Chapter 1127:Chapter 1,127, the Almighty’ s
compromise? !

‘The huge finger was rapidly pressing down!

‘As the distance between them got closer and closer, the finger also grew larger. It almost covered the sky and blocked out the rays of the sun!

“What a huge finger... could it be the end of the world... ?”

“That’s not a finger, it must be a missile! How could there be such a finger! ?”

“Is it a movie? The current technology is really awesome...”

Many ordinary people looked at the finger that was pressing down and were shocked. They were all discussing animatedly.

However, the many disciples of heaven gate had extremely uneasy expressions on their faces.

This finger looked too terrifying. That terrifying radiance almost blinded everyone’s eyes!

Qin Yu’s expression turned cold as he said, “Tian Zong, are you trying to destroy the entire Heaven Gate!”

“Or what?” Tian Zong placed his hands behind his back.

“A great battle can not avoid casualties. Don’t you understand this principle?”

Qin Yu’s expression could not help but turn cold. He raised his head and looked at the finger. He immediately rose up from the ground and clenched his fist to meet it.

“Boom!”

A fist smashed onto the finger, but it was like an egg hitting a rock. It did not stir up a single ripple.

All of Qin Yu’s strength disappeared the moment it touched the finger!

“It’s useless.” Tian Zong shook his head, seemingly very confident.

Qin Yu could not help but frown. If this finger fell, let alone the Heaven Gate, the entire city would suffer!

“We must not let this spell touch the ground,” Qin Yu said in a low voice.

He closed his eyes slightly and muttered. Then, his body emitted a golden light and his body began to expand!

In the blink of an eye, Qin Yu’s body expanded dozens of times!

“That huge figure suddenly appeared on the ground of the Heaven Gate!”

“Damn it, Ultraman! Look, there’s Ultraman!”

“E * ck you, there’s no Golden Ultraman.”

“It must be an illusion, an illusion!”

Many people raised their heads to look at Qin Yu's huge figure, not realizing that danger was coming.

“Limitless Dharma Idol?”

Tian Zong immediately saw the spell that Qin Yu was casting.

All dharma idol spells were top-notch spells. Without a certain background, it was impossible to learn such spells.

“What's the background of this kid?” Tian Zong could not help but frown.

Qin Yu, who had cast the limitless dharma idol, looked coldly at the finger.

The finger continued to press downwards. When it was a hundred meters away from the ground, there was already a reaction on the ground.

“The mountain collapsed and the trees rose up from the ground. For a moment, sand and stones flew and the sky turned dark!”

The Golden Light on Qin Yu's body became stronger and stronger, and his internal Qi was unleashed to the maximum!

“Hal”

Just as the finger arrived, Qin Yu suddenly roared angrily!

He crossed his arms and held the finger in his arms!

Golden light emitted from Qin Yu's body. It was as dazzling as the sun.

Along with the Golden Light, a tremendous power erupted from between his arms!

“Ah!!!”

Qin Yu let out a series of angry roars as he held the finger tightly. The terrifying power could be said to be able to destroy anything as easily as breaking a dead branch. It was as if he was going to crush the finger!

Tian Zong snorted lightly and said in a low voice, “A mantis trying to stop a chariot. You Don’t know whether you’re Dead or alive. A mere martial saint dares to fight against a mighty figure.”

However, before he could finish his sentence, he frowned.

Cracks appeared on the two walls of Qin Yu’s finger!

“Crack, crack, crack!”The sound of cracking could be heard continuously as if it had reached its limit!

“Eh?”Tian Zong frowned.

“How can this child have such strength ? !”

Before he could be shocked, the cracks on the finger had already increased.

Light erupted from each of the cracks.

“Ah! !”

Qin Yu raised his head and let out an angry roar. His strength seemed to have been exerted to the limit!

Finally, the finger could no longer withstand it and directly exploded!

In an instant, the sky was covered by the light of the explosion. The dazzling light had blinded countless people for a short period of time!

Tian Zong's expression was not too good.

He had thought that killing Qin Yu would be effortless.

However, he did not expect that the spell he had cast would be dissolved so easily.

After the finger was crushed, the sky returned to normal.

Qin Yu took off his huge body and stood in front of Tian Zong.

A trace of sweat appeared on his face. It was obvious that this move put a lot of pressure on Qin Yu.

"You have some ability," Tian Zong said indifferently.

Qin Yu wiped away the sweat that was about to flow down. He grinned and said, "Tian Zong, is this your trump card? That really disappointed me..."

Tian Zong raised his brows and said indifferently, "Qin Yu, are you looking down on a mighty figure? Do you know that a mighty figure in this world is an existence that can destroy an entire country?"

"Oh?" Qin Yu could not help but sneer.

"A body that has been sealed for a thousand years and is close to being depleted of qi and blood dares to call itself a mighty figure? If you were in your peak state, I would naturally be afraid of you. But the current you... is only so-so."

Tian Zong's expression instantly became somewhat ugly.

Just as Qin Yu had said, the current him had just been born and his Qi and blood was indeed close to being exhausted. He was far from being at his peak. Otherwise, he would not have planted so many strange flowers on the Cloud Dragon Island.

“You are right. I am indeed not at my peak. However, I am still a mighty one. I am definitely not someone that a puny little martial saint like you can compare to,” Tian Zong said indifferently.

“The holy region is about to open. I don’t want to kill you. Why Don’t you hand over the remaining strange flowers and I will let you go?”

‘These words immediately shocked everyone!

This Tian Zong seemed to be threatening, but in reality, his tone was full of compromise!

“Is... is he admitting defeat?” Someone muttered in a low voice.

“Perhaps this Tian Zong wants to preserve his strength and head to the Holy Region.”

“But... but he is a mighty figure after all. To actually compromise with a martial saint.... unbelievable, too unbelievable!”

Chapter 1128: Chapter 1, 128, entering the void

Qin Yu wasn’t surprised by Tian Zong’s words.

According to his own calculations, Tian Zong’s strength couldn’t be used much.

Although he was at the Almighty Realm, he was probably only at the half-step almighty realm.

Qin Yu walked over and said coldly, “Tian Zong, I’ll return the same words to you. If you leave now, I’ll spare your life. This will be your last chance.”

“If you miss this chance, I will not give you any chance to Live!”

Tian Zong’s attempt to wipe out the entire heaven gate had angered Qin Yu. If he did not leave, he would definitely kill him!

Qin Yu’s words caused Tian Zong to laugh out loud.

That old laughter reverberated throughout the entire Heaven Gate and did not stop for a long time!

“How Shameless!” Tian Zong roared! It was like a thunderclap in the sky!

He stepped forward and said coldly, “In that case, I will kill you and refine your body to make up for my loss!”

With that, Tian Zong’s figure suddenly disappeared and appeared in front of Qin Yu in almost an instant!

That speed was almost undetectable by the naked eye!

And the moment Tian Zong got close to Qin Yu, his palm instantly erupted with a radiance!

This was the strength of a mighty figure. In a breath’s time, he was able to cast a powerful spell!

“Boom!”

Tian Zong held the light in his hand and slammed it onto Qin Yu's chest.

'The light gathered at a single point and exploded, instantly sending Qin Yu dozens of meters back. A deep scratch was left on his feet!

However, this attack did not cause any substantial damage to Qin Yu. It did not even leave a mark!

"What a tough body." Tian Zong frowned.

Qin Yu looked coldly at Tian Zong and said, "I gave you a chance. Since you are not leaving, then stay!"

Arrogance!

In everyone's hearts, there were only these two words!

Qin Yu was actually warning and threatening a mighty figure! A mighty figure like the legendary Divine Dragon in the sky!

In the next second, Qin Yu quickly walked over.

He did not have any fancy techniques, only a powerful physical body and that incomparably dense spiritual power!

'The spiritual power gave Qin Yu support, and the physical body acted as a carrier. The power formed by this combination was incomparably powerful!

"Bang!"

Qin Yu stepped on the 'walking' character, and the Fist in his hand shot out like a cannonball!

Tian Zong did not choose to dodge, but raised his hand to meet Qin Yu head-on!

As the loud sound spread out, Tian Zong's expression suddenly changed drastically!

'The power of this punch far exceeded Tian Zong's imagination!

He only felt waves of numbness in his fist. The powerful Qi energy even forced him to retreat repeatedly!

A mighty figure was forced to retreat!

No one dared to believe the scene in front of them!

Qin Yu did not stop there. He clenched his fist again and came over!

Tian Zong secretly felt that things were not good. The strength of Qin Yu's body was beyond his imagination. He did not dare to clash with Qin Yu's body again. He could only retreat one after another, shooting all the way into the air.

"Kid, you really have some ability!" Tian Zong seemed to be angry from embarrassment.

His dense qi energy rumbled in his chest, as if he was about to cast some powerful spell.

Qin Yu didn't want to give him the chance to condense a spell. He immediately stepped on the void and shot toward Tian Zong!

However, the speed of a mighty figure condensing a spell was too fast. Even though Qin Yu had attacked at the first moment, he was still one step too slow.

"Extreme tyrant Slash!"

With an angry shout, the spell in Tian Zong's hand had already taken shape!

Qi energy was condensing in his hand, and a crackling sound like fried beans was emitted.

His palm was like the claw of a flood dragon. It was several feet long and flickered with an icy cold light.

Qin Yu's heart jolted. Even with his ears and body, he could smell a trace of danger!

“Chi la!”

Tian Zong's palm hacked forward. The power of the ultimate tyrant slash could not be described with words. That several feet of light seemed to be able to shatter the void!

At such a close distance, there was nowhere for Qin Yu to hide!

His body emitted a green light. This light covered Qin Yu's entire body, as if he was wearing a layer of armor!

“Clang!”

The ultimate tyrant slash ruthlessly struck Qin Yu's body.

But that green light was extremely mysterious. Under the foundation of Qin Yu's powerful body, it actually blocked this attack!

“How is this possible! ?”

Tian Zong's expression immediately changed!

What kind of technique was this ? ! It actually blocked his extreme tyrant slash ? !

“This is called the green wood true body. I’ve only learned the first level.”Qin Yu’s icy cold voice sounded in Tian Zong’s ears.

At the same time, his fist had already condensed an even more terrifying light!

“Not good!”Tian Zong’s expression changed greatly!

Qin Yu naturally wouldn’t give him a chance to escape and immediately threw a punch over!

Under this terrifying punch, the entire space turned into a dazzling light!

Everyone stared at the sky with disbelief written all over their faces!

Tian Zong seemed to have lost?

He had no way of dodging this punch!

Just as everyone was shocked, the light had already slowly dissipated.

‘What appeared in front of everyone was silence, and Tian Zong had long disappeared.

“HM? Where is Tian Zong?”

“Could it be that he ran? That’s impossible. At such a close distance, there’s nowhere for him to hide!”

“How could a mighty figure run! ?”

Qin Yu didn’t say anything, but the corners of his mouth curled up into a cold smile.

It was very obvious that Tian Zong had used a spatial technique. At this critical moment, he had disappeared into the void.

“Ah! !! Come out!”

Chang Mang, who was at the side, had fallen into the same situation.

Yun Long had escaped into the void. His blood-red fist was like a headless fly, smashing everywhere.

Fortunately, Chang Mang’s spiritual energy was rich. Even though he was squandering it, his Qi and blood were still at their peak.

Qin Yu scanned his surroundings and sneered, “Tian Zong, as a mighty figure, you actually escaped into the void and didn’t dare to accept the challenge. Aren’t you afraid of losing face? !”

His voice reverberated throughout more than half of the city, making people shudder in fear.

In this battle, regardless of whether he won or lost, Tian Zong had lost all his face..

Chapter 1129: Chapter 1,129, the furious Tian Zong

A Mighty Almighty had originally thought that he would be dealt a dimensional reduction blow, but unexpectedly, he was beaten into hiding in the void.

Not only Tian Zong, but even his disciple was the same.

“Weng!”

At this moment, rays of light shot out in all directions, and a burst of killing intent shot out from above Qin Yu!

The one who attacked was naturally Tian Zong. His skinny palm ruthlessly slapped onto Qin Yu's head!

A huge force pressed down on Qin Yu and shot down explosively. His body directly plunged into the soil!

Without waiting for Qin Yu to make a move, Tian Zong once again escaped into the void.

Not far away, Chang Mang's situation was similar to Qin Yu's. Tian Zong and Qin Yu seemed to have used the same tactic.

Qin Yu rubbed his head. He felt a little pain.

“Playing dirty?” Qin Yu could not help but sneer.

Chang Mang, who was not far away, went crazy. His blood-red fist kept smashing around, shaking the space until it was rumbling.

However, all of this was useless. How could the two people hiding in the air be hit by Chang Mang's fist.

Qin Yu shot out from the soil, looking around quietly.

“Swoosh!”

Another sharp blade came out from the void, only piercing into Qin Yu's glabella!

In such a short distance, Qin Yu's head was sliced open as he easily dodged it!

“How is this possible!”

Tian Zong, who was hiding in the void, had a drastic change in expression!

At such a close distance, even a mighty figure would not be able to dodge it, unless he had predicted his actions beforehand!

Tian Zong did not believe it. He once again approached Qin Yu and grabbed at the location of Qin Yu’s Dantian from such a close distance. “Swoosh!”

However, just as he stretched out his hand, Qin Yu shot backward explosively.

This caused Tian Zong to miss again!

“Huh?” Tian Zong’s expression changed drastically, and he had a faint ominous premonition in his heart!

One could be said to be lucky, but to dodge it twice in a row, this was not something that could be explained by luck!

“Could it be... that he can see me?” Tian Zong was somewhat shocked.

He did not believe it, so he raised his hands and conjured a spell. A streak of light tore through the air and slashed at Qin Yu once more! But this time, Qin Yu still managed to dodge it!

“Not good, this brat can definitely see me!” Tian Zong’s face changed drastically!

To Dodge it three times in a row, this was definitely not luck!

“I have waited for a thousand years before the opening of the Saint Realm. I can not allow any accidents to happen at this moment!” Tian Zong’s thoughts spun wildly in his mind, and cold sweat dripped down his forehead.

Not far away, Yun Long was still playing with Chang Mang.

But at this moment, Tian Zong couldn’t care less about Yun long. Without even thinking, he turned around and was about to run!

them.

“What? A Mighty Almighty is actually hiding in the air and planning to escape?”

Qin Yu’s voice entered Tian Zong’s ears!

This made Tian Zong even more determined! Qin Yu could see him!

“EB * ckyou!”

Tian Zong cursed in his heart. He increased his speed to the maximum and planned to leave.

At this time, he did not care about his reputation anymore. Nothing was more important than his life!

“Swoosh!”

But at this moment, Qin Yu stepped on the ‘xing’ word formula and instantly caught up!

Tian Zong did not dare to think too much and tried his best to escape.

Qin Yu sneered again and again. He slowly clenched his fist and threw out a punch that could break all laws!

Then, he saw Qin Yu clench his fist and ruthlessly smash it in a certain direction!

That terrifying fist force instantly exploded in the air! It was like a bomb that came from the sky!

The destructive power shook all directions and no one could stop it!

Even the Void was trembling. A powerful force pierced through the void and smashed onto Tian Zong's body!

Tian Zong, who only cared about escaping, had no strength to resist at all. This punch ruthlessly smashed onto his body!

The void seemed to have been shattered. Tian Zong, who was hiding in the void, immediately fell out and spat out blood non-stop!

'When everyone saw this, they were all shocked!

Qin Yu's punch actually directly shook Tian Zong out! And it injured him!

"The Almighty realm seems to be just so-so!" "Someone thought to himself.

"Bullsh * t, that's because the person who attacked is Qin Yu! Go Up and try, I Won't beat your head to pieces!"

Everyone was shocked by Tian Zong's decline, but they were more shocked by Qin Yu's strength!

It was unheard of for Qin Yu, who was at the middle stage of the martial saint realm, to be able to fight against an Almighty!

“You... how did you do it!” Tian Zong wiped the blood from the corner of his mouth and said somewhat unwillingly.

Qin Yu pointed at his glabella and said, “Not long ago, I just obtained a treasure called the desolate divine eye.”

“Desolate divine eye?!” Tian Zong’s expression changed as he exclaimed, “It’s the eye of the legendary ancient god?”

“You know quite a lot,” Qin Yu said with a sneer.

Tian Zong wiped the blood from the corner of his mouth. He looked at his body and found that there were cracks in many parts of his body, and his ribs were exposed in his chest.

“The holy region is about to open. You and I are both from Earth. We will inevitably support each other in the future,” Tian Zong said coldly. “I don’t want this strange flower. Just treat it as a gift for you and let me go. How about it?”

Qin Yu shook his head and said, “I have already given you a chance, but you didn’t cherish it.”

Tian Zong immediately became furious and said, “Qin Yu, don’t go too far!”

Qin Yu sneered and said, “When you wanted to wipe out the entire Heaven Gate, did you ever think of going too far? When you wanted to use me to refine pills, and then kill me after using me, did you ever think of going too far?”

Tian Zong clenched his teeth. He had never thought that he would encounter such a predicament when he had just been born!

“Qin Yu, I have the honor to get acquainted with a big shot in the holy region. If you are willing to let me go, I can recommend you to get acquainted with him! “Tian Zong continued to throw out his conditions. Qin Yu sneered, “Do you think I need it!”

Tian Zong said furiously, “Don’t think that I am really afraid of You! If I Burn My Blood Essence, I will definitely be able to recover to the peak state.. At that time, you will definitely die!”

Chapter 1, 130, beheading a mighty figure!

“Burning your blood essence? Do you think I’ll give you a Chance?” Qin Yu said coldly.

Taking advantage of his illness to take his life, how could Qin Yu allow him to step into the peak?

Tian Zong gritted his teeth and said, “In other words, you have to fight to the death with me!”

“No.” Qin Yu shook his head. “I have to kill you.”

“You’re going too far!” Tian Zong immediately raised his head and roared when he heard that!

He was unwilling to give up and once again escaped into the void. At the same time, he quickly took out a trace of blood essence from between his brows!

However, before the blood essence could burn, Qin Yu had already smashed his fist forward and once again jolted him out of the Void!

The second punch instantly caused Tian Zong to bleed in the sky!

He clutched his chest, gritted his teeth and said, “Qin Yu, you and I have no enmity, why must you kill me!”

Qin Yu sneered, “If I had not stepped into the middle stage of the Martial Saint Realm Today, would you have spared me?”

Tian Zong remained silent. He wanted to escape into the void for the third time, but this time, he failed.

Qin Yu extended his palm and raised it to unleash the seven sorrow palm!

A palm print flew towards Tian Zong, and the golden light instantly penetrated his body!

Tian Zong immediately retreated repeatedly, vomiting blood non-stop!

“ah! !” Tian Zong cried out in grief and indignation, reverberating throughout the entire sky!

Tian Zong was unwilling! He was unwilling to die just like that!

“Qin Yu, you and I have no enmity, you...” Tian Zong opened his mouth, and suddenly spat out a mouthful of blood!

Then, his entire body fell from the air, and blood kept oozing out from the corner of his mouth, looking extremely painful.

Seeing his expression, Qin Yu could not help but frown.

“What trick are you playing again?” Qin Yu asked.

Tian Zong pointed at his chest and said, “Not good... This seal seems to have left an internal injury in my body...”

His internal Qi was rapidly disappearing, and his entire body became extremely weak.

“This seal... destroyed my foundation... Pu!” Tian Zong opened his mouth and spat out a mouthful of blood!

“Destroyed your foundation?” Qin Yu’s frown became tighter and tighter.

Looking at Tian Zong’s appearance, Qin Yu even felt pity for him.

He originally did not want to kill Tian Zong. After all, he did not kill a disciple of the Heaven Gate.

‘What made Qin Yu feel hateful was that he wanted to use Qin Yu for nothing and burn the bridge after crossing the river.

Looking at Tian Zong who was lying on the ground in pain, Qin Yu said in a deep voice, “You have already fallen into such a state. I will spare your life this time. But let me tell you, you’d better not provoke me in the future.”

“Definitely, definitely...” Tian Zong nodded repeatedly.

Qin Yu didn’t say anything more. He turned around and planned to leave.

But at this moment, a trace of viciousness flashed in Tian Zong’s eyes.

The Moment Qin Yu turned around, Tian Zong suddenly exploded. Holding a snow-white sharp blade in his hand, he fiercely stabbed towards Qin Yu's head!

“Go to hell!” Tian Zong roared angrily. All of his Qi energy gathered on this sharp blade

However, at this moment, Qin Yu suddenly turned around and threw a punch!

This punch was the ten thousand shattering technique created by Qin Yu himself! It was also the gathering of internal Qi!

“Boom!”

The huge collision instantly shattered the sharp blade in Tian Zong's hand! Tian Zong's body was penetrated by this golden light, and he fell to the ground!

Tian Zong stared at Qin Yu and said in a trembling voice, “You... You tricked me? !”

This punch had broken ten thousand laws. It was obvious that it had been formed long ago and was waiting for Tian Zong to make a move!

Qin Yu looked at Tian Zong coldly and said, “Do you think I believe you in front of you? You are a mighty figure, yet you did such a despicable thing as a sneak attack from behind. Aren't you afraid of being laughed at? !”

At this time, Tian Zong was completely flustered. He said in fear, “Don't... Don't kill me, don't kill me! I... I was possessed for a moment. I guarantee that I will never appear in front of you for the rest of my life!”

Qin Yu looked at Tian Zong coldly and said, “Do you think I will believe you again?”

“No... Don’t!”

Fear crawled all over Tian Zong’s old face.

But what greeted him was Qin Yu’s incomparably fierce fist.

‘The Crushing Qi energy transformed into a ray of light that was several feet wide.

‘The Ray of light gave birth to a scorching temperature. In an instant, it passed through Tian Zong’s body, emitting waves of crisp sounds.

Tian Zong’s body kept falling backwards. His internal organs were all affected, but his body still didn’t shatter.

This was the body of a mighty figure, incomparably tough!

Although Tian Zong had an ordinary physique, his body after stepping into a mighty figure still reached such a terrifying hardness!

Even Qin Yu’s full strength punch was unable to destroy his body.

“Weng!”

At this moment, a ray of golden light shot out from between Qin Yu’s brows!

This ray of light was like a dagger, easily entering between Tian Zong’s brows. That dagger-like ray of light directly shattered Tian Zong’s divine sense!

Tian Zong widened his eyes, disbelief written all over his eyes before he died.

He had never thought that the result of sealing his body for a thousand years for the sake of the holy region would be like this.

“Bang!”

Tian Zong’s body fell heavily to the ground.

A mighty figure of a generation had fallen just like that.

Qin Yu looked coldly at Tian Zong’s body. There wasn’t the slightest bit of pity in his eyes.

“You found this all by yourself,” Qin Yu said coldly.

The surroundings were completely silent. Half a second later, exclamations came from all directions like a tidal wave.

“Qin Yu... really killed a mighty figure! A genuine mighty figure...”

“Crossing realms to kill a mighty figure... he actually exists...”

“To be able to witness this scene with my own eyes, this life is not in vain.”

Qin Yu’s eyes scanned his surroundings.

He activated the desolate God’s eye and looked a thousand miles away!

In the darkness, there seemed to be a throbbing.

A hidden internal Qi retreated at this moment.

Qin Yu did not say anything.

He knew very well that since Tian Zong was able to wait for the holy region for several years, there must be other mighty figures who had used the same method.

After killing Tian Zong today, there should not be any other newly born mighty figures who would come to jinx him.

One punch was enough to prevent a hundred punches..

