clearly!"

"He's too fast. He's really too fast!"

Sun Ying, Yao Qing, and the others' expressions also changed. This was because the strength that Liu Shihui displayed was beyond their understanding!

Everyone was shocked, but only Qin Yu's expression was calm.

He didn't dodge. He clenched his fist and faced it head-on!

"You dare to exchange punches with me? You're courting death!" An unhinged look flashed in Liu Shihui's eyes!

He roared again and again, and their two fists collided with each other!

In an instant, a huge force rippled between the two fists!

With a loud bang, Liu Shihui actually took three steps back!

On the other hand, Qin Yu stood where he was without moving at all!

"Just as I guessed." Qin Yu thought inside.

The so-called Inner Strength Master Hand wasn't worth mentioning at all!

“How is that possible?!” Liu Shihui’s expression was a bit ugly. Although he didn’t use his full strength in this punch, it was impossible for it to be repelled by someone at his level!

The venue was even more silent. No one dared to believe this scene.

“Young Master Liu is actually... at a disadvantage?”

“That guy called Qin Yu... is quite capable.”

The crowd discussed animatedly. This undoubtedly made Liu Shihui furious!

“Looks like I underestimated you.” Liu Shihui looked at Qin Yu coldly and said.

Qin Yu didn’t say anything. He only looked at Liu Shihui with amusement.

Liu Shihui shouted angrily, “It’s a pity that I only used 50% of my strength just now! And now... I want to kill you quickly!”

After saying that, Liu Shihui charged towards Qin Yu once again.

His speed was practically unrivaled. His punches were unbelievably quick and powerful!

Meanwhile, Qin Yu had his hands behind his back. His agile figure easily dodged every punch from Liu Shihui!

After more than ten punches, Liu Shihui still couldn’t touch Qin Yu!

“How is this possible?!” Liu Shihui couldn’t help but feel a little anxious inside.

He clearly saw with his own eyes that Qin Yu was easily beaten up by the old servant. How could he improve so much in just three days?!

“That’s all you’ve got?” Qin Yu sneered.

Liu Shihui panted heavily. He gritted his teeth and said, “You only know how to hide! All you do is hide behind a woman, and now you want to continue hiding, right?!”

Qin Yu raised his eyebrows and sneered. “If I fight back, I’m afraid you will never have the chance to attack again.”

“You’re too arrogant!” Liu Shihui roared again and again! He had never suffered such humiliation!

With a roar, he immediately launched a second round of attacks!

Under the support of his Inner Strength, his physical strength was practically boundless. Even after dozens of punches, he still didn’t feel tired!

Qin Yu stepped back while sizing up the Inner Strength displayed by Liu Shihui.

Unlike ordinary punches, Liu Shihui’s entire body was enveloped by the Inner Strength.

This not only reduced the consumption of his physical strength, but also ensured that his body wouldn’t be easily injured.

“So this is how Inner Strength is used.” Qin Yu seemed to have understood something.

He roared angrily and instantly released the spiritual power in his body!

The surging spiritual power quickly wrapped around Qin Yu, and in an instant, Qin Yu felt his body become even lighter!

“So this is how you use it.” Qin Yu couldn’t help but feel a little pleasantly surprised.

“You’re courting death!” Liu Shihui, who wasn’t far away, roared loudly and fiercely threw a punch towards Qin Yu’s face!

This time, Qin Yu didn’t dodge, and allowed his fist to punch him!

“Bang!” A loud sound was heard! The fist smashed onto Qin Yu’s face!

“Mr. Qin!” Yao Qing couldn’t help but roar!

He stared at Qin Yu with worry.

Liu Shihui, on the other hand, laughed out loud.

“Qin Yu, do you see this? This is the power of an Inner Strength Master Hand!” Liu Shihui said proudly.

“Inner Strength Master Hand... is this all you have? I’m a little disappointed.” At this moment, Qin Yu’s voice came from behind.

Liu Shihui’s expression changed. He hurriedly turned around and saw Qin Yu standing unharmed on the spot! A calm smile was on his face!

“How... how is this possible?!”

This time, Liu Shihui wasn’t the only one who was shocked! Wei Ming and the others on the spectator stand were also dumbfounded!

Liu Shihui’s fist... couldn’t hurt Qin Yu?

Qin Yu wiped the dust off his face and sneered. “It’s my turn now.”

