

My Rich Wife Novel – Chapter 1255 – Chapter 1255, Eve –

Chapter 1255 Chapter 1255, Eve

Di Zun was stunned. He frowned and said, “What do you mean? I’m going to take him as my master?”

Qin Yu said in a deep voice, “Not only do you have to take him as your master, but you also have to show that you’ve broken up with me.”

Di Zun was silent for a moment, then shook his head and said, “Master, I don’t understand.”

Qin Yu sighed and said slowly, “This elder Bai seems to have promised to take me to the Holy Region. In fact, he just wants to stabilize me temporarily.”

“You mean... he will kill you if you go to the Holy Region?” Di Zun asked in surprise.

Qin Yu nodded slightly and said, “Yes, it’s already very difficult for me to protect myself. I Can’t protect you at all.”

“So you must take the opportunity to cut me. Do you understand?”

Di Zun remained silent, and Zhen Yue bit her lips. “This is the only way,” Qin Yu sighed.

“Master, why don’t you wait for the next trip to the Holy Region?” Di Zun asked.

Qin Yu shook his head and said, “I can’t wait any longer.” He had already missed it once, and he couldn’t miss it again.

Seeing this, Di Zun could only nod and say, “Alright then, I’ll just be a spy for you!”

Qin Yu patted his shoulder and said, “Alright, once you’ve learned all of the Heavenly Cloud Sect’s secret techniques, run away!”

“Hahahaha!” Di Zun couldn’t help but burst into laughter.

That night, Di Zun and Zhen Yue left the cave together and went to find elder Bai.

“Elder Bai, I’ve thought about it for a long time, but in the end, I still think it’s a better choice to take you as my master,” Di Zun said calmly.

Elder Bai raised his eyebrows and said in surprise, “Oh? Why did you suddenly think it through?”

Di zun sighed and said, “Qin Yu doesn’t have spiritual power. The moves he taught me are really difficult to fit with me. Otherwise, I wouldn’t want to leave him. Sigh.”

“Hahahaha!” Elder Bai couldn’t help but laugh out loud.

“Okay, I’ll agree to it.” Zi Ru immediately shouted, “Hurry up and kneel down to acknowledge your master!”

Di Zun had no choice but to follow elder Bai’s request and kowtow three times and nine times.

After the ceremony, elder Bai nodded with satisfaction and said, “That’s right. From today onwards, you are my last disciple. I can promise you that I will make you the top disciple of the Tianyun sect in a year at most!”

“Thank you, elder Bai. Oh No, master, “Di Zun bowed and said.

With Di Zun’s connections, Zhen Yue finally joined elder Bai’s camp.

At this moment, Qin Yu was sitting in the cave, feeling the flow of energy in his body.

The strength of this energy was beyond Qin Yu’s imagination.

Without any hesitation, even Qin Yu himself didn’t expect that punch to be able to break the void.

When I go to the saint realm, I have to find a way to recover my spiritual energy, Qin Yu thought to himself.

Once he recovered his spiritual energy, God knows how terrifying Qin Yu’s strength would be.

In the next few days, Qin Yu sat cross-legged in the cave, slowly comprehending the battle formula.

In the last few battles, Qin Yu had never used the battle formula, so Qin Yu himself didn’t know what would happen if he unleashed his full strength.

“I wonder how Chang Mang and the others are doing.”

Qin Yu leaned against the cave at night and couldn’t help but think of his old friends.

With their talent, they should be able to cultivate very quickly. He just didn’t know how Lu Guan’s sect was doing.

Time passed day by day, and the number of people coming for the test started to decrease.

Elder Bai had already chosen five people:

The fourteen-year-old young grandmaster, Di Zun, Zhen Yue, and the two young martial marquis.

Among these five people, the most talented one was di zun. His score was as high as ninety-three.

And in second place was the young grandmaster.

This young Grandmaster was called Hong Ping. He had delicate features and was quite handsome, but there was a trace of coldness between his brows that did not match his age.

Hong Ping's score was 89, almost the same as Di Zun's.

As for the other two, they only had about 70 points, which was considered good.

This selection lasted for eight days.

What surprised Qin Yu was that he teng and Jiang Yi did not participate in this selection.

“It seems that they don't plan to go to the holy region this time,”Qin Yu thought to himself.

It had always been a pity that he couldn't kill he teng. Of course, now that he Teng's body had been occupied by another primordial spirit, perhaps he had already found another way to go to the holy region. On this day, elder Bai sent someone to bring Qin Yu some news:

Three days later, they were going to the holy region.

After hearing this news, Qin Yu immediately left the east continent and returned to the Heaven Gate to make some arrangements.

Following that, he found the locked up Sky Blood Rainbow.

“I plan to bring you to the Holy Region,” Qin Yu looked at the Sky Blood Rainbow in front of him and said indifferently.

When the Sky Blood Rainbow heard this, he was immediately overjoyed and said excitedly, “Really? I have the qualifications to go to the Holy Region?”

“That’s right, but I can only bring your essence soul there,” Qin Yu said in a deep voice.

Tian Xuehong was stunned. Before he could ask what Qin Yu meant, Qin Yu had already punched out.

This punch directly shattered Tian Xuehong’s head! If not for Qin Yu retracting his strength, even his essence soul might have been wiped out!

“Qin Yu, you...”

A hint of resentment and anger flashed across Tian Xuehong’s face. Qin Yu glanced at him and said, “You know that I don’t believe you. Of course, if you perform well, I will find you another body.”

Chapter 1256 Chapter 1,256, heading to the Holy Region

Of course, regardless of whether the heavenly blood rainbow agreed or not, Qin Yu had already shattered his physical body.

Afterwards, Qin Yu put the Heavenly Blood Rainbow into the spatial magic artifact.

Although this was a spatial magic artifact, in reality, it was equivalent to a prison.

To the Heavenly Blood Rainbow, this should be the most suitable place.

After doing all this, Qin Yu hurried back to the mountain forest of the East Continent, waiting to head to the Holy Region.

“I’m finally going to the saint-level.” Qin Yu couldn’t help but mutter to himself.

In order to go to the saint-level, Qin Yu had waited for far too long, so long that everyone was about to lose hope.

e

Towards the saint-level, Qin Yu’s heart was filled with hope and anticipation.

It was said that it was a place where experts competed. Top-notch martial artists were as common as clouds, and geniuses were endlessly emerging.

In the golden era, who knew how many top-notch martial artists he would meet.

Of course, the most important thing was that he would be able to meet Yan Ruoxue.

Qin Yu sat alone in this forest, waiting for the news of his journey to the Holy Region.

He seemed to have gotten used to living alone, and his state of mind became more and more stable.

