Chapter 1223 Chapter 1,223, the list to kill Qin Yu

“It was reserved?” Qin Yu frowned slightly. Di zun whispered, “Yes, it was because of this that I had no choice but to deceive his array flags.”

“Thank you.” Qin Yu could not help but bow slightly to Di Zun.

As for who reserved the array flags, Qin Yu was not in a hurry to ask.

Without the eight array flags, these few array flags would be useless.

As for whether the entire Earth could find the eight array flags, it was hard to say. In the end, the two of them might choose to cooperate, so there was no need to spend a huge price to negotiate with them now.

“Then where is the Purple Jade Essence Snake?” Qin Yu asked.

Di zun said, “It’s in the island Lord’s Manor. It will be pulled out at eight o’clock every night to let people challenge it.”

“Okay, then there won’t be any problems.” Qin Yu said.

“Old Sir, please take your time to eat. I’ll take my leave first.”

With that, Qin Yu brought Di Zun and turned around to walk out of the small tavern.

After leaving, Di Zun took out the array flag and handed it to Qin Yu.

Qin Yu carefully sized it up. As expected, it was the teleportation array flag of the holy region.

“Thank you, “Qin Yid again.

Di Zun touched his nose and smiled embarrassedly. “Mr. Qin, what did you promise me before?”

Qin Yapped his head and then remembered this matter.

He sized up Di Zun in front of him. Because he didn't have spiritual energy, Qin Yu couldn't see his potential.

But no matter what, Qin Yu had already promised Di Zun. No matter how talented he was, he had to accept this disciple.

“Okay, I promise you.”Qin Yid with a smile.

Di Zun was instantly overjoyed and hurriedly said, “Thank you, Mr. Qin! Oh No, Master!”

It was the first time someone called him master. Qin Yu always felt strange, but he didn't think too much about it. When a person reached a certain level, there would always be someone who would come and take him as a master.

Many times, it was not his choice, but when he reached that position, he would have no choice but to branch out.

“By the way, what's the origin of the Purple Jade origin snake?”Qin Yu asked. Di zun said, “It's said that this purple jade origin snake is a ferocious demon beast that the island Lord got from God knows where.

It's said to be a branch of an ancient strange beast. The island Lord raised it as a pet."

"The purple jade origin snake's entire body is full of poison and incomparably ferocious. Every person who challenged it rushed over like a flock of d, but in the end, they all died at the hands of the Purple Jade origin snake."

Speaking up to this point, Di Zun paused for a moment and said mysteriously, "This purple jade origin snake's entire body is filled with poison. Someone just touched its body and his entire body festered to death! Master, you have to be careful."

Qin Yu touched his chin and muttered, "According to this, we can't touch it at all..." "More or less," said Di Zun. "This is also one of the reasons why it's so difficult."

Besides this qion, Qin Yu had another doubt.

Since the island owner treated the Purple Jade origin snake as his pet, he must have liked it very much.

If he killed it, who knew if the island owner would be angry out of humiliation.

"Forget it, I'll just ignore him," Qin Yu thought.

Since he was the one who issued the public challenge, the purple jade origin snake deserved to die.

If this island owner was really angry out of humiliation, Qin Yu was not afraid at all.

It was not an exaggeration to say that in the current era, Qin Yu was not afraid of anyone.

The island was quite lively. Martial artists were looking for treasures in the underground market, while ordinary wealthy people were looking for fun.

Under the leadership of Di Zun, Qin Yu wandered around the underground market.

In this market, other than bartering, there were also people who were buying and selling other people's lives.

And the price of the assassin was extremely high, at least starting from nine digits.

“Master, not long ago, someone publicly asked for your life, and the conditions were extremely outrageous,” Di Zun suddenly said.

Hearing this, Qin Yu was slightly surprised.

“Who is it?” Qin Yu asked, puzzled.

Di zun said, “I don't know either, but in the end, no one dared to take the order.”

Qin Yu was not surprised. He did not know how many people he had offended over the years, and there were countless enemies in the open and in the dark.

Someone wanted to kill him, so he was used to

it.

“Hey, this is the place.” As they spoke, the two of them arrived in front of a shop.

This shop was a shop that specialized in taking orders from assassins.

The buyer handed the money and information to the shop, and the shop was responsible for making it public, waiting for the assassins to come.

The shop took 10% of the transaction amount, which was considered fair.

The two of them walked into the shop. As soon as they entered, Di Zun pointed at a piece of information on the wall and said, “Master, look, it’s still there!”

Looking Up, as expected, Qin Ymessage was still open on the wall.

As for the conditions, besides money, there were also heavenly and earthly treasures.

Other than some uncommon herbs, there were also beast blood and other items that could not be named.

Qin Yu could not help but touch his chin and muttered, “There are not many people who can offer such conditions...”

“Boss, who is the buyer of this information?” Asked di Zun.

The boss glanced at di zun and said, “Protecting the privacy of the buyer is our basic principle. Don’t you know that?”

Di Zun laughed embarrassedly and didn’t say anything more.

“Why? Do you want to take the order? This order has been hanging here for a long time, and the price is constantly rising,” said the boss.

Qin Yu waved his hand and smiled, “We are not interested. We are just looking around.”

After saying that, Qin Yu pulled Di Zun and prepared to go out.

At this moment, a young man suddenly walked in.

After he entered, he pointed at Qin Yu's message on the wall and said, “I will take this order.”

As soon as he said that, Qin Yu, who had intended to go out, immediately stopped in his tracks.

Chapter 1224 Chapter 1,224, Purple Jade origin snake

God's plan was better than man's.

No one had expected that someone would accept the order that no one had been interested in.

Qin Yu lowered the brim of his hat and turned around, secretly sizing up the person who had accepted the order.

When he saw the person clearly, his expression couldn't help but change slightly.

“Jiang Yi?” Qin Yu was extremely surprised in his heart.

He didn't expect Jiang Yi to appear here and take the list.

“Master, he...”

Di Zun was about to speak but was stopped by Qin Yu.

Jiang Yi didn't stay any longer. After he took the list, he turned around and left.

Because Qin Yu covered his face and there was no spiritual energy fluctuation in his body, he didn't attract Jiang Yi's attention.

After he walked far away, Di Zun couldn't help but ask, “Master, why didn't you teach him a lesson?”

Qin Yu was silent for a moment, then he sighed slightly and said, “I know this person.” “You... Yoow Him?” “Di Zun was even more confused. Qin Yu waved his hand and didn't explain further.

When Jiang Yi left in a bad mood back then, he put all his hatred on Qin Yu.

There was bound to be a huge battle between the two of them, and it was unavoidable.

At this moment, the sky had gradually darkened.

And the Purple Jade origin snake was about to come out of its cage.

Di Zun brought Qin Yu to the vicinity of the island Lord's Manor to register.

There were still quite a number of people who had registered today, a total of eight people.

These eight people were all powerful and possessed unique skills. Only Qin Yu looked rather ordinary.

“Those who have registered, come with me.”

After a short while, a strong man walked out.

Di Zun wanted to follow, but he was mercilessly rejected. He could only buy tickets and sit in the audience seats.

Qin Yu followed behind these people, passing through a long corridor, and finally stopped at the participating seats.

This participating seats were not quite what he had imagined. It was not a cold bench, but rather a banquet.

There was food, drinks, and even entertainment. Everything was available.

There were beautiful women and handsome men. All of these were for the contestants to choose from.

“This is the first time I’ve seen such a participating seat, “Qin Yu could not help but say in surprise.

Hearing this, the person in charge could not help but sneer, “Our Island Lord has a compassionate heart. Before you off on your journey, we naturally have to satisfy you.”

Hearing this, Qin Yu looked at the other contestants and said, “Yoow that you might die today, so why do you participate?”

“Why? Because the conditions are good,” someone said.

“There must be warriors under the heavy money. Isn’t it the same for you?”

Qin Yu wanted to ask what the reward was, but at this moment, cheers came from ode.

Qin Yu, who was not interested in eating, drinking, or having fun, immediately stood up and walked out of the banquet hall.

Standing on the participating seats, Qin Yu could see the tip of the iceberg. In this huge manor, there was an extremely huge snake.

Its body was emitting a surging purple internal Qi, and this internal Qi made it look even more difficult to provoke.

Two fangs shot out from its mouth like long whips, spitting out from time to time.

On the Purple Jade origin snake’s body, there was a golden rope that looked like a collar.

This rope was tightly tied to its neck to prevent the purple jade origin snake from going berserk.

“It’s quite domineering, “Qin Yid sincerely as he looked at the huge purple jade origin snake.

“Hehe, it seems that you are quite cute,”a participant walked out from the side.

This participant had his hands behind his back, looking like a top-notch martial artist. His body emitted a vague internal Qi, making him even more mysterious.

Qin Yiled and said, “This friend seems to be quite confident.”

That participant smiled faintly and said, “My purpose of coming here today is to kill this beast. No one can take it away from me.” “Oh, then I’ll let you go first.”Qin Yiled and said.

That contestant snorted lightly and said, “No matter who goes first, the ending will be the same. You are just cannon fodder.”

Qin Yu didn’t say anything more. He didn’t understand this contestant, nor did he understand the purple jade origin snake, so he couldn’t jump to a conclusion.

However, this contestant’s every move was indeed quite pretentious.

The atmosphere on the stage became increasingly hot, and many people were cheering

Amidst the cheers, the island owner of Deer Emperor Island slowly walked out.

He wore a purple robe and had long hair. His body was tall and straight, and there was a faint smile on his face.

However, in this smile, there was a hidden sharpness that people didn’t dare to ignore.

nd

“He is the island owner?”Qin Yu looked at this man who was full of nobility and said in a low voice.

“That’s right. He’s the island owner, Deer Emperor,’a contestant beside him said.

“It’s said that deer emperor is a person who has lived for thonds of years. He opened Deer Emperor Island because he was tired of the secular life.”

Qin Yzed up deer emperor on the stage and was a little surprised.

When Qin Yu was famous throughout the world, he had never heard of this deer emperor.

It seemed that there were many secrets in this world that no one knew about.

Deer Emperor sat in his exclusive seat. Then, he whispered something to the people around him. The person-in-charge immediately jumped into the air and arrived in front of Qin Yu and the others.

The person-in-charge glanced at Qin Yu and the others. Then, he raised his finger and tapped on everyone’s bodies, as if he was giving them numbers.

“Okay, let’s go on stage in this order,” said the person-in-charge.

Qin Yu counted in his head and found that he was the seventh.

As for the pretentious man from before, he was the second.

“Okay, let’s go on stage.”The person-in-charge waved his hand.

The first-ranked player immediately jumped down from the stage and walked toward the purple jade essence snake.

“Another contestant who died in vain,”the pretentious man said indifferently.

Then, he looked at Qin Yu and the others and said, “You’d thank God for letting you stand behind me.”

Chapter 1225 Chapter 1, 225, the overbearing deer emperor

Hearing the pretentious man’s words, the surrounding people didn’t make a sound.

Looking at his confident appearance, Qin Yu was also somewhat uncertain.

He couldn’t see through this pretentious man’s cultivation level at all, so he naturally couldn’t make a conclusion.

Very soon, the first contestant had already walked up to the stage. His palm slightly shook, and a mist that flickered with divine light condensed in his palm.

A moment later, an ordinary sword landed in his palm.

This sword flickered with seven-colored glazed light, as if it was made of glass from the horizon. It was incomparably beautiful and filled with danger.

He knew that the purple jade origin snake’s entire body was filled with poisonous gas, and it would be injured at any moment, so he did not intend to touch it.

On the stage, deer emperor waved his hand lightly, and the purple jade origin snake seemed to recover its vitality.

Its eyes flickered with an ice-cold black radiance, making people shudder in fear.

“Ha!”

AS

The next second, this contestant roared, and his treasured sword flashed with a long rainbow as it ruthlessly slashed towards the purple jade origin snake! The Purple Jade origin snake didn't move at all, allowing his treasured sword to land on its body. “Chi la...”

The treasured sword slashed across its body, leaving long sparks-like scars!

The treasured sword actually failed to injure it in the slightest. When everyone saw this, they were all astonished!

The pretentious man snorted coldly and said, “Every scale on the purple jade origin snake's body is incomparably hard. Although that treasured sword is sharp, it will still be somewhat difficult to pierce through these scales.”

“Hiss!”

Right at this moment, the purple jade origin snake spat out a mouthful of purple gas that carried an intense toxicity!

The purple gas instantly enveloped the first contestant, and shrill screams came from the purple gas! “Ah!!!”

The purple gas was extremely dense, and no one could clearly see what was happening inside.

Qin Yu was somewhat curious. He activated his desolate God's eye and pierced through the purple gas, heading straight for the inner scene.

He saw that the contestant in the purple gas was festering, and pieces of flesh fell from his body, dripping with blood. It was a tragic sight.

His divine sense wanted to escape from his body, but the moment it left his body, it was drowned by the poisonous gas and disappeared without a trace.

In just ten minutes, the first contestant was defeated.

The audience sighed. Some people were cheering. The atmosphere was very good.

It seemed that no one cared about the disappearance of a life. Everyone was fulfilling their perverted desires.

“As expected.”The pretentious man snorted coldly.

He put his hands behind his back and said indifferently, “Kids, watch carefully. How did the Purple Jade origin snake die in my hands?!”

After saying that, his body shot out explosively. It was own how many times he spun in the air before he finally landed steadily in front of the Purple Jade origin snake.

It had to be said that his actions were extremely gorgeous. Although he was pretentious, it brought the atmosphere to a climax.

The pretentious man looked at the Purple Jade origin snake in front of him and said coldly, “It’s just a beast. A beast is just a beast. It can only be slaughtered by others!”

The purple jade origin snake looked at the pretentious man coldly, as if it didn't know what he was saying.

Everyone was looking at the pretentious man, wanting to see what he had up his sleeves. Even Qin Yu was curious. Could This pretentious man be some hidden top-notch expert?

At this moment, the pretentious man moved.

He flipped his palm and actually took out a divine flute.

This flute seemed to be an amazing magical artifact, and it flickered in his palm.

Then, the pretentious man placed the flute in front of his mouth and started to blow.

A ghostly sound came out from the flute.

This sound seemed to be able to stir one's divine sense and tug at one's heartstrings. It was extremely strange.

At this moment, the purple jade essence snake was also moved. Its originally cold eyes suddenly became somewhat dazed.

"I see." Qin Yu quickly understood.

This flute was most likely used to summon or control demonic beasts. The pretentious man wanted to use this method to subdue the purple jade essence snake.

It had to be said that this was indeed a good method.

Under this leisurely sound, the Purple Jade origin snake seemed to have lost its offensive power.

A trace of viciousness flashed in the pretentious man's eyes. Suddenly, a radiance that was like a disc flickered in his hand as he slashed towards the purple jade origin snake's

neck!

The edge of this radiance flickered with a cold light. It was incomparably sharp and seemed as if it was about to cut through the void!

“Die!”The pretentious man roared furiously and shouted repeatedly! But right at this moment, the purple jade origin snake, who had been at a loss all this time, suddenly recovered its divine sense. Its enormous snake tail lashed out at an extremely fast speed.

Only a “PA”sound could be heard.

Before everyone could react to what had happened, the posturing man was directly drawn out of the blood mist.

And the radiance that shot out from his hand was easily dodged.

When everyone saw this, they were instantly even more shocked!

They had been paying attention to the purple jade origin snake's powerful body and its poison, but they didn't know that the Purple Jade origin snake had extremely fast speed and fierce strength!

Hiss...

For a moment, everyone gasped.

Some of the contestants on the stage even wanted to leave, but they were stopped by the person-in-charge.

“I... I don't want to go up... “the third-ranked contestant said shakily.

“I originally wanted to rely on my speed to kill the purple jade origin snake, but I didn’t expect the purple jade origin snake to be so fast...”

“My strategy has failed. I want to withdraw!” After saying this, the third-ranked contestant turned around and was about to run.

At this moment, a purple light shot over from the highest stage!

The light instantly pierced through the contestant’s head, killing him along with his primordial spirit!

When he raised his head, he saw that the person who had attacked was the island Lord, Lu Huang!

This could not help but cause Qin Yu to feel a chill in his heart.

“This island Lord is indeed a ruthless person.” Qin Yu narrowed his eyes and said in a low voice.

He had killed a martial saint with just a raise of his hand. One could see just how powerful this Lu Huang was.

“Since you have participated, no one is allowed to withdraw from the competition,” Lu Huang said indifferently.

His voice was like thunder, coming from all directions, enough to witness his rich spiritual power.

Chapter 1226 Chapter 1, 226, another person had fallen!

Qin Ygaze was filled with coldness. He could see through the Deer Emperor’s intentions. The reason why he did this was purely to have fun.

It was rumored that he was someone who had lived for more than a thousand years. This kind of person had long lost interest in ordinary pleasures and treated the lives of others like dirt. That was why he would do such a thing, treating life as a joke.

“Fourth contestant, what about you?” The person in charge looked at the fourth person.

The fourth person was dressed in a black robe. His entire body was exuding an aged internal Qi, and he seemed to be extremely extraordinary.

He slowly walked forward and said in a low voice, “Since I’m here, I naturally won’t leave.”

Before he finished speaking, the black robe on his body was instantly shattered, revealing his true appearance! This was a man with a white beard and looked rather old.

When the person in charge saw his face clearly, he could not help but exclaim in surprise, “You Are... Jian Huang?” “What? Jian Huang?”

Upon hearing this title, everyone stood up one after another and looked at the old man.

“It’s really Jian Huang!”

“I didn’t expect Jian Huang to actually come! It’s rumored that his eighteen heaven slashes back then could split mountains and rivers, and its power was endless!”

“Jian Huang is actually interested in this purple jade origin snake too!”

Qin Yu frowned slightly.

Jian Huang? How come he had never heard of him before?

He began to doubt the origin of Deer Emperor Island.

How Come Qin Yu didn't know any of the famous people here?

Jian Huang didn't say anything. With a shake of his feet, he arrived in front of the purple jade origin snake.

He also had a treasure sword in his hand. This sword exuded a rotten aura, which was extremely strange and extraordinary.

“Jian Huang, Jian Huang!”

For a moment, countless people at the scene shouted Jian Huang's name.

Jian Huang was not disturbed at all. With a slight shake of the sword in his hand, a ray of sword light cut through the void and slashed towards the purple jade origin snake! Such speed shocked even Qin Yu!

The great battle was about to start, and Jian Huang lived up to his reputation. He brandished the treasured sword in his hand, leaving countless afterimages in the air.

The afterimages whizzed and struck the scales of the purple jade origin snake, emitting a melodious and pleasant sound.

The purple jade could not withstand Jian Huang's swordsmanship even if it shot far away. White marks appeared on the scales first, and then a piece of it was shattered!

Traces of blood flowed out, and everywhere the blood passed, it instantly decayed.

The blood of the purple jade origin snake actually contained a lethal poison. It was shocking!

“Hiss...”

The Purple Jade origin snake stout its tongue and looked at Jian Huang with its silver eyes. Jian Huang knew that such an attack would not be able to kill the Purple Jade origin snake. Therefore, he no longer wasted his energy. Instead, he prepared to activate his top-tier spell, the eighteen heaven slashes! Jian Huang held his sword with both hands and pointed it at the sky!

In an instant, light gathered on his hands. The light was extremely strange. Auspicious Beasts were galloping! The Divine Dragon and ancient Phoenix could be clearly seen!

Lightning flashed and thunder rumbled in the sky, as if it was summoned by the Sword Emperor. Bolts of lightning fell down and interweaved with his sword.

“Lightning Element?”

Qin Yu was slightly surprised.

The Sword Emperor seemed to have mastered the element of lightning. The eighteen heaven slashes were a perfect combination with the element of lightning.

Everyone was shocked by this sword technique, and everyone was shocked.

Even the Deer Emperor on the stage was impressed and nodded slightly.

“Slash!”

The Sword Emperor roared and pointed his sword at the Purple Jade origin snake!

In an instant, eighteen rays of light interweaved and overlapped. Then, they condensed into a sword and slashed at the Purple Jade origin snake!

The sound of thunder and lightning buzzed and trapped the purple jade origin snake like a cage. Smoke and dust rose in all directions, obscuring one's vision. The entire manor was affected.

However, just as the manor was about to collapse, several rays of light rose from the darkness and stabilized the manor that was about to collapse. "Formation?" Qin Yu was even more shocked when he saw this.

This deer emperor was truly not simple!

Everyone was staring at the center of the explosion as if they wanted to see the results.

As the dust settled, traces of blood seeped out from the ground.

"This... This is the purple jade origin snake's blood!" Someone exclaimed.

As expected, under the eighteen heaven slashes, the Purple Jade origin snake's body was covered in wounds!

If one looked closely, one could see that six scales had fallen off the purple jade origin snake's body!

The scene was completely silent. It was own whether it was because of shock or despair.

The eighteen heaven slashes had something in common with Qin Yabsolute beginning nine slashes. That was that it required a huge amount of spiritual power to support it, and it consumed a huge amount of spiritual power.

Once this technique was used, if one could not kill the enemy, it would mean that one would fall into a passive state, or even a failure. Jian Huang's expression was not too good either. He was still calm just a moment ago, but at this moment, he was panting heavily.

On the other hand, although the purple jade origin snake was riddled with injuries, its internal qi and blood were extremely vigorous. It was not affected at all!

“Buzz!”

At this moment, the purple jade origin snake emitted a terrifying internal Qi. Its entire body was trembling as if the earth was shaking.

In the next second, the fresh blood on the purple jade origin snake's body was like raindrops as it shot through the void towards Jian Huang!

The purple jade origin snake had actually used fresh blood as a means of attack!

Crackling sounds rang out non-stop as drops of fresh blood fell on Jian Huang's body!

The blood burned holes on his body one after another as the blood seeped into his body!

Jian Huang's face turned pale and his body began to fester.

Just as everyone was hesitating, Jian Huang suddenly let out a painful roar!

In just a moment, his body began to rot from the inside out. The scene was too horrible to look at!

In just a few minutes, Jian Huang had turned into a puddle of meat. Then, he directly turned into hot air and disappeared!

Jian Huang had also lost!

This made the fifth and sixth contestants even more desperate. After all, Jian Huang was a famous existence!

Chapter 1227 Chapter 1, 227, ignoring poison?

“Even Jian Huang lost. Do We... Do We Still Have Hope?”The fifth contestant’s face was as dark as water.

“The most important thing is... Jian Huang shattered its body, and its blood contains poison. This undoubtedly increases our difficulty.”The sixth contestant took a deep breath.

The person in charge frowned and said, “Alright, it’s your turn for the fifth contestant.”