Chapter 1131:Chapter 1, 131, improving the fighting formula

Tian Zong's corpse was lying on the ground. Yun Long, who was fighting with Chang Mang, had a bad feeling.

He had no intention of fighting with Chang Mang, so he immediately planned to escape.

“Do you think you can escape?”Qin Yu's cold voice sounded in his ears.

With the support of the desolate divine eye, nothing could be hidden.

Before Yun Long could escape, Qin Yu had already punched a certain spot in the void!

“Ka-cha!”

The void immediately shook violently, causing Yun long, who was hiding in the void, to fall out!

“Don't Kill Me!”Yun long roared.

“Qin Yu, hand him over to me!” Chang Mang waved his iron-like arm and swung it over!

No one could resist the overwhelming force!

Yun long, Chang Mang, slapped his chest with his arm, and blood immediately gushed out!

Yun long got up from the ground and wanted to escape into the void again, but Qin Yu immediately shook his feet, and rays of light spread out in all directions!

The same old trick was used again! This was the heavy falling space!

Yun Long’s control of space spells was far inferior to Tian Zong’s. The moment the heavy falling space was cast, his speed of escaping into the void instantly slowed down.

Chang Mang seized this opportunity and took a step forward. A fist the size of a casserole headed straight for Yun Long’s head!

“Kacha!”

The strength of this punch was not inferior to Qin Yu’. It directly shattered Yun Long’s head along with his divine sense!

Fresh blood splattered in all directions, and his skull shattered into dregs.

Yun Long’s body fell from mid-air. He no longer had any signs of internal Qi.

“Damn it, I’ve finally caught you!” Chang Mang stared at Yun Long’s corpse and cursed.

The surrounding martial artists couldn’t help but sigh in their hearts.

From today onwards, who in the world would dare to offend these two ?

Before the opening of the Holy Region, it wouldn't be an exaggeration to say that Qin Yu was the number one person in the world!

Even if it was an unborn almighty, he probably wouldn't dare to Offend Qin Yu again!

“Mr. Qin is truly unparalleled under the heavens.”Someone walked forward and cupped his hands.

“This level of strength is enough to look down on all heroes.”

“From today onwards, I'm afraid that no one can be compared to Brother Qin.”

Everyone cupped their hands one after another, as if they were congratulating him, but also as if they were trying to build a relationship.

Qin Yu thanked them one by one. He looked towards Tian Zong's corpse and said, “I'll leave that corpse to you guys to handle.”

When they heard this, everyone was stunned for a moment before swarming forward!

The bodies of mighty figures could be said to be filled with treasures. Bones could be used to forge peerless divine weapons, and fresh blood could be used to refine medicine!

However, none of this was of much use to Qin Yu. He might as well do them a favor.

While everyone was fighting over the corpse, Qin Yu had already turned around and left.

In the room, Qin Yu's internal Qi was rapidly decreasing.

"I didn't expect Tian Zong to really die." Even the pavilion master couldn't help but sigh.

"If that's the case, I think those eight higher-ups don't have to be afraid anymore," Xu Huaigu said from the side.

Qin Yu shook his head and said, "It wasn't easy for me to win against him."

This battle seemed to be quite easy, but people who knew knew knew that every punch and kick of the two's exchange contained the pinnacle of both parties' Daoist techniques and spiritual power. The slightest carelessness could lead to eternal damnation.

Moreover, the strength that Tian Zong displayed was only half a step away from a mighty figure. If he burned his blood essence and forcibly restored his strength, Qin Yu might not be able to defeat him.

"That mighty figure will probably leave the first secret realm in less than ten days. It seems that he won't be able to do much in just ten days," pavilion master said in a deep voice.

Qin Yu nodded and said, "It's impossible to raise one's realm in ten days. No one can do it, but there is still hope to raise one's strength."

For example, the fighting word formula, the green wood true body, and even the nine transformation golden pill.

This would be Qin Yu's last resort.

"That's eight mighty figures..."

Thinking about it, one couldn't help but feel a little worried.

Qin Yu smiled bitterly and said, “There’s no other way. The enmity has already been formed. Naturally, we have to face it.”

“Qin Yu, don’t worry. I’ll fight alongside you!” Chang Mang patted his chest and said.

“Yes, and Chang Mang.” At this moment, Qin Yu suddenly thought of Chang Mang’s formidable combat strength!

His strength was absolutely not inferior to his own. Every punch contained extreme strength! It was just that he lacked the support of spells!

If he was like Qin Yu and had many spells, his strength might not be inferior to Qin Yu!

“Senior Jiang He!” Thinking of this, Qin Yu hurriedly looked at Jiang he.

“Limplore senior Jiang he to impart the ‘Dou’ formula to Chang Mang!”

“Dou’ formula? What is that?” Chang Mang asked in a slightly honest manner.

Qin Yu said in a low voice, “It’s an extremely powerful technique. Such a technique would be a top-notch secret art even in the Holy Region.”

In just ten days, it was impossible to learn too many techniques. To be able to comprehend the ‘Dou’ formula was already good enough.

“Alright.” Jiang he hesitated for a moment before nodding in agreement.

“Thank you, Senior!” Qin Yu bowed in gratitude.

Qin Yu was not in a hurry to enter seclusion. This battle had consumed too much of his divine sense and physical strength, and he needed some time to recover.

Therefore, he returned to his room and fell asleep.

At this moment, the news of Qin Yu killing a mighty figure had already spread throughout the five lakes and four seas.

Who knows how many talented people came because of the fame and gathered in the Heaven Gate..

Chapter 1132: Chapter 1132, seeking help from the guardian of the path

‘The Heaven Gate was extremely lively that day.

From time to time, luxurious cars could be seen driving over.

The moment the cars stopped, people dressed in bright clothes could be seen getting out of the cars.

‘They were extraordinary people and martial artists from all over the world, and they had gathered here with only one goal, which was to find a person to protect after the opening of the Holy Region.

Qin Yu had beheaded a mighty figure, and he was already hailed as the number one person in the world. Naturally, he became everyone’s target. At this moment, Qin Yu was sleeping soundly.

It had already been two days since he woke up.

Qin Yu groggily sat up from his bed. The first thing he did was to use his divine sense to cover the entire Heaven Gate.

HMR”

Very quickly, Qin Yu discovered several strange auras from the internal Qi.

Qin Yu’s expression changed slightly. He hurriedly rushed out of the room and arrived at the main hall.

Looking at the people in the hall, Qin Yu frowned slightly.

“Greetings, Mr. Qin.” Seeing Qin Yu, everyone stood up and greeted Qin Yu.

Qin Yu couldn’t help but feel a bit stunned. He subconsciously looked at the pavilion master.

“These people came here because of their reputation. They came to seek refuge with you,” the pavilion master said as he walked forward.

“Their goal is very simple. They want to seek your protection and ensure that they can enter the saint-level.”

Hearing this, Qin Yu didn’t know whether to laugh or cry.

Enter the saint-level ?

The Saint-level hadn’t been opened yet, so everything about the saint-level was unknown.

Qin Yu didn’t even dare to guarantee himself, let alone the others.

But facing everyone's request, Qin Yu didn't know how to refuse.

After a while, Qin Yu said, "If I have the ability, I will definitely bring you to the holy region. But if I can't, I hope you won't blame me."

"Sir, you must be joking. With your words, we are satisfied." Everyone bowed and said.

Qin Yu nodded slightly. He didn't have much time to waste, so he looked at the pavilion master at the side.

"Pavilion Master, please arrange for them to stay temporarily," Qin Yu said.

"Okay," the pavilion master agreed.

Fortunately, the Heaven Gate was big enough. After all, the former was the sacred Confucian school under the Yan family, so it was not difficult to accommodate these people.

After settling them down, Qin Yu stood up and left the Heaven Gate, heading straight for Jingdu.

In the second secret realm, Zhai Xing was waiting here.

He stood in front of that crack, observing the changes in this place every day.

After a few days, this crack had become bigger and bigger, and the internal Qi leaking out of it had also become denser.

"How is it? There are still a few more days before this passage opens." At this time, Qin Yu appeared behind Zhai Xing.

Zhai Xing glanced at Qin Yu and said, "After a few days of observation, this crack has become bigger every day. On average, it will become three to five centimeters bigger every day."

"Three to five centimeters.

in Yu glanced at the crack.

At this time, the crack was as thick as a wrist. According to this situation, it would be the size of a dog hole in ten days.

"Listen."

At this time, Zhai Xing suddenly said.

Qin Yu kept quiet and looked at the crack.

A faint sound could be heard from the crack.

This sound was like a wind chime. Although it was not loud, it indicated that the seal could not hold on for long.

"Qin Yu, do you know how to deal with the arrival of those eight upper echelons?" Zhai Xing asked.

"I don't know." Qin Yu shook his head.

"In these last ten days, I can only give it a try. As for whether or not I can defeat them... I don't have any confidence."

Zhai Xing frowned. "How confident are you?"

Qin Yu pondered for a moment, then stretched out a finger.

"At most 10% confidence," Qin Yu said in a low voice.

After all, those were eight mighty figures, and they were at their peak. It was already not bad to have 10% confidence.

Zhai Xing's expression was somewhat unsightly. With a sullen face, he said, "What If you lose?"

"Only death." Qin Yu sighed slightly.

This was the truth. Other than this, Qin Yu could not think of any other countermeasures.

Zhai Xing did not speak. His heart was also troubled.

Facing eight high-ranking officials, it was already good enough that he was not killed in an instant.

"Alright, let's not talk anymore. I have to go into seclusion. Time is of the essence." Qin Yu patted Zhai Xing's shoulder.

"If there are any unusual movements in this seal, remember to wake me up immediately."

Zhai Xing nodded. He did not say anything, but the expression on his face was rather complicated.

Qin Yu turned around and came to a room.

He closed his eyes slightly and prepared to comprehend the 'Dou' formula.

Among all the spells, the 'Dou' formula increased one's strength the most, so Qin Yu could only place his hopes on the 'Dou' formula.

After Qin Yu went into seclusion, Zhai Xing left the second secret realm.

He came all the way to the Heaven Gate and found the pavilion master.

Looking at Zhai Xing in front of him, the pavilion master was slightly surprised.

“Senior Zhai Xing, why are you here?” The pavilion master said politely.

Zhai Xing sat there with a gloomy face.

“It’s impossible for Qin Yu to defeat those eight higher-ups.” Zhai Xing went straight to the point.

The pavilion master frowned slightly and said, “Although his chances of winning are indeed not high, it’s not impossible.”

Zhai Xing looked at pavilion master and coldly said, “The possibility is almost zero. I know he killed Tian Zong, but Tian Zong can not be compared with that high-ranking official.”

“The reason why the eight high-ranking officials control the martial arts association of Jingdu is mainly because of the resources on Earth.”

“Who do you think uses these resources? It is those eight high-ranking officials! Earth has billions of years of history, how many treasures are there? And how many sacred cultivation objects are there? Have you ever thought about it?”

“Do you really think that the resources of the martial arts association in Jingdu are all distributed to those Young Masters in Jingdu? What they occupy is just ten thousand of them!”

Pavilion master was silent, waiting for Zhai Xing’s next words.

Zhai Xing continued, “In other words, not only are the high-ranking officials at the peak, they are even more powerful than they were back then.”

“The possibility of Qin Yu fighting against one is not high, let alone those eight.”

Pavilion master was silent for a moment and said, “Then what do you think we should do?”

Zhai Xing suddenly looked at pavilion master and said word by word, “Seek help.”

“Seek help?” Pavilion master smiled bitterly and said, “That is a mighty figure, an invincible existence in the world. Who can we seek help from?”

Zhai Xing said coldly, “The Dao Protector is also Qin Yu’s father..”

Chapter 1133:Chapter 1, 133. The ancestor had descended?

‘As soon as these words were said, an unnatural expression flashed across pavilion master’s face.

“If the Dao Protector is willing to step forward, those eight mighty figures aren’t worth mentioning at all,” Zhai Xing said coldly.

“Furthermore, Qin Yu is his son. He definitely won’t sit idly by.”

Pavilion master didn’t speak for a long time. No one knew what he was thinking.

Seeing this, Zhai Xing could not help but narrow his eyes and coldly said, “You said that he is the son of the Dao Protector. You are not lying to me, right?”

“He is indeed the son of the Dao Protector.” Finally, pavilion master spoke.

Her beautiful eyes looked at Zhai Xing and said, “But do you know that as a dao protector, one absolutely can not mix personal feelings.”

“If he makes a move today for Qin Yu, will he still be a dao protector tomorrow? Will he be punished?”

Hearing this, a strange light flashed in Zhai Xing’s eyes.

He faintly said, “No wonder you care so much about Qin Yu. It seems that your longing for a dao protector is not a rumor.”

At the mention of a dao protector, the expression of the pavilion master turned ugly.

No one knew what had happened between them.

“Don’t tell me you want to watch Qin Yu throw his life away?” Zhai Xing said in a deep voice.

Pavilion master shook his head and said, “It’s not that I want to watch him throw his life away. It’s just that... the Dao protector will absolutely not make a move. It’s impossible for him to kill eight mighty figures just for Qin Yu.”

Zhai xing frowned and asked, “Why?”

Pavilion master said, “Think carefully. Since Qin Yu made his debut, how many times has he encountered such a life-and-death situation? Has the Dao Protector ever made a move?”

“It’s different. This time is different from any other time. Qin Yu has no

chance of winning in front of the eight mighty figures,”Zhai Xing said coldly.

Pavilion master played with the Teacup in his hand as if he was thinking about something.

“Could it be that he didn’t leave behind any keepsake for You ?”Zhai Xing asked in puzzlement.

“Keepsake ?”Pavilion master lightly snorted. “He’s an extremely heartless person. Even if I die in front of him, he won’t even Blink.”

Speaking up to this point, Zhai Xing suddenly sat up straight.

He swept his gaze around him. After confirming that there was no one around, he softly said, “Just who is Qin Yu’s mother ? Why have I never heard of her ? It Can’t Be You, right ?”

A trace of pain flashed across the pavilion master’s brows, and then he shook his head and said, “If I had such a son, I would be willing to die.”

“Oh ? Do you want to have a night of pleasure with the Dao Protector, or are you proud of Qin Yu ?”Zhai Xing teased.

Hearing this, a trace of coldness flashed across the pavilion master’s eyes.

Zhai Xing hurriedly waved his hand and said, “Forget it, let’s get down to business.”

Pavilion master coldly said, “It’s not reliable to rely on dao protectors. You’d better give up on this idea.”

Zhai Xing rubbed his chin and said, “Why don’t we... Let Qin Yu escape ? Or rather... let the authorities step in ?”

“The authorities step in?” Pavilion master was instantly stunned.

This might be a method, but... Was the authorities willing to do this?

For the sake of Qin Yu, completely falling out with the eight mighty figures might not necessarily be a good decision.

“Let’s escape.” After thinking about it for a while, the pavilion master finally made a decision.

“The best strategy is to let Qin Yu escape. Although mighty figures are strong, they still can’t look down on the entire Earth.”

Zhai Xing sighed and said in a low voice, “I’m Afraid Qin Yu doesn’t want to escape at all. If he escapes, the unlucky ones will be us.”

“The current Qin Yu was no longer the unfettered Qin Yu. He had too many followers by his side.

Since he had accepted them, he had to be responsible for them.

The two of them fell into silence, as if neither of them could think of a foolproof plan.

At this moment, Qin Yu was comprehending the ‘xing’ character formula.

“The ‘xing’ character formula was incomparably profound. It was a true supreme saint technique. Even in the Holy Region, it was a first-class existence.

Fortunately, Qin Yu’s comprehension ability was far beyond ordinary people. He spent six days to comprehend the ‘xing’ character formula to the third level.

But on the fourth level, Qin Yu was unable to advance even half a step.

He slightly opened his eyes and said in a low voice, “When I fought with Han Wei previously, I once comprehended a spell. This spell can forcefully raise one’s realm.”

“I wonder if this spell conflicts with the line character formula, and if it can be superimposed.”

If it could be superimposed, then the strength displayed would definitely be beyond imagination.

However, he was already too close to the appearance of the higher-ups, so Qin Yu did not dare to rashly try.

After all, the consequence of forcefully upgrading the spell was that he could not move for several days. At that time, he would probably become a lamb waiting to be slaughtered.

Qin Yu slowly stood up.

He calculated the time. There were only two days left.

Qin Yu hurriedly stood up and walked all the way to the vicinity of the tunnel.

‘As expected, the passageway became even larger. This time, Qin Yu could even hear faint voices coming from within, as if someone was talking.

Qin Yu hurriedly leaned on the entrance of the passageway and listened carefully.

“At this rate, in less than three days, we will be able to break the seal.”

“Mm, once the seal is broken, we must not hold back. We must kill Qin Yu immediately.”

“That’s right. Kill him immediately before the Holy Region Opens! Everyone, use your trump cards to ensure that we get rid of him immediately. Otherwise, once the holy region opens, our chances of killing him will be slim.”

“Leaving him alive will bring endless trouble. As long as we can get rid of him, any price is worth it.”

‘These words entered Qin Yu’s ears.

Qin Yu could not help but frown.

He touched his chin and said in a low voice, “It seems that these people are determined to kill me.”

‘Taking action was his trump card. Qin Yu was not easy to deal with.

“Damn it.”At this moment, Qin Yu suddenly stood up.

He thought about it and decided to lie down near the tunnel. Then, he exerted all his strength, he shouted, “Eight old bastards, you still want to kill me? Go To Hell, I’ll wait for you here. As long as you dare to come, I’ll Smash Your Heads!”

“Eh? What Voice? Who is speaking?”Soon, a startled voice came from the other end.

“Your ancestor is speaking. If you hear his voice, hurry up and kneel down!”Qin Yu continued to shout.

“Ancestor? Could it be that the Holy Region has already opened? has the ancestor’s divine sense descended?”A higher-up exclaimed.

Chapter 1134:Chapter 1, 134, painstaking efforts

Hearing the higher-ups' words, Qin Yu almost couldn't help but laugh out loud.

These idiots actually thought of Qin Yu as their patriarch!

“That's right, I am your patriarch. Quickly kneel down!” Qin Yu continued to shout loudly.

“You Bastards, do you know how big of a sin you have committed? !”

The higher-ups on the other end said, “It's really the elder ancestor! Listen to this voice, is it coming from all directions? Besides the elder ancestor, who else has such ability?”

“That's right, even we might not be able to do such a spell!”

“May I ask what instructions the Elder ancestor has? Please grant us new resources!”

Qin Yu laughed so hard that he fell over. He held his stomach and forced himself to laugh, “You bastards, you have committed such a big mistake, and you still dare to ask for new resources?”

“May I ask what mistake did we commit? Please enlighten us!” A higher-up exclaimed.

Qin Yu coldly berated, “You still dare to ask me? You forcefully broke the seal and threatened to kill Qin Yu. Do you know who that Qin Yu is?”

The higher-ups on the other end were stunned for a moment before saying, “We know that Qin Yu is the son of the Dao Protector, but... he

insulted me too much! Moreover... This Dao Protector can not act on Qin Yu's behalf!"

"That's right, this Qin Yu has extraordinary talent. We have already fallen into a deep hatred. If we don't kill him, he will definitely kill us in the future. Patriarch, please understand!"

Qin Yu coughed and berated, "Bastard! I'm not talking about his level of identity!"

"Then... What kind of identity is that? Patriarch, please speak Frankly!" A higher-up shouted.

"He, Qin Yu, is your... biological father!"

After saying this, Qin Yu finally couldn't hold it in anymore and burst into laughter.

'The higher-up on the other end was instantly stunned.

They were stunned for not only half a second, but also reacted.

"No, this person called US Old Beasts! He is definitely not some ancestor!"

"This voice seems to be coming from the seal! Could it be the voice of the second secret realm!"

"It's that Qin Yu! I've heard his voice before!"

Qin Yu sneered, "Only now did you react? Come, quickly call me father!"

The higher-ups on the other end said in a deep voice, "Little Bastard, you dare to play us!"

“Why wouldn’t I Dare?”Qin Yu said with a sneer.

“A bunch of idiots. With Your IQ, you still claim to be some higher-ups ?
Bullsh * T!”

The higher-ups on the other end gritted their teeth in anger, smoke coming out of their seven orifices.

“Little Bastard, just you wait, I’ll see how long you can be arrogant!”

“When we break this seal, I’ll definitely break your mouth! I’ll make you kneel down and beg for mercy!”

Qin Yu said sarcastically, “You treat your own father like this ? You’re really too much!”

“Just you wait. When we step into the second mystic realm, we’ll definitely kill you!”The higher-ups on the other side were on the verge of breaking down as they shouted.

After that, a series of curses came out from the passage.

Qin Yu was too lazy to waste time with them. He took advantage of them and left.

Just as he walked out of the first mystic realm, he bumped into Zhai Xing and pavilion master.

“You came out of seclusion ?”Seeing Qin Yu, Zhai Xing appeared to be quite surprised.

Qin Yu nodded and said, “Yes, I just came out of seclusion.”

Then, Qin Yu looked at pavilion master and said, “Pavilion Master, why are you here ?”

Pavilion master looked at Zhai Xing and wanted to say something, but he stopped.

Zhai xing coughed and said, “Qin Yu, I found her. After a few days of speculation, we found a place with good feng shui. I’m afraid there are top-tier spiritual artifacts there.”

“Top-tier spiritual artifacts?”Qin Yu frowned slightly.

For cultivators, besides their own strength, spiritual artifacts were also very important.

If they could really obtain a top-tier spiritual artifact, it wouldn’t be a problem for them to cross ranks and fight.

Many spiritual artifacts could even develop their own consciousness, and their own strength was even stronger than their master’s!

“That’s right.”Zhai Xing nodded.

“As long as you go to this place and obtain this spiritual artifact, these eight high-level officials aren’t worth mentioning.”

With that, Zhai Xing took out a map and handed it to Qin Yu.

The location was already marked on the map. This was an extremely remote country. Qin Yu had never even heard of it.

“This is the place,”Zhai Xing said.

“Don’t waste time. Let’s go now. Remember, no matter what, you must get this magic artifact. Don’t let it fall into the hands of others!”

Zhai Xing said it as if it was true, and there was a hint of panic in his eyes.

Qin Yu didn't think too much about it. He took the map and said in a low voice, "This.

time seems to be running out."

"There's time, there's definitely time!" Zhai Xing said.

"I've already arranged a private plane for you. Don't worry."

With Zhai Xing's ability, it wasn't difficult to arrange a private plane.

Qin Yu didn't think too much about it.

He picked up the map and nodded, "Okay, master Zhai Xing, thank you."

"Let's go quickly. Time is of the essence," Zhai Xing urged.

With that, a car drove over not far away.

Zhai Xing seemed to have arranged everything, Qin Yu did not need to worry at all.

"Thank you," Qin Yu thanked him again.

"Hurry up and get in the car." Zhai Xing personally opened the car door for Qin Yu.

After Qin Yu got in the car, he pulled down the window and said, "I'll be back as soon as possible."

"Okay." Zhai Xing hurriedly nodded.

The car quickly left and headed straight for the airport.

After the car was far away, Zhai Xing sighed slightly.

“This is the only way,”Zhai Xing said in a low voice.

Pavilion master frowned and said, “Are you sure that it’s safe there?”

“It’s safe,”Zhai Xing said coldly.

“It’s a very unique country. It’s almost completely closed off, and the news is also extremely blocked.”

“In the world, no one has even noticed their existence.”

Pavilion master pulled back the hair on his forehead and said in a low voice, “Qin Yu, I hope you can understand our painstaking efforts.