“Once I go to the Holy Region, I will be able to look for vitality,” Qin Yu thought to himself.

Once he found vitality, he would be able to recover his spiritual energy and be able to cultivate again.

Over the past year, Qin Yu had traveled to more than half of earth and experienced a hundred different life experiences.

After he recovered his spiritual energy, he might be able to directly raise his cultivation realm. After all, there was no lack of spiritual energy required for cultivation in the saint realm.

At this moment, the sound of footsteps could be heard from outside.

Qin Yu frowned slightly and stood up subconsciously.

He saw several mighty figures standing outside the door.

They were the reclusive mighty realm. A total of five people had come to pay a visit.

Qin Yu said with some surprise, “Elder Bai has already agreed to take you to the holy region. Why are you still looking for me?”

The few mighty figures looked at each other and then said, “Qin Yu, although the holy region is an even wider world, it also means that there

are many dangers there. It Won't be easy for the few of us to protect ourselves."

"That's right. Although we are in the mighty realm, our blood essence has dried up, so we might not be valued. So after thinking about it, we still feel that it's better to follow you."

Qin Yu couldn't help but smile bitterly.

He couldn't even protect himself, so how could he protect these people. "With my suggestion, it's best if you don't go." Qin Yu shook his head helplessly.

"Following me is an impossible thing. To be honest, in my current state, I'm afraid I Won't be as valued as you guys."

Not being able to cultivate meant that the road ahead was very short, and no one was willing to invest in it.

Of course, others didn't know that Qin Yu was affected by the Twilight Qi, which was why it was like this.

These few mighty figures thought that this was Qin Yu's excuse, so they all pleaded.

However, Qin Yu was stubborn and resolutely refused them.

Moreover, Qin Yu didn't tell them elder Bai's true intentions. After all, these reclusive mighty figures weren't worthy of trust.

Seeing that Qin Yu didn't agree, they had no choice but to leave resentfully.

The sky gradually darkened. People had already begun to curry favor with elder Bai, Zi Ru, and the others.

Of course, they couldn't be blamed for this. After all, going to an unfamiliar place without sufficient strength was a very dangerous thing

The next morning.

In a certain ancient array platform in the mountain forest, it was already filled with people.

The leader was naturally elder Bai, while Zi Ru and the others followed behind him.

Although there was no limit to the number of people on this trip to the holy region, it couldn't be helped that their requirements were extremely high. Therefore, there weren't as many people who could actually go to the holy region as last time.

Qin Yu slowly walked towards the ancient array platform from the cave.

The moment he saw Qin Yu, a trace of viciousness flashed across Zi Ru's eyes, but it was fleeting.

Other than Zi Ru, the others were also quite unnatural.

Elder Bai even hid a knife in his smile. He chuckled and said, "Qin Yu, I thought you weren't coming."

Qin Yu smiled faintly and said, "I've already spent too much effort to go to the holy region. How could I not come?"

Elder Bai couldn't help but sneer in his heart.

I'm afraid that you won't come!

When you go to the Holy Region, I'll Teach You a lesson!

After that, elder Bai didn't say anything more. He took out the formation flags and placed them in various positions.

The moment the formation flags fell, an extremely mysterious light began to circulate on the ancient formation stage.

Internal Qi of an old man rushed toward them. This aura was extremely heavy and heavy, making it difficult for them to breathe.

At elder Bai's request, everyone walked up to the array platform.

Many people were still surrounding the ancient array platform. They seemed to want to witness the moment the ancient array platform was activated.

Elder Bai chanted an incantation silently, and the light on the ancient array platform became brighter and brighter.

“Buzz!”

After a while, an extremely ear-piercing sound cut through the silence of the mountain forest.

SC

All of a sudden, a brilliant light covered everyone's bodies, and the ancient array platform was officially activated!

Qin Yu felt as if his body had disappeared into the void. His surroundings were pitch-black, and he couldn't even see his own fingers.

His body seemed to have used some sort of mysterious method to travel at high speed!

This feeling was extremely uncomfortable, and many people immediately fainted.

Even Qin Yu felt a hint of sleepiness.

But he didn't dare to fall asleep, because he knew very well that once he reached the saint-level, he would have to start running.

“Saint-level... I'm Coming!”

Qin Yu muttered in a low voice, his heart filled with excitement and anticipation.

Chapter 1257 Chapter 1,257. Was this the saint-level

The surroundings were filled with endless darkness. The Darkness was extremely pure, without the slightest bit of light.

After traveling for an unknown period of time, a sliver of light finally appeared in front of Qin Yu.

This sliver of light was extremely dazzling in the darkness, causing one's eyes to water.

Swoosh

Finally, a group of people appeared on another ancient array platform.

“We're here, “elder Bai said indifferently.

There was an indescribable excitement on everyone's faces.

Even Qin Yu couldn't help but take a deep breath.

Sure enough, the spiritual Qi here was much denser and purer!

Not only that, Qin Yu could clearly feel that his body had become much lighter at this moment.

It was as if something on Earth had been pressing on his body and had disappeared.

Qin Yu's eyes scanned his surroundings.

The surroundings were filled with buildings.

And this ancient array platform was located on a mountain.

The scenery here was extremely beautiful. Compared to Earth, this place was like a fairyland in the human world, filled with greenery.

As he continued to look, Qin Yu seemed to see a mountain gate.

On this mountain gate were a few large words: Heavenly Cloud sect.

"It's bad." Qin Yu's expression immediately changed.

The thing he was most worried about had happened! This ancient array platform was indeed within the sect!

As a result, it would be much more difficult to escape.

Qin Yu subconsciously looked at elder Bai and saw that elder Bai was also looking at him with a faint smile.

That smile hid a trace of extreme killing intent.

Zi Ru, who was beside him, could no longer hold it in. She took a step forward, pointed at Qin Yu and shouted, “Little trash, it’s time for you to pay the price for Zi He’s death!”

Qin Yu’s eyes narrowed slightly. He was not in a hurry to react. Instead, he used his desolate God’s eyes to scan the Tianyun sect, trying to figure out the general route.

“Do you really think that we would take a fancy to a trash like you who can’t cultivate! You must pay the price for killing Zi He!” Zi Ru continued to shout.

Elder Bai, who was at the side, said indifferently, “Brat, no one dares to behave atrociously with our heavenly cloud sect! After killing our people, I will definitely crush your bones and Scatter Your Ashes!”

Qin Yu sneered and said, “F*ck your mother. Do you think that I will just sit and wait for death?”

After saying this, Qin Yu turned around and ran!

His feet shot out explosively, and the terrifying power even shattered the ancient array platform under his feet!

