Chapter 1159 Chapter 1,159, the cruel Gu Xinghe

“What exactly are you planning to do?” Yan Yongfu asked.

Qin Yu glanced at him and said, “You don’t need to know too much.”

With that, Qin Yu no longer paid attention to Yan Yongfu.

In the blink of an eye, a few days passed.

In these few days, the scale of the martial arts association in Jingdu had developed to an extremely terrifying scale.

This scale had even surpassed the peak state of the past!

This also made Gu Xinghe extremely satisfied.

He stood on top of the tall building of the martial arts association in Jingdu, overlooking more than half of Jingdu. That feeling was as if he was looking down on the land he had conquered.

“Uncle Zhai Xing, do you see? All of this is the result of my hard work,” Gu Xinghe said faintly.

Zhai Xing stood behind him and did not say a word.

“My achievements far surpass my father’s generation and those eight high-ranking officials! I am the true king of this world!” Gu Xinghe laughed loudly.

Zhai Xing opened his mouth and said, “Young Master Gu, you should still look at the holy region. That is the true vast world of cultivators...”

“Shut up!”

At the mention of the Holy Region, Gu Xinghe’s face was full of anger!

“It was not easy for me to have all of this. You Want Me to give up? You want me to go to the holy region and start all over again!”Gu Xinghe said angrily.

Zhai xing sighed, “But... the people of the holy region will come sooner or later.”

“Then I will destroy the formation stage! I will never allow anyone to destroy everything I have!”Gu Xinghe’s eyes were wide open and he was extremely emotional.

Zhai Xing could not help but sigh in his heart.

Gu Xinghe’s vision was too low. He did not want to compete with those geniuses at all. He only wanted to protect his own plot of land.

However, the wheels of history would not stop for anyone.

Everything was like sailing against the current. If one did not advance, one would retreat. No one could forever protect their own achievements.

“In three days, gather all the martial artists in the world to come to the martial arts association in Jingdu. I want to publicly punish Qin Yu and the others,”Gu Xinghe said coldly.

Zhai Xing's expression changed. He hurriedly said, "Young master Gu, Qin Yu will go to the holy region sooner or later. He won't fight with you for the martial arts association in Jingdu!"

"How about this? I'll be the middleman. I'll advise him to go to the holy region. It definitely won't affect your rule. Can you let him go?"

Gu Xinghe narrowed his eyes slightly.

He sized up Zhai Xing and sneered, "Even now, you still want to protect Qin Yu. Do you think that's possible?"

Zhai Xing's expression was a little ugly, but he did not know how to respond.

Gu Xinghe sneered, "Since you care so much about him, then you will deal with Qin Yu."

"If you don't agree, I will kill you and kill everyone related to Qin Yu." Before Zhai Xing could speak, Gu Xinghe said coldly.

A trace of despair flashed across Zhai Xing's face. He gritted his teeth and lowered his head, "I understand."

In the first secret realm, Qin Yu's comprehension of the fifth level of the fighting word formula had reached its peak. It was as if he could comprehend the fifth level of the fighting word formula at any time. He closed his eyes tightly. All his thoughts were focused on the fighting word formula, and he did not dare to be distracted at all.

"Swish!"

Very soon, a trace of brilliance flashed through Qin Yu's mind.

It was as if he had pierced through a layer of window paper. All his thoughts were connected as if they had been formed by the passage of time.

Qin Yu suddenly opened his eyes and said in a low voice, "It's a success."

"It's a success?" Yan Yongfu hurriedly looked at Qin Yu, his eyes filled with anticipation.

Qin Yu grunted in gratitude. He took a deep breath and looked at the chain not far away.

This chain was binding the primordial spirit. It was indeed very difficult to break free.

"Are you confident?" Yan Yongfu asked eagerly.

Qin Yu said in a deep voice, "It shouldn't be a problem."

Yan Yongfu didn't dare to say anything. All his hopes were placed on Qin Yu.

He probably never dreamed that one day, he would wait for Qin Yu to save him.

Qin Yu closed his eyes slightly and a mark flashed across his glabella!

This mark was a huge 'Dou' character!

The fifth level of the 'Dou' character appeared in an instant!

Qin Yu's strength began to increase exponentially at this moment!

In just a few short seconds, Qin Yu's strength had increased by dozens of times!

Although his realm hadn't changed, his true strength wasn't on the same level!

Even these higher-ups could feel the terrifying pressure coming from Qin Yu's body!

"Could it be that you've broken through?!" Yan Yongfu exclaimed in shock.

This level of strength was clearly at the Almighty Realm!

However, Qin Yu shook his head and said, "No, this is the battle word formula."

"Nine secret battle word formula?!" Yan Yongfu seemed to have thought of something!

This kind of spell was a top-notch item even in the holy region. It was enough to attract the top experts of the entire holy region!

Qin Yu didn't say anything else. His body suddenly trembled, and he actually stood up!

Then, a small golden figure walked out from between his brows. The golden figure grabbed the chain and forcefully dragged it up!

In the blink of an eye, the small golden figure forcefully pulled back the divine sense that had been extracted!

Following that, the small golden figure slashed down on the chain!

"Kacha!"

A crisp sound rang out! The chain shattered!

Many of the higher-ups in the room opened their eyes wide!

This Qin Yu had actually broken free from the shackles of the chain!

Qin Yu slowly stood up. At this moment, his body was emitting an extremely powerful force. This force brought with it an extremely oppressive feeling, causing people to be unable to raise their heads!

“Qin Yu, quick, quickly save me!” Yan Yongfu said anxiously.

Qin Yu glanced at Yan Yongfu, then raised his palm and pulled Yan Yongfu’s divine sense back. After that, he cut off the chain.

Yan Yongfu hurriedly stood up and escaped from this pain. Traces of comfort swarmed over.

“Finally...” Yan Yongfu was so excited that tears flowed down his face!

The other higher-ups at the side also said

“Qin Yu, save us...”

Su Qi even lowered her body, revealing her ample career line.

“Qin Yu, as long as you’re willing to save me, I’ll be your slave in the future. I’ll listen to everything you say...” Su Qi said in a trembling voice..

Chapter 1160: Chapter 1, 160, the only remaining blood

Su Qi tried to flirt with him in an attempt to achieve her goal.

However, the chains on her body made her unable to move at all.

Su Qi had never expected that she, a mighty almighty, would actually rely on her physical body to win a glimmer of hope for survival.

Unfortunately, Qin Yu did not fall for this trick.

Everything was just a skeleton, not worth mentioning.

What he wanted was a soul connection.

“You guys should continue to enjoy this pain,” Qin Yu said with a cold smile.

“Don’t... Don’t, please save us...” a higher-up begged with a trembling voice.

“Or... or you can kill us!” A higher-up seemed unable to bear the pain and hurriedly shouted.

Qin Yu sneered, “Gu Xinghe is right. It’s too easy for you to die like this. Enjoy it slowly.”

After saying that, Qin Yu looked at Yan Yongfu and asked, “Where’s the blood?”

“Let’s leave this place first,” Yan Yongfu said.

Qin Yu nodded and agreed.

This was the first secret realm after all, so Yan Yongfu was very familiar with this place.

He led the way in front and soon arrived at the passage.

After opening the passage, the two of them entered it and quickly disappeared from the first mystic realm.

After escaping from the first mystic realm, Yan Yongfu said coldly, "Follow me."

Qin Yu glanced at Yan Yongfu and said, "Where are you going?"

Yan Yongfu said indifferently, "I had already predicted that there would be a disaster one day, so I had long prepared a place to hide. Only I know that place."

Qin Yu raised his eyebrows and said mockingly, "A crafty rabbit has three burrows."

"Now is not the time to talk about this. Hurry up and leave," Yan Yongfu said.

Qin Yu nodded. He followed behind Yan Yongfu and fled to the east.

The two of them left Jingdu and came to a seaside.

Standing by the seaside, Yan Yongfu raised his hand and began to feel in the air in front of him.

A few minutes later, a ray of light lit up, and an entrance appeared in front of the two of them.

"Mystic Realm?" Qin Yu was slightly surprised.

Yan Yongfu snorted, "This is the mystic realm that I personally created. Although it is only an extremely small mystic realm, it is the best place to hide."

After saying this, Yan Yongfu took the lead and stepped into the mystic realm.

Qin Yu did not waste any more time and followed closely behind, arriving at the mystic realm.

Just as Yan Yongfu said.

This mystic realm was very small. Rather than calling it a mystic realm, it was more like a mansion.

The entire mystic realm was only a few hundred square meters in size, and the decorations inside were extremely crude.

“Where’s the blood?”

Qin Yu looked at Yan Yongfu and asked.

Yan Yongfu pointed to the courtyard behind him and said, “It’s inside.”

Qin Yu didn’t have the time to waste. The blood was very useful, and it was also the key to Qin Yu’s victory over Gu Xinghe.

“Lead the way,” Qin Yu urged.

The two of them passed through the hall and came to the courtyard behind them.

They saw a porcelain jar in the courtyard.

There was internal Qi flowing on the jar, as if it was sealed by some secret method.

Yan Yongfu walked to the jar and placed his hand on the tube.

The mist that lingered around the jar began to disperse, revealing the true appearance of the jar.

The Jar was extraordinary. It was unknown what material it was made of, but it could seal the flow of internal Qi to the maximum.

Then, Yan Yongfu reached out and opened the jar.

There was a pool of bright red in the jar.

The pool of blood was extremely fresh and it was rolling slightly in the jar.

Smelling that familiar smell, Qin Yu couldn't help but feel a little heartache, and a trace of anger appeared on his face.

He suddenly turned around and grabbed Yan Yongfu's neck, lifting him up into the air.

The huge force made it difficult for Yan Yongfu to breathe!

His face quickly turned red, and his hands and feet kept shaking.

"You... said... not to kill me..." Yan Yongfu said these words with difficulty.

Qin Yu gritted his teeth and threw him to the side.

"It's a pity that I can't kill you," Qin Yu said coldly.

He looked at the fresh blood in the jar and said coldly, "This is all your doing."

Yan Yongfu coughed violently and said, "If it weren't for us, you wouldn't have had the chance to touch this fresh blood..."

"Bullsh * T!" Qin Yu slapped Yan Yongfu's face.

“If it weren’t for you, Ruoxue and I wouldn’t have been separated,” Qin Yu said coldly.

Yan Yongfu knew it was useless to say anything, so he just shut his mouth obediently.

Looking at the fresh blood in the jar, Qin Yu took a deep breath.

He waved his hand and kept the fresh blood in the jar.

“According to the information we received, the combination of you and Yan Ruoxue will erupt with an extremely terrifying power,” Yan Yongfu said from the side.

“But we don’t know exactly what kind of power it will erupt with. Speaking of which, I’m rather looking forward to it.”

Qin Yu glanced at Yan Yongfu and sneered, “Yan Yongfu, you have to live well. Sooner or later, I’ll have to kill you with my own hands.”

Yan Yongfu laughed and said, “You’ve already sworn to the Heavenly Dao. I’m afraid you won’t have the chance.”

“That might not be the case,” Qin Yu sneered.

“If I can ignore the Heavenly Dao’s punishment one day, I’ll definitely kill you then.”

After saying this, Qin Yu turned around and walked into the room.

Yan Yongfu looked at Qin Yu in a daze, and he couldn’t help but frown slightly.

Those who could step into the almighty realm were all geniuses.

Especially in such a big environment like Earth.

Even though most of the resources had been obtained by the eight of them, wanting to step into the almighty realm wasn't something that could be achieved just by relying on resources. It was more about talent. It wasn't an exaggeration to say that anyone who stepped into the Almighty realm was a rare existence.

Especially Yan Yongfu, who was the leader of the eight.

As long as he was still alive, Yan Yongfu had every chance.

Chapter 1161: Chapter 1, 161: Qin Yu escaped

On the other side, Gu Xinghe had already invited people from all walks of life.

Apart from the martial arts world, people with prestige in the business world were also invited.

Even ye Qing had received an invitation.

This was enough to show how arrogant Gu Xinghe was.

Not only did he not avoid ye Qing, he even took the initiative to invite him.

This was both a demonstration and a provocation.

“Uncle Zhai Xing, follow me to the first mystic realm. Bring Qin Yu and the others out,” Gu Xinghe said indifferently with his hands behind his

back.

Zhai Xing did not say a word, but his heart was beating violently.

Finally, this day had come.

Gu Xinghe saw the expression on Zhai Xing's face and could not help but sneer.

He really liked this feeling, this feeling of being trampled under the feet of someone who regarded everyone as a genius.

The two of them passed through the entrance and entered the first secret realm. Then, they walked towards the main hall.

The moment they stepped into the main hall, Gu Xinghe's brows furrowed.

He swept his gaze around and realized that there seemed to be fewer people.

"HMM? Where's Qin Yu? !"Very quickly, Gu Xinghe discovered that Qin Yu had disappeared without a trace!

He suddenly looked at the crowd and said coldly, "Speak, where did Qin Yu Go? !"

A terrifying killing intent pervaded the entire hall.

Meanwhile, Gu Xinghe's emotions fluctuated, causing the air to tremble and Rumble!

"Tve long said... Qin Yu and Yan Yongfu have come to an agreement... but you didn't believe me..."Su Qi said somewhat mockingly.

Hearing this, Gu Xinghe's face instantly turned extremely ugly!

He stretched out his palm, and a powerful suction force grabbed Su Qi in his hand!

Gu Xinghe grabbed Su Qi's neck and said coldly, "What do you mean? Where did Qin Yu and Yan Yongfu Go? !"

Su Qi was almost suffocated by Gu Xinghe's grab. She said with difficulty, "You... Let Go of me first..."

However, Gu Xinghe, who was in a rage, did not listen to her.

He glared at Su Qi and said furiously, "I'm asking you where Qin Yu went!"

"Let her go first. Otherwise, she will be strangled to death by you," Zhai Xing reminded him.

Gu Xinghe glanced at Zhai Xing before throwing Su Qi to the side.

Su Qi coughed a little. She looked at Gu Xinghe coldly and said, "They have already run away."

"Impossible! Absolutely impossible! His primordial spirit has already been bound by me, how could he run away!" Gu Xinghe said furiously. Su Qi sneered, "Gu Xinghe, you know very little about Qin Yu. Back then, we were just like you. We didn't kill Qin Yu immediately and allowed him to escape time and time again..."

"Let me tell you, as long as this child doesn't die, he will have unlimited vitality!"

"Moreover, his ability to endure pain is much stronger than you think! You can go and regret it!"

Gu Xinghe's expression was extremely complicated, and his expression changed again and again.

“Lactually let him escape... Ah! ! !”Gu Xinghe raised his head and roared angrily! That terrifying internal Qi instantly shattered the Great Hall! Even the void started to crack at this moment!

Zhai Xing and the others were so shocked by this roar that they could not stop vomiting blood and knelt down on one knee!

Just a single roar had such terrifying power. This could not help but shock Zhai Xing greatly!

“L will definitely bring him back!”Gu Xinghe said through gritted teeth.

Su Qi sneered, “I’m just afraid that you won’t have the chance.”

Gu Xinghe suddenly looked at Su qi and asked, “What do you mean?”

Su Qi looked at the chain coldly and said, “Untie this first.”

“In Your Dreams!”Gu Xinghe rejected Su Qi mercilessly.

Su Qi also said stubbornly, “Then kill me. I will never tell you.”

Although Gu Xinghe was angry, he eventually waved his hand and let go of Su Qi.

At this moment, the pain that lingered around Su Qi’s body disappeared.

She took a deep breath, as if she was enjoying this ordinary comfort.

“Speak quickly,”Gu Xinghe said coldly.

Su Qi looked at Gu Xinghe and said, "When we captured Yan Ruoxue, it was precisely because we learned an important piece of news."

"Once Qin Yu and Yan Ruoxue combine, they will erupt with an extremely terrifying power."

"It is said that this is a special kind of combination, a kind of combination born outside the Heavenly Dao."

Speaking up to this point, Su Qi paused for a moment, a trace of ridicule flashed across her face, she said, "Yan Yongfu still has Yan Ruoxue's bloodline in his hands. If Qin Yu obtains it, his already abnormal physique will advance even further. No one knows how strong he will become."

Hearing this, Gu Xinghe could not help but sneer, "With my current condition, I don't care about his physique! No physique in the world is my match!"

"Oh? Is That So?" Su Qi's face flashed with a hint of ridicule again.

"Let me tell you, once Qin Yu absorbs that bloodline, he might become a special existence."

Gu Xinghe frowned slightly and said, "What do you mean?"

Su Qi said indifferently, "Those horizontal ditches that can not be broken might be nothing in front of him."

"It is very likely that he will defeat a mighty figure with the martial saint realm."

When she said this, Su Qi paused again as if she felt that her words were not appropriate enough.

“No, perhaps he can crush a mighty figure, especially a mighty figure like you, Hahaha!”

Su Qi's ear-piercing laughter made Gu Xinghe extremely annoyed.

With a wave of his hand, he directly smashed Su Qi's mouth into pieces.

“Do you know where Yan Yongfu Is?”Gu Xinghe asked coldly.

Su Qi merely shook her head and did not say a word.

Gu Xinghe took a deep breath and instantly felt a little worried.

Although he was extremely confident in his current strength, when he recalled the scenes from the past, the fear of being dominated by Qin Yu surfaced in his mind.

“Quick, go and find Qin Yu. No matter what price you have to pay, you must find Qin Yu!”Gu Xinghe hurriedly looked at Zhai Xing and shouted.

Chapter 1162:Chapter 1,162, absorption of blood!

Zhai Xing frowned slightly and said, “Then this convention... is it still going to be held?”

“Hold my A * s!”Gu Xinghe roared angrily.

“The main character is no longer around, yet there's still a BULLSH * T convention! Go and find Qin Yu for me!”

Su Qi sneered, “Some people are destined to become the main characters of the era. No matter how despicable your methods are, it’s useless. No one can stop their growth.”

This sentence was not only meant for Gu Xinghe, but also seemed to be a summary of himself.

At this moment, Su Qi deeply understood this logic.

Gu Xinghe glanced at Su Qi coldly. Right now, he did not have the mood to care about Su Qi. The most important thing was to find Qin Yu as soon as possible.

Just as Gu Xinghe was about to leave, he suddenly stopped in his tracks.

He turned to look at Su Qi and asked, “Do you want to live?”
Su Qi was stunned.

Su Qi, who had already given up hope, now had a glimmer of hope in her eyes!

“Of course I do,” Su Qi said hurriedly.

Gu Xinghe sneered, “I do need to know about your higher-ups right now. You’re quite lucky. As long as you listen to me obediently, I promise to spare your life.”

Su Qi, who was full of sarcasm a moment ago, suddenly changed into a completely different person after hearing those words.

She hurriedly walked up to Gu Xinghe, bowed, and said, “I’ll listen to you.”

On the other side, Qin Yu was sitting in the living room.

Although the entire mystic realm was not big, it had all the internal organs. The furniture inside was all made of expensive and solid wood.

Qin Yu held the jar and then looked at Yan Yongfu.

“Don’t tell me you don’t know how to use it?” Yan Yongfu seemed to have noticed Qin Yu’s embarrassment.

Qin Yu grabbed the jar and guessed, “Drink it?”

“.. of course not.” Yan Yongfu shook his head.

He stretched out his finger and reached for the jar, but it was opened by Qin Yu.

“Take your dirty hand away,” Qin Yu said with a cold face.

Yan Yongfu withdrew his hand resentfully and then said with an embarrassed smile, “It’s actually very simple. Just use your cultivation method to absorb the blood.”

“Cultivation method?” Qin Yu frowned slightly.

“That’s right. Open the pores all over your body and slowly absorb the blood.” Yan Yongfu stroked his beard and said indifferently.

Qin Yu lowered his head to look at the blood and couldn’t help but fall into silence.

After thinking for a moment, he said, “How long will it take?”

“Look at the state of compatibility. The more perfect the state of compatibility is, the longer it will take,” Yan Yongfu said.

“The best fit we know so far is Yan Jinyao. He spent a few hours.”

Qin Yu couldn't help but laugh when he heard that. "Is that considered a fit? He's just wasting a god's gift."

Qin Yu remembered the last battle with Yan Jinyao very clearly.

The strength he unleashed was not worthy of his name.

"We don't need to waste any more time. Gu Xinghe will be furious when he finds out that we have left. Innocent people will definitely be implicated," Qin Yu said.

"Prepare a place for me. I'll start absorbing the blood now."

"Okay." Yan Yongfu was also a little excited.

Now that they could no longer get rid of Qin Yu, he wanted to see what would happen when Qin Yu fused with the blood.

Then, Yan Yongfu brought Qin Yu to the bathroom.

There was a huge bathtub in the bathroom, and Qin Yu relied on the bathtub to absorb the blood.

Yan Yongfu stretched out a ray of light from his palm and covered the bathtub, cleaning up all the miscellaneous things on the bathtub.

"It's done." Then, Yan Yongfu pointed at the jar of blood and signaled Qin Yu to pour it into the bathtub.

Qin Yu poured the blood into the bathtub according to Yan Yongfu's request.

Looking at the fresh red blood in the bathtub, Qin Yu's heart felt like it was being pricked by Needles.

So much fresh blood, was it drawn from a person's body? How much pain would he have to suffer?

"The ending is greater than the process," Yan Yongfu reminded from the side.

Qin Yu glanced at him and did not say anything more. He passed through his body and entered the bathtub.

The moment his body entered the bathtub, the blood began to throb violently, as if it was boiling!

All the blood seemed to have gained its own consciousness and kept sticking to Qin Yu's body!

This strange scene could not help but make Yan Yongfu's eyes widen!

"Is this the true compatibility?" Yan Yongfu muttered in a low voice.

This was the first time he had seen such a strange scene!

The blood seemed to be giving Qin Yu a hug. There was no need to deliberately absorb it. It stuck tightly to Qin Yu's body.

The blood passed through the pores and kept drilling into Qin Yu's body.

Qin Yu followed Yan Yongfu's request and closed his eyes slightly to start absorbing the blood.

The pores all over his body opened, and the blood flowed into his body through his pores.

In an instant, a strange warm current spread throughout Qin Yu's entire body.

This feeling was very strange, as if he was soaking in a hot spring. It was more like the feeling he had when he first came into contact with spiritual qi.

The blood flowed through Qin Yu's body, and at this moment, Qin Yu's entire body seemed to be changing.

His physical body began to undergo drastic changes. It was more of an evolution than a change!

His body was covered in a layer of extremely holy light. His body, which had been hard to begin with, was now even more indestructible!

The sound of his bones cracking could be heard. This kind of change was somewhat similar to the effect of the nine transformation golden pill.

However, compared to the nine transformation golden pill, it was many times stronger!

Not only that, this kind of change did not cause any pain at all. On the contrary, his body was extremely comfortable!

Looking at Qin Yu, whose entire body was bursting with divine light, Yan Yongfu's eyes could not help but shine brightly.