As soon as he finished speaking, Qin Yu arrived in front of Liu Shihui!

Before Liu Shihui could even react, his lower abdomen was punched by Qin Yu's fist!

The intense pain made him instantly cower into fetal position, and a mouthful of fresh blood suddenly spurted out of his mouth!

Qin Yu didn't stop there. He hit Liu Shihui's back with his elbow!

“Ah! !”

It was extremely painful!

Liu Shihui only felt extreme pain! The Inner Strength wrapped around him seemed to have been directly smashed through! His body fell to the ground with a bang!

Everyone couldn't help but gape at this scene.

He... was completely on a different level! Liu Shihui was basically being beaten up!

Qin Yu looked at Liu Shihui coldly and said, “Liu Shihui, it's over. It's time for you to fulfill your promise.”

After saying this, Qin Yu turned around and looked at Yao Qing, who wasn't far away.

“I haven't lost yet!” Liu Shihui shouted and actually stood up from the ground again!

He opened his palm, and a faint light actually appeared in his palm.

This light was like a dagger, and traces of a dangerous internal qi spread out instantly!

“What’s going on? Why is Young Master Liu’s hand flashing?”

“Is it a special effect? D\*mn, this is the first time I’ve seen a special effect on the spot!”

“He looks so cool! Young Master Liu, you can do it!”

The crowd clamored. They didn’t understand the situation, and thought that Liu Shihui had used some special effect.

Yet the many martial arts experts on the guest stand were all shocked!

“Young Master Liu is really a genius. He can actually release Inner Strength.” Someone exclaimed.

“Yeah, even I didn’t realize that Young Master Liu had mastered it so skillfully at such a young age.”

“I’m afraid Qin Yu is going to be in trouble. However, it’s already very impressive for him to hold his own against Young Master Liu.”

The crowd discussed animatedly. They were all shocked by Liu Shihui’s skills.

Wei Ming was silent. It was very difficult for an Inner Strength Master Hand to release his Inner Strength. It was indeed shocking that Liu Shihui was able to do it.

“Liu Shihui has actually reached such a level...” The worry on Yao Qing’s face became even more intense..

## **Chapter 119: The Distraught Liu Shihui!**

Everyone looked at Liu Shihui with astonished expressions, while Liu Shihui’s face was full of madness!

“I really didn’t expect that you could actually force me to this extent!” Liu Shihui clenched his teeth and said.

“I don’t care what you have experienced in the past three days, but with this move, you will definitely die!” Liu Shihui raised his head and laughed loudly.

Qin Yu looked at the knife in Liu Shihui’s hand and was a little surprised.

He asked in surprise, “What is this thing?”

Liu Shihui sneered. “This is called Inner Strength release! I condensed my Inner Strength into the palm of my hand and turned it into the shape of a knife to use as my weapon!”

“It’s very rare to be able to do this at the level of an Inner Strength Master Hands! This is condensed from pure Inner Strength, and its power is beyond your imagination!”

Hearing Liu Shihui’s words, Qin Yu couldn’t help but come to a realization.

“Condensing Inner Strength in the palm of your hand? So that’s a thing...” Qin Yu murmured in a low voice.

Liu Shihui sneered. “I know it’s hard for you to understand, but it’s okay. For a nobody like you, this is indeed beyond your imagination. After all...”

Before Liu Shihui could finish his words, his expression suddenly changed!

It was because in Qin Yu’s hand, a jade-green broadsword actually condensed!

This broadsword flickered with light, and was several times bigger than the knife in Liu Shihui's hand!

"Is that so?" Qin Yu shook the broadsword in his hand and muttered.

"This... how the f \* ck is this possible?!" Liu Shihui was filled with frustration!

He had been learning this move for several years before he successfully comprehended it. He didn't expect Qin Yu to condense a broadsword that was far better than him in the blink of an eye!

What kind of freak was Qin Yu?!

The mouths of the audience on the spectator stand were agape! They couldn't believe that such a freak had been in Jiangcheng all this time!

"This is quite simple," Qin Yu muttered.

"But speaking of which, I really have to thank you, Liu Shihui. If you didn't remind me, I really wouldn't know that spiritual power could be used in this way." Qin Yu looked at Liu Shihui and sneered.

"Mr. Qin... is indeed a genius..." Below the stage, Yao Qing couldn't help but swallow hard.

Wei Ming also had a solemn expression. He shook his head and said in a low voice, "As someone highly regarded by the Yan family, he indeed isn't that simple."