The fifth contestant was about to speak when deer emperor suddenly stood up from the high platform and said indifferently, “All of you are here for the reward, but you have also seen the purple jade origin snake’s ability.”

“I’m in a good mood today, so I’ll give all of you a chance. The remaining contestants, if you want to withdraw now, it’s still not too late.”

As soon as these words were said, the fifth contestant immediately heaved a sigh of relief.

Without even thinking, he shouted, “I’m withdrawing!”

“I’m withdrawing too!”The sixth contestant hurriedly followed.

Deer Emperor magnanimously waved his hand and said, “Alright, you can leave now.” Without turning their heads, the two turned around and jumped off the platform.

“I’m withdrawing too.”The eighth contestant, who was ranked behind Qin Yu, also turned around and left after confirming that what Deer Emperor said was true.

Deer emperor smiled and said, “Okay, if you want to quit, quit.”

Seeing that only Qin Yu was left on the stage, Deer Emperor’s eyes fell on Qin Yu. He seemed to be waiting for Qin Yu to speak, but to his surprise, Qin Yu didn’t say a word.

“What? You Don’t want to quit?”Deer Emperor said in surprise.

Qin Yu glanced at him and said, “I don’t want to quit. I’m here to kill the purple jade primordial snake.”

Deer Emperor was stunned. Then, he laughed and said, “Young man, think carefully. Even Jian Huang has lost.”

Qin Yu laughed and said, “Even if he loses, it doesn’t mean that I will lose.”

“Hahahaha!” Deer Emperor could not help but laugh out loud.

The audience could not help but discomfited themselves.

“Who is this kid? He really doesn’t know what’s good for him.”

“Yeah, even Jian Huang lost, and he still doesn’t want to withdraw?”

“A snake swallowing an elephant when its heart is not enough.”

Qin Yu didn’t pay attention to the discomfited of the crowd.

Deer Emperor returned to his seat and sat down. He said indifferently, “Well, since there are still contestants who haven’t withdrawn, let’s continue.”

“It’s your turn,” the person in charge said expressionlessly.

Qin Yu didn’t say anything. He jumped down from the participant stands and arrived in front of purple jade essence snake. Looking at the extremely calm Qin Yu, the audience was once again in an uproar.

“Could it be that this kid has some special method to subdue purple jade essence snake? Otherwise, how could he be so calm?”

“Yeah, there might be a big battle coming up!”

“I’d like to see this kid’s methods.”

For a moment, everyone was filled with anticipation.

Qin Yu raised his head to look at the purple jade origin snake and said, “I don’t want to kill you. I only want your three fangs. What do you think?”

The purple jade origin snake’s eyes revealed an eerie coldness.

Regardless of whether it understood or not, it would not agree to Qin Yreq.

“Sigh, since that’s the case, I can only endure the pain and kill you,” Qin Yid in a low voice. Then, Qin Yu beckoned at the Purple Jade origin snake and said, “Come, I’ll let you make the first move.”

The purple jade origin snake’s black pupils suddenly constricted, and its snake tail suddenly shot toward Qin Yu!

Qin Yew that this purple jade garden snake’s entire body was covered in poison, so he didn’t dare to take it head-on. Instead, he leaped deep and jumped to the side.

The tyrannical physical body naturally brought Qin Yu extremely fast speed.

Just by relying on the speed of his body, Qin Yu had already surpassed the Purple Jade origin snake!

This made the purple jade origin snake quite surprised. It did not seem to believe it. It waved its snake tail again and lashed at Qin Yu!

Qin Yu dodged again and kept jumping in the air.

In the blink of an eye, the purple jade origin snake had lashed out dozens of times, but it could not touch Qin Yu.

“What a fast speed, “Lu Huang on the stage said with slight surprise.

The audience didn't buy it. They cd, “F* ck, what's the point of you hiding all the time!” “Exactly! I thought it would be a big battle, but you jumped up and down like a monkey!” “Hurry up and get off the stage! Don't waste our time!”

Qin Yu was also a little annoyed.

This purple jade origin snake was covered in poison. He didn't dare to touch it.

As a result, Qin Yu was unable to make a move.

“Looks like I still have to use a weapon, “Qin Yu muttered softly.

He thought of Gu Xinghe's iron rod.

That iron rod was indestructible and was the hardest object qin Yu had ever seen.

Compared to that iron rod, the purple jade origin snake's physical body was nothing.

Just as Qin Yu was about to pull out the iron rod, the Purple Jade origin snake suddenly opened its big mouth. The venom brought with it a fishy smell as it shot towards Qin Yu!

Qin Yu did not even think before he dodged again.

However, what Qin Yu did not expect was that the venom actually exploded in the air, turning into mist and directly pouncing onto Qin Ybody!

“Hahahaha!”

Upon seeing this scene, Lu Huang who was on the stage stood up excitedly.

“Although you are fast, you did not expect my purple jade origin snake to have such a move!” Lu Huang could not stop laughing.

“This kid has already been poisoned by the Purple Jade origin snake. It’s over,” said someone below the stage.

“Yeah, as long as he touches the skin of the purple jade origin snake, he will definitely die, let alone the venom.”

“Sigh, this battle is really boring.”

Qin Yu couldn’t help but frown.

He lowered his head to look at his own body. Sure enough, his body was already covered in the venom of the Purple Jade origin snake.

Everyone was staring at Qin Yu, waiting for him to fester.

Even Qin Yu looked at his body with some worry, not knowing what to do for a moment.

But time passed by minute by minute, and in the blink of an eye, several minutes had passed.

The scene of his body festering did not appear in his imagination. The venom had evaporated completely under the sun, but Qin Yu's body was still intact.

Chapter 1228 Chapter 1, 228, I'm Tougher Than You!

This scene undoubtedly shocked everyone!

Even Qin Yu was rather surprised.

He looked at his own body and repeatedly confirmed that, as expected, his body was not affected in the slightest.

"This poison... doesn't seem to be of any use to me," Qin Yu said in a low voice.

Could it be that his chaotic body constitution was immune to the poison?

"It is indeed useless." Qin Yu touched his arm, his body completely unharmed.

"That's easy to say." Qin Yu raised his head to look at the purple jade origin snake, the corners of his mouth curling into a sneer.

The audience below the stage had long been in an uproar!

Since the start of this competition, countless people had died under the poison of the Purple Jade origin snake, but Qin Yu was not affected at all!

"This kid... There's something wrong," the emperor muttered on the stage.

But he wasn't worried because the poison was only one of the purple jade origin snake's tricks. Even if he was immune to the poison, it was impossible to defeat the Purple Jade origin snake.

Not to mention anything else, just the purple jade origin snake's armor-like scales weren't something he could deal with.

Of co, this was only deer emperor's own thoughts.

Qin Yu looked at the Purple Jade origin snake in front of him and gave up on the idea of taking out the iron rod.

"Little Guy, let me play with you properly." Qin Yu grinned.

The next second, Qin Yddenly clenched his fist and shot toward the Purple Jade origin snake!

His divine power was incomparably vast, and with the addition of a few pieces of speed, his fist smashed onto the purple jade origin snake's body in the blink of an eye!

"Clang!"

The loud sound was deafening, and some people's eardrums were even shattered!

"It's useless. "Deer Emperor could not help but shake his head when he saw this.

"The toughness of these scales is comparable to... F* ck!"

Before Deer Emperor could finish his words, his eyes widened!

The scales that were strby Qin Yfist fell down like broken glass!

Not only that, the powerful penetrating force contained in Qin Yunch even caused the flesh beneath the scales to collapse!

“Hiss...”

The Purple Jade origin snake felt the pain and let out a strange cry. Qin Yu landed on the ground. He looked at the Purple Jade origin snake in front of him and sneered, “This is only the beginning. You would enjoy it.”

The purple jade essence snake naturally would not sit still and wait for death. He could see that Qin Yu was not ordinary and immediately swung his snake tail at Qin Yu!

The snake tail was incomparably huge. Wherever it passed, huge rocks would be rolled up, causing the air to vibrate with a buzzing sound!

“Swoosh!”

The snake tail came straight at Qin Yu! However, Qin Yu did not panic at all.

Blue veins popped up on his arms. His hands suddenly stretched out and grabbed the purple jade essence snake’s snake tail!

The vast divine power was clearly displayed. The purple jade origin snake tried to struggle but found that it could not break free!

This caused everyone’s expression to change drastically!

The Purple Jade origin snake had three ultimate moves. One was poison, and it had twenty bodies. The most powerful one was the power of its tail!

But at this moment, the snake's tail was actually grabbed by Qin Yu and could not move at all!

Even Lu Huang, who was on the stage, could no longer maintain his composure. He stood up abruptly and glared at Qin Yu! Qin Yu grabbed the snake's tail and sneered, "Little Fellow, your strength isn't enough!"

With that, Qin Yu exerted strength with both his arms and roared furiously!

He grabbed the snake's tail and forcefully threw the huge body of the purple jade origin snake into the air!

Such power was shocking!

The purple jade origin snake's body fell to the ground, stirring up waves of dust!

Everyone stared at this scene, their jaws almost dropping!

At this moment, Deer Emperor was a little nervous.

He regarded the Purple Jade origin snake as his pet, so he naturally didn't want anyone to defeat it!

"There's still hope, there's still one last move!" Deer Emperor thought crazily in his heart.

Under the dust, the Purple Jade origin snake rose up from the ground.

Its small dark pupils were exuding extreme anger!

"What, are you angry?" Qin Yid with a faint smile.

“Hiss!”

After the Purple Jade origin snake let out a shrill cry, it suddenly shot toward Qin Yu!

It coiled around Qin Yu at an extremely fast speed!

Its huge body made Qin Yu tremble tightly, making him unable to move!

The most powerful strength of a python like this was the power of entanglement!

Not to mention the purple jade origin snake, which had the bloodline of an ancient mutated beast, even an ordinary Python could easily crush a person's bones!

“Success!” On the stage, Lu Huang immediately heaved a sigh of relief when he saw this.

He was very clear about the power of entanglement of the purple jade origin snake. That power was definitely not something that a human could withstand.

Even the body of a mighty figure would be crushed into pieces, let alone this Qin Yu!

Qin Yu, who was entangled in the middle, felt the coldness from the purple jade origin snake's body. This feeling made him feel quite comfortable from the heat.

“Is this the ultimate move?” Qin Yu muttered in a low voice.

The Purple Jade origin snake crazily curled up its body and kept shrinking the space, wanting to completely crush Qin Yu! Qin Yeered and said in a low voice, "I'll just use you to test my body."

The strength of this purple jade origin snake was beyond imagination. It was not an exaggeration to say that it was the strongest strength Qin Yu had ever seen!

It was the most suitable to be used as an experiment!

The Purple Jade origin snake was still crazily coiled its body and quickly shrthe space to the limit.

There was no longer any space left in Qin Ybody. If he continued rolling, the pressure on his abdomen would surge, and he would be the first to explode!

But at this moment, the purple jade origin snake realized that no matter how hard it tried, the space could not shrink any further!

Qin Yu, who was trapped in the middle, was like a piece of metal, extremely hard!

Chapter 1229 Chapter 1229 Slash!

The Purple Jade origin snake was still rolling its body, trying to grind Qin Yu's bones into pieces.

But unfortunately, this move was useless against Qin Yu.

Lu Huang, who was sitting on the stage, had an ugly expression on his face.

He was initially proud of himself, but later on, he slowly turned gloomy like water. He couldn't help but clench his fists.

Qin Yu could clearly see the change in Lu Huang's expression.

He could not help but sneer in his heart.

This made Qin Yu even more determined to kill this purple jade origin snake.

“Look, that kid is not affected by the purple jade origin snake at all!”

“Is this kid's body made of steel? It's actually so terrifying!”

“Steel? His body is probably much stronger than steel!”

Many people stood up and looked at Qin Yu with anticipation.

At this moment, Qin Yu was not affected at all.

Even he himself did not know how terrifying Qin Yu's body was!

The purple jade origin snake saw that this method was not effective and immediately changed its train of thought.

Its originally smooth body suddenly had scales standing up!

Each scale was like a sharp blade standing up, flashing with a cold light!
It rolled its body again, wanting to use the scales on its body to tear Qin Yu apart alive!

“Chi La Chi la...”

The rolling of its body brought about the crazy friction of the scales.
Ear-piercing sounds kept ringing out, and sparks flew everywhere.

White marks were drawn on Qin Yu's body one after another.

He lowered his head and looked at the scales that were sliding on his body. He couldn't help but sneer, "Do you think these scales can pierce through my body? Little Fellow, I'm tired of playing with them. It's time to end this."

As soon as he finished speaking, Qin Yu's body emitted an extreme killing intent!

As a demonic beast, the purple jade origin snake was extremely sensitive to killing intent.

When it sensed the coldness emanating from Qin Yu's body, its pupils suddenly constricted!

Its innate sensitivity to danger made it even more afraid!

But at this moment, it was naturally too late to stop.

Qin Yu suddenly stretched out his hand and grabbed the scale!

Following his furious roar, divine power surged out from his arms!

In the next second, the purple jade origin snake's scales were forcefully pulled out by Qin Yu!

"Puchi!"

The scales that penetrated deep into the flesh were pulled out, and blood instantly soared into the sky!

The purple jade origin snake's mouth let out a shrill cry!

Its body, which was tightly wrapped around Qin Yu, also relaxed at this moment.

Qin Yu landed steadily on the ground. He raised his head to look at the purple jade origin snake and said coldly, “Although the instigator of all this is your master, you are the one who killed people. You have killed so many people. Using your life to exchange for it is not a loss, right?” The purple jade origin snake seemed to have understood Qin Yu’s words. Its dark eyes emitted a look of fear! The Invincible Purple Jade origin snake actually wanted to escape at this moment! However, how could Qin Yu give him the chance? He immediately stood up and clenched his fists tightly. Vast divine power drove his fists and smashed towards the Purple Jade origin snake’s huge head with a crushing force! This punch did not have any flowery brilliance, it was purely the power of the physical body! However, it was this ordinary punch that caused the purple jade origin snake to be incomparably terrified!

It wanted to rely on its own speed to escape, but Qin Yu was one step ahead of it.

“Boom!”

The seemingly small punch exploded with an extremely powerful force!

This punch seemed to be able to cause even the heavens and earth to be unable to withstand it. The entire deer emperor island was shaking slightly, and the formation was rapidly flickering with light, protecting this island with great difficulty. Under this punch, the Purple Jade origin snake’s enormous body was directly sent flying, and a large crater was smashed into its head!

Seeing this scene, everyone sucked in a breath of cold air!

Was the purple jade origin snake going to die today! This was simply unbelievable!

On the high platform, the emperor slammed the table and stood up, staring at Qin Yu!

The purple jade origin snake's body smashed through countless mountains before it stabilized itself.

Fortunately, there weren't any buildings around, or else it would have turned into ruins in an instant.

The purple jade origin snake's instinct drove it to once again raise its tall head.

However, its body had already begun to become unstable. Its huge head swayed in the air, swaying on the verge of collapsing.

"It's actually not dead?" Qin Yu was rather surprised.

"Then let's give it another punch." The divine power on Qin Yu's body surged once more.

Realizing that its death was imminent, the purple jade origin snake also became somewhat crazy. It no longer fled, but instead turned around and shot explosively towards Qin Yu.

It flew all the way into the air and then opened its huge mouth. With a powerful suction force, it instantly pounced towards Qin Yu.

This force was incomparably powerful. The huge rocks on the ground all surged towards the high sky, and a level of the ground was forcefully pulled up!

Countless people present could not control their bodies, and their bodies could not help but rush towards the high sky.

For a moment, the manor was filled with screams!

Qin Yu frowned slightly. He snorted lightly and immediately relaxed his body, allowing the purple jade origin snake to swallow him into its mouth!

Looking at Qin Yu who was swallowed, Lu Huang immediately shouted excitedly, "Good! Well Done!"

However, he was happy for less than half a second before his face fell.

He saw the purple jade origin snake that had just closed its mouth open at this moment.

With a glance, Qin Yu propped up the purple jade origin snake's mouth with one arm. No matter how hard it tried, it could not close its mouth!

"I just happened to want to pull out your teeth. You did me a favor," Qin Yu said with a cold smile.

The purple jade origin snake's mouth was full of sharp teeth, but these teeth could not pierce through Qin Yu's body!

He reached out with one hand and grabbed the purple jade origin snake's mouth. Then, he exerted force and forcefully pulled it out!

The purple jade origin snake that was in pain immediately wailed incessantly!

Chapter 1230 Chapter 1, 230, the enraged Deer Emperor

Deer Emperor Island was extremely restless that day.

Almost everyone heard the purple jade origin snake's mournful and pained cry.

“Quickly go to the island Lord's Manor. I heard that someone is going to kill the purple jade origin snake today!” “Who is so powerful? To actually be able to kill the Purple Jade origin snake?”

“It's said that it's a kid called Qin Yu!”

The old man who was walking leisurely at the side heard this and his pupils suddenly trembled.

He hurriedly pulled the passerby and asked anxiously, “What's the name of the Kid You're talking about?”

“Qin Yu! Hurry up and let me go. If it's too late, I won't be able to see!”

The old man couldn't help but be stunned.

“That kid... really wants to kill the Purple Jade Essence Snake?”

This old man was none other than the old man who had made a deal with Qin Yu.

He did not dare to think too much and hurriedly rushed to the island Lord's Manor.

In the manor, three of the purple jade origin snake's fangs had already been pulled out.

The Purple Jade origin snake was in pain and desperately spat Qin Yu Out.

With the fangs in hand, Qin Yu had no need to stay any longer and immediately jumped out of his mouth.

Qin Yu looked up at the purple jade origin snake and sneered, "Alright, it's time to end this."

Qin Yu clenched his fist. All the power in his body seemed to be concentrated on a single point of his fist.

Although Qin Yu didn't have any spiritual power in his body, he also knew the techniques of body refining.

All the power was gathered on this fist. Everyone knew that the purple jade origin snake would have a hard time surviving this fist.

On the high platform, Lu Huang suddenly stood up and looked coldly at Qin Yu.

His body was emitting an intense killing intent. This killing intent was aimed directly at Qin Yu.

Even though he didn't say anything, this killing intent was shocking.

Qin Yu glanced at Lu Huang and couldn't help but laugh coldly.

Lu Huang was clearly using this method to warn or threaten Qin Yu to stop.

"Idiot." Qin Yu sneered. Then, he shot out with his feet toward the purple jade origin snake!

"Stop!"

Seeing that his threat was useless, Lu Huang was furious!

He suddenly roared, and his voice contained powerful spiritual power!

This power interweaved in front of Qin Yu and formed a huge net, trying to block Qin Yu's Path!

However, how could such a method stop Qin Yu's footsteps!

His fist directly pierced through the huge net made of spirit energy and headed straight for the Purple Jade origin snake!

The purple jade origin snake's pupils dilated and it was incomparably terrified. It froze on the spot and didn't even know how to escape!

“Courting Death!”

On the high platform, Lu Huang was extremely furious. He wanted to help, but it was too late!

“Bang!”

This punch landed firmly on the purple jade origin snake's head.

Its huge head exploded.

Fresh blood sprayed into the sky before evaporating under the scorching heat from Qin Yu's body.

“Boom!”

The purple jade origin snake's body fell to the ground, unable to stand up again.

At this moment, Lu Huang had already rushed in front of Qin Yu.

He first glanced at the purple jade origin snake on the ground before looking coldly at Qin Yu.

“I told you to stop, didn’t you hear me?” Deer Emperor asked coldly.

Qin Yu sneered, “You told me to stop, and I have to stop? What are you?” “How dare you! How dare you talk to Deer Emperor Like That!” A follower shouted at the side.

Qin Yu looked at him coldly and said, “Who are you? Do you have the right to speak? If you want to vent your anger on your master, why don’t you take a step forward and fight with me?”

The follower opened his mouth and didn’t dare to say anything more.

Deer Emperor’s face was as dark as water. He looked at Qin Yu coldly and said, “Don’t you know that I’m the Master of this island?”

“Who you love has nothing to do with me?” Qin Yu sneered.

“What? You initiated this competition and now you can’t afford to lose?”

Deer Emperor suppressed his anger and said, “Purple Jade Essence Snake has already lost. Why do you have to kill them?”

“Don’t stand here and fart. The players who wanted to withdraw from the competition also admitted defeat. Why did you kill them?” Qin Yu said coldly.

“The purple jade origin snake has killed so many people, but you didn’t even fart. Now that I have taken your pet, you are going to jump up and down?” “What? Only the state officials are allowed to set fire, but the people are not allowed to light lamps?”

These few words left the deer emperor speechless.

And the surrounding crowd widened their eyes.

“Who is this kid? How dare he speak to the deer emperor like that?”

“Oh my God, the Deer Emperor is probably going to be angry!”

“The person who provoked the deer emperor last time seems to have died a terrible death!”

Everyone couldn't help but break out in cold sweat for Qin Yu, and their hearts were filled with terror.

Deer Emperor narrowed his eyes and sized up Qin Yu. He sneered and said, “You are trying to reason with me, aren't you? Then do you know that the rules of Deer Emperor Island are all set by me?” “Is that so? Then I will destroy your rules today!” Qin Yu said coldly. Their eyes met, and the atmosphere was extremely tense.

At this moment, Deer Emperor suddenly stretched out his palm, and the chain tied to the neck of the Purple Jade origin snake returned to his hand.

“Very well, since you killed the purple jade origin snake, then you will take his place.” Deer Emperor said coldly.

Chapter 1231 Chapter 1,231, background

Deer Emperor held the chain in his hand and actually wanted to turn Qin Yu into a substitute for the Purple Jade origin snake!

These words were extremely overbearing and made people's hearts tremble!

Qin Yu sneered, “That will depend on whether you have the ability or not.”

“Looks like you want to experience it.” Deer Emperor narrowed his eyes. At this moment, with a flip of his palm, the chain actually disappeared!

In the next second, before Qin Yu could react, the chain suddenly appeared on Qin Yu’s body!

“HMM?” Qin Yu frowned slightly.

He did not see how the chain came to his body. “What kind of method is this?” Qin Yu whispered. Not far away, deer emperor could not help but sneer, “This object is called the coiling dragon lock. Once you are bound, all your strength will disappear. Without my command, you will only become a cripple.”

“Now, you can only serve me and replace the Purple Jade origin snake!”

Qin Yu narrowed his eyes and sneered, “Do you really think I am that Beast?”

Lu Huang opened his mouth and just as he was about to speak, he saw Qin Yu’s body suddenly shake, and the coiling dragon lock that was tied to his body was instantly shattered!

“That’s it?” Qin Yu sneered.

Lu Huang’s expression was somewhat ugly. He looked coldly at Qin Yu and said, “Who exactly are you?”

“I am who I am,” Qin Yu said coldly.