"This is too unbelievable! It seems that our speculation is correct! Once the two of you combine, it will indeed bring about an extremely strange transformation!" Yan Yongfu could not be more excited!

He even felt that being able to witness this scene with his own eyes was a great honor!

Chapter 1163:Chapter 1, 163, Gu Xinghe paid a visit to Tian Jizi

This process might take a long time, because the process of the blood merging with Qin Yu was also constantly reshaping Qin Yu's body!

Every time it was reshaped, it would bring with it an incomparably powerful strength!

At the same time, the more times it was reshaped, the more obvious the effect would be!

This might be a long process, but Yan Yongfu did not dare to Blink, afraid that he might miss something.

While Qin Yu was absorbing the blood, Gu Xinghe was also looking for Qin Yu in a hurry.

He used all his power to find Qin Yu.

However, Qin Yu had escaped into the internal Qi realm, so it was impossible for him to find Qin Yu with his aura.

“Instead of relying on these martial artists to find him, it's better to rely on the power of the authorities,” Su Qi reminded him.

“It's impossible for Qin Yu and Yan Yongfu to escape from the surveillance cameras.”

“These words undoubtedly reminded Gu Xinghe. He hurriedly looked at Zhai Xing and said, “Quick, pass down my orders. Go and check the surveillance cameras!”

However, Zhai Xing shook his head and said, “There has long been no connection between the authorities and the martial arts association of Jingdu. They will definitely not help.”

Gu Xinghe's expression became somewhat cold. He gritted his teeth and

said, “I don’t care. If they don’t agree, don’t blame me for being impolite!”

“Young Master Gu, don’t act recklessly,”Zhai Xing said with a frown.

“If we really shed all pretenses of cordiality, no one will be able to gain an advantage.”

Although the Almighty realm was incomparably powerful, it did not mean that they could ignore real military power.

Once they fell out, both sides would suffer.

“I can’t care about that anymore!”Gu Xinghe roared angrily.

“At most, we’ll perish together!”

Zhai Xing glanced at Su Qi and said intentionally or unintentionally, “Aren’t you afraid that someone will take advantage of the situation? Do you want the Martial Arts Association of Jingdu, which you’ve been building with all your heart, to fall into the hands of others?”

This reminded Gu Xinghe.

He said with a gloomy face, “Then what should I do? Should I just let Qin Yu Go? Keeping him alive will become a disaster sooner or later!”

“I do have an idea,”Su Qi said faintly.

“Speak,”Gu Xinghe said hurriedly.

Su Qi said in a deep voice, “Go and find Tian Jizi. He will definitely be able to deduce Qin Yu’s position.”

“Tian Jizi?” Gu Xinghe was stunned. It was as if he had grabbed onto a life-saving straw. He hurriedly said, “Quick, bring me to Tian Jizi!”
Tian Jizi’s temple.

Tian Jizi, who was in seclusion, suddenly opened his eyes.

A trace of sadness flashed across his face, but he quickly regained his composure.

“We can’t escape this day after all,” Tian Jizi muttered softly.

The two disciples seemed to have realized something. They walked forward and asked worriedly, “Master, Can We... Pass this calamity?”
Tian Jizi shook his head with a calm expression and said, “Everything is predestined. We live under the heavens, where should we escape to?”
When the disciples heard this, a trace of sorrow flashed across their faces.

‘The two knelt on the ground and said in a trembling voice, “Master, is there really no other way?”

Tian Jizi waved his hand. He smiled and looked at the two disciples beside him and said, “You guys can go.”

“No, we won’t go!” The two disciples were extremely stubborn.

“Even if we die, we have to stay by Master’s side!”

Tian Jizi opened his mouth. He seemed to realize that he could not change anything. In the end, he could only sigh.

To Tian Ji Zi, his life was extremely painful.

He could clearly see the future, but sadly, he could not change anything.

That deep sense of powerlessness tormented him for an entire lifetime.

That day, Su Qi brought Gu Xinghe to Tian Ji Zi's residence.

The place was as calm as ever. However, the arrival of a helicopter broke the silence.

Gu Xinghe jumped down from a height of several hundred meters, then quickly walked towards the temple.

“Sir, my master doesn't see any guests today, “one of Tian Jizi's disciples said with a bow.

Gu Xinghe gave the disciple a cold glance, then raised his hand and slapped.

This palm was extremely powerful, directly turning the disciple into meat paste.

Zhai Xing, who was at the side, wanted to advise him, but he knew very well that he could not change Gu Xinghe.

The three of them stepped into the temple.

They saw Tian Jizi closing his eyes slightly, completely ignoring Gu Xinghe's intentions.

Gu Xinghe sat directly opposite Tian Jizi and said indifferently, “I heard that you know everything. I came here today because I want you to help me find someone.”

Tian Jizi ignored him as if he didn't hear anything.

Gu Xinghe frowned and said with a cold face, “Tian Jizi, if you help me today, I will definitely treat you as an honored guest.”

Tian Jizi said indifferently, “You are here to find Qin Yu, right?”

Gu Xinghe heard this and couldn't help but sneer, “Tian Jizi really lives up to his reputation. What else do you know?”

“Also know that you're trying to destroy the holy region, but I have to tell you that all of this is useless and futile,” Tian Jizi said slowly.

As soon as he said this, Gu Xinghe suddenly had the intention to kill.

He narrowed his eyes and said coldly, “No need to talk nonsense. Tell me where Qin Yu is.”

Tian Jizi opened his eyes and shook his head slightly, “Even if I tell you, you can't kill him.”

“Nonsense!” Gu Xinghe was furious.

“Killing Qin Yu is like stepping on an ant!”

Tian Jizi looked at Gu Xinghe and said, “In your life, you've had countless opportunities to kill Qin Yu, but you've already missed them.”

“Now, you have no chance to kill him. I advise you to stop now. Maybe you can exchange for a chance of survival.”

Chapter 1164: Chapter 1, 164, blood absorption

Gu Xinghe looked at Tian Jizi coldly and said, “That has nothing to do with you. You just need to tell me where Qin Yu is.”

Not only did Tian Jizi not answer, he closed his eyes again.

Gu Xinghe said with a sullen face, “Old man, don’t Be So Shameless! If you don’t tell me, I’ll kill you!”

“Even if I tell you, you’ll still kill me,” Tianji Zi said lightly.

Gu Xinghe couldn’t help but be stunned, then he laughed out loud, “You really have some skills! Okay, I Promise You, if you tell me, I’ll Never Kill You!”

“Lwon’t tell you.” Tianji zi shook his head.

“Today, whether I tell you or not, it’s the day I die.”

Gu Xinghe narrowed his eyes and said, “Old Man, stop playing tricks on me! Are you going to say it or not?”

Tian Jizi could not be bothered to touch Ah Li, Gu Xinghe. He sat cross-legged with his eyes closed, as if he had passed away.

“You’re courting death!”

This undoubtedly angered Gu Xinghe. His palm shimmered and he said coldly, “If you still don’t say it, I’ll slap you to death right now!”

“If you want to kill me, then go ahead and do it. Even if you kill me, there’s no point. It’s just adding to your sin,” Tian Jizi said indifferently.

“You’re courting death!”

Gu Xinghe didn’t say anything else as his large hand covered Tian Jizi!

“No!” Seeing this, Zhai Xing’s expression immediately changed. He stretched out his hand to stop Gu Xinghe. However, with his strength, how could he stop him? !

His palm slapped Tian Jizi's forehead, and Tian Jizi's body instantly shattered into pieces, blood splattering in the hall.

The famous Tian Jizi had fallen just like that.

The fresh blood splattered on Gu Xinghe's ferocious face, making him look like a devil.

Zhai Xing stood at the side, his face full of grief and indignation.

"Gu Xinghe, you... you shouldn't have done this," Zhai Xing muttered in a low voice.

Gu Xinghe glanced at Zhai Xing and sneered, "I've already entered the realm of invincibility. What can't I Do?"

"I don't believe that I can't find him, Qin Yu!"

After saying this, Gu Xinghe turned around and left.

After walking out of the Hall, Gu Xinghe waved his hand casually and the entire hall instantly turned into ruins.

After killing Tian Jizi, Gu Xinghe once again arranged for people to look for Qin Yu and Yan Yongfu.

Unfortunately, no matter how much power he used, he could not find Qin Yu.

"Qin Yu, I will definitely kill you..." Gu Xinghe murmured in a low voice, a trace of viciousness flashed across his face.

In a small village that did not know the border.

“Just like, Guess What Daddy Brought You ?” A middle-aged father was carrying a little girl who was only a few years old.

The little girl rolled her big eyes and said with surprise, “Is it candy ? Is It... is it a toy ?”

The father took out a Barbie doll from his back with a smile and said dotingly, “Daddy bought it for you... pfft!”

Before he could finish his words, a bright light flashed in the sky.

The light was like a sharp blade, piercing through the father’s body and cutting his body into two.

His hand froze in mid-air, still holding the bloody Barbie doll in his hand.

Looking at her father who was only half a body left, the little girl’s pupils dilated, and she wailed loudly.

“Daddy, don’t die...” the little girl shook the half of her father’s body, and her tears were like broken beads.

In the sky, there stood a person who looked like a devil.

That person was none other than Gu Xinghe.

He put his hands behind his back and sneered, “Uncle Zhai Xing, how many people do you think I have to kill before Qin Yu appears ?”

Zhai Xing’s expression was extremely ugly. He gritted his teeth and said, “They are all innocent people. Why... Why did you do this ? !”

Gu Xinghe laughed out loud, “They are just a bunch of ants. So what if I kill them? Why, do you feel sorry for them?”

“You are simply not human!” Zhai Xing gritted his teeth and said.

Gu Xinghe raised his eyebrows. Not only did he not feel ashamed, he even said proudly, “Of course I am not human. I Am the god of this world!”

After he said that, Gu Xinghe suddenly raised his palm. A huge palm immediately flashed in the sky.

The palm covered the sky and the earth as it came crushing down.

In an instant, the village turned into ruins, and everything vanished into thin air.

“Alright, it’s time to go to the next one,” Gu Xinghe said faintly.

Having said that, he turned around and left.

Zhai Xing stared at the broken walls below, his face full of pain.

Gu Xinghe’s massacre spread very quickly.

However, he did not have the slightest scruple. Instead, he became more and more arrogant.

In just a few days, countless innocent people had died at Gu Xinghe’s hands.

The martial arts forum condemned him. There were even a large number of righteous people who came together to demand an explanation.

However, how could Gu Xinghe, who was already crazy, give them an explanation? The only thing that welcomed them was death.

In the Mystic Realm, Qin Yu was still absorbing the blood.

The blood and Qin Yu's body continued to merge together, as if it was tempering his body, time and time again.

In just a few days, Qin Yu's body had been reconstructed hundreds of times.

Even though his state had not improved at all, his strength had soared!

This should have been a good thing, but Qin Yu's heart was always filled with a trace of unease.

This unease had appeared from the moment Gu Xinghe was born, and now it had reached its peak.

"No." Qin Yu suddenly opened his eyes.

He closed every pore in his body on his own and forcefully stopped the absorption of the blood.

The absorption stopped at this moment, but the blood still covered Qin Yu's body.

Qin Yu's body shook slightly and the blood fell off. Then, he used the jar to collect it again.

Yan Yongfu couldn't help but frown. "It's not over yet. Why did you stop?"

Qin Yu glanced at Yan Yongfu and said, "I have to go out. I keep feeling like something big has happened outside.."

Chapter 1165:Chapter 1,165, star picking

“Go Out ? Now ? Gu Xinghe will definitely look for you all over the world,”Yan Yongfu said in a deep voice.

Qin Yu glanced at Yan Yongfu, then said, “It’s just right. You can compare it with me. Can I fight with Gu Xinghe Now ?”

After saying that, Qin Yu turned around and walked into the courtyard.

Yan Yongfu was stunned for half a second, then quickly chased after him.

After walking into the courtyard, Qin Yu took a deep breath and clenched his fists. The vast spiritual power in his body was surging like an ocean!

His internal Qi was rising rapidly, the entire ground was rumbling, and the hall behind him was trembling!

Yan Yongfu, who was standing at the side, suddenly felt a mountain-like pressure. His spine was almost broken, and it kept pressing down!

“Ah! |!”

At this moment, Qin Yu suddenly let out an angry roar, and the internal Qi in his body completely exploded!

‘The hall behind him finally couldn’t bear it anymore and began to collapse!

Cracks appeared in this mystic realm, and large areas of space began to collapse!

Yan Yongfu turned pale with fright after sensing the incomparably terrifying power in Qin Yu's body!

He stared at Qin Yu and said in a trembling voice, "This... This is the power of the two combined... it's too terrifying..."

At this moment, Qin Yu's body had formed a vortex with him at the center due to the powerful airflow.

His long hair, which had not been tidied up for a long time, fluttered in the wind.

Qin Yu looked at Yan Yongfu and asked, "How do you feel?"

Yan Yongfu said with extreme excitement, "Qin Yu, with your current strength, you are no longer weaker than the Almighty Realm! Terrifying, too terrifying! Even when I was at my peak, I'm afraid I still have to weigh it!"

Qin Yu frowned slightly and continued to ask, "Compared to Gu Xinghe?"

Yan Yongfu could not help but frown slightly when this topic was brought up.

He said in a low voice, "After all, Gu Xinghe has absorbed the power of the eight of us. He's no longer someone that an ordinary mighty figure can compare to. Although you're very strong now, compared to Gu Xinghe, I'm afraid... You're still a little lacking."

Qin Yu was not too surprised, as if he had already expected this.

"It doesn't matter. I haven't used the 'fighting' formula yet," Qin Yu said in a low voice.

After saying that, Qin Yu prepared to activate the 'fighting' formula.

At this time, Yan Yongfu hurriedly stopped Qin Yu. He shook his head and said, "The fifth level of the 'fighting' formula can bring you a tens of times increase in combat strength. My secret realm can't withstand such a great power. Quickly stop."

Qin Yu touched his chin and said, "Then do you think that if I use the fighting word formula, I can defeat him?"

This time, Yan Yongfu didn't hesitate at all.

He smiled and said, "After using the fighting word formula, you will definitely be able to defeat him."

"That's enough," Qin Yu said in a low voice.

"Take me out."

Yan Yongfu originally didn't want to leave this mystical realm, but he also wanted to see Qin Yu's true strength after absorbing Yan Ruoxue's blood.

Therefore, after hesitating for a long time, Yan Yongfu decided to take the risk and travel together.

The two of them walked to the entrance of the mystic realm, and Yan Yongfu used the secret key to open the mystic realm.

Accompanied by flashes of light, the two of them walked out of the mystic realm.

Qin Yu looked around, and the uneasiness grew stronger.

"Where are We Going?" Yan Yongfu asked.

Qin Yu narrowed his eyes and said, "We're going to the Divine Alchemist Pavilion First."

Most of his close friends and relatives were in the Divine Alchemist Pavilion. The most important thing right now was to ensure that they were safe.

The two of them didn't say anything more and rushed toward the Divine Alchemist Pavilion.

In just a few days, Gu Xinghe's hands were still stained with countless human lives. He was even called the devil of the current era.

Gu Xinghe didn't feel ashamed of this title. On the contrary, he was quite proud.

"Uncle Zhai Xing, do you think I will leave my name in History?" Gu Xinghe looked at Zhai Xing and asked faintly.

Zhai Xing did not say anything, but his expression became even more unsightly.

Gu Xinghe snorted and said, "If you weren't too soft-hearted, Qin Yu would have died long ago."

"Today, I will change this bad habit of yours!"

After saying that, Gu Xinghe lowered his head and looked at a market.

'There were many people gathered in this market, both martial artists and ordinary people.

And this was also Gu Xinghe's new target for today.

He put his hands behind his back and then pointed below, saying, "Uncle Zhai Xing, I'll leave this market to you. Use your star picking hand to kill them."

Zhai Xing's expression changed. He gritted his teeth and said, "I won't do that."

"You won't?" Gu Xinghe raised his brows and then sneered, "If you don't make a move, I'll kill you."

Zhai Xing angrily said, "Then just kill me! Even if you cut me into pieces, I'll never do such a Thing!"

Gu Xinghe narrowed his eyes and coldly said, "Zhai Xing, don't be so shameless. As long as you do as I say, you'll still be the number two figure in the Jingdu Martial Arts Association!"

"E * ck you! What number two figure? Do you think I Care!" Zhai Xing roared, almost on the verge of breaking down.

At this point, a powerful internal Qi suddenly erupted from Zhai Xing's body!

On his fingers, it was dyed with a radiance that was as bright as the stars.

This was Zhai Xing's famous technique, the star picking hand!

"Not bad, this is more like it." Gu Xinghe nodded his head in satisfaction.

He placed his hands behind his back and said indifferently, "If I continue to slap you like this, you'll be the number two figure of the martial arts association of Jingdu, ranked above Su Qi!"

'The radiance on Zhai Xing's hand grew stronger and stronger, as if all of his internal Qi was concentrated on his fingers!

Just as Gu Xinghe was feeling satisfied, Zhai Xing suddenly looked coldly at Gu Xinghe.

“Gu Xinghe, go to hell!”

Zhai Xing roared, Zhai Xing hand suddenly slapped at Gu Xinghe!

Chapter 1166 Chapter 1, 166, dead

Looking at the palm that was slapping at him, Gu Xinghe’s face instantly turned cold.

“You’re Shameless!” A strong killing intent radiated from Gu Xinghe’s eyes. Then, he suddenly stretched out his hand and grabbed Zhai Xing’s wrist!

Although Zhai Xing was at the advanced stage of the Martial Saint Realm, he was completely powerless in front of a mighty figure!

No matter how he struggled, he was unable to break free!

“Zhai Xing, you actually want to kill me?” Gu Xinghe said coldly. Zhai Xing looked at Gu Xinghe with a face full of anger and roared angrily, “Gu Xinghe, you killed so many innocent people. Don’t you deserve to die!”

“Innocent people?” Gu Xinghe was instantly even more furious.

“You actually want to kill me for these lowly people? I’ve called you uncle for so many years in vain!”

Before he could finish his sentence, Gu Xinghe suddenly exerted force with his palm. With a “Kacha” sound, Zhai Xing’s wrist was directly crushed into meat paste!

“Ah!!”

Zhai Xing held onto his bleeding arm and retreated backwards.

“Zhai Xing, I can give you another chance. As long as you’re willing to kill them, I can spare you,” Gu Xinghe said indifferently.

At this moment, Su Qi reminded him, “Young master Gu, a person like him can never be changed. Keeping him alive will only bring disaster. Otherwise, why would he be entangled with Qin Yu?”

Gu Xinghe rubbed his chin and nodded, “You’re right... then let him die.”

After saying that, Gu Xinghe extended his palm and slapped Zhai Xing’s chest!

With this palm strike, Zhai Xing’s body and primordial spirit were instantly shattered.

His body fell straight to the ground, instantly stirring up a hundred thousand feet of dust.

Zhai Xing fell just like that. Gu Xinghe looked coldly at Zhai Xing’s corpse, his eyes faintly filled with anger.

“Why do you have to go against my will...” Gu Xinghe muttered in a low voice.

“Even the uncle who watched me grow up betrays me. It’s really... infuriating!”

A cold killing intent radiated from his body. This killing intent enveloped the earth and the temperature dropped.

“Let’s go to the Divine Alchemist Pavilion,” Gu Xinghe said coldly.

“Alright.” Su Qi picked up Zhai Xing’s corpse and rushed towards the Divine Alchemist Pavilion.

Within the Divine Alchemist Pavilion.

The Pavilion Master who had gone to look for the Dao Protector had returned in failure. She had searched everywhere that the Dao Protector had gone back then, but she still could not find any traces of the Dao Protector.

“Damn it, what Bullshit Dao Protector! He has seen so many people die, yet he is nowhere to be seen. What kind of Dao Protector can he be!” Chang Mang could not help but curse loudly as he threw his head back and roared angrily.

The expression of the pavilion master by the side was a little ugly, but she did not say anything this time.

“I can not stand by and watch so many innocent people die at Gu Xinghe’s hands...” Chang Mang clenched his teeth, the muscles all over his body tensing.

Yao Meng opened her mouth and was about to say something when Chang Mang said coldly, “Yao Meng, it’s best if you don’t say anything. Everyone has their own choices. I respect you, so please respect me.”

Hearing this, Yao Meng was instantly speechless.

“Since brother Chang has already made up his mind, then respect him, “Xiao Yuan said indifferently.

Yao Meng also knew that she could no longer stop Chang Mang, so she could only retreat to the side.

Chang Mang's eyes were scarlet red. He carried a monstrous anger and planned to go and fight with Gu Xinghe.

However, at this moment, Gu Xinghe's figure appeared above them.

With his hands behind his back, he quietly looked down at everyone and said with a faint smile, "Everyone, how have you been?"

"Gu Xinghe!" The moment he saw Gu Xinghe, Chang Mang's entire body immediately trembled!

Gu Xinghe completely ignored Chang Mang. He extended his palm and Zhai Xing's corpse was thrown down from the sky.

"Zhai... Zhai Xing?" When they saw the corpse on the ground, everyone's expression immediately changed!

Chang Mang even ran over quickly. He shook Zhai Xing's corpse with all his might and raised his palm to send spiritual Qi to it.

Unfortunately, Zhai Xing could not be any more dead. Even Spiritual Qi could not enter his body.

"Gu Xinghe! You Damn Bastard!" After Chang Mang shouted, his body shot toward Gu Xinghe from the ground like a cannonball!

His entire body seemed to have turned into a scarlet cannonball as he charged towards Gu Xinghe!

This punch contained the grievances and anger that Chang Mang had been feeling for many days! The more he fought, the braver his holy body became. Even Gu Xinghe did not dare to ignore this punch.

He snorted coldly and his palm turned into a hand knife as he slashed towards Chang Mang!

However, what shocked everyone was that the light formed by the hand knife disappeared the moment it touched Chang Mang. It did not cause even the slightest ripple!

“Eh?” Gu Xinghe frowned slightly. Before he could react, Chang Mang’s fist had already closed in on him!

“Bang!”

With a loud bang, power exploded on Gu Xinghe’s body!

His face was instantly fractured and his body shot backward!

When everyone saw this, they were all shocked!

Chang Mang actually had such terrifying power? After all, not to mention a martial saint, even an ordinary almighty could not hurt Gu Xinghe!

“You... are courting death!” Gu Xinghe was instantly enraged!

This was already the second time he had been defeated by Chang Mang! To Gu Xinghe, this was simply an insult!

Chang Mang’s face was interwoven with coldness and anger. The scarlet light around his body was still spreading.

“You Bastard!” Chang Mang said coldly. Gu Xinghe suppressed the anger in his heart and said coldly, “I did swear that I wouldn’t kill you, but I didn’t say that I wouldn’t cripple you. Kid, you’ve completely angered me!”

“F* ck you!” Chang Mang didn’t waste any more words and charged at Gu Xinghe again.