Liu Shihui said angrily, "Impossible, this is absolutely fake, absolutely fake!"

Qin Yu sneered and said, "Whether it's real or fake, you'll know after you try it."

After saying that, Qin Yu walked towards Liu Shihui step by step.

Liu Shihui was filled with mixed feelings.

Anger, unwillingness, and doubt interweaved with each other and he was on the verge of a mental breakdown.

“Impossible, Qin Yu, this is fake!” Liu Shihui seemed to have gone mad as he rushed towards Qin Yu!

He waved the small knife in his hand and fiercely stabbed it towards Qin Yu!

However, in front of Qin Yu’s big spiritual knife, this knife was pitifully small.

Qin Yu only waved his hand lightly, and Liu Shihui’s body was sent flying before fiercely slamming into the wall!

“Phew!”

A mouthful of blood was spat out from his mouth, and the Inner Strength knife in his hand also disappeared!

“How can there be such a person in the world...” Liu Shihui’s eyes were widened. He really wanted to stand up, but he couldn’t!

“Young Master Liu... actually lost...” The astonished onlookers murmured in a low voice of disbelief!

“Sun Ying, your brother-in-law is so powerful, yet you say he’s a gigolo. You’re lying!” Chen Xin also shook Sun Ying’s arm excitedly.

Sun Ying didn’t know what to say. The Qin Yu today wasn’t the same person as the Qin Yu in her memory!

Qin Yu walked towards Liu Shihui step by step.

He looked at the struggling Liu Shihui, and there was no pity in his heart at all.

Those who bullied others would eventually get payback.

Moreover, currently, Qin Yu was no longer the wishy-washy and indecisive Qin Yu.

“Liu Shihui, you lost,” Qin Yu said coldly.

Liu Shihui gritted his teeth and said angrily, “Qin Yu, you deserve to die...”

Qin Yu said coldly, “According to the agreement, you should kneel down and apologize to my friend.”

After saying that, Qin Yu looked in the direction of Yao Qing and shouted, “Yao Qing!”

Yao Qing walked in front of Qin Yu with some embarrassment and said in a low voice, “Mr. Qin, why don’t we forget about it...”

“Forget about it?” Anger flashed across Qin Yu’s face.

“What? Are you afraid of people with a higher status than you? If that’s the case, don’t stay by my side. I don’t need people who bully the weak and fear the strong!” Qin Yu shouted!

Yao Qing’s expression immediately turned ugly.

He gritted his teeth and bowed. “Mr. Qin, I was wrong.”

Liu Shihui struggled to get up from the ground. He grinned and said, "He's just a lap dog. How dare he ask me to apologize... ask him if he deserves it!"

"Slap!"

Just as Liu Shihui finished speaking, Qin Yu directly slapped him on the face.

"Kneel down," Qin Yu said coldly.

Liu Shihui couldn't help but be stunned, and then he said angrily, "You dared to slap my face? Qin Yu, are you f \* cking crazy!"

"Slap!"

Qin Yu didn't say anything and slapped his face again.

"Kneel down for me!" Qin Yu shouted angrily.

"F \* ck you!" Liu Shihui shouted angrily!

Qin Yu didn't say anything and slapped his face again!

"If you don't kneel, I will beat you until you kneel today!" Qin Yu said coldly.

One slap, two slaps, three slaps...

A series of "slap" sounds came from the scene, and Liu Shihui's face was swollen!

When everyone saw this scene, they felt that it was somewhat surreal.

Liu Shihui, who had always been high and mighty... was actually slapped in front of everyone?

“Brat, let go of Young Master Liu quickly!” At this moment, Liu Shihui’s henchman suddenly shouted angrily. He leaped up from the spectator stand and charged directly at Qin Yu!

Qin Yu didn’t even look at him and slapped him casually.

Before the henchman even landed, he was sent flying out again.

“Liu Shihui, no one can save you today.” Qin Yu continued to slap Liu Shihui’s face.

Finally, Liu Shihui couldn’t take it anymore.

If he continued to get slapped, he might really die here today!

“I’ll kneel! I’ll kneel!” Liu Shihui shouted in pain.

Qin Yu sneered and walked to the side to wait for Liu Shihui to kneel.

Under everyone’s eyes, Liu Shihui knelt in front of Yao Qing with a plop!