“Where do you think you’re going!” Zi Ru shouted loudly and immediately chased after him at high speed!

Qin Yu’s physical body was extremely fast, but after all, he didn’t have the support of spiritual power, so his speed was still lacking by quite a bit.

Seeing that Zi Ru was getting closer and closer to him, a cold glint flashed across Qin Yu’s eyes.

He suddenly stopped his footsteps, abruptly turned around, and punched Zi Ru in the face.

“Bang!”

This punch sent Zi Ru, who was chasing after him, flying.

Her originally handsome face was almost disfigured at this moment.

Qin Yu didn't dare to stop and continued to flee.

This was the Tianyun sect. Once they regained their senses, there would be nowhere to run.

Seeing Qin Yu escape under everyone's watchful eyes, elder Bai's expression couldn't help but turn gloomy.

“He actually let him escape. This kid is terrifyingly calm,” elder Bai said darkly.

He had never thought that Qin Yu's thoughts would be so clear under such circumstances.

In elder Bai's expectations, Qin Yu should have knelt down and begged for mercy.

At this moment, Zi Ru, whose face was covered in blood, said furiously, “Elder Bai, you must kill this kid no matter what! You must!”

Elder bai sneered, “Don't worry, there's no need to rush. I want to see where he can run to.”

The Heavenly Cloud sect was a huge entity with countless disciples.

As long as they gave the order, they could search everywhere! It was naturally not that easy to escape.

Qin Yu shot all the way. Relying on his nearly indestructible divine power, he fled for an unknown period of time. Finally, he fled to a busy city and stopped.

After a long period of rapid escape, even Qin Yu couldn't help but gasp for breath.

He wiped the cold sweat off his forehead, then looked at his surroundings.

This was a bustling city. This bustling city was quite large, and it had all sorts of things to eat, drink, and play. It wasn't much different from the mortal world.

Qin Yu had just arrived at the saint-level, so he didn't know anything about the saint-level at all. As for the Tianyun sect, he knew nothing at all.

"F* ck, I just arrived at the Holy Region, and now I have to run away." Qin Yu couldn't help but curse.

Qin Yu didn't think much about it. The most important thing now was to find out more about the Tianyun sect and the Holy Region, and at the same time, find some energy to recover his spiritual energy. Thus, Qin Yu strode forward and finally stopped at a small stall.

It was a grocery store with all kinds of daily necessities on it.

"Boss, do you have a map of the Holy Region?" Qin Yu raised his head and asked.

The stall owner heard this and couldn't help but snicker, "A map of the Holy Region? Are you still asleep? Do you know how big the Holy Region Is?"

Qin Yu scratched his head and said, "How Big?"

The stall owner looked Qin Yu up and down and mercilessly mocked, "You won't be able to finish it even if you walk for ten lifetimes!"

Qin Yu knew that the holy region was quite huge, but the stall owner's words were a bit too exaggerated.

"But I do have a map of the Li Prefecture here. Do you want it?" The stall owner suddenly changed the topic and took out a rolled up parchment.

"Where is the Li Prefecture?" Qin Yu asked in puzzlement.

The stall owner said somewhat impatiently, "The place we are standing on is the Li Prefecture."

"Alright, give me a portion." Qin Yu stretched out his hand and said.

The stall owner said with a smile, "10,000 spirit coins."

10,000 spirit coins?

What was a spirit coin?

Qin Yu's heart was filled with doubt. He sneaked a glance at the stall owner and saw that the stall owner's face was filled with the craftiness of a businessman.

Qin Yu did not reveal his expression and said indifferently, “Do you think I’m very poor? It’s just 10,000 spirit coins. I’ll give it to you.”

Then, Qin Yu pretended to take the money out of his pocket.

The stall owner quickly poked his head over and looked at Qin Yu’s pocket.

Just when he let down his guard, Qin Yu suddenly reached out his hand and snatched the map, then ran away.

“I don’t have money. When I have money in the future, I’ll pay you back tenfold!” Qin Yu shouted as he ran.

“F* ck you!” The stall owner jumped thirty feet high and shouted.

Chapter 1258 Chapter 1,258, the seven continents of the saint-level

Qin Yu was so tired that he was sweating profusely.

Qin Yu had never imagined that he would be in such a sorry state after arriving at the saint-level.

“Fortunately, I’ve got the map.” Qin Yu took a deep breath.

He looked around, then found a small teahouse and sat down. He then took out the map.

The place where Qin Yu was located was called Lizhou. It was one of the seven continents of the holy region.

Lizhou was divided into five regions. They were South region, East Region, North Region, West region, and thunder courtyard.

The Heavenly Cloud Sect was located in the South region, which was the land under Qin Yu's feet.

In the South Region, the Heavenly Cloud Sect was an extremely huge sect. It could be said to be the number one sect in the South region.

However, this map was too simple and crude. Other than the simple markings on it, there wasn't much useful information.

"As expected of a profiteer," Qin Yu muttered to himself.

He kept the map and couldn't help but fall into deep thought.

The currency here was called Spirit coins. Qin Yu didn't know how to obtain it.

As for that anger, Qin Yu had no way to ask.

"From this map, the Heavenly Cloud sect seems to be very strong," Qin Yu said in a low voice.

He wanted to seek refuge with Chang Mang and the others, but Qin Yu had no idea about Chang Mang and the others.

As for what kind of existence the heavenly cloud sect was, and what kind of experts they had, Qin Yu had no idea either.

Soon, Qin Yu felt a trace of hunger in his stomach.

Ever since the spiritual energy disappeared, Qin Yu had a feeling of hunger, not much different from an ordinary person.

"F* ck." Qin Yu couldn't help but curse in his heart.

He didn't have any money on him, and even eating became a problem.

“Don't sit here if you don't drink tea. I've been watching you for a long time. Hurry up and get out!”The people from the small teahouse also ran over and waved their hands.

Although Qin Yu was a bit unhappy, he still walked out obediently.

“F* ck, a single coin really can't beat a hero, “Qin Yu couldn't help but curse.

It was truly hard to imagine that a top-notch expert would actually be reduced to a state where even eating was difficult.

In the next few days, Qin Yu basically wandered around this bustling city.

The size of the saint-level was beyond Qin Yu's imagination. Just this bustling city alone was comparable to a city. Qin Yu walked for a few days, but he still couldn't see the border.

At this moment, Qin Yu's stomach was already extremely hungry.

“If this goes on, I'm afraid I'll F * cking starve to death, “Qin Yu said with a frown.

After thinking about it for a long time, Qin Yu finally decided to find someone to 'borrow'some. At most, he would return it to him when he became rich in the future.