Chapter 1167 Chapter 1,167: a quick battle

However, this time, Gu Xinghe did not underestimate his opponent. He slapped his palm forward, and a mountain-like imprint appeared! The imprint landed on Chang Mang’s body and smashed him into the ground in an instant. A large part of his chest had sunk in!

“Whoosh!”

Gu Xinghe’s figure suddenly disappeared and appeared in front of Chang Mang in the Blink of an eye.

He held Chang Mang’s body with one hand and said coldly, “If I let you live, you might become the next Qin Yu. Even if I can’t kill you, I’ll turn you into a cripple!”

“Stop!”

At this moment, a loud shout came from outside.

Turning around, he saw a man in his twenties walking in. “Ye Qing?”

Jiang he frowned slightly when he saw the newcomer.

The others also whispered, “Ye Qing? Why is he here? Is he here to represent the authorities?” “It’s normal. Gu Xinghe has killed too many ordinary people. It’s time for ye Qing to make his move.”

“But with ye Qing’s ability, he can’t kill Gu Xinghe.”

At this moment, ye Qing had already entered the martial saint realm. However, he was still no match for Gu Xinghe.

“Commander Ye? How have you been?”

Seeing ye Qing walking over, Gu Xinghe did not panic at all.

He threw Chang Mang to the side and said indifferently, “Commander Ye, what can I do for You?”

Ye Qing said with a sullen face, “Gu Xinghe, as the president of the Martial Arts Association of Jingdu, you actually did so many despicable and evil things. Do you know your crimes?”

Hearing this, Gu Xinghe couldn't help but burst into laughter.

“Commander Ye, are you kidding me? Know your crimes? What crimes do I know?” GU Xinghe said with a sneer.

Ye Qing said with a cold face, “You've killed so many people, are you still playing dumb with me? Gu Xinghe, I advise you to go back with me immediately.” “Go Back? Go back to Where?” The ridicule on Gu Xinghe's face became more and more intense.

He sneered, “Is there any place in this world that can hold me? Moreover, can you kill me?”

Ye Qing immediately flew into a rage, “Gu Xinghe, don't be too arrogant. Don't think that we really can't do anything to You!”

Gu Xinghe gestured at ye Qing and said, “Then you can try.”

Ye Qing did not make a move but said coldly, “If you don’t go back with me today, I will not let you off.”

“Hahahaha!” Gu Xinghe laughed even more savagely. At this moment, he suddenly reached out and grabbed Chang Mang in his hand!

Then, Gu Xinghe looked at Ye Qing coldly and said, “Alright, I will cripple him in front of you today. I want to see what you can do to me!”

With that, Gu Xinghe bent one hand and grabbed Chang Mang’s lower abdomen.

“Swoosh!”

At this moment, a golden light cut through the sky and arrived in front of Chang Mang in an instant!

Qin Yu stepped on the ‘xing’ character and placed the bronze sword on Chang Mang’s chest.

“Clang!”

Gu Xinghe’s fingers grabbed onto the bronze sword and a violent roar was immediately heard.

The recoil made Gu Xinghe’s fingers hurt and his face contorted.

“Qin Yu!”

Everyone cried out in surprise when they saw who it was! Gu Xinghe’s eyes lit up and a hint of excitement flashed across his face.

Ye Qing was also delighted! It was not that Ye Qing did not have a chance to kill Gu Xinghe, it was just that the price was too high.

It would be best if Qin Yu could kill Gu Xinghe! “Qin Yu, I’ve been looking for you so hard!” Gu Xinghe said with a gloomy face.

Qin Yu didn’t waste any time. He pulled Chang Mang to the side and then frowned, “Are you okay?”

“I’m fine. I want to kill this bastard!” Chang Mang’s eyes widened like copper bells.

Qin Yu frowned and asked, “What happened?”

“Zhai Xing is dead,” pavilion master said in a deep voice.

After hearing Pavilion Master’s words, Qin Yu’s face couldn’t help but change.

Soon, he found Zhai Xing’s corpse lying on the ground.

Qin Yu did not dare to say anything. He hurriedly walked to Zhai Xing and covered Zhai Xing’s forehead with his palm.

“It’s useless. I’ve already checked. His primordial spirit has been destroyed,” pavilion master said.

“Not only that, this Gu Xinghe has also killed many ordinary people, many innocent people!” Ye Qing said coldly.

Chang Mang, who was at the side, said with some annoyance, “It’s all my fault for being too weak. I couldn’t protect them...”

Qin Yu knew Chang Mang’s character. He was very similar to Qin Yu. Both of them were born in poverty, and they both had natural sympathy and compassion for those who lived at the bottom.

“It’s not your fault, it’s My Fault.”Qin Yu took a deep breath.

He forcefully suppressed the anger in his heart, but that anger still made him almost lose his mind.

“Qin Yu, Gu Xinghe’s sins are monstrous. We can’t let him off no matter what,”ye Qing said from the side.

Qin Yu glanced at ye Qing and said, “Commander Ye, don’t worry. I Won’t let him off even if you don’t tell me.”

Not far away, Gu Xinghe said indifferently, “Qin Yu, what kind of bewitching potion did you give Zhai Xing? He would rather die in my hands than serve me. TSK TSK, I have to say, I really admire you.”

Qin Yu stood up from the ground. He gritted his teeth and said, “Gu Xinghe, you f* cking Beast!”

Gu Xinghe sneered, “Why are you saying the same thing as that Savage? There’s nothing else to say, right?”

“Swoosh!”

Gu Xinghe only felt a golden light flash in front of his eyes. In the next second, Qin Yu’s figure appeared in front of Gu Xinghe. “Qin Yu, it seems that these few days... Ah!”

Before Gu Xinghe could finish his sentence, Qin Yu had already punched his lower abdomen!

This punch did not send Gu Xinghe flying like he had imagined, but the powerful force made Gu Xinghe suffer a lot of pain!

He held his stomach, and his upper body could not help but bend into a shrimp shape!

Qin Yu took the opportunity to reach out and grab Gu Xinghe's head. Then, he suddenly raised his knee and slammed it into Gu Xinghe's face!

With a bang, Gu Xinghe's body flew up into the air and flipped 360 degrees in the air before he finally fell to the ground!

He covered his face that was covered in blood and crawled up from the ground.

"You F* cking..." Gu Xinghe spat out a mouthful of blood and one of his back teeth followed.

Chapter 1168 Chapter 1,168, the power of blood

The people around were all shocked!

This crude and simple method actually had a miraculous effect!

"Qin Yu, you damn bastard!" Gu Xinghe roared angrily.

"This time, I won't give you any more chances. I'll definitely kill you at the first opportunity!"

Before Qin Yu could speak, Su Qi said in a deep voice, "Be careful, this Qin Yu seems to be a little different. I suspect... he has already absorbed Yan Ruoxue's blood."

"So what!" Gu Xinghe did not care at all. In his opinion, cultivation level was everything! Even if Qin Yu had absorbed the blood, he was only at

the middle stage of the Martial Saint Realm. How could he be a match for someone at the Almighty Realm?

“Kid, I’m going to tear you into pieces!”

Gu Xinghe raised his head and let out a furious roar. The Aura of an almighty had erupted from his internal Qi!

A strong gust of wind rose from under his feet, and the ground collapsed at this moment!

Countless people were forced back by this shout. It was as if even the dark clouds in the sky had dissipated at this moment.

Only Qin Yu stood there like a rock, not moving at all.

Qin Yu’s body trembled slightly, and his body was covered with a layer of golden light. The green wood true body also appeared. At this moment, Qin Yu’s body had already reached an extremely terrifying state. The clothes on his body were shattered, revealing his body that was like Jade.

“I’m going to kill you!”

Gu Xinghe shouted and suddenly clenched his fist and rushed towards Qin Yu!

It was obvious that Gu Xinghe intended to fight Qin Yu with his body! He wanted to use Qin Yu’s most dazzling body to defeat Qin Yu!

Qin Yu stood there extremely calmly. Looking at Gu Xinghe’s fist that was shooting towards him, he immediately clenched his fist and raised his hand. His expression did not change as he welcomed it.

“Clang!”

The sound of metal colliding could be heard! Gu Xinghe only felt a huge force spread on his fist. The bones of his fist were almost shattered!

The force spread from his fist to his entire arm!

“Deng Deng Deng!” In the next second, Gu Xinghe was forced back three steps by this huge force!

Silence!

The scene was completely silent!

When Yao Meng and the others saw the scene in front of them, they could not help but feel that their throats were dry!

Qin Yu... was actually this powerful?

“Could it be that he has already stepped into the Almighty Realm?” Someone exclaimed.

“That’s not right! His realm has not improved at all!”

“Intermediate stage of the Martial Saint Realm? He’s already so terrifying even though he’s only at the intermediate stage of the Martial Saint Realm?”

At this moment, almost no one dared to believe it! Even Yao Meng, Xiao Yuan, and the others felt that it was unbelievable!

“Damn, it still has to be Mr. Qin!” Yao Qing could not help but say excitedly from the side.

Qin Yu looked at Gu Xinghe coldly, and almost no expression could be seen on his face.

“You’re not worthy to fight with my physical body,”Qin Yu said coldly.

Gu Xinghe’s expression was somewhat embarrassed. He spat out a mouthful of fresh blood on the ground and said coldly, “It was just a mistake just now. The current me has the body of a mighty figure!”

Qin Yu sneered, “So what if I have the body of a mighty figure?” Qin Yu’s physical body was originally not weaker than that of a mighty figure. Now that he had absorbed Yan Ruoxue’s blood, Qin Yu’s physical body had improved even further. Whether it was strength, speed, or even spiritual power, they had all reached an extremely abnormal state!

“I’ll give you another chance.”Qin Yu stood there and looked at Gu Xinghe coldly.

Gu Xinghe was still unwilling to give up. He did not believe that his physical body could not be compared to Qin Yu’s.

“President Gu, it’s best to be careful. Yan Yongfu had said long ago that once Qin Yu and Yan Ruoxue Combine, they can not be measured by common sense,”Su Qi reminded him.

Gu Xinghe roared, “F*ck it, I don’t believe it!”

Gu Xinghe, who was unwilling to give up, rushed towards Qin Yu once again!

He used both his hands and feet, and his fists rained down on Qin Yu!

Qin Yu appeared to be quite relaxed. He raised his palm and received almost every punch from Gu Xinghe. Gu Xinghe’s eyes flashed with a hint of coldness. He reached out his hand and slapped at Qin Yu. Just as

his palm was about to land on Qin Yu's body, a mark quickly formed on his

palm!

This was the terrifying aspect of mighty figures. Spells and marks could be condensed at an extremely fast speed!

Qin Yu could not react in time. The Mark pressed down on Qin Yu's body with a bang!

Like a grenade exploding in front of his chest, the terrifying force directly sent Qin Yu flying and smashed the Divine Alchemist pavilion into ruins!

"Hahahaha!" Seeing this, Gu Xinghe could not help but laugh out loud.

"Fool, do you really think that I will fight you to the end with my physical body?"

"Gu Xinghe, you are really shameless! You are a mighty martial saint, yet you still want to play dirty!" Zhuang Teng could not help but curse.

Gu Xinghe sneered, "This is my ability. If you are not convinced, then come and take revenge for him."

Zhuang Teng was instantly speechless and retreated to the side resentfully.

"Su Qi, go and bring him out for me," Gu Xinghe said indifferently.

Su Qi could not help but frown, "That Qin Yu might not be dead. I... I don't think it's appropriate for me to go."

Gu Xinghe's expression could not help but turn cold as he said, "If you dare to say such disheartening words again, I'll kill you immediately!"

Su Qi's brows instantly furrowed. Under Gu Xinghe's coercion, she could only rush towards Qin Yu's direction.

However, before she could get close, a ray of light had already erupted from the ruins!

Following that, Qin Yu, who was half-naked, burst out from the ruins!

His body was still as good as jade, not even a single white scar was left!

Chapter 1169: Chapter 1,169, the great battle against Gu Xinghe

Qin Yu walked out from the ruins.

He looked at his own body and could not help but smile coldly.

The improvement brought by this blood was really terrifying.

No wonder everyone in the world went crazy over it!

'The mark that was raised up did not even leave a single white mark. The degree of terror of this body had far exceeded one's imagination!

Not far away, Gu Xinghe's pupils shrank.

He lowered his head to look at his palm, as if he could not believe that this scene was real.

“He has indeed absorbed the blood. It seems that Yan Yongfu was right!” Su Qi shot backward and said in a low voice.

Gu Xinghe’s expression gradually turned ugly. Facing Qin Yu’s strength, he no longer dared to hide anything.

“It seems that it will be very difficult to kill you today if you don’t show your true strength,” Gu Xinghe said coldly.

Qin Yu stood in the distance in the air. There was no sadness or joy on his face. The way he looked at Gu Xinghe was more like he was looking at a clown.

This look made Gu Xinghe extremely unhappy!

Back when he was still a half-step martial saint, Qin Yu had been in this posture.

Now that he had the strength of a mighty figure, Qin Yu was still in this State!

“I should have killed you back then...” Gu Xinghe regretted it!

If he had known this would happen, he would have killed Qin Yu!
Instead of torturing him!

Streams of internal Qi swept over Gu Xinghe’s body.

A terrifying aura spread out from Gu Xinghe’s body and engulfed the entire divine alchemist pavilion!

This was the most powerful internal Qi that everyone had ever seen! That terrifying pressure shook the air and caused it to Rumble!

Qin Yu’s feet trembled and he stopped in his tracks.

He stretched out his hands and felt the internal Qi coming from Gu Xinghe's body. It was as if he was feeling a gentle breeze. Not only was he not afraid, he even enjoyed it.

"Let's end this quickly." At this moment, Qin Yu suddenly said a few words.

Gu Xinghe's pupils constricted. He suddenly had a bad feeling!

End this as soon as possible? Why was Qin Yu so confident in saying these four words? Could it be that he was hiding his strength?

Qin Yu, who was in the air, turned to look at Jiang he.

"Senior Jiang he, I have successfully comprehended the fifth level of the 'Dou' formula," Qin Yu said with a smile.

Before he could finish his sentence, Qin Yu's mind moved, and a golden 'Dou' character suddenly burst out from between his brows!

This skill was the fifth level of the 'Dou' Formula!

With the support of the fifth level of the 'Dou' formula, Qin Yu's strength instantly increased by dozens of times!

The originally calm internal Qi started to become extremely agitated!

It was as if a calm lake had turned into a stormy sea!

The golden light burst out from under Qin Yu's feet and instantly suppressed Gu Xinghe's internal Qi!

"What a terrifying internal Qi!" Su Qi's expression changed drastically and a trace of fear flashed across her snow-white face!

“President Gu, it’s better to retreat quickly. The current Qin Yu can no longer be compared to him,” Su Qi said in shock.

However, how could Gu Xinghe be willing to leave just like that? He glared at Qin Yu who was not far away and shouted, “You’re just playing tricks. A mere martial saint, I’d like to see how capable you are!” After he finished speaking, Gu Xinghe raised his palm and spiritual power rapidly gathered towards his palm!

In an instant, it was as if a rising sun had appeared on his hand. This ray of light was incomparably scorching and illuminated the world.

“Nine stars Saint Explosion!”

Gu Xinghe let out a furious roar. Then, his fists were like iron hammers as he swung them at Qin Yu!

Qin Yu no longer had the mood to continue fighting. This Gu Xinghe’s actions were vicious and he had to kill him today.

Moreover, this battle word formula could only be maintained for five minutes at most. After five minutes, it was hard to say who was stronger or weaker.

Therefore, the veins on Qin Yu’s right fist bulged. All the golden radiance flowed along his arm like a stream of water and surged towards his fist!

“One punch can break ten thousand arts!”

Qin Yu roared angrily, and raised his hand to use his trump card!

The dragon-like fist light burst out, and Qin Yu bent his arm, then smashed forward!

At this moment, the entire Divine Alchemist Pavilion was split into two. Even with the protection of the formation, it was useless. In an instant, it cracked.

The light penetrated a few hundred meters, and the mountains and rivers shattered in an instant, shaking everyone's ears!

Yao Qing, who was the weakest among them, had blood oozing out of his ears and his mouth.

The two techniques finally clashed at that instant. The golden light blotted out the sky and the Sun. The instant they clashed, it drowned Gu Xinghe's nine star Saint Explosion. It lasted for less than a second!

"Not good!" Gu Xinghe's expression changed drastically!

At that moment, he felt uneasy. He turned around and escaped into the void, trying to dodge the punch!

However, Qin Yu had already seen through his intentions. He could see the radiance between his brows. The desolate God's eyes lit up as he looked straight at Gu Xinghe.

Following that, Qin Yu swung his fist again and punched out a second punch!

This second punch was even more powerful than the first punch. Even the void in this world was vibrating, as if it was about to collapse at any moment.

"Ka-cha!"

Finally, the void could not withstand it anymore and distorted at that moment.

Gu Xinghe, who was hiding in the void and planning to escape, fell out from the shock.

The moment he fell out of the void, he saw a light that was like the sun rapidly expanding in his pupils.

“Not good!”

Gu Xinghe’s expression immediately changed! His body was quickly covered in a layer of dark green light, completely covering his body!

This was the green crystal godly armor collected by the eight high-level officials. It was said to be able to withstand the might of a mighty figure and save one’s life!

“Boom!”

The fist qi completely enveloped Gu Xinghe.

At this moment, the Green Crystal Godly armor was covered in cracks and then shattered one after another!

Gu Xinghe was sent flying for thousands of meters! It left a long scar on the ground, and Qinghe town seemed to have been split into two at this moment!

The ruins fell on Gu Xinghe’s body. When the dust had dispersed, the ragged Gu Xinghe could be seen.

The Green Crystal Godly armor on his body shattered one by one, leaving only pieces of broken armor sticking to his body.

Fresh blood flowed out of his pores, and a ghastly white bone was revealed on his right chest. Half of his face was also disfigured from the beating...

Chapter 1170: Chapter 1,170, the battle between a divine weapon and a divine weapon

Half of his arm seemed to have been broken, and his waist was slightly bent as he stood there, panting heavily.

Qin Yu's feet stepped on the 'xing' character, and he quickly caught up.

The people of the Divine Alchemist Pavilion didn't want to miss this moment, and they all stepped forward to follow.

Qin Yu stood in front of Gu Xinghe, and a golden chain flew out from his palm, binding Gu Xinghe.

With just two punches, Gu Xinghe couldn't take it anymore. God knew how powerful Qin Yu's third punch would be.

"Qin Yu... you deserve to die..." Gu Xinghe was extremely unwilling. His "Great Undertaking" was about to be completed, but it was destroyed by Qin Yu again!

He panted heavily, his eyes full of unwillingness.

"Do you still want to resist?" Qin Yu asked coldly.

Gu Xinghe opened his mouth and said, "If I stop now, can I still exchange for another life?"

"No." Qin Yu shook his head.

"You've killed so many people. Even if you die ten times, it's still not enough."

At this moment, the corners of Gu Xinghe's mouth suddenly curled into a sneer.

He stretched out his remaining arm and suddenly grabbed towards the void.

This hand actually shattered the void!

His hand reached into the void, as if he wanted to pull out some divine weapon!

Qin Yu frowned slightly. Before he could react, Gu Xinghe had already pulled out a divine weapon!

This was a rusty iron rod. There were marks on the iron rod, as if it was telling of its proud battle achievements.

An ancient aura was emitted from the iron rod. Internal Qi was surging, and a heavy aura fell from the top, creating huge craters on the ground.

The moment the Iron Rod was pulled out, Qin Yu felt extremely uneasy!

It looked like an ordinary iron rod, but the strong holy aura made people not dare to look at it directly!

“What is this thing?” Qin Yu asked in surprise.

Gu Xinghe sneered, “Although I don’t know its origin, I know that this thing is indestructible. It is an ancient great cultivator’s item!”

“Qin Yu, do you really think... that I will just sit and wait for Death!”

Gu Xinghe suddenly roared. He grabbed the iron rod with one hand and swept it over!

Qin Yu did not dare to be negligent and hurriedly clenched his fist to meet the attack.

However, the moment he touched it, Qin Yu felt that something was wrong.

This iron rod was too hard. Even Qin Yu's physical body was directly swept away!

Just the hardness of the iron rod itself far surpassed Qin Yu's current physical body!

“Hahahaha!” Gu Xinghe laughed out loud.

“My father has controlled the martial arts association of Jingdu for many years. How could he not have something in his possession!”

Su Qi, who was watching the battle from afar, furrowed her brows tightly.

This iron rod was truly extraordinary. That heavy and oppressive feeling made everyone extremely uncomfortable.

“Whoosh!”

Gu Xinghe swung his rod again. Relying on his void technique, the iron rod shuttled through space and instantly arrived in front of Qin Yu. There was nowhere to hide!

“Bang!”

This rod smashed into Qin Yu's chest, directly shattering Qin Yu's true body of azure wood. His physical body flew back several hundred meters, and his sternum was also shattered!

Gu Xinghe seemed to have gone mad. He held the iron rod in his hand and hacked down with force. The earth instantly collapsed, as if it was going to split the Earth's crust into two!

“Whoosh!”

The iron rod attacked again. Qin Yu clenched his fists many times, but every time he touched it, Qin Yu's bones were shattered!

“What on Earth is this thing! ?” Qin Yu was extremely shocked. Ever since he stepped into the cultivation path, he had never seen such a terrifying divine weapon!

“This won't do. If this continues, I will be smacked to death by him!”

Qin Yu secretly felt that things were not good. He hurriedly took out his bronze sword and planned to use it to meet the attack.

“Swish!”

The iron rod swept across the world. This was the strength of the iron rod itself, and it could crush everything in the world!

Qin Yu held the bronze sword in his hand. His internal Qi surged as he held the sword to meet the Attack!

“Clang!”

A crisp sound rang out! Cracks appeared on the bronze sword in Qin Yu's hand.

“Crack!”

In the next second, the bronze sword was directly shattered into pieces!

“How is this possible!”

Qin Yu looked at the bronze sword in his hand, which only had the hilt left, and felt his heart skip a beat!

‘What kind of background did this iron rod have? It was actually so terrifying!’

“Hahahaha!” Gu Xinghe laughed excitedly. He slammed the iron rod on the ground and shouted, “I have a peerless divine weapon. Let’s see how you can defeat me!”

At this moment, Qin Yu had no idea. With the iron rod, Qin Yu was no match for Gu Xinghe!

“Swoosh!”

At this moment, Gu Xinghe’s figure suddenly appeared in front of Qin Yu!

“What are you hiding for?” Gu Xinghe revealed a cruel and strange smile.

The iron rod in his hand had already struck from a few hundred meters away, aiming straight for Qin Yu’s head!

“Not good!” Qin Yu’s expression changed drastically! At such a distance, there was no way he could escape!

He closed his eyes and waited for the judgment of fate.

“Weng!”

But right at this moment, Qin Yu’s spatial artifact suddenly emitted a radiance. An extremely ancient and simple landscape painting that was like a piece of parchment floated out and faced the iron rod!