This was definitely a historic scene! The news of Liu Shihui kneeling down would probably spread throughout the entire South City and even the entire Chuzhou!

And this young man called Qin Yu would probably be infamous in an instant!

Looking at Liu Shihui kneeling on the ground, Qin Yu nodded his head.

“Liu Shihui, according to the agreement, you must give me a hundred-year-old herb king as well as this Water Dragon Cave,” Qin Yu reminded.

Liu Shihui grinned and laughed maniacally. “The herb king is at my house. Do you dare to take it?”

Qin Yu sneered.. “Why wouldn’t I dare to take what belongs to me?”

## Chapter 120: Infamous

“Good, good!” Liu Shihui nodded frantically.

“Tomorrow at eight in the morning, I’ll wait for you at home. If you don’t come, you’re a coward!” Liu Shihui sneered.

Qin Yu nodded and said, “Okay, I’ll see you tomorrow.”

After saying that, he turned around and left.

This time, all the spotlight shone on Qin Yu’s body.

And this time, the light was on Qin Yu himself, not on Yan Ruoxue.

After taking a few steps forward, Qin Yu suddenly stopped. He raised his head and looked in Wei Ming’s direction.

Wei Ming’s expression suddenly changed, and his heart thumped!

But Qin Yu didn’t say anything and walked out with Yao Qing, Sun Ying, and the others.

Wei Ming looked at Qin Yu’s back and couldn’t help but mutter in a low voice, “I... I was actually scared just now... ?”

...

As they walked out of the Water Dragon Cave, everyone made way for Qin Yu.

On this day, Qin Yu was destined to be the center of attention.

“Mr. Qin, you can’t go tomorrow. You’ve embarrassed the Liu family. The Liu family definitely won’t let you off the hook!” Yao Qing said anxiously.

Qin Yu sneered. “Do you think I’m afraid of them?”

Yao Qing said with a trembling voice, “Mr. Qin, I know that your current strength has already exceeded my imagination, but the Liu family isn’t that simple to deal with. They...”

“Guess how much strength I used just now?” Qin Yu interrupted Yao Qing.

Yao Qing was stunned and hurriedly asked, “Mr. Qin, you didn’t use your full strength just now?”

Qin Yu snorted lightly. “I only used 30% of my strength.”

This time, Yao Qing was so shocked that he couldn’t speak.

He couldn’t figure out how a ninth stage Inner Strength Master could beat an Inner Strength Master Hands with 30% of his strength?

“Brother-in-law, you’re too cool. You’re my idol!” On the way, Sun Ying kept chattering.

Qin Yu didn’t say anything. He didn’t want to pay any attention to Sun Ying.

“Brother-in-law, why don’t we go out to eat?” Sun Ying said with a smile.

Qin Yu touched his belly. He had to admit that he was a little hungry after exercising for so long.

“Okay.” Qin Yu nodded and agreed.

“How about we go for hotpot? It’s my treat!” Sun Ying patted her chest and said.

Qin Yu nodded and said, “Anything is fine.”

The car soon arrived at a hotpot restaurant.

Sun Ying had long settled down in South City. Her family was quite rich, so she had quite a lot of pocket money.

As soon as she entered the door, she shouted, “What do you want to eat today? It’s my treat. Order whatever you want!”

Qin Yu didn’t stand on ceremony. During this period of time, his appetite was unusually large, so he ordered a table full of meat.

“Speaking of which, brother-in-law, you’re so outstanding now. My sister must be very happy, right?” Sun Ying said with a smile.

Qin Yu glanced at her and said, “Your sister and I have already divorced.”

“Divorced?” Sun Ying was stunned. She immediately slammed the table and stood up.

“What’s going on? Why did you guys get divorced?” Sun Ying looked a little nervous.

She didn’t want to lose such an outstanding brother-in-law.

Qin Yu didn’t explain, but said, “You should go ask your sister.”

Sun Ying didn’t say anything, but Chen Xin, who was beside her, was a little excited.

Young girls liked gallant men, and Chen Xin was no exception.

Ever since she saw Qin Yu's gallantry, she couldn't help but fall for him.

After dinner, Sun Ying proposed to go out for more fun, but was turned down by Qin Yu.

He and Yao Qing found a hotel and temporarily stayed there.

"Mr. Qin, it's better to be careful tomorrow," Lying next to Qin Yu, Yao Qing reminded him again.