Chapter 1135:Chapter 1, 135, Yao Qing? !

There was no top-tier magic artifact there at all.

This was the countermeasure that Zhai Xing and the pavilion master came up with.

That was to trick Qin Yu away to escape this calamity.

He knew very well that Qin Yu would never abandon them and escape alone, so he came up with this plan.

“The hidden dragon country is a backward and chaotic place. Presumably, Qin Yu will encounter a lot of trouble there,”Zhai Xing said in a deep voice.

Hearing this, pavilion master immediately frowned.

“What do you mean?”Pavilion master asked.

Zhai Xing seemed to have seen through pavilion master's doubts, so he explained, "Don't worry. There aren't any top-notch martial artist there. Trouble is trouble, but no one can hurt him."

"That's true," pavilion master said in a low voice.

The current Qin Yu could even kill a mighty figure, so who could hurt him.

"Qin Yu, I hope you can step into the top and stand at the highest peak of this world, or even the entire universe..." pavilion master said in a low voice.

The car sped toward the airport.

On the way, Qin Yu took out a map.

The country marked on the map was called Hidden Dragon Country.

This name looked extremely intimidating, as if it was hiding some magical artifact.

"Hidden dragon country... interesting." Qin Yu picked up the map.

The car soon arrived at Jingdu Airport.

There were already people waiting for Qin Yu at the airport. The moment he got off the car, someone walked over.

"Is it Mr. Qin? The private plane has been prepared for you. Please follow me." A woman dressed as a stewardess walked forward and said.

"This Zhai Xing is really thoughtful..." Qin Yu thought to himself.

Regarding star Seizer's abnormal behaviour, Qin Yu did not think too much about it. After all, in a country like this, there was probably no route at all.

After boarding the plane, they headed towards the hidden dragon country.

The hidden dragon country was not too far away from the fire country, but the speed of the plane was not considered fast. Instead, it seemed like it was deliberately stalling for time.

This was not a car after all, and Qin Yu had no way to urge it, and could only wait.

After about eight hours, Qin Yu finally arrived at the Hidden Dragon Country.

"Is this the Hidden Dragon Country?" After getting off the car, Qin Yu looked at his surroundings and could not help but feel slightly surprised. The local customs of this country seemed to be slightly backward.

Short and small buildings could be seen everywhere, and there were not even a single tall building that was hundreds of meters tall.

"Hidden Dragon Country..." Qin Yu muttered in a low voice.

He released his divine sense and covered more than half of the country.

'What surprised Qin Yu was that there were not many martial artists here, but there was a half-step martial saint guarding it!

"Maybe there really is a spiritual artifact hidden here." Qin Yu thought to himself.

The map did not indicate the exact location, so Qin Yu had to rely on himself to find it.

‘When he walked out of the airport, the first thing he saw was the poor and destitute people.

People in shabby clothes could be seen everywhere. Some people were even begging.

The luxurious cars that whistled past formed a sharp contrast with this scene.

Qin Yu frowned slightly and could not help but sigh, “The more backward the place is, the greater the gap between the rich and the poor.”

Most resources were controlled by a very small number of people, which would inevitably cause the gap between the rich and the poor to be too large.

Although Qin Yu felt very uncomfortable, he could not change a society by himself.

Therefore, he could only silently take out his money and give it to everyone.

After doing all this, Qin Yu released his divine sense and found the location of the half-step martial saint.

Then, Qin Yu followed the location of this half-step martial saint and was ready to find him.

However, at this moment, a car sped over and blocked Qin Yu’s way.

Qin Yu glanced at the license plate and realized that it was a rolls-royce, a top-notch luxury car.

Soon, two young men got out of the car.

‘These two young men were dressed in a heroic manner, but their temperament was extremely like that of a hooligan.

“Kid, you’re quite rich.”One of the young men patted Qin Yu’s shoulder.

“Are you giving them money? Why? Are you a tycoon from a foreign country?”Another young man said with a strange tone.

A trace of coldness flashed across Qin Yu’s brows.

“Since you’re so rich, then take out all the money you have.”One of the young men took out a pistol and pressed it against Qin Yu’s head.

Qin Yu looked at them coldly and said, “Looking at your clothes, it doesn’t look like you’re short of money. Moreover, I’m giving them money. It doesn’t seem to be a hindrance to you, right?”

Hearing this, the two young men couldn’t help but look at each other and then burst into laughter.

“Kid, it seems that you don’t know the rules.”A young man sneered.

“If everyone is rich, doesn’t that mean that everyone is poor? I don’t have a sense of superiority, so what do I need money for?”

Qin Yu’s face turned black and he said coldly, “Who gave you the twisted logic?”

“Cut the crap! If you’re not in our circle, no one else is allowed to have money!”The young man shouted.

“Hand over the money, or I’ll shoot!”

Qin Yu's face was cold. His body shook slightly, and a terrifying internal Qi burst out!

These two young men did not even feel pain before they were instantly turned into a bloody mist!

After killing these two people, Qin Yu did not stay any longer. He got into the car and drove towards the direction of the half-step martial saint. After driving for less than half an hour, two cars had caught up with them.

They surrounded and blocked Qin Yu and even raised their guns.

"You don't know death." Qin Yu's face could not help but turn cold. He raised his palm and pinched lightly, and those cars were instantly crushed into scrap metal!

After dealing with these few stray fish, Qin Yu increased his speed and headed straight for the position of the half-step martial saint.

Soon, Qin Yu arrived at a huge field.

According to his divine sense, that half-step martial saint was here.

Besides that half-step martial saint, there were also several martial grandmasters and two martial marquises.

Qin Yu walked forward quickly. As soon as he approached, he was stopped by the two martial grandmasters.

"Who are you looking for?" One of the martial grandmasters asked coldly.

Qin Yu pointed at the courtyard and said, "I'm looking for a half-step martial saint here."

“Half-step martial saint?” The martial grandmaster frowned slightly.

“What’s your relationship with Mr. Yao?”

Qin Yu opened his mouth and said, “I’m his friend.”

“Friend? Then... What’s Mr. Yao’s name?” The Martial Grandmaster continued to ask.

Qin Yu gradually lost his patience, and the pressure on his body was suddenly released!

Under this pressure, all the martial grandmasters were instantly unable to move!

“You... who exactly are you...” the martial grandmaster used all his strength to spit out these words.

“Quick, quickly call Mr. Yao, someone is trying to force their way in!” Someone inside shouted.

Qin Yu didn’t say a word. Just as he was about to enter the courtyard, a figure rushed over and appeared in front of Qin Yu in an instant.

“Who has the guts?” A cold voice sounded in Qin Yu’s ear.

Qin Yu raised his head and was about to speak when he froze on the spot.

“Yao... Yao Qing? !”

The person in front of him was actually Yao Qing? The young man who had first followed Qin Yu!

Chapter 1136: Chapter 1, 136, War Machine

In front of him, Yao Qing's expression had become somewhat cold. At the same time, there was a hint of determination.

He had a head of short white hair and looked quite energetic.

As for his strength, he had already reached the half-step martial saint stage. He was actually only a step away from becoming a martial saint! 'When Yao Qing saw the person in front of him clearly, he was instantly stunned.

He walked quickly to Qin Yu and said in a trembling voice, "You are... Mr. ... Mr. Qin? !"

Qin Yu did not waste any more words and pulled Yao Qing into his arms.

"Why the F * CK are you here! You haven't contacted me for such a long time!" Qin Yu was both excited and angry.

Yao Qing also hugged Qin Yu's back tightly and said in a low voice, "I thought you were dead."

"You're the one who's F * CKING DEAD!" Qin Yu kicked his butt.

Yao Qing, who was in front of Qin Yu, immediately reverted back to his lowly appearance.

He grinned and said, "Back then, it was rumored that you were dead. When the tree fell, the monkeys scattered. Then, I had no choice but to run away."

Qin Yu rolled his eyes and said, "F * CK Your Grandpa! I thought you had an accident."

“alright, let’s not talk here. Let’s go in quickly.” Yao Qing pulled Qin Yu and said.

‘The two of them walked into the big courtyard.

‘When they passed by the courtyard, Qin Yu could see that there were people training around them.

Although they were not very strong, their cultivation methods were very standard.

Obviously, these people were all Yao Qing’s disciples.

‘They walked into the room and sat down. Someone immediately poured tea for Qin Yu and Yao Qing.

“Alright, you guys can go out first.” Yao Qing waved his hand and said.

After sending everyone away, Qin Yu said impatiently, “Why didn’t you go back to look for me?”

Yao Qing said with a wry smile, “At that time, I had already given up hope. I really thought that something had happened to you. In order to prevent any accidents, it took me a lot of effort to find such a place.” He pointed to the surroundings and said, “The information here is blocked. It’s completely like a paradise isolated from the outside world.” “The news from the outside can’t come in, and the news from here can’t go out either.”

At this point, Yao Qing paused for a moment and asked in return, “By the way, how did you come to such a place?”

Qin Yu took a sip of tea and immediately told Yao Qing his purpose.

“[heard that there is a supreme-grade magic weapon here. I need this magic weapon very much right now, “said Qin Yu.

Yao Qing sneered, “Supreme-grade magic weapon? Do you think there is a supreme-grade magic weapon here?”

Qin Yu frowned, “But... Zhai Xing and pavilion master clearly told me that the magic weapon is here.”

“Impossible!” Yao Qing shook his head.

“I’ve been here for more than a year. I know everything here like the back of my hand.”

“This is a piece of wasteland, a piece of wasteland abandoned by the world. It’s already pretty good to be able to cultivate here. What kind of magic artifact do you expect to have?”

Qin Yu remained silent.

It wasn’t that he didn’t trust Yao Qing, but he was worried that with Yao Qing’s ability, he wouldn’t be able to discover that magic artifact.

“Forget it, I’ll bring you around.” Yao Qing simply stood up and said.

Qin Yu nodded slightly and agreed.

He had the desolate God’s eye, so he could discover treasures that others could not.

The Hidden Dragon Country was not considered big, and Qin Yu had the desolate God’s eye, so his sight could cover an extremely large area. Therefore, the two did not spend too long to search the entire hidden dragon country.

Just as Yao Qing said, not to mention the spiritual artifacts, even the cultivation resources here were almost exhausted.

“Strange.” Qin Yu couldn’t help but frown slightly.

“Could it be that... they are lying to me?”

It didn’t make sense. Pavilion Master was Qin Yu’s most trusted person. How could she lie to him.

Everything needed a reason. Qin Yu sat on the sofa with a frown, combing through the whole incident from the beginning.

Soon, Qin Yu realized that something was wrong.

At that time, the pavilion master didn’t say a word, and Zhai Xing’s behavior was also extremely abnormal.

“Oh no!” Qin Yu suddenly stood up as if he had thought of something!

“They are probably afraid that something will happen to me, so... They deliberately sent me away!”

Thinking of this, Qin Yu looked at Yao Qing and said, “I have to go back immediately.”

“In such a hurry? I even asked someone to prepare dinner...” Yao Qing said in surprise.

Qin Yu shook his head and said, “I don’t have so much time. I Won’t eat dinner. I’ll leave now.”

After saying this, Qin Yu hurriedly got up and prepared to rush to the airport.

“I’ll go with you,” Yao Qing said hurriedly.

Qin Yu didn’t have time to argue with Yao Qing, so he nodded and agreed.

After arriving at the airport, Qin Yu found that the plane had long disappeared.

This more confirmed Qin Yu’s idea.

Such a long distance, wait for Qin Yu to walk back, I’m afraid the daylily is cold.

“Yao Qing, think of a way to help me get a plane to the fire country.” Qin Yu said in a cold pyro.

Yao Qing shook his head and said: “There is no plane here to Pyro.”

Qin Yu’s face changed slightly.

His eyes could not help looking at the planes parked in the airport.

‘As long as Qin Yu is willing, he can snatch a plane.

The laws of the Hidden Dragon Kingdom can not restrict Qin Yu at all.

“But I still have a way.” At this time, Yao Qing’s tone changed.

Qin Yu hurriedly looked at Yao Qing and said, “What method?”

“There is an extremely large family in the hidden dragon country. Their family has their own private jet. Perhaps, we can borrow it from them,” Yao Qing said.

“Then don’t waste time. Quickly find them,” Qin Yu said in a hurry.

However, Yao Qing shook his head and said, “They have never been on good terms with me. I’m afraid they won’t give me this face.”

“You are a half-step martial saint. You Don’t need to give them face. If they don’t give you face, they will take it,” Qin Yu said coldly.

Yao Qing said with slight embarrassment, “I would like to, but... They paid a high price to import a war machine from abroad. I am not a match for that war machine at all.”

Qin Yu frowned suddenly.

This Yao Qing was a half-step martial saint. How could that so-called war machine be so powerful?

“Mr. Qin, don’t underestimate modern military weapons.” Yao Qing said in a deep voice.

Qin Yu’s face turned cold. He looked at Yao Qing and said, “Take me to them.”

Chapter 1137:

Chapter 1,137, scrap metal

Yao Qing reminded him, “Mr. Qin, they are high-tech war machines. I don’t know what materials they are made of, but they are extremely hard.”

“[have already stepped into the half-step martial saint realm, but I am still not their match. You.

Yao Qing did not continue, but his intention was obvious.

Qin Yu raised his eyebrows and said, “Then what realm do you think I’m at Now?”

Yao Qing sized up Qin Yu from head to toe and then said with a smile, “Mr. Qin, although you were much stronger than me before, I’ve been training with all my might over the past year.”

“In the era where Martial Saints did not appear, I was almost the strongest!” Yao Qing said with extreme pride.

Upon hearing these words, Qin Yu could not help but laugh.

This hidden dragon country had completely fallen behind the times.

“Alright, stop talking and quickly set off.” Qin Yu waved his hand and said.

Seeing that Qin Yu was so insistent, Yao Qing did not say anything more and immediately drove Qin Yu away from the airport.

Hidden Dragon Country was a place where the rich and poor were extremely unequal.

Almost all the wealth was in the hands of the Ding family.

It was not an exaggeration to say that their family controlled 99% of the resources of hidden dragon country. It was extremely terrifying.

‘The car soon arrived at the door of the Ding family.

In such a poor hidden dragon country, there was a huge villa and manor.

This manor was not inferior to the Yan family’s manor.

Looking at the dilapidated buildings around, this ding family manor seemed out of place.

Standing at the door, Qin Yu’s face couldn’t help but turn cold.

The actions of the Ding family were extremely disgusting, even more disgusting than the martial arts association of Jingdu.

This made Qin Yu feel a trace of killing intent rise in his heart.

“Lead the way,”Qin Yu said.

Yao Qing grunted in gratitude. He led Qin Yu through the manor in large strides and walked straight into the villa.

‘As soon as they entered the door, they saw many bodyguards standing in the room. Each of the bodyguards was armed with bullets, and they were quite vigilant.

“Go and call Ding Yuan out. Tell him that Yao Qing is looking for him,”said Yao Qing.

Yao Qing seemed to be quite famous in the hidden dragon country. When the people here heard the name Yao Qing, a trace of panic flashed across their faces.

“Mr. Yao, Please Wait a moment,”said one of the bodyguards.

After saying that, the bodyguard hurriedly walked away.

“How is it? Is My Reputation Alright?” Yao Qing said with great pride.

Qin Yu did not say anything. He sat on the sofa with his eyes slightly closed.

Not long after, a middle aged man came down from upstairs.

After seeing Yao Qing, the middle aged man said with a faint smile:

“What a rare guest. What brings Mister Yao Here?”

Yao Qing did not waste any time and went straight to the point: “My Friend is returning to the fire country, lend me your private jet.”

“Lend it to you?” Ding yuan scoffed and said: “Why should I lend it to you?”

Yao Qing said in a deep voice: “Just take it that I, Yao Qing, owe you a favor.”

“A favor? Haha, sure, if you are willing to work for me, I can lend you my jet.” Ding Yuan said lightly.

Yao Qing frowned and said, “Ding Yuan, you and I are not the same kind of people. You...”

“Then let’s not talk about it. Please go back,” Ding Yuan snorted.

Yao Qing opened his mouth and was about to say something when Qin Yu, who was at the side, said coldly, “You have to borrow it even if you don’t want to.”

Ding Yuan, who was about to go upstairs, suddenly stopped.

He said with a gloomy face, “Kid, what did you say?”

“I don’t want to repeat myself,” Qin Yu said coldly.

“I think you’re courting death! You came to my Ding family to behave atrociously. Are you tired of living?” Ding Yuan said angrily.

Qin Yu looked at Ding Yuan coldly and said slowly, “I think a family like your Ding family doesn’t need to exist anymore. Well, let’s disappear from today on.”

“What big words!” Ding Yuan was instantly enraged!

He looked at Yao Qing coldly and said, “Yao Qing, this kid is tired of living, right? I’ll give you face and tell him to get lost immediately. Otherwise, don’t blame me for being Rude!”

Before Yao Qing could speak, Qin Yu said indifferently, “Take out your scrap metal. It just so happens that I want to see it too.”

“Scrap metal?!” Ding Yuan was stunned. Then, he squinted his eyes and said, “Kid, what do you mean?”

Qin Yu sneered, “Didn’t you spend a lot of money to buy some war machine from abroad? Take it out.”

“You said that was scrap metal?!” A trace of anger flashed across Ding Yuan’s face.

Beside him, Yao Qing said in a low voice, “Mr. Qin, that is really not scrap metal! There is an organization overseas that has tested it. That War Machine is very powerful and is on par with a martial saint!” However, Qin Yu did not pay attention to Yao Qing’s words. He

narrowed his eyes and said, "If you don't take it out now, you won't have a chance."

Ding Yuan was so angry that he laughed instead. He pointed at Qin Yu and said, "Good, good. You Brat who doesn't know the immensity of Heaven and earth. Today, I will let you experience what is called high-tech Power!"

After he finished speaking, a figure flew out from behind him with a swoosh!

His entire body was emitting a cold steel color, and his body was loaded with all kinds of weapons!

'This was the war machine that Ding Yuan had spent a high price to customize! It was extremely powerful!

Since things had come to this point, Yao Qing knew that there was no way out. He could only stand up slowly.

His body was emitting the internal Qi of a half-step martial saint. A great battle was about to break out at any moment!

Ding Yuan sneered, "Yao Qing, you still don't know how to repent for not killing you last time, right? Fine, since you can't be used by me, then you can go to hell!"

After he finished speaking, Ding Yuan ordered the war machine, "Kill them!"

The war machine suddenly stretched out its hand, clenched its fist, and smashed it towards Qin Yu!

Qin Yu sat there without moving an inch, allowing the iron fist to smash onto his body.

“Clang!”

A sound that sounded like the collision of iron and steel resounded throughout the room!

Qin Yu sat there without moving an inch. Not a single scratch was left on his body!

“Just this little bit of strength, if it’s not scrap metal, then what is it?”

Qin Yu said coldly.

As he spoke, Qin Yu’s internal Qi instantly spread out.

The martial saint’s pressure filled the entire ding manor!

Chapter 1138:

Chapter 1, 138, The Guardian of the Dao

This aura shook all the internal qi and caused everyone to kneel down in an instant!

Even Yao Qing, who was half step into the martial saint realm, could not withstand this pressure. His body made cracking sounds!

“Mr. Qin, you... You’ve become a martial saint? !” Yao Qing exclaimed in shock.

Qin Yu did not speak. He slowly raised his hand and grabbed the war machine’s wrist. Then, a huge force came from Qin Yu’s palm.

Under this huge force, the war machine's wrist twisted at a speed visible to the naked eye.

“Crack!”

With a clear sound, the war machine was directly crushed!

Ding Yuan on the second floor immediately opened his eyes wide!

“My Babe!” Ding Yuan shouted with a pained expression!

“You can live freely in the hidden dragon country just by relying on this scrap metal?” Qin Yu said coldly.

In the next second, Qin Yu's fist was dyed with golden light.

“Boom!”

With a loud sound, his fist instantly smashed towards the war machine!

‘With just one punch.

This war machine was directly smashed into pieces, turning into pieces and pieces!

Ding Yuan's face was extremely terrified. He didn't expect that this young man in front of him actually had such terrifying strength!

“Sir, let's discuss this! I'm willing to lend you the plane!” Ding Yuan saw that things were not going well and hurriedly changed his words!

Qin Yu sneered, “There's no need. I've said it, the Ding family will disappear from today onwards.”

As he spoke, Qin Yu's body floated into the air.

His palm emitted a blazing radiance.

This radiance was like a small sun, condensing in his palm.

In the next second, Qin Yu gently pulled his palm forward.

'The radiance fell from the sky, becoming larger and larger.

"Boom!"

The moment it landed, the entire Ding family manor was instantly moved to the ground!

Under this pure spiritual energy, everyone was wiped out in an instant. They didn't even feel any pain!

Looking at the nearly abandoned Ding family manor, Yao Qing couldn't help but swallow his saliva. His throat felt dry.

"As expected of Mr. Qin, I thought I had already caught up to you... .." Yao Qing could not help but laugh bitterly.

Qin Yu looked at Yao Qing and said: "There is already a mighty figure that has been bom in this world, your information is too limited."

Yao Qing turned pale with fright, he still wanted to ask something but was interrupted by Qin Yu with a wave of his hand.

"Hurry up and find a plane to return to the fire country," Qin Yu said Pyro.

With the private jet of the Ding family, it would not be difficult for the two of them to return to the fire country. It would be a pyro trip to the fire country.

The plane flew across the sky and rushed towards the fire country at an extremely fast speed.

Yao Qing had never expected that the entire world had changed after he had disappeared for more than a year.

“I thought that I was unable to become a martial saint because of the restrictions of heaven and earth. Now, it seems that it is purely a problem with my brain.” On the plane, Yao Qing could not help but mutter.

Qin Yu glanced at him and said: “You are able to step into the half-step martial saint realm in a little over a year’s time. You should be satisfied. Moreover, if you want to step into the martial saint realm, you must rely on comprehending your own dao techniques.”

On the way, Qin Yu told Yao Qing about his experience of stepping into the martial saint realm and asked Yao Qing to find his own dao techniques.

After about four to five hours, the plane finally arrived at the fire country’s pyro.

As soon as he got off the plane, Qin Yu could not wait to rush towards the second mystery dimension.

At this moment, the second mystery dimension had already made its preparations.

Besides the pavilion master and Zhai Xing, the rest of the people had all been evacuated.

They stood at the crack and said quietly, “According to this speed, they will be able to descend into the second mystery dimension the day after tomorrow.”

“That’s right.” There was a hint of worry in the Pavilion Master’s voice.

“This time... I’m afraid we won’t be able to escape this calamity.”

Zhai Xing was quite open-minded. He smiled and said, “Speaking of which, my life can be considered to have been picked up. I’m already satisfied to be able to live for so many more days.”

“You’re satisfied just by living for a few more days? In order to enter the saint realm, those mighty figures would rather seal themselves away for hundreds of years or nearly a thousand years. You’ve only lived for a mere hundred years or so. Are you planning to give up?”

At this moment, a voice came from behind them.

Hearing this voice, the expressions of pavilion master and Zhai Xing changed drastically!

They turned around and looked in shock at Qin Yu, who was walking towards them.

“Qin Yu, you... Why Are You Back?” Zhai Xing’s face was filled with disbelief.

Qin Yu snorted lightly. “Lord Zhai Xing, you guys really went through a lot of trouble.”

“You... You Already Know?” Zhai Xing’s brows were tightly knitted together, as though he was somewhat unwilling.