Thus, Qin Yu came to a restaurant.

The restaurant was filled with Phoenixes and dragons, and it was full of grandeur. Waves of fragrance assaulted his nostrils.

From time to time, there would be people dressed luxuriously coming in and out of the door. There was no sign of a single person passing by. “It’s him.”Qin Yu licked his lips and Strode into the restaurant.

After he sat down, the waiter quickly brought over the menu.

The menu surprised Qin Yu even more. There were red-braised sawtooth tigers, roasted bone cattle, and boiled black-horned dragons.

Any one of them was a rather famous demon beast.

And the price was naturally not cheap. A single dish cost a few hundred spirit coins.

“So damn expensive.”Qin Yu couldn’t help but curse.

A waiter at the side said, “These were all captured from the green rock forest by a mighty realm cultivator. The price is naturally higher. How could ordinary people have the chance to eat the meat of such a Demon Beast?”

Qin Yu didn’t know what the Green Rock Forest was at all, but he knew quite a bit about the mighty realm.

He looked at the waiter in surprise and exclaimed, “The mighty realm... is going to catch Demonic Beasts to supply you?”

“Haha, Is It Very Strange? These mighty realm experts can earn at least ten thousand spirit coins by going to the green rock forest once. Of course, the Green Rock Forest is full of dangers, and many mighty realm experts have died there,”said the waiter.

Qin Yu couldn’t help but be greatly shocked.

This holy region truly lived up to its reputation. If it was on Earth, a mighty realm expert would be able to sweep away everything, but in the holy region, it had actually fallen to such a state.

However... To Qin Yu, this could be considered a way to earn money.

“Since I’m here to eat for free, I might as well ask for more,” Qin Yi said in her heart.

Thereupon, Qin Yu returned the menu to the waiter and said, “Give me a portion of this

page.”

The Waiter Looked Qin Yu up and down and said, “Can you finish it all by yourself?”

“Why do you care if I can finish it all? Just hurry up and serve it, stop talking nonsense!” Qin Yu slammed the table and shouted.

Seeing that Qin Yu was so confident, the waiter didn’t doubt him and quickly turned back to the kitchen.

Qin Yu touched his chin and muttered, “Sigh, this holy region is really different from what I imagined.”

While waiting for the meal, Qin Yu’s eyes scanned his surroundings.

Soon, he locked onto a young man.

This young man was dressed luxuriously and had an extraordinary bearing. Beside him stood two bodyguards.

Although Qin Yu couldn't see the strength of the two bodyguards, he was certain that this person must be from a wealthy family.

The world of cultivators was even more cruel. There were very few people at the top of the pyramid, and the people at the bottom were like ants.

Therefore, those who could afford to hire bodyguards naturally had a rich family background.

Soon, the food was served.

Looking at the table full of meat, Qin Yu, who had been hungry for a few days, did not waste any time and immediately began to wolf down the food.

After a whirlwind, almost all the food on the table was eaten.

Qin Yu patted his stomach in satisfaction, intending to find an opportunity to escape.

At this moment, a few people suddenly walked in from outside.

They were dressed in brocade robes, and the fluctuations of their internal Qi were extraordinary.

On their brocade cannons, a cloud-shaped pattern was impressively printed.

“They are from the Heavenly Cloud Sect!” Very soon, someone recognized their identity.

Qin Yu secretly thought that something was wrong, and his brows furrowed slightly.

“I didn’t expect to find you so quickly,” Qin Yu said in a low voice.

Chapter 1259 Chapter 1,259, wanted by the Heavenly Cloud sect

Qin Yu looked coldly at the disciples of the Heavenly Cloud Sect, but he didn’t feel much fear in his heart.

Even their elder, Qin Yu, wasn’t afraid at all, let alone just a few disciples.

“Sirs, please come in.”

Those people glanced at the waiter, then took out a portrait and said coldly, “Have you seen this person?”

The person in the portrait was none other than Qin Yu.

Qin Yu slightly narrowed his eyes, and divine power surged all over his body. He seemed to be ready to make a move.

The waiter stared at it for a long time, then shook his head and said, “I haven’t seen him.”

The people of the Heavenly Cloud sect nodded and said, “Put this picture on the wall. Tell us immediately if you see him.”

“Don’t worry, I Will!” The waiter said eagerly.

These people didn’t say anything more and immediately strode over.

They released their divine sense, as if they wanted to find Qin Yu’s figure.

However, at this time, Qin Yu didn't have any fluctuation of spiritual power, which caused them to be unable to catch Qin Yu.

As the saying goes, coincidences don't make a book.

There was no space in this restaurant. They looked at each other and then walked toward Qin Yu's position.

They sat down opposite Qin Yu and said coldly, "Are you done eating? Hurry up and leave after you're done."

Qin Yu picked his teeth and said, "I'm not done eating."

"Get lost if you're not done eating. We have commandeered this table," another disciple said coldly.

Qin Yu sneered and said, "You commandeered it? What does it have to do with me? I said I commandeered your wife. Can you send your wife to me later?"

As soon as these words were said, everyone in the restaurant couldn't help but gasp!

"Damn, a warrior..."

"Challenging the heavenly cloud sect is really... audacious."

The faces of the few disciples of the Heavenly Cloud sect instantly turned cold.

One of them even drew a long sword and pointed it at Qin Yu's neck, saying coldly, "Do you know who you are talking to?"

Qin Yu opened his mouth and was about to speak when the luxuriously dressed young master at the next table walked over.

He cupped his hands and said, "Sirs, there's no need to be angry. How about this? Why Don't you come to my table? Today's meal is on me."

Qin Yu raised his head and glanced at the young man.

This young man was none other than the young man Qin Yu intended to rob from him.

The people from the heavenly cloud sect coldly said, "None of your business. Scram to the side."

After saying that, they continued to coldly look at Qin Yu and said with a smile that was not a smile, "If you cut off your own legs now, we might be able to spare you."

Qin Yu also said indifferently, "Leave the money you have on you and scam immediately. I can also spare you."

"Hahaha!" The people from the Heavenly Cloud sect couldn't help but laugh loudly.

"No one dares to talk to us like that!"

"A trash who doesn't even have spiritual power dares to challenge us like this. He doesn't know death!"

With that, the sword brought along a sharp wind and stabbed towards Qin Yu's glabella!

When everyone saw this, they couldn't help but sigh in their hearts.

Another human life.

“Clang!”

But in the next second, everyone was stunned.

Qin Yu stretched out two fingers and easily caught the sword.

That Disciple’s expression changed slightly. He tried to struggle, but found that he couldn’t break free at all!

Then, Qin Yu exerted a little strength with his hands, and a clear buzzing sound was heard.