"Okay, go to sleep quickly. I know what to do." Qin Yu yawned and then fell asleep.

Seeing this, Yao Qing sighed and didn't say anything more.

Qin Yu slept very soundly, but at this moment, the Liu family was in chaos.

Liu Shihui's father, Liu Yi, looked grim and his eyes were filled with anger.

"You trash, you've thoroughly humiliated the Liu family!" Liu Yi said angrily.

Liu Shihui didn't say anything and didn't dare to say anything.

This time, the Liu family had indeed suffered humiliation.

"Old Master, let's think about what to do," the secretary said softly.

Liu Yi said with a cold expression, "Of course. If we let him walk out of South City like this, the Liu family won't have a place in South City anymore!"

“Moreover... the hangers-on that our family supports aren't for show!”  
Liu Yi said with a gloomy expression.

The Liu family supported countless hangers-on, and among them, there was no lack of martial artists.

They spent a lot of money to support this group of people, with the purpose of them being able to help at a critical time.

“Go and call Tao Shan over for me,” Liu Yi said coldly.

The secretary hurriedly nodded and said, “Yes.”

After the secretary left, Liu Shihui couldn't help but remind Liu Yi, “Dad, Qin Yu and the Yan family have a special relationship. If anything happens to him in the Liu family, the Yan family definitely won't let us off the hook...”

Liu Yi's expression changed again. He hurriedly scolded, “Why didn't you tell us earlier?”

Liu Shihui opened his mouth but didn't dare to say anything.

“Yan family, Yan family...” Liu Yi's expression was a little ugly. For a moment, he didn't know what to do.

After thinking for a moment, Liu Yi sighed and said, “We'll act according to the circumstances tomorrow.”

Other than the Liu family, many other families in South City were secretly watching.

Qin Yu's abilities naturally made them want to recruit him, but no one was in a hurry to make a move.

It was because they were waiting to see if Qin Yu could walk out of the Liu family safely.

If he died in the Liu family, then there was no need to recruit him.

The next day, Qin Yu slept until dawn.

He slept very soundly.

“How comfortable.” Qin Yu stretched and then looked at Yao Qing, who was sleeping soundly.

After thinking for a moment, Qin Yu finally decided not to disturb Yao Qing’s sleep.

He tidied himself up and rushed to the Liu family’s home.

At this time, the Liu family’s huge villa was already filled with people.

These people were all hangers-on of the Liu family.

Liu Yi made a cup of tea and quietly waited for Qin Yu’s arrival.

“Dad, Tao Shan is here.” At this moment, Liu Shihui walked forward and whispered.

They saw a two-meter-tall extremely burly man walking in.

The moment he entered, everyone felt a little awed and intimidated.

It was because Tao Shan had an extremely powerful presence!

“Mr. Liu.” Tao Shan nodded to Liu Yi.

Liu Yi waved his hand and said, “Tao Shan, follow my instructions later.”

“Okay, Mr. Liu.” Tao Shan nodded and retreated to the side.

“Maybe Qin Yu wouldn’t dare to come at all.” Someone beside joked.

Liu Yi couldn’t help but think, that would be the best.

If Qin Yu didn’t come, the Liu family would still have some dignity left, and they wouldn’t have to risk offending the Yan family.

However, at this moment, Qin Yu had already swaggered in.

His expression was calm, and there wasn’t the slightest hint of nervousness or uneasiness..

## Chapter 121: Liu Yi’ s Probing

Qin Yu’s arrival had undoubtedly ruined the tranquil atmosphere.

Liu Shihui couldn’t help but clench his fists with an aggressive look in his eyes.

Qin Yu swept his gaze over and quickly fixed it on Liu Yi.

Then, Qin Yu walked to the opposite side of Liu Yi leisurely and sat down.

Liu Yi frowned slightly, but it was fleeting.

“You’re Qin Yu?” Liu Yi asked with a smile.

Qin Yu nodded and said, “Mr. Liu, have you prepared the herbs and the contract?”

Liu Yi burst into laughter and said, “Young man, you don’t need to be in such a hurry. Have some tea first.”

After saying that, Liu Yi waved his hand and motioned for the person beside him to pour a cup of tea for Qin Yu.

“Please go ahead.” Liu Yi said with a nonchalant smile.

Qin Yu lowered his head to take a look, then picked up the teacup and emptied it in one go.

After drinking it, Qin Yu couldn't help but frown slightly.