At this moment, the Deer Emperor had already seen that Qin Yu was extraordinary, and he began to feel apprehensive in his heart.

Although he had a powerful spell, he did not want to make enemies everywhere to avoid attracting unnecessary trouble. At this moment, a man dressed in tight clothes hurriedly ran over.

He lay beside the deer emperor and said in a low voice, “Lord Deer Emperor, we have found out.”

“Speak,” Lu Huang said in a low voice.

That kid hurriedly said, “This person’s name is Qin Yu. He is the sect master of the Heaven Gate and has an outstanding record.”

After saying that, he told Lu Huang about Qin Yu’s background.

After listening to it, Lu Huang could not help but be shocked.

He glanced at Qin Yu and said in a low voice, “No wonder he has such ability.”

“That’s right. This person was also known as the number one person in the world,” the kid next to him continued.

“Previously, it was rumored that he went to the holy region, but for some reason, he suddenly appeared on Deer Emperor Island.”

Deer Emperor remained silent, his eyes flickering.

Offending such a powerful opponent was not what he wanted to see.

After weighing the pros and cons, Deer Emperor once again walked in front of Qin Yu.

He smiled faintly and said, “So it’s little friend Qin. Sorry for not respecting you.” Qin Yu narrowed his eyes and sneered, “What do you mean by this?”

Lu Huang laughed out loud and said, “It was just a little misunderstanding just now. I hope little friend Qin doesn’t take it to heart.”

“Oh? I killed your purple jade origin snake. Don’t you plan to take revenge?” Qin Yu’s tone was somewhat mocking.

Deer Emperor waved his hand and said, “It’s just a beast. After the death of a purple jade origin snake, it’s worth it to get a friend like you!”

Hearing Deer Emperor’s words, everyone was shocked!

Not only did deer emperor not care, but he wanted to become friends with this kid? “What’s the background of this kid?”

“I don’t know, but looking at his strength, his background shouldn’t be weak.”

“To the deer emperor, what he likes the most is to befriend the strong and trample on the weak.”

Qin Yu looked coldly at the deer emperor in front of him and couldn’t help but snicker, “Friend? When did I become friends with you?”

These words were undoubtedly a fierce slap on the Deer Emperor’s face!

As expected, the Deer Emperor's expression became a little ugly.

He suppressed the anger in his heart and continued to laugh, "Little Friend Qin, it's just a little misunderstanding between you and me. Now that the misunderstanding has been resolved, why do we need to continue to bicker?"

Qin Yu shook his head and said, "Different paths lead to different strategies. I don't like your style of doing things. It's already good enough that we don't make enemies. As for becoming friends, I think we should just forget about it."

"Kid, don't be so Shameless!" The person next to him shouted.

Before Qin Yu could speak, Lu Huang turned around and gave him a slap. He berated, "There's no place for you to speak here! Quickly apologize to little friend Qin!"

Although the people around Lu Huang were unwilling, they still bowed to Qin Yu and apologized.

In Lu Huang's eyes, all of this was already giving Qin Yu enough face.

But little did he know that the more he acted like this, the more Qin Yu looked down on him.

Even his own friend was treated like this, let alone other people?

"Lu Huang, I've already said that we can't be friends," Qin Yu said coldly.

“If you don’t come to find trouble with me, I Won’t touch your brow. If you feel that you can’t swallow this, I’ll accompany you anytime,”Qin Yu said coldly.

After saying this, Qin Yu put away the purple jade origin snake’s fangs and turned around to leave.

Emperor Lu narrowed his eyes and stared at Qin Yu.

Although he was extremely unhappy, he didn’t stop Qin Yu from leaving.

“Lord Lu Huang, are you going to let him go just like that?”Someone beside him whispered.

“That’s right. In front of so many people, he did not show you any mercy at all. Are you going to let him go just like that?”

Lu Huang did not say a word. No one knew what he was thinking.

A moment later, Lu Huang said in a deep voice, “This kid is not simple. His future is limitless. No matter what, we have to take him under our wing!”

“Ah?”The people around could not help but be stunned.

This Qin Yu had slapped Lu Huang’s face in public. Not only did Lu Huang not care, but he was determined to make friends with him?

“Lord Lu Huang, this kid obviously doesn’t want to make friends with you.”The people around frowned.

Lu huang sneered, “If you can’t use force, then use force. I don’t believe that he is made of

stone!”

Under everyone’s watchful eyes, Qin Yu turned around and walked out of the huge manor.

The surrounding people couldn’t help but swallow their saliva, as if they couldn’t believe that this scene was real.

As soon as he walked out of the manor, Di Zun ran up excitedly. “Master, you are too awesome!” Di Zun gave Qin Yu a thumbs up. Qin Yu smiled and said, “Killing a purple jade origin snake is considered awesome?”

“No, no, no. Killing a purple jade origin snake is nothing.” Di Zun shook his head.

“It’s nothing even if you don’t give face to the deer emperor in public.”

This made Qin Yu somewhat surprised.

He stopped and said, “Then what are you referring to?”

Chapter 1232 Chapter 1232, the Bottomless Abyss

Di zun said, “Compared to you beheading the purple jade origin snake, I admire you more for being able to persevere in your heart at this time.”

Qin Yu did not say anything, indicating for Di Zun to continue.

Di zun sighed, “Under such a situation, most people would choose to compromise. It’s either for the sake of huge benefits, or because they can’t save face, or because of other reasons. They either change their inner thoughts, or they don’t follow their inner thoughts.”

Qin Yu was a little surprised after hearing it.

He really didn't expect that Di Zun would have so many thoughts in his head.

“Looks like you have quite the comprehension ability, kid,” Qin Yu said half-jokingly and half-seriously.

Di Zun touched his nose and smiled embarrassedly, “It's just a little bit of my comprehension.” Qin Yu patted his shoulder. Because there was no spiritual power, Qin Yu couldn't see Di Zun's talent.

They left the manor and found a place to sit down.

“Master, you have pulled out the three fangs. Should we go find that old man?” Di Zun asked.

Qin Yu took a sip of tea and waved his hand. “No need. He will come to find me.”

Before he finished his words, there was a knock on the door.

“Look, he is already here,” Qin Yu said with a smile.

Di Zun did not say anything. He quickly walked over and opened the door.

As expected, the person standing outside the door was the old man.

He walked in with an embarrassed smile and then sat opposite Qin Yu.

“I didn't expect Mr. Qin to have such ability! I really admire you!” The old man cupped his hands and said.

Qin Yu smiled and said, “You’re too polite, old man.”

Then, Qin Yu poured him a cup of tea.

This immediately made him feel overwhelmed by the favor, and his face was full of fear.

Then, Qin Yu took out the three tusks from the spatial artifact and handed them to the old man.

“Old sir, these are the tusks you want,” Qin Yu said.

The old man immediately felt a little embarrassed. He smiled and said, “Speaking of which, I’m a little embarrassed to take them. How about... I only take one?”

“Take it. This is what I promised you,” said Qin Yu.

Seeing this, the old man no longer hesitated and immediately put the three tusks into his bag. “Thank you very much.” The old man cupped his hands to Qin Yu.

At this moment, there was a knock on the door again.

When the door opened, they found two men in tight clothes.

They held a huge treasure chest in their hands and walked all the way to Qin Yu.

“Who are you?” Di Zun frowned and asked.

The two people cupped their hands and said, “Mr. Qin, this is the skin of the purple jade origin snake. Lord Lu Huang ordered us to send it over.”

“Lord Lu Huang said that this was beheaded by you. Naturally, it should be given to you.”

“This item is indestructible. Please accept it, Mr. Qin.”

After saying this, the two people left in a hurry.

A moment later, another person came up to the door.

“Mr. Qin, this is the blood of the Purple Jade origin snake. Lord Deer Emperor has personally processed it. This is a high-quality medicinal lure. Please accept it, Mr. Qin.”

“Mr. Qin, this is...”

In a short instant, deer emperor sent a large number of treasures over.

Each of these treasures was very valuable. In addition to the purple jade origin snake, there were also many spiritual artifacts and natural treasures.

Qin Yu couldn't help but frown. He didn't expect that the Deer Emperor would be so stubborn.

“Go back and tell the deer emperor not to send any more things. If he really wants to send them, send him the array flags,” Qin Yu said half-jokingly and half-seriously.

“Yes, Mr. Qin. We will tell him the truth.”

The two of them returned to the Deer Emperor's castle and told the deer emperor this.

“Formation flags ? Formation flags heading to the Holy Region ?” Deer Emperor couldn’t help but frown.

“We don’t know either. He only told us to ask for formation flags.”

Deer Emperor said in a low voice, “These formation flags aren’t easy to find...”

“It’s hard to say how many formation flags there are in the world. He’s obviously deliberately making things difficult for you, or finding an excuse to reject your good intentions.” An old man walked up and said.

Deer Emperor’s face was as dark as water. He took a sip of tea and said, “It seems that this kid is determined not to befriend me.”

“Deer Emperor, I have an idea.” At this moment, someone walked up and said.

Deer Emperor glanced at him and said coldly, “Speak.”

The old man said coldly, “The bottomless abyss on Deer Emperor Island might be suitable for him.”

“Bottomless Abyss ?” Deer Emperor’s expression changed slightly. He seemed to be quite afraid of this bottomless abyss.

“That’s right.” The old man nodded and said.

“It is said that this bottomless abyss is connected to a certain world and is full of dangers. If he can walk out of it safe and sound, then he must be able to obtain something. If he can’t, then dying is not a bad choice.”

The Deer Emperor kept silent.

He did not know much about this bottomless abyss. He only knew that the bottomless abyss was unfathomable, and there would be strange sounds coming from time to time. Other than that, treasures were often born in the bottomless abyss. Even the Purple Jade origin snake had walked out of the bottomless abyss.

After hesitating for a while, the deer emperor took a deep breath, then patted the table and said, "Alright, I'll do as you say!"

"Yes, I'll go ask him now," the old man said quickly. "No." The Deer Emperor stopped him. He slowly stood up and said, "I'll go myself."

Chapter 1233 Chapter 1, 233, a strange bottomless abyss

Qin Yu was staying in a hotel on Deer Emperor Island. He looked at the treasures placed in front of him and couldn't help but sigh in his heart.

"What does this deer emperor want to do?" Qin Yu rubbed his forehead, feeling a headache. Di zun said, "This deer emperor is a standard person who steps on the ground and climbs up. As long as he has the strength, he wants to rope in his own lineup."

"It is precisely because of this that deer emperor island has been able to endure for so long."

Qin Yu suddenly realized that this was a pretty good method.

If anything happened to Deer Emperor Island's experts, they only needed to wave their arms and there would be reinforcements.

Of course, Deer Emperor wasn't the first to do this. In fact, many top aristocratic families and sects would do the same thing.

For example, the guest elders were powerful external helpers.

At this moment, there was another knock on the door.

After the door opened, deer emperor walked in with steady steps.

“Little Friend Qin.” As soon as Deer Emperor entered the door, he greeted Qin Yu with a smile.

Qin Yu nodded slightly, and then went straight to the point, “Mr. Deer, did you find the array flag?”

“Hahaha, I didn’t.” Lu Huang waved his hand.

“Although I don’t have the formation flag, I think you’ll be interested in what I have.”

Qin Yu looked Lu Huang up and down and said with a smile, “I only want to step into the Holy Region now. Apart from the formation flag, I really don’t know anything that can interest me.”

Lu Huang was not in a hurry. He smiled and said, “Little Friend Qin, why don’t you follow me to take a look?”

Qin Yu thought for a moment. After all, he had nothing to lose.

Moreover, he was not afraid of what Lu Huang would do. In the current era, Qin Yu was not afraid of anyone.

Therefore, he stood up and said, “Okay, then I’ll go with you.”

Lu Huang's eyes flashed with joy. He immediately stood up and led the way, leaving the hotel.

After getting into Deer Emperor's car, the two of them rushed into his castle. On the way, deer emperor said, "Young friend Qin, you have such abilities at such a young age. It's really shocking."

Qin Yu did not want to waste time with him and said bluntly, "Deer Emperor, I will soon head to the Holy Region. I Can't stay here for too long. It's meaningless for you to waste your time on me."

Deer Emperor looked at Qin Yu and said indifferently, "It's a golden era now. This is news that almost everyone knows. Little Friend Qin, do you really think that under the background of the golden era, Earth can stay out of trouble?"

Qin Yu was stunned. He looked at Deer Emperor in surprise.

It had to be said that Qin Yu had indeed thought about this question raised by Deer Emperor, but he did not think too much about it.

However, after being reminded by the Deer Emperor recently, Qin Yu also had a strong feeling

That's right. Throughout history, every golden age would give birth to countless talents.

They had the ability to fly through the sky and the Earth. They could cross the galaxy and travel through the void. It was not an exaggeration to say that almost nothing could stop their footsteps.

And earth was an ancient star.

This ancient star seemed to have been completely explored, but in fact, different realms saw different worlds.

Perhaps what Qin Yu and the others saw was only the surface of Earth's resources.

At that time, there would definitely be top experts stepping into earth.

"I'm not investing in the present, but in the future," Lu Huang said faintly.

Qin Yu glanced at Lu Huang and said, "It seems that you haven't lived in vain for more than a thousand years."

His words were somewhat offensive, but Lu Huang still didn't care.

He laughed and said, "More than a thousand years have long allowed me to see through everything in the world."

As they spoke, the two of them had already arrived at the castle.

Lu Huang personally opened the carriage door for Qin Yu and brought him into the castle.

Because Qin Yu didn't have any spiritual power, he couldn't sense how many experts were around deer emperor, nor could he sense what treasures were hidden in the castle.

He followed behind Deer Emperor, passing through the castle and arriving at an isolated island behind him.

This place was like a different world.

It was only separated by a wall, but it was completely different.

Outside, it was a bustling city; inside, it was desolate and deserted.

Deer Emperor led Qin Yu and continued to move forward.

The two of them walked for several kilometers. Soon, Qin Yu saw a huge pitch-black pit in the distance.

This pit was pure black. At a glance, it looked like a black hole.

There was a deathly stillness in it. There were no fluctuations of internal Qi. It was as if this place was nothing.

Lu Huang brought Qin Yu to the pit and stopped in front of it. He pointed at the huge pit and said, “This is the greatest treasure I have. I have named it the Bottomless Abyss.”

Staring at the Bottomless Abyss, Qin Yu’s eyes were filled with shock.

This was different from anything he had ever seen. It was as if after stepping into this black hole, one would disappear into nothingness, or rather, turn into nothingness.

The feeling of shock from the bottom of one’s heart was indescribable. It surpassed all the Sacred Feelings Qin Yu felt! Just looking at this black hole made one feel breathless!

“What exactly is this bottomless abyss?” Qin Yu raised his head and looked at Deer Emperor.

Deer Emperor shook his head and said, “From the moment I came to Deer Emperor Island, the bottomless Abyss has already existed. And in this abyss, there will occasionally appear some rare treasures in the world.”

“For example, the Purple Jade origin snake that you killed came from this bottomless abyss.”

“And the coiling dragon lock that was shattered by you also came from the Bottomless Abyss.”

Deer Emperor paused for a moment and then said with some emotion, “The purple jade origin snake has the bloodline of the ancient fierce beasts, and the coiling dragon lock is also not a product of this era.”

Chapter 1234 Chapter 1,234, the endangered old Mister Yan

Qin Yu’s expression changed slightly, and he said in a low voice, “You mean... this bottomless abyss is related to the ancient times?”

“That’s right, I did have such suspicions,” Deer Emperor said. “I don’t want to hide it from you. Before this, I had publicly selected volunteers to step into this bottomless abyss.”

“However, everyone who stepped into it did not come out. In fact, the moment they stepped into it, their internal Qi mysteriously disappeared.”

Qin Yu frowned. With his current knowledge, he had no way of knowing the origin of the bottomless abyss.

Could it be that this place was connected to another world? Or could it be that this was a passage similar to a teleportation formation?

“Although this bottomless abyss is strange and unpredictable, it has indeed brought me many treasures,” Deer Emperor said indifferently with his hands behind his back.

“Little Friend Qin, no one knows what treasures are hidden in this bottomless abyss, but I firmly believe that the treasures inside are definitely not inferior to those in the Holy Region.”

Qin Yu glanced at deer emperor and said, “Could it be that you want me to jump in to search for treasures?”

Deer emperor laughed and said, “I’m only telling you about the existence of the bottomless abyss. As for what you choose, that’s up to you. After all... risks and opportunities coexist.”

Qin Yu was also a bit conflicted.

Deer Emperor took out a few treasures. These treasures all emitted an extremely ancient aura. The internal Qi of these treasures was extremely ancient.

Although Qin Yu’s ability was unable to discern the origin of these treasures, the ancient aura of these treasures could indicate that they were extraordinary. And all of this came from the bottomless abyss. This could indeed prove the mystery of the bottomless abyss.

“Little friend Qin, I have never told outsiders the secret of the bottomless abyss, “deer emperor said, intentionally or unintentionally. Qin Yu looked at Deer Emperor and nodded. “This place is indeed quite mysterious, and it is very likely to contain unimaginable treasures. It’s just that... the risk is too great.”

Now was the crucial moment to set foot into the holy region. Qin Yu had waited for so long and was about to set foot into the holy region to meet Yan Ruoxue. It was really not worth taking such a risk at this time.

Deer Emperor nodded slightly and said, "That's fine too. But please keep it a secret for the bottomless abyss, Little Friend Qin."

"Of course." Qin Yu nodded and agreed.

"Alright. In that case, little friend Qin, why don't you follow me to the hall for a chat?" Deer Emperor stretched out his hand and said.

Although Qin Yu didn't want to be friends with deer emperor, this deer emperor had indeed given Qin Yu a great deal of face.

As the saying goes, one shouldn't hit a smiling face with one's hand, so Qin Yu couldn't go too far, so he nodded and agreed.

The two of them came to Deer Emperor's hall, and Deer Emperor sent someone to brew a pot of tea.

This tea was not simple, and it contained powerful spiritual Qi.

One mouthful of it was refreshing.

Although this tea could not be compared to the Enlightenment tea, it was far superior to ordinary herbs! "This tea also comes from the bottomless abyss. Bring some with you when you leave later," Deer Emperor said with a smile.

Qin Yu put down the teacup and sighed, "As the saying goes, one has to rely on mountains and rivers to survive. You can rely on this bottomless abyss to develop a top-tier sect."

"That's right!" Deer Emperor nodded.

“At the same time, I’m also worried. I’m afraid that one day someone will snatch the bottomless abyss away. This is also why I must rope you in.”

Qin Yu was silent. This bottomless abyss had brought so many treasures to deer emperor. No wonder he was nervous.

“You told me about the bottomless abyss. Aren’t you afraid that I’ll kill you and take it for myself?” Qin Yu questioned coldly.

Deer Emperor waved his hand and said, “I don’t believe you will do that, because it won’t do you any good.”

“I have already shared the bottomless abyss with you. Why do you need to waste your energy to kill me?”

Qin Yu couldn’t help but laugh.

Deer Emperor’s train of thought was quite clear. No wonder he could stay in Deer Emperor Island for so many years.

“Okay.” Since they had already talked about this, Qin Yu couldn’t refuse anymore.

“I can only tell you that if there is a chance in the future, I will help you.”

Lu Huang smiled and said, “Your words are enough.”

Qin Yu stood up and was about to leave when he suddenly thought of something.

“I am not sure. You have put in so much effort, but you and I still have not become friends. Is there a point in doing this?” Qin Yu frowned and said.

Deer Emperor took a sip of tea and said indifferently, “At least we’re not enemies. This is a positive and a negative. It means a lot to me.”

Qin Yu nodded slightly and said, “Okay, see you in the future.” The two of them were in different situations, so their thoughts were definitely different. Therefore, they were destined not to be friends.

Comparatively, Qin Yu preferred people like Chang Mang. After turning around and walking out of the castle, Qin Yu returned to the hotel. Seeing Qin Yu return, Di Zun ran up and said, “Master, that Deer Emperor didn’t make things difficult for you, right?”

Qin Yu shook his head and then said, “He gave me a lot of inspiration.”

“Ah?” Di Zun scratched his head, as if he didn’t quite understand.

Qin Yu didn’t explain to Di Zun.

That bottomless abyss gave Qin Yu endless reveries, letting him know that the world was definitely not what it looked like now.

Just how many secrets were still hidden on this ancient star, and it still needed to be developed.

At this moment, Qin Yu’s phone suddenly rang.

Picking up the phone, he saw that it was an unfamiliar number from Jingdu.

Qin Yu frowned slightly. With suspicion, he picked up the phone.

As soon as the call was connected, he heard the deep voice of a middle-aged man from the other end.

This person was none other than Yan Ruoxue's father, Yan Yongxiu.

He said in a somewhat sorrowful tone on the phone, "Qin Yu, my father is..."

"HMM? What happened to old Mister Yan?" Qin Yu suddenly had a bad feeling in his heart.

Yan Yongxiu said in a deep voice, "My father is..."

"Damn it, it's so hard to say a word! He's already dead by the time you're Done!" At this moment, the phone was snatched by Yan Sihai.

He said on the phone, "Qin Yu, my father is about to die. If you want to see him one last time, come to the Yan family's manor." After saying this, Yan Sihai directly hung up the phone.

Chapter 1235 Chapter 1,235, Ruoxue, will you come back

Listening to the beeping on the other end of the phone, Qin Yu's heart was filled with mixed feelings.

He was not too surprised. Old Mister Yan was about to die, but he did not expect it to be so soon.

"A person's life is too short. To an ordinary person, it is just a few decades in a hurry." Qin Yu sighed slightly.

Towards old Mister Yan, his feelings were extremely complicated.

As the saying goes, love the house and the Crow. No matter how much Qin Yu loved Yan Ruoxue, he would love her family.

Moreover, when Qin Yu had just started his cultivation journey, Old Mister Yan had also given Qin Yu a lot of help. "Return to the Yan country." Qin Yu stood up and said in a cold pyro. Old Mister Yan's time was approaching and he probably would not be able to hold on for too long. Hence, Qin Yu did not dare to waste a single second.

On the same day, Qin Yu rushed back to Jingdu from Luhuang Island.

Yan family manor.

It was an extremely lively day.

Many luxury cars were parked at the entrance. Most of the important people in Jingdu had already arrived.

They surrounded the hall as if they were waiting for old Mister Yan's funeral.

Seeing Qin Yu Walk in, everyone in the hall stood up one after another.

The way they looked at Qin Yu was extremely strange. There was worry and fear in their eyes. There was even a hint of fear in the depths of some people's eyes.

Among them was none other than Yan Sihai.

He slowly stood up and gestured for everyone to sit down.