The sword broke with the sound! As for that disciple, he took a few steps back!

The expressions of those disciples instantly turned ugly.

They looked at Qin Yu warily and said coldly, “We are from the Heavenly Cloud sect. Who Are You? Aren’t you afraid that our sect will blame us?”

“I have already offended the heavenly cloud sect. What’s there to be afraid of?” Qin Yu slowly raised his head and said with a faint smile.

The few of them sized up Qin Yu’s face and then exclaimed, “You... you are that Qin Yu!”

Before they could react, Qin Yu’s Iron Fist had already arrived!

In just a short ten seconds, these few people were beaten into meat paste and fell to the ground.

The surroundings were silent.

How many years had it been? Someone actually made a move against the heavenly cloud sect, and his methods were so decisive!

Under the watchful eyes of everyone, Qin Yu wiped the blood stains on his body.

Then, he walked in front of these people and searched around, taking all the money he had with him.

“F* ck, they are quite rich.” Qin Yu shook the money bags and found that these people actually had thousands of spirit coins on them.

Qin Yu casually took out a money bag and threw it to the waiter at the side, saying, “Waiter, pay the Bill!”

The waiter hurriedly returned the money bag and said with a terrified expression, “I don’t dare to take it. Just... just treat it as our treat. Hurry up and leave.”

Qin Yu took back the money bag and rolled his eyes, saying, “Forget it, save it.”

This place was not a place to stay for long. Qin Yu did not dare to waste time and immediately strode out of the restaurant.

He walked on the street in boredom. For a moment, he didn’t know where to go.

Qin Yu’s understanding of the holy region was pitifully low. He didn’t have many friends here, not even a person to consult.

This also caused Qin Yu to lose his target for a short period of time, not knowing what to do.

“Friend, please wait a moment.”

At this moment, a voice suddenly came from behind Qin Yu.

Turning around to look, it was actually that luxurious young master from the restaurant just now.

“Brother, please wait a moment.” The young man said with a smile.

Qin Yu sized him up and said, “What’s the matter?”

The young man said with a smile, “Brother has offended the heavenly cloud sect. I’m afraid you don’t have any good places to go now. Why Don’t you come with me?”

Qin Yu raised his eyebrows and said in surprise, “You plan to find a hiding place for me? Aren’t you afraid of getting yourself into trouble?”

The young man smiled and said, “I like to make friends widely, especially those who are brave and capable.”

Qin Yu thought for a moment and said, “Then I’ll have to trouble you, Brother.”

Chapter 1260 Chapter 1,260, treacherous person

Originally, Qin Yu had planned to rob him, but he didn’t expect this young man to be so enthusiastic. This made Qin Yu somewhat embarrassed.

He followed behind the young man and walked in a certain direction.

On the way, Qin Yu asked casually, “Is the Heavenly Cloud sect very powerful?”

The young man smiled and said, “Of course. It can be said that no one in the South Province is willing to offend them. Even the city lords of some small cities have to rely on the heavenly cloud sect to survive.”

Qin Yu rubbed his chin and continued to ask, “Then what kind of experts does the heavenly cloud sect have behind them?”

“I really don’t know much about this, but I know that there are quite a number of people at the peak of the mighty figure realm,” the youth continued.

Qin Yu nodded slightly.

This didn’t surprise Qin Yu. After all, this was the holy region where experts were as numerous as the clouds.

“By the way, do you know the Yan Family?” Finally, Qin Yu couldn’t help but ask this question.

The young man asked as he walked, “Yan Family? You mean the Yan family in the Central Plains?”

Qin Yu hurriedly asked, “Central Plains? You mean the Yan family is in the Central Plains?”

The young man smiled and said, “If the Yan family that you mentioned is the Yan family that I understand, then it is in the Central Plains.”

“Not only the Yan family, the nine great aristocratic families are all in the Central Plains.”

Qin Yu immediately took a deep breath.

“Central Plains... looks like I have to go to the Central Plains, “Qin Yu muttered softly.

When the young man heard this, he couldn't help but laugh. “Friend, do you know how far this place is from the Central Plains? Many people spend their entire lives unable to get even half a step closer to the Central Plains.”

Qin Yu frowned slightly as he waited for him to continue.

The young man continued, “Li Prefecture is at least several million stars away from the Central Plains. Even a mighty realm expert would find it difficult to travel by foot.”

“Furthermore... Li Prefecture is surrounded by the green rock forest. The entire Li Prefecture is surrounded by the green rock forest. Once you leave Li Prefecture, you won't be able to see the edge of the Green Rock Forest.”

Qin Yu hurriedly asked, “What is this Green Rock Forest?”

The youth said with slight surprise, “You don't even know about the Green Rock Forest?”

At this point, the youth took out a map.

This map was much more detailed than the one Qin Yu had snatched.

From the map, it seemed that the surroundings of Li Prefecture were indeed an extremely vast mountain forest.

And this mountain forest was the green rock forest.

If one wanted to reach the central prefecture, they would have to pass through the extremely vast green rock forest.

“There are extremely powerful demonic beasts in the Green Rock Forest, and many tribes are stationed there. There are many dangers, and who knows how many mighty realm experts have died in the Green Rock Forest,” the young man explained.

“If you want to pass through the Green Rock Forest, it’s as difficult as ascending to the heavens.”

Qin Yu gently stroked his chin and said in a low voice, “Then is there no way to reach the Central Plains?”

“Of course there is. In addition, there are many ways. “The youth said with a faint smile.

“For example, if you have sufficient strength, or if you have a battleship, or if you have a teleportation formation, all of these can lead you to the Central Plains.”

Qin Yu wanted to ask more questions, but at this time, the young man stopped in his tracks and said with a smile, “We’re here.”

Raising his head, he saw a manor that was neither big nor small in front of Qin Yu.

Qin Yu sniffed. In this manor, he seemed to be able to smell a faint scent of blood.

“Don’t worry. I’ve received quite a few friends here who are suffering and injured, so it’s hard to avoid the smell. I hope brother won’t mind.” The young man cupped his hands and said.

Qin Yu nodded and said, "It's good enough to have a place to go. I naturally don't mind."

He followed the young man into the mansion. The mansion wasn't big, but it had all the internal organs.

"Brother, you stay here for a while. I'll make some arrangements." The young man cupped his hands and said.

Qin Yu hurriedly pulled the young man and said, "By the way, do you know where there's anger?"

"Anger?" The young man was slightly surprised.

"Yes, it's the anger that corresponds to the Twilight Qi," Qin Yu explained.

The young man touched his chin and said, "This kind of thing is not common. I'm afraid I can't help. Perhaps those big aristocratic families and sects have it."