“Pour another cup for Mr. Qin.” Liu Yi said with a nonchalant smile.

The person beside him hurriedly picked up the teacup again and poured a cup of water for Qin Yu.

Qin Yu narrowed his eyes. He put down the teacup and said, “Let's talk about business.”

“Hehe, Mr. Qin, there's no need to be anxious. The Liu Family never reneges on a debt. Moreover, you and Shihui are friends. The Liu Family is willing to befriend you.” Liu Yi waved his hand dismissively again.

Hearing this, Qin Yu sneered inside.

Qin Yu wouldn't believe an old fox like him no matter what!

Liu Yi poured a cup of water for Qin Yu again and said in a casual manner, “Mr. Qin, you came from a small town like Jiangcheng, yet you have such outstanding achievements. It's really admirable.”

Qin Yu glanced at him and said, “Mr. Liu, you're too courteous. I'm just lucky.”

Liu Yi continued with an impassive expression, “I heard that you're an orphan?”

Qin Yu frowned slightly. He was a little displeased, but he still nodded and said, “Yes.”

Liu Yi touched his chin and lamented, “Sigh, nowadays, many rich kids like to leave their families and go out into the real world to gain experience while hiding their identity. I understand.”

Hearing Liu Yi’s words, Qin Yu had a rough idea of what Liu Yi wanted to ask.

He didn’t say anything and waited for Liu Yi to continue.

Seeing that Qin Yu seemed unfazed, Liu Yi continued to ask, “Not long ago, the eldest daughter of the Yan family suddenly went to Jiangcheng to invest. This matter has caused a storm in the city.”

Qin Yu smiled and said, “That’s right. Jiangcheng is just a small place. Not to mention the Yan family, but even the Liu family isn’t willing to invest.”

“Hehe, Jiangcheng indeed doesn’t have much investment value.” Liu Yi smiled and nodded.

Qin Yu fell into silence again, which made Liu Yi a little unhappy.

He probed, “Rumor has it that you are the illegitimate child of the Yan family, and this time, the Yan family came to invest for your sake.”

Qin Yu smiled.

He picked up the teacup in his hand and took a sip of tea, then said, “Mr. Liu, I have no relationship with the Yan family, and the Yan family won’t help me in any way.”

Liu Yi’s eyes lit up, but cautious by nature, he was still a little worried.

Therefore, Liu Yi pretended to be surprised and said, “That’s not possible. Miss Yan destroyed the Shen family in a rage because of you. This matter has spread throughout the entire Chuzhou.”

“That’s because the Shen family kidnapped Miss Yan. It has nothing to do with me,” said Qin Yu.

“As for the relationship between me and Miss Yan, the Yan family doesn’t approve of it.” Qin Yu didn’t hide anything.

After hearing Qin Yu’s words, Liu Yi finally felt relieved.

Since the Yan family didn’t approve of this relationship, then Liu Yi had nothing to worry about.

The smile on his face instantly disappeared. What replaced it was derision.

“Qin Yu, you’re still too young. You don’t have a sense of measure when doing things, and you don’t know the ways of the world. You revealed the truth too easily.” Liu Yi shook his head with some regret.

“If I were you, I would deliberately obscure my relationship with the Yan family so that others wouldn’t be able to guess it. That way, no one would take the risk to deal with you.”

“It’s a pity that you’re too stupid. You were deceived by my kind appearance and revealed the truth easily.” Liu Yi sneered.

Qin Yu glanced at him and said, “Do you really think that I don’t know what trick you have up your sleeve? You seem polite on the surface, but in fact, every word you say is an attempt to probe my relationship with the Yan family.”

“That’s right.” Liu Yi nodded with a nonchalant smile.

“As long as you’re sure that the Yan family won’t help me, you won’t have any scruples anymore.” Qin Yu said with a cold smile.

“Hahaha!” Liu Yi couldn’t help but burst into laughter.

“You’re right. Unfortunately, you realized it too late.” Liu Yi shook his head with some regret.

Qin Yu sneered and said, “No, Liu Yi, I’ve long seen through your thoughts.”

“Oh? Then why did you still dare to say these things to me?” Liu Yi suddenly felt a bit worried.

He said that the Yan family wouldn’t help... but could it be a lie?

Qin Yu said indifferently, “It’s because I don’t take the Liu Family seriously at all. Even without the Yan family as support, the Liu family still isn’t worth mentioning in my eyes.”