As for himself, he walked in front of Qin Yu.

“You came quite quickly.” There was no emotion in Yan Sihai’s voice.

Qin Yu said with a faint smile, “Old Mister Yan passed away. You should be the happiest,

right?”

Yan Sihai snorted and didn’t say anything.

“Which room is old Mister Yan in?” Qin Yu asked.

Yan Sihai said, “Follow me.”

Qin Yu followed Old Mister Yan and came to a room on the second floor.

Old Mister Yan was lying on the bed. His life was in danger and he looked extremely old.

Even the young body that Qin Yu found for him looked old.

A few brothers from the Yan family were surrounding old Mister Yan.

Some covered their faces, some cried, and some held old Mister Yan’s hand reluctantly.

“Old Mister Yan.” Qin Yu walked quickly to Old Mister Yan.

Old Mister Yan smiled and said, “Qin Yu, you’re here...”

Qin Yu nodded and said, “Old Mister Yan, how do you feel now?” Old Mister Yan did not seem to want to continue this topic. He waved his hand and said, “Since everyone is here, it’s time for me to say my last words.” Hearing this, everyone in the room was a little nervous.

Among them, Yan Sihai's expression clearly became a little unnatural. He lit a cigarette and kept smoking, as if he wanted to dispel the nervousness in his heart.

Qin Yu knew in his heart that what they were nervous about was the position of the Patriarch of the Yan family.

Old Mister Yan naturally knew better. His pair of eyes that were like an ancient pond swept over everyone before finally landing on Qin Yu.

"I know. All of you want to know who will inherit the position of the head of the Yan family after I leave..." old Mister Yan said slowly.

Once these words were said, the people in the room became even more nervous.

Old Mister Yan let out a long sigh and said, "To be honest, I initially wanted to leave the position of the head of the family to Ruoxue, but I didn't expect Ruoxue to disappear without a Trace..."

Yan Sihai's expression suddenly changed, and a trace of anger flashed in his eyes. He opened his mouth as if he wanted to say something, but in the end, he endured it.

"Since Ruoxue isn't here, the position of family head should be handed over to Qin Yu..." Old Mister Yan said in a low voice.

"Old Mister Yan, I'm not interested in the position of family head." Qin Yu frowned and

said.

Old Mister Yan waved his hand and said, "Don't worry, I haven't finished speaking..." "In my expectations, the position of family head of

the Yan family should indeed be handed over to Ruoxue or Qin Yu... but plans often can't keep up with changes. I think that for Qin Yu, property is nothing."

Yan Sihai patted his chest and clearly heaved a sigh of relief.

"I know my own body best. I had long expected that I would not live for long, so during this period of time, I have been thinking about the issue of the successor," Old Mister Yan continued.

At this moment, his gaze fell on Yan Sihai.

"I have thought about it for a long time, and in the end, I feel that this position... is the most suitable for Sihai," old Mister Yan said.

Hearing this, Yan Sihai was instantly overjoyed!

He hurriedly walked in front of old Mister Yan and said excitedly, "Dad, you've finally thought it through. The position of the Patriarch of the Yan family should be taken by me!"

At this moment, Qin Yu shot a cold glance at Yan Sihai.

Only then did Yan Sihai realize that he had lost his composure and quickly retreated to the side.

"Sihai, I hope that you will treat your brothers well. They are all your flesh and blood," old Mister Yan waved his hand and said.

Yan Sihai said excitedly, "Dad, don't worry! I guarantee that they will be rich and prosperous for the rest of their lives!"

Old Mister Yan did not say anything more. He waved his hand and said, "You guys go out first. Qin Yu, you stay here."

After chasing everyone out of the room, only Qin Yu and old Mister Yan were left in the room.

“Old Mister Yan, if you have anything to say, just say it.” Qin Yu half-knelt in front of old Mister Yan and said.

Old Mister Yan waved his hand and said, “The one I can not rest assured about is ruoxue. You...”

“You don’t have to worry.” Qin Yu took a deep breath.

“I will definitely take good care of her.”

Old Mister Yan seemed to have a stomach full of words to say, but in the end, he did not say anything. He just waved his hand and said, “You go out first. I want to be alone.”

Qin Yu opened his mouth. He wanted to say something, but was interrupted by Old Mister Yan with a wave of his hand.

Seeing this, Qin Yu could only sigh slightly and walk out of the room.

A group of people stood at the door of old Mister Yan’s room.

And the famous people of Jingdu who had come to visit were waiting in the hall on the first floor.

“It’s strange. Just a moment ago, my father was in a critical state, but now he suddenly seems to have recovered,” Yan Sihai muttered.

Qin Yu glanced at him and said, “Why? Are you impatient?”

“No. To be honest, I’ve done so many bad things. I really didn’t expect my father to give me the position,” Yan Sihai sighed.

Qin Yu snorted lightly and couldn't be bothered with Yan Sihai.

Everyone waited from day to night, but the dying old Mister Yan still showed no signs of passing away.

Qin Yu knew that he still had a breath in his heart. He still had a care in his heart.

That Care was Yan Ruoxue.

“Ruoxue, will you come back?” Qin Yu looked at the sky outside the window and whispered.

Chapter 1236 Chapter 1, 236. Yan Ruoxue is here?

Old Mister Yan did not make the funeral, which made the guests who were about to pay their respects extremely awkward.

It was already dark, and they were sitting in the hall. They did not know whether to leave or

stay.

Ever since Qin Yu came, Old Mister Yan seemed to have returned to life. He had no intention of leaving at all.

Just as everyone was feeling awkward, old Mister Yan suddenly pushed open the door and walked out.

Seeing old Mister Yan walking out, Qin Yu hurriedly walked forward to support him. Old Mister Yan waved his hand. He stood on the second floor and looked down at the people below. He slowly said, “It's getting late. I Won't be keeping you all for dinner. Everyone, please leave.”

With old Mister Yan's words, they could finally leave this place.

After some small talk, everyone stood up and left.

"Dad, what do you want to eat? I'll get someone to prepare it for you," Yan Yongxiu asked.

SO

Old Mister Yan waved his hand and said, "You guys can go down first."

"Dad, how do you feel now? Do you need to get a doctor to take a look at you?" Yan Sihai walked forward and asked.

Old Mister Yan shook his head and said, "Alright, go and do what you need to do."

With that, old Mister Yan looked at Qin Yu and said, "Qin Yu, come and play another game with me."

Qin Yu opened his mouth and could not help but feel a little uncomfortable.

He knew that this was probably the last time the two of them would play chess.

"Alright." Qin Yu accompanied Old Mister Yan and sat down.

He took out the chessboard and set up the chess pieces.

"You may begin first," Qin Yu said to Old Mister Yan.

Old Mister Yan did not stand on ceremony. He picked up the chess piece and slowly placed it down.

“Do you know why I gave the position of family head to Yan Sihai?”“At this moment, old Mister Yan suddenly asked.

Qin Yu was silent for a moment, he said, “You did this to avoid the internal strife of the Yan family, right? Yan Sihai is deeply rooted in JINGDU, and the other three are definitely not his match. If he gave it to someone else, sooner or later, it would return to the hands of the Yan family, and the other three brothers would be hurt because of it.”

Hearing these words, Old Mister Yan could not help but sigh. “Qin Yu, you are no longer the young man who was just a fledgling back then.”

Qin Yu sighed in his heart.

That’s right, time flies. When someone grows up, it will inevitably be accompanied by someone’s decline.

Life was short for a few decades, and no one could cross this step. “No one would have thought that the martial world would develop to such a degree,”old Mister Yan sighed in a low voice. At this point, old Mister Yan suddenly asked, “Where’s Yan Jinyao?”

“He... he’s already gone to the saint-level, “Qin Yu said.

The reason why he hadn’t killed Yan Jinyao back then was largely because of old Mister Yan.

After all, he was old Mister Yan’s biological grandson, and he was an extremely talented young man. It was impossible for old Mister Yan not to like him.

“Yan Jinyao’s life has been excellent since he was young. Although he’s talented in many areas, he’s too cold-blooded.”Old Mister Yan sighed

slightly. “Speaking of which, Ruoxue is the most reliable person. She has balanced all aspects. It’s a pity...”

Old Mister Yan let out a long sigh when he said this.

Qin Yu knew that the reason why old Mister Yan did not leave was because he was waiting for Yan Ruoxue.

Qin Yu still lost to Old Mister Yan in this game of chess.

However, old Mister Yan knew in his heart that the current Qin Yu was no longer the young kid whose life was planned by others.

After a game of chess, old Mister Yan seemed to be a little tired.

It was already past nine o’clock in the evening. Old Mister Yan’s eyes would occasionally look at the clock hanging on the wall, as if he was waiting for something.

“Old Mister Yan, you should go and rest. I’ll guard this place. If there’s anything, I’ll let you know,” Qin Yu said in a low voice. Old Mister Yan nodded. He slowly stood up and turned around to return to his room.

10om

The door closed. Qin Yu sat alone in the living room on the second floor. He could not help but sigh at how things had changed.

It was as if nothing had changed, or as if everything had changed.

Qin Yu sat quietly in his room.

The Moonlight Tonight was extremely bright. It penetrated through the thin glass and lit up the dark room.

Downstairs, Yan Sihai and the others had already left. They each held important positions, so they did not stay any longer.

In the vast manor of the Yan family, there were only Qin Yu and old Mister Yan.

The servants responsible for taking care of old Mister Yan's daily life had also been dismissed.

Time passed by minute by minute. Qin Yu sat on old Mister Yan's seat, his eyes slightly closed, as if he was feeling the glory of this legend of Jingdu. "WHOOSH WHOOSH WHOOSH!"

At this moment, Qin Yu suddenly heard a few voices coming from outside the window.

He hurriedly stood up and strode out of the room.

He saw three figures approaching at an extremely fast speed. Finally, they steadily stopped at the door.

The three of them wore black robes and wrapped themselves tightly. Even their internal Qi was restrained. No one could tell their identities.

But even so, Qin Yu still instinctively felt a trace of familiarity.

"Ruoxue... Ruoxue, is that you?" Qin Yu asked in a trembling voice.

The black-robed man standing in the middle of the room clearly trembled slightly.

"Ruoxue, I knew you would come back!" Qin Yu quickly walked forward, wanting to give Qin Yu a hug.

But at this moment, the two black-robed men beside him blocked Qin Yu.

Qin Yu was greatly puzzled. He stared in the direction of Yan Ruoxue and said anxiously, "Ruoxue, what... What do you mean?" Yan Ruoxue was silent for a moment. In the end, she didn't say anything.

She hurriedly passed by Qin Yu and quickly walked into the hall.

Qin Yu frowned. He raised his head and looked at the two tall black-clothed men in front of him. He felt a strong sense of displeasure in his heart.

These two men grabbed Qin Yu's arms as if they were restricting Qin Yu's movements. Just as Qin Yu was about to flare up, one of the black-robed men said coldly, "If you don't want anything to happen to the princess, don't Say Anything."

Chapter 1237 Chapter 1, 237. The black-robed man had arrived

Had something happened?

Qin Yu frowned deeply.

In this world, was there anyone who could let something happen to Yan Ruoxue?

Just the two people beside him, no one could defeat them.

Could it be that they were referring to the Yan family?

“Don’t think too much. In any case, it wasn’t easy for the princess to come this time.”The two black-robed men seemed to have seen through Qin Yu’s doubts.

Although Qin Yu’s heart was filled with a lot of confusion, he didn’t continue arguing.

There must be a reason why Yan Ruoxue didn’t want to meet him.

Qin Yu walked to the side and squatted down, but his eyes kept staring at old Mister Yan’s room.

All he could think about was Yan Ruoxue.

The person he loved was right in front of him, but he couldn’t touch or touch her. This feeling was too uncomfortable.

“Eh?”

At this moment, Qin Yu suddenly thought of something

Could it be that the danger they were talking about was because of the Dao Guardian?

Previously, the moustache had said that such casual travel was not allowed. This was also one of the reasons why the Dao Guardian existed.

They were wrapped up so tightly. Could it be because of the Dao Guardian?

Qin Yu suddenly stood up, as if he had discovered a new continent.

“Are you guys worried about the Dao Protector?”Qin Yu hurriedly walked in front of the two black-robed men.

The two of them said coldly, “I don’t want to repeat myself again. Also, I hope you don’t act like a retard.”

Qin Yu was instantly speechless. He was slightly embarrassed and retreated to the side.

It seemed that there was nothing wrong with his guess. Perhaps they were really afraid of the existence of the Dao Protector.

However, Qin Yu was really unwilling to see his beloved in front of him.

He could not help but walk back and forth at the door to eliminate the anxiety in his heart.

About half an hour later, Yan Ruoxue finally walked out of the Yan family’s manor.

Her face was covered by the black robe, but her clear eyes were soul-stirring. Qin Yu stared at Yan Ruoxue and said anxiously, “Wait for me. I will go to the holy region soon. Wait for me!”

Yan Ruoxue was as anxious as Qin Yu. She wanted to stop many times, but was stopped by the people around her.

“Princess, we came to Earth this time to carry the master. It’s better to be careful,” a black-robed man reminded her. “That’s right. If you go and look for him now, not only will you cause trouble for us, but Qin Yu will also be affected.”

After hearing these words, Yan Ruoxue did not stop in the end. She turned around and left.

Qin Yu stood there, quietly looking in Yan Ruoxue’s direction.

The feeling of meeting someone in love was indescribable.

To Qin Yu, Yan Ruoxue was like his first love. Even just smelling her internal Qi would make his heart flutter for a long time.

Qin Yu's eyes were filled with reluctance until Yan Ruoxue disappeared from his sight. Yan Ruoxue's appearance once again stimulated the longing hidden in Qin Yu's heart.

He began to feel anxious, anxious to step into the holy region.

This kind of longing was too torturous. "Old Mister Yan!"

At this moment, Qin Yu seemed to have thought of something.

The reason why old Mister Yan returned to life was because of this breath.

Now that he had seen Yan Ruoxue, the Qi in his chest would naturally disappear.

Thinking of this, Qin Yu anxiously ran upstairs.

He ran all the way to old Mister Yan's room and pushed the door open.

At this moment, Old Mister Yan was lying on the bed, no longer breathing any internal Qi.

He looked extremely peaceful as he walked, and a faint smile hung on his face.

This scene made Qin Yu extremely sad.

“Even the top families of the Holy Region are unable to keep a dying life...”Qin Yu muttered softly, and a trace of sorrow couldn’t help but appear in his heart. He walked up to old Mister Yan and half-kneeled.

“Old Mister Yan, have a safe journey, “Qin Yu murmured, as if he was sending off an old friend.

Then, he took out his phone and informed his brothers of the Yan family.

Yan Sihai and the others drove to the manor in the middle of the night.

In the manor, everyone covered their faces and cried, but Yan Sihai stood silently at the side.

He lit a cigar in his hand and kept smoking.

No one knew what Yan Sihai was thinking at this time.

“Arrange the funeral tomorrow,”Qin Yu said as he glanced at Yan Sihai.

Yan sihai nodded and said, “I’ll arrange it now.”

That night, old Mister Yan’s body was cremated, and the funeral was held as scheduled the next day. Old Mister Yan was well-known in Jingdu, so there were naturally many people who came to pay their respects.

Qin Yu looked at this lively scene, but his heart was somewhat sorrowful.

The funeral continued from day to night, and Jingdu’s famous people came to pay their respects.

Qin Yu also saw many familiar figures, including ye Qing, Mister Zhou, and so on.

It was not until ten o'clock in the evening that the crowd slowly dispersed. The Legend of business of a generation had come to an end.

Yan Sihai stood in front of old Mister Yan for a long time. For some unknown reason, a tear also flowed from his eyes.

“Father, have a safe journey.” Yan Sihai lowered his head slightly and murmured in a low voice, as if he was repenting.

Qin Yu walked to his side and said coldly, “Yan Sihai, I hope you won't disappoint old Mister Yan.”

Yan Sihai took out a cigar from his chest pocket and stuffed it into his mouth. He then sighed, “From the moment Jinyao left for the holy region, I have already regretted it.”

Qin Yu was stunned. He didn't know whether what Yan Sihai said was true or not, but as a father, he might have already understood old Mister Yan's mentality.

Just as the two of them were about to leave, two light winds suddenly blew over.

These two gusts of wind were extremely strange, as if they contained some sort of internal Qi.

The wind blew past Yan Sihai's face, and in the next second, Yan Sihai fell into a deep sleep.

Two black-robed men suddenly appeared in front of Qin Yu.

Qin Yu's pupils constricted, and he exclaimed, "It's You!"

"Don't speak. Come with us," the two of them said coldly.

Chapter 1238 Chapter 1, 238, lovers meet

These two people were Yan Ruoxue's people, so Qin Yu naturally wouldn't say anything.

The two of them grabbed Qin Yu's arm and sped off in a certain direction. Soon, they disappeared into the night.

Along the way, the two of them were extremely fast, and Qin Yu was caught in the middle by them. It was quite strange. The two of them did not know where they were running to. They flew in the air for dozens of minutes, but they still did not seem to stop.

"Where are you going?" Qin Yu asked, somewhat puzzled.

He could clearly feel that the two of them were constantly going in circles, circling around the same place at least five times.

The two of them did not answer Qin Yu's question.

After another half an hour, the two of them finally stopped.

They brought Qin Yu and stopped in a deep forest.

There were wild beasts roaring and birds chirping. From time to time, a strong wind would blow and rustling sounds could be heard from the leaves.

The two of them glanced around, then raised their palms and slowly moved in the air in front of them.

A moment later, the entrance of a mystic realm appeared in front of the three of them.

“Go in, “the two of them said coldly.

Although Qin Yu was a little puzzled, he didn't think too much and immediately stepped into the mystic realm.

The two of them also flashed past and followed closely behind Qin Yu.

This mystic realm was very small, only a few hundred square meters in size. The surroundings were empty, as if it had just been built.

“The Princess is waiting for you in front, “the two said.

Qin Yu was overjoyed. He did not have time to think and hurriedly ran forward.

He saw a beautiful figure in the depths of the mystic realm, with her back facing Qin Yu.

She had a head of beautiful black hair and a body of white long clothes, but they still could not hide her curvaceous figure.

Even with her back facing Qin Yu, he could still feel the faintly discernible immortal qi on her body.

Yan Ruoxue slowly turned her body, and a pair of clear and beautiful eyes came into view.

Looking at this face that he had been longing for day and night, Qin Yu could not be more excited.

An impulse surged up in his heart.

He pulled Yan Ruoxue into his embrace, and all of his longing erupted at this moment.

“I miss you so much...” Qin Yu hugged Yan Ruoxue tightly, and his voice was slightly trembling.

Yan Ruoxue's jade-like hand wrapped around Qin Yu's back.

“I miss you too.” Yan Ruoxue's voice came slowly and melodiously.

Yan Ruoxue was very tall, and Qin Yu, who was only 1.7 meters tall, looked almost at the same level as Yan Ruoxue.

He suppressed the excitement in his heart and said, “How have you been recently? I miss you every day, every minute, every second.”

“Looking at the mountain is you, looking at the water is you. Everything I see seems to be your figure.”

Yan Ruoxue covered her mouth and smiled. She gently patted Qin Yu's head, she said, “If I can, I also want to be with you forever. I don't want any princess of the Yan family. I just want to wash your clothes and cook for you. Seeing you every day is the life I want.”

Qin Yu was the same, but somehow, he always made it difficult for the two of them to get together.

“I will go to the holy region soon. I already had the chance, but unfortunately, I was delayed by something. Wait for me.”Qin Yu’s voice was somewhat urgent.

Qin Yu seemed to have an endless stream of words, like the water of the Yangtze River.

He seemed to want to tell Yan Ruoxue everything that had happened recently.

Yan Ruoxue did not mind Qin Yu’s nagging at all. She just quietly looked at Qin Yu. Her beautiful eyes never left Qin Yu’s face.

A smile flashed across her face from time to time. This smile was something that others had never seen before. It was a happy smile, the simplest and purest smile.

It was as if the two of them were in a paradise, living the most peaceful and blissful life.

“Princess, we can’t stay for too long. It’s time to leave.”At this moment, the two men in black walked forward and reminded her in a low voice.

Qin Yu couldn’t help but feel a little reluctant to leave.

He looked at Yan ruoxue and whispered, “Are you leaving?”

Yan ruoxue smiled and said, “I believe that the next time we meet will not be too long.”

“Definitely Not!”Qin Yu hurriedly said.

“No matter what difficulties we encounter, as long as I think of you, everything seems to be worthless.” Yan Ruoxue suddenly leaned on Qin Yu’s chest and whispered.

“Princess, it’s time to leave.” The two people reminded her again. This small mystic realm was created by the two black-robed men at the last minute. The purpose was to hide and avoid unnecessary trouble.

To be able to create a mystic realm in such a short period of time was enough to witness the terror of these two black-robed men.

If not for Yan Ruoxue’s stubborn request to see Qin Yu, they would have gone back long ago.

“Alright, I should go.” Yan Ruoxue stood up from Qin Yu’s chest. She gently patted Qin Yu’s forehead and said, “When I’m not here, don’t hook up with other people.” “Of course!” Qin Yu hurriedly said.

Time was tight. The two black-robed men kept urging them. Even if they were extremely reluctant, it was time to part.

Yan Ruoxue followed behind the two black-robed men and walked towards the exit of the Mystic Realm.

Qin Yu followed behind and said in a low voice, “Ruoxue, I know that you must be under great pressure. I guarantee that I won’t let you wait for too long!”

“I’ll always believe in you.” Yan Ruoxue turned around and smiled. She was truly charming to all living things.

Just as the three of them were about to leave the mystic realm, the void in front of them suddenly trembled.

Seeing this scene, the two black-robed men's expressions immediately changed!

“Oh no!”

They subconsciously took two steps back and shielded Yan ruoxue behind them.

Meanwhile, Yan Ruoxue subconsciously blocked in front of Qin Yu, as if she still regarded Qin Yu as a young man who did not care about worldly affairs.

The void in front of them was trembling non-stop. In just a moment, a tall man walked out from the void.

His figure was extremely tall, and his entire body was enveloped by chaotic energy. Even the desolate divine eye could not see his face clearly.

Chapter 1239 Chapter 1, 239: Meet the Dao Protector

This person exuded an extremely mysterious internal qi and was extremely oppressive. He was like a huge mountain that could not be crossed just by standing there. The two black-robed men looked nervous as they said in a trembling voice, “You... You're the Dao Protector?”

Dao Protector?

Qin Yu was stunned.

This man in front of him was his father?

“There's only one way to get to Earth. You should know this, “said the Dao Protector.

His voice was like a ringing bell, causing one's heart to tremble.