Qin Yu said in a deep voice, “This matter was caused by me to begin with. It should be me who solves it.”

“Qin Yu, Don’t blame senior Zhai Xing. He’s doing this for your own good, “pavilion master said in a low voice.

“Zhai Xing and I have discussed for many days while you were in seclusion. Letting you leave is probably the best method.”

“Qin Yu, you are absolutely no match for those eight mighty figures.”Zhai Xing took a deep breath.

He grabbed Qin Yu’s shoulder and said in a deep voice, “With your talent, you should go and compete with those geniuses of the Holy Region! You Shouldn’t Die Here!”

Qin Yu didn’t say a word. No one knew what he was thinking.

“If you really don’t want to leave, go find your father and think of a way to get your father to take action!”Zhai Xing said in a deep voice.

“as long as your father is willing to take action, a mere eight mighty figures aren’t worth mentioning at all!”

However, as soon as these words were said, they were denied by the pavilion master.

She shook her head and said, “I’ve said it before. The Dao Protector can’t possibly take part in this matter. Once he takes action, he will definitely be punished by the Great Dao.”

“Moreover, do you think we can find the Dao Protector with just us?”

Qin Yu opened his mouth. Just as he was about to speak, Yao Qing came forward and said, “Isn’t it easy? Can’t we just find someone to pretend to be the Guardian?”

The scene fell into half a second of silence.

“It seems... reasonable.” Half a second later, Zhai Xing whispered.

“Why didn’t we think of this method?”

Even Qin Yu couldn’t help but look at Yao Qing in surprise.

“You Brat... Your Brain is quite smart...” Qin Yu didn’t know whether to laugh or cry for a moment.

Yao Qing said proudly, “Over the past year, I haven’t been doing this for nothing. I’ve heard some things about the Dao Guardian.”

“It’s said that no one has seen him. Since no one has seen him, then anyone can be a dao guardian. You can be one, and I can be one too!”

After saying that, Yao Qing’s palm shook as he took out a black robe.

He put on the black robe to cover his face and said mysteriously, “How dare you! If you see a dao protector, hurry up and kneel down!”

Chapter 1139:

Chapter 1,139, the descent of the higher-ups!

Seeing Yao Qing’s serious appearance, Qin Yu and the other two exchanged glances.

“You are the only one who has seen the Dao Protector. What do you think? Does he look like one?” Zhai Xing looked at Pavilion Master.

Pavilion master sized up Yao Qing in front of him and said, "His aura is a bit lacking. The Dao Protector has a natural disposition."

"That's right." Qin Yu also nodded slightly.

Although he had never seen him in person, he had seen him more than once in his divine sense.

"However... the difference isn't too big. If you haven't seen him before, you shouldn't be able to tell that something is fishy." At this moment, Qin Yu changed the topic.

Pavilion Master had the same thoughts regarding this.

Although there was a difference, as long as Yao Qing didn't play the Fool, no one should suspect him.

"Have to say, your brain is pretty good."

in Yu hit Yao Qing on the chest.

Yao Qing said proudly, "Of course!"

"Then it's settled. I'll leave this matter to you." Zhai Xing looked at Yao Qing.

Yao Qing hurriedly nodded and said, "Okay, but if the performance fails, don't blame me."

"As long as you're not nervous, the performance shouldn't fail," pavilion master said.

Qin Yu said jokingly, "He's so thick-skinned, he won't be nervous."

'With Yao Qing's countermeasure, Qin Yu was indeed relieved.

It was definitely not a wise choice to fight with eight higher-ups now, but it had to be said that at this moment, Qin Yu was looking forward to the opening of the Holy Region.

Because as long as the holy region was opened, Qin Yu would have the chance to meet Yan Ruoxue, the person whom he had been longing for day and night.

Qin Yu subconsciously took out the jade pendant and kissed it lightly.

In fact, if Qin Yu crushed the jade pendant, he might have escaped death, but... Qin Yu didn't want to let the Yan family help him, and he didn't want to disappoint Yan Ruoxue.

After returning to the main hall, Qin Yu asked Yao Qing to leave for the time being, waiting for an opportunity to make a move.

As for Qin Yu, Pavilion Master, and the others, they were quietly waiting for the arrival of the eight higher-ups.

At this moment, many people had already arrived upon hearing the news.

They all knew that the holy region was about to open, and everyone wanted to see the opening of the Holy Region.

'When evening arrived, Yao Meng, Chang Mang, and the others had also arrived.

During this period of time, they had relied on the strange flowers that they had obtained from the Cloud Dragon Island to enter closed-door cultivation. Under the effects of the three strange flowers, their internal Qi had increased.

"How is it? Can you feel the aura of an intermediate martial saint?" Qin Yu looked at Yao Meng and asked casually.

Yao Meng smiled and said, "If there are three more, it should be more or less the same."

"That's right, but the effects of these three strange flowers are indeed beyond our imagination." Zhuang Teng who was at the side also said.

When Qin Yu heard this, he could not help but sigh in his heart.

According to Yao Meng, they only needed six strange flowers to step into the intermediate stage of the martial saint stage.

However, Qin Yu had spent dozens of flowers to barely touch the edge of the intermediate stage of the martial saint stage.

'There are gains and losses in life. The chaotic body gave Qin Yu a powerful physical body. At the same time, it also made his cultivation much more difficult than the others.

Qin Yu glanced at Xiao Yuan and realized that this person's aura was extremely hazy. It was as if he had used some secret technique to conceal his internal Qi.

At this rate, these people's realms would surpass Qin Yu sooner or later.

This also increased the pressure on Qin Yu.

If he didn't want to be left behind, he could only put in more effort.

"According to Tianjizi's words, the Holy Region will open tomorrow," Xiao Yuan sighed slightly.

"Yeah, I really want to take a look at the legendary Holy Region," the others also said.

Qin Yu didn't say anything. In reality, the one who was most anxious was Qin Yu.

Hopefully, nothing will happen to Yao Qing Tomorrow, Qin Yu thought to himself.

In order to prevent the news from leaking out, only the four of them knew about this.

Even Chang Mang didn't know anything about this.

Time flew by.

'The next morning, the crack in the passageway grew even larger. It looked like it was the size of a bucket!

This size was enough to support the descent of the eight high-ranking officials!

Zhai Xing and the pavilion master arrived at the crack in the tunnel early in the morning.

Looking at the crack that was about to collapse, a trace of worry flashed across their faces.

"Don't stand here anymore." At this time, Zhai Xing suddenly said.

"Those eight high-ranking officials might directly kill us when they appear."

Pavilion master nodded. Then, he returned to his room with Zhai Xing.

'The second secret realm was full of people.

Many people were waiting for the legendary holy region to open.

“Holy region, we can finally see the legendary holy region.”

“Don’t be happy too early. You have to know that high-level civilizations always slaughter low-level civilizations.”

“Before the opening of the Holy Region, no one knows what kind of existence they are and what kind of personality they have.”

Just as everyone was discussing, a loud sound suddenly came from the depths of the second secret realm!

The sound was like the roar of a dragon and tiger, deafening and deafening, as if thousands of soldiers and horses had crossed the border in an instant!

The entire second secret realm shook as if the world was about to collapse. Countless pillars fell from the hall at any moment!

In the depths of the second mystic realm, a blinding light tore through the sky!

The seal was completely shattered!

“What a blinding light!”

“I feel like... Im going blind!”

“Is the sun setting?”

Many people covered their eyes and peeked through the gaps in their hands.

‘Those who couldn’t Dodge in time were blinded by the light and lost their light for a short period of time!

Eight people slowly walked out from the light.

These eight people looked down from above, domineering, and had the power to Swallow Mountains and rivers!

Their natural imposing manner and the indifferent expressions on their faces made people involuntarily have the thought of worshipping them!

And their astonishing eyes swept over the second secret realm as if they were looking down on a bunch of ants!

‘The True Masters of the Martial Arts Association of Jingdu, the eight high-ranking officials, were born!

Chapter 1140:

Chapter 1,140, confusing the real with the fake?

These eight high-ranking officials were like gods as they looked down on everyone.

The dazzling light emitted from their eyes seemed to be forcing people to kneel!

The eight high-ranking officials had finally appeared.

Qin Yu, who was in the main hall, naturally felt these abnormal internal QI.

“It’s those eight mighty figures...” Yao Meng’s voice was slightly trembling.

“Fear them a little. At most, they’ll die!” Chang Mang said coldly.

Other than Chang Mang, the others didn’t say anything.

It was very obvious that they didn’t want to offend these eight high-ranking officials for Qin Yu’s sake.

Of course, Qin Yu didn’t blame them. In a life-and-death situation, everyone was afraid.

Therefore, Chang Mang’s feelings were even more precious.

“It’s a blessing, not a curse. If it’s a curse, it can’t be avoided.” Qin Yu put down the Teacup in his hand and slowly stood up.

He clearly remembered what the eight high-ranking officials had said.

Once they met, they would kill Qin Yu immediately.

Therefore, Qin Yu did not dare to be negligent and immediately used all his trump cards!

The battle word formula, the Divine Dragon Mark, the green wood true body, and all the other trump cards were unleashed at this instant!

A powerful internal Qi flow instantly appeared around Qin Yu’s body.

This internal Qi flow even made the martial saint feel a little uncomfortable!

“What a powerful internal Qi!” Zhuang Teng exclaimed.

Not only Zhuang Teng, but Yao Meng and the others were also shocked by the powerful internal Qi on Qin Yu’s body!

Even Xiao Yuan, who had always been silent, had a trace of surprise flash in his eyes.

Qin Yu didn't say anything more. He turned around and planned to leave.

“Qin Yu, be careful, “pavilion master said in a low voice.

At this time, they couldn't help.

Qin Yu nodded and said, “I will.”

‘Then, Qin Yu walked out of the hall and approached the eight higher-ups step by step.

At this time, many warriors in the second secret realm had already knelt on the ground and worshipped the eight higher-ups.

‘Mu Qiang’s mentality made them want to lick the toes of these eight people.

“Where’s Qin Yu?”

Finally, a high-ranking official spoke.

‘The one who spoke was Yan Yongfu, the leader of these eight high-ranking officials.

That voice was like thunder, deafening.

The people below looked at each other, not knowing how to answer.

“I’m asking you, Where’s Qin Yu? Tell him to come out and see me,”Yan Yongfu spoke again.

“There’s no need to look for him. I’m Coming.”

At this moment, Qin Yu had already walked over.

He stood below and raised his head to look at the eight high-ranking officials coldly.

Yan Yongfu narrowed his eyes and sneered, “Qin Yu, do you still remember me?”

Qin Yu said in a neither servile nor overbearing manner, “If my guess is correct, you should be the one who possessed Gu Zizhen’s body.”

“That’s right!” Yan Yongfu shouted.

“You destroyed my foundation and killed my disciples. What crime do you have to commit?”

Qin Yu frowned slightly and said, “Go to Hell. Why are you saying so much nonsense? At this time, is there a need to talk such nonsense? If you want to kill me, just say it.”

“Hahahaha!” Yan Yongfu could not help but burst into laughter.

“You are right. I just want to kill you. You should still remember what I said back then. I will let you know the true strength of a mighty figure!”

After saying that, Yan Yongfu waved his sleeves at Qin Yu!

A breeze-like internal Qi shot towards Qin Yu!

This internal Qi was obviously very ordinary, but the power contained within it was something Qin Yu had never seen before!

He hurriedly raised his arms and placed them in front of his chest!

“Boom!”

That internal Qi still smashed fiercely onto Qin Yu's body!

At the instant of the collision, Qin Yu's body instantly shot backwards explosively!

Dense cracks appeared on the QINGMU true body. It did not even last a second before it directly exploded!

The golden light that covered Qin Yu's body directly turned into powder and disappeared without a trace!

Even with the true body of Greenwood as a buffer, this force still directly shattered Qin Yu's chest, causing his internal organs to be distorted! Qin Yu's body shot out hundreds of meters and fiercely fell to the ground.

“pul”

A mouthful of fresh blood was spat out from Qin Yu's mouth!

‘When everyone saw this, they were all shocked!

Just a single palm had already caused Qin Yu to be in such a sorry state ?

One had to know that not long ago, Qin Yu had just beheaded a mighty figure!

“Is this the strength of a true mighty figure...”Qin Yu wiped the blood from the corner of his mouth and stood up from the ground.

Not far away, Yan Yongfu frowned slightly and snorted coldly, “He actually didn't die?”

This palm strike seemed to be a casual wave, but in fact, it was the condensation of all his internal Qi and battle intent. Not to mention that it contained his life's ultimate technique, it was almost enough! However, what Yan Yongfu did not expect was that this palm actually did not kill Qin Yu!

“As expected of someone who can make the Jingdu martial arts association suffer a loss. In this case, I will have to kill you even more.” Yan Yongfu's tone contained an extreme coldness. He raised his palm, as if he was preparing some extremely terrifying move.

At the same time, the eight people beside him also raised their hands, intending to use a lightning strike to directly kill Qin Yu!

“Stop!”

At this moment, a voice came from the dark!

Turning around, they saw a man in a black robe, whose face was covered, slowly walking out.

“Damn it, why did you come so late? If you were any later, I might REALLY DIE!” Qin Yu couldn't help but curse in his heart!

However, Yao Qing didn't pay attention to Qin Yu. He directly walked past Qin Yu and arrived in front of the higher-ups in a few steps.

“Who are you?” Yan Yongfu asked with a cold face.

“Dao Protector.” Yao Qing spat out these three words coldly.

His voice seemed to have undergone some special treatment and was completely different from Yao Qing's.

“You... You Said... Who Are You? !”Yan Yongfu’s expression instantly changed!

“Do you want me to repeat myself a second time?”Yao Qing said coldly.

These concise words, coupled with his cold tone, had a certain temperament.

Even Qin Yu couldn’t tell whether this person was a dao protector or not..

Chapter 1141:Chapter 1, 141 was exposed? !

At this moment, Yao Qing’s internal Qi was extremely calm, like a pool of water.

There was clearly no internal Qi fluctuation, but it made people feel that it was unfathomable.

This was the aura of a top expert.

Looking at Yao Qing in front of him, Qin Yu couldn’t help but scratch his head.

With this kid’s acting skills, if he were to go into the entertainment industry, he would probably become the best actor.

The few higher-ups not too far away did not have Qin Yu’s idle mind.

They looked at the man in black robes in front of them, and sweat continuously broke out on their foreheads.

The fear that rose from the bottom of their hearts made them not have the slightest intention of resisting.

“You... you are a guardian of the path? Why did you come here...” Yan Yongfu took the lead to put down his strong stance and put away his edge. His voice was a little shaky.

The rest of the people were sweating profusely. Some of them were even trembling.

The surrounding crowd was all shocked!

Those were eight mighty figures! Just a moment ago, they had the appearance of a deity descending to the mortal world. Why did they suddenly change their demeanor?

Most people didn't have any concept of a dao protector. In fact, they didn't even know any dao protectors.

Therefore, they were naturally shocked by the stance of a mighty figure.

“Let's go.” Yao Qing only spat out two words.

However, how could Yan Yongfu be reconciled in his heart? He smiled embarrassedly and said, “Lord Dao Protector, I know about the relationship between you and Qin Yu, but...”

“I told you to leave, don't you understand?” Yao Qing interrupted Yan Yongfu's words.

Yan Yongfu immediately shut up.

His throat rolled and he gulped, but he could not say a word.

“What? Do you want to challenge the dignity of the Guardians?” Yao Qing asked again.

He slowly raised his foot and took a step forward.

This move was undoubtedly very dangerous!

Not only was Yan Yongfu nervous, even Qin Yu's heart was hanging in the air!

“This kid is addicted to acting, right?” Qin Yu cursed in his heart.

If that Yan Yongfu made a move to test him, it would be troublesome!

“I don't dare, I don't dare...” but Yan Yongfu quickly made his choice. He cupped his hands and said, “We naturally don't dare to Challenge Your Majesty. I just want to ask you for one thing.”

Speaking up to this point, Yan Yongfu looked at Qin Yu and said in a deep voice, “I can guarantee that I'll let him off today, but you also have to make him make a promise.”

“Promise?” Yao Qing raised his head slightly.

Yan Yongfu said in a deep voice, “That's right. I want Qin Yu to promise that when he steps into the Almighty realm, he won't look for us to settle the score.”

Clearly, Yan Yongfu and the others were afraid! They Were Afraid of the future Qin Yu!

Yao Qing looked at Qin Yu as if he was waiting for Qin Yu's answer.

Qin Yu said in a deep voice, “Sure.”

However, Yan Yongfu did not stop there. He looked at Qin Yu coldly and said, “I want you to use your blood essence as a guide and swear to the Heavenly Dao. If you break your promise, your body and soul will be

destroyed!”

Hearing this, Qin Yu’s expression immediately became a little ugly.

‘Once he swore to the Heavenly Dao, there would be no way out.

If he really broke his promise, he would be punished.

“As long as you’re willing to promise, we’ll leave now,”Yan Yongfu said coldly.

Qin Yu looked at Yan Yongfu and said coldly, “I won’t agree.”

The moment these words were said, the entire place was in an uproar!

This Qin Yu actually didn’t agree? These eight mighty figures had already made a concession, but he actually took advantage of them?

“I’ve sworn an oath. Everything you’ve done to Yan Ruoxue, I’ll pay you back twice as much. I’ll kill you all sooner or later,”Qin Yu said coldly.

Yan Yongfu’s expression gradually turned cold.

“Lord Dao Protector, you heard it. If we let him go today, we’ll be the ones to die in the future!”Yan Yongfu said coldly.

In response, Yao Qing said coldly, “Are you bargaining with me? Do you have the right?”

Yan Yongfu’s expression suddenly changed, and a trace of anger flashed in his eyes.

“You don’t seem to be convinced.”Yao Qing took another step forward.

This action almost scared Qin Yu to death!

Was Yao Qing crazy? It was enough. After all, it was a fake!

If he was exposed, it would be troublesome!

However, Yan Yongfu subconsciously took a step back.

He hurriedly withdrew his killing intent, cupped his hands, and said,
“Lord Guardian, I... I don’t dare.”

“Then let’s go,” Yao Qing said coldly.

“Yes... We’ll leave right away...” Yan Yongfu said in a trembling voice.

Although Qin Yu was a hidden danger in the future, it was still better than dying in the hands of the Guardian.

Moreover, whether Qin Yu could grow up or not was still unknown.

Hearing Yan Yongfu’s words, Qin Yu also heaved a sigh of relief.

What a close call!

But it had to be said that this kid, Yao Qing, was really too bold!

He was clearly a fake, yet he dared to press on step by step! Such a state of mind was truly admirable!

Seeing this, Yao Qing did not say anything more and turned around, intending to leave.

“Wait.”

At this moment, a higher-up suddenly spoke.

His eyes emitted a bright light as he rushed straight towards Yao Qing.

Qin Yu's expression changed slightly, and his heart instantly became nervous.

The higher-up looked at Yao Qing coldly and said, "Doesn't the Guardian not care about the affairs of the world? Moreover, we have lived for many years and have never seen the Guardian."

Yao Qing's back was facing the higher-up, and he said coldly, "What do you mean?"

The higher-up said indifferently, "Nothing much. I just have some doubts about your identity."

"I wonder if Lord Dao Protector can take my palm and let me see how powerful the Dao Protector is?"

'As soon as these words were said, Qin Yu's expression instantly became extremely ugly!

Oh No! He was going to be exposed!

Chapter 1142:Chapter 1, 142, the true guardian of the Dao? !

'The high-ranking official's entire body was exuding an overbearing internal QI, and his palm was also brewing a terrifying spell.

Qin Yu's expression was extremely unsightly, and he couldn't help but clench his fists.

‘With Yao Qing’s strength, he definitely wouldn’t be able to take a palm strike from a mighty figure!

“EF * ck, I still failed in the end.”Qin Yu took a deep breath.

Now that things had come to this, Qin Yu had no other choice but to fight them to the death.

Just as Qin Yu was about to step out, Yao Qing suddenly said, “Okay, but you have to think carefully about the consequences of attacking me.”
“T’ve thought it through. I’ve thought it through long ago!”

‘That mighty figure roared angrily. He seemed to have determined that the guardian in front of him was fake!

His internal Qi condensed on his right palm and smacked toward Yao Qing!

This palm didn’t have any fancy techniques. It only had the purest spiritual power!

The palm formed by dense spiritual power was like a vast ocean, wantonly coming at him!

Qin Yu’s face changed greatly. He hurriedly stepped forward, trying to block this palm for Yao Qing!

However, at this moment, Yao Qing took the lead and took a step forward. His palm lightly slapped towards the ray of light!

pal”

Acrisp sound rang out and a shocking scene happened.

The scene of Yao Qing being smashed into meat paste that he had

imagined did not happen. The Ray of light that was shooting towards him was actually sent flying into the air by a slap. After that, it exploded in the air like fireworks!

Seeing this scene, Qin Yu could not help but gasp!

Yao Qing... had such strength?

Could it be that this almighty was just casually testing him? ! He did not use his true strength at all? !

In the sky, the expression of the almighty who attacked instantly became extremely ugly!

Because of fear, his expression was almost distorted, and his body trembled like a sieve!

To him, this was a gamble. The Gamble was that the Guardian in front of him was fake!

But if he made the wrong gamble, then he would face the price of death!

“Lord Guardian, Please Show Mercy!” Yan Yongfu was the first to react. He gave up his dignity and directly knelt down!

‘The mighty figure who made the move knelt on the ground and kept hitting the floor with his head, he apologized desperately, “Lord Dao Protector, I was blind. I was blind. I beg you to spare my life. Please spare my life... was wrong. I know I was wrong...”

Looking at the attitude of these eight high-ranking officials, the surrounding crowd could not help but gasp!

‘What was the background of this Dao Protector? ! He actually made the famous eight high-ranking officials kneel and beg for mercy? !

Looking at the eight high-ranking officials in front of him, Yao Qing said coldly, “Your Life Is Mine.”

“Yes, yes. Thank you, Lord Dao Protector. Thank you, Lord Dao Protector!”The high-ranking official shouted with all his might. His excitement was evident in his words.

Yao Qing didn’t say anything. He turned around and left.

In the blink of an eye, he disappeared without a trace.

Qin Yu and the others were in a state of shock.

‘What was going on? Yao Qing actually had such powerful strength? !

Seeing the Dao Protector leave, Yan Yongfu and the others let out a long sigh of relief.

“The thing I was most worried about happened.”Yan Yongfu took a deep breath.

With the Dao Protector stepping out, how could they touch Qin Yu?

If they didn’t kill him, they would be the one to die.

“Qin Yu, don’t be complacent for too long.”Yan Yongfu looked at Qin Yu coldly.

“There are many ways to kill people. The Dao Protector can’t protect you forever. You have to die.”

Qin Yu ignored them. There was no meaning in his ruthless words.

“Let’s go.”Yan Yongfu snorted. He waved his hand and directly returned to the tunnel, back to the first mystic realm.

The second secret area gradually calmed down, leaving only the sound of discussion.

“The holy region hasn’t been opened yet. That’s only the first secret area. Please leave for now.”Jiang he stood up and said.

After dispersing the crowd, Qin Yu couldn’t help but let out a long sigh of relief.

“Damn, it was too close.”Qin Yu muttered.

“Lreally don’t know what method Yao Qing used to actually withstand that palm...”

Pavilion master didn’t say anything. Her willow-like eyebrows furrowed slightly, and she seemed to have a lot on her mind.

“pavilion Master, What’s Wrong?”Qin Yu asked in puzzlement.