“Boom!”

A violent collision spread out! The aftershock that was like the explosion of a nuclear bomb turned a radius of several hundred meters into a white blaze!

Qin Yu was directly sent flying by this aftershock, and his body started to crack!

Gu Xinghe wasn't any better either.. His iron rod broke away, and he was also sent flying!

Chapter 1171:Chapter 1, 171, Stray Dog

The picture was emitting a strong radiance, as if it was fighting against the iron rod on its own!

The Iron Rod was still dark. Ever since it left Gu Xinghe's hands, it had become even dimmer, no longer capable of fighting.

Even though it was still emitting internal QI, it did not have any intention of attacking.

'The picture was in a stalemate in the air for a long time, and the radiance was getting brighter and brighter. Streams of internal Qi filled the entire battlefield.

Qin Yu got up from the ground. He did not care about the pain on his body. He raised his head to look at the strange scene.

"Now is the perfect opportunity!"

Qin Yu suddenly realized something!

This iron rod could sweep through everything in the world. However, it was not an item from Gu Xinghe. Instead, it was an ownerless item.

After it was taken out of his hands, there was no longer any will to fight. In other words, whoever got it would get it!

Qin Yu did not dare to think too much. He stepped on the ‘walking’ spell and instantly appeared in front of the Iron Rod!

While everyone was still in shock, Qin Yu had already stretched out his golden palm and grabbed the iron rod!

“This thing is mine!” Qin Yu grabbed the iron rod and shouted!

The iron rod did not feel out of place in Qin Yu’s hand, nor did he have any intention of resisting. It looked just like an ordinary iron rod.

However, the picture seemed different. At this moment, it seemed like it had come back to life on its own, flickering with an astonishing radiance.

Qin Yu grabbed the iron rod and raised his head to look at the picture. He could not help but frown slightly.

He tried to put the picture back into the spatial artifact, but he failed.

‘The power that emanated from the picture was not something Qin Yu could resist at all!

The painting stopped in the air for a long time. After a moment, it turned into a streak of light and disappeared into the horizon.

Qin Yu was unwilling to give up and wanted to chase it back.

Unfortunately, even though Qin Yu was using the ‘walking’ character, he could not catch up at all. In a short moment, it disappeared without a trace.

Qin Yu just stood in the air and looked at the direction where the painting had left for a long time.

“Strange, why did it suddenly run away?” Qin Yu frowned.

Could it be that he had gone to find his real master?

However, the painting had been silent in Qin Yu’s spatial artifact for a long time. Why would it suddenly resurrect itself?

Could it be because of this iron rod?

What was the origin of this iron rod?

For a moment, Qin Yu couldn’t figure it out. He only felt that his head was swelling.

“I don’t care.” Qin Yu grabbed the iron rod. The most important thing now was to get rid of this villain, Gu Xinghe.

Gu Xinghe was already heavily injured, and under the collision of the two divine weapons, he was on the verge of death.

He struggled to get up from the ground. Just as he was about to speak, Qin Yu struck him in the head with the rod.

‘The power of the iron rod in Qin Yu’s hand was even more terrifying. With one strike of the rod, Gu Xinghe’s bones were shattered.

He fell heavily to the ground, and his mouth kept making weird sounds, as if he was expressing his unwillingness.

Qin Yu pointed the iron rod at Gu Xinghe and sneered, “Gu Xinghe, it’s time for you to pay the price for what you’ve done.”

‘Then, Qin Yu hit Gu Xinghe’s Dantian with the rod.

His dantian shattered, and Gu Xinghe's internal Qi quickly disappeared.

This action was equivalent to crippling Gu Xinghe, but it was not as complete as crippling him.

As long as his primordial spirit was not dead, he could still recover with a certain amount of time.

Su Qi saw that things were not going well and turned around to run.

However, a figure blocked Su Qi's path.

'That person was none other than Yan Yongfu.

He stood in front of Su Qi and said indifferently, "Su Qi, where are you going?"

Su Qi's face darkened and she said coldly, "Yan Yongfu, get out of my way!"

"Get Out of my way? Do you think you can leave today?" Yan Yongfu said indifferently.

"You and Gu Xinghe are in cahoots. Today, you will die as well!"

Yan Yongfu was filled with righteous indignation and awe-inspiring righteousness. Of course, he did not do this for the sake of justice in his heart. He wanted to use this opportunity to curry favor with Qin Yu so that he would not get himself killed.

"Whoosh!"

Qin Yu took a step forward and struck Su Qi's waist. With a crisp sound, Su Qi's waist was directly smashed into pieces, and even his spine was

split open at this moment.

The pain caused Su Qi's originally pretty face to become a little twisted.

However, at this moment, she couldn't care less about the pain. Instead, she begged bitterly, "Qin Yu, spare me. I'm willing to do anything for you, as long as you let me live..."

Qin Yu glanced at her and sneered, "Stop Dreaming. Save your strength."

After saying this, Qin Yu turned to look at Ye Qing.

He quickly walked in front of Ye Qing. Without waiting for Qin Yu to speak, Ye Qing said, "I want to take these two away. They have done many evil deeds. I have to give everyone an explanation."

Qin Yu said, "I know. Otherwise, I would have killed them long ago."

Ye Qing was stunned. Then, he cupped his hands and said, "Thank you."

Qin Yu pointed at the two people on the ground and said, "Although their cultivation has been temporarily crippled, I'm afraid you won't be able to kill them."

After all, these were two mighty figures. Ordinary Bullets wouldn't be able to hurt them.

Following that, Qin Yu walked in front of the two people. He raised his finger and a thread of light entered their minds.

This was a mark of self-destruction. The Mark had entered the primordial spirit. As long as one's mind moved, the primordial spirit would explode.

After doing all this, Qin Yu looked at Ye Qing and said, "Take these two people with you."

“Thank you.”Ye Qing cupped his hands.

He picked up the two people and planned to leave.

“In three days, I will publicly execute the two people in the discussion martial arts hall. You can go with me.”At this moment, ye Qing suddenly said.

Qin Yu thought for a moment and nodded. “Okay, I’ll go.”

“Qin Yu!”

At this moment, Gu Xinghe, who was almost half dead, suddenly roared angrily.

He glared at Qin Yu and said, “You killed me! I will never allow myself to die in the hands of these ants!”

Qin Yu could not help but sneer, “You killed so many innocent ordinary people, so you should be judged by ordinary people..”

Chapter 1172: Chapter 1,172, the worries of the higher-ups

Even though Gu Xinghe shouted at the top of his lungs, Qin Yu no longer paid any attention to him.

He returned to the Divine Alchemist Pavilion.

At this moment, the Divine Alchemist Pavilion was already in ruins.

Qin Yu carried Zhai Xing’s corpse and went to the back mountain.

He had built a tomb for Zhai Xing, and the name of Zhai Xing was engraved on the tombstone.

There was a bit of desolation on the back mountain. Qin Yu looked at Zhai Xing's tomb and felt a myriad of emotions in his heart.

Along the way, how many people around him would leave, and how many people would make it to the end.

“Zhai Xing has never done any bad things in his life,” pavilion master said in a low voice from the side.

Qin Yu did not make a sound.

This world had never been judged by good or bad. Who knew how many evil people were unfettered in the clouds, and who knew how many kind-hearted people had died an unnatural death.

“The world of cultivators was even more cruel. Perhaps today, they would drink together, and tomorrow, they would turn into a pile of dirt.

“Let's go.”

Qin Yu didn't stay any longer. He turned around and returned to the Divine Alchemist Pavilion.

Everyone was extremely curious about Qin Yu's current combat strength.

“Qin Yu, your realm clearly hasn't improved at all. Why is your strength...” Yao Meng was the most surprised.

“Could it be because of your special physique?” Xiao Yuan continued.

Qin Yu shook his head: “None of them.”

“It’s the blood of Miss Yan.”Yan Yongfu walked out like a dog.

At this moment, how could he still have the elegance he had when he entered the human realm? He was just like a dog licking.

Ever since he saw Qin Yu’s unparalleled combat strength, Yan Yongfu had long stopped wanting to get rid of Qin Yu. He even wanted to follow Qin Yu into the Holy Region.

The other people in the room looked at Yan Yongfu strangely. The entire room was filled with a sense of uneasiness.

“yan Yongfu, do you know the origin of that Iron Rod?”Qin Yu suddenly remembered this matter.

Yan Yongfu shook his head and said: “I don’t know, but I am sure that this is an item from Earth.”

“Such a divine weapon should have been given to the eight of us. Clearly, Gu Zizhen left it behind.”

Qin Yu took out the iron rod. The Iron Rod was still covered in rust and no longer had any internal Qi flowing through it. However, it was ridiculously hard.

According to the mustache, the painting was the mask woman’s.

Since the iron rod could activate the painting and resurrect itself, its origin must be no weaker than the painting.

However... Since even Yan Yongfu didn’t know the origin of this item, then not many people in the world would know.

“Oh right, according to the time that Tianjizi said, how long will it take for the Holy Region to open?”Qin Yu suddenly thought of it.

‘When Tianjizi was mentioned, Yao Meng’s expression didn’t look too good.

“What’s Wrong?”Qin Yu frowned and asked.

Yao Meng sighed and said, “Tianjizi died too. He was killed by Gu Xinghe.”

This surprised Qin Yu greatly.

“Tianjizi’s divine plan, how could he not escape this calamity?”Qin Yu exclaimed.

Yao Meng shook her head and said, “To Tianjizi, everything is predestined.”

Qin Yu fell into silence.

He never thought that Gu Xinghe would actually kill Tianjizi as well.

“According to the time Tianjizi gave us, in less than ten days, there will be people from the Holy Region coming to extradite him,”Yao Meng said.
“Ten days...”

Qin Yu muttered softly.

In these ten days, Qin Yu should consider finishing the things that he couldn’t finish.

In the next few days, Qin Yu made a list of things that Qin Yu had promised others for a long time.

This list included the matters of Fang Yue, Yu Qin, and Li Yu, who had been sleeping.

These things had been delayed for too long. Before he left, he had to deal with them properly.

Three days later, Gu Xinghe and the others were officially sentenced. The lowest point was set at the martial arts school.

On this day, there were many people at the martial arts school. Many people hated Gu Xinghe to the extreme.

‘There were soldiers with guns and live ammunition stationed at the scene. There were also many warriors serving in the military district. Qin Yu arrived at the scene of the martial arts school according to the agreement.

‘As soon as he arrived, ye Qing walked over quickly.

“Qin Yu, a seat has been prepared for you there.”Ye Qing pointed at the high platform not far away.

On the high platform, there were many men wearing Chinese tunic suits, including Mr. Zhou. Obviously, that was the position of the leader.

“I just find a place.”Qin Yu waved his hand and said.

Ye Qing said in a deep voice, “No, this is Mr. Zhou’s request.”

Qin Yu thought for a moment, then nodded and said, “Alright then.”

He followed ye Qing’s request and walked to the seat next to Mr. Zhou and sat down.

“Mr. Zhou.”Qin Yu greeted him.

Mr. Zhou said with a kind expression, “Qin Yu, this matter is all thanks to you. If it weren’t for you, I don’t know how many people would have

been harmed by Gu Xinghe.”

Qin Yu shook his head and said, “This matter started because of me.”

“Eh, you can’t say that. Neither of us can decide what others will do,” Mr. Zhou said with a smile.

Qin Yu smiled but didn’t say anything. Mr. Zhou obviously had a hidden meaning.

“I heard that you’re the number one person in the martial arts world. You’re invulnerable to all weapons. Even Gu Xinghe could only take a few moves from you,” Mr. Zhou continued.

“How is it? What are your plans next? To replace Gu Xinghe? To become the new President?”

Qin Yu smiled and said, “Mr. Zhou, I know what you are thinking. I believe that you don’t want me to be the sole leader.”

Hearing this, Mr. Zhou hurriedly waved his hand and said, “Qin Yu, you are thinking too much.”

Qin Yu ignored these words and continued, “My ambition is not here. I am also not interested in the president of the Martial Arts Association of Jingdu. The holy region will open immediately. That is my final destination

“As for the President of the Martial Arts Association of Jingdu, you can support a new one yourself, One... at least you can control.”

Mr. Zhou was about to speak when a shout suddenly came from below.

Looking down, he saw Gu Xinghe and Su Qi already tied up..

Chapter 1173: Chapter 1, 173, Xiao Yu? !

“Beat him to death! beat him to death!”

‘The roars from below were enough to see the anger of the crowd.

Gu Xinghe’s face was full of anger. After three days, his injuries had slightly improved, and his internal Qi had also recovered a little.

“A bunch of ants, shut up for me!” A furious roar shook the sky and Earth!

In an instant, no one dared to speak, and everyone kept quiet.

“Qin Yu! I Won’t let you off even if I become a ghost!” Gu Xinghe raised his head and roared, desperately shouting Qin Yu’s name.

Qin Yu glanced at him, ignoring him.

At this time, Gu Xinghe was already a lamb waiting to be slaughtered, not worth mentioning.

“Mr. Zhou, you can rest assured that I won’t become the next Gu Xinghe,” Qin Yu said with a smile.

‘Mr. Zhou was speechless. Of course, he was a little worried, but he just couldn’t say anything.

Following the gunshot on the stage, Qin Yu’s mind also moved.

Gu Xinghe’s primordial spirit exploded at this moment. His eyes dimmed and he completely fell to the ground. There was no longer any chance of survival.

“Qin Yu, we’ve prepared lunch. Let’s eat together.”Mr. Zhou patted Qin Yu’s shoulder.

Qin Yu smiled and said, “Mr. Zhou, I still have some matters to attend to, so I won’t be going. Thank you for your kindness.”

After saying this, Qin Yu turned around and left.

He took out the list. The first line of the list was Fang Yue.

Fang Yue had been lying there for too long. All of this was because of He Teng.

And because Qin Yu had too many things to attend to, Fang Yue had been in a coma.

“According to the mustache, Fang Yue needs demonic beast spirit pills,”Qin Yu thought.

Two spirit pills could wake Fang Yue up.

Qin Yu took out a spirit pill from his hand.

This spirit pill was taken from Yun Long’s body.

“I need to find another one,”Qin Yu thought.

He owed Fang Yue, and he had always felt guilty.

‘What he could make up for now was to find a better spirit pill.

‘Thus, Qin Yu found Yan Yongfu and planned to bring him to the island to summon a Demon Beast.

At the same time, at an inconspicuous place on Earth, an unusual light was flashing.

‘The light was extremely bright, like a ball of red light.

Under the red light was an ancient array platform.

‘The light gradually faded, and a man and a woman walked down from the array platform.

“This is earth? The legendary ancient star?”The woman scanned her surroundings, her eyes filled with surprise.

“TSK, it looks like it’s just SO-SO.”The man snorted.

‘The woman said in a deep voice, “The elder said that this ancient star is a Land of outstanding people. Many top-notch great cultivators who transcend tribulations come from this ancient star.”

“It’s the Golden Age now. Whenever the golden age descends, there will always be a few figures who stand at the top of the Holy Region on this ancient planet.”

‘The man sniffed and snorted, “I think it’s just a rumor. This so-called ancient planet’s spiritual qi is exhausted. How can there be any top-notch people? It’s not even worth mentioning.”

“Alright, don’t say anymore. Do as the elder asks.”

On the other side, Qin Yu brought Yan Yongfu to the former Cloud Dragon Island.

On the way, Yan Yongfu frowned and said, “The holy region is about to open. You should take advantage of this time to absorb all the remaining blood.”

Qin Yu glanced at him and shook his head. “There’s no rush. Before I leave, I have to finish what I need to do.”

Yan Yongfu sighed slightly and didn't say anything else.

At this moment, Qin Yu recalled the world he had once seen under the sea.

“With my current cultivation level, I might be able to step into that underwater world to take a look,” Qin Yu thought to himself.

Qin Yu's current physical body was many times stronger than before. The pressure under the sea was already very difficult to hurt Qin Yu.

Soon, the two of them arrived at the Cloud Dragon Island.

As a mighty figure, Yan Yongfu had many spells under his control. Naturally, the summoning of demonic beasts was not a problem.

Following the summoning of spells, one demonic beast after another gathered here.

Qin Yu directly used hand-to-hand combat. With a few punches, several martial saint demonic beasts fell to the ground and could not get up.

He took out a spiritual pill from among them. Together with the spiritual pill from the cloud dragon, it was enough to wake up Fang Yue.

Qin Yu could not help but feel a myriad of emotions as he held the two spiritual pills.

Back then, Fang Yue's strength was not weaker than Qin Yu's. If she had cultivated all the way, she would have already entered the martial saint realm.

“What a pity.” Qin Yu sighed slightly, and the guilt in his heart increased a little.

Just as the two of them were about to leave, Qin Yu suddenly felt a powerful internal Qi drifting over faintly.

“Do you feel a trace of martial saint’s Qi?” Qin Yu looked at Yan Yongfu and frowned.

Yan Yongfu shook his head and said, “No. How could there be anyone in such a place?”

Qin Yu frowned slightly. He released his divine sense and that internal Qi became even more obvious.

“Buzz!”

A light flashed between Qin Yu’s brows as he used his desolate God’s eyes to look a thousand miles away.

He saw a beautiful figure standing on the surface of the sea.

She had a slender figure and her hair was jet black. She wore a mask on her face.

“Xiao Yu? !” Upon seeing this person, Qin Yu’s expression changed slightly!

‘Why was Xiao Yu Here? !

At this moment, Xiao Yu followed Qin Yu’s gaze and looked over coldly.

That gaze was clearly staring at him!

However, the distance between the two of them was extremely far. Qin Yu had to rely on the desolate God’s eye to barely discover her figure!

How did she discover him from such a far distance ?

Qin Yu frowned slightly. He put away the desolate God's eye and immediately shot towards Xiao Yu..

Chapter 1174: Chapter 1174, the ancient array platform at the bottom of the sea

Translator: Nyoi-Bo Studio Editor: Nyoi-Bo Studio

Under the observation of the desolate God's eye, Xiao Yu seemed to be summoning something.

Qin Yu followed Xiao Yu's location and headed there.

The distance between the two was not too close. Even if Qin Yu was using the 'walking' character, it would still take some time.

At this moment, Xiao Yu's hands were flashing with black light. The light tured into chains and from the bottom of the sea, she forcefully pulled out a huge array platform!

This array platform had a dark, ancient light, as if it was made of thousand-year-old black iron.

With a closer look, it was actually an ancient array platform!

At this moment, Xiao Yu stopped what she was doing.

Her eyes looked in Qin Yu's direction, and she frowned slightly.

“Xiao Yu!”

Qin Yu was like a stream of light, and he quickly arrived in front of Xiao Yu.

The moment she saw Qin Yu, Xiao Yu did not say anything and turned around to leave.

She was extremely fast, and the sea breeze blew her white clothes, making her look like a beautiful scenery.

“Xiao Yu! Stop right there!” Qin Yu could not help but shout, and at the same time, he quickened his pace.

However, Xiao Yu did not pay any attention to Qin Yu. There was a trace of coldness on her body, and she turned around to slap Qin Yu.

Qin Yu’s expression changed. He did not dare to be negligent and hurriedly clenched his fist to meet Xiao Yu.

“Clang!”

A huge force exploded on Qin Yu’s fist!

“Deng Deng Deng!”

Under this huge force, Qin Yu was immediately pushed back and his body slid hundreds of meters across the sea!

By the time Qin Yu stabilized his body, Xiao Yu had already disappeared without a trace.

He used the desolate God’s eye and scanned his surroundings, but he still could not find Xiao Yu.

Qin Yu stood on the surface of the sea and couldn’t help but frown.

He couldn’t figure out why Xiao Yu refused to see him.

“That palm...”Qin Yu lowered his head and looked at his fist, only to feel waves of pain.

A casual palm had forced him back hundreds of meters. This was enough to show that Xiao Yu’s current strength was beyond imagination.

After a long time, Qin Yu’s gaze turned to the ancient array platform floating on the surface of the sea.

“This array platform was pulled out from under the sea. Could it be that Xiao Yu wants to use this array platform to head to the Holy Region?”Qin Yu frowned.

He stood on the array platform and released his divine sense.

Unfortunately, on this array platform, Qin Yu couldn’t sense the slightest flow of internal Qi. The entire array platform was extremely ordinary.

Qin Yu didn’t know how to use this array platform at all. Not only Qin Yu, even Yan Yongfu didn’t know anything about it.

“One of the eighteen array platforms is actually hidden under the sea,”Qin Yu thought to himself.

He stretched out his palm and left his internal Qi on the array platform before turning around and leaving.

After returning to Cloud Dragon Island, Yan Yongfu couldn’t help but ask, “Where did you go?”

Qin Yu didn’t answer his question. Instead, he asked back, “Do you know the background of that masked woman?”

“Masked Woman?”Yan Yongfu was stunned. Then, he shook his head and said, “I don’t know much about her. The only thing I know is that

she single-handedly destroyed the entire immortal slaying sect back then. Moreover, this is only a legend. Whether it's true or not is unknown.” Qin Yu rubbed his chin and couldn't help but fall into deep thought.

Yan Yongfu was a mighty figure. Moreover, he had lived for many years, so he knew all kinds of secret histories and rumors in the world.

Since he didn't even know about the masked woman, this was enough to prove that most of the legends about the masked woman were probably in the holy region.

Otherwise, that handlebar mustache wouldn't know so much about her.

“Let's go.” Qin Yu shook his head, no longer thinking about it.

They left the Cloud Dragon Island. After spending three days, Qin Yu returned to the Divine Alchemist pavilion and found Fang Yue.

Just like Yan Ruoxue, Fang Yue's entire body was immersed in a medicinal pool to maintain her body's needs.

Qin Yu brought Yan Yongfu and walked directly to Fang Yue.

He didn't waste any time and immediately used a secret technique to wake Fang Yue up.

The two panaceas flickered with a dazzling radiance. All the radiance gathered at the center of her brows and then covered her entire body.

The two panaceas left Qin Yu's hands and entered Fang Yue's body on their own.

After doing all this, Qin Yu stood to the side and quietly waited for Fang Yue to wake up.

At this moment, Qin Yu's heart was extremely complicated. The three years of absence had caused Fang Yue to be out of touch with this era.

She was supposed to be the favored daughter of the heavens, competing with all the geniuses, but now she had stopped at the grandmaster level.

In the future, it would be difficult for her to walk the Jianghu alone.

“Qin Yu, come out for a moment.”

At this moment, pavilion master suddenly walked in.

Qin Yu followed pavilion master out of the room.

“Pavilion master, What's the matter?”Pavilion master asked.

Pavilion master said solemnly, “I just received news that someone from the holy region has already descended through the ancient array platform.”

Qin Yu was immediately shocked when he heard this.

“So Fast? This is a few days earlier than Tian Jizi's prediction,”Qin Yu said with a frown.

Pavilion master nodded and said, “That's right. Because of Gu Xinghe's request, those reclusive powerhouses have already found most of the ancient array platforms.”