The two black-robed men gritted their teeth and cupped their fists. "Lord Dao Protector, we have something important to do. We have no choice but to reward earth. We'll leave now..."

"Why didn't you pass through the ancient array platform?" asked the Dao Protector coldly.

"We... "the two black-robed men were instantly rendered speechless, as though they had something to hide.

"Since you didn't abide by the rules, I'm afraid you'll have to stay here," the Dao Protector continued.

Once these words were said, everyone's expressions instantly became tense!

"Lord Dao Protector, please show mercy. We... We guarantee that this will be the last time!" The two black-robed men hurriedly defended themselves.

However, the Dao protector sneered and said, "It's not the first time for you."

The two black-robed men had ugly expressions. They looked at each other, and a hint of madness flashed in their eyes.

"You plan to attack me?" The dao protector saw through their thoughts with a glance.

The two black-robed men coldly said, "This is the princess of our Yan family. No one is allowed to hurt her, not even the Dao Protector."

“Oh? Just the two of you?” The Dao Protector said coldly. “Whether it works or not, we’ll know after we try!”

The two black-robed men roared angrily, and a precious seal quickly appeared in their palms! ..

The two of them joined hands and slapped towards the Dao Protector!

The moment the seal was formed, the secret realm completely collapsed! A terrifying internal Qi swept through the world, uprooting all the trees in the forest, and causing large areas of space to fall off!

Such a method was shocking!

The two precious seals closed in on the Dao Protector, but the dao protector stood there as if he was unmoving.

In the next second, the Dao Protector waved his sleeve, and the two precious seals mysteriously disappeared! Before the two black-robed men could regain their senses, a huge palm had already slapped in front of them. “Bang, Bang.” The two black-robed men fell to the ground, no longer breathing.

Such a method was shocking!

To subdue two top-tier cultivators with a raise of his hand, what kind of method was this?!

At this moment, Qin Yu was staring at the Dao Protector. He protected Yan ruoxue behind him and then looked at his father coldly.

Facing Qin Yu’s madness, the Dao Protector, who was hiding under the internal Qi of chaos, revealed a smile.

At this moment, Qin Yu was like an angry husky in the eyes of the Dao Protector.

Although the enemy was strong, Qin Yu had no intention of retreating. This was because behind him was the woman he loved the most.

Qin Yu looked coldly at the dao protector and said, “Don’t worry, I will never ask for mercy from you. Come, let us fight!”

“Let us fight?” The Dao Protector’s voice was a little strange.

“That’s right!” Qin Yu shouted. His divine power surged, and in the next second, he charged at the Dao Protector!

This punch had almost used up all of Qin Yu’s power, but the dao protector only raised his hand and easily grabbed Qin Yu’s fist.

That vast power made Qin Yu’s face turn pale!

This feeling was like facing a vast ocean!

Even though he didn’t move at all, it still caused great waves to rise in people’s hearts!

“Greetings, Uncle Qin.”

At this moment, Yan Ruoxue walked forward and slightly bowed to the Dao Protector.

This “Uncle Qin”, not to mention Qin Yu, even the Dao protector was slightly startled.

He released Qin Yu and said indifferently, “My prediction was right. Your bloodline is stronger than I imagined.”

“Uncle Qin, you flatter me.” Yan ruoxue was graceful. She didn’t show any fear even in the face of the powerful and terrifying guardian.

The Guardian put his hands behind his back and said indifferently, “You should know the consequences of forcefully barging into Earth.”

“Ruoxue is willing to be punished.” Yan ruoxue nodded slightly with a smile on her face.

The Guardian looked at Yan Ruoxue for a long time and then said with a faint smile, “Well, this is what you said.”

With that, the Dao protector flashed slightly, and instantly appeared in front of Yan Ruoxue.

Seeing this, Qin Yu’s pupils immediately shrank!

“You... Don’t touch her!” Qin Yu shouted anxiously, and then rushed toward the dao protector like a madman!

Just when he was nervous, the Dao Protector raised his hand and gently knocked on Yan Ruoxue’s forehead.

“This time, I’ll treat it as a warning to you,” The Guardian said indifferently.

Yan ruoxue smiled and said, “Thank you, Uncle Qin.”

“I can warn you.” At this moment, the Guardian changed the topic.

“Even if you’re my future daughter-in-law, you mustn’t break the rules.”

This sentence of “Future daughter-in-law” made Yan Ruoxue’s pretty face blush like a ripe apple.

Qin Yu, who was standing at the side, couldn't help but blush. He also heaved a sigh of relief in his heart.

"Damn it, you scared me," Qin Yu muttered in his heart.

"Alright, leave quickly. Remember, this is the last time. If there is a next time, I won't show Mercy," The Guardian said indifferently.

Yan Ruoxue bowed again and said, "Thank you, Uncle Qin."

After saying this, she looked at the two black-robed men and said, "Uncle Qin, they..." "Don't worry. They just fainted. They will wake up in five minutes," said the Dao Protector indifferently.

Hearing this, Yan Ruoxue immediately bowed and thanked him.

The Dao Protector glanced at Qin Yu and turned to leave without saying anything.

How Could Qin Yu Miss this opportunity? He had too many questions in his heart and immediately chased after him.

With the speed of the Dao Protector, Qin Yu naturally could not compare to him. However, he seemed to have deliberately slowed down his speed, so that the distance between the two of them remained dozens of meters.

Chapter 1240 Chapter 1, 240, communication with the Guardian

The two of them sped through the air, but the distance between them remained dozens of meters.

Qin Yu was not a fool. Of course, he could see that his father had done this on purpose, so he was not in a hurry. He just followed behind them.

The two of them sprinted for dozens of kilometers. Even Qin Yu's divine power began to feel dry.

Finally, they arrived near a cliff.

It was a barren land, as if no one had ever set foot on it.

Looking at the near-primitive scenery around them, Qin Yu also felt a trace of surprise.

He panted slightly, his eyes looking straight at the rather tall guardian standing in front of him.

Qin Yu said coldly, "Why didn't You Save My Mother? With your ability, killing them would be effortless!"

The Guardian's back was facing Qin Yu. He seemed to have guessed that Qin Yu would ask this question, so he was not surprised.

"Say it!"

The Guardian did not speak for a long time. Qin Yu could not help but feel a little anxious and immediately shouted.

"It is my duty. I can not make a move."The Guardian was silent for a long time before he finally said this.

Qin Yu gritted his teeth and said, "Just because of a duty, you can ignore the woman you love? Do you know how much criticism she has received because of you?"

Hearing this, the guardian let out a long sigh.

He said indifferently, “Standing in this position, you have to abandon the feelings between individuals. Otherwise, how can you guarantee fairness and Justice?”

“I have seen too many people’s life and death separation. Whether I make a move or not, there will be a day when there will be a difference. I can not change any outcome.”

Qin Yu opened his mouth. Just as he was about to speak, the Guardian interrupted Qin Yu.

He said coldly, “Do you think that I will ignore it in order to protect this position? Do you think the Guardian is a piece of cake?”

Qin Yu was stunned and frowned. “What do you mean?”

“Since ancient times, this has been a hard job. I Can’t explain it to you now. You will understand it in the future,”The Guardian said in a deep voice.

With Qin Yu’s current state of mind, how could he understand so much.

What Great Love? What Little Love? In his eyes, everything was Bullsh
* t.

“If you can’t even protect the people around you, then how can you protect others?”Qin Yu took a deep breath.

“I don’t understand it now, and I may not understand it in the future. I think I will never understand you.”

The Guardian said indifferently, “I never expected anyone to understand me, not even my own son.”

Qin Yu gritted his teeth and said, “Then why did you save me? Can’t you just let me die?”

Hearing this, the Guardian’s body clearly trembled slightly. “I don’t want to answer this question,” The Guardian said coldly.

A gentle wind blew in the sky, and Qin Yu’s eyes were filled with tears.

“Qin Yu, I can only say that I’m sorry,” the Dao-guardian said slowly.

“No matter how much pain you’ve suffered, I can’t do anything about it. You Don’t have to understand me. You can even hate me. But you have to know that I love you both.”

Qin Yu stood there, sobbing.

For some reason, the grievance that had been buried in his heart for so many years exploded at this moment.

Qin Yu couldn’t see the Guardian’s face clearly, nor did he know what the Guardian’s expression was.

The Guardian let out a long sigh. He was just about to speak when Qin Yu suddenly rushed over from not too far away.

The Guardian frowned slightly. He seemed to have sensed something.

However, he stood there without moving at all, as if he was prepared to be beaten up by Qin Yu.

The Guardian closed his eyes slightly and waited for Qin Yu’s fist.

However, Qin Yu, who had rushed behind the Guardian, hugged him from behind.

Even the Guardian, whose heart was as hard as stone, could not help but be slightly startled at this moment.

“Dad, I miss you guys so much... I’ve thought about you guys every day since I was young...”

Qin Yu lay on the back of the Guardian, sobbing uncontrollably.

No one would not miss their parents when they were children.

This kind of blood relationship could not be replaced by anyone.

Qin Yu had never felt the warmth of his parents, which caused him to lack love since he was young, especially the love of his parents. No matter how much Qin Yu complained, it still could not drown out the longing in his heart.

The Guardian slowly turned his body and looked down at Qin Yu, he said in a low voice, “Qin Yu, you will be the strongest person in this world. Your achievements will definitely be above me, or even anyone else. This is me, and also what your mother has always believed in.”

Qin Yu’s face was covered in tears. He wanted to say that he did not want to be the strongest person, but only wanted an ordinary and warm family.

But in the end, he didn’t say it out loud. He just wiped his tears and forcefully held back his tears.

The determination that flashed across his face made the Guardian feel both gratified and a bit of guilt and heartache.

He raised his thick palm and gently patted on Qin Yu's shoulder. "Yan Ruoxue is a good girl. You have to work hard. Otherwise, you won't be worthy of him," said the guardian with a gentle smile.

Qin Yu took a deep breath and clenched his fists. "I've already walked on this path. I don't have any other choice. One day, I won't only protect myself."

I will protect everyone around me.

Including you, the high and Mighty Guardian. Qin Yu didn't say these words out loud. Instead, he buried them deep in his heart.

He was done complaining. He was done complaining about his grievances. He still had to live his life.

Qin Yu no longer had any lingering feelings. He turned around and left.

The Guardian looked at Qin Yu's back. No one knew what he was thinking about.

A moment later, his figure slowly disappeared. It was as if he had merged into the void, disappearing without a trace.

Chapter 1241 Chapter 1, 241. He would not stop until he achieved his goal

Qin Yu continued forward without turning back.

What he wanted to do was to climb to the highest peak. Just like what his father said, just like what he thought in his heart.

Everything calmed down. Yan Ruoxue also followed the two black-clothed men and left this place.

Qin Yu returned to the Heaven Gate all the way.

He sat in front of the window in his room, his eyes flickering.

This time, Qin Yu did not ask about anything related to cultivation during his meeting with the Guardian. He had to rely on himself and explore step by step.

“The Holy Region... I don’t know when it will open,” Qin Yu thought to himself.

This was not something Qin Yu could be sure of. Therefore, in addition to improving his physical body, Qin Yu also had to collect array flags as soon as possible.

The ancient planet Earth definitely had more hidden treasures, but those hidden treasures were no longer something Qin Yu could pry into.

Just like the ancient ruins under the sea, no matter how hard Qin Yu’s physical body was, he couldn’t touch them.

In the next few days, everything became extremely peaceful. As for the eighteen array platforms, there were still no abnormal movements. It had already been more than a month since the last time the holy region came. This made the few mighty figures start to worry. They were afraid that the saint realm would only open this time.

Qin Yu was also a little worried, but he had never been a person who waited for death. He would never rely on others if he could catch someone in his hands.

He once again issued an announcement, collecting array flags, and informing the world that he had two array flags in his hands. If he could gather eight, they could work together to open the ancient array platform.

After making the announcement, Qin Yu arrived at the first secret realm.

There was an ancient array platform here, and at the same time, it was an extremely quiet place.

It's time for me to go into seclusion, Qin Yu thought to himself.

He took out all the treasures in his hands and placed them in front of him.

Among them were Yan Ruoxue's blood, the power of creation, and the divine sense that the sky blood rainbow had collected.

Qin Yu was the first to try to absorb the power of creation. This power of creation could still be absorbed into his body, but there was no increase in spiritual power.

This was undoubtedly a reckless waste of a heavenly gift, so he immediately stopped absorbing the power of creation.

The power of divine sense was the same principle, so Qin Yu did not try to absorb the power of divine sense.

As such, Qin Yu's main target was Yan Ruoxue's blood.

This blood could be said to be freakish for Qin Yu's body's improvement. Compared to the strengthening agent, it was many times stronger. Therefore, Qin Yu was still looking forward to it.

According to the words left behind by the guardian, the dual cultivation of Qin Yu and Yan Ruoxue would bring the greatest improvement to their strength.

However, this was obviously impossible at the moment. Qin Yu did not dare to ask for too much.

He got up and walked out of the first mystic realm. He found all the tools, including the bathtub and other things.

After settling everything, Qin Yu took a deep breath and said in a low voice, "It took me several days to absorb the last time, and I haven't completely absorbed it yet. I wonder how long it will take this time."

After thinking for a long time, Qin Yu finally told Di Zun about this matter. He planned to ask Di Zun to keep an eye on it for him in case there was any news from the holy region. Qin Yu walked out of the first mystic realm and returned to the Heaven Gate.

As soon as he returned to the Heaven Gate, Zhen Yue ran over in a hurry.

"Sect master, someone has issued a challenge to you!" Zhen Yue said anxiously. Qin Yu was stunned. He couldn't help but be surprised, but he soon guessed who it was. "Jiang Yi?" Qin Yu frowned. "How do you know?" Zhen Yue was stunned.

Qin Yu couldn't help but laugh bitterly and said, "It really is him."

Jiang Yi was an opponent that Qin Yu didn't want to meet. He was very talented and wasn't weaker than the young masters of the aristocratic families in Jingdu.

If it weren't for him, he wouldn't have left Jiang he.

This also made Qin Yu feel a bit ashamed.

“He has already made it public on the martial arts forum. He said that he regretted coming to the Heaven Gate for three days to fight with you,” Zhen Yue said.

Qin Yu nodded slightly and said, “I understand.”

“Sect Master Qin, I heard that this Jiang Yi seems to be at the half-step mighty realm. You... you have to be careful,” Zhen Yue said with a frown.

“Half-step Mighty Realm?” This surprised Qin

Yu.

In this era, no one had stepped into the half-step mighty realm!

“Yes, so you have to be careful.” Zhen Yue’s beautiful eyes were somewhat worried. Qin Yu waved his hand and said with a wry smile, “It’s very difficult for a half-step great being to pose a threat to me.”

Jiang Yi was very talented. His current strength had probably already surpassed those hidden great beings. However, Qin Yu wasn’t afraid at all. With his current physical body, no one could hurt him.

Looks like I’ll have to postpone my seclusion again, Qin Yu thought to himself.

He stayed at the Heaven Gate and took advantage of these three days to give Di Zun some pointers.

Di Zun was Qin Yu’s first true disciple, and Qin Yu was very attentive to him.

He taught almost all of his spells to Di Zun.

Di Zun's learning speed was also extremely fast, and his improvement could be said to be godly.

Following that, Qin Yu gave all of the heavenly materials and earthly treasures in his spatial magic artifact to Di Zun.

Time flew by. In the blink of an eye, three days were coming That night.

Qin Yu and Di Zun sat in the courtyard, drinking wine in boredom. They were quite comfortable.

“Master, is that Jiang Yi the one who took the order on Deer Emperor Island last time?” Di Zun asked.

Qin Yu nodded slightly and said, “Yes, that's him.”

“Does that kid have a grudge against you?” Di Zun frowned and asked. Qin Yu waved his hand, not knowing how to explain.

This was a rather complicated matter. There would be a battle between the two sooner or later. Now might be a good time.

Chapter 1242 Chapter 1,242, Jiang Yi challenged

On the martial arts forum, Jiang Yi's challenge letter had long been placed at the top of the list.

Jiang Yi was very eager to prove himself.

He didn't want to be famous, but he wanted to tell the world that he was no worse than Qin Yu!

Soon, all of Jiang Yi's information was exposed. Including how he was Jiang he's disciple and how he left siang He, it was made public.

"Rumor has it that Jiang Yi left Jiang he because he was jealous."

"That's right. Jiang he had praised Qin Yu many times. This caused Jiang Yi to be dissatisfied and left Jiang he in a fit of anger."

"TSK tsk, even though that's the case, Jiang Yi's abilities are not bad. Now that he has stepped into the half-step mighty realm, he should be considered the best in this world, right?"

"Half-step mighty realm? So terrifying? That Qin Yu seems to be only at the middle stage of the Martial Saint Realm, right?"

For a moment, everyone was discussing animatedly. On this night, Jiang Yi sent another message. "Qin Yu, the challenge has already been issued for three days. Why haven't you responded? Are You Afraid?" Jiang Yi's words were directed directly at Qin Yu.

"As long as you admit that you're afraid, this battle can be canceled."

Qin Yu looked at the message sent by Jiang Yi and couldn't help but smile bitterly.

The current Qin Yu was already the number one person in the world. There would probably be countless successors who wanted to challenge him.

It wasn't until 10 o'clock at night that Qin Yu's reply came.

"If you want to fight, then fight."

The words were extremely short, but it once again brought the atmosphere to a climax! That night, the martial arts forum was extremely lively, but Qin Yu no longer had the mood to watch it.

He didn't sleep the entire night, quietly waiting for Jiang Yi's arrival.

This person was early in the morning, and the sun slowly rose from the east.

Qin Yu stood near the Heaven Gate, waiting for Jiang Yi's arrival.

And in the dark, there were already many people hiding, quietly watching the battle.

Almost everyone was more optimistic about Qin Yu. There was only one reason, and that was that up until now, Qin Yu had not suffered a single defeat!

He had created a miracle under the condition of being looked down upon countless times. Therefore, no one doubted Qin Yu's ability anymore, even if he was facing a newly advanced half-step into the mighty realm!

Time passed by minute by minute. At nine o'clock in the morning, a young man slowly walked over from not far away.

He carried a saber on his back, and his thin face was filled with coldness and determination.

"He's here," someone said in a low voice.

"Is He Jiang Yi? He does look extraordinary."

"His every move seems to be compatible with the Great Dao. This is a sign that he has stepped into the Almighty Realm."

Qin Yu looked at Jiang Yi who was slowly walking toward him. His face was neither happy nor sad.

Jiang Yi's footsteps were extremely fast. In a few flashes, he arrived in front of Qin Yu.

"Qin Yu, long time no see," Jiang Yi said coldly.

Qin Yu said slowly, "Jiang Yi, you and I shouldn't have fought."

"Cut the crap," Jiang Yi interrupted Qin Yu. He said coldly, "If you're afraid, you can say

it."

Qin Yu shook his head and said, "There's no hatred between us, and I won't have any feelings for you."

"Hahahaha!"

Upon hearing this, Jiang Yi could not help but burst into laughter.

"From your words, it seems that it is very easy to kill me?" Jiang Yi shouted.

"Qin Yu, don't think too highly of yourself! Jiang he has poor taste, that's why he passed the nine secrets to you!"

"Now that I don't have the nine secrets, I will not be weak to you either! I have already created a set of spells that are no weaker than the nine secrets!"

"I'll tell Jiang he how bad his taste is!"

Qin Yu fell into silence and didn't speak for a long time. "Why aren't you speaking?!" Jiang Yi said angrily. Qin Yu sighed and said, "Senior Jiang he has already stepped into the saint-level. No matter what you do, he won't know."

Jiang Yi was stunned and immediately said angrily, "Then I'll kill you and bring your corpse to the saint-level to see him!"

"Why are you so stubborn? In senior Jiang He's eyes, you are equally outstanding, and..."

"Cut the crap!" Jiang Yi roared and interrupted Qin Yu's words.

He said coldly, "Today, I have defeated you, and that will prove everything. Come!" After saying that, Jiang Yi's internal Qi began to surge crazily. The precious light on his body was slowly circulating, and the entire ground collapsed in an instant!

Everyone could feel the terrifying pressure on his body. Countless people were suffocated by the pressure!

"What a terrifying internal Qi. Is this a half-step mighty figure?!" "As expected, the half-step mighty realm in this world is many times stronger than that reclusive mighty figure!"

"These are two completely different realms. I'm Afraid Qin Yu is in danger!"

Jiang Yi's internal Qi was still climbing, and cracks appeared on the ground.

The trees around him rustled, as if a storm was about to fall.

“Ah!!!”

At this moment, Jiang he raised his head and roared, and the dark clouds above his head completely disappeared. His internal Qi had also reached its peak!

His entire body was enshrouded in precious splendor, and it was extremely terrifying.

Jiang Yi looked at Qin Yu coldly and said, “Do you see that? This is the current me.”

Qin Yu smiled bitterly and said, “I can’t sense any internal Qi from your body at all.”

Ever since his spiritual power disappeared, it was very difficult for Qin Yu to sense a person’s strength or weakness.

However, these words sounded rather mocking in Jiang Yi’s ears.

“You Arrogant Bastard!” Jiang Yi flew into a rage. He stared at Qin Yu and said, “Let’s see if you will still be so arrogant after I break your body and shatter your primordial spirit!”

Chapter 1243 Chapter 1,243 was truly a genius!

Jiang Yi glared at Qin Yu. The anger that he had accumulated over the years had completely exploded at this moment!

However, Qin Yu still didn’t seem to be sad or happy. He was unmoved.

This was undoubtedly a humiliation to Jiang Yi! With a loud shout, the veins on his body were instantly exposed!

Numerous blood vessels were like dragons that coiled around his arms. His body was emitting a faint radiance that reflected his strong body.

“I know that your body is strong, but I’m not weak either!” Jiang Yi shouted.

“A few days ago, I strengthened my body. My realm is higher than yours. My body has already stepped into the realm of a mighty figure. My body is stronger than yours!”

After saying that, Jiang Yi did not use any spells. Instead, his fist was aimed at Qin Yu’s face!

Qin Yu frowned slightly. He could not help but let out a long sigh in his heart as he faced the fist that was approaching him. “Bang!”

At this moment, Qin Yu suddenly made a move and grabbed Jiang Yi’s fist. The extremely fast speed shocked everyone!

At the same time, Qin Yu’s other hand also clenched into a fist. In the blink of an eye, he arrived in front of Jiang Yi’s face!

All of this happened in an instant. No one could react in time!

Even Jiang Yi, who was already half a step into the mighty realm, was the same!

He felt as if his face was being crazily torn apart by some kind of force, as if it was about to be torn apart!

And this inexplicable force was actually Qin Yu’s fist wind!