Pavilion master opened his mouth, and just as he was about to speak, he saw Yao Qing running over from outside.

That Black Robe was in his arms, and he barked his teeth as he walked in.

Seeing Yao Qing, Qin Yu hurriedly walked over and said, “Kid, you’re good! Tell me, what kind of spell can you learn?”

“What? What kind of spell?”Yao Qing said with a dumbfounded look.

“Are you still pretending to be me?”Qin Yu rolled his eyes.

“Even I might not be able to withstand that palm just now, but you sent it flying with a slap. You’re still pretending to be me?” Qin Yu rolled his eyes.

Yao Qing said with a bit of confusion, “AH? Why Can’t I Understand?”

At this moment, Qin Yu also sensed that something was wrong.

He grabbed Yao Qing’s arm and said, “Just now... that person wasn’t you?”

“Which person?” Yao Qing scratched his head and said.

“I’m so f*cking angry. I put on my clothes and was just about to make an appearance when I f*cking fainted. I didn’t know that bastard knocked me out from behind.”

“When I woke up, I immediately ran back. Fortunately, you guys were fine. Otherwise, I would have become a sinner.”

Chapter 1143: Chapter 1, 143, paying a visit to Tian Jizi

Qin Yu and Zhai Xing looked at each other in dismay.

He stared at Yao Qing in front of him and said in a low voice, “Are you sure... You Didn’t come just now?”

“I didn’t. I even fainted. F*ck, are you guys okay?” Yao Qing rubbed his head and whispered.

Qin Yu had mixed feelings in his heart.

Since the person who just came was not Yao Qing, it meant that the person who came was really a Dao Protector! It meant that he was Qin Yu's father!

"I sensed that something was wrong long ago, but I'm not sure." Pavilion Master's voice contained some hidden bitterness.

Qin Yu did not say anything. His heart was extremely complicated.

This was the first time he was face to face with his father, but he did not say a word.

"If it's my father, that means he has already violated his principles," Qin Yu said in a low voice.

In this way, he would definitely be punished by the Heavenly Dao.

This made Qin Yu very uncomfortable.

His father, whom he had never met, seemed to be secretly watching Qin Yu's every move.

He sat on the chair with his hand on his forehead and didn't say anything for a long time.

"Don't think too much," Zhai Xing comforted him.

"Since he's already here, it's useless to think too much."

Qin Yu gritted his teeth and said, "Actually... This isn't the first time he helped me. If according to what you said, he would punish me every time he attacked, then I'm afraid..."

He didn't continue, but he felt extremely uncomfortable in his heart.

“If your heart is really uncomfortable, then think of a way to increase your strength,” pavilion master said faintly.

Hearing this, Qin Yu suddenly stood up and said, “You are right. As long as my strength is strong enough, so what if I am the Heavenly Dao!”

Pavilion master frowned slightly.

‘The meaning of her words was that as long as she increased her strength, she could try her best to avoid troubling the dao protectors.

However, she did not expect that Qin Yu would actually attempt to go against the Heavenly Dao.

“No matter what, we have dodged this calamity. However, those eight higher-ups will definitely not give up just like that,” Zhai Xing said from the side.

Qin Yu acknowledged and rubbed his chest. There was still a trace of pain in his chest.

This was Yan Yongfu’s palm. With just one palm, he had shattered Qin Yu’s green wood true body.

The difference in strength between the two sides was self-evident.

“Has the holy region opened?” Qin Yu looked at Zhai Xing and asked.

Zhai Xing shook his head and said, “I don’t know. That ancient array platform is in the first mystic realm. If we don’t enter the first mystic realm, we won’t be able to remove the ancient array platform.”

“Let’s wait. Tian Jizi will definitely make a sound tonight,” pavilion master said.

Qin Yu nodded. This was the only thing they could do now.

In the first secret realm.

Eight high-level officials gathered in the hall.

‘Their expressions were not very good. No one had expected the Dao Guardian to suddenly appear.

“This Dao Guardian really went through a lot of trouble for his son,” a high-level official said coldly.

“That’s right. The dao guardian can not interfere in anything in the mortal world, but he seems to have violated his principles many times,” a high-level official at the side added.

Yan Yongfu glanced at them and coldly said, “So what? Do you think the few of us can do anything to him?”

“Are we just going to let that Qin Yu Go?” A higher-up coldly snorted.

Yan Yongfu lightly snorted and said, “Of course not. Qin Yu must die, and we must get rid of him.”

Yan Yongfu was the only one who made a move against Qin Yu. And that palm, in the eyes of outsiders, was just a casual slap, but in reality, it was a palm that Yan Yongfu had used all his strength to deliver. Even those at the Almighty realm wouldn’t be unscathed by this palm strike, but Qin Yu had taken it head-on.

This was definitely not good news. If he took another step forward, he might really have the qualifications to challenge those at the Almighty Realm.

“Oh right, didn’t Tian Jizi say that the holy region is about to open?” At this moment, an almighty suddenly asked.

‘When this topic was brought up, everyone’s gaze couldn’t help but turn towards the ancient array platform in the distance.

This array platform was extremely large, and it was surrounded by flags. On the flags, strange runes were carved one after another.

‘The array platform was covered in dust. If one looked carefully, one could even see a spider web.

‘This was enough to show that the ancient array platform hadn’t been used for a long time.

“If the saint-level is truly activated, we might as well take the opportunity to leave this place,” someone suggested.

‘The pavilion near the water would gain the moon first. They would definitely be the first batch of people to enter the saint-level.

But right now, the ancient formation stage didn’t move at all. It didn’t seem to be activated at all.

“Before the saint-level is activated, we must get rid of Qin Yu.” Yan Yongfu’s eyes narrowed.

“after we kill Qin Yu, we’ll immediately flee to the holy region. That way, even his dao protectors won’t be able to do anything to us!”

This suggestion seemed to have received the approval of most of the higher-ups.

They had absorbed almost all of Earth’s cultivation resources, so there was no point in staying.

That night.

Tianji zi appeared on the martial arts forum.

“The Holy Region will open soon, but formation platforms are needed.”

“There are eighteen formation platforms in the world, scattered all over the world.”

Tianji Zi didn't say when the Holy Region would open, but used the word “Recently.”.

As for where the eighteen formation platforms were, he didn't say either.

“18 array platforms... in other words, one doesn't have to pass through the first secret realm to go to the Holy Region.”Qin Yu rubbed his chin and said in a low voice.

At this moment, Yao Meng, Xiao Yuan, and the others walked in from outside.

Seeing the past few days, Qin Yu hurriedly stood up and asked, “Why are you guys here?”

Yao Meng smiled and said, “Qin Yu, we plan to visit Tianji Zi today and ask him about matters related to the holy region. I don't know if you are interested.”

Hearing this, a trace of interest immediately appeared on Qin Yu's face.

“Yes, of course.”Qin Yu nodded.

He had too many questions in his heart. He had always wanted to find someone to ask clearly, but he didn't know who to look for.

This Tianjizi was mysterious and unfathomable. It was a good choice..

Chapter 1144:Chapter 1, 144, the inheritance of the immortal slaying sect

Qin Yu had always been curious about Tian Jizi.

He seemed to know everything, and many of the news came even earlier than the higher-ups.

“We’ll set off early tomorrow morning,” Yao Meng said.

Among these people, only Yao Meng seemed to know the location of Tian Jizi. Apart from him, Zhuang Teng and the others knew nothing about it.

Obviously, Yao Meng’s background was not as ordinary as it seemed.

Each of these heaven’s favorites seemed to have a secret.

At night.

Qin Yu sat on a cliff in the second mystic realm, looking up at the full moon.

The moon shone on Qin Yu’s face, illuminating his face that was as sharp as a knife.

He held a pot of wine in his hand. This pot of wine was brought out of the demon city. Even martial artists would get drunk.

Qin Yu had too many vexing things in his heart. Ever since he stepped into the path of cultivation, he had not had a good rest for almost a day.

An invisible pressure was like a big hand pushing Qin Yu forward.

And the help that his beloved had brought Qin Yu made him even more afraid to take a moment to rest.

“What’s wrong? Are you thinking about Miss Yan?”

At this moment, a voice came from behind.

Turning around, he saw Chu Hedao slowly walking over.

He was the youngest among the group, and there was still a hint of youth on his face.

Qin Yu shook his head and said with a bitter smile, “I’m just imagining things.”

Chu Hedao sat beside Qin Yu and asked casually, “Can you give me a sip?”

Qin Yi handed the wine in her hand to Chu Hedao.

Chu Hedao took the wine and gulped it down. He smiled and said, “Good wine.”

Qin Yu didn’t say anything. He looked at the sky and couldn’t help but sigh.

“When the Holy Region Opens, you will be able to meet Miss Yan,” Chu Hedao joked.

Qin Yu sighed and said, “I hope so. She and I... have been apart for too long.”

Although the two of them were lovers, they had very little time together.

This caused the longing in Qin Yu's heart to intensify.

"Mr. Qin, what do you want to ask Tianji Zi Tomorrow?" At this moment, Chu Hedao suddenly asked.

Qin Yu was silent for a moment before he slowly replied, "There's too much. I want to know my background, my father, my mother, the Yan family of the Holy Region, the time when the Holy Region will open, the eighteen array platforms..."

'There were too many questions in Qin Yu's mind.

"What About You?" Qin Yu asked back.

"Me?" Chu Hedao smiled, then he looked at the sky and said, "I'm different from you. The principle I follow has always been to take one step at a time. As for the future, it has nothing to do with the current me." Qin Yu couldn't help but be surprised when he heard that.

Chu Hedao was at most twenty-five or twenty-six years old, but he had such a free and easy personality. It was really surprising.

"want to know one question right now," Chu Hedao said in a deep voice.

At this point, Chu Hedao looked at Qin Yu and said coldly, "According to the latest news I received, many people were forcibly swallowed, including a holy body."

"Holy Body?" Qin Yu's heart thumped.

'Wasn't that the same constitution as Chang Mang and the current Jiang Gu?

“Other than special constitutions, there are many people who died suddenly. These people have a common characteristic, which is that they are more or less contaminated with different bloodlines,” Chu Hedao said coldly.

“This method is the inheritance technique of the immortal slaying sect.”

Qin Yu stared at Chu Hedao, waiting for him to continue.

“I want to know if the person who did this is a sky blood rainbow. If so, where is he?” Chu Hedao’s tone was filled with coldness.

Qin Yu looked at Chu Hedao in surprise and said, “Why are you so concerned about this matter?”

Chu Hedao smiled bitterly and said, “I have a deep understanding of the immortal slaying sect. This sect is extremely vicious. If their successor appears, we must eliminate him as soon as possible.”

“Otherwise, that successor will be invincible in the world. At that time, it will be a disaster for everyone.”

Qin Yu said jokingly, “Just now, you said you wouldn’t consider the future.”

“It’s not the same.” Chu Hedao smiled bitterly. “I read the family history and once saw that many people in my group died under this kind of spell. No one escaped.”

“Tsee.” Qin Yu came to a sudden realization and then signaled Chu Hedao to continue.

Chu Hedao said in a deep voice, “The most terrifying part of this spell is that it can turn the opponent’s bloodline power into its own use. Once it is mastered, no one is his match.”

With that, Chu Hedao began to read through the history:

‘As the number one sect in the world, the Immortal Slayer sect naturally ran amok for many years.

The first sect leader had once killed more than ten special physiques, including the chaotic body and the holy body.

The second sect leader had even killed a top-tier bloodline inheritor.

The third, the fourth... A total of eight sect leaders could be said to be the number one person in the world.

Once they reached the great success stage, they would slaughter the cultivators. The first to suffer would definitely be the special physiques.

“Do you know, back then, a chaotic body didn’t last more than five minutes under the third cult master?” Chu Hui Dao said in a deep voice.

“A chaotic body is so weak under the same realm. This means that you should know how powerful this technique is.”

Qin Yu couldn’t help but be surprised when he heard this.

Qin Yu himself was a chaotic body. Of course, he knew how terrifying a chaotic body was!

That was a physique that was said to be unrivalled among those of the same level! ! He couldn’t even last five minutes? !

“still have a lot of things to do. I have to clean up before I step into the saint-level,” Chu Hedao said coldly.

“IE step into the saint-level, I’m afraid that something might happen to my family.”

Chapter 1145:Chapter One thousand one hundred and forty-five,
level five of the line formula

After being reminded by Chu he dao, Qin Yu couldn't help but start to think about this problem.

Once he left for the Holy Region, he didn't know when he would be able to return. Before he left, he had to take care of the things that needed to be taken care of.

During this period of time, Qin Yu had accumulated too many things.

Although many things couldn't be considered important, after all, he had promised others, but he hadn't fulfilled them yet.

“Sigh.” Thinking of this, Qin Yu couldn't help but blame himself.

But he had no choice. For the past few years, he didn't have any time to rest. There was always something pushing him forward.

“Can you beat the Sky Blood Rainbow?” Qin Yu looked at Chu Hedao and asked.

Chu hedao smiled and said, “I don't know either. Something like that.”

Qin Yu touched his chin and said, “According to what you said, that inheritor is very likely to attack us?”

“That's right. We are also his main target,” Chu Hedao said.

“Tunderstand.” Qin Yu nodded.

Qin Yu wasn't too worried about his own safety, but he was a little worried about Chang Mang.

Chang Mang was just like his name. He did things too rashly. One sentence wasn't pleasing to the ear, and he could make a move at any time.

Although this kind of person was suitable for making friends, he was too easily provoked and fell into a trap.

“By the way, isn't the last sect leader of the Slaughter Immortal Sect Powerful?” At this moment, Qin Yu suddenly thought of a question.

Chu Hedao smiled, he said, “The last sect leader is the most powerful sect leader in the history of the Slaughter Immortal sect. He is stronger than anyone else. At the same time, he has also absorbed more resources. It is not an exaggeration to say that he has gathered all of his bloodline and special constitution.”

When he heard this, a hint of shock flashed across Qin Yu's face.

Qin Yu had personally witnessed the scene of the last cult master before he died!

He was practically unable to retaliate in front of the masked woman.

Chu Hedao seemed to have noticed Qin Yu's confusion and smiled, “In that life, it was also a golden great era. It's not because the last cult master wasn't strong enough. If there's anything to blame, it's because there were too many monsters in that life.”

At this point, Chu Hedao stood up from the rock. He yawned and said, “It's getting late. It's time for me to go back and rest.”

Qin Yu nodded and didn't ask any more questions.

After Chu Hedao left, Qin Yu couldn't help but fall into deep thought.

According to Chu Hedao, that cult master was enough to suppress every cult master of the Massacre Immortal sect.

And every cult leader of the Massacre Immortal sect was one of the most powerful people in the world.

However, such an existence was still mercilessly crushed by others in the golden great world.

Then, how many monsters would appear in the Golden Great World this time ?

“How terrifying.”Qin Yu couldn't help but shake his head.

He didn't continue to think about it. Just as Chu Huidao said, his future self had nothing to do with his current self. Taking every step well was what he should do now.

He closed his eyes and the recitation of the 'Dou' formula appeared in his mind.

This recitation was the technique that Jiang he had taught him, and all the profoundness of the 'Dou' formula was contained in this recitation.

Top-notch techniques often relied on talent and the ability to comprehend.

For example, Jiang he had spent a very short time to comprehend the 'Dou' formula to an extremely terrifying realm.

Just a single line of words could contain endless mysteries.

Qin Yu could clearly sense that his cultivation had most likely reached a bottleneck.

It wasn't that his state of mind had stagnated, but rather that he was in dire need of resources.

Given Qin Yu's current state, if he wanted to step into the late-stage of the martial saint realm, he would probably need tens or even hundreds of times the resources of others!

This would definitely be an astronomical figure. He would probably need to absorb the resources of the entire Earth in order to have any hope.

"I hope the saint-level has enough resources," Qin Yu thought to himself.

He closed his eyes and continued to study the battle-character manual.

Right now, Qin Yu's understanding of the battle-character manual was only at the third level. Every level of improvement would result in an enormous increase in power.

If he could study the battle-character manual to an extremely powerful level, it wouldn't be much different from breaking through.

'The next morning.

Jiang he went out as usual, breathing exercise.

He walked all the way to the top of the mountain and found that Qin Yu had been waiting for him there for a long time.

At this time, Jiang he had changed into a white vest, looking very much like an old man who practiced Taiji fist.

"Senior Jiang He." Qin Yu cupped his hands to Jiang he.

Jiang he said with slight surprise, “Why are you here?”

“I specially waited for you here,”Qin Yu said with a smile.

Jiang he guessed that Qin Yu must have something to do, so he said with a smile, “Shall we talk while we walk?”

“Okay,”Qin Yu agreed.

‘The two of them walked on the peak of the mountain. Their speed was very slow, and there was not much difference between them and ordinary people walking.

“Sometimes, taking a walk to calm your mind is also a kind of cultivation. If you blindly pursue the ultimate realm, it is very likely that the opposite will happen, “Jiang he said.

Qin Yu knew that he was being pointed at, so he nodded and said, “Senior, you are right.”

“Tell me, what do you want to talk to me about?”Jiang he was the first to get to the main topic.

Qin Yu said in a deep voice, “I want to know, how far have you comprehended the fighting character formula?”

Jiang he was silent for a moment, then said, “Level five.”

“Level five?”Qin Yu was extremely surprised.

The two of them were only two realms apart, but the effect of the increase was beyond imagination!

Jiang he nodded and said, “That’s right. Level five of the battle word technique can increase my combat power by dozens of times.”

Qin Yu couldn't help but gasp.

If he increased his combat power by dozens of times, then it wasn't impossible for him to win against those eight mighty figures.

"Of course, everyone's constitution is different." At this moment, Jiang he suddenly said.

"Your improvement might be even greater than mine."

Qin Yu said with some puzzlement, "Could it be that the improvement brought by the DOU character manual is not fixed?"

"Yes, the multiple is fixed, but the combat strength is different," Jiang he said.

"Let me give you an example. A hundred times of ten is only a thousand times, but what about a hundred times of a hundred times? That's ten thousand."

"It's the same in terms of strength. One only increased by nine hundred, while the other increased by nine thousand.."

Chapter 1146:Chapter 1, 146, meeting Tian Jizi

After listening to Jiang he's words, Qin Yu roughly understood what he meant.

Qin Yu's base number was greater than Jiang he's, so his strength naturally increased more!

“In other words, if I cultivate to the same level as you, the strength that I can unleash will be even more terrifying,”Qin Yu said in a deep voice.

Jiang he nodded slightly and said, “That’s right.”

Qin Yu continued, “Senior Jiang he, how long did it take you to cultivate the fifth level of the battle character Mantra ?”

Jiang he was silent for a moment before he said, “If I remember correctly, it was thirty-two days.”

Thirty-two days!

This speed was far beyond Qin Yu’s imagination!

He originally thought that Jiang he had spent at least a few years, but he didn’t expect it to only take him thirty days!

“Of course, I spent all my time studying the Dou character formula during those thirty days. At the same time, the fifth level is my limit,”Jiang he said slowly.

Qin Yu nodded and said, “Senior Jiang he, I understand.”

After accompanying Jiang he through the entire mountain range, when they came down, Yao Meng and the others were already waiting for them.

“My surname is Yao, and my surname is Yao too. Do We have relatives? Am I older than you? No, according to seniority, you should call me uncle.”

‘As soon as they entered the door, they heard Yao Qing calling them relatives.

Yao Meng, who was at the side, appeared a little helpless. She smiled bitterly and said, "Okay, okay, whatever you say."

Seeing Qin Yu walking over, Yao Meng seemed to have grabbed onto a life-saving straw. She quickly stood up and said, "Qin Yu, everyone is ready. We are waiting for you."

"Okay," Qin Yu replied.

He swept his gaze across the crowd and discovered that there were more than ten people with him this time. There were many unfamiliar faces.

Qin Yu did not ask any further. After all, this operation was initiated by Yao Meng.

The group walked out of the second secret realm and took a car to look for Tian Jizi.

According to the information Yao Meng provided, Tian Jizi's residence was in a temple deep in the mountains.

This temple was called the Temple of Divine Secrets, and its location was extremely secretive.

'The temple was surrounded by a forest of mountains, and they seemed to be in a Yin gathering pit.

The group of people came to the door of the Temple of divine secrets. Qin Yu raised his head to look at this unremarkable temple, and he couldn't help but feel a trace of reverence in his heart.

"The legendary Tian Jizi actually lives in this kind of place? It's not quite the same as I imagined," Yao Qing muttered.

Qin Yu nodded slightly.

This place was surrounded by mountains on all sides. It was an ominous place on the feng shui. It was easy to gather dark energy.

However, there was not a single trace of dark energy in the Divine Secrets Temple. Instead, it was emitting a trace of peaceful energy.

The group of people walked to the front door of the temple. Yao Meng stopped in her tracks and said, "Come one by one. Let's make arrangements."

"I'll listen to you," Qin Yu said.

Yao Meng didn't refuse and let her arrange the order.

Qin Yu was ranked fifth, so the first one was naturally Yao Meng.

This must be a long process. After all, everyone had something they wanted to know.

Qin Yu sat at the door of the temple and closed his eyes slightly.

He didn't waste any time. He seized all the free time and used it to understand the fighting formula.

The rest of the people were chatting.

They seemed to be discussing what questions to ask.

About an hour later, Yao Meng walked out of the Temple of divine secrets.

The second person to enter was Xiao Yuan. He also spent more than an hour.

According to this progress, it would take at least five to six hours before it was Qin Yu's turn.

The sky gradually darkened. A Ray of Sunset Light passed through the forest and sprinkled on the temple of divine secrets. The Temple of divine secrets emitted an extremely sacred golden light.

At this moment, Qin Yu opened his eyes slightly.

In just a few short hours, Qin Yu had successfully comprehended the fourth level of the battle character manual.

“Brother Qin, What's Wrong?” Someone beside him asked.

Qin Yu shook his head. Although he didn't say anything, he wanted to know how much power could be unleashed at the fourth level of the battle character manual.

“Qin Yu, it's Your Turn.”

At this moment, Yao Meng suddenly said.

Qin Yu grunted and stood up from the ground. Then, he walked into the Divine Armament Temple.

‘The temple was extremely simple and crude. It was very different from what he had imagined.

‘There weren't any huge statues here, nor were there any sacred spiritual artifacts. There were only ordinary cooking pots and pans, as well as three futons.

‘An old man with gray hair sat in the center of the temple. Beside him stood two young men, who seemed to be his disciples.

Qin Yu walked up to Tian Jizi and bowed slightly.

Just as he was about to speak, Tian Jizi said, “Qin Yu, you can only ask three questions. Choose the three most important questions from the ones you want to ask.”

Qin Yu frowned slightly. He sat opposite Tian Jizi and pondered for a moment. In the end, he chose the most important question.

He took a deep breath and was about to speak when Tian Jizi interrupted Qin Yu again.

“Do you want to know when you will meet Yan Ruoxue?” Tian Jizi asked.

Qin Yu was stunned. Then, he cupped his hands and said, “Senior is indeed a master. You can predict things like God.”

Tian Jizi slightly closed his eyes and said, “Let’s change the question.”

Qin Yu frowned and asked, “Why?”

“Mr. Qin, there are some questions that the teacher can’t answer and doesn’t want to answer,” said the young man next to him.

Qin Yu opened his mouth and couldn’t help but be a little speechless.

He had no choice but to change the question.

Qin Yu stared at Tian Jizi in front of him and said, “Senior, I want to know what kind of state I will reach in the future, how far I will go, and how long it will take me to reach this step.”