Qin Yu nodded and didn't ask any more questions.

"Give me your map?" At this time, Qin Yu suddenly said.

The young man smiled. "Of course."

He immediately threw the map to Qin Yu, then said, "These two are my personal guards. If you need anything, you can look for them."

"Okay." Qin Yu nodded and agreed. After the young man left, Qin Yu opened the map.

From the map, it seemed that the holy region was much bigger than he had imagined.

If the size of a star was equivalent to a kilometer, then this saint-level region would probably be several hundred times the size of Earth.

Just this small Li Prefecture alone was much larger than Earth.

Li Prefecture was relatively more remote, and the most prosperous one was naturally the central prefecture.

It was the most vast, and also the place with the most abundant resources.

The various great clans were all stationed there.

I have to think of a way to get to the Central Plains, Qin Yu thought to himself.

Right now, the most important thing for Qin Yu was to find his vitality as soon as possible and recover his spiritual power.

Just like what elder Bai said, without spiritual power, many spells could not be used. This was undoubtedly his fatal weakness.

Qin Yu sat on the bed, and his mind could not help but start to run wild.

“I wonder how Chang Mang and the others are doing now,” Qin Yu muttered softly.

Just as Qin Yu was running wild with wild thoughts, a few colorful lights suddenly flashed around the mansion. Although it was fleeting, it still caught Qin Yu’s attention.

He sat up from the bed, his brows slightly furrowed, as if he was thinking about something

“Not good!”

Qin Yu thought to himself that something was wrong, and turned around to leave.

But at this moment, a cry sounded from outside the door.

Then, he saw someone riding an auspicious-colored beast in the sky and arriving here.

It was a man wearing armor that looked like a general. His entire body was wrapped in silver-colored ice-cold armor, only revealing a pair of vulture-like eyes.

Behind him, there was still a large group of people, each of them full of fighting spirit.

“People from the Heavenly Cloud Sect.”Qin Yu immediately frowned.

After that, that young man also appeared beside them.

Seeing this scene, Qin Yu’s expression instantly turned cold.

“You Lied to me?”Qin Yu narrowed his eyes slightly and said coldly.

That young man laughed loudly and said, “Don’t you think that I would offend the Heavenly Cloud sect for the sake of an unknown kid? Don’t blame others, if you want to blame someone, blame yourself!”

Qin Yu’s expression was extremely cold. He had not expected this young man to be so sinister.

But now was not the time to think about this. He immediately turned around and planned to escape.

But at this moment, rays of light rose in all directions, instantly enveloping the entire mansion and blocking Qin Yu's path.

"You want to escape?" The young man could not stop laughing coldly.

"If it was so easy for you to escape, why would I expend so much effort to lure you here?"

Qin Yu swept his gaze towards the barrier surrounding the mansion and thought to himself that things were not looking good.

SUII

He did not know what kind of formation this barrier was, but it was indestructible and no one could escape it.

"You really taught me a lesson." Qin Yu narrowed his eyes and looked at the young

man.

The young man said with a faint smile, "You're welcome. This is what I should do."

Having said that, he no longer paid attention to Qin Yu. Instead, he turned around and looked at the man who was wearing armor and sitting on a strange beast.

"Protector Ren, I helped the Heavenly Cloud sect capture him. Please remember this for me." The young man cupped his hands and said.

The man who was called protector Ren said coldly, “Don’t worry. The Heavenly Cloud sect will never owe anyone a favor.” “Thank you, Protector Ren. I’ll take my leave first.” The young man cupped his hands and turned to leave.

Protector Ren stood in the air and said coldly, “Do you want to go back with us, or do you want me to kill you on the spot?”.

Qin Yu narrowed his eyes and said with a cold smile, “Cut the crap. Let’s see what the real deal is.”

Protector Ren didn’t say any nonsense. He waved his hand and the people behind him immediately surrounded Qin Yu.

In the next second, a silver spear appeared in Protector Ren’s hand.

The silver spear flickered with a cold radiance, and a cold killing intent assaulted his face.

“Buzz!”

Protector Ren did not waste his breath. He thrust the silver spear in his hand at Qin Yu.

All kinds of precious splendor interweaved on the silver spear, and a boiling flame was approaching Qin Yu!

was

Qin Yu did not know Protector Ren’s ability, so he naturally did not dare to be negligent. He immediately leaped into the air and hurriedly dodged.

However, this guardian was very powerful, and his speed was even faster.

The silver spear in his hand stabbed faster and faster. In an instant, the sky was filled with spear shadows, and there was nowhere to hide.

The many disciples behind him also worked together to set up an array, trapping Qin Yu in an extremely narrow position.

Qin Yu, who had nowhere to hide, could only shout loudly and clench his fist to meet the Attack!

This was a fleshly fist that didn't have any spirit energy. When it met Guardian Ren's long spear, it couldn't help but make people feel that it was shocking.

With a loud bang, guardian Ren's wrist instantly felt a huge backlash. The strength of this force far exceeded guardian Ren's imagination!

His pupils constricted violently, and he frowned as he said, "Such a tough fleshly body is simply comparable to the prehistoric strange beasts in the Green Rock Forest."

Qin Yu's expression became even colder. In the battle just now, Qin Yu's fist had also received a huge impact, but it was not affected much.

With his current body, it would be very difficult for guardian Ren's silver spear to hurt him.

Guardian Ren did not say anything more. He held the spear with both hands, and specks of divine light quickly interweaved on the body of the spear.

This light was extremely dazzling, and the silver spear was filled with the momentum of sweeping through a thousand armies!

Qin Yu's eyes were incomparably cold, and his divine power was boiling. After he shouted loudly, he actually took the initiative to attack!

“Courting death.” Protector Ren snorted coldly, and the silver spear in his hand quickly swung out!

This silver spear had the power to split open the sky, sweeping everything in its path. Wherever it passed, space shattered!

But Qin Yu was completely unafraid. His blood essence boiled, and his hair danced wildly. His fists were brandished to the extreme.

“Boom!”

After a huge collision sound, guardian Ren was instantly repelled by the huge force!

Before he could react, a huge divine mountain suddenly condensed above his head!

This Divine Mountain was the venerable fifth mountain. With the increase in Qin Yu's strength, the venerable fifth mountain became even more magnificent and majestic. Its strength was also incomparably tyrannical!

“Magic Weapon?”

Guardian Ren sneered, and the long spear in his hand immediately went up to meet it.

“Clang!”

A clear sound exploded at this moment! However, the power of the venerable fifth mountain was beyond imagination. His silver spear blocked it for less than a moment before it came crashing down.