Qin Yu's fist stopped one centimeter in front of Jiang Yi. On the other hand, Jiang Yi's fist was caught by Qin Yu's hand, and all the force was dissolved.

The scene was silent, and one could hear the sound of gasps from time to time.

The gap between the two was too big!

"Could it be that... Qin Yu has long surpassed a mighty figure?" Someone exclaimed in his heart.

A half-step mighty figure was actually so weak in front of Qin Yu. This made everyone doubt Qin Yu's strength.

Qin Yu looked coldly at Jiang Yi in front of him and said, "I could have killed you just now."

That's right. If this punch landed on Jiang Yi's face, his entire head and even his primordial spirit would probably be smashed into pieces!

Jiang Yi's heart was filled with endless fear. Although he was unwilling to admit it, Qin Yu was telling the truth!

"I don't want to kill you. It's still not too late for you to leave now." Qin Yu let go of Jiang Yi's fist.

Jiang Yi took the opportunity to shoot backward.

He looked at Qin Yu coldly, his face gloomy and uncertain.

Obviously, his judgment was wrong.

Qin Yu's physical body was much stronger than he had imagined.

“Phew.”Jiang Yi let out a long breath.

“Why do I need to use my weakness to clash with his strength ?”Jiang Yi quickly convinced himself.

Since his physical body couldn't compete with Qin Yu, he should grasp the distance.

“Qin Yu, I will definitely kill you today.”Jiang Yi took a deep breath.

He no longer wanted to compete with Qin Yu's physical body. Instead, he planned to use a spell to kill Qin Yu. “Buzz!”

Rays of light gathered in his palm.

The precious light shone brightly.

It was as if he was brewing an extraordinary spell. Qin Yu wasn't in a hurry either. He was just about to test the strength of his physical body. “Great Flame Ghost Blade!”

Jiang Yi roared and a huge blade appeared in the sky. It came at an extremely fast speed!

Qin Yu raised his head and looked at the spell. There was still no expression on his face.

He placed his hands behind his back and waited quietly for the blade to come. “Boom!”

A loud sound exploded at this moment. In an instant, gravel flew everywhere, turning everything around into a hornet's nest.

However, such a spell couldn't hurt Qin Yu at all.

His body looked like an ordinary body, but it was so tough that it made people gulp. “Not even a white scar was left...” Jiang Yi, who was not far away, also frowned.

The toughness of such a body was beyond his knowledge.

It didn't make sense.

“How can this be?” Jiang Yi frowned and thought to himself.

Qin Yu's newly-grown hair was blown into a frenzy.

He looked at Jiang Yi, who was standing on the high ground, and said, “Do you still want to continue?”

Jiang Yi sneered, “Do you think this is the end? This is just the beginning!”

“I'll show you the spell I created now!”

Qin Yu smiled and said, “Okay, I'm looking forward to it.”

“Great Blast Spell!”

Jiang Yi roared and pointed his arms at Qin Yu. Then, countless spells burst out from his palms!

In the blink of an eye, Jiang Yi had cast 38 spells!

One had to know that even a mighty realm cultivator would never do this.

This was because the consumption of spiritual power was too great. Even if he could kill the other party, he would be exhausted.

To be able to cast so many spells in an instant shocked everyone.

The scene was filled with smoke, as if a great battle had taken place.

Under the bombardment of these thirty-eight spells, spots of scars finally appeared on Qin Yu's body. However, these scars were not serious and did not hurt his foundation.

Qin Yu lowered his head to look at the wounds on his body and said with admiration, "Not bad. In the current era, there are very few who can hurt my body. You can even be said to be the only one."

Jiang Yi could not help but secretly clench his teeth.

Under such indiscriminate bombardment, even a mighty figure would be blasted into pieces!

However, Qin Yu had only left behind some innocuous wounds.

"Why is his physical body... so powerful?" Jiang Yi couldn't help but frown.

"I'm afraid that Jiang Yi is already exhausted," someone said from the shadows.

"He's too anxious. There's a problem with his strategy."

"That's right. Although such indiscriminate bombardment is powerful, it consumes too much spirit energy."

Qin Yu had the same judgment in his heart.

He had experienced countless battles, big and small, and no one had ever fought in such a way. Even mighty figures couldn't do it. "Let's go. You

are a genius, but... you are not my match.”Qin Yu shook his head and said.

A trace of coldness appeared on Jiang Yi’s face.

He sneered and said, “If I didn’t have the confidence, I wouldn’t have abused spells like this.”

“Qin Yu, I’ll let you see so for myself! See so for myself!”

After saying that, Jiang Yi took a deep breath. The pores all over his body opened and his eyes closed slightly.

A moment later, wisps of light attacked Jiang Yi from all directions.

It seemed to be spiritual Qi that was crazily rushing into Jiang Yi’s body.

Chapter 1244 Chapter 1, 244, use your technique to temper your body

Countless amounts of spiritual qi surged into his internal Qi, crazily replenishing the Qi that he had used up.

Everyone was shocked by this technique. Even Qin Yu couldn’t help but widen his eyes.

“Jiang Yi is able to create such a technique on his own. He is indeed a genius!”Qin Yu couldn’t help but exclaim in surprise!

The internal Qi lingered around his body and kept pouring into his body. As a result, Jiang Yi’s internal Qi could never be exhausted! Even if he exhausted himself, he could still exhaust people to death! Qin Yu stared

at Jiang Yi and couldn't help but exclaim, "Is this really a technique you created yourself?"

"What else?" Jiang Yi sneered.

"Qin Yu, even if I exhaust you, I can still exhaust you to death!"

After saying that, Jiang Yi made a comeback.

Not only did he create this kind of internal Qi recovery technique, but he also created his own extraordinary speed.

Although this speed was not as fast as the line formula, it was still worthy of praise. It was definitely not something that an ordinary person could catch up to. Moreover, Qin Yu did not have the support of spiritual power, so he could only rely on his physical body. This made it even more impossible for Qin Yu to chase after Jiang Yi.

The great battle was about to start, and the sky was filled with spells.

Each of Jiang Yi's spells was extremely powerful, smashing the entire ground into a pile of rubble.

The surrounding people were dumbstruck. The battle between the two of them was extremely enjoyable, and it seemed that it would be very difficult to determine the victor in a short period of time.

One relied on the endless divine power of his physical body, while the other relied on the internal Qi that came from heaven and earth. The two of them were both top-notch people. This battle lasted from day to night. Even though Qin Yu's body was indestructible, there were many wounds on his body.

However, these wounds didn't damage his foundation, so they weren't worth mentioning. Seeing that the sky was getting darker, Jiang Yi's frown became tighter and tighter.

He really didn't expect Qin Yu's body to be able to reach such a terrifying state. It seemed to be a difficult thing to defeat Qin Yu.

Not only that, if he was accidentally close to Qin Yu, he would probably be blasted into pieces in an instant.

"Such an attack can't hurt him at all." Jiang Yi felt an extreme headache.

Qin Yu could not help but frown.

He had no way to catch Jiang Yi.

If the other party did not fight him in close combat, then the godly power in his body would be useless. No matter how strong his physical body was, he would only be reduced to a living target.

The next time we fight, I must catch him by surprise, Qin Yu thought to himself. I must think of a way to trick the other party into coming over and then capture his body.

The spells in the sky were still unceasing, and for a time, no one could do anything to the other.

However, Qin Yu wasn't as anxious as Jiang Yi. After all, Qin Yu didn't use even a trace of his spiritual power, which gave Jiang Yi a headache.

More importantly, Jiang Yi's realm was far higher than Qin Yu's.

If they were at the same realm, they probably didn't even have the qualifications to fight.

“What should I do... “Jiang Yi froze in the air and looked around.

He had used all his trump cards and entered a situation where he was at his wit's end.

Jiang Yi couldn't leave or stay.

“Sigh.”

At this moment, Qin Yu suddenly let out a long sigh.

Jiang Yi looked at Qin Yu coldly and said, “What?”

Qin Yu said with a faint smile, “I didn't use my spiritual power, but I can easily defeat you. Do you think there's a need for us to fight?”

Jiang Yi sneered and said, “Qin Yu, don't think that I don't know that you can't use your spiritual power at all.”

“Yes, that's right.” Qin Yu didn't deny it.

He smiled faintly and said, “What are you here for? You Want to kill me? I don't think so.”

“The reason why you work so hard is to prove that you're stronger than me.”

Jiang Yi snorted lightly and said, “That's right.” Qin Yu spread his hands and said, “So? Under the premise that I can't use my spiritual power, you can't hurt me. What's the need for you to keep pestering me?” Jiang Yi's expression couldn't help but change slightly.

That's right. If Qin Yu wasn't infected by the Twilight Qi and could use his spiritual power normally, he wouldn't be his opponent.

In other words, even if Qin Yu didn't have spiritual power, as long as he had a spell that approached him quickly, the battle would be without suspense.

Even though that was the case, Jiang Yi didn't want to leave.

He looked at Qin Yu coldly and said, "You are saying this because you want to negotiate with me, right? So, you admit defeat?"

"Admit defeat?" Qin Yu raised his eyebrows and sneered, "I just don't want to embarrass you too much."

"Embarrass me too much? hahahaha! What a joke!" Jiang Yi raised his head and laughed.

"Qin Yu, don't flatter yourself. If you can't do it, then you can't do it! As long as you admit it, I will leave right now!" Looking at the stubborn Jiang Yi, Qin Yu let out a long sigh again. He slowly sat cross-legged on the ground and raised his head to look at Jiang Yi.

"Since you're so stubborn, don't blame me for not caring about senior Jiang he's feelings," Qin Yu grinned and said.

Jiang Yi's pupils suddenly constricted and he said coldly, "What do you want?" Qin Yu said indifferently, "Haven't you always thought that it's because of me that you hurt your fragile self-esteem? Fine, then I'll hurt you completely and throw your poor self-esteem on the ground to trample on."

With that, Qin Yu withdrew all the strength in his body.

He sat cross-legged and said in a low voice, “Even steel needs to be tempered a thousand times, let alone my body. Come, use your magic to temper my body.”

When he said this, everyone was shocked!

And Jiang Yi’s face changed greatly! Veins bulged on his forehead, and his teeth clenched so hard that they made cracking sounds!

“Qin Yu, you... You’ve gone too far! !”Jiang Yi raised his head and roared angrily, as if he was extremely angry.

On the other hand, Qin Yu was a man of his word. He sat cross-legged on the ground and didn’t move at all. He planned to use his physical body to receive Jiang Yi’s spell, so as to achieve the goal of body tempering.

Chapter 1245 Chapter 1,245, the ancient array platform without any movement

But to Jiang Yi, this was undoubtedly a humiliation.

His eyes were bloodshot as he stared at Qin Yu, who was sitting cross-legged, and his fists were clenched tightly.

“Qin Yu, I want you to die! I want you to die!!!”

His hoarse voice shook the heaven and earth.

Countless people vomited blood due to the strong spiritual power.

Those who were weaker were directly turned into a bloody mist at this moment!

Jiang Yi's anger had obviously reached its peak. What was shocking was that his spiritual power seemed to have become even stronger under the control of his anger!

Jiang Yi was extremely smart. His speed of forming seals was not any slower than a true mighty realm cultivator.

In the blink of an eye, Jiang Yi had already slapped down dozens of spells and bombarded Qin Yu with them!

Fortunately, Jiang Yi was not a bloodthirsty person. He focused all his spells on Qin Yu.

In this way, he could ensure that the power of the spells could be unleashed to the maximum, and at the same time, he could avoid hurting innocent people.

Jiang Yi did not know how many spells he had cast in one breath. That area had already turned into ruins.

The people hiding in the dark to watch the battle were even more shocked.

They all broke out in cold sweat for Qin Yu. Even though they believed that Qin Yu's physical body was indestructible, they were still suspicious at this moment.

“The spells this time seem to be a few times stronger than before!”

“Under this indiscriminate bombardment, even a mighty realm cultivator at his peak would find it difficult to escape unscathed.”

“Qin Yu... is he really going to use this to temper his body?”

The area was covered in smoke, blocking everyone's line of sight.

However, their gazes never left Qin Yu's direction.

Everyone's eyes widened. They didn't even dare to Blink, afraid that they would miss out on a wonderful scene.

The smoke finally gradually settled down.

Qin Yu's surroundings had all collapsed by dozens of meters. It looked extremely terrifying.

However, the ground under Qin Yu's butt was completely undamaged.

It looked like a pillar that had suddenly risen from the ground. It looked extremely strange.

Qin Yu's body was already stained with a few traces of blood.

Fresh blood flowed on Qin Yu's body. This was enough to prove that Qin Yu was also injured.

However... This injury was not serious at all. It was far from what everyone had expected!

Qin Yu sat there cross-legged, his eyes still slightly closed.

The injuries on his body did not seem to cause any substantial harm to him. In fact, he even looked a little comfortable.

Qin Yu opened his eyes slightly.

He raised his head to look at Jiang Yi and said indifferently, “Not bad. To be able to unleash such power under anger, no wonder senior Jiang he thinks so highly of you.”

It was originally a compliment, but to Jiang Yi’s ears, it sounded extremely harsh.

“Come, continue.”Qin Yu closed his eyes again.

The injuries on his body were slowly recovering, as if they had been tempered.

This made Jiang Yi feel a strong sense of defeat!

He had prepared for so long, but he couldn’t hurt Qin Yu at all!

“F* ck...”

Even Jiang Yi, who didn’t swear, couldn’t help but swear at this moment.

He looked at Qin Yu coldly, and countless thoughts flashed through his mind.

He knew that if he continued, there wouldn’t be any result. On the contrary, he would add more shame to himself.

“Phew...”

Jiang Yi let out a long breath.

He looked at Qin Yu coldly and said, “You are indeed stronger than I thought, but I don’t think you are stronger than me. Qin Yu, we will meet again in the future. I Won’t let you off so easily.”

After saying that, Jiang Yi turned around and left in an extremely straightforward manner.

He turned into a streak of light and disappeared from everyone's sight in an instant.

The people watching the battle in the dark couldn't help but sigh.

Although the winner and loser weren't decided, everyone knew who was stronger and who was weaker.

“It won't be so easy to shake Qin Yu's position.”

“Yeah, if he had attacked from the beginning, Jiang Yi would have already died.”

If that punch containing divine power landed on Jiang Yi's face, his head would probably be smashed into pieces.

“This Qin Yu can't use his spiritual power. Otherwise, God knows how powerful he will be.”

“That's right. Once he has the support of spiritual power, the mighty realm is probably not worth mentioning.”

The crowd discussed among themselves and slowly left from the dark.

The scene quickly returned to silence.

Zhen Yue and Di Zun stood at the edge of the big pit and shouted, “How are you? Are You Okay?”

Qin Yu opened his eyes slightly and shook his head.

He glanced at the ruins around him and couldn't help but sigh in his heart.

“If this Jiang Yi is nurtured more, I'm afraid he will be limitless in the future,”Qin Yu thought in a low voice.

He regarded Qin Yu as his opponent, which also stimulated his fighting spirit.

As for him, who was unwilling to admit defeat, he would probably work even harder.

“He actually developed such a spell by himself. What a terrifying and respectable opponent, “Qin Yu sighed.

It was a pity that Jiang Yi met Qin Yu.

To Jiang Yi, this was both unfortunate and fortunate.

As he fled, a trace of unwillingness flashed across his face.

“Damn it, damn it!”Jiang Yi clenched his fists and cursed in his heart.

“Qin Yu, just you wait. One day, I will defeat you in my hands. I will!!”

Qin Yu slowly stood up. With a jolt of his feet, he jumped to the edge of the Big Pit.

The Moment Qin Yu left, what was left of the pillar instantly shattered.

“Master, are... are your wounds okay?”Di Zun asked tentatively.

Qin Yu shook his head and said, “I'm fine.”

“You’d better go back to your room quickly. I’ll take care of you so you don’t get infected.” Zhen Yue took out a handkerchief and wiped Qin Yu’s wounds.

Qin Yu couldn’t help but smile bitterly.

His body was invulnerable, so how could he get infected.

However, Zhen Yue insisted. Qin Yu had no choice but to follow her back to the hall and wipe the wounds on his body.

After she was done, Zhen Yue couldn’t help but sigh. “I have a feeling that this person will come again.” “It doesn’t matter,” Qin Yu said with a smile,

“I do want a worthy opponent.”

At this moment, Qin Yu even had the idea of bringing Jiang Yi to the saint-level.

Firstly, it was because of Jiang he, and secondly, Jiang Yi’s talent shouldn’t be wasted.

Qin Yu returned to his room. He tore off the bandage that Zhen Yue had tied around his body and looked down at his wounds.

The wounds on his body were shocking. The deepest one was so deep that one could almost see his sparkling white bones.

This was undoubtedly a pleasant surprise to Qin Yu.

“This Jiang Yi is really terrifying,” Qin Yu muttered.

It was rare to see someone who could hurt him in this world, unless he borrowed some top-notch spiritual artifact.

This made Qin Yu admire Jiang Yi even more.

The next day.

Qin Yu hurried back to the first mystic realm. He wasn't worried about Jiang Yi. This kid only wanted to defeat Qin Yu, and he wouldn't do anything despicable. "Phew, it's time for me to go into seclusion," Qin Yu thought to himself. He put the blood back into the bathtub and soaked his entire body in it.

The blood in the bathtub boiled in an instant.

Then, as if it had gained its own consciousness, it kept surging toward Qin Yu.

The blood passed through Qin Yu's pores and entered his blood vessels, becoming one with his blood.

The fusion of blood was an extremely long process. To others, the fusion of blood was extremely painful, but Qin Yu did not feel any pain at all. On the contrary, it was as if he was soaking in a hot spring, warm and comfortable.

Although there was not much blood left, the speed of the fusion was extremely slow.

It would take at least ten days to half a month to completely fuse the blood.

Fortunately, Qin Yu wasn't in a hurry. As long as he could complete the fusion before the opening of the Holy Region, it would be enough.

At this moment, near the eighteen array platforms.

Every reclusive almighty was guarding one of them, but in the blink of an eye, they had already been waiting for an entire month.

During this month, the ancient array platform was extremely calm, without the slightest change.

Chapter 1246 Chapter 1,246. The anxious crowd

Ever since the ancient array platform had been opened, the passageway had seemed to have closed, and no one had descended.

This caused the reclusive experts to have a bad premonition.

“Could it be... that the last time was the only time.”

This thought lingered in the minds of the experts.

Although they had sealed their lifespans, they couldn't maintain it for too long.

If they were unable to increase their cultivation for a long time, it meant that their lifespans would slowly fade away.

“Hopefully, that won't be the last time. Otherwise... I'm afraid we'll have to continue sealing it away.” A major power sighed repeatedly in his heart.

If they sealed it away again, who knew how long it would take? No one was willing to endure that kind of lonely pain again.

In the first mystic realm, Qin Yu was still in closed-door cultivation.

The blood seemed to be boiling. Gurgling sounds came out as it continuously surged into Qin Yu's body.

And the improvement that the blood brought to Qin Yu was even greater than imagined.

It was not just the remodeling of the body. If Qin Yu could activate his spiritual power, his spiritual power would also receive a huge increase.

In the blink of an eye, Qin Yu had been in seclusion for eighteen days.

The blood in the bathtub was also becoming less and less.

At this rate, it would take a few days at most for the blood to be completely absorbed.

The outside world welcomed a rare peace.

Everything seemed to be back on track, and everyone was doing their own things step by step.

Time flew by, and in the blink of an eye, several days had passed.

On this day, Qin Yu stood up from the bathtub.

There was not a single trace of red on his body, and all of his blood had been absorbed into Qin Yu's body.

The changes in his body were even more obvious.

"This improvement is many times stronger than the strengthening agent," Qin Yu thought to himself.

He clenched his fist lightly, and his body was filled with incomparably dense godly power.

This power could move mountains and overturn seas, and was incomparably powerful.

“If it was my current body, even if Jiang Yi bombarded me with all his might, it would be very difficult for him to hurt me,”Qin Yu sighed.

Although he didn't have the support of spiritual energy, Qin Yu was extremely confident.

In his current state, even if he went to the saint-level, he wouldn't be afraid of most people. Of course, there were many experts in the holy region, and their spells were even more unpredictable.

Although they could not shake Qin Yu's physical body, it did not mean that they could not wipe out Qin Yu's divine sense. Therefore, if they stepped into the holy region, they still had to be careful.

Then, Qin Yu turned around and walked out of the first secret realm. He returned to the Heaven Gate and found Di

Zun.

“How long has it been since I went into seclusion?”Qin Yu asked.

Di Zun calculated the time and said, “Thirty-one days.”

Qin Yu couldn't help but frown.

It had been so long? “Is there still no news from the ancient array platform?”Qin Yu frowned and asked.

Di Zun spread his hands and said, “No. I pay attention to the martial arts forum every day. There is no news.”

This made Qin Yu somewhat suspicious.

It had been a long time since the ancient array platform was opened last time. How could there be no news?

“Could it be that those few mighty figures are hiding the news?” Qin Yu thought to himself.

After thinking about it, Qin Yu decided to go to the ancient array platform to take a look.

But before Qin Yu could leave, those twenty reclusive mighty figures arrived at the Heaven Gate.

They walked together and entered the great hall, their faces filled with worry.

“Why are you here?” Qin Yu said in surprise.

“Qin Yu, we’ve been waiting for that ancient array platform for two months, but there’s still no news. What’s going on?” “That’s right. Don’t tell me we have to wait endlessly?”

“My lifespan can’t last for too long. At most one or two years.” Qin Yu was silent for a moment, then sighed. “This isn’t something I can decide. I also hope that the ancient array platform can be opened as soon as possible.”

“Sigh, if this really doesn’t work, I’m afraid we’ll have to continue sealing our lifespans.” A powerful expert sighed, a hint of unwillingness flashing across his face.

non

“Perhaps we’ve already missed the best opportunity. We’re destined to not have the chance to enter the Holy Region.” Qin Yu thought for a moment, then said, “How about this? I currently have two array flags in my hands. Everyone can go look for the array flags. As long as we gather eight of them, we won’t need to rely on them to extradite us.”

“We’ve naturally heard of those array flags before. However, it’s easier said than done to find them.” A mighty figure shook his head.

“That’s right. Everyone knows that it’s very difficult to obtain those array flags. It’s easier said than done.” Qin Yu smiled bitterly and said, “There’s nothing we can do about it. Rather than waiting for death, we might as well give it a try.”

“It’s better to rely on ourselves than others. Even if there really are people from the holy region who have descended, they might not choose you, who are already at the end of their rope.”

These words reminded the various major powers.

Since the Holy Region had come to extradite them, they naturally hoped to obtain fresh blood to improve their own sects.