This time, Tianji Zi did not reject Qin Yu.

He opened his eyes and raised a finger to point at Qin Yu’s forehead.

This finger seemed to penetrate Qin Yu's divine sense. Everything was seen through by him..

Chapter 1147:Chapter 1,147, the countermeasures of the higher-ups

Qin Yu sat upright and upright. This young man, who was known as the number one person in the world, was like a student asking for advice at this moment.

Tian Jizi slowly said, "You have been through a lot of tribulations. According to my calculations, you have two possibilities."

Qin Yu pricked up his ears, not daring to interrupt.

At this moment, Tian Jizi opened his eyes and swept them towards Qin Yu.

"Either you are doomed, or you have to break the shackles,"Tianjizi said in a deep voice.

Qin Yu frowned and said in confusion, "Please explain, senior."

Tianjizi closed his eyes and said, "There are some things that you need to understand on your own."

Although Qin Yu wanted to continue asking, Tianjizi didn't want to answer, so Qin Yu couldn't do anything about it.

"Then... senior, what is the possibility of the eternal damnation that you said?"Qin Yu asked.

Tian jizi slowly said, “90% .”

Qin Yu couldn't help but gasp.

Wasn't this possibility a little too big?

“Let me give you a word of advice. The man makes the matter. If it is not broken, it will not be established,”Tian Jizi said lightly.

Qin Yu was silent, as if he was thinking about four words.

“alright, it's time for you to ask the next question,”Tian Jizi reminded him.

Qin Yu did not dare to waste any more time. He quickly told Tian Jizi his two remaining questions.

One was about his mother's background, and the other was about the Heavenly Dao punishment of the Dao Protector.

According to the information provided by Tian Jizi, Qin Yu's mother was not dead, but even he did not know where she was.

As for the punishment of the Guardians of the Dao, Tian Jizi's answer was also very strange. It was still the same sentence, “The matter is done by man. If it is not broken, it will not be established.”

“Senior Tian Jizi, please interpret this sentence for me.”Qin Yu was somewhat unwilling.

Tian Jizi did not speak, but the two disciples behind him said, “The secrets of the heavens can not be revealed. Master has already told you enough.”

Seeing this, Qin Yu had no choice but to sigh.

He and Tian Jizi cupped their hands, then turned around and walked out of the hall.

“How is it? How is it?” Yao Qing hurriedly walked forward and asked.

Qin Yu said in a deep voice, “There are some things that you have to rely on yourself to comprehend.”

Man makes the best of things. Qin Yu could understand this sentence, but regarding the latter part of the sentence, Qin Yu did not quite understand.

“Could it be that Tian Jizi wants me to go to the extreme?” Qin Yu touched his chin and muttered softly.

Those who achieved great things would often struggle to survive in the cracks, and they would definitely take an unusual path.

At this moment, Qin Yu still didn't know that the sentence “If I don't break, I won't be established” had greatly helped him in choosing his cultivation path in the future.

Time flew by. By the time everyone had finished asking questions, it was already past eight o'clock in the evening.

“alright, let's go,” Yao Meng said.

On the way out, everyone exchanged questions with each other.

For example, when to open the Holy Region, about the eighteen array platforms, and so on.

After asking, they learned that the holy region would open in about a month.

However, what made everyone somewhat regretful was that after the holy region opened, one needed an extremely special material to enter the Holy Region.

This material had already disappeared on earth, so if one wanted to step into the holy region, one had to wait for the extradition of the Holy Region sect.

As for when this extradition meeting would take place, Tianji Zi didn't say.

After returning to the carriage, Chu Hedao took the initiative to sit together with Qin Yu.

"How is it? Have you found the location of the Sky Blood Rainbow?" Qin Yu asked with a smile.

Chu hedao nodded and said, "Tian Jizi did tell me the location, but... he said that there is more than one inheritor of the Slaughtering Immortal sect, which proves my previous guess."

"Xiao Yuan?" Qin Yu frowned and asked subconsciously.

Chu hedao said, "I asked Tian Jizi, but he didn't answer this question, so I'm not sure now."

Qin Yu touched his chin and said, "Xiao Yuan's technique is indeed a bit strange, but... He doesn't look like the inheritor of the immortal slaying sect."

"Yeah." Chu Hedao sighed slightly.

"On the surface, Xiao Yuan is very refined and doesn't compete with the world. There's really no way to connect him with the evil people of the immortal slaying sect."

Qin Yu patted the shoulder of the river and said, “We’ll know everything when we find the Sky Blood Rainbow.”

“That’s all we can do.” Chu Hedao nodded.

After returning to the second mystic realm, the group parted for the time being.

Even Tian Jizi didn’t know when someone from the Holy Region would come to extradite them, but at least he knew that the holy region would only officially open a month later.

This one month’s time was just enough for Qin Yu to study the ‘xing’ Word formula.

At this moment, in the first secret realm.

Yan Yongfu and the other eight high-ranking officials were gathered together.

“How is it? Have you found that secret technique?” A high-ranking official asked.

Yan Yongfu nodded slightly and said, “I’ve spent all my efforts and finally succeeded in finding this secret technique.”

“Can this secret technique really absorb the power of the eight of us?” A high-ranking official asked doubtfully.

Yan Yongfu snorted lightly and said, “This is a secret technique left behind by our ancestors, so there’s naturally no problem. It’s just that... we need to find someone we can trust, someone who will absolutely obey our orders.”

Everyone looked at each other and seemed to think of one person at the same time.

That person was none other than Gu Xinghe.

Ever since Gu Zizhen was beheaded, Gu Xinghe had lost his value.

However, he was not willing to give up. In order to avenge his father, he was willing to work hard for these eight high-ranking officials. He served tea and water every day. He was like a dog raised by eight people, extremely obedient.

“Gu Zizhen has worked for us all his life. It’s only right for his son to sacrifice himself for us.”

“That’s right. Moreover, this Gu Xinghe is filled with hatred towards Qin Yu. He might be the most suitable candidate..”

Chapter 1148:Chapter 1, 148, the mighty Gu Xinghe!

The few of them quickly decided on a candidate and immediately sent someone to call Gu Xinghe in.

‘The moment Gu Xinghe entered the door, he fell to his knees with a thud.

His head hit the ground and his posture was extremely low.

“Sir, is there something you need from me?”As he spoke, Gu Xinghe still did not raise his head, as if he was one of their dogs.

The higher-ups looked at each other, then could not help but burst into laughter.

That laughter was like a sharp blade, piercing into Gu Xinghe’s heart.

However, he still did not have the intention to resist. Instead, he put on an even lower posture.

“Gu Xinghe, haven’t you always wanted to avenge your father?” At this moment, Yan Yongfu opened his mouth to speak.

When Gu Xinghe heard this, his body suddenly trembled.

“Sir, are you willing to avenge me?” Gu Xinghe’s voice was trembling, It was unknown whether it was because of excitement or some other reason.

Yan Yongfu said indifferently, “That depends on how you perform.”

Gu Xinghe hurriedly said, “As long as I can avenge my father, I’m willing to do anything!”

Yan Yongfu raised his eyebrows and looked at the other higher-ups.

Then, Yan Yongfu said indifferently, “Okay, then I’ll test you. As long as you perform well, we’ll consider it and agree to it.”

Yan Yongfu touched his chin and thought for a moment, then said, “Go to the door and kneel for three days and three nights to show your loyalty.”

“Yes!”

Without thinking, Gu Xinghe got up and was about to leave.

“Wait.” At this time, Yan Yongfu called out to Gu Xinghe again.

He pointed to the ground and said, “Kneel and crawl out.”

Gu Xinghe didn't hesitate at all. He immediately knelt on the ground and crawled toward the door.

Yan Yongfu obviously didn't do it to torture Gu Xinghe.

The reason why he did it was to see if Gu Xinghe was loyal to him.

A person who still had his dignity would not listen to him.

“That's enough.” Yan Yongfu waved his hand and said calmly, “Gu Xinghe, if I let you cut off your legs and arms, are you willing to do it?”

Gu Xinghe did not say anything. He activated his zhen qi and shattered his limbs!

“As long as I can avenge my father, I'm willing to do anything...” Gu Xinghe said while enduring the pain.

Yan Yongfu nodded in satisfaction. He slowly stood up and said, “Alright, since you want to take revenge so badly, we'll give you a chance to take revenge yourself!”

Gu Xinghe's expression immediately turned ugly. He said dejectedly, “I'm not his match at all...”

“Hahaha! Of course, you're not his match. However... we'll use a secret technique to give you our strength,” Yan Yongfu said indifferently.

“With the strength of the eight of US injected into your body, killing him, Qin Yu, will be a piece of cake!”

Upon hearing this, Gu Xinghe's heart immediately began to beat violently.

He lowered his head to his chest and said, “How am I worthy of having the strength of a few higher-ups...”

“Hahaha!” Yan Yongfu could not help but stroke his beard and laugh loudly.

He said calmly “Back then, your father, and even the entire Jingdu’s martial arts association, had once received our favor. As his only son, how could you not have the qualifications? You just need to tell us, are you willing or not?”

“I am willing! I dream of it even in my dreams!” Gu Xinghe’s voice was high-pitched, but his head was still lowered. He did not raise his head at all.

“Okay!” Yan Yongfu nodded.

He exchanged a glance with the other higher-ups, then waved his hand and said, “Go and wait for us in the cultivation room. Later, we will impart our spiritual power to you and let you take revenge personally!” “yes! Thank you, higher-ups!” Gu Xinghe didn’t say anything. He used his body and slowly crawled toward the training room.

Yan Yongfu only sighed slightly after Gu Xinghe crawled far away.

“We have paid too much to get rid of this Qin Yu,” Yan Yongfu said in a low voice.

“Yes, but we have no other choice.”

These people had always been cautious. Even the first secret realm was sealed.

But now, in order to get rid of Qin Yu, they would rather pass on their strength to Gu Xinghe. This was enough to prove how afraid they were of

the future Qin Yu!

“If we pass on our strength to this Gu Xinghe, will we still be able to take it back?” Among the eight people, the only female executive asked.

Yan Yongfu said indifferently, “Of course, but we need Gu Xinghe’s cooperation.”

“What if he doesn’t cooperate?” A higher-up asked.

Yan Yongfu sighed slightly and said, “So, this is an adventure. But... This Gu Xinghe is just a spineless person. Where did he get the courage to go against us?”

“Yes, trust Gu Xinghe. It’s much safer than letting Qin Yu Live.”

The few of them didn’t say anything else and walked towards the training room.

In the training room, Gu Xinghe was lying in the center of a huge array platform.

The eight higher-ups were in eight different positions.

With the secret language spoken by Yan Yongfu, the inheritance ceremony officially began.

A Ray of light flashed between the brows of the eight people. This was the power of their divine sense!

This kind of inheritance was extremely terrifying. Not only could it impart one’s spiritual power to the opponent, it could even impart the power of one’s divine sense!

A trace of pain flashed across Gu Xinghe’s face. The sudden vast divine power was somewhat unbearable for him.

Even so, Gu Xinghe still gritted his teeth and endured it.

The ceremony lasted for a full three hours.

Three hours later, the light on the array platform finally began to fade.

The eight executives' faces darkened, and their internal Qi became a little sluggish.

Yan Yongfu waved his hand weakly and said, "Gu Xinghe, I'll leave the rest to you..."

Gu Xinghe's body was slowly recovering in the center of the array platform.

At this moment, he finally raised his head, and a strange smile appeared on his face.

"You really think I, Gu Xinghe, AM a dog, right..."Gu Xinghe's voice was slightly cold, and the corners of his mouth curled into a strange smile.

At this moment, Qin Yu was focused on studying the fighting formula. But at this moment, his heart suddenly throbbed, and his right eyelid twitched violently.

An uneasy feeling filled Qin Yu's heart..

Chapter 1149: Chapter 1, 149, a villain gets what he wants

This sudden uneasiness made Qin Yu frown.

It was as if a bad premonition filled his heart.

Qin Yu slowly stood up and looked at the sky. Although he didn't have the ability to predict the future like Tian Jizi, he was still extremely sensitive to uneasiness.

“Strange.” Qin Yu frowned.

He really couldn't figure out where this uneasiness came from. Apart from the eight higher-ups, there seemed to be no other enemies.

“Could it be that they plan to attack a second time?” Qin Yu said in a low voice.

It shouldn't be. They wouldn't be able to make a comeback so quickly after being intimidated by others. Qin Yu stood there and pondered for a long time before finally sitting down. There was a good saying that all uneasiness stemmed from a lack of strength.

As long as one had sufficient strength, there was nothing to worry about in this world.

In the second mystic realm.

Eight high-ranking officials were curled up on the array platform, looking extremely pitiful. They no longer had that arrogant posture, only anger and regret on their faces. Standing in front of them was the dog-like Gu Xinghe. At this moment, his body was slowly recovering, and there was an evil smile on his face.

“Do you really think that I, Gu Xinghe, will willingly become your dog?” Gu Xinghe said coldly. Yan yongfu shouted, “Gu Xinghe! How dare you! Your strength was bestowed by US!”

“So What?” Gu Xinghe sneered, “I can remember everything you did to me.”

“Gu Xinghe, have you forgotten who made your family rich?” Another high-ranking official said coldly.

“Of course I remember!” Gu Xinghe gritted his teeth and clenched his fists.

“My father is a top expert in the world. If he hadn’t been tricked by you into joining the martial arts association in Jingdu, he wouldn’t have ended up like this!”

“You used sweet words, threats, and enticement to control my father and treat him as your servant! Do you want me to owe you a favor?”

Yan Yongfu’s expression was somewhat unsightly. He had never expected that Gu Xinghe, who had been bowing and scraping just a moment ago, would turn into such a person in the blink of an eye! However, he didn’t give up and continued to brainwash, “Gu Xinghe, in order to let you take revenge, we gave all of our strength to you. Now that you’ve done this, aren’t you repaying kindness with enmity?”

As soon as these words were said, a trace of malevolence flashed through Gu Xinghe’s eyes!

He waved his large hand and slapped Yan Yongfu’s face! Although the strength of this slap was not great, it was extremely insulting! They had controlled the martial arts association in Jingdu for many years and could be considered the strongest in this world. It had been a long time since someone dared to treat them like this! “Do you really think I don’t know?” Gu Xinghe said darkly.

“You killed my father! You saw that my father was no match for Qin Yu, so you took over his body and tried to self-destruct!”

“Qin Yu is involved, and so are you!” Hearing this, Yan Yongfu’s face instantly turned pale!

“What do you want?” A higher-up asked coldly.

“Hahahahaha!” Gu Xinghe couldn’t help but burst out laughing.

He turned around abruptly and shouted, “Don’t worry, I Won’t let you die like this. I’ll treat you the way you treat me!” Then, Gu Xinghe suddenly stretched out his palm. In an instant, golden chains shot out from his palm! A total of eight chains headed straight for the glabella of the eight higher-ups! The chains sank into the glabella of the eight higher-ups, dragging them together!

Then, Gu Xinghe suddenly pulled with his hand. Streams of divine sense were actually forcefully pulled out by Gu Xinghe!

“Gu Xinghe, what exactly do you want!” Yan Yongfu said somewhat anxiously.

Gu Xinghe sneered, “Since I said I won’t kill you, I won’t kill you.”

He used these eight chains to bind the eight higher-ups together. No matter how hard they tried, they couldn’t escape. After doing all this, Gu Xinghe turned around and walked out of the door.

“When I kill Qin Yu, I’ll tell you,” Gu Xinghe said with a grin. “Oh, right, I still have to thank you for the power you gave me. In order to repay you, I will let you live for a few more days.” After saying this, Gu Xinghe turned around and walked out.

At this moment, Gu Xinghe's strength had already reached an unbelievable level.

This power even surpassed any of the eight high-ranking officials!

Gu Xinghe, who seemed to be wagging his tail and begging for mercy, was actually very ambitious. Otherwise, he wouldn't have used so many despicable methods to control the JINGDU martial arts association.

"The martial arts association of Jingdu, I'll take it back the way I lost it!" Gu Xinghe muttered coldly.

Then, he strode toward the tunnel.

At this moment, Qin Yu was still comprehending the fighting character formula.

Jiang he used 32 days to comprehend the fifth level, while Qin Yu spent three whole days from the fourth level to the fifth level.

During these three days, Qin Yu didn't eat or drink. He used all his energy to comprehend the fighting character formula.

"Buzz!"

At this moment, a blazing light suddenly flashed in the sky!

This light enveloped the earth and covered the entire second mystic realm!

"Second mystic realm, I, Gu Xinghe, AM BACK!"

A loud shout resounded in the sky of the second mystic realm!

Many people were startled awake by this voice. They hurriedly went out and looked at the sky.

Qin Yu also heard this loud shout.

“Gu Xinghe?” Qin Yu frowned slightly and hurriedly ran out of the main hall.

He saw a young man dressed in white standing in the air. He had his hands behind his back as he looked down at everyone..

Chapter 1150: Chapter 1,150, the might of a mighty figure

At this moment, Gu Xinghe’s entire body was exuding a monstrous aura. It was like a vast ocean, surging over. No one dared to ignore it!

Qin Yu also felt the extremely terrifying internal Qi that was released from his body!

This internal Qi even surpassed that of the eight higher-ups!

“Gu Xinghe?” Qin Yu’s expression instantly turned cold.

Hearing Qin Yu’s voice, Gu Xinghe’s eyes suddenly looked over! A bright light shot out from his eyes, heading straight for Qin Yu!

Qin Yu’s feet shook, and his body rose into the air, brushing past the bright light.

“Boom!”

The bright light hit the ground, creating a huge crater!

“Gu Xinghe, why are you here?” Qin Yu asked with a cold face.

“I should be the one asking you this! Don’t forget, this is my home!” Gu Xinghe shouted.

“Today, I will tell you that I, Gu Xinghe, will definitely get back what I lost!”

With that, Gu Xinghe did not waste any time and arrived in front of Qin Yu in the blink of an eye!

This extremely fast speed made Qin Yu’s heart skip a beat!

Before he could react, Gu Xinghe had already slapped his palm towards Qin Yu!

Qin Yu did not have the time to dodge and could only activate his green wood true body. He crossed his arms in front of him and forcefully withstood this palm!

“Bang!”

Qin Yu’s entire body instantly shot towards the ground!

“Boom!”

Like a golden fireball, Qin Yu’s body sank into the ground, creating a huge pit that was more than ten meters deep!

“What a terrifying power...” Qin Yu got up from the ground, and his face couldn’t help but change!

This seemingly ordinary palm directly shattered the green wood true body!

Qin Yu knew that the Gu Xinghe in front of him was definitely not the weak Gu Xinghe from before.

Therefore, he didn't dare to be negligent and immediately activated the fourth level of the fighting word formula!

A terrifying surge of genuine qi burst out from the pit, like a pillar of light, piercing straight into the sky!

Seeing this, a trace of surprise flashed across Gu Xinghe's eyes. He then snorted coldly, "No wonder you could defeat my father. You have some ability."

At this moment, Qin Yu walked out from the pit.

He raised his head to look at Gu Xinghe in front of him and said coldly, "Gu Xinghe, it seems that you have benefited greatly from the first mystic realm."

"Cut the crap. I came here today to take revenge!" Gu Xinghe did not say anything more and directly slapped out of thin air!

A huge palm print instantly slapped towards Qin Yu!

Qin Yu let out an angry shout, the veins on his right arm bulged, and then he suddenly clenched his fist to meet it!

"Boom!"

This was an extremely terrifying collision, waves of internal Qi rapidly spread out in all directions!

Even though the surrounding crowd hurriedly blocked it, they were still sent flying.

It was not an exaggeration to say that even the second mystical realm could not withstand such a big battle, and cracks appeared one after another!

Qin Yu was also in a bad mood. This slap almost broke his arm. The powerful penetrating force even caused his body to bleed non-stop!

Looking at Qin Yu who was struggling to hold on, a trace of ridicule flashed across Gu Xinghe's face.

“If you can withstand one slap, then what about the second one?” Gu Xinghe did not say another word and sent another slap over!

The two palms overlapped, and Qin Yu couldn't take it anymore. His body was slammed into the ground!

“This Gu Xinghe... how can he have this kind of strength!” Someone exclaimed.

Gu Xinghe looked at Qin Yu coldly. He put his hands behind his back and said indifferently, “Qin Yu, you are not my match. Kneel down obediently and bow. Maybe I can consider sparing you.”

However, How Could Qin Yu admit defeat? He stood up from the ground once again. Under the enhancement of the ‘fighting’ formula, his fighting spirit was overflowing!

“One punch can break ten thousand techniques!”

Qin Yu did not say anything more. His internal Qi gathered into his right fist and smashed fiercely at Gu Xinghe!

Gu Xinghe snorted. He raised his hand and casually grabbed his fist.

At the moment of collision, Gu Xinghe's expression suddenly changed!

‘The power of this punch was much greater than he had imagined!’

‘The light surrounding his palm was instantly shattered, and his palm was almost smashed into pieces!

Gu Xinghe frowned slightly and hurriedly shot backward.

He looked at his right hand that was about to explode, and a hint of amusement appeared on his face.

“Amazing, Amazing!”Gu Xinghe laughed out loud.

“I didn’t expect you to be able to hurt me in my current state.”

Qin Yu’s expression was a little ugly.

The punch just now had been unleashed under the enhancement of the DOU word formula.

But even so, Gu Xinghe still managed to withstand it. He only injured one hand, and even his arm was intact.

“Then I’ll let you see what I can do,”Gu Xinghe said with a cold smile.

He raised his hand, and streams of true energy gathered in his palm.

“Euyao Sacred Seal!”

Gu Xinghe murmured, and a huge seal appeared on his palm!

He pressed his left hand forward lightly, and the huge seal whistled forward!

The strong pressure almost made people unable to stand up! Everyone within a radius of several kilometers was instantly smacked to the ground!

Before the Great Seal arrived, the ground began to shatter. The surrounding void was like broken glass, making loud crashing sounds!

Seeing that the great seal was getting closer and closer to the ground, finally, the surrounding pavilion master and the others could not bear it anymore. Their bodies suddenly stuck to the ground, and streaks of blood appeared on their bodies!

Qin Yu forcefully withstood the pressure. He raised his arms, and golden light shot out in all directions. Then, he raised his hands to meet the Great Seal!

The Great Seal was like a towering mountain, and the pressure was immense!

Qin Yu roared furiously, and his two arms held the great seal tightly. Golden light shone from his body and spread out in all directions!

“ah! !”

Qin Yu roared. He had already exerted his strength to the limit, but he was still unable to stop the Great Seal’s crushing pressure!

Every pore on Qin Yu’s body began to bleed, and the ground beneath his feet began to crack inch by inch, as if an earthquake had occurred!

“Boom!”

Finally, Qin Yu could no longer endure it. His body was ruthlessly crushed under the Great Seal...

Chapter 1151: Chapter 1, 151: Kneel and beg for mercy

‘The ground was in ruins, and Qin Yu’s body was crushed by the huge seal until his bones were broken, dripping with blood.

Gu Xinghe put his hands behind his back and said indifferently, “Qin Yu, I’m really happy to see you like this.”

Qin Yu didn’t say a word. He used his hands to support the ground and struggled to get up.

“Oh? You can still stand up?”Gu Xinghe was a little surprised.

Qin Yu didn’t say anything. His palm shook and he took out the bronze sword.

At this moment, the bronze sword seemed to merge with Qin Yu and slowly turned into a golden light.