A huge force rolled over, and guardian Ren and his butt sat up and quickly pressed down on the ground!

“Not good!”

Guardian Ren seemed to have sensed that something was wrong. He hurriedly activated his divine art and left.

The Strange Beast under his butt was not so lucky. Under this vast divine power, it roared continuously and its cries shook the sky.

No matter how much its blood boiled, it was unable to resist the crushing force of the venerable fifth mountain.

“Boom!”

The Venerable Fifth Mountain fell to the ground fiercely. The Strange Beast was instantly crushed into pieces and crushed into a pile of meat paste.

Qin Yu recalled the venerable fifth mountain.

The Venerable Fifth Mountain appeared in Qin Yu’s palm. It was shrouded in mist, like a divine mountain.

The venerable fifth mountain seemed to interact with Qin Yu’s divine power. As Qin Yu’s physical strength increased, the power of the venerable fifth mountain also increased several times.

Protector Ren looked coldly at the beast that was crushed into meat paste, and the killing intent on his body became even stronger.

“You have some ability, but no one can escape from the Heavenly Cloud Sect!”

Protector Ren roared, and the silver spear in his hand stabbed out once more!

This time, the silver spear was covered with talismans, and every captive was shining. An extremely terrifying power was emitted from the silver spear!

In the blink of an eye, the silver spear was already approaching Qin Yu’s glabella!

With such a fast speed, Qin Yu had no time to dodge.

He hurriedly dodged, but the tip of the spear still pierced half a centimeter into Qin Yu’s chest.

Traces of blood flowed down.

Meanwhile, Protector Ren, who was holding the silver spear, had a shocked expression on his face.

“Under such a secret technique, it actually only pierced half a centimeter,” protector Ren said with a frown.

He was just about to pull out the spear, but Qin Yu grabbed the silver spear in his hand.

Protector Ren’s expression changed slightly, and he subconsciously looked at Qin Yu.

“Your biggest mistake was being so close to me,”Qin Yu said coldly.

Protector Ren immediately felt that something was wrong. He wanted to shoot out, but it was already too late.

Qin Yu followed the silver spear and closed in. Then, he punched Protector Ren’s face.

With a clang, a huge sound of steel colliding exploded in the sky!

“I’m wearing a sacred armor. It’s impossible for you to hurt me!”Protector Ren said coldly.

However, what responded to him was only a pair of iron fists!

Bang

The second punch also landed on Protector Ren’s face. This punch instantly shattered protector Ren’s armor!

This so-called sacred armor was actually shattered by two punches!

Chapter 1262 Chapter 1,262, shattering the body

Protector Ren’s expression changed drastically. He immediately threw away the silver spear and shot backwards.

The armor on his face had already been shattered, and the fragments had even pierced into his face.

Fresh blood flowed down his cheeks, adding a bright red to the pure silver color.

Qin Yu grabbed the silver spear, then suddenly exerted force in his hand and threw it at Protector Ren!

Qin Yu's divine power was extremely terrifying. The power contained in this casual throw was almost enough to pierce through the sky!

Protector Ren knew this very well, so his hands were stained with streaks of divine light. He wanted to use this to dissolve Qin Yu's divine power. "Chi la!"

wer.

However, the moment he touched it, the radiance of Protector Ren's palm was directly torn apart!

He had guessed that Qin Yu's power was extremely terrifying, but he did not realize that this power was far beyond his imagination!

Protector Ren gritted his teeth. He gripped the silver spear tightly, allowing the distance between the spear and his palm to tear.

Fresh blood flowed down. The radiance, holy armor, and flesh on his hand were all torn apart, revealing white bones.

This was undoubtedly extremely embarrassing for Protector Ren.

As a protector of the Heavenly Cloud sect, he was well-known throughout the entire South Province. His status was extremely high, but today, he had undoubtedly lost all face.

Qin Yu looked coldly at guardian Ren and said, "I don't want to be your enemy. The instigator of all this is elder Bai. I hope that your sect will be able to investigate."

However, how could guardian Ren give him the chance? He said coldly, “My Tianyun sect never needs a reason to kill. If I let you die, you will die.”

“What a tyrannical sect.” Qin Yu laughed coldly.

Indeed, the world was as Black as crows. Compared to the mortal world, the holy region was even more cruel.

In this place, those without strength could only be reduced to fish meat at the mercy of others!

“If that’s the case, then let’s fight.” Qin Yu shouted coldly.

Protector Ren knew very well that he couldn’t get close to Qin Yu, so he was extremely vigilant.

He tried to use a spell, but when the spell hit Qin Yu’s body, it didn’t hurt him at all.

“What a tough body,” protector Ren thought to himself.

This body was no weaker than the top beasts in the green rock forest.

“Since I can’t kill you, I’ll capture you and bring you back to the sect,” protector Ren said coldly.

Then, he shouted, “Everyone, get into formation!”

After a loud roar, all the disciples stood in all directions.

Their bodies emitted an extremely strange radiance. Each of them seemed to have transformed into a magic artifact, fusing all the radiance together and covering Qin Yu within.

Seeing this scene, Qin Yu's heart thumped, and his expression couldn't help but change slightly.

If he was captured and brought back, then he would be in trouble.

tas

Although Qin Yu's physical body was invincible, it didn't mean that the heavenly cloud sect didn't have the ability to kill Qin Yu.

They could either wipe out Qin Yu's divine sense or bind Qin Yu for a long time!

Soon, the Rays of light covered Qin Yu's body and bound his limbs.

This force was so great that Qin Yu was almost unable to move.

However, after sensing this force, Qin Yu didn't panic. Instead, he heaved a sigh of relief.

Fortunately, this spell was only used to bind the physical body, not divine sense.

As long as it was not a spell that targeted divine sense, Qin Yu was not afraid at all.

The silver spear in Protector Ren's hand shook. The originally indestructible silver spear actually became soft at this moment. Like a small silver snake, it merged into the light.

In an instant, Qin Yu's body was bound even tighter. Qin Yu tried to struggle, but he found that this spell was extremely strange. It was clearly just a ray of light, but it brought a substantial sense of restraint.

Protector Ren looked at Qin Yu coldly and said, “Even if I can’t kill you, I can still bring you back to give you an explanation.”

Qin Yu didn’t say a word. His eyes narrowed slightly, and from the gaps of his eyes, an ice-cold light emitted.

This spell was indeed extremely strange. Qin Yu tried to struggle free, but he found that he couldn’t break free at all.

Protector Ren walked toward Qin Yu with big steps. He raised his huge palm and grabbed Qin Yu’s head.

However, at this moment, Qin Yu suddenly reached out and grabbed protector Ren’s wrist.