Although these twenty-plus people were in the mighty realm, they had long entered the declining realm. There might not be any sects that would take a fancy to them.

“Qin Yu, you have to think of a way for us.” A major power hurriedly stepped forward.

“That’s right. We’ve been waiting for so many years just to step into the Holy Region.”

Everyone was anxious. They thought of Qin Yu as a life-saving straw and surrounded Qin Yu. Qin Yu thought for a moment and said, “Everyone, don’t be anxious. If I have a way, I’ll definitely bring everyone to the holy region. I Won’t leave anyone behind.” Even though that was the case, they were still a little worried.

“Of course, if everyone can find the teleportation array flag, they will naturally have a better choice.” Qin Yu changed the topic and said with a smile.

“Sigh, this is the only way.” Someone Sighed. “Qin Yu, we will go look for the array flag now. If there is any news, you must inform us.”

Qin Yu nodded and said, “Of course.”

Chapter 1247 Chapter 1,247, news of the Holy Region

In truth, Qin Yu was more anxious than anyone else.

He couldn’t wait to see Yan Ruoxue, and he couldn’t wait to go to the holy region to climb the peak.

Next, all the mighty figures began to search for the array flags.

It wasn’t just them. The entire martial world seemed to be waiting for the holy region to open.

But this process far exceeded everyone’s imagination.

In the blink of an eye, three months had passed.

However, during these three months, there was still no movement from the ancient array platform.

It was as if the holy region had been closed again, and no one had come again.

Many people in the martial arts world had already begun to give up. They were even secretly laughing at Qin Yu, laughing at him for giving up the only chance to step into the holy region.

The weather gradually turned cold, and many people put on cotton clothes.

As Qin Yu walked through the Heaven Gate, he began to feel somewhat worried. "So much time has passed, and there's still no news of the Holy Region. Could it be that it really won't open again?" Qin Yu muttered in a low voice, his face filled with grief.

The twenty mighty figures were on the verge of collapse.

"I can't hold on any longer. The holy region this time is just a lie. I've given up. Let's wait for the next opportunity."

A powerful existence decisively stopped the loss and chose to seal his lifespan again. "I already have no chance to seal it a second time. If I can't step into the Holy Region, then I'd rather die!"

That night, a powerful existence forcefully barged into the holy mausoleum.

Mournful wails came from green earth park, indicating that the barging had failed.

The entire martial world seemed to have fallen into an unprecedented desolate state.

“Is this the golden era? Does the golden era want to isolate us from the outside world?! The heavens are unfair!” Someone raised his head and shouted angrily.

There were also people who could not withstand such a blow and died from serious illness.

Qin Yu was a rare person who was relatively calm.

Although he was also looking forward to the holy region, giving up was never his character.

“Since the holy region hasn’t opened yet, I can’t just waste my time like this.” Qin Yu sighed softly.

In the time that followed, Qin Yu left the Heaven Gate.

He began to embark on a journey. He planned to travel the entire earth and find a path of cultivation for himself.

Time flew by.

In the blink of an eye, a year had passed.

Too many changes had occurred during this year. Out of the twenty mighty figures, eight chose to enter closed-door cultivation, three died, and two tried to break through forcefully and died under the heavenly tribulation.

Jiangnan, in an extremely unremarkable fly shop.

There was an old man dressed in shabby clothes who was leaning on a crab. It was as if he hadn’t eaten for a long time, and his posture could be described as wild.

In front of him sat a youth with snow-white hair.

The youth looked to be in his thirties, but because of his white hair and his rather weathered appearance, he seemed to have aged a bit.

He held a small notebook in his hand and was carefully listening to the words of this beggar-like old man, just like a schoolboy.

“Seriously, he insisted on inviting a beggar to dinner and even wanted to reserve the restaurant,”the waiter mumbled as he carried the crab up.

This young man was none other than Qin Yu.

In the face of the waiter’s sarcasm, he did not have the slightest reaction. He was still carefully listening to the old man’s incessant chatter.

“Old Sir, please continue. I’m listening.”Qin Yu wrote and drew on the notebook, appearing extremely respectful.

The old man wiped the oil on his mouth, patted his stomach in satisfaction, and said, “I’m just a beggar who can’t eat. What can you get from

me?”

Qin Yu smiled and said, “The life of a hundred states is the life of a human field. From the emperor to the beggar, there’s not much difference.”

The old man’s eyes lit up when he saw this, as if no one had ever respected him so much.

He seemed to have opened up a chatterbox. His mouth was eloquent, and his words were full of truth and falsehood. It was quite mysterious.

Qin Yu listened with great interest. From time to time, he would write down something in his notebook.

In the past year, Qin Yu had visited a lot of people.

Just as he said, Qin Yu had visited everyone from the upper echelons to the beggars in the countryside.

He had recorded the lives and psychology of these people.

He had used a total of six notebooks alone.

This was a kind of cultivation, a cultivation of the state of mind.

Over a year's time, Qin Yu's state of mind had greatly improved.

It was also because Qin Yu could not use his spiritual power now, or else he would definitely step into a higher realm.

“Thinking back to the past, I also had a glorious time. When I went out, I always rode a Mercedes-benz. Big Brother, I bought eight!”The old man said with a thumbs up.

Qin Yu smiled and said, “Old Sir, why do you need so many Big Brothers?” “One for me, one for my wife, and one for each of my remaining six mistresses!”The old man said proudly.

The female attendant next to him stole a disdainful look and snorted lightly, “Old Shameless.”

The old man ignored her and continued to talk about the half-true and half-false glorious history.

From his glory to his decline, the old man seemed to be talking about history.

Qin Yu was envious from time to time and laughed from time to time. He was like an old friend to this beggar.

“Young man, let me tell you. In one’s life, all the glory is Bullsh * T. Dullness is the final destination.”The old man took a sip of wine.

“You see, although I am a beggar now, I am not worried. My whole family is not hungry after I eat my fill. I will definitely live to a ripe old age.”

Qin Yu gave him a thumbs up and said, “Old Sir, you’re so thorough.”
“Of course. Some things are enough once you have them,”the old man said happily.

e

“Look at those big bosses in suits. Do they have a chance to be beggars? They don’t!”The more the old man spoke, the more excited he became. His voice also became louder.

The waitress beside him seemed to be unable to continue listening. She first covered her ears, then turned on the television and turned up the volume.

“The latest news. An unknown group of people was found in the east continent today. It is rumored that they are related to the martial arts world.”

At this moment, news suddenly came from the television.

Qin Yu was stunned, then he hurriedly looked at the television.

He saw that the place that was being interviewed on the television was precisely the ancient colored array platform! The ancient colored array platform was clearly the traces of someone's movements, and there were cracks and footprints on it. "Old Sir, you eat first, I won't accompany you." Qin Yu hurriedly threw down a thousand yuan, then ran out of the small restaurant in a hurry.

Chapter 1248 Chapter 1,248, sanctum selection

He opened the Martial Arts Forum as he ran out of the door.

As expected, the martial arts forum was already in an extremely heated state.

Many people were discussing the opening of the sanctum this time.

"Rumor has it that someone from the sanctum has descended again. This time, it's not under anyone's control!" "That's right, everything depends on talent."

"Rumor has it that they can test the strength of their talent! As long as their talent is strong enough, they will have a chance to enter the Holy Region!"

Apart from these comments, there were also pictures sent from below.

In a certain mountain forest in the east continent, there were many people dressed in embroidered clothes testing the strength of the crowd.

The people who came to participate in the test formed a long line.

They looked more formal than Lu Guan. Lu Guan couldn't compare with them in terms of their clothes and magic weapons.

This showed that the sects on Earth were much more powerful than Lu Guan's.

"Finally." Qin Yu took a deep breath.

He put his phone away and hurried to the Heaven Gate.

All the way back to the Heaven Gate, Di Zun was still waiting for Qin Yu at the Heaven Gate.

Seeing Qin Yu coming back, Di Zun ran up quickly.

"Master, you are finally back. The people from the holy region are here. They are having a public selection test!" Di Zun said excitedly.

"Yes, sect master. We are all waiting for your news."

"But this time, it seems to be very strict. As long as the talent is not enough, they will be mercilessly rejected."

"Aiya, the sect master is the number one person in the world. Naturally, there's no problem with him. I just don't know what's going on with us."

A rare smile appeared on Qin Yu's face.

He had waited for such a long time, but it was finally here.

The hard work really did not disappoint the diligent.

"How long have they been here?" Qin Yu asked. "They just arrived yesterday," Di Zun hurriedly said.

Qin Yu nodded slightly and said, “There’s still time.”

As he said this, the few reclusive mighty figures also arrived at the Heaven Gate.

After a year, only these ten people were left among the twenty or so mighty realm experts.

They quickly walked in front of Qin Yu. Someone knelt down and said with a pleading tone, “Qin Yu, please think of a way to bring us to the holy region. As long as we can go to the holy region, we are willing to do anything for you!”

Seeing their humble attitude, Qin Yu said with some surprise, “You guys... What’s going on? Get Up First.” A mighty figure said with a sorrowful expression, “According to the information we received, their selection is extremely strict. Some of our people have already gone, but they rejected us.”

“Just as you guessed, we are already at the end of our rope. It’s impossible for us to enter their eyes...”

“Qin Yu, we have waited for so long just to go to the Saint Realm. Please think of a way for us!”

Qin Yu was also in a dilemma.

Such a matter wasn’t something that he could decide.

But looking at the kneeling crowd before him, Qin Yu didn’t know how to reject them.

“Let’s go first. We’ll think of a way after we go, “after hesitating for a long time, Qin Yu said.

These mighty figures looked at each other and said, “Qin Yu, you... you have to think of a way for us.”

“Of course, of course.” Qin Yu nodded repeatedly.

Then, Qin Yu swept his gaze over everyone and said, “Those who went to the Saint Realm first, pack up. We’re going to the East Continent Now.”

“Do we have a chance too?”

“That’s great! Thank you, Sect Master!”

The group of people cheered, their voices shaking the sky and Earth.

Qin Yu looked at Zhen Yue and said, “Let’s go together.”

Zhen Yue blushed slightly and said, “I... I Won’t go. With my strength, it’s a waste to

go...”

Qin Yu smiled and said, “Who knows about talent? What if you’re extremely talented?” “That’s right. Besides, with my master’s talent, it’s okay to bring two more people, right?” Di Zun said with a smile.

Zhen Yue hesitated for a moment, then nodded and said, “Okay, I’ll listen to you.”

The group of people set off on the same day and headed toward the east continent. There were a total of twenty-three people, which was not a small group.

On the way.

A mighty figure said, “According to the latest news we received, a young grandmaster has been selected.”

“Grandmaster?”

This surprised Qin Yu.

“En, rumor has it that this grandmaster is extremely talented. He’s only fourteen this year.”

“Fourteen... that’s really young.”

“Looks like the rumors aren’t false. As long as his talent is strong enough, he’ll be chosen by them.”

Qin Yu touched his chin and said, “Have they set a number?”

“I don’t think so.” An almighty shook his head. “The sect that descended this time seems to be not weak. It’s very powerful and very rich. It’s much larger than last time.”

“En, so I hope sect Master Qin can help me.”

Qin Yu nodded slightly and said, “If there’s a chance, I will definitely plead for everyone.”

Qin Yu was not worried about his talent.

Not to mention Earth, even in the entire holy region, Qin Yu was definitely considered top-tier.

Heaven Gate was not close to the east continent. It took them more than a dozen times to reach the east continent.

In the mountains and forests of the East continent, the selection was in full swing.

Those who were selected danced with joy, while those who were eliminated sighed.

This time, there were a total of six people who descended from the Holy Region, four young people, and two old men.

The old man sat silently behind him. The four young men were in charge of the selection.

Their strength was far above Lu Guan's.

These people had all stepped into the mighty realm. Although they were only in the early-stage, it was enough to show the strength of their sect.

Chapter 1249 Chapter 1,249, Peerless Genius

There was a long queue at the venue.

Although there was no limit to the number of participants this time, most of them had been duped, leaving behind only a few. There were already more than a hundred people who had come to take the test, but only two were selected. Other than the fourteen-year-old grandmaster, there was also a man in his thirties.

“There are so many people.”

Qin Yu led the crowd and arrived at the scene. They patted the back of the crowd and waited quietly. However, Qin Yu's reputation was extremely great. His arrival immediately attracted the attention of many people.

“Qin Yu is here,” someone said in a low voice.

“He is the number one person in the world. How could he not come?”

“Qin Yu seems to have brought quite a number of people. Those mighty realm experts are also following behind him.”

Many people turned around and looked carefully at Qin Yu.

And those who were bold also came over to greet Qin Yu.

The restlessness of the crowd naturally attracted the attention of the people in front.

A young man in charge of the test looked in the direction of Qin Yu and said with a frown, “Who is that person?”

The young girl beside him shook her head and said, “I don’t know. He might be a little famous here.”

“He’s not a little famous. His name is Qin Yu. He’s the number one person in the world! His strength is unparalleled!” The young man who was taking the test hurriedly said.

Hearing this, the few people who were in charge of the test frowned slightly.

“Number one person in the world? He doesn’t look old. He seems to be only forty or fifty years old,” the young girl said in a low voice.

The young man snorted coldly and said, “The number one person in the world here is nothing. It’s just that there are no tigers in the mountains.”

The few of them did not say much to the young man's words, as if they agreed with his words.

At this moment, the young girl beside him suddenly said indifferently, "Since he is the number one person in the world, he naturally has extraordinary talent. I would like to see his talent."

After saying this, she looked at the god testing stone beside her.

This stone was able to measure a person's talent, and it was extremely mysterious.

"Do you think there will be any top-notch geniuses born here?" The youth beside her couldn't help but pour a bucket of cold water on her.

The young girl didn't say much, only looking in Qin Yu's direction with interest.

Qin Yu didn't know anything about their remarks. Of course, Qin Yu was also quite confident in his talent.

To rush to his current realm in such a short time, such speed was probably considered top-notch even in the holy region.

As the selection continued, one contestant after another was fooled.

The conditions of the selection seemed to be extremely harsh. Some of the Martial Marquis realm cultivators were even fooled. "I wonder what the background of this sect is," Qin Yu said in a low voice.

Zhen Yue said in a low voice, "In any case, it looks more formal than Lu Guan and the others last time."

Qin Yu nodded slightly. Lu Guan's sect didn't seem powerful last time, and the two people sent here weren't powerful enough. Compared to this time's mighty realm, it was indeed a bit shabby.

“At this speed, I'm afraid it will take a very long time,” Qin Yu muttered.

There was still a long line in front of them. Although the speed of the test was very fast, there were too many people.

When it was Qin Yu and the others' turn, it would probably be night time.

Fortunately, Qin Yu and the others weren't in a hurry. More than a year had passed, let alone these few days.

Time flew by, and the sky gradually darkened. As for Qin Yu and the others, they were getting closer and closer to the testing divine stone.

In front of them, there were still around ten people left.

But what was shocking was that in such a large crowd, only three people had been chosen.

This number was undoubtedly shocking.

Such a large ancient star, logically speaking, there should be endless streams of genius paper cups. It was absolutely impossible for them to be so rare.

“Qin Yu, you can go first later.” The higher-ups behind him felt uneasy as they spoke in a low voice.

“That's right, Mr. Qin. With your talent, you'll definitely be able to easily enter the selection. At that time, it shouldn't be a big deal to raise some additional conditions.”

“Mr. Qin, Please!”

These higher-ups begged bitterly, almost kneeling down.

Qin Yu smiled bitterly. “Alright, I’ll line up in front of all of you. If it’s possible, I’ll definitely bring all of you to the Holy Region.”

“Many thanks!”The nearly ten mighty figures all bowed.

The crowd in front gradually decreased.

Qin Yu looked at Di Zun and Zhen Yue and said with a smile, “Later, the two of you will go first.”

“Ah?”Hearing these words, Zhen Yue instantly appeared somewhat terrified.

“I... I Can’t do it, right?”

Zhen Yue seemed to have an extremely low self-esteem, and he was filled with dread towards the testing God stone.

“What are you afraid of? It Won’t kill anyone if we test it.”Di Zun seemed to be very relaxed.

He rolled up his sleeves and said, “I’ll go first later!”

Qin Yu smiled and said, “Di Zun is right. There’s nothing to be afraid of. There’s nothing to lose even if we get fooled.”

Zhen Yue mustered up his courage and agreed immediately.

The people in front of them became fewer and fewer, and soon it was Qin Yu’s turn.

The young men in charge of the selection also looked at Qin Yu with interest.

They seemed to want to see how capable Qin Yu was.

“I’ll go first!” Di Zun rolled up his sleeves and walked to the testing God stone.

He raised his hand and placed it on the testing God stone according to his request.

Rays of light shone on the testing God stone. The light pierced through Di Zun’s palm as if it was absorbing his blood. This kind of test made Qin Yu think of the various instruments in the hospital.

After dozens of seconds, a number appeared on the testing Divine Stone: 93!

Seeing this number, the young men widened their eyes.

“93? How is this possible? Is there a problem?” A young man with long hair said in surprise.

The old men behind him also hurriedly stood up and walked over with shocked expressions.

“Elder, look, this kid actually tested 93,” the long-haired youth said with a frown.

The elder who was called Elder couldn’t help but look at Di Zun with joy, his eyes filled with longing “If there wasn’t a problem with the test, this kid would probably be a peerless genius,” the elder said in a low voice.

At this point, the elder looked at the youth and said, “Zi he, test him again.” The young man called Zihe immediately nodded and said, “Yes, Elder.”

Chapter 1250 Chapter 1,250, Qin Yu’s talent test

Zi He and the young men beside him all looked at Di Zun with serious expressions.

Di Zun, on the other hand, had an excited look on his face. He grabbed Qin Yu’s arm and said, “Master, did you see that? 93! Do you think I’m Awesome?”

Qin Yu was also a little surprised.

He didn’t know how talented Di Zun was, but from the performance of the elders, this number seemed to be very high.

“Kid, don’t be happy too early. Maybe there’s a problem with the test god Stone. Let’s do it again,”zi he said coldly.

At this point, Zi he looked at the girl next to him and said, “Zi Ru, go and exchange for a test god Stone.” “Okay.”The girl called Zi Ru nodded slightly. She flipped her palm, and another test god stone appeared in her palm.

Zi Ru placed the testing stone on the table and looked at Di Zun. “You, do it again.”

Di Zun excitedly raised his palm and placed it on the testing stone.

Half a minute later, another number appeared on the testing stone.

The entire number was still 93 points.

This time, no one could remain calm.

Zi He, Zi Ru, and the other youths, as well as the elders, all walked forward.

“Ninety-three points. I didn’t expect there to be such a genius here!” An elder with graying sideburns suppressed his excitement and said.

Then, the elder looked at di zun and said, “Young man, What’s Your Name?”

“My name is Di Zun,” he said excitedly.

“Are you willing to follow us to the Holy Region?” The elder continued. Di zun said excitedly, “Of course I’m willing. If not, why would I Come!” “Hahahaha!”

The elder couldn’t help but stroke his beard and laugh.

He stared at di zun and said, “Di Zun, I’m in a great mood today. I want to make an exception and take you in as my last disciple. What do you think?”

“Elder Bai, you... “hearing this, Zi he was a little unhappy.

Elder Bai waved his hand and looked at Di Zun with a smile.

“Kid, elder Bai hasn’t accepted a disciple for a long time. Kneel down and acknowledge him as your master,” zi he said coldly.

Di Zun scratched his head and said awkwardly, “Elder Bai, I’m really sorry. I heard from my father that a person can only acknowledge one master in his lifetime. I . . . I already have a master.”

“Oh?” Elder Bai was slightly surprised.

“Kid, do you know who elder Bai is? Don’t be so Shameless.” Zi he said with some displeasure.

Zi Ru also crossed her arms and snorted softly, “Is your master worthy to be mentioned on the same level as elder Bai?”

Elder Bai at the side waved his hand and said, “Di Zun, who is your master? I’ll negotiate with him.”

“I’m his Master.” Qin Yu took a step forward and cupped his hands.

Seeing Qin Yu, Zi he couldn’t help but snort coldly.

“Are you that Qin Yu who’s called the number one person in the world?” Zi he said coldly.

Qin Yu smiled and said, “That’s just an empty title.”

Zi Ru sneered and said, “Are you qualified to be someone else’s master? I advise you to be sensible and take the initiative to leave Di Zun.”

Qin Yu frowned slightly.

He disliked being threatened the most.

“Di Zun is an independent person. He has his own choice. If he is willing to take elder Bai as his master, I will not stop him.” After thinking for a moment, Qin Yu said faintly.

Di Zun glanced at elder Bai, cupped his hands and said, “Elder Bai, I can’t do such a thing. This... I will forget about the last disciple.”

“Kid, you really don’t know how to appreciate favors!” Zi he immediately scolded.

Elder Bai waved his hand and said, “No worries, no worries. Since this Qin Yu is known as the number one person in the world, his talent must be not low. If it’s suitable, the two of you can cultivate together with me.”

Hearing that, Di Zun was immediately overjoyed.

He hurriedly looked at Qin Yu and said, “Master, with your talent, there’s absolutely no problem!”

Qin Yu nodded slightly, but he wasn’t in a hurry because the next person to take the test was Zhen Yue.

“What’s the full score of this test God Stone?” Di Zun asked excitedly.

Zi Ru said indifferently, “It’s a hundred points system.”

“So you’re saying that I almost got a full score?” Di Zun said excitedly.

“That’s right. Your talent is indeed rare,” elder Bai said with a smile.

Di Zun looked at Qin Yu excitedly and said with a chuckle, “With my master’s talent, he should be able to exceed the full score and directly destroy this god testing stone!” “Humph, keep bragging,” Zi he said with a cold snort.

Qin Yu didn’t argue with them. As for how many points he could get, no one knew.

Next was Zhen Yue. She walked up to them and raised her hand to put it on the god testing stone.

Unfortunately, Zhen Yue wasn't so lucky.

Her final score was only 51 points, which wasn't up to the standard.

Seeing this result, Zhen Yue couldn't help but sigh, and a trace of regret flashed across her face.

Although she didn't have much hope for herself, this result still made her a little sad.

"51 points is considered pretty good among the trash,"zi he said lightly.

Wo

Zhen Yue, who was already in a bad mood, looked even worse when she heard this.

Qin Yu couldn't help but frown as well.

This guy really stinks when he talks.

"Come on, the number one person in the world. It's your turn," Zi Ru looked at Qin Yu and said with a faint smile.

Many people gathered around as if they wanted to see how much Qin Yu's talent could be measured.

Qin Yu walked in front of the god testing stone.

He slowly raised his hand and placed it on the god testing stone.

Rays of light lit up and entered Qin Yu's body. Qin Yu only felt a trace of strangeness in his body, as if something was swimming all over his body.