Hearing this, Liu Yi immediately showed anger.

“You’re really stubborn. No one dares to look down on the Liu Family!” Liu Yi said coldly.

“Dad, don’t talk nonsense with him. I must kill him!” Liu Shihui stood up angrily at the side and glared at Qin Yu.

Liu Yi ignored him. He took out a box of herbs and a contract from the cabinet and placed them in front of Qin Yu.

“Everything is ready. If you have the guts, just take it,” Liu Yi said indifferently.

Qin Yu looked at Liu Yi with slight amusement, and couldn't help but laugh.

Without thinking, he took the contract and the herbs.

“Thank you for the gift from the Liu family. I will remember it,” Qin Yu said with a smile.

After saying this, Qin Yu turned around and was about to leave.

However, Qin Yu was stopped by three men after he took two steps.

“Hahaha, you are indeed hotheaded. Do you think it's that easy to take something from the Liu Family?” Liu Yi couldn't help but laugh out loud.

Qin Yu looked at the three men in front of him and sneered. “You want to stop me with just these three losers?”

“Qin Yu! You're too arrogant!” Liu Shihui roared crazily.

“These three are all hangers-on of the Liu Family. Their strength far surpasses mine! Killing you is like slaughtering a chicken or dog for them!” Liu Shihui said coldly.

“Really? I don't think so.” Qin Yu shook his head.

Liu Yi, who wasn't far away, said with a nonchalant smile, “If you didn't take the contract and medicine just now, I might have considered letting you leave the Liu family. Unfortunately, you missed this opportunity.”

After saying that, Liu Yi leaned on the sofa and casually waved his hand.

The three people immediately stretched out their hands to grab Qin Yu!

Just as Liu Shihui had said, the strength of these three people was above Liu Shihui's. It seemed to be just a grab, but it was filled with ferocity!

Qin Yu looked at these three people coldly, and the spiritual power in his body instantly reached its peak!

He suddenly waved his large hand, and a huge force instantly surged out!

## Chapter 122: Establishing Ties with the Lu Family

This huge force instantly caused the three hangers-on's expressions to change drastically!

However, it was already too late to retreat! They could only brace themselves and charge forward!

“Boom!”

With this swing, the huge force actually directly sent the three people flying!

The few people fell to the ground with their faces pale, and some even vomited blood on the spot!

Liu Shihui suddenly stood up as he watched this scene in astonishment. He exclaimed, “How is this possible?!”

It had only been a night. How could Qin Yu's strength have improved by leaps and bounds?

Qin Yu looked at Liu Yi coldly and said, “If there's nothing else, I'll take my leave first.”

Liu Yi shouted angrily, “Stop right there!”

Qin Yu stopped and sneered. “Is there anything else?”

Liu Yi ignored Qin Yu and shouted, “Tao Shan, cripple him for me!”

After the loud roar, it fell silent. No one spoke.

“Tao Shan?” Liu Yi frowned and turned around to look. He found Tao Shan lying on the sofa while snoring.

This made Liu Yi’s expression turn ashen.

He had agreed to act according to the signal, but Tao Shan actually fell asleep at this critical moment!

“Wake him up!” Liu Yi said through gritted teeth.

The two people beside Tao Shan hurriedly walked over.

However, no matter how much they shouted, Tao Shan didn’t have the slightest reaction. He slept like a dead pig.

“Mr. Liu, Tao Shan was tired last night. I’m afraid he won’t be able to wake up for a while...” the two people standing beside Tao Shan said with slight awkwardness.

Liu Yi was instantly furious, but there was nothing he could do!

This was Tao Shan’s shortcoming. Once he fell asleep, it was as if he was dead. He couldn’t be awoken at all.

Seeing this, Qin Yu couldn’t help but laugh.

“Since that’s the case, then I’ll be leaving first.” Qin Yu glanced at Liu Yi before swaggering out of the Liu family’s residence.

The moment he stepped out of the Liu family’s residence, Qin Yu saw a Land Rover parked at the entrance.

After seeing Qin Yu, a middle-aged man hurriedly ran towards Qin Yu from the car.

“Mr. Qin!” The middle-aged man ran in front of Qin Yu and warmly shook hands with Qin Yu.

Qin Yu seemed to have expected this scene, and there wasn't the slightest bit of surprise on his face.

“You are?” Qin Yu asked with a calm expression.