The blade of the sword hummed. If one listened carefully, one could even hear a faint dragon’s roar.

Qin Yu was out of breath. He held the bronze sword with both of his arms and poured spiritual energy into it.

On the blade of the bronze sword, strands of sword light burst out. The sword light was like smoke, lingering on the blade and spreading in all directions.

“Divine rank nine slash, fifth slash!”Qin Yu grabbed the blade with both of his arms, ready to activate the divine rank sword technique!

“Gu Xinghe!”

However, at this moment, a blood-red light streaked across the sky, and a fist the size of a casserole instantly arrived in front of Gu Xinghe!

Gu Xinghe did not notice the Madman Chang Mang at all. This punch landed squarely on his face!

“Whoosh!”

Gu Xinghe streaked across the sky in a parabola, and then ruthlessly sank into the ground!

“Boom!”

That piece of ground seemed to have been bombarded, and turned into a pile of ruins!

Chang Mang’s entire body was emitting a blood-red ray of light, and he roared furiously. His fists were like raindrops, smashing towards the huge pit!

One punch, two punches, three punches...

His speed was extremely fast, and in the blink of an eye, he had already thrown out hundreds of punches!

The entire area was smashed into smithereens, and all the crushed stones were shattered into powder!

Chang Mang became more and more courageous as he fought, and like a madman, his fists rained down on the pit.

The void shattered and closed, closing and shattering. The surrounding people were dumbstruck as they looked at each other.

No one had expected that Chang Mang, who was like a madman, would suddenly appear!

“Enough!”

At this moment, a ray of light shot out from the huge pit and directly sent Chang Mang flying!

Gu Xinghe followed the ray of light out. His entire body was covered in blood, and his expression was extremely gloomy. A terrifying killing intent lingered around his body.

“You Reckless Bastard...”Gu Xinghe gritted his teeth and glared at Chang Mang.

However, Chang Mang didn't care about this. He roared and rushed over again.

This time, Gu Xinghe didn't give him another chance. His palm stretched out like a claw and grabbed Chang Mang's neck. The strength of his hand also increased rapidly!

“Gu Xinghe, Stop!”Qin Yu's expression changed drastically when he saw this!

Gu Xinghe looked at Qin Yu coldly and said, “Since someone is eager to die, I'll give him ten percent first!”

‘The current Gu Xinghe had the power of eight mighty figures, after all. His strength was not something Chang Mang could compare to.

Even though Chang Mang struggled with all his might, it was useless.

Qin Yu knew that Gu Xinghe would not let Chang Mang off, so he did not waste any more words. He grabbed the bronze sword and raised his hand to unleash the fifth slash of the nine absolute beginning slashes!

‘This was a true heaven rank sword technique with unparalleled power. The Mighty Sword Ray left many marks in the void, splitting it in half!

Gu Xinghe's expression changed slightly. He did not dare to be negligent and hurriedly let go of Chang Mang. Then, he held the mark in his hand and faced the sword.

“Boom!”

‘The sword ray slashed past Gu Xinghe's palm, shattering the mark in his hand!

However, Gu Xinghe had the strength of a mighty figure after all. Even if the mark was shattered, he did not panic at all.

Gu Xinghe grabbed it with one hand and then suddenly slashed forward.

“Chi la!”

The void in front of him was actually shattered! The Sword Ray entered the void and disappeared without a trace!

Such a technique could not help but make people despair!

Gu Xinghe actually directly tore apart the void!

Although this was only the void of the second secret realm, it was still shocking!

Gu Xinghe sneered, “Qin Yu, the current me, even if you go all out, you can't Win Against Me!”

Qin Yu's internal Qi had already begun to disappear. His previously vigorous aura had now become dispirited.

Gu Xinghe's feet lightly shook, and in the blink of an eye, he arrived in front of Qin Yu.

“How is it? Is this feeling of despair comfortable?” Gu Xinghe asked indifferently.

Qin Yu coldly looked at Gu Xinghe and said, “This is definitely not your strength...”

“So what if it is, so what if it isn’t?” Gu Xinghe sneered.

He suddenly stretched out his left hand and grabbed Qin Yu’s head!

A force gathered in his palm.

“Ah! !”

Qin Yu felt as if his head was about to be crushed. The pain was unbearable!

“Xinghe, Stop!”

At this moment, a familiar voice suddenly entered Gu Xinghe’s ears.

He turned around and saw that it was Zhai Xing!

At this moment, Zhai Xing’s expression was extremely complicated. He looked at Gu Xinghe in front of him and said in a trembling voice,

“Xinghe, you... Let Him Go!”

Gu Xinghe raised his brows and sneered, “Uncle Zhai Xing? Long time no see.”

Zhai Xing lowered his head and said, “I didn’t protect your father well. I... I apologize to you.”

Gu Xinghe's expression turned cold and he snorted, "Didn't protect my father well? Then why didn't you avenge my father? Why didn't you follow my father?"

"L.. "Zhai Xing opened his mouth and was immediately speechless.

"Why? Are You Qin Yu's Lackey Now?"Gu Xinghe sneered.

Zhai Xing opened his mouth and didn't know how to explain himself.

"Xinghe, if you still recognize me as your uncle, then release Qin Yu.

The person who killed your father wasn't him, "Zhai Xing suddenly raised his head and said in a trembling voice.

Gu Xinghe couldn't help but laugh out loud.

He looked at Zhai Xing with some amusement and said, "Alright, if you want me to release him, then you can kneel down and beg me."

Zhai Xing was stunned, and a trace of bitterness flashed across his face.

For more than a hundred years, he had never knelt down to anyone.

He had watched Gu Xinghe grow up with his own eyes, but now, he was asked to kneel down. The feeling was indescribable.

"Twant you to kneel down!"Gu Xinghe exerted force again!

"Okay,

TI kneel!"Zhai Xing gritted his teeth, and then with a plop, he knelt on the ground.

"Hahahahaha!"Seeing this scene, Gu Xinghe could not help but laugh out loud.

He threw Qin Yu down and then reached out his hand to grab Zhai Xing.

“Do you think that I will let him go just because you knelt down? What a joke!” Gu Xinghe said coldly.

“Let me tell you, I will kill all of you and then re-establish the martial arts association of Jingdu and become the true controller of the Martial Arts Association of Jingdu!”

Chapter 1152 Chapter 1,152, sacrificing oneself for others

Zhai Xing's face instantly turned red as he was strangled by Gu Xinghe.

He endured the pain and said in a trembling voice, “Xinghe... The holy region is about to open. Your Vision... shouldn't be here...” “What Bullsh * T Holy Region!” Gu Xinghe said furiously. “I want to be the king of this world! Whoever dares to snatch it from me, I will tear them into pieces!”

“I don't want to go to the holy region. I want to be the king of this world!”

Gu Xinghe's face was ferocious. His furious roars shook the entire second secret realm, causing it to rumble.

Qin Yu stood up with difficulty. He looked at Gu Xinghe and said coldly, “Gu Xinghe, let them go. I will be at your disposal.”

Gu Xinghe looked coldly at Qin Yu and said, “At my disposal? Do you still have the right to bargain with me? Are You Worthy? You are just a Maggot!” Qin Yu didn't refute and continued, “Your enemy is me. It has nothing to do with them. Moreover, even if you want to reorganize the Jingdu Martial Arts Association, you need manpower.”

Gu Xinghe raised his brows and sneered, "What you said makes sense, but... this reason can't move me."

His eyes swept over everyone and said, "Everyone I see will die."

Qin Yu said coldly, "Gu Xinghe, don't go too far. If I want to leave, I'm afraid you won't be able to stop me."

"Oh? Then you can try," Gu Xinghe said with a playful tone.

Qin Yu didn't waste any words. He directly stepped on the 'walking' character and shot out.

In the blink of an eye, Qin Yu disappeared without a trace.

Gu Xinghe was instantly stunned.

He couldn't care less about the star harvester in his hand. He quickly looked around, as if he was looking for Qin Yu.

But where was Qin Yu? Even if he released his divine sense, he couldn't find Qin Yu.

"F* ck!" Gu Xinghe was furious!

His anger filled the entire second mystic realm, and his eyes turned red.

Gu Xinghe never thought that Qin Yu would escape right under his nose!
"Swish!"

At this moment, Qin Yu turned back.

He stood not far away and said coldly, "Did you see that? If I wanted to leave, you couldn't stop me at all."

Gu Xinghe hurriedly stretched out his palm and sealed Qin Yu's space.

However, this space was the second secret realm after all, so it was extremely fragile in front of Qin Yu.

He clenched his fist and punched the space into pieces!

This time, Gu Xinghe had no idea what to do.

Qin Yu was in control of the word movement. If he wanted to escape, he really couldn't catch up.

"You choose between them and me," Qin Yu said coldly. "Qin Yu! Hurry up and leave. Even if he lets us go today, he will still catch us tomorrow!" Chang Mang shouted at this time. Hearing this, Gu Xinghe immediately said, "Okay, sure. I'll trade you for them."

Qin Yu shook his head and said, "You have to swear on the Heavenly Dao that you won't bring them back."

Gu Xinghe immediately frowned.

Of course, he didn't plan to let these people go, but if he didn't let them go now, he wouldn't be able to catch Qin Yu.

After thinking for a while, Gu Xinghe snorted. He swore to the Heavenly Dao according to Qin Yu's request that he wouldn't bring them back.

After doing all this, Gu Xinghe looked at Qin Yu and said, "Come here by yourself."

Qin Yu did not waste any time and strode towards Gu Xinghe.

“Qin Yu!” Chang Mang and the others’ faces changed drastically.

“Mr. Qin!” Yao Qing took out his black robe and planned to pretend to be a dao protector again.

However, Gu Xinghe was not a high-ranking official and did not know much about dao protectors. As such, he lost his deterrent force.

Qin Yu stopped in his tracks. He turned to look at the crowd and said with a smile, “When we get out, you must take care of your safety.”

“Qin Yu, you... “Chang Mang’s expression was extremely unsightly, and his eyes became even more moist.

This man, who was like a piece of metal, was now covered in tears.

This was already the second time Qin Yu had saved his life. This favor was something that he would never be able to repay even if he lived his entire life.

Qin Yu walked up to Gu Xinghe and closed his eyes slightly.

Gu Xinghe did not say anything. He raised his hand and broke Qin Yu’s limbs. Then, he used the same method to seal Qin Yu’s divine sense.

In this way, Qin Yu would not be able to escape even if he used the line calligraphy.

“Leave quickly!” Qin Yu looked at the crowd and shouted.

Chang Mang gritted his teeth and said, “I’m not leaving! Gu Xinghe, I’m going to fight it out with you!”

“Chang Mang, now is not the time to be a hero. If there’s still a mountain, there’s still wood to burn.” Yao Meng and the others hurriedly stepped forward to block Chang Mang’s face.

The group retreated to the second secret realm.

Only when the last person left did Qin Yu let out a long sigh of relief.

“Qin Yu, I really admire your selfless spirit,” Gu Xinghe said indifferently with his hands behind his back.

“But... People like you are more likely to bring trouble to me!”

Qin Yu closed his eyes slightly and said, “What do you want? Just do it. No need to talk nonsense.”

“Hahahaha!” Gu Xinghe couldn’t help but laugh.

“Don’t worry, I won’t kill you for the time being.” Gu Xinghe held Qin Yu with one hand.

He touched the space between Qin Yu’s brows with his palm and planted a mark between Qin Yu’s brows.

This mark was different from an ordinary mark. It could control the power of a person’s divine sense to prevent any changes.

As long as the mark was there, it was almost impossible for Qin Yu to cultivate.

Then, Gu Xinghe brought Qin Yu and walked straight to the entrance to the first secret realm.

“It’s too easy for you to die just like that. I will let you experience real pain,” Gu Xinghe said with a cold smile.

Chapter 1153 Chapter 1,153, level five of the battle character manual

Qin Yu did not say anything. He knew that it was useless to say anything now.

Since he was caught by someone who was not as skilled as him, there was no point in trying to show off.

Qin Yu closed his eyes slightly, as if he was at his disposal.

This made Gu Xinghe quite satisfied. He controlled the spell and slowly opened the tunnel.

Then, Gu Xinghe grabbed Qin Yu with one hand and entered the passage.

A burst of light shone brightly, and his head was dizzy.

When Qin Yu opened his eyes again, he had already arrived at the first mystical realm. This first mystical realm was filled with spiritual qi everywhere, and the short buildings were not what Qin Yu had imagined. It was also true that this place was vast and sparsely populated. If there was enough land, who would be willing to live in a high-rise building

Qin Yu took a deep breath. Traces of spiritual qi flowed through his pores and entered his body.

This spiritual Qi quickly restored a trace of Qin Yu's physical strength. However, because his divine sense was restrained, Qin Yu had no way to escape.

Gu Xinghe dragged Qin Yu like he was dragging a dead dog.

The two of them came to the entrance of a large hall. When they passed through the door, they saw a huge formation stage.

At this moment, there were eight people in the corner of the formation stage.

Golden light that looked like chains extended out from between their brows. The end of the chains seemed to have disappeared into the void.

“Higher-ups?” Qin Yu’s expression changed slightly when he saw these eight people.

Those eight higher-ups were actually captured here?

Similarly, the way those eight higher-ups looked at Qin Yu was also extremely strange.

They seemed to not want Qin Yu to see this embarrassing state, so they all turned their faces to the side.

“Kid, just stay here peacefully. Don’t worry, I Won’t let you die so quickly,”Gu Xinghe said with a cold smile.

He used the same trick again, and a strand of light like a chain entered the space between Qin Yu’s brows.

Then, Qin Yu felt as if his divine sense was about to be extracted, and the pain was unbearable!

The strands of divine sense were bound by the chains, and this spell seemed to have trapped Qin Yu’s primordial spirit! A total of nine people were bound here, unable to move.

Looking at the scene in front of him, Gu Xinghe was extremely satisfied, and he couldn't help but laugh out loud.

“Finally, finally, this day has arrived!”GU Xinghe said coldly.

“From today onwards, I am the ruler of this world!”

Qin Yu could not help but sneer, “Gu Xinghe, the holy region will open soon. When the people of the Holy Region arrive, I'm afraid your title as the ruler will be in vain.”

Gu Xinghe suddenly looked at Qin Yu and said coldly, “Then I will destroy that ancient array platform!”

“Destroy? There are eighteen array platforms in the world. These eighteen array platforms are scattered in every corner of the world. How did you destroy them?”Qin Yu sneered.

He was not worried that Gu Xinghe would destroy all the array platforms, because Tian Jizi had predicted that the people of the Holy Region would arrive soon and come to extradite them.

“You've reminded me,”Gu Xinghe snorted.

“I'll send someone to destroy these eighteen array platforms immediately!”

“Okay, then you go.”Qin Yu closed his eyes slightly and ignored Gu Xinghe.

However, how could Gu Xinghe let go of Qin Yu just like that? His fingers were stained with a ray of light.

This ray of light was extremely strange, like a small black hole.

Gu Xinghe pointed the light in his hand forward. With a “Weng” sound, the nine chains immediately started to tremble!

“Ah!!!”

Intense pain! It went straight for the divine sense!

Qin Yu only felt a splitting headache, and his body was even spasming! In the Great Hall, the wails of eight people could be heard! Their faces were distorted, and their bodies were trembling non-stop!

Some people even began to beg Gu Xinghe for mercy! They begged him to stop!

This pain was even more painful than the blood-sucking array platform from before!

However, Qin Yu clenched his teeth tightly and did not say a word.

This undoubtedly infuriated Gu Xinghe. He narrowed his eyes and said, “You can endure it quite well. TSK TSK, good, I’d like to see how long you can endure it!”

Gu Xinghe’s hands once again shone with light as he pointed towards the convergence point of the chains!

“Hualala!”

The nine chains suddenly trembled violently!

The pain was twice as intense as before!

The eight higher-ups were instantly in excruciating pain!

Qin Yu's forehead was also drenched in sweat. It was obvious that this pain was also unbearable for him.

Gu Xinghe snorted and said, "Enjoy it slowly. This is just the beginning." With that, Gu Xinghe turned around and walked out.

The entire room was filled with wails and every one of the higher-ups was trembling. "Qin Yu... are you f * cking crazy... Why did you provoke him!" Yan Yongfu squeezed out these words from between his teeth.

"Provoking him... isn't he the one who suffers!"

Qin Yu endured the pain and sneered, "Yes, but with you guys accompanying me, it's worth it."

"You guys should also try the taste of Yan Ruoxue back then."

After saying that, Qin Yu closed his eyes slightly and even sat up cross-legged.

Ever since Qin Yu debuted, he had experienced countless pain.

Although the pain this time was even more intense, his unyielding character allowed him to forcefully resist it.

The eight higher-ups were different. Such pain was even worse than killing them!

Qin Yu would rather let himself suffer the same pain than let these eight higher-ups suffer!

“You lunatic... “Yan Yongfu was in so much pain that he almost fainted. On the other hand, Qin Yu was sitting cross-legged, as if nothing had happened.

Surviving in adversity had become Qin Yu’s personal motto.

He didn’t care about suffering. As long as he didn’t die, he still had a chance.

At this moment, Qin Yu only had two options. First, he had to wait for tie Dan to wake up.

He was at the peak of the Almighty Realm. As long as he woke up, Gu Xinghe wasn’t worth mentioning

Second, he had to comprehend the fifth level of the Dou character technique!

Once he comprehended the fifth level, he would have a chance to defeat Gu Xinghe!

Chapter 1154 Chapter 1,154, regrouping

Although Qin Yu’s primordial spirit was bound by this chain, making it impossible for others to cultivate.

However, this did not affect Qin Yu from comprehending the battle character formula!

Because the battle character formula was only a line of words, just like comprehending the DAO, as long as one understood it thoroughly, there was no need to rely on spiritual Qi to cultivate.

In the end, relying on others was not as good as relying on oneself, so Qin Yu still placed his hopes on the battle character formula.

It sounded simple, but it was extremely difficult to do.

It was already extremely difficult to comprehend the 'fighting' formula, not to mention under this kind of intense pain!

Qin Yu tried a few times, but he was unable to ignore this pain, let alone calm his mind.

"Looks like I have to overcome this pain first..." Qin Yu thought to himself.

The eight higher-ups fainted from the pain many times. Their bodies were covered in sweat, and they were close to collapse.

Some higher-ups even wanted to choose to self-detonate to end the pain. Unfortunately, under Gu Xinghe's spell, they did not even have the ability to self-detonate.

Qin Yu tried a few times, but he was unable to enter the state.

He simply opened his eyes and looked at the eight people.

"The dignified higher-ups of the martial arts association of Jingdu have actually fallen to such a state," Qin Yu ridiculed.

"You really brought this on yourself. You Can't live with yourself."

Yan Yongfu gritted his teeth and said, "If it weren't for you... We wouldn't have ended up like this!"

Qin Yu said in surprise, “What are you farting about? What does this have to do with me?”

Yan Yongfu opened his mouth and wanted to speak, but he fainted from the pain.

“F* ck, hurry up and say it. Don’t Play Dead, “Qin Yu couldn’t help but curse.

However, Yan Yongfu did not move at all. It was as if he was dead.

“Let me die... Let me die... “some of the higher-ups cried out in grief. It seemed that they could not bear the pain anymore.

Seeing them like this, Qin Yu was overjoyed.

“It’s a pity that there’s no way to record it. Otherwise, I would definitely record it and show it to Ruoxue,”Qin Yu thought to himself.

At this moment, Chang Mang and the others had already escaped from the second mystic realm and arrived at the Divine Alchemist Pavilion.

In order to prevent any accidents, the pavilion master took the lead and returned to the Heaven Gate, temporarily dispersing everyone.

Some chose to go to the Sheng Kingdom, while others chose to temporarily become an unspecialized. As for the Pavilion Master and the others, they quickly returned to the Divine Alchemist Pavilion.

Chang Mang was heavily injured. Fortunately, he had the pavilion master to treat his injuries, allowing him to recover quite quickly.

“We have to think of a way to save Qin Yu!”Chang Mang couldn’t care less about his injuries. His face was red and full of anger.

“Who can we ask for help now? Gu Xinghe has the power of an Almighty, and no one in the world is his match. How Can We Save Him?” Chu Heng said from the side.

Hearing this, Chang Mang grabbed his collar and said angrily, “So? Then we won’t save him! If you’re F * cking scared, get lost!”

Chu Heng looked a little helpless. His skinny figure was like a chicken in Chang Mang’s hands.

“Chang Mang, don’t be anxious. That’s not what Chu Heng meant,” Yao Meng said to smooth things over. “What the F * CK does that mean?!” Chang Mang’s eyes were bloodshot as he roared angrily.

Yao Meng smiled bitterly and said, “We have to save him, but I’m afraid we have to think of a suitable strategy. We definitely can’t go head-on.”

Hearing this, Chang Mang let go of Chu Heng. He said angrily, “My brain is not that good. You guys quickly think of a way. If you can’t think of a way, I’ll go to the first secret realm. At worst, I’ll die with him.” After saying this, Chang Mang turned around and went back to his room.

Yao Qing scratched her head and said, “How about I play the role of the Guardian again?” “It’s useless. “Pavilion master rejected this idea.

“Gu Xinghe isn’t a high-ranking official. He doesn’t have much feelings for the Dao Protector.”

“Since the Dao Protector can appear once, then he might appear a second time,” Jiang he said.

Pavilion master shook his head, "I have a different opinion. Since he appeared last time in a black robe, it means that he doesn't want to appear in person. He's just taking advantage of the situation. This time, he definitely won't appear."

"Moreover... based on my understanding of him, he won't protect Qin Yu in everything. He won't even care about his wife," said the pavilion master in a deep voice.

The scene fell into silence. No one made a sound.

Everyone had witnessed Gu Xinghe's strength with their own eyes. Who would dare to go against him.

At this moment, Gu Xinghe had regained control of the martial arts association in Jingdu.

Sitting in his former office, Gu Xinghe was filled with emotions and was extremely satisfied.

This time was different from the last time.

The last time he took control of the martial arts association of Jingdu, he was just a puppet. This time, he truly owned this organization!

Zhai Xing stood beside him, his body covered in wounds. It was obvious that he had been taught a lesson by Gu Xinghe. "Uncle Zhai Xing, on account of your relationship with my father, I can give you another chance," Gu Xinghe said faintly.

Zhai Xing wiped the blood from the corner of his mouth, as if he wanted to ask something.

“Why? If you have something to say, just say it,” Gu Xinghe said faintly.

Zhai Xing opened his mouth and said, “Young Master Gu, You... What did you do to Qin Yu?”

As soon as he said this, a hint of anger flashed across Gu Xinghe’s face!

He slammed his palm on Zhai Xing’s chest. This palm instantly shattered Zhai Xing’s ribs!

“It seems that you are quite attentive,” Gu Xinghe said coldly.

“What kind of bewitching potion did that Kid Give You? You Don’t know who your master is, do you?”

Zhai Xing got up from the ground, not daring to say another word.

Gu Xinghe said coldly, “If not for the fact that I need manpower now, I would have killed you long ago! I’m telling you, you’d better not mention him again, or else it won’t be good for anyone.”

Zhai Xing did not say anything more, only lowering his head.

“I order you to immediately recruit troops and regroup,” Gu Xinghe said indifferently.

“Also, isn’t there a group of mighty figures who have appeared for the sake of the Holy Region? Find Them All and work for me. Otherwise, I will kill them all!”

Chapter 1155 Chapter 1,155, the power of the bloodline

This was undoubtedly a tremendous power!