“Just now, there was news that there was an anomaly in an ancient array platform. Someone walked out from the array platform.”

Qin Yu was silent for a moment, then said in a deep voice, “In that case, it’s not long before they enter the Holy Regio!

“That’s right.” Pavilion master nodded.

“Right now, those two cultivators from the holy region seem to be looking for something, Many of the places they went to were once the resources of the martial arts association of Jingdu.”

Hearing this, Qin Yu couldn’t help but laugh. “What? People from the holy region are still coveting our resources?”

“Who knows? Maybe they will discover something different, “pavilion master said.

“Qin Yu, this woman has already woken up.”

As he was speaking, Yan Yongfu’s voice suddenly came from the room.

Hearing this, Qin Yu hurriedly walked into the room...

Chapter 1175: Chapter 1, 175, the arrival of the Holy Region

In the room, Fang Yue slowly opened her eyes.

After lying there for nearly three years, Fang Yue’s eyes were now filled with confusion.

She tried to stand up, but found that she couldn’t. If not for the medicinal liquid soaking her, the current Fang Yue would have turned into a skeleton.

“What... What’s going on? Where Is This?” Fang Yue didn’t seem to understand the situation.

She looked around, her eyes becoming more and more confused.

“This is the Divine Alchemist Pavilion,”Qin Yu walked forward and whispered.

“Divine Alchemist Pavilion ? is that the place where all the famous pharmacist in the World Gather ?”Fang Yue’s eyes were immediately filled with shock.

To her, the Divine Alchemist Pavilion was still at the legendary stage.

“This is the Pavilion Master of the Divine Alchemist Pavilion.”Qin Yu looked at the pavilion master at the side.

Hearing this, Fang Yue immediately turned pale with fright. She stood up and wanted to bow.

However, she had been unconscious for too long, so she couldn’t stand up at all.

“This is Yan Yongfu, one of the eight higher-ups of the martial arts association in Jingdu,”Qin Yu said.

The shock on Fang Yue’s face immediately intensified.

She was a smart person, so she quickly realized something.

“I... Have I been lying down for a long time ?”Fang Yue asked with a frown.

Qin Yu nodded and said, “Yes, it’s been close to three years. These three years... the changes have been too great.”

“You...”Fang Yue sized up Qin Yu from head to toe, as if she wanted to see through Qin Yu’s current realm.

However, she was only at the Grandmaster realm. How could she see through the middle stage of the Martial Saint Realm?

“What exactly happened in these three years?”Fang Yue frowned slightly, as if she was somewhat uneasy.

Qin Yu said, “There’s no rush. I’ll tell you slowly.”

‘With that, Qin Yu helped Fang Yue up and slowly brought her up in the courtyard to regain the ability to move her limbs.

During this period of time, Qin Yu slowly recounted the events that had happened in the past few years to Fang Yue.

On the other side, pavilion master and Yan Yongfu retreated to the side.

“The people from the holy region have already arrived. I have a feeling that they won’t be the first batch,”pavilion master said in a deep voice.

Yan Yongfu nodded slightly and said, “Mm, we definitely need them to extradite us to the Holy Region. Otherwise, we won’t be able to activate the ancient array platform.”

Pavilion master looked at Yan Yongfu and said somewhat uneasily, “I don’t know if the people from the holy region are good or evil, and if they are willing to bring us to the Holy Region.”

“In my experience, even if they are willing to extradite, they will only extradite the current Heaven’s favorites. At the very least, there will be a selection,”Yan Yongfu said in a deep voice.

At this point, he looked at Qin Yu, who was downstairs accompanying Fang Yue to recover her physical strength.

“But with Qin Yu’s personality, do you think he will be at the mercy of the people of the Holy Region?” Yan Yongfu looked at Pavilion Master and asked.

The Pavilion Master remained silent, but the answer was already obvious.

“I hope there won’t be any conflicts.” The pavilion master sighed slightly.

Other than them, the others had naturally received the news as well.

Everyone seemed to be waiting for the extradition of this person from the Holy Region.

Downstairs, Fang Yue’s limbs had basically retuned to normal. After all, she was a martial artist. Moreover, she was extremely talented, and her recovery ability was much stronger than ordinary people.

“In other words, everyone has already entered the Martial Saint Realm?” Fang Yue’s beautiful eyes were filled with surprise.

Qin Yu nodded and said, “It can be said that at least the famous genius back then was already at the Martial Saint Realm.”

“The famous Yan Jinyao lost to You?” Fang Yue’s eyes widened, as if she could not believe it.

Qin Yu smiled bitterly and said, “Yes, he has already become a cripple.”

This was too unbelievable for Fang Yue.

Although she had seen that Qin Yu was extraordinary back then, she had never thought that Qin Yu would spend only three years to overthrow the once famous Jingdu Martial Arts Association.

She had never thought that the present geniuses of Jingdu would all become Qin Yu's friends.

"There have been too many changes in these three years," Qin Yu sighed.

"Speaking of which, it's my fault. I could have woken you up sooner, but... There were too many things."

This was the truth. Qin Yu was just an ordinary person who climbed up from the bottom.

To this kind of person, resistance was almost always there.

In the past three years, Qin Yu was either on the run or on the road to escape.

"I'm sorry." Qin Yu looked at Fang Yue, his eyes filled with apology.

Fang Yue smiled and shook her head. "You can't be blamed. If anyone should be blamed, it should be he teng."

"He Teng..."

At the mention of this person, a trace of viciousness flashed in Qin Yu's eyes.

"If I meet him again, I definitely won't let him off," Qin Yu said to himself in a low voice.

At this point, Qin Yu looked at Fang Yue and said, "I'll think of a way to increase your strength as soon as possible. The holy region will be opened immediately. When you go to the holy region, I'll find the best herbs for you."

Fang Yue raised her eyebrows. She said half-jokingly and half-seriously, “If you really feel ashamed, then you can take responsibility for me.”

Qin Yu coughed dryly and said with a bit of embarrassment, “You still like to joke.”

“Do you think I’m Joking?”Fang Yue looked straight at Qin Yu with a bit of playfulness in her eyes.

Qin Yu’s face flushed red. He didn’t know how to answer Fang Yue.

“Alright, I’m just joking with you. It’s been three years, why are you still so shy?”Fang Yue burst out laughing.

Qin Yu heaved a sigh of relief and laughed sheepishly.

In these three years, Qin Yu had never interacted with any woman. He was still a newbie in this aspect.

After spending almost a day, Qin Yu told Fang Yue the general story.

At this moment, in Qingdi Park, a man and a woman were holding something that looked like a compass, as if they were looking for something.

“This... This is an ancient sage tomb,”the man said in surprise.

“It seems that the elder is right. This ancient star is indeed not simple,”the woman next to him said.

The corner of the man’s mouth curled up into a sneer. He snorted and said, “This ancient sage tomb has existed for at least tens of thousands of years, but it has not been excavated. This is enough to show that this

ancient star has completely declined.”

The woman did not utter a word, but she agreed with the man’s words.

The Man took out formation flags from his hands and placed them in different locations.

“Once I summon this tomb, all the treasures inside will belong to us!”The man’s eyes lit up with excitement.

“Hold on.”However, at this moment, the woman stopped the man.

She said in a deep voice, “The ancient sage tomb is full of dangers. Once it is excavated, it will erupt with divine might and cause a great calamity. If anything happens, it will be troublesome.”

The man glanced at the woman and said, “Then what do you mean?”

The woman said indifferently, “Go find a few natives and let them be the bait. If it is safe, we will enter the tomb. If it is not safe, we have countermeasures.”

“Good Idea.”The man couldn’t help but laugh.

“According to the news, the biggest sect in this area seems to be called Heaven Gate. Let them come out.”The woman said..

Chapter 1176: Chapter 1,176. That was all there was to it

‘The two exchanged a glance and immediately turned to leave.
Heaven Gate.

These two people from the holy region had suddenly descended.

“So this is the Heaven Gate?”The woman looked down at the enormous sect and couldn’t help but be slightly surprised.

“You dare to call it the Heaven Gate? How arrogant.”The man snorted lightly.

“Alright, let’s not waste any more time. If someone from another sect arrives, the ancient sage tomb might fall into someone else’s hands,”the woman said.

‘The two didn’t say anything else and strode into the Heaven Gate.

‘The sudden arrival of the two strangers naturally attracted a lot of attention.

Zhen Yue hurriedly walked out of the hall. Looking at the two people in front of her, she asked politely, “May I know who you are?”

“We are from the Saint Realm,”the man said indifferently.

Saint Realm!

Hearing this, Zhen Yue turned pale with fright!

She hurriedly cupped her hands and said, “Greetings, seniors!”

Seeing Zhen Yue’s attitude, the two people seemed to be quite satisfied.

“Please take a seat,”Zhen Yue cupped her hands and said.

After welcoming the two people into the main hall, she asked someone to serve them tea.

“Please Wait a moment. I’ll go find our sect master now,”Zhen Yue said politely.

Then, Zhen Yue quickly walked out of the main hall. She took out her cell phone and dialed Qin Yu’s number.

At this moment, Qin Yu was in the Divine Alchemist Pavilion, telling Fang Yue about the past.

He took out the list and said in a low voice, “I should help Li Yu kill his Master Tomorrow.”

At this moment, Qin Yu’s cell phone rang.

As soon as the call was connected, Zhen Yue’s voice came from the other end.

“Mr. Qin, the people from the saint realm are here!”Zhen Yue’s voice was filled with anxiety and excitement.

Hearing this, Qin Yu suddenly stood up and said in surprise, “The people from the Saint Realm? Where are they?”

“They’re at our Heaven Gate,”Zhen Yue said.

“Okay, tell them to wait for a while. I’ll go back immediately.”

After saying this, Qin Yu hurriedly got up and prepared to go back to the Heaven Gate.

“Why? Are you going to leave me alone?”Fang Yue teased.

Qin Yu was a little embarrassed and said, “Then come with me.”

‘With Fang Yue in tow, Qin Yu sped toward the Heaven Gate.

Inside the Heaven Gate, a man and a woman were secretly releasing their divine sense to cover the entire heaven gate.

A moment later, the man snorted and said, “Most of the cultivators here are only at the Martial Marquis or Great Grandmaster realm. The strongest one is only at the early-stage of the martial saint realm, so it’s not worth mentioning.”

“It seems that the elder is right. The Spiritual Qi here is exhausted, so it’s not suitable for cultivation anymore,”the woman continued.

This undoubtedly made them even more arrogant, and their attitude toward Zhen Yue and the others had obviously changed.

“Is your sect master still not back yet? Why? Does he not value us?”The man glanced at Zhen Yue and asked.

Zhen Yue’s expression slightly changed, and she hurriedly bowed and said, “Seniors, don’t be anxious. Our sect master is out of town, and he’ll be back soon.”

“If he doesn’t come back soon, we’ll go somewhere else,”the woman said indifferently.

Zhen Yue’s expression changed drastically. He said with some fear, “Seniors, please wait for a while. I... I’ll go and urge the sect master again.”

Seeing Zhen Yue’s attitude, the two burst into laughter again.

Such a humble attitude would not bring them closer to each other. On the contrary, it would make people look down on them even more.

‘When they had enough power, all the relationships would come closer to them.

At this moment, Qin Yu came through the gate with Fang Yue.

‘As soon as he entered the gate, Qin Yu found a man and a woman beside him.

“Mr. Qin, you’re finally back.” Zhen Yue hurried forward. “These two seniors are waiting anxiously.”

Qin Yu nodded slightly. He walked to the two and said in a neither servile nor overbearing manner, “I’m really sorry. I didn’t know that you were here. Please forgive me for the delay.”

The man looked at Qin Yu up and down and asked, “Are you the sect master of the Heaven Gate?”

“Yes.” Qin Yu sat on the side and waved his hand. “Look at the tea.”

Qin Yu’s attitude was different from Zhen Yue’s, which made the two of them slightly unhappy.

“I heard that Your Heaven Gate is the number one sect in the world. So, you are the number one person in the world?” The Woman sized Qin Yu up and said.

Before Qin Yu opened his mouth, the disciple beside him said proudly, “Our sect master is indeed the number one person in the world. He just killed one not long ago...”

Before he could finish his words, Qin Yu waved his hand and said humbly, “It’s just an empty title.”

“I think you are also an empty title. The number one person in the world is only at the intermediate stage of the Martial Saint Stage?” The Man’s face carried a trace of ridicule.

Qin Yu glanced at him and realized that this person's strength was only at the advanced stage of the martial saint stage, the same level as Zhai Xing.

However, Qin Yu did not say much. Instead, he went straight to the point and asked, "When are we going to the Saint Stage? We already have a lot of people waiting here."

"Go to the Holy Region?" When this topic was brought up, the man and woman looked at each other, then, they said in a strange tone, "The reason why the Holy Region is called the holy region is because it's a holy land. Not everyone can go there. They have to go through a selection."

"That's right. Our Holy Region doesn't accept trash."

Qin Yu frowned slightly, feeling a little unhappy.

But thinking about it carefully, he was right. The journey was so far, they couldn't bring too many people. Naturally, they had to choose the best.

"Then when will the selection begin?" Qin Yu continued to ask.

"No rush, no rush." The man waved his hand.

He slowly stood up and said indifferently, "Let me introduce myself first. My name is Lu Guan, and this is my senior sister Lu Yun. The two of us are here under the orders of the elders to extradite the fated person and to look for a few items."

Upon hearing this name, Qin Yu immediately spat out the water he had just drunk.

Lu Guan frowned slightly and said with some displeasure, "What's wrong with you?"

Qin Yu coughed dryly and said, "It's nothing. Do people in your place always have such special names?"

"What special names?" Lu Guan said with a dark face.

Qin Yu waved his hand and said, "Let's get down to business."

Lu Guan snorted coldly and continued, "This time, it's up to the two of us to decide who can go and who can't. To put it bluntly, it's just a word from the two of us."

Although his words were obscure, the meaning was very obvious.

Whoever could please them would be the first to go to the holy region.

'As expected, the world was as Black as crows.

"Right, before that, we need to find something, We are short of manpower for the time being. Let Your Heaven Gate send people out." Lu Guan returned to the main topic..

Chapter 1177: Chapter 1, 177, the Yan family of the Holy Region

Qin Yu said in surprise, "Looking for something? Looking for what?"

"Don't interrupt if you shouldn't ask," Lu Guan snorted.

Qin Yu thought for a moment and said, "Okay, how many people do you need?"

"At least ten people," Lu Guan said.

“Then... what are the requirements for cultivation?” Qin Yu thought for a moment and asked.

Hearing this, Lu Guan could not help but sneer in his heart.

“I need ten mighty figures. Can You Find Them?” Lu Guan said with a strange tone.

“That’s right. What kind of cultivation realm can a place like yours have? As long as they are alive, it’s enough,” Lu Yun said.

The mockery in their tone was not hidden, and the room could not help but feel a little awkward.

Qin Yu smiled and said, “Look at what you’re saying. You’re only at the advanced stage of the Martial Saint Stage, and you’re still far from the Almighty Stage.”

A trace of displeasure flashed across Lu Guan’s face as he said coldly, “The advanced stage of the martial saint stage can be considered the peak stage in your group, right? Why, from the meaning in your words, it seems that you still look down on our stage?”

“That’s not true, but it’s not worth thinking highly of.” Qin Yu took a sip of his tea and said indifferently.

‘The two elders were at odds with each other. Seeing that the atmosphere had become somewhat strange, Fang Yue hurriedly tried to smooth things over. “You two seniors must be joking. We definitely don’t have such intentions. I wonder when you will need it?”

Only then did Lu Guan Notice Fang Yue at the side. Just as he was about to flare up, his eyes went wide.

Beautiful, too beautiful!

This Fang Yue in front of him was so beautiful that it was soul-stirring. Even in the Holy Region, she could definitely be considered top-notch!

And the faintly discernible charm on her body was pressing straight into his mind, making him unable to extricate himself!

Compared to Fang Yue, Lu Yun next to him instantly turned into a green leaf.

“Mr. Lu Guan, my friend is asking you a question,” Qin Yu reminded him.

Lu Guan came back to his senses. He coughed and said, “Tomorrow. We need to have a good rest today.”

After saying that, Lu Guan looked at Fang Yue and said with a smile, “Miss, How Old Are you this year?”

Fang Yue had seen many people, so she naturally saw through Lu Guan’s intentions.

She smiled faintly and said, “Senior Lu Guan, don’t you know that a girl’s age is not allowed to be asked?”

Her words made Lu Guan, who was already filled with lust, even more fascinated.

He opened his mouth and was about to say something when Lu Yun coughed and said, “Alright, it’s getting late. Hurry up and make the arrangements.”

Lu Guan put away his lust and nodded. “Miss, I hope you can go tomorrow too. I’ll show you our ability to move mountains and seas!”

Qin Yu waved his hand and ordered a man and a woman to tidy up a room.

After they left, Qin Yu couldn't help but laugh, "So this is from the Holy Region? It looks like a two-to-one match."

"Lagree." Yao Qing came up from nowhere.

"although this Lu Guan isn't very decent, we still need them to go to the holy region. It's better not to offend them," Zhen Yue said in a low voice.

Qin Yu nodded and said, "Got it. You guys should rest early."

'The next day.

Lu Guan ran to Fang Yue's door early in the morning and stood there. He even picked a wild flower from the roadside, which made him look more like an idiot.

Not long after, Fang Yue pushed the door open.

She had already noticed Lu Guan at the door, but she still pretended to be surprised. Then, she said shyly, "Senior Lu Guan, what are you doing? You Scared Me..."

Her sweet words made Lu Guan feel like he was about to die.

He licked his lips and pretended to be a gentleman. Then, he handed the flower to Fang Yue, he said in a scholarly manner, "On the way here, I saw a small flower. I don't know why, but when I saw this flower, i inexplicably thought of Miss Fang. Maybe this is fate. Please accept the flower."

Fang Yue looked at the Carnation in Lu Guan's hand and didn't know whether to laugh or cry.

After taking the flower, Lu Guan put his hands behind his back and said indifferently, "I wonder if Miss Fang wants to go to the Holy Region?"

"Yes, of course I do. I want to go to the holy region even in my dreams," Fang Yue said with a smile.

Lu Guan was delighted and said proudly, "Miss Fang, this spot is in my hands. As long as I'm happy, I can take you to the holy region at any time!"

"Thank you very much, senior Lu Guan," Fang Yue said with a smile.

Just as the two of them were talking, Qin Yu suddenly appeared from behind.

"Mr. Lu Guan, everyone is ready. When do we leave?"

Qin Yu's sudden appearance gave Lu Guan a fright.

He said with a dark face, "What are you anxious for? The emperor is not anxious, but the eunuch is."

Qin Yu said with slight surprise, "Mr. Lu Guan is actually a eunuch? Could it be that the holy region is so feudal?"

"You are the F * cking eunuch!" Lu Guan was anxious. He stared at him and said, "Kid, are you playing with me?"

"[don't dare," Qin Yu said with a faint smile.

"Okay, let's get down to business." Lu Yun also walked over.

Lu Guan pointed at Qin Yu and said, "Kid, Watch Your Mouth!"

Qin Yu didn't want to argue with Lu Yun. He took Fang Yue and Lu Guan to the square.

On the way, Qin Yu touched his chin and said, "Mr. Lu Guan, since you're from the Holy Region, you should know a lot about the holy region, right?"

Lu Guan Glanced at Qin Yu. He didn't want to talk to Qin Yu at first, but in order to show off in front of the beauty, he snorted and said, "Not to mention knowing astronomy and geography, it's more or less the same."

Hearing this, Qin Yu hurriedly asked, "Have you heard of the Yan Family? The Yan family of the Holy Region."

"Of course I have," Lu Guan said proudly.

At this time, he suddenly realized something and frowned... "You also know of the Yan family of the Holy Region?"

Chapter 1178:Chapter 1, 178, the tomb of the saint

Qin Yu nodded and said, "Yes, I've heard a little about it, but I don't know much about it."

Hearing this, Lu Guan realized that his chance to show off had come.

He put his hands behind his back and said proudly, "Then you've asked the right person. The Yan family of the Holy Region is one of the nine great aristocratic families of the holy region. It's one of the top families in the entire Holy Region!"

“and I happen to have some friendship with them,” Lu Guan said indifferently.

Qin Yu frowned and said, “Really? You... are only at the advanced stage of the Martial Saint Realm. Do you have any friendship with the top families of the Holy Region?”

‘When Lu Guan heard this, he immediately became unhappy.

He said with a dark face, “Although I am at the advanced stage of the Martial Saint Realm, I have a lot of connections. What can you do about it?”

Qin Yu sized up Lu Guan with a face full of suspicion. It was obvious that he did not believe him.

Lu Guan was anxious. He stared at Qin Yu and said, “You don’t believe me? Fine, I’ll tell you something that you’ve never heard of.”

“The Yan family recently found a wandering princess of the Yan family. It’s said that she’s a descendant of the Yan family who has a complete bloodline! Now, she has an extremely high position in the Yan family. She’s even been considered as a candidate for the position of family head!”

Lu Guan paused and smiled faintly. “To be honest, I have a good relationship with her.”

Qin Yu was sure that this idiot was lying.

“The person you are talking about is called Yan Ruoxue, right?” Qin Yu asked.

Lu Guan was stunned and asked in surprise, “How do you know?”

Qin Yu said indifferently, "That's my wife."

"Hahahaha!"

Lu Guan couldn't help but burst into laughter.

"She's your wife? Look at you. Are you worthy of her? You're quite a braggart," Lu Guan sneered.

Qin Yu smiled. "It seems that you don't know my wife. Since You're friends with her, don't you know where she went to the sanctum?"

"I don't care where she went. She Won't like you, understand?" Lu Guan snorted.

Qin Yu didn't bother to explain to Lu Guan. After all, it had nothing to do with him.

Soon, Qin Yu and the others arrived at the square.

At this time, there were several carefully selected elites of the heaven gate standing in the square. Besides them, Qin Yu also called Chang Mang.

"They are all elites of the Heaven Gate. Now that they are working for you, you must bring them to the holy region later," Qin Yu warned.

Lu Guan ignored Qin Yu. He walked up to them and said calmly, "It is your honor to serve me. Perform well. If you do well, I will give you a chance."

Hearing this, everyone was overjoyed. They looked at Qin Yu gratefully.

"Okay, let's go," Lu Guan said.

Qin Yu led everyone to their destination.

On the way, Chang Mang asked, “Is he from the Holy Region? He doesn’t look like much. I feel like I can kill him with one punch.”

Qin Yu spread his hands and said, “Who knows? Maybe he’s just a small fry from the holy region.”

Chang mang muttered, “Looking at his pretentious look, I’m full of anger.”

Qin Yu patted Chang Mang’s shoulder and said, “Brother, bear with it.”

The group headed straight for the Green Earth Park.

After spending some time, they entered the Green Earth Park.

“The thing you want is here?” Qin Yu could not help but be a little surprised when he saw the Green Earth Park.