The middle-aged man took out his business card and said with a smile, “My name is Lu Shuming. I want to befriend you, Mr. Qin. I wonder if Mr. Qin will give me the honor to do so?”

“Lu Shuming?” Qin Yu thought about it carefully. He seemed to have some impression of this name and he was quite famous in South City.

“Mr. Qin, I have prepared a banquet. I would like to treat you to lunch,” Lu Shuming continued.

It was a good time for Qin Yu to expand his network, so he nodded and agreed.

After they got in the car, the car drove to the restaurant.

In fact, Qin Yu knew very well that the Lu family definitely weren't the only ones who wanted to establish ties with him, but there were many others as well.

And their motive definitely wasn't pure. Most likely, they wanted to use Qin Yu, or use the Yan family, who supported him.

Fortunately, Qin Yu wasn't worried. In any case, in the end, there was no telling who would end up using who.

After a short conversation, he learned that Lu Shuming's identity was similar to Lei Hu's in Jiangcheng.

The difference was that Lu Shuming's status far exceeded Lei Hu's, and his business had expanded to the entire country.

In South City, Lu Shuming also supported a group of hangers-on. Not only were they not afraid of the Liu family, but they had also even been secretly competing with the Liu family for many years.

To Qin Yu, Lu Shuming was a good candidate for an ally.

"Mr. Qin, you were actually able to walk out of the Liu family unscathed. You really surprised us," Lu Shuming said with a smile.

"That old fox Liu Yi must be afraid of the Yan family, who are backing you, right?" The person next to him also said.

Qin Yu glanced at them and answered truthfully, "The Yan family won't interfere, and they don't care about me. The reason I was able to walk out of the Liu family was that the people working under him are incompetent."

"Haha, Mr. Qin, you're right," Lu Shuming laughed and echoed.

Even though he said so, he didn't believe what he said.

In Lu Shuming's opinion, Qin Yu was just trying to boast.

Qin Yu understood their thoughts, but he didn't say anything.

In the entire Liu family, the strongest person was Tao Shan.

Although they didn't fight, Qin Yu didn't think that Tao Shan could win against him.

The car soon arrived at a restaurant. When they pushed the door open and entered, they saw that there were already a few people waiting at the table.

Qin Yu glanced at them. There were a total of six people. Among them, there were three Inner Strength Masters who weren't weak.

One of the elders was probably as strong as Tao Shan.

The other two people were probably evenly matched with Liu Yi.

After sitting down, Lu Shuming said with a smile, "Let me introduce everyone. This is Mr. Qin Yu. Mr. Qin just defeated Liu Shihui last night."

"Hehe, Mr. Lu, there's no need for you to introduce him. Mr. Qin is a very famous person now," someone beside him said.

"You humiliated the Liu family in front of so many people. You're the first person in South City to do so!"

Hearing everyone's praise, Qin Yu smiled and thanked them one by one.

At this moment, the old man spoke up.

He looked at Qin Yu and said indifferently, "Indeed, since you dared to challenge Liu Shihui in public."

Upon hearing the old man's words, everyone immediately fell silent and looked at him in unison.

From everyone's reactions, it could be seen that this old man had a high status in the Lu family.

“Mr. Qin, let me introduce you. This is Wu Hongchang, one of the hanger-on shareholders of the Lu family,” Lu Shuming said with a smile.

“Mr. Wu is a legend in South City. Other than that to idiot Tao Shan, Mr. Wu has never lost to anyone, right?” Someone beside him said with a smile.

Even Lu Shuming nodded slightly and said, “That’s right. In order to keep Mr. Wu, I offered 10% of my shares.”

“Greetings, Mr. Wu.” Qin Yu nodded politely to him.

Wu Hongchang looked at Qin Yu indifferently and said, “I’ve seen the video of you and Liu Shihui fighting. Although you’re not bad, your moves are full of loopholes. If I were Liu Shihui, I’m afraid you wouldn’t be able to last even one move.”

Upon hearing Wu Hongchang’s arrogant words, Qin Yu couldn’t help but feel a little displeased. However, due to his identity, Qin Yu didn’t show it.

Wu Hongchang continued, “At the age of thirty, you are only at the ninth stage of Inner Strength. You are indeed very mediocre.”

“However, for Mr. Lu’s sake, I can take you as my disciple and let you advance to the level of an Inner Strength Master Hands,” Wu Hongchang said indifferently..