If all the mighty figures were gathered at the martial arts association in Jingdu, then perhaps no one would be able to go against Gu Xinghe!

In the main hall of the first secret realm, the wailing continued.

Qin Yu was a little annoyed when he heard this. He cursed, “Stop F*cking humming non-stop, like a woman.”

“F*ck you...” Yan Yongfu scolded back.

“If it weren’t for you... We would never have fallen into such a situation...”

Qin Yu glanced at him and sneered, “Oh, you’re Awake? Tell me, what do you mean by that?”

Yan Yongfu snorted coldly. Of course, he didn’t want to pay attention to Qin Yu.

Qin Yu sneered, “You don’t want to say it, right? Fine, when Gu Xinghe comes, I’ll continue to anger him and make you all suffer even more.”

As soon as these words were said, the faces of the eight higher-ups instantly turned pale with fright! Yan Yongfu’s attitude changed as he gritted his teeth and said, “You’re Ruthless!”

With that, Yan Yongfu told Qin Yu the whole story.

After Qin Yu heard it, he couldn’t help but sneer, “All of you are really stupid. It’s good to believe who you want to believe. Do you believe in Gu Xinghe?”

Of course, Qin Yu didn’t care who they believed in.

What he cared about was the spell Yan Yongfu mentioned.

This kind of spell could gather everyone's strength into one person. It was simply a godly skill.

“When you guys pass this spell to me later, I might consider letting you guys die a quick death,” Qin Yu muttered.

Yan Yongfu snorted coldly, “You should think about how to leave this place...”

Qin Yu didn't answer him. He thought for a moment and said, “By the way, you seem to be quite afraid of my father.” “Aren't you afraid?” Yan Yongfu said with a cold face.

Qin Yu ignored him and continued to ask, “By the way, what exactly is the strength of a Dao Guardian?”

“I don't know,” Yan Yongfu said with a bad face.

Qin Yu didn't continue to ask this question. He thought for a moment and said, “By the way, why do you have to get Yan Ruoxue's bloodline? You have to tell me this question.”

Yan Yongfu endured the pain and said, “Because her bloodline is very strong. It's that simple.”

“That's not right,” Qin Yu muttered, “As far as I know, my bloodline and Yan Ruoxue's bloodline seem to be able to fuse and display even more powerful power. Not bad, right?”

Upon mentioning this topic, Yan Yongfu's expression suddenly changed!

He seemed to have thought of something, and his face actually had some excitement.

“What’s Wrong?” Qin Yu asked.

Yan Yongfu couldn’t care less about the pain and said, “Qin Yu, I’ll make a deal with you. How about it?”

“Deal?” Qin Yu looked at Yan Yongfu in surprise.

Yan Yongfu hummed in gratitude and said, “To tell you the truth, I Still Have Yan Ruoxue’s bloodline in my hands.”

“Just as you said, you can indeed fuse with Yan Ruoxue’s bloodline and display unparalleled strength!”

Qin Yu frowned. Although he felt a little uncomfortable, he still motioned for Yan Yongfu to continue. At this moment, Yan Yongfu even forgot about the pain. He said, “I can give you Yan Ruoxue’s blood and use this blood pressure to exchange for our lives. How about it?”

Qin Yu remained silent.

In fact, Qin Yu wanted to tear these people into pieces immediately.

It was impossible for him to let them live.

“Qin Yu, let me tell you that the benefits of your bloodline fusion will definitely exceed your imagination, “Yan Yongfu reminded him.

“I’m not afraid to tell you that the reason I took Yan Ruoxue away in the first place was to prevent the blood fusion between the two of you.”

“It was only later that I discovered that this bloodline was actually useful to others.”

Qin Yu felt waves of anger in his heart when he brought up the issue of Yan Ruoxue’s blood. This also increased Qin Yu’s hatred towards Yan Yongfu and the others by a few levels.

“No.” Qin Yu shook his head after thinking over and over again.

He looked coldly at Yan Yongfu and said, “I can still obtain this bloodline after you die.”

“Do you think that if we can’t live, I will leave the blood behind for you?” Yan Yongfu sneered. “Since you don’t want to, then forget it.” Yan Yongfu no longer paid attention to Qin Yu.

Qin Yu frowned.

Qin Yu was indeed quite curious about the power of this blood fusion.

Moreover... If he could obtain this power, the chances of surviving would be higher.

“I can only promise to spare you,” Qin Yu said coldly after hesitating for a while.

Yan Yongfu immediately frowned when he heard this.

“No, we absolutely can not agree to him!” The other higher-ups immediately became anxious!

Qin Yu snorted, “It’s fine if you don’t agree. Anyway, the holy region is about to open. I will be able to see Ruoxue sooner or later.”

At this moment, Yan Yongfu was also a little conflicted.

These higher-ups were all his beloved relatives and friends. Yan Yongfu really couldn't bear to give them up just like that.

A moment later, Yan Yongfu took a deep breath and said, "Okay, deal."

In the face of life and death, everyone was selfish, and Yan Yongfu was naturally the same.

"Yan Yongfu! You... "those higher-ups were immediately filled with anger.

However, Yan Yongfu couldn't care about them. As long as they were alive, there was still hope. Qin Yu said in a deep voice, "Where is the blood?"

"I can't tell you for the time being." Yan Yongfu shook his head.

He pointed at the few chains and said, "You have to think of a way to escape from here first."

Qin Yu didn't say anything. He took a deep breath and said in his heart, "It seems that I have to understand the fifth level of the Dou character manual as soon as possible." "That's right." At this moment, Yan Yongfu spoke again. "Not only can you not kill me, but you can also not cripple my cultivation and hurt me." It had to be said that this old man Yan Yongfu was extremely cunning. He had long thought of the thoughts in Qin Yu's heart.

Although Qin Yu was unhappy, after thinking for a moment, he finally nodded and said, "Alright, I'll agree to it."

Chapter 1156: Chapter 1, 156, comprehending the DOU character formula

Yan Yongfu heaved a sigh of relief, while the surrounding higher-ups cursed Yan Yongfu incessantly.

But at this time, Yan Yongfu couldn't care less.

He turned a deaf ear and pretended not to hear.

Time flew by, and in the blink of an eye, two days had passed.

During these two days, Gu Xinghe was busy recruiting troops, so he didn't come to the first mystical realm.

After two days, Qin Yu was barely able to bear the pain and study the fighting formula.

He did not waste any more time and began to devote himself to the fighting formula.

Gu Xinghe, who had received the power of eight high-level officials, could be said to be in high spirits at this moment.

Not only did he recruit a large number of people, but he also gathered all the almighty experts in the world.

At the Martial Arts Association's discussion hall in Jingdu.

Gu Xinghe sat on the huge chair at the front of the discussion hall and quietly scanned the crowd.

At a glance, there were actually more than ten almighty experts!

These people's internal Qi was slightly dry, and the strength they could display was about the same as Tian Zong's.

But even so, they still maintained their proper arrogance. After all, they were already top-notch experts a thousand years ago.

Gu Xinghe swept his gaze across the crowd and calmly said, "The JINGDU martial arts association needs to be rebuilt, and my goal is also very simple. I want the Jingdu martial arts association to be unprecedentedly powerful!"

"all along, the Jingdu Martial Arts Association's main forces have been purple robe and black gold cannon. The purple robe from before was only a martial marquis, but today, I want the almighty to become purple robe! That is, everyone present!"

'As soon as these words were said, a trace of ridicule flashed across the faces of the many almighty experts below.

"Ignorant child, you don't know the immensity of Heaven and Earth," a powerful expert said coldly.

"We have been sealed up for hundreds of years, not to accompany your country. The Jingdu Martial Arts Association in Your Eyes is worthless in my eyes."

"That's right. In this birth, we want to step into the holy region, not to work for you."

Gu Xinghe seemed to have already anticipated their attitude.

He slowly stood up and looked coldly at the many almighty experts in front of him, he said, "In this world, strength is the most important! So what if you're all in the Almighty Realm? Put away your arrogance and either work for me or Die For me!"

With that, Gu Xinghe suddenly stretched out his palm, and a dazzling light covered a mighty expert!

That mighty figure's expression changed greatly, and he hurriedly raised his hand to receive it. However, he only had the strength of a half-step mighty figure, so how could he be a match for Gu Xinghe! The moment they touched, this mighty figure's body was directly shattered!

Gu Xinghe snorted lightly, and his palm shone again, directly crushing that mighty figure's primordial spirit with his bare hands!

Seeing this scene, the expressions of many mighty figures were somewhat unsightly.

Gu Xinghe's actions were so vicious that it made them feel apprehensive.

"Is there anyone else who isn't convinced?" Gu Xinghe said indifferently with his hands behind his back.

'The various almighty experts looked at each other, seemingly unable to make up their minds for a moment.

If they didn't agree to Gu Xinghe's words today, they were afraid that they would really die here.

In that case, they would have waited for hundreds of years in vain.

"We can agree to work for you.' Finally, a mighty figure stood out.

He looked at GU xinghe and said, "However, we have a condition. After the opening of the Holy Region, we must regain our freedom. This is our bottom line."

“You still have a bottom line?” Gu Xinghe raised his brows and could not help but sneer.

That mighty figure snorted coldly and said, “Although your current strength is above us, if we burn our blood essence and recover to the peak, it is hard to say who is stronger.”

Gu Xinghe laughed out loud, “Are you guys willing to burn your blood essence? You all know the consequences!”

“That’s right, the price of burning our blood essence is huge. However, we have waited for so many years for the sake of the Holy Region,” the Almighty said coldly.

“If we can’t go to the holy region, we might as well have one last glorious day.”

Hearing this, Gu Xinghe’s brows furrowed.

If so many mighty figures went crazy, it would really be troublesome.

After thinking for a while, Gu Xinghe said in a low voice, “Alright, I’ll agree to your request, but before the Holy Region Opens, you must listen to my orders!”

“Deal,” the many mighty figures below agreed.

A month was enough.

A dozen or so mighty figures were enough to sweep this world.

Furthermore, once the array platforms were destroyed, it would be impossible to go to the holy region.

It was no exaggeration to say that the current Gu Xinghe already had the ability to talk to a country.

Gu Xinghe didn't waste any time and immediately began his actions.

First, he rebuilt the prestige of the martial arts association in Jingdu and informed the martial arts world of the rebuilding of the martial arts association in Jingdu.

Then, he sent many mighty figures to all over the world to search for the eighteen array platforms!

Of course, Gu Xinghe did not tell these mighty figures his purpose of searching for the array platforms. Otherwise, these mighty figures would probably go all out against Gu Xinghe.

In the Divine Alchemist Pavilion, everyone had thought hard for many days, but they still could not find a perfect method.

Putting aside the fact that Gu Xinghe could not cross over, they did not even know how to enter the first secret realm.

“Damn it, I can't take it anymore!”

Finally, Chang Mang, who could not see any hope, shattered the bandages on his body.

He stood up and walked toward the door.

“Chang Mang, what are you doing!”The pavilion master asked coldly.

Chang Mang clenched his fist and said coldly, “I, Chang Mang, was born between heaven and earth, not to cower like a sewer rat! As a man, I will not linger on my last breath. At worst, I will die!”

With that, Chang Mang strode out of the door..

Chapter 1157:Chapter 1, 157: Qin Yu escaped!

Seeing Chang Mang leave, someone immediately shouted, “Chang Mang, if you go now, you’re Courting Death!”

“Then let me die! Rather than live like this, it’s better to die in battle!” Chang Mang was extremely stubborn, and his entire body was filled with the desire to fight.

It was as if he was born to fight and didn’t know fear at all.

“Buzz!”

At this moment, an extremely holy light attacked from behind.

This light was like a large net, covering Chang Mang and stopping Chang Mang’s footsteps.

Chang Mang tried to break free, but he discovered that the more he broke free, the tighter this light became.

Turning around, he saw that the spellcaster was Yao Meng.

Yao Meng’s ten fingers erupted with a light that was like a spider web, covering Chang Mang and making him unable to move.

“Let go of me!” Chang Mang shouted angrily.

Yao Meng shook her head and said, “I can’t let you go and die.”

Chang Mang clenched his fists and said through gritted teeth, “Miss Yao, I don’t want to attack you, but don’t force me!”

Yao Meng was also extremely tough. She took a step forward and said, "Go ahead and attack. If you want to get out, kill me first."

"Alright, you forced me to do this!" Chang Mang shouted loudly, and a blood-red light immediately erupted!

This terrifying explosive force actually directly shattered the light!

He held a fist the size of a casserole and rushed towards Yao Meng!

"Stop!"

At this moment, the pavilion master suddenly blocked between the two of them.

She said with a cold face, "All of you stop. I'll go ask the Dao Protector."

Hearing these words, Chang Mang finally loosened his fist.

He looked at pavilion master and said, "Pavilion Master, is what you said true?"

"When have I ever lied to You?" Pavilion Master's voice was somewhat cold.

"All of you stay in the Divine Alchemist Pavilion. I'll set off now to look for the Dao Protector."

After saying this, pavilion master turned around and walked out of the door.

Everyone looked at pavilion master's back and could not help but look at each other.

She... Really went to look for the Dao Protector? Didn't they say that the Dao Protector was elusive? Was it really that easy to find him?

Although everyone had some doubts in their hearts, they also understood that this might be the only way at the moment.

In the first Mystic Realm, Qin Yu closed his eyes slightly and studied the fighting word formula.

Meanwhile, the surrounding higher-ups were still shouting and wailing incessantly.

Under this kind of pain, they had even lost the intention to live.

At the same time, they also somewhat admired Qin Yu.

This kid's ability to adapt was simply abnormal!

Even if he was at the Almighty Realm, he was in so much pain that his entire body was covered in sweat, but this Qin Yu was actually able to study a spell in this kind of situation!

It was simply unheard of!

Yan Yongfu looked at Qin Yu, who had his eyes slightly closed, and couldn't help but feel somewhat terrified.

No wonder he was able to overthrow the rule of the martial arts association of Jingdu with one hand. Such perseverance was truly unheard of.

"If this child doesn't die, he will definitely become a great talent in the future." Yan Yongfu could not help but sigh in his heart.

Qin Yu closed his eyes and continued to study the fighting formula.

This was bound to be a long project. He could not rush the matter of studying spells, so he could only take it slowly.

In the blink of an eye, five days had passed.

During these five days, thanks to Gu Xinghe's hard work, the Jingdu Martial Arts Association was finally rebuilt.

Because of the participation of the reclusive mighty figures, the scale of the JINGDU martial arts association was even more prosperous than before, and its strength was even stronger!

With such powerful strength, even the officials began to worry.

With Gu Xinghe's disorderly expansion, who knew what he would do in the future!

Most importantly, apart from the martial arts world, Gu Xinghe had also extended his hand into the various aristocratic families, combining it with capital.

This was definitely a hidden danger, a hidden danger with destructive factors!

Ye Qing sat in his office, his face extremely gloomy.

“Commander Ye, now that Qin Yu's life and death are unknown, no one can go against Gu Xinghe,” someone reminded him from the side.

Ye Qing took a puff of his cigarette and did not say a word.

“If it really doesn't work out, we might have to choose to negotiate with Gu Xinghe and then coexist,” someone suggested.

Ye Qing's face turned cold. He waved his hand and berated, "Absolutely not! Absolutely not allowed!"

"For a person like Gu Xinghe, if he is given a little sunshine, he will be brilliant. Coexisting with him? Then he will have to show off!"

"Commander Ye, we are just stalling for time and delaying the war, someone said.

"Yes, it is not a good thing to fall out with him at this time."

Ye Qing could not help but clench his teeth. His fist smashed fiercely on the table, and the table immediately shattered.

"Qin Yu, are you really going to end it like this..." Ye Qing's eyes flickered and he let out a long sigh.

Back then, Jiang he also had the hope of uprooting the Jingdu Martial Arts Association, but in the end, he still failed.

Was the current Qin Yu going to repeat the same mistake.

In the first secret realm, Qin Yu was neither too fast nor too slow in comprehending the fighting character formula.

"Yan Yongfu, you despicable person," a higher-up beside him said through gritted teeth.

"Everything started because of you. Now, you, the instigator, are going to be the first to run away!"

Yan Yongfu said indifferently, "When disaster strikes, we all fly separately. I can't even protect myself. How can I Care About You?"

“Hehe, if I didn’t listen to your nonsense, this Gu Xinghe wouldn’t have obtained such power!” A higher-up said with a dark face.

“If we can’t live, don’t think that you can live well either!”

Yan Yongfu couldn’t be bothered with them. Whatever he said now was nonsense.

At this moment, the door suddenly opened.

Gu Xinghe, who hadn’t appeared for many days, finally came here today.

He put his hands behind his back and looked at the crowd.

Seeing their painful and exhausted appearance, Gu Xinghe was extremely satisfied.

He clapped his hands and said indifferently, “How is it? Does it feel good?”

The room was silent and no one spoke.

Gu xinghe laughed and said, “Those who bully others will be bullied by others! This is the price you should pay!”

“Gu Xinghe, I want to make a deal with you.” At this time, the only female higher-up among the eight said.

“Oh? Make a deal with me?” Gu Xinghe raised his eyebrows. He sized up the female higher-up and a trace of ridicule flashed in his eyes.

“What? You want to sell your body? Or your soul?” Gu Xinghe sneered.

‘The female executive glanced at Yan Yongfu and said, “I’ll tell you a secret in exchange for my life. How about it?”

“Oh? What Secret?” Gu Xinghe was slightly surprised.

The female executive said in a deep voice, “I can only promise you that this secret is very important to you. It involves your life.”

Gu Xinghe rubbed his chin. He sized up the female higher-up and said, “Alright. If this secret is really useful to me, I can consider letting you go.”

The female higher-up did not waste any words.. She looked at Yan Yongfu coldly and said, “He has an agreement with Qin Yu! He is thinking of a way to escape! Moreover, Yan Yongfu has Yan Ruoxue’s blood on him!”

Chapter 1158:Chapter 1,158, the Witty Qin Yu

Yan Yongfu’s expression instantly turned extremely ugly.

Even Qin Yu couldn’t help but frown.

“Su Qi, you!” A trace of anger flashed across Yan Yongfu’s face.

Qin Yu sneered, “Do you think I’ll let you live alone? In your dreams!”

“Gu Xinghe, this Qin Yu is thinking of a way to escape. Once he escapes, Yan Yongfu will give Yan Ruoxue’s blood to Qin Yu to increase his strength!” Su Qi looked at Gu Xinghe and said.

“Yes, Su Qi is right. We heard it with our own ears!” The other higher-ups saw that this move was effective and quickly followed up, as if they wanted to take the opportunity to exchange for their own lives.

Gu Xinghe's expression turned cold. He narrowed his eyes and looked at Qin Yu, saying, "TSK TSK, it's already like this. Aren't you being honest?"

Qin Yu did not say a word. He looked calm and collected, but in reality, a storm was raging in his heart!

Gu Xinghe snorted, "Yan Yongfu, do you really have Yan Ruoxue's blood on You?"

"Where did I get this blood? If I had it, I would have fused with it myself," Yan Yongfu snorted.

Gu Xinghe sneered, "I will know if you have it or not after I search your body. But let me tell you, if you hand it over now, I can pretend that nothing happened. If I find it, you can consider the consequences yourself!"

With that, Gu Xinghe strode towards Yan Yongfu and started the search.

However, after a round of searching, he found nothing. There was no trace of blood at all.

Gu Xinghe frowned and looked at Su Qi coldly.

Su Qi hurriedly said, "He must have hidden it! It's not with him!"

At this moment, Qin Yu suddenly had an idea and could not help but smile coldly.

He ridiculed from the side, "Gu Xinghe, I said you're stupid, but you still don't adm

Gu Xinghe suddenly looked at Qin Yu and raised his hand to slap Qin Yu's face.

“Qin Yu, do you not understand the situation? How dare you talk to Me Like That?” Gu Xinghe said with a gloomy face.

Qin Yu continued to ridicule, “Because you are indeed stupid. This Su Qi is obviously lying to you. Can’t you see it?”

Gu Xinghe frowned slightly and asked, “What do you mean?”

Qin Yu said indifferently, “Use your brain to think. This Su Qi claimed that Yan Yongfu has Yan Ruoxue’s blood and said that he hid it. What will happen next?”

Gu Xinghe thought for a moment and said coldly, “I have to let this Yan Yongfu lead the way to find the blood?”

“That’s right!” Qin Yu was overjoyed. This idiot had fallen into his trap!

“This way, Yan Yongfu will have a chance to escape. After all, he is a mighty figure. With time, he will definitely recover to his peak condition.”

“When that time comes, I’m afraid your position will be lost.”

Su Qi, who was at the side, immediately became anxious. She hurriedly explained, “This Qin Yu is lying to you! Don’t believe his words!”

Qin Yu was not anxious either. He slightly closed his eyes and said, “Gu Xinghe, do you think the possibility of Yan Yongfu working with Me is higher, or is the possibility of him working with Su Qi Higher?”

“Don’t forget, the eight of them have been together for hundreds of years.”

Gu Xinghe's expression completely turned cold. His pair of eyes that were filled with "Wisdom" also looked coldly at Su Qi.

"It's really not like that! Qin Yu is lying, he's lying to you!" Su Qi explained in panic.

At this moment, Yan Yongfu sighed and said, "Alright, Su Qi, since we've been seen through, there's no need to continue. There's no point."

'These words added fuel to the fire and Gu Xinghe's expression turned extremely cold.

He grabbed Su Qi's neck, and a terrifying force burst out from his hand!

This force was so strong that it almost broke Su Qi's neck!

"Even now, you still dare to play me, right?" Gu Xinghe said coldly.

Su Qi opened her mouth, wanting to explain something, but she couldn't say a word.

"I'm warning you, the current me is not the Gu Xinghe that is at your mercy! If you want to die, I don't mind sending you on your way ahead of Time!" Gu Xinghe said coldly.

He threw Su Qi to the side and said coldly, "Since you're still not being honest, then don't blame me for being rude."

With that, Gu Xinghe's hand glowed and pointed at the end of the chain again.

The pain doubled again!

Su Qi, Yan Yongfu, and the others' faces instantly twisted.

Even Qin Yu couldn't help but frown. It was obvious that the pain had reached his limit.

"I'm warning you, you'd better not play any tricks," Gu Xinghe said coldly.

"When I'm done, I'll execute you in public!"

"I want everyone to know the consequences of offending me, Gu Xinghe!"

After saying this, Gu Xinghe turned around and walked out.

The door slowly closed and Qin Yu couldn't help but heave a sigh of relief.

However, under this intense pain, his mind had almost become numb, and even his thoughts had slowed down a lot.

"Qin Yu... you're ruthless..." Su Qi said through gritted teeth.

Qin Yu sneered, "Serves you right. With just you, you still want to set me up? Do you have the ability to do that?"

Yan Yongfu couldn't care less about the pain. He said with some admiration, "As expected... those who do great things... still need to use their brains, even for cultivators..."

Qin Yu ignored Yan Yongfu.

Fortunately, these people didn't know that Qin Yu was comprehending the fighting formula.

Otherwise, Gu Xinghe might have killed Qin Yu immediately.

“Fortunately, I’m smart,”Qin Yu thought to himself.

He closed his eyes and planned to continue comprehending the fighting formula.

“Qin Yu, do you have any way to escape...”Yan Yongfu asked.

Qin Yu glanced at him and said, “According to this progress, if you give me a few more days, it should be about the same.”

Qin Yu had already figured out the fifth level of the fighting word formula.

It was only a matter of time before he figured it out..