Lu Guan Glanced at Qin Yu and said, “What else? You natives have poor eyesight. Naturally, you can’t understand the mysteries of this place.”

Qin Yu didn’t say anything. He had noticed this place a long time ago, but he hadn’t come to explore it.

He had planned to bring his handlebar mustache to take a look, but the handlebar mustache hadn’t appeared since the last time they parted.

“Okay, I’m going to start the ceremony now. Everyone, watch carefully!” Lu Guan floated in the air and chanted a spell.

The flags that were planted in several places suddenly shone brightly as if they were summoning something.

“Rumble...”

Soon, the ground began to collapse and the ground cracked as if something was about to emerge from the ground.

In an instant, Qin Yu felt an extremely strong murderous aura. This murderous aura penetrated straight into his bones and was extremely uncomfortable.

“Step back!” Qin Yu hurriedly shouted when he saw this.

He raised his palm and a ray of light gathered above everyone’s heads to block this baleful aura.

The earth was still rumbling. This seemed to be a long process.

After a full half an hour, a complete mass grave suddenly rose from the ground!

‘The mass grave’s scale was extremely grand. It was like a palace. The entire palace flickered with golden colored light, and threads of terrifying killing intent spread out from it.

This huge tomb extended thousands of meters into the distance, covering the entire Green Earth Park!

Facing this huge tomb, everyone felt an intense pressure!

It seemed to be a killing pit. Large pits appeared one after another on the ground, and each pit emitted extreme dark energy.

Even the experienced and knowledgeable Qin Yu was greatly shocked when he saw this huge tomb!

The scale of this huge grave was even larger than the one Qin Yu had seen in the immortal slaying sect!

Numerous Daoist halls were displayed in front of everyone. Each Daoist Hall was engraved with extremely strange characters.

“No wonder the Green Earth Park was stopped back then. With such a huge grave, it would be strange if ordinary people didn’t die,”Qin Yu said in a deep voice.

It was no wonder that the feng shui masters couldn’t see it. After all, even a cultivator like Qin Yu couldn’t see the complete grave here.

“Holy tomb, it is indeed the holy tomb!”Lu Guan was extremely excited and kept shouting!

He shot backward and arrived in front of Qin Yu and the others.

“What’s the origin of this tomb?”Qin Yu asked.

Lu Guan Glanced at Qin Yu and snorted, “Kid, listen carefully. This is called the holy tomb! The tomb of a Saint!”

Chapter 1179:Chapter 1,179. That’ s it?

“The tomb of a Saint?”Qin Yu frowned.

“That’s right. It’s also called the tomb of an ancient saint,”Lu Guan said with a smile.

Qin Yu couldn’t help but be surprised.

This was probably the most terrifying tomb he had ever seen.

An ancient saint was a virtual entity. At this level, it was enough to cross the galaxy.

As for the flesh and bones of a sage, to a cultivator, they were all top-notch tonic, far surpassing all kinds of herbs.

He had never expected that there would be a sacred mausoleum hidden in the Green Earth Park!

Qin Yu subconsciously looked around, as if he was looking for someone.

However, he could not find the figure with the handlebar moustache even after looking around for hundreds of meters.

“Strange.” Qin Yu frowned.

Where did the handlebar mustache go? Normally, he was involved in such matters.

Could it be that he had left Earth since the last time?

“Alright, you must listen to my orders from now on,” Lu Guan said as he looked at the Holy Mausoleum.

After that, Lu Guan pointed at a person and said, “You, go and explore the grave.”

“Me?”

A trace of fear flashed across the face of the disciple who was pointed at.

“L.. [don’t dare to go. I have a strong sense of unease in my heart...

aid the disciple.

Lu Guan stared at him and said, “I don’t dare to go there. With Your Courage, you still want to follow me to the Holy Region?”

Hearing this, the disciple could only clench his teeth and bite the bullet as he walked toward the Holy Mausoleum.

But at this moment, Qin Yu reached out and grabbed his arm.

“You do whatever they tell you to do. Are You Stupid?” Qin Yu said with a cold face.

“Even a drop of essence blood of an ancient sage can take your life, let alone an ancient Sage’s grave.”

Hearing this, the disciple immediately heaved a sigh of relief.

But Lu Guan was not happy. He said with a dark face, “Kid, what do you mean? How dare you disobey me?”

Qin Yu glanced at him and said, “Do you want my people to die? To be cannon fodder for You?”

Lu Guan’s face became colder and colder, and his internal Qi was also climbing rapidly.

He said with a cold face, “Kid, I’ve disliked you for a long time.”

“Oh? Really? What a coincidence. I also disliked you in Yu sneered.

“You like to stand out, don’t you? Fine, then I’ll let you do it!” Lu Guan shouted.

Then, Lu Guan reached out his hand and grabbed Qin Yu’s arm, intending to throw him into the sacred mausoleum!

But soon, Lu Guan realized that something was wrong.

Even if he tried his best, Qin Yu still stood there without moving at all, like Mount Tai!

“How is that possible!” Lu Guan’s face changed. He didn’t believe in internal Qi and tried to throw Qin Yu out again.

However, Qin Yu still did not move. There was a cold smile on his face.

“That’s all you have? I think you should go in.” Qin Yu suddenly reached out his hand and grabbed Lu Guan’s neck. He easily lifted him up!

Lu Guan’s face immediately changed! He could not figure out how Qin Yu could have such terrifying strength when he was only at the middle stage of the Martial Saint Realm!

“You... Let Go of me!” Lu Guan roared angrily.

Qin Yu lifted Lu Guan up and sneered, “Aren’t you from the Holy Region? Is that all you have?”

Lu Guan roared angrily, “Since you know that I’m from the Holy Region, why don’t you let go of me! You... Don’t you want to go to the Holy Region Anymore?”

Hearing this, the surrounding people immediately advised in a low voice, “Forget it, sect master, let him go. We still need him to go to the secret realm after all...”

“Yes, it’s not easy to open the holy region. If something goes wrong at this time, the loss will outweigh the gain.”

“Do you hear me? Let Me Go Now!” Lu Guan shouted angrily.

Qin Yu raised his eyebrows and sneered, “What you said makes sense, but so what? Since you came from the Holy Region, you must have

treasures. This holy power should be nothing to you, right?"

After saying that, Qin Yu suddenly exerted force and directly threw Lu Guan into the holy mausoleum.

The huge force made Lu Guan unable to control his body!

His body involuntarily shot toward the Holy Mausoleum and finally fell on the training field!

"Lu Guan!" Lu Yun, who was at the side, was instantly furious. She shook her palm and a long sword fell into her palm.

"Kid, you are really audacious!" Lu Yun said coldly with the long sword in his hand.

Qin Yu glanced at her and sneered, "It seems that you want to go too. Well, then you should go with him."

However, Lu Yun was not Lu Guan. She did not want to sit and wait for death. She even moved the long sword slightly and slashed at Qin Yu's head!

Qin Yu sneered. He stretched out two fingers and caught the long sword in his fingers!

"These two fingers were like iron pincers. No matter how hard Lu Yun struggled, he could not break free!

"You're only at the advanced stage of the Martial Saint Realm. I really don't know where your arrogance comes from," Qin Yu said coldly.

"Let me tell you, don't think that just because we want to go to the saint realm, we have to grovel and beg you. This is earth. Even if I kill all of

you, you won't be able to do anything!"

After saying that, Qin Yu's two fingers flickered with golden light.

This resplendent golden light was incomparably hot, and a terrifying power erupted from these two fingers.

Kacha

With a clear sound, the longsword shattered!

Chapter 1180: Chapter 1,180, Holy Might

Looking at the broken longsword in his hand, Lu Yun's face turned extremely ugly!

"How... How is this possible! You... did you hide your strength?" Lu Yun was terrified.

Qin Yu snorted coldly and ignored Lu Yun. Instead, he looked at Lu Guan who was standing on the training ground.

At this moment, Lu Guan climbed up from the training ground. His body emitted rays of light.

The rays of light interweaved on his body like a layer of armor.

This was clearly some protective dharma artifact. However, even with the Protective Dharma artifact, Lu Guan still appeared to be struggling. Even when he was standing, his body could not help but bend downwards.

"Kid, I'm going to kill you!" Lu Guan roared angrily.

“If you have the ability, then come over. We’ll fight in the training ground!”

Qin Yu raised his eyebrows and sneered, “Really?”

Lu Guan said with a cruel face, “Do you think I’m joking with you? Why, are you afraid?”

“Well, then I can only be respectful and accept your orders.” With that, Qin Yu walked step by step towards the training hall.

“I’ve fallen into a Trap!”

Seeing this scene, Lu Guan was instantly overjoyed!

The training hall was filled with powerful holy might. Even if he relied on the Protective Dharma artifact given by the Elder, it would still be difficult for him to support his body!

If Qin Yu stepped into this training hall, he would probably be crushed into meat paste in an instant!

“Kid, you will pay for your arrogance!” Lu Guan sneered repeatedly in his heart.

Very soon, Qin Yu arrived at the edge of the training hall.

“Come up, come up!” Lu Guan roared crazily in his heart.

He stared at Qin Yu with cold sweat on his forehead.

Under his gaze, Qin Yu jumped onto the training hall.

The scene of his body being crushed did not appear in his mind. On the contrary, Qin Yu looked quite relaxed.

“How... how is this possible!” Lu Guan’s expression changed drastically!

Even though the holy power in the training hall was far inferior to that of a real ancient saint, it was still not something a martial saint could resist!

“Mm, I’m afraid that ordinary people would not be able to withstand the pressure here.” Qin Yu spread out his palm and said to himself.

The veins on Lu Guan’s forehead twitched violently, and a trace of terror flashed through his heart!

Just what was the background of this brat in front of him? How could he be so terrifying?

“Haha, Qin Yu, Wait for me!”

Right at this moment, Chang Mang also shouted loudly and walked quickly towards the training hall.

‘When Lu Guan saw this, the corners of his mouth curled up into a sneer once again.

“It’s good to kill this strong man. At least it can save some face. I don’t believe... how is this possible!”

Before Lu Guan could finish his words, his eyes widened!

This Chang Mang had also jumped onto the training hall and was similarly unharmed!

“HM? There seems to be some pressure on the field, but it’s not a big problem,” Chang Mang muttered.

“Indeed. After all, this is not the true power of the ancient sages. It’s just a training hall.” Qin Yu nodded slightly.

Hearing their conversation, Lu Guan wanted to die!

‘Were these Aborigines all perverts? !

“Don’t follow us. Wait for us here. With your physical bodies, you can’t withstand this pressure,” Qin Yu said to the disciples.

After saying this, Qin Yu looked at Lu Guan.

“aren’t you going to fight me to the death? I’m coming up. Let’s do it.” Qin Yu walked towards Lu Guan Step by step.

Cold Sweat dripped down Lu Guan’s forehead as he complained bitterly in his heart.

At this moment, he was in a dilemma. He didn’t even know how to respond.

“Forget it. After all, this is the ancient Sage’s training hall. If we fight here, it would be disrespectful to the ancient sage,” Chang Mang said.

“That makes sense.” Qin Yu nodded slightly.

Lu Guan heaved a sigh of relief in his heart. He opened his mouth to say something to save his face, but when he met Qin Yu’s gaze, he felt as if a fishbone was stuck in his throat. He could not say a single word.

“Hurry up and take us to the ancient Sage’s treasure,” Qin Yu said as he glanced at Lu Guan.

Only then did Lu Guan come back to his senses. He patted his chest and felt a lingering fear in his heart.

Was this ancient star really a place where geniuses came from, as the elder had said?

Soon, Lu Yun followed him.

She also had a protective magic artifact on her body that could resist this pressure.

Qin Yu sniffed and said in a low voice, “The dark energy here is too thick. The spiritual power in my body seems to be suppressed.”

“Yes, it is.” Chang Mang nodded.

“But... this is a place of cultivation for me,” Qin Yu said with a smile.

Then, Qin Yu’s eyes fell on Lu Guan and Lu Yun.

“Since you can excavate the tomb of the ancient sage, you must know how to find the treasure, right?” Qin Yu asked.

Lu Guan didn’t say anything, but Lu Yun said indifferently, “Of course, but what about after you find it? How should we distribute it?”

Qin Yu and Chang Mang looked at each other and then said with a smile, “What? Do you think the two of you are qualified to negotiate?”

“Why not?” Lu Yun snorted. “If we can’t get anything, why would we risk our lives to find this so-called ancient sage treasure?”

“Because it can save your lives,” Qin Yu said indifferently.

“Then kill us. I’d rather die than be humiliated,” Lu Yun said coldly.

Qin Yu smiled. He glanced at Lu Guan, who was shivering, and said, “You have a backbone, but it’s hard to say about your junior brother.”
Lu Yun frowned slightly, and she hurriedly gave Lu Guan a look.

Lu Guan braced himself and said, “Me... Me Too! Either we split it equally, or you kill me!”

Qin Yu could not help but laugh coldly.

“Do you really think that I have to rely on you?” Qin Yu narrowed his eyes. With a thought, his glabella lit up.

The desolate God’s eye shot out a ray of light from his glabella!

Chapter 1181: Chapter 1, 181, twilight of the sacred mausoleum

‘The desolate God’s eye swept across the entire sacred mausoleum!
Under the desolate God’s eye, the entire sacred mausoleum could not be hidden!

“Eh?” Lu Yun and Qin Yu’s expressions changed drastically when they saw this!

‘They could not understand what secrets this young man was hiding?

“Do you think I Need You?” Qin Yu said coldly.

Lu Guan and Lu Guan were speechless.

At this moment, Qin Yu retracted his desolate God’s eye.

He put his hands behind his back and said calmly, “Of course, I can consider splitting it equally with you. After all, you were the ones who found the sacred mausoleum.”

Hearing this, surprise flashed in their eyes.

“Is what you said true?” Lu Yun asked.

Qin Yu put his hands behind his back and said calmly, “Of course. I’m not an unreasonable person.”

‘The two of them were from the holy region after all. Besides, they needed their help to go to the holy region. It was not a good choice to have a falling out with them now.

“Let’s go,”Qin Yu said.

Since things had come to this, Lu Guan and the others could only follow Qin Yu’s arrangements.

‘The two of them relied on their protective magical artifacts to forcefully carry the holy might as they walked into the Holy Mausoleum.

This was a huge palace, resplendent and magnificent.

After stepping into the palace, the first thing they saw were nine huge pits.

Although there were no bones in the huge pits, the dark energy emitted from them allowed Qin Yu to guess the origins of these nine huge pits.

“Could this be a burial?”Qin Yu frowned.

‘The construction of this sacred mausoleum was extremely extravagant. In addition to these few huge pits, Qin Yu speculated that the owner of this tomb might have been some high official back then.

“A burial pit. Generally speaking, there won’t be any babe in this pit. It’s better to stay away from him,”Lu Yun reminded.

Qin Yu glanced at him and nodded slightly.

This burial pit was an ominous thing to them and could not be contaminated. However, to Qin Yu, it was a place of cultivation.

After going around the burial pit, there was a huge stone door in front of them.

There was a dense mist on the stone door that fell down like a waterfall. It looked extremely mysterious.

Lu Yun and Lu Guan stood in front of the door and did not approach it for a long time.

“What’s Wrong?” Qin Yu asked.

Lu Yun said in a deep voice, “After all, this is the sacred mausoleum where the ancient sages are buried. We don’t dare to move forward rashly.”

“Loriginally wanted to use your disciples to explore the way, but you didn’t allow it,” Lu Guan said unhappily.

Qin Yu glanced at them and snorted, “You’re from the Holy Region. Don’t you have any treasures to explore?”

“No,” Lu Yun said straightforwardly.

“Let me do it,” Chang Mang said.

Qin Yu pulled Chang Mang back and said, “Let me do it.”

Although Chang Mang’s body was very strong, he was still far from Qin Yu’s current body.

A green glow emanated from his body, and the true body of Greenwood enveloped his physical body.

This was the tomb of ancient sages after all, and even Qin Yu did not dare to neglect it.

He carefully walked to the door and extended his palm, preparing to open it.

But at this moment, rays of light shot out from the door, heading straight for Qin Yu's physical body.

At such a close distance, even if Qin Yu stepped on the 'xing' character, he wouldn't be able to dodge it!

“Bang!”

With this attack, Qin Yu was sent flying backward, and a bloody hole appeared in his chest.

“Hu

In the sacred mausoleum, it was as if a gentle breeze blew past, and streams of dark energy spread out.

This dark energy was different from normal dark energy. This energy covered his body and was actually absorbing everyone's spiritual energy!

“Not good! The thing I was most worried about happened!” Lu Yun's face changed drastically.

Qin Yu could also feel the loss of spiritual power in his body, but he was not too anxious. Instead, he asked, “What's going on?”

Lu Yun explained, “This is called internal Qi. It usually appears in the graves of the top people! This aura will absorb the spiritual power of cultivators. Once the spiritual power is completely absorbed, it will

absorb the lifespan!”

“So Scary?” Qin Yu couldn’t help but turn pale with fright!

Even the lifespan could be absorbed? Then wouldn’t it age very quickly here?

“Do you have any countermeasures?” Qin Yu looked at the two of them and asked.

Lu Yun said in a deep voice, “The corresponding thing with internal qi is called life qi. We can only use life qi to offset this internal Qi. Unfortunately, we don’t have this thing with us.”

“Let’s retreat first. Otherwise, we will all die of old age here.” Lu Guan had the intention to retreat and turned to leave.

However, Qin Yu was somewhat unwilling.

The Sacred Mausoleum was the tomb of an ancient sage. Who knew how many Babe would be hidden inside.

Now that the holy region was about to open, if they didn’t enter the sacred mausoleum today, they might not have another chance in the future.

“You guys go out first. I’ll go in and take a look,” Qin Yu said.

“According to the speed of the disappearance of spiritual power, I should be able to enter and exit safely.”

Lu Guan couldn’t help but sneer, “You think too simply. If it were so simple, we wouldn’t be so afraid.”

“What do you mean?” Qin Yu frowned.

Lu Guan said indifferently, “This is only the gate of the Holy Mausoleum. The Twilight Qi will naturally not be too strong, but as we go deeper into the holy mausoleum, the Twilight Qi will become thicker and thicker.” “The loss of your spiritual power is not worth mentioning, but every step you take will increase your speed. After a few steps, your spiritual power and longevity will be completely absorbed.”

Qin Yu frowned. Lu Guan’s words really gave Qin Yu a headache.

However, the sacred mausoleum was right in front of him. It was a huge treasure. It was really unsatisfying to give it up just like that.

If he could get a holy weapon or something from it, he would be rich.

“I still want to give it a try.” After hesitating for a while, Qin Yu didn’t listen to him in the end.

He walked towards the door step by step and soon arrived at the door.

“Humph, you don’t know life from death.” Lu Guan couldn’t help but sneer..

Chapter 1182 Chapter 1,182: white hair

Qin Yu walked slowly to the stone door.

Just as Lu Guan had said, the loss of spiritual power was much faster as he got closer.

At this rate, the spiritual power in his body would be completely lost within an hour.

Qin Yu clenched his fist and said in a low voice, “Try to leave this place before the spiritual power runs out.”

Then, Qin Yu turned to look at Lu Guan behind him and shouted, “How do we open the Gate?”

“There’s no other way except to break the gate open violently,” Lu Yun said.

They didn’t seem to have any intention of leaving. Instead, they wanted to see if Qin Yu could withstand the stale air.

Qin Yu raised his head to look at the huge gate in front of him. Then, he clenched his Golden Fist and threw it at the stone gate!

“Boom!”

A wave of dust flew up and a huge hole was punched through the door by Qin Yu! This door was not as strong as Qin Yu had imagined. Instead, it was a little fragile.

The door was shattered and Qin Yu strode into the sacred mausoleum.

The Twilight Qi instantly covered the sky and earth and spread over!

The spiritual power in Qin Yu’s body was losing at an extremely fast speed!

“Qin Yu, if you really can’t do it, come out. Your life is important,
“Chang Mang shouted from behind.

“Okay, if I can’t hold on, I’ll leave as soon as possible,” Qin Yu shouted without turning his head.

The world behind the gate was not as splendid as he had imagined. It was surrounded by earth, wood, and walls. It was extremely ordinary.

On both sides, there were two huge statues. The statues flickered with bright light, looking somewhat strange.

Further in, one could see pieces of gold products. They were like ornaments, placed in all directions.

If these gold products were to be brought to the mortal world, it would definitely cause a huge commotion. However, to Qin Yu, these items were worthless.

He opened the desolate God's eye and looked straight ahead.

Under the coverage of the desolate God's eye, the entire sacred mausoleum could be seen clearly.

Several hundred meters in front of him, there was a coffin.

On both sides of the coffin, human burial pits appeared once again. Other than the human burial pits, there were also many bronze artifacts placed on both sides.

These bronze artifacts looked ordinary, but because they were stained with the sacred might, they were no weaker than ordinary magical artifacts.

He released his divine sense and covered the sacred mausoleum.

What surprised Qin Yu was that there were no spirit guardians in such a large-scale sacred mausoleum.

In other words, other than the twilight qi, there was no obstruction in the sacred mausoleum.

“A few hundred meters...”Qin Yu murmured softly. The spiritual power in Qin Yu’s body could not be balanced at such a long distance.

“No, I have to speed up,”Qin Yu thought to himself.

Since there was no spirit guardian and no hidden killing formation, Qin Yu did not need to worry.

He immediately stepped on the ‘xing’ character and shot toward the coffin!

The flesh and bones of saints were top-notch holy objects, not weaker than any magic artifacts.

As long as he was close to the coffin, his trip would not be in vain.

After shooting more than a hundred meters in one breath, the speed of the loss of spiritual power in Qin Yu’s body also began to increase.

As the spiritual power disappeared, Qin Yu also began to be unable to support the ‘xing’ character.

Not only that, as he got closer and closer to the bronze coffin, the Holy Aura also began to exert its power.

This caused Qin Yu’s footsteps to slow down a lot in an instant.

He fell from midair, and could only forcefully support his body as he walked towards the bronze coffin.

The spiritual power in his body was losing more and more quickly, like a reservoir draining water, flowing out continuously.

“It’s bad.”Qin Yu thought to himself that things were not good, and a wave of fatigue assaulted his body!

At this moment, he was still two hundred meters away from the bronze coffin. However, Qin Yu realized that he was having some difficulty walking.

“This won’t do. At this speed, I’m afraid I can only hold on for a few minutes at most.”Qin Yu frowned.

He tried to seal all the acupoints in his body in an attempt to stop the loss of spiritual energy. Unfortunately, it was futile and useless. Qin Yu gritted his teeth, forcefully withstanding the holy power, and rushed toward the bronze coffin at his fastest speed.

But after a few steps, the spiritual power in Qin Yu’s body was completely depleted!

Under the spread of the Holy Power, Qin Yu found it difficult to even lift his feet!

With each step he took, the pressure on his body became heavier.