Chapter 1251 Chapter 1,251, how about the bet?

The light quickly spread throughout his body and returned to the god testing stone.

Everyone's eyes were fixed on the god testing stone, as if they wanted to witness a miracle.

Soon, a number appeared on the god testing stone.

After seeing this number, everyone couldn't help but be stunned.

"This... how is this possible!" Di Zun was the first to exclaim.

"There's a problem, there must be a problem with the testing God Stone!"

Zi he and Zi Ru could not help but burst out laughing

"This is your number one person in the world?" Zi he sneered.

He looked at Qin Yu and said, "Come, number one person in the world, Shout Out Your Number."

Qin Yu stared at the number on the testing God stone and couldn't help but frown.

This number was actually a single digit, only three.

No one could believe that Qin Yu's number was so low.

“This... There must be a problem!”Di Zun said anxiously.

“Oh? There’s a problem? I don’t mind you doing it again.”Zi he pushed the testing God stone forward and said indifferently.

Qin Yu shook his head and said, “There’s no need for that. I know what the problem is.”

“Oh? What a coincidence? I also know what the problem is with you.”Zi he sneered.

“There’s only one problem, and that is that you are a good-for-nothing!”
“Impossible! My Master’s talent is beyond your imagination!”Di Zun shouted.

Zi he sneered and said, “Di Zun, this kind of person isn’t worthy of being your master. Come and follow our elder Bai.”

Not only zi he and the others, the others couldn’t help but be dumbstruck.

Qin Yu’s talent was obvious. It was absolutely impossible for it to be in single digits.

And the few mighty figures behind Qin Yu were even more despairing. From the looks of it, not to mention bringing them to the holy region, even Qin Yu himself would find it difficult.

“The spiritual energy in my body suddenly disappeared a year ago. That’s why my spiritual energy value is extremely low,”Qin Yu said in a deep voice. Hearing this, Zi he sneered and said, “So, you’re just a trash who can’t cultivate? Such a trash also wants to go to the Holy Region?”

Behind him, elder Bai also glanced at Qin Yu, then shook his head and said, “Indeed, there’s no spiritual energy fluctuation.”

“Without the support of spiritual energy, he’s just a piece of trash!” Zi Ru snorted lightly. These people called him trash one after another, which couldn’t help but make Qin Yu unhappy.

He took a deep breath and suppressed his anger, saying, “It’s because I’m tainted by the Twilight Energy, so...”

“Stop talking nonsense, hurry up and get lost.” Zi he impatiently interrupted Qin Yu’s words.

“Such trash wants to head to the Holy Region? What a joke.”

Finally, under his endless humiliation, Qin Yu couldn’t hold it in any longer.

He looked at Zi he coldly, he said, “It’s true that there is no spiritual energy fluctuation in my body, but that doesn’t mean anything. Even if I don’t have any spiritual energy, killing you is as easy as chopping melons and vegetables. You keep calling me trash. Do you really think that you are someone superior?”

As soon as he said that, everyone was shocked! Zi He and the others were the ushers from the holy region. Almost everyone was kowtowing to them, so no one dared to argue with them! However, Qin Yu’s words instantly tore the skin off their faces!

Zi He’s expression turned cold, and he said coldly, “What did you say?”

Qin Yu narrowed his eyes and said, “I said, even if I don’t have any spiritual energy, killing you will be effortless.”

“Hahahaha!” Zi he could not help but burst into laughter.

“Did you hear what he said? A trash who can’t cultivate actually said such arrogant words!”

Zi Ru and the others also sneered and said, “Kid, I think you are crazy. Why? Are you planning to sacrifice your own life? Do you know who senior brother Zi he is?”

Qin Yu did not have the mood to quarrel with them. He looked at Zi he coldly and said, “How about this, you and I will fight. If I win, you let me and my friends go to the Holy Region. How about it?”

“Sure!” Zi he agreed without even thinking. He sneered, “Then what if you lose?”

“If I lose, you can do whatever you want with me. Of course, I Can’t lose,” Qin Yu said coldly

A strange expression appeared on Zi He’s face. He said in a strange tone, “You’re so brave. A trash who can’t cultivate is still spouting nonsense here. Fine, I’ll agree to it! If you lose, you can go to hell!”

Qin Yu took a step back and said coldly, “Come.”

Zi He didn’t say any nonsense. As a mighty realm expert, he naturally had absolute confidence.

What’s more, he was facing a trash who had no spiritual power at all.

His body shook, and in the blink of an eye, he arrived in front of Qin Yu.

“Kid, it’s not too late for you to regret it now,” zi he said indifferently.

Qin Yu laughed coldly in his heart.

Before he had absorbed Yan Ruoxue's blood, his physical body had already surpassed that of a mighty figure.

Now that he had absorbed the blood, Qin Yu's body had long entered an incomparably abnormal state!

Although there were no fluctuations of spirit energy in his body, the divine power in Qin Yu's body could move mountains and overturn seas!

"I admire your courage to face death with ease." Zi he narrowed his eyes slightly, and the internal Qi on his body surged rapidly.

The strength of a mighty realm expert erupted at this moment!

It was as if everyone could feel the pressure coming from his body!

A mighty figure at his peak was many times stronger than that reclusive mighty figure! However, Qin Yu did not panic in the slightest. There was even a hint of ridicule on his face.

Zi he could clearly see this ridicule.

His expression turned cold as he shouted, "Today, I will teach you a lesson, this brat who doesn't know the immensity of Heaven and Earth!"

With that, his hand held a radiance that was as bright as the sun and the Moon as it headed straight for Qin Yu's face!

This punch was full of power and could be said to be able to crush a dead branch as easily as breaking a rotten branch. Even the space itself was shaking with a loud bang! However, Qin Yu remained calm. He suddenly raised his hand and grabbed Zi he's fist. Vast divine power

surged out at this moment and appeared on his palm, causing people to be greatly shocked!

Chapter 1252 Chapter 1,252. Try again if you don't like it!

That Sharp Fist was grabbed by Qin Yu.

The vast divine power enveloped zi he almost instantly!

Zi He's expression changed drastically! He wanted to pull out his fist, but he found that he couldn't move at all!

"How... how is this possible!" Zi He couldn't help but turn pale with fright!

Qin Yu looked coldly at the panicking zi he in front of him and suddenly exerted force with his palm.

A crisp cracking sound could be heard.

Zi He's fist was instantly crushed!

This scene made everyone suck in a cold breath!

One had to know that Zi he was in the mighty realm!

The body of a mighty figure was indestructible. Any bone could be treated as a precious treasure!

But now, Zi He's fist was easily crushed by Qin Yu!

Fresh blood flowed down his wrist. Before zi he could react, Qin Yu had already stretched out his hand and grabbed zi he's neck!

Zi he inwardly exclaimed that things weren't looking good! Clearly, Qin Yu was afraid that Zi he would pull away from him! "You're courting death!" Zi he flew into a rage. As a mighty realm expert, he naturally had countless spells under his control.

His mouth opened slightly, and a beam of treasure light shot out, heading straight for Qin Yu's face!

Qin Yu's face was expressionless. With a wave of his left hand, this beam of treasure light was directly erased!

"How... How is this possible!?"

At this moment, Zi he was completely flustered!

Although the spell just now wasn't considered high-tier, it could still injure his body even when dealing with people of the same realm!

But in front of Qin Yu, it was shattered!

"Not good!" Zi he roared in his heart. He wanted to escape, but it was too late.

Qin Yu's palm was so powerful that he could not move at all!

This was his neck, he had no way to escape!

Qin Yu grabbed zi he's neck with one hand, and then he drew the bow from left and right. His huge palm kept hitting zi he's face.

For a moment, the sounds of slapping could be heard. Soon, Zi He's face began to swell up.

“If I’m trash, then what are you?” Qin Yu asked coldly as he slapped zi he’s disgusting face.

“Do you really think that you can be so arrogant just because you’re from the Holy Region?”

Dozens of slaps made zi he see stars.

The youths not far away couldn’t help but gulp, and even elder Bai had a shocked expression on his face.

What kind of body was this? To be able to easily subdue a mighty realm expert without relying on spiritual energy was simply unheard of!

Earth, this ancient planet, indeed had endless possibilities!

“Do you admit defeat?” Qin Yu grabbed zi he’s neck and asked coldly.
“F* ck you!” Zi he cursed.

Hearing this, Qin Yu raised his hand again.

“Do you admit defeat?”

“I don’t.”

“Clap Clap Clap!” “Do you admit defeat?” “I...”

The scene was silent.

No one had expected that a big shot from the holy region would be grabbed by Qin Yu like a chick and slapped.

“Enough!”

At this moment, elder Bai couldn’t stand it anymore.

He walked forward and said coldly, “Let him go.”

Qin Yu glanced at elder Bai and said, “He hasn’t admitted defeat yet. How can I let him go?”

Elder bai frowned and said, “He has already lost. There’s nothing to say.”

Qin Yu snorted and threw zi he out.

At this time, half of Zi He’s face had been shattered, and blood kept flowing down from the corner of his mouth. He looked terrible.

He got up from the ground and glared at Qin Yu. He gnashed his teeth and said, “Kid, you’re Courting Death!”

Qin Yu glanced at Zi he and said coldly, “Do you still remember what I said just now? If you lose, we’ll all step into the Holy Region.”

Zi he gritted his teeth and said, “When did I admit defeat? You want to go to the Holy Region? Dream On!”

Qin Yu narrowed his eyes and sneered, “What? Are you going to go back on your word?”

Zi he said angrily, “So what if I go back on my word? Let me tell you, it’s up to me whether you go to the holy region or Not!”

Qin Yu’s face gradually turned cold. He looked at elder Bai as if he was waiting for elder Bai to say something fair.

vas

Elder Bai coughed and said indifferently, “Your name is Qin Yu, right?”

“That’s right.” Qin Yu nodded.

Elder bai continued, “Your physical body is indeed beyond imagination, but there are also people who are similar to you in the Holy Region. Their physical bodies are comparable to prehistoric beasts and are indestructible.”

Qin Yu remained silent and waited for his follow-up.

At this moment, elder Bai changed the topic, he sighed and said, “But... although the body is strong, it can’t use spiritual power. What’s the difference between this and an uncivilized beast? No matter how strong the body is, there is a limit. It Won’t be of much use.”

Qin Yu’s expression turned slightly cold, and he said coldly, “Then what does elder Bai Mean?”

Elder Bai said indifferently, “We came here this time to look for talent, so... Let’s forget it.”

“So, you’re planning to go back on your word?” Qin Yu questioned coldly.

“Kid, isn’t elder Bai’s words clear enough?!” Zi he shouted.

He stepped forward and sneered, “I just made a mistake just now. There are many ways to kill you. Try again if you’re not satisfied!”

The anger in Qin Yu's heart had become more and more vigorous, almost reaching the edge of tolerance. He took a deep breath, and a smile couldn't help but appear on his face.

"Okay, I'll listen to you," Qin Yu said with a bitter smile.

Zi he snorted lightly, "That's more like it. You have to recognize the gap." With that, he walked to the test god stone and said coldly, "Well, get lost quickly. Don't delay our test."

But at this moment, a cold light flashed in Qin Yu's eyes.

He suddenly stretched out his hand and grabbed Zihe's neck, grabbing him again.

"F* ck, you didn't keep your word. Why do you still want to open your mouth? Why don't I tear it for you!" Qin Yu said coldly.

Chapter 1253 Chapter 1,253, shattering the void with a single punch!

Qin Yu once again grabbed zi he in his hand.

Just when everyone thought that Qin Yu was going to give in, he suddenly attacked, making zi he unable to move!

"I told you, How Could Qin Yu be the one who gave in?" Someone muttered softly.

Elder Bai, Zi Ru, and the others all had ashen faces as they took a step forward.

"What are you doing!" Zi Ru berated coldly.

Qin Yu grabbed Zi He with one hand and sneered, “Didn’t you not admit defeat? Fine, then I’ll beat you until you admit defeat.”

With that, Qin Yu once again swung his palm, continuously slapping at Zi He’s face.

Zi He, who was already severely injured, had his face shattered under this barrage of slaps. It was a tragic sight. “Brat, Stop!” Zi Ru shouted as she slapped her palm forward.

Qin Yu raised his hand to receive the slap without hesitation.

With a loud bang, both palms received a fierce collision.

Zi Ru was sent flying under the immense force, and the bones in her hands were broken!

Qin Yu sneered, “Do you think you can stop me?”

After sending Zi Ru flying, Qin Yu slapped Zi He’s face again.

“Stop!” Elder Bai shouted.

He took a step forward and said coldly, “I told you to stop, did you hear me?”

Qin Yu glanced at elder Bai and sneered, “You told me to stop, so I have to stop? Who Do you think you are? What are you shouting for?”

Elder Bai’s face turned livid. He glared at Qin Yu and shouted, “Kid, do you know what you are talking about?”

Qin Yu couldn't be bothered with elder Bai. He kept slapping zi he's face.

“You are courting death!”

Elder Bai shouted angrily and suddenly attacked!

He moved his hand and a five-colored sharp blade appeared in the air in front of Qin Yu!

This blade was as if it had descended from the heavens. It was extremely luxurious, carrying a trace of internal Qi and a dangerous aura. It was extremely terrifying.

However, Qin Yu did not even turn his head. Instead, he clenched his fist and smashed it down with a bang.

The sharp blade that shot out from the void was directly shattered by Qin Yu's punch!

Elder Bai seemed to have suffered a backlash as he took two steps back!

This caused everyone's expression to change drastically!

Elder Bai's strength was self-evident and incomparably terrifying, but he was actually forced back a few steps by a person without spiritual energy?! How was this possible?!!

“I... I admit defeat, I admit defeat...”

Zi He, who was caught by Qin Yu, finally couldn't take it anymore. If this continued, he would definitely lose his life here.

Qin Yu threw zi he out and then looked at elder Bai coldly, saying, “Do you hear me clearly now? He has already admitted defeat.”

Elder Bai’s eyes narrowed slightly, saying, “If you had spoken nicely, perhaps I could have shown mercy and brought you to the Holy Region.”

“But you little bastard don’t know your place and even injured zi he and Zi Ru! What crime should you commit!”

Having said that, Qin Yu knew clearly in his heart that his face had already been torn. There was no need to spoil him too much.

Therefore, Qin Yu took a step forward and said coldly, “Old Bastard, do you have a mouth or an anus on your face? You Don’t know how to speak, you only know how to spit shit out, right? If you are not convinced, just come out and fight!”

A flash of anger flashed across elder Bai’s face. His white hair danced wildly in the wind, and every wrinkle on his face was trembling.

“You’re just a good-for-nothing without any spiritual power. Do you really think you’re worth anything?”Elder Bai said darkly.

Qin Yu sneered and said, “Come, come here. See if i’ll slap you or not.”

Elder Bai was not stupid. He knew clearly in his heart that Qin Yu’s body was full of oddities. Once he was approached, he would definitely not have a good ending.

Thus, he braced himself and prepared to pull away at any moment.

“What are you nervous about?”Qin Yu raised his eyebrows and asked.

“The eighteen array platforms are all in my hands. Do you believe that I won’t let you go back?”

Hearing these words, the faces of the people from the holy region all turned ugly.

If they were to stay on Earth forever, it would definitely be an unacceptable tragedy. “Go to hell!”

At this moment, a loud shout came from behind Qin Yu!

Qin Yu felt a sinister killing intent coming from behind him. He turned around and saw Zi He holding a black treasured sword and stabbing it viciously at Qin Yu’s back!

This sword was a gift from the sect and was incomparably sharp. It could split even a huge mountain in half in an instant. Its sharpness was immeasurable!

In addition to Zi He’s sneak attack, he arrived in front of Qin Yu in the blink of an eye. Even Qin Yu didn’t have time to react.

“Puchi!”

The sword pierced into Qin Yu’s back, making a soft sound.

“Master!”

“Mr. Qin!”

Seeing this scene, Di Zun and the others’ expressions changed drastically!

But after the sword pierced another centimeter, it couldn’t go any deeper!

No matter how hard Zihe tried, the sword did not move at all.

Qin Yu turned his head to look at the Crazy Zihe, and a cold killing intent appeared on his face.

“Do you really think that I don’t dare to kill you?” Qin Yu’s voice sounded as if it came from hell, and it was extremely cold! Meanwhile, Zihe was also panicking. Fear flashed through his eyes, and his mouth was slightly open, and the muscles on his face were twisted.

Qin Yu grabbed the treasured sword in one go, and then his arm ruthlessly smashed towards the treasured sword.

With a “Kacha” sound, the treasured sword bestowed by the sect was actually directly shattered into two pieces by Qin Yu’s arm!

“Zi He, run!” Elder Bai hurriedly shouted. Zi He’s expression changed, and his body hurriedly disappeared into the void.

But How Could Qin Yu give him a chance? Such a short distance, no matter how great one’s ability was, they wouldn’t be able to escape from Qin Yu’s hands!

Qin Yu clenched his fist, containing his divine power and fury within. Then, he ruthlessly smashed towards the void in front of him!

“Kacha!”

Something shocking happened! Qin Yu’s punch directly shattered the void! Those patches of space shattered like broken glass!

Chapter 1254 Chapter 1,254, treacherous elder Bai

This punch caused everyone to turn pale with fright!

Just by relying on the strength of his physical body, he was able to pierce through the void? Just how powerful was this power?

One had to know that Qin Yu was able to pierce through the void without any spirit energy! This was simply unheard of!

While everyone was shocked, that Zi he had already been grabbed out from the void by Qin

Yu.

He held Zi he with one hand and coldly said, "I've already spared you twice, and you still dare to Sneak Attack Me?"

At this time, Zi he had already been shaken by this punch until his entire body was covered in blood. It was a miserable sight, and he looked dispirited.

Qin Yu slowly clenched his fist, as if he was brewing divine power. Not far away, elder Bai was already anxious. He hurriedly shouted, "Qin Yu, quickly let him go! I promise to bring you to the Holy Region, how about it?"

Qin Yu coldly glanced at elder Bai and sneered, "You old bastard who goes back on his words, do you think I will believe your nonsense?"

After saying that, Qin Yu raised his hand and threw a punch straight at Zi He!

This punch could even Pierce through the void, let alone a mortal body!

Zi He's head directly exploded. Even his primordial spirit could not escape before he died.

Qin Yu tossed Zi He's corpse aside, then stared coldly at the crowd.

"I'm telling you, I'm going to the saint-level." Qin Yu's tone was extremely cold.

He swept his gaze across the crowd, then said, "Hand over the teleportation array flag, or I'll kill all of you."

These words were incomparably arrogant, but no one doubted the authenticity of these words!

The ability that Qin Yu had displayed was simply too powerful. It was already so powerful that it made people feel that it was ridiculous.

Although there were many mighty figures present, no one was willing to fight with Qin Yu.

Elder Bai's face was ashen, and his face was filled with gloom.

Even in the Holy Region, he was also an elder of a sect. When had he ever suffered such humiliation!!

But now, he was being threatened by a person without spiritual energy. How could he tolerate this!!

At this moment, Zi Ru walked over.

She leaned against Elder Bai's ear and whispered, "Elder Bai, why do we have to fight with him now? Just promise him to go to the Holy Region. As long as he reaches the Holy Region, wouldn't it be easy for us to kill him?"

Elder Bai narrowed his eyes slightly.

This was indeed a good method.

Although elder Bai was powerful, he didn't want to take this risk.

As long as he brought Qin Yu back to the holy region, there would be countless ways to kill him.

In other words, any random treasure could suppress Qin Yu!

Thinking of this, elder Bai looked at Qin Yu.

He took a deep breath, then changed his expression and said with a smile, "Qin Yu, it was all a misunderstanding just now. We were blind. We didn't know that you had such ability. It seems that the result of the test is not accurate."

Qin Yu didn't say a word, quietly watching elder Bai's performance.

Elder bai continued, "Your strength has indeed shocked us. Our sect is willing to accept you, and has promised to give you a guest elder."

When he said this, everyone was shocked!

A guest elder position just after going to the Holy Region? This was probably an unprecedented treatment, right?

However, Qin Yu sneered in his heart.

There must be something fishy going on. Qin Yu was not a fool. He could see through elder Bai's thoughts.

However, he was not in a hurry to expose elder Bai. After all, he still needed them to go to the holy region.

Therefore, Qin Yu smiled and said, “In that case, I won’t stand on ceremony.”

“Hahaha, it’s just a misunderstanding. Qin Yu, when we go to Our Heavenly Cloud sect, we will naturally treat you well!” Elder Bai said with a smile, looking like an old fox.

Qin Yu didn’t move. He said with a faint smile, “Then when do we set off?”

Elder Bai Thought for a moment and said, “At the current speed, I’m afraid it will take a few more days.”

“Mr. Qin, What About Us?” The various almighty experts asked anxiously.

Qin Yu frowned slightly and shook his head, “You guys... Don’t go this time. Wait for the next time.”

The reason why he said this was because Qin Yu knew that once he went to the holy region, he would become a fish at the mercy of others.

These mighty figures were following him to the holy region. When Qin Yu escaped, the Heavenly Cloud sect would definitely blame them.

It was hard to say whether Qin Yu could escape or not. It was impossible for him to bring so many people with him.

He had no choice but to say these words.

However, how could the mighty figures understand Qin Yu's good intentions? To them, going to the holy region was their lifelong pursuit.

"Qin Yu, you promised us!"

"Yes, you... You Can't go back on your words. We've been waiting for so many years to go to the Holy Region." Seeing this, Qin Yu could only sigh slightly. He looked at elder Bai and said, "They want to go with me."

Elder Bai said with a smile, "No problem!"

The mighty figures hurriedly cupped their hands and said, "Thank you!"

Qin Yu couldn't help but sigh.

After going to the holy region, whether they lived or died would be their good fortune. Qin Yu couldn't change anything.

"Let's go." Qin Yu turned around and glanced at Zhen Yue and Di Zun.

Di Zun didn't see through elder Bai's scheme and said cheerfully, "Elder Bai has finally returned to life. You killed that Zi he and he actually agreed to take you to the Holy Region and return it to your guest elder!"

"Yeah, it seems that the holy region is a place where the strong are respected!" Zhen Yue added. There were many people here, so Qin Yu didn't explain too much.

No one knew when elder Bai and the others would set off, so Qin Yu and the other two didn't go too far away. Instead, they chose to find a cave in the forest near the east continent.

The cave was quite big, so it could easily accommodate three people.
“Master, you are so powerful! That punch actually shattered the space!” Di Zun said excitedly.

Qin Yu’s face was solemn. He stared at Di Zun and said, “Di Zun, you’d better go to Elder Bai now and agree to take him as your master.”