What was more terrifying was that it was already too late for Qin Yu to turn around and leave.

Because he didn’t have the spiritual power to make it, coupled with this terrifying holy might, Qin Yu’s speed became extremely slow!

Even if he tried his best to walk out, he would probably lose his lifespan!

“Oh no!”Qin Yu’s expression changed drastically!

This time, he probably didn’t have as much luck as he had imagined. He even fell into a dilemma.

His spiritual power had already been completely exhausted. Under the influence of the Twilight Qi, Qin Yu’s lifespan started to lose.

Under such a dangerous situation, Qin Yu didn’t even have time to think. Every second he delayed, his lifespan would decrease by a few points!

“Advancing or retreating is death. I might as well give it my all!”Qin Yu gritted his teeth and walked towards the bronze coffin with great difficulty!

This was the principle that Qin Yu had always followed. If he retreated, he would die. If he advanced, he would at least have a chance of survival!

When he was still a hundred meters away from the bronze coffin, Qin Yu’s lifespan had already been greatly affected.

He lay on the ground and crawled forward. Age spots began to appear on his face. His jet-black and beautiful long hair actually grew white!

His originally ink-like long hair rapidly turned white at a speed visible to the naked eye. In the blink of an eye, his black hair turned white!

Chapter 1183 Chapter 1,183, lost all of his spiritual energy

At this moment, Qin Yu was prostrating on the ground like an old man who was already in his twilight years.

Wrinkles appeared on his face, and his internal organs seemed to be aging!

“Ah!!”

Qin Yu looked at the white hair that drifted over, and his heart suddenly felt sorrowful!

He never expected that this trip to the sacred mausoleum would pay such a huge price!

To anyone, the passing of youth was extremely painful, and so was Qin Yu.

He simply could not believe that he had turned from a young man into an old man!

“How could this be...”Qin Yu grabbed his white hair, his heart filled with extreme pain and despair.

Tears welled up in his eyes, as if he could not believe what was happening before his eyes.

However, Qin Yu was an extremely rational person. Even under such circumstances, he quickly calmed down.

No matter how much pain he felt, it could not change anything. He could only force his body to continue climbing towards the bronze coffin!

el

His lifespan was still draining away, but Qin Yu’s body seemed to have reached the peak of aging. There was no more change, only the wrinkles on his face had become thicker.

as n

After climbing with difficulty for more than ten minutes, Qin Yu finally managed to get close to the bronze coffin.

He grabbed the bronze coffin with one hand and climbed up from the ground with difficulty.

The terrifying pressure came at him in an instant, crushing Qin Yu's body until it cracked.

The true body of green wood burst out with light, covering every inch of Qin Yu's skin.

However, it was obvious that the green wood true body could not withstand it for too long. Therefore, Qin Yu did not dare to waste any more time. He gritted his teeth and used all his strength to move the bronze coffin away.

The instant the coffin was opened, strands of even more powerful holy might spread out.

The green wood true body could not withstand it anymore and directly exploded!

“Pu!”

The terrifying holy might suddenly came over, and Qin Yu suddenly spat out a mouthful of blood! His chest was in pain! Qin Yu held onto the bronze coffin tightly. He stretched out his hand and reached into the coffin.

There was a corpse inside the coffin. The corpse seemed to be intact, and time did not leave any traces on its body.

It was a tall man with sword-like eyebrows and starry eyes. Although it was just a corpse, one could still feel the aura of him looking down on the world!

Other than this corpse, Qin Yu also found a huge brush in the bronze coffin. “Holy Weapon?” Qin Yu’s eyes suddenly lit up! There was indeed a holy weapon hidden in this coffin!

This brush was 30 centimeters long and several centimeters thick. Although it had been shelved for many years, it still emitted a bright radiance.

The entire brush looked extremely huge. It was more like a horsetail whisk than a brush. It was almost the same size as a horsetail whisk.

Other than the corpse and the brush saint weapon, there was nothing else.

Qin Yu originally wanted to take the corpse away, but with his current state, it was impossible for him to take the brush away.

Not only did his body lose his spiritual energy, even his main body’s strength was exhausted. Qin Yu tried a few times to move the bronze coffin, but in the end, he failed.

Seeing that his lifespan was still running out, Qin Yu could not afford to waste any more time. If he did not leave now, he might really become a skeleton in the sacred mausoleum.

“What a pity.” Qin Yu secretly gritted his teeth. He put away the brush and turned around to climb out.

At this moment, Qin Yu could no longer stand up. He could only force himself to climb out.

The further away he was from the bronze coffin, the less pressure the holy might exerted, and the stale air also began to disappear.

Qin Yu's head was covered in sweat. His hair had completely turned snow-white, and the wrinkles on his face were becoming more and more obvious.

Seeing that he was getting closer and closer to the stone door, the holy might also began to slowly disappear. The pressure lingering on Qin Yu's body could already be ignored.

He stood up from the ground and walked out of the stone door.

Outside the door.

Chang Mang and Lu Guan did not leave. They just stood there and waited quietly.

Looking at Qin Yu who walked out of the sacred mausoleum, they did not recognize him for a moment.

At this time, Qin Yu's appearance had changed drastically. His snow-white long hair hung down his shoulders. Coupled with his long black clothes, it made him look extremely mysterious.

“Qin Yu?!” Chang Mang rubbed his eyes and was the first to recognize this person.

He quickly ran in front of Qin Yu and said with a worried expression, “You... What Happened to you? Why did your hair... why did your hair turn white?”

Qin Yu opened his mouth, not even knowing how to explain.

“It’s the Twilight Qi. Under the influence of the Twilight Qi, more than half of his lifespan has been consumed,” Lu Yun said quietly. “What do you mean?” Chang Mang’s expression changed, and he hurriedly turned to look at Lu

Yun.

Lu Yun said expressionlessly, “I mean it literally. The current Qin Yu is probably already in his old age.”

Old Age!

These two words deeply stung Qin Yu’s heart. However, he was very clear in his heart that what Lu Yun said was right. Even his body had undergone changes. God knows how much of his lifespan had been consumed.

“Then... then what should we do? Do you guys have any ideas?” Chang Mang asked hurriedly.

Lu Yun said, “We do have some ideas. If we absorb the vitality, we still have a chance to extend our lifespan.”

When he said this, Lu Yun changed the topic and continued, “However, you don’t have to worry too much. A martial saint has at least several hundred years. Even if his lifespan is absorbed, he can still live for at least another hundred years.”

Qin Yu did not say a word, but he felt sorrow in his heart.

Qin Yu had probably spent more than half of his time on the trip to the Saint Mausoleum.

The price for this saint weapon was too high.

“Since your lifespan has been used up, your spiritual power must have been depleted a long time ago. “At this moment, Lu Guan suddenly said indifferently.

Qin Yu’s gaze was like a torch as he looked at Lu Guan.

“So?” Qin Yu asked coldly.

Lu Guan squinted his eyes and said, “Without spiritual power, you are useless! I advise you to hand over your Babe, or don’t blame me for being rude!”

Chapter 1184 Chapter 1,184 was defeated once again

Lu Guan sneered.

He was from the Holy Region, but he had lost face in front of Qin Yu. This was intolerable to Lu Guan!

Now that he had a chance to take revenge, he would not miss it.

Chang mang shouted, “F* ck you! Qin Yu took such a big risk to enter the Holy Mausoleum. Why should he give it to you? You want to go in by yourself!”

Lu Guan was unmoved. He said indifferently, “We agreed in advance that we would split the things we got. What, are we going back on our words now?”

“Split the things we got together? That means we only got half of the things we got together! You F * cking stood at the door and watched the show, and you want half of the things we got together? How many times do you want? !” Chang Mang clenched his fists and said angrily.

Qin Yu couldn't help but sneer, "To put it bluntly, he just saw that my spiritual power was exhausted and my lifespan was damaged, so he found an excuse to attack me."

"Hahahaha!" Lu Guan couldn't help but burst into laughter. "You're right! Since you've already said it, there's no need to talk nonsense. Hand over the thing, and I can consider leaving you with a whole corpse!" Lu Guan took a step forward, and his aura exploded!

"Do you think I am afraid of You!" Qin Yu strode forward. Although he did not have the support of spiritual power, his physical strength was still there.

The natural strength of his physical body made Qin Yu extremely powerful without the help of spiritual power! "If you want to fight, I will accompany you!" Chang Mang's iron tower-like body blocked in front of Qin Yu.

His body emitted a scarlet light, giving off a menacing aura.

"You don't know life from death." Lu Guan snorted. Holding the green light in his hand, he arrived in front of Chang Mang with a Whoosh!

The surrounding air fluctuated, and the green light in Lu Guan's hand turned into small snakes that burst out from his palm!

Then, the small green snakes burst out from countless angles toward Chang Mang's body. In the blink of an eye, Chang Mang's body was covered by the green light!

Lu Guan could not help but sneer when he saw this. He murmured, and the densely packed small green snakes began to coil around Chang Mang's body!

Qin Yu was not worried.

Although this Lu Guan came from the holy region, his strength was not that great.

On the contrary, although Chang Mang was only at the early stage of the Martial Saint Realm, he was still a holy body, and his strength was extremely powerful. The scarlet radiance on Chang Mang's body was brewing. In the next second, an explosive sound was heard and the small green snake was instantly shattered into pieces!

Lu Guan's pupils suddenly shrunk and his expression changed slightly. He was about to retreat but it was already too late. Chang Mang, who was originally reckless, was now like a wild beast. The Scarlet Radiance outlined him like a god of death!

“Ah!”

Chang Mang roared and shot toward Lu Guan.

In Lu Guan's view, Chang Mang was like a Mad Bull. He was unstoppable and rushed forward. In the blink of an eye, he was in front of Lu Guan.

“F* ck you!”

Chang Mang's palm, which was like a cattail leaf fan, slapped Lu Guan's face!

The palm was even bigger than his head. Lu Guan was sent flying with one slap. He felt his head buzzing as if he had been hit by a carriage.

Before he could react, Chang Mang had already stepped forward again. The huge body suddenly pressed on Lu Guan's body, followed by a rough and disorderly fist! The iron-like fist kept hitting Lu Guan's body.

For a moment, the sound of "Boom, Boom, Boom" was incessant.

Lu Guan, who was lying on the ground, was covered in blood. Even his protective magical artifact was cracked!

Lu Guan, who was stimulated by the pain, seemed to be at a loss.

He could not understand why there were so many inexplicable perverts on this earth, which had exhausted its spiritual qi? In the blink of an eye, Lu Guan was covered in blood. The blood flowed from his body to Qin Yu's feet.

However, Chang Mang had no intention of stopping. Once he started a fight, he would not rest until he was dead. His anger did not diminish in the slightest. Instead, it was like a raging fire, burning brighter and brighter.

"That's enough."

Chang Mang did not stop until Qin Yu spoke.

He lifted Lu Guan with one hand and shook him in the air as if he was holding a chick.

"How dare you say such arrogant words with such little ability?" Chang Mang said coldly.

Lu Guan was dumbfounded. Many of his bones had been shattered. He probably didn't even have the ability to stand up.

“Spare his life,” Lu Yun said with a frown.

Qin Yu glanced at Lu Yun and said, “If we spare his life, who knows if you will take revenge when we go to the Holy Region?”

Lu Yun’s expression changed!

From what Qin Yu said, it seemed that he intended to kill him to silence him?

“I promise you that we will never seek revenge!” Lu Yun hurriedly said.

Qin Yu sneered, “Promise? What’s the use of your promise?”

“Qin Yu, believe me! Even if we really want to seek revenge, we have to have that condition,” Lu Yun hurriedly said.

“With your talent, even if you go to the Holy Region, you will definitely be valued by the sect!”

“Think about it, why would our sect give up two extremely talented geniuses for Lu Guan?”

What he said made some sense.

Lu Guan’s ability wasn’t even considered top-notch on Earth, let alone the Holy Region. He probably couldn’t even be compared to Zhuang Teng and the others.

“Alright, since we need your extradition to the holy region, I’ll spare his life.” Qin Yu looked at Chang Mang, signaling with his eyes. Only then did Chang Mang throw Lu Guan away. Lu Guan’s body pierced through the holy mausoleum and landed in front of Fang Yue and the others.

He opened his eyes and everything before him was dark. Before he could speak, he fainted.

The Disciples of Heaven Gate who were waiting outside couldn't help but look at each other.

“What... What's going on?”

Chapter 1185 Chapter 1,185, the quota for the holy region

Looking at Lu Guan who was like a dead dog, everyone was stunned.

“Could it be that there's a riot in the Holy Mausoleum?!” Someone guessed. “After all, it's the Holy Mausoleum, so it must be filled with danger. The sect master and the others wouldn't...” someone's expression changed drastically! As they were speaking, Qin Yu and Chang Mang had already walked out of the Holy Mausoleum. Looking at the white-haired Qin Yu, Fang Yue couldn't help but frown slightly. “This is...” she stretched out her hand and stroked Qin Yu's long white hair.

Qin Yu glanced at her and said, “I'll explain it to you in the future.”

Fang Yue was an extremely intelligent person, and she also had the ability to read the hearts of others.

Even though this move was useless in front of Qin Yu, she still guessed something.

Therefore, Fang Yue said with a smile, “You look more handsome this way.”

Qin Yu was stunned, and then he couldn't help but smile bitterly.

“Stop joking.” A trace of bitterness flashed across Qin Yu's face.

“What I said is true. This way, you look more like the number one person in the world.” Fang Yue covered her mouth and laughed lightly.

It had to be said that Fang Yue’s words did bring a trace of comfort to Qin Yu.

He waved his hand and said, “Alright, let’s return to the Heaven Gate for now.”

On the way back with everyone. Many disciples stared at Qin Yu and whispered among themselves. “Sect master seems to have aged a lot.”

“Yeah, even his face has wrinkles...”

“It seems that the holy mausoleum is full of dangers. Look at Lu Guan from the Holy Region, he has become a dead dog.”

Qin Yu did not take the discussion to heart. Since it had already happened, there was no need to worry about it anymore. After returning to the Heaven Gate, Qin Yu came to the mirror.

He looked at his old self in the mirror and felt a little sad.

His black hair turned white. It was an indescribable blow to anyone.

The only consolation was that Qin Yu’s physical strength did not change much.

Not only did the twilight Qi not weaken Qin Yu’s physical body, it even made him stronger.

He lightly clenched his fist. He could feel the powerful strength brought by his physical body, but he still did not have the support of spirit energy.

This made Qin Yu feel that something was wrong. Normally, when spirit energy disappeared, it would be slowly replenished later. Using herbs and other things, it would recover faster.

However, it had already been so long, and Qin Yu still could not feel any spiritual energy in his body. “Could it be that there is still some twilight energy left in my body?” Qin Yu thought to himself.

After thinking about it, it seemed that this was the only possibility. At this moment, Lu Yun and Chang Mang pushed the door open and entered.

Qin Yu glanced at Lu Yun, and then ignored him. Instead, his gaze fell on Chang Mang. “What’s Wrong?” Qin Yu asked.

Chang Mang walked to Qin Yu’s side and sat down. Then, he pointed at Lu Yun and said, “She has something to ask you.”

Lu Yun frowned slightly and said, “We came here with a mission, which is to explore this ancient star.”

“Right now, our first target is the Qingdi Park, but we can’t enter it now. So I want to know what’s inside.”

Qin Yu sneered, “If you want to know, go in and take a look yourself.”

Lu Yun glanced at Qin Yu’s white hair. He didn’t say anything, but his meaning was very obvious.

“Forget it, I’ll tell you. There’s a bronze coffin and a corpse inside,” Qin Yu waved her hand and said.

“But the twilight qi inside is extremely dense and full of holy power. It’s already not easy to walk to the bronze coffin, and it’s almost impossible to take it out.”

Lu Yun heard this and a trace of regret flashed across his face.

She stood there and didn’t say anything for a long time.

“Why? Is there anything else?” Qin Yu asked.

Lu Yun came back to his senses and then said, “The second thing is the matter of extradition to the Holy Region.”

This aroused Qin Yu’s interest.

He quickly said, “Okay. Aren’t you guys going to have a public selection? It’ll be at my Heaven Gate, but you have to give me a fixed quota.”

Lu Yun agreed and said, “Of course, no problem. You can draw up the list.” Qin Yu rubbed his chin and expressed his thoughts.

However, Qin Yu’s thoughts caused Lu Yun to turn pale with fright. The reason was none other than Qin Yu wanted to bring all the people of the Heaven Gate to the Holy Region!

Without a doubt, Lu Yun refused on the spot.

“Going to the holy region is not something we can control. Only ancient sages have the ability to cross the galaxy,” Lu Yun explained. “With our cultivation, we can only rely on the ancient array platform. Furthermore, to activate the ancient array platform, we need an extradition flag. The extradition flag in our hands can only take away thirty people at most.”

Hearing those words, Qin Yu could not help but frown.

Thirty people? If that was the case, it would be impossible to extradite them on a large scale.

“That’s simple. After we go to the sanctum of sages, we can get more extradition flags and take it slow,” Chang Mang said from the side.

Qin Yu nodded slightly and sighed, “That’s all we can do.”

After thinking about it, Qin Yu decided to draw up a list in advance.

Everyone had their own selfish motives, and Qin Yu was no exception. Like Chang Mang and the others, Qin Yu had to send them to the Holy Region first.

“You go back first. I’ll give you the list tomorrow morning,” Qin Yu said to Lu Yun.

Lu Yun grunted in gratitude and then agreed.

That night, Qin Yu took out a pen and paper and began to plan the names.

Chang Mang, Yao Qing, Jiang he, pavilion master, Fang Yue, xianhe, and the others were naturally the first. They could be said to be Qin Yu’s closest relatives.

As for Jiang Gu and Gu Taichu, they were naturally in Qin Yu’s plan. It was just that their strength was low, so whether they were willing to go or not was still a problem.

Qin Yu took out his phone and called Jiang Gu and Gu Taichu respectively.

And these two people's answers were surprisingly the same: they didn't want to go to the holy region, they only wanted to stay on Earth, dominate a region, and live a stable life.

Next were Yi Yao Meng, Kong Yun, Zhuang Teng, Xiao Yuan, Chu Hedao, Chu Heng, and the others.

In total, including Qin Yu, they had already taken up thirteen spots. Together with Yu Qin, Taozi, and the others whom Qin Yu owed a favor to, they had nearly twenty people. "Thirty spots... is still too little." Qin Yu could not help but frown.

However, according to Tian Jizi, Lu Yun was definitely not the only sect from the holy region. They still had a chance in the future.

Chapter 1186 Chapter 1, 186, a strange change

In the end, Qin Yu decided on twenty spots. The remaining ten spots would be handed over to Lu Yun for his own selection.

The next day.

Qin Yu handed this list over to Lu Yun. As for the remaining people, he would let Lu Yun make his own selection public.

The news of the people from the holy region settling down in the Heaven Gate had long spread, and many people were getting restless.

After the news of the public selection was released, countless people gathered in the Heaven Gate, intending to take a gamble.

Although there weren't many warriors on Earth, this was still a long process, and it would probably take several days.

At this time, in the Yan family.

Yan Jinyao was pleading bitterly, "Dad, the people from the holy region have already arrived. You have to think of a way to get a spot for me. Otherwise, my life will be over..."

Yan Sihai's face was also somewhat unsightly.

Although the Yan family was a large aristocratic family, they were only large in the world of capital.

To the Martial World, the Yan family's power was too small.

What was even more terrifying was that this person from the holy region had actually settled in the Heaven Gate!

"That person from the holy region is most likely already on the same side as Qin Yu Tong." Yan Sihai's brows were tightly furrowed.

Given the relationship between the Yan family and Qin Yu, it was simply too difficult to get a spot.

Having been in the business world for many years, he naturally understood the logic behind this.

"Don't tell me I have to beg Qin Yu?" Yan Sihai smoked his cigarette, a hint of embarrassment flashing across his face.

Yan Jinyao's face grew even uglier. His hatred for Qin Yu was no less than anyone else in the world!

Asking him to beg Qin Yu was worse than death!

“Dad, no matter what, I have to get a spot. Otherwise, I will be ruined!” A trace of determination flashed in Yan Jinyao’s eyes.

He stared at Yan Sihai and said, “I will be a grandson first and then a father. So what if I beg him? As long as I go to the Holy Region, I will have a chance to recover my body! At that time, I will take revenge!”

Yan Sihai looked at Yan Jinyao in front of him and said in a low voice, “Do you really want to go to the holy region so much? If that’s the case, I’m afraid we’ll never see each other again. You...”

“A good man’s ambition is everywhere! How can I Be Like a woman and stay at home every day!” Yan Jinyao said with some anger in his tone.

Yan Sihai opened his mouth and couldn’t help but sigh.

He only had this one son, and Yan Jinyao was very sensible since he was young. Every aspect made Yan Sihai quite satisfied.

This also caused the current Yan Sihai to be in a difficult situation.

He wanted to satisfy his son, but he didn’t want to be separated by the horizon.

After thinking for a long time, Yan Sihai put out the cigarette in his hand and said coldly, “Okay, I’ll go and beg him, Qin Yu!”

A trace of excitement flashed across Yan Jinyao’s face. He hurriedly said, “Dad, don’t worry. When I go to the Holy Region, I will definitely think of a way to kill Qin Yu and take revenge for our humiliation!”

On the other side, Qin Yu was also waiting.

Going to the holy region was a great temptation for any warrior, especially the geniuses of the current age.

For example, Yan Jinyao, he teng, and also the Sky Blood Rainbow.

As long as Yan Sihai came to beg him, then Qin Yu could take the opportunity to take back the Yan family and return it to old Mister Yan. As for he teng and Tian Xuehong... As long as these two dared to show themselves, Qin Yu would never let them go!

“This is really weird.” Qin Yu paced around the room with his brows tightly knitted.

An entire day had passed, but the spiritual Qi in his body still showed no signs of recovering.

“Could it be that the Twilight Qi has affected him for so long?” Qin Yu muttered softly.

There was sadness and joy. What surprised Qin Yu even more was that his body had become a few times tougher than before.

It was not an exaggeration to say that Qin Yu was now on par with no one in the Almighty realm, let alone those of the same level.

That evening.

Qin Yu, Chang Mang, and Yao Qing strolled around the backyard of the Heaven Gate.

“Chang Mang, put away the spiritual energy in your body. Let’s Spar,” Qin Yu said.

Chang Mang was stunned, then he scratched his head and said, “You... What do you mean by this?”

“It’s a friendly spar.” Qin Yu smiled.

Chang Mang smiled embarrassedly and said, “Then I have to remind you that my body has been different from ordinary people since I was young. When I was eleven years old, I could kill a cow with my bare hands. Later on, my body was even more invulnerable.”

Qin Yu nodded slightly. Of course, he knew how terrifying the holy body was.

This kind of physique was different from Qin Yu’s chaotic body. His body was hard. Even if he had not cultivated since he was young, he could still display his talent that was different from ordinary people. However, the chaotic body was different. If the chaotic body did not step into the path of cultivation, the body would not have any changes.

“Come.”Qin Yu beckoned to Chang Mang.

“Then I won’t hold back.”Chang Mang shook his thick arm and said with a serious expression.

“I’m just afraid that you will hold back.”Qin Yu smiled.

Chang Mang did not say a word. He roared angrily and the veins on his arm instantly popped up. Then, he quickly rushed towards Qin Yu!

That huge body stirred up waves of dust, giving off an oppressive feeling.

Qin Yu also clenched his fist and went up to meet it.

“Clang!”

A loud sound spread from the middle of their fists!

Yao Qing, who was watching from the side, was temporarily deafened by the shock and kept retreating.

In the next second, Chang Mang staggered back a few steps, and his fist felt waves of pain.

He looked at his fist in surprise and exclaimed, "Damn, this is the first time I've met an opponent since I was young."

Qin Yu, on the other hand, looked relaxed. This punch did not cause any harm to him.

"So Scary," Qin Yu thought to himself.

Ever since he was infected with the Twilight Qi, Qin Yu's spiritual power had inexplicably disappeared, and his physical body had become extremely abnormal.

Chang Mang, who was not far away, could not help but mutter, "Your small body is as hard as a small iron ball."

Qin Yu smiled and said, "Come, use your full strength this time. Use your spiritual power."

After saying that, Qin Yu directly withdrew his fist, put his hands behind his back, and slightly closed his eyes.

Chang Mang was stunned. He scratched his head and said, "Qin Yu, think carefully. Although your body is indestructible, it is still very dangerous to take it head on."

Chapter 1187Chapter 1, 187, the person behind the Sky Blood Rainbow

Qin Yu gestured with his hand and said, "Come."

"Alright! Then I'll respectfully comply!" Chang Mang's body erupted with a terrifying scarlet radiance.

Yao Qing, on the other hand, ran out a few hundred meters in a flash, afraid that he would be affected.

Qin Yu placed his hands behind his back, intending to take this punch head-on.

"I'm Coming!" Chang Mang shouted loudly, and with a swoosh, he shot towards Qin Yu!

That extremely fast speed even tore through the air, and a pair of iron fists that contained monstrous might ruthlessly smashed towards Qin Yu's chest!

The gusts of light wind blew Qin Yu's white hair up, and a pair of fists ruthlessly smashed onto Qin Yu's chest!

"Clang!"

An extremely clear sound rang out!

This time, Qin Yu took two steps back!

But what was shocking was that there were still no traces left on his body!

"How is this possible!" Chang Mang's eyes widened like copper bells!

He looked at his fists in disbelief, thinking that something was wrong with his body.

“As expected,” Qin Yu muttered in a low voice.

Everything was as he had imagined. His body had indeed become stronger, and he had even reached an abnormal number of steps. Chang Mang was a holy body, one of the best physiques in the world.

Although this punch was not his full strength, it was enough to show how terrifying Qin Yu’s body was.

“Are you the F * cking reincarnation of Sun Wukong?” Chang Mang scratched his head, looking very naive.

Qin Yu waved his hand and sighed. “I don’t know if this is a good thing or a bad thing.”

His spiritual energy showed no signs of recovering. Could it be that he would never be able to use his spiritual energy?

He would definitely be restricted. After stepping into the saint realm, he would meet countless geniuses.

They possessed all kinds of spiritual energy. Even if they were unable to kill Qin Yu, they would be able to tie him up and slowly torture him to death.

Furthermore, it was an attack from the primordial spirit. The physical body could not break through the defense. If the primordial spirit was directly cut off, it would be troublesome.

“Sigh.” Qin Yu let out a long sigh. There seemed to be no other way at the moment.

After a day of selection, Lu Yun was half-dead tired.

And for an entire day, Lu Yun actually did not choose a single person.

“It seems that your sect’s requirements for selecting people are quite high,”said Qin Yu.

Lu Yun glanced at Qin Yu and said, “If they are all talented like you, our sect will definitely welcome them.”

Qin Yu thought about it and agreed.

Ever since Qin Yu eliminated the martial arts association of Jingdu, almost everyone had the opportunity to stand out. After all, the resources had already been made public by Qin Yu.

if they were really talented, they would have made a name for themselves long ago.

“According to this progress, how many more days will it take?”Qin Yu asked.

Lu Yun shook his head and said, “There’s no way to confirm. The number of people is still increasing. Roughly speaking, it will take at least five days.”

Qin Yu nodded slightly. He just happened to take advantage of these five days to finish the things on hand.

He took a deep breath and could not help but be somewhat expectant.

“Ruoxue, we can finally meet,”Qin Yu muttered softly.

At this moment, in a dark corner, a young man in a black robe was sitting cross-legged on the ground. Cold Sweat kept coming out of his forehead, and he looked like he was in extreme pain.

“The people from the holy region are at the Heaven Gate, which is Qin Yu’s territory. If you appear, you will die without a doubt...”the hoarse voice came out of He Teng’s mind.

“Shut up! I may not be his match!”He Teng cursed angrily.

“Oh? If you are so confident, why haven’t you left for the Heaven Gate...”there was a hint of mockery in his hoarse voice.

He Teng snorted coldly and said, “That is Qin Yu’s territory. Other than him, there are also Chang Mang and the others. It is just that it is difficult for two fists to fight against four hands.”

“Hehe... all of this is just an excuse... do you want to give up this opportunity to enter the Holy Region...”

“Give up... | will never give up!”He Teng gritted his teeth.

“Give me your body, I will take you to the saint-level...”the hoarse voice said.

“Don’t even think about it! Why Don’t you lend me all of your strength? When I go to the saint-level, I will find a good body for you!”

“Hehe... If you give me your body, when I go to the saint-level, I will give you a body...”

“Since we can’t come to an agreement, then no one should go!”He Teng snorted coldly.

“Alright... I’ve been waiting for a long time. I don’t need a day or two more...”

He Teng's expression was ferocious, and he felt a little conflicted in his heart.

Although this wasn't the only chance to go to the holy region, the outcome was definitely different between going early and going late. If they were left behind, it would be troublesome.

Other than he teng, Tian Xuehong was the same.

He was at the peak of a mountain, sweating profusely, his face full of unwillingness.

“Why can't I go to the Holy Region? Why!” Tian Xuehong almost roared as he questioned.

And in front of him was the figure of a man.

The man's back was facing him as he said coldly, “You can go, but not now. Once you appear at the Heaven Gate, Qin Yu will definitely kill you.”

“It doesn't matter if you die, but if you expose important information, it will be troublesome.”

Tian Xuehong said with some anger, “I have done so many things for you. Are you planning to abandon me now?”

“You have done so many things for me?” The figure's voice immediately contained a trace of coldness.

“Which thing did you do successfully? The immortal slaying sect actually left a trash like you behind!”

Chapter 1188: Chapter 1, 188. Yan Sihai requests an audience

The figure who was about to leave stopped in his tracks at this moment. He still had his back facing the sky blood rainbow as he coldly said, “There are some things that you don’t need to know. If you know too much, you will easily get yourself killed.”

After saying this, he turned into a stream of light and disappeared into the horizon.

The next day.

Qin Yu’s spiritual power still showed no signs of recovery.

At this moment, Qin Yu also knew that under the influence of the Twilight Qi, there must be a problem in his body.

“Spiritual power...”Qin Yu was somewhat unwilling.

He tried to cultivate in seclusion and try to take a pill, but there was no effect.

Qin Yu never thought that such a problem would appear at this time.

“Fortunately, I obtained at least one sacred artifact.”Qin Yu took out the sacred artifact brush from within the spatial divine artifact.

The sacred artifact was stained with sacred might.

Even a wisp of sacred might wasn’t something a mighty figure could endure.

Of course, this also depended on who was controlling it.

“Without spirit energy, what use do I have for this sacred artifact?” Qin Yu suddenly realized a problem.

He had no way to control this holy weapon.

“F * ck, does that mean that my trip here was in vain?” Qin Yu even had the intention to curse.

At this moment, the door was pushed open.

Then, he saw the pavilion master walk in from outside the door.

She was holding a medicinal paste in her hand, which was emitting a faint medicinal fragrance.

“What is this?” Qin Yu said with some surprise.

Pavilion master said, “Applying this on your face will be able to lighten your wrinkles.”

“Oh?” Qin Yu was slightly surprised.

He took the medicinal paste and covered his face like applying a facial mask.

Traces of strange heat flowed across his face.

In just a few minutes, the medicinal paste disappeared without a trace, as if it had been completely absorbed by his face.

When Qin Yu looked at the mirror again, he found that the wrinkles on his face had disappeared.

“It’s so effective?” Qin Yu turned pale with fright.

“Tf I sell it, won’t I Be Rich?”

Pavilion master rolled his eyes and said, “This thing can’t be mass produced. Not only is it extremely harsh on the materials, it’s also very tiring. Other than a few rich ladies, no one has enjoyed it before.”

Qin Yu suddenly came to a realization and said, “No wonder so many rich women look like young girls despite their age.”

“This thing isn’t permanent. It can only last for a year at most,” pavilion master said.

After saying that, she took out a prescription and handed it to Qin Yu.

“With your ability, refining this medicinal paste isn’t a problem,” pavilion master said.

Qin Yu took the prescription and said with a bitter smile, “I shouldn’t be able to use this thing. I think I should be able to find vitality in a year’s time.”

“Just in case,” pavilion master said.

After saying this, pavilion master turned around and was about to leave.

“Pavilion Master, Please Wait a moment.” At this moment, Qin Yu suddenly called out to pavilion master.

He took out the holy weapon and handed it to pavilion master, saying, “This is for you.”

“What is it now?” Pavilion master asked in confusion.

“Saint Weapon, a complete saint weapon.” Qin Yu said in a low voice.

Hearing this, pavilion master’s face immediately flashed with surprise.

“A complete saint weapon? This... this is too valuable.” Pavilion master frowned, and after saying this, he wanted to return the brush to Qin Yu.

However, Qin Yu shook his head and said, “Pavilion Master, I don’t want to hide it from you. Ever since I got infected with that Twilight Qi, the spiritual energy in my body has disappeared. This saint weapon is useless in my hands.”

“Moreover... This trip to the holy region is bound to be fraught with danger. As long as this saint weapon is here, not many people should be able to harm you.”

Pavilion master held this saint weapon with mixed feelings in his heart.

This was a saint weapon!

Even if it was placed in the holy region, it would still be a rare item.

With this saint weapon, not to mention a martial saint, even a mighty figure would not dare to casually make a move.

“Alright, then I’ll keep it for you for now,” pavilion master said.

Qin Yu smiled and said, “Alright.”

In the evening, Lu Yun came to “Report to Qin Yu” as usual.

“How was the selection today?” Qin Yu asked.

Lu Yun said, “There’s one who’s not bad.”

“Oh? What’s his name?” Qin Yu was slightly surprised.

“His name is Han Wei,” Lu Yun said.

Hearing this, Qin Yu was immediately shocked!

Han Wei? Wasn't this kid already unable to recover from his setback?
He actually succeeded in being selected?

But thinking about it carefully, Han Wei this kid was also a famous genius in Jingdu back then, ranked in the top ten.

If it wasn't for that battle with him that caused him to sink into a decadent state, he would probably have achieved something by now.

“What's the matter? Do you need to kick him out?” Lu Yun asked.

Qin Yu waved his hand and said, “There's no need. Since he passed the selection, then it's his quota.”

“Okay.” Lu Yun nodded. She did not say anything more and turned around to leave.

After Lu Yun left, Qin Yu sat on the chair and waited quietly.

“Why haven't Tian Xuehong and he teng appeared yet?” Qin Yu could not help but sigh.

“No, before I leave, I must kill them.”

Thinking of this, Qin Yu decided to find Lu Yun and let him spread the news, saying that the selection would end tomorrow.

Just as Qin Yu was about to leave, a disciple suddenly walked in from outside.

“Sect master, Yan Sihai of the Yan family requests an audience,” said this disciple.

Hearing this, Qin Yu's brows raised, and then the corners of his mouth curled up into a cold smile.

“You’re finally here...”Qin Yu’s eyes narrowed slightly.

“Where is he now?”Qin Yu asked.

The disciple said, “He is waiting for you in the guest hall and seems to have brought a gift.”

“I know.”

Qin Yu got up and walked to the guest hall.

Chapter 1189 Chapter 1, 189, the Cowardly Yan Sihai

In the living room.

Yan Sihai’s expression was extremely uncalm.

He wasn’t confident because he didn’t know what Qin Yu’s attitude would be.

“I really didn’t expect that the dignified Yan family would actually request Qin Yu...”Yan Sihai couldn’t help but curse in his heart.

“If you’re unhappy, you don’t have to come.”

At this moment, Qin Yu’s voice was heard.

Hearing this voice, Yan Sihai’s expression changed slightly.

He stood up and looked at Qin Yu.

Their eyes met, and they were filled with emotions.

No one would have thought that the status of the two of them had actually changed.

Yan Sihai took a deep breath and put down his arrogant attitude. He cupped his hands and said, "Greetings... Greetings, sect leader Qin." "You're too polite, President Yan. I Can't take on the responsibility," Qin Yu said with a faint smile.

Yan Sihai's expression changed slightly.

The first exchange between the two parties didn't seem to be ideal.

But since things had come to this, Yan Sihai could only brace himself and sit down.

He took a deep breath and said, "I know you won't let me off easily. Tell me, what do you want me to do?"

Qin Yu sat on the chair with his legs crossed. He looked at Yan Sihai with a faint smile and said, "What do you mean, President Yan?"

Yan Sihai said coldly, "Let's cut to the chase. My Son, Yan Jinyao, wants a spot. Name your conditions."

Qin Yu sneered and said, "Yan Sihai, what do you think you can give me now? Money? Status? Luxury cars and mansions? Or do you have some top-notch spiritual artifacts?"

Yan Sihai didn't say anything. He had already expected this, so he wasn't surprised.

"Since I'm here to beg you, I'm prepared to be humiliated," Yan Sihai said with a cold face.

"What do you want? Come at me."

After saying that, Yan Sihai directly closed his eyes.

Qin Yu couldn't help but sneer, "Do you think I'm like you? Like to play tricks on people? Humiliate You? What's in it for me? Just to satisfy the pleasure of being high and mighty?"

Yan Sihai slightly narrowed his eyes and said, "Then what do you want?"

Qin Yu sat up straight from the chair.

He coldly looked at Yan Sihai and said, "Do you really want a spot for Yan Jinyao?"

"Yes. Otherwise, I wouldn't have lowered my head to look for you," Yan Sihai said coldly.

Qin Yu laughed. "I promised Ruoxue that I would help her take back the Yan family. Now that the Holy Region has opened, if I don't fulfill my promise, I'm afraid it will be too late."

Yan Sihai's expression changed slightly, and he had a faint ominous feeling in his heart.

Qin Yu continued, "It's not impossible for Yan Jinyao to get a spot. I only have one condition. You, abdicate from the Yan family and return the position of the head of the Yan family to old Mister Yan."

"Other than that, you also have to publicly announce what you did to old Mister Yan back then."

Hearing this, Yan Sihai's expression instantly changed drastically!

He suddenly stood up and glared at Qin Yu, saying, "Impossible! Qin Yu, don't Go Too Far!"

“Too Far?”Qin Yu could not help but sneer.

“Yan Sihai, think carefully. I don’t have to discuss it with you. As long as I kill you, I can also take back the Yan family.”

Yan Sihai’s face was deathly pale, as if he had lost his mother.

He had never imagined that Qin Yu would actually ask for the entire Yan family!

This was something that he had spent countless efforts to obtain!

“Yan Sihai, let me tell you something.”Qin Yu leaned back in his chair.

“Before I head to the saint-level, I must complete this matter.”

“If you agree today, there might still be a way out. If you don’t agree, I will definitely take back the Yan family and return it to old Mister Yan.”

“As for the means, you should be clear in your heart.”

The threat in his words was not concealed. Yan Sihai was a smart person, so he naturally knew what Qin Yu meant.

If he really got close to Qin Yu, he could make a move and kill all of Yan Sihai’s people!

Since he was about to leave for the holy region, he had nothing to worry about.

Yan Sihai’s face was gloomy. He did not know whether this was a blessing or a curse.

After a full ten minutes, Yan Sihai took a deep breath and said, “Give me a few days to think about it.”

“A few days?” Qin Yu sneered.

“Do you think I have that much time to wait for you? I will only give you one night.”

“After tonight, there will be no more talks.”

Yan Sihai opened his mouth and wanted to say something, but Qin Yu waved his hand and said, “See the guest out.”

After saying this, Qin Yu no longer paid attention to Yan Sihai and turned around to walk out of the living room.

Yan Sihai could not help but gnash his teeth.

He never thought that the martial arts world would develop to such a degree one day.

He also never thought that one day, Qin Yu would look down on him from above!

After returning to the Yan family, Yan Sihai told Yan Jinyao about this matter.

“He wants the entire Yan family!” Yan Sihai slammed his fist on the table.

Yan Jinyao hurriedly said, “Dad, as long as I go to the Holy Region, everything will have a chance!”

“You might as well agree to him for now. After he goes to the holy region, who else can support my grandfather? After Qin Yu leaves, you can take back the Yan family.”

A trace of fear flashed across Yan Sihai’s face.

“Your grandfather does things swiftly and decisively. Once I give up my position to him, he will eliminate all of my confidants in the shortest time possible and replace them with his own people!”

“And... Don't forget that there is still the Heaven Gate. They will definitely do their best to protect your grandfather.”

Yan Jinyao did not think much of it.

He snorted softly and said: “The elites of the Heaven Gate will definitely be brought to the holy region. The rest is not worth mentioning at all.”

“Father, you are thinking too much. You have worked so hard for so many years, what can my grandfather Do?”

Yan Sihai sighed repeatedly.

Things had already come to this point, and he knew in his heart that he no longer had any other choice.

With Qin Yu's current capabilities, the Yan country would definitely not offend him, much less a tiny little Yan family.

“L..... just promise him.”Yan Si hai slumped powerlessly into his chair..

Chapter 1190 Chapter 1,190, a trip to the holy region

In the Heaven Gate.

Qin Yu had already sent someone to fetch old Mister Yan.

Before he left, Qin Yu had to settle this matter properly.

The next day.

Old Mister Yan was brought back to the Heaven Gate.

In the blink of an eye, nearly three years had passed, and old Mister Yan looked much older.

Back then, when he changed his body, old Mister Yan only had three years left in his life. Now, it seemed that his lifespan was almost up. Seeing Old Mister Yan's originally young body turn into such an old man, Qin Yu could not help but feel a little sad.

He did not know how to explain to Ruoxue in the future.

“Is there any way to extend old Mister Yan's life?” Qin Yu looked at Pavilion Master.

Pavilion master shook his head and said, “Prolonging one's life is not something that mortals like you and I can do.”

Qin Yu's expression became even uglier.

He had forcefully extended old Mister Yan's life once before. It was already impossible for him to repeat the same trick.

Old Mister Yan did not seem to care about his own lifespan. He looked at Qin Yu's white hair and could not help but exclaim, “Qin Yu, your white hair...”

“Old Mister Yan, this is a cultivation technique I cultivate. You Don't have to worry.” Qin Yu didn't speak the truth.

Afterwards, Qin Yu welcomed old Mister Yan into the room.

After entering, Qin Yu poured a cup of tea for Old Mister Yan.

Old Mister Yan took a sip, then said, “Qin Yu, have you seen Ruoxue recently?”

“No.” Qin Yu shook his head.

“Ruoxue is in the saint-level. I thought about bringing you there, but your body... I’m afraid it can’t take it.”

Old Mister Yan was an ordinary person. In addition, he was nearing the end of his lifespan. There was no way he could withstand the fluctuations of the spatial formation.

“I’m already old. Why Bother?” Old Mister Yan waved his hand.

Then, old Mister Yan suddenly asked, “Why have you come to see me this time?”

Qin Yu nodded and said, “I have agreed to cooperate with Yan Sihai. As long as he gives you the Yan family, I will give Yan Jinyao a place to go to the Holy Region.”

Old Mister Yan couldn’t help but be speechless after hearing it.

He said with some gratification, “I didn’t expect you to be able to force the Yan family to bow down.”

Qin Yu sighed slightly and said, “Speaking of which, I am ashamed. I should have finished it earlier, but it has been delayed until now...”

Old Mister Yan lay on the chair and sighed, “No one expected that the world would develop to this day. The Martial World could even affect all the worlds.”

Qin Yu also nodded slightly. Just as Old Mister Yan had said, no one had expected this.

Then, Qin Yu intentionally or unintentionally glanced at old Mister Yan's face.

Through the desolate God's eye, he seemed to want to see old Mister Yan's lifespan clearly.

According to Qin Yu's speculation, old Mister Yan's lifespan probably wouldn't exceed three months.

This made Qin Yu let out a long sigh.

How would he face Yan Ruoxue when he reached the holy region.

At this moment, a Maybach drove in from outside.

This car was extremely iconic, and it was even more famous in Jingdu.

Almost everyone who was famous knew that this car came from the Yan family.

Seeing this car, old Mister Yan's eyes narrowed slightly.

A complicated look flashed across his old face.

As soon as the car stopped, he saw Yan Sihai get out of the car.

He walked quickly to the main hall and was about to speak when he saw old Mister Yan beside him.

“Dad...”

Yan Sihai muttered in a low voice. Facing Old Mister Yan, his heart was filled with mixed feelings.

Qin Yu looked coldly at Yan Sihai and said, "Have you thought about it?"

Yan Sihai gritted his teeth and said, "I promise you."

Then, Yan Sihai looked at Old Mister Yan and said, "Dad, I... I will take you home now."

"Wait." At this moment, Qin Yu suddenly called out to Yan Sihai.

"President Yan, can I have a word with you?" Qin Yu said.

After saying that, Qin Yu took the lead and walked out of the room.

The two of them came to an empty place.

"Do you have anything else?" Yan Sihai asked with a frown.

Qin Yu looked at Yan Sihai coldly and said, "Old Mister Yan doesn't have much time left. He can live for another three months at most."

"I hope that during these three months, you don't cause any more trouble. After all, he is your father."

Yan Sihai was stunned, and his brows furrowed slightly.

believe that after old Mister Yan leaves, the Yan family will definitely pass it on to you," Qin Yu said coldly.

in the last three months, do your best to be filial."

.. understand." Yan Sihai nodded.

On the same day, Yan Sihai brought old Mister Yan back to the Yan family, and according to Qin Yu's request, he publicly released a

statement on the media.

After doing all of this, Qin Yu could be considered to have settled one of his worries.

The next day.

Yan Jinyao came to the Heaven Gate and conducted the test.

It had to be said that although Yan Jinyao's cultivation had been crippled, his talent was extremely rare.

It was not an exaggeration to say that after many days of Lu Yun's test, Yan Jinyao was probably the one with the strongest talent, without a doubt.

After a few more days, the 30 spots had been filled up, and the testing was completely over.