Protector Ren’s expression changed and he felt as if his back was being stabbed!

“Not good, he broke free from this spell!” Protector Ren shouted.

There was no other reason other than Qin Yu had used the battle word formula.

Although it was only the first level, he still easily broke free from this power.

“Bang!”

Before Protector Ren could escape, Qin Yu had already thrown a punch at his chest.

The first punch directly shattered the silver sacred armor that covered his body!

The second punch shattered the flesh and bones on his body.

The third punch caused Protector Ren to spit out blood continuously and his internal Qi became dispirited.

However, this protector Ren was a mighty realm expert with rich battle experience after all. It was naturally not so easy to kill him.

Seeing that things were not looking good, he quickly released his primordial spirit and decisively abandoned his physical body and fled.

That illusory primordial spirit turned into a stream of light and disappeared without a trace in the blink of an eye.

Protector Ren's body fiercely fell down, shaking the ground and stirring up smoke and dust.

The surrounding disciples could not help but change their expressions.

They also did not expect protector Ren to be so decisive.

Although he could survive without his physical body, it would not be so easy to recover in a short period of time.

Most importantly, his physical body was already dead. Who knew how many people saw this scene.

If it was spread out, it would not only embarrass guardian Ren, but the entire heavenly cloud sect.

“Retreat.”

Seeing that the situation was not good, these disciples hurriedly left.

Qin Yu did not chase after them because the Tianyun sect was extremely powerful. No one could guarantee that they would not send reinforcements.

Thus, Qin Yu smashed the array formation in the mansion with one punch and then fled.

On the other side, Protector Ren fled back to the Tianyun sect in an extremely sorry state and chose to enter closed-door cultivation that day.

And this matter naturally spread very quickly.

The Tianyun sect, which had not suffered a setback for many years, not only had a few disciples been killed in public, but they had also repelled a protector. For a time, it was unknown how many people's attention had been attracted.

“That person called Qin Yu seems to have just been extradited by the Heavenly Cloud Sect.”

“That's right. He has just arrived and has already shown his might to the heavenly cloud sect. I'm afraid this Qin Yu is not simple.”

“Rumor has it that he can not cultivate and can only rely on his physical body. That's why he was chased out by the Heavenly Cloud sect. As a result, they have formed an enmity with him.”

“It's useless. He has offended the heavenly cloud sect in the southern province. I'm afraid he has no place to stand.”

Chapter 1263 Chapter 1,263 will be snatched away by you in a moment

The Heavenly Cloud sect sent out a protector, but he was almost killed. This undoubtedly brought shame to the entire Heavenly Cloud sect.

They controlled the sovereignty of most of the cities in the South Province. If their prestige was lowered, it meant that someone would challenge their position.

Therefore, the heavenly cloud sect had to think of a way to get rid of Qin Yu as soon as possible and regain their lost face.

On the other side, Qin Yu had already escaped far away.

Fortunately, he had money on him now, so he bought a new set of clothes for himself and covered his whole body.

Qin Yu's body did not have any spiritual power fluctuations, so it was not easy to find him.

He found a place to stay for the time being, and only when he entered the guest room did he take off his heavy clothes.

“Tianyun sect...”Qin Yu muttered softly.

This time, the Guardian did not surprise Qin Yu too much.

It was not an exaggeration to say that if he gave it his all, guardian Ren would not be a match for Qin Yu at all.

As long as Qin Yu used the battle word formula, killing him would be effortless.

However, it was impossible for Qin Yu to resist the entire Tianyun sect by himself.

After thinking about it, he still had to find a place to stay.

Most of the people who came to the holy region through the ancient array platforms had guides, so they could have a general understanding of the Holy Region.

However, the relationship between Qin Yu and the Heavenly Cloud sect was broken, so he had no way to understand the holy region.

I still have to find a place to stay, Qin Yu thought in a low voice.

Relying on his own exploration, he didn't know when he would be able to gain some understanding of the holy region.

If he wanted to find life, it would probably take even longer.

Thus, Qin Yu took out the map of Li Prefecture and began to study it carefully.

Li Prefecture had a total of five major sectors, and these five major sectors were basically guarded by top sects.

Just like the Southern Prefecture, the Tianyun sect was basically the most respected.

Other than the Tianyun sect, there were also numerous sects and cities of all sizes.

However, these sects were basically useless and were far from the Tianyun sect.

“Now that I've offended the Tianyun sect, I'm afraid no one will dare to take me in, “Qin Yu thought to himself.

He originally wanted to hide his identity and find a random sect to investigate the situation. However, after thinking about it, he eventually gave up on this idea.

With the Heavenly Cloud Sect's ability, finding Qin Yu wasn't a difficult matter. If he was discovered, it would probably implicate others.

"With my current situation, there seems to be only one place I can go." Qin Yu stared at the map and said in a low voice.

That place was the green rock forest.

In the Green Rock Forest, there was a special occupation, that was hunters. They killed demonic beasts for money to make a living.

This was an extremely large organization. Almost all of the hunters had some ability.

And they also had a common trait. They were unwilling to listen to others, and they were even more unwilling to join any sect. They liked to travel alone. Slowly, these people gathered together and formed a unique force.

Even a huge figure like the heavenly cloud sect was unwilling to offend these hunters.

"It's him." Qin Yu pointed at the location of the border of the southern province on the map and said in a low voice.

This was extremely suitable for Qin Yu. Not only could he gather information related to vitality, but he could also guarantee his safety and freedom.

More importantly, by slaughtering these demon beasts, he might be able to obtain some supreme cultivation treasures from them.

He did as he was told. The next day, Qin Yu rushed towards the hunter organization according to the location on the map.

The hunter organization was located at the borders of the Southern Prefecture. The distance between them was much greater than Qin Yu had imagined.

From the map, they were only a few thousand stars away. However, after traveling for a day, Qin Yu was still extremely far away from the hunter organization.

“Damn, this is too tiring.” Qin Yu couldn’t help but curse to himself.

A saint-level combatant was much larger than Qin Yu had imagined. It was simply too difficult to traverse with just human strength.

He raised his head and looked at the sky. There were high officials and nobles riding auspicious beasts as they galloped through the sky.

Those who were slightly inferior could also ride on colorful glazed horses and gallop on the road.

“It seems that I still have to snatch a Flying Demon Beast,” Qin Yu thought to himself.

Thus, he found a restaurant and quietly waited for an opportunity.

While he was waiting, someone beside him suddenly whispered, “Have you heard? A guardian of the Heavenly Cloud sect was almost killed!”

“Mm, I’ve heard a bit. I heard that it was an outsider who had just arrived at the holy region. He beat Protector Ren until he abandoned his body and fled in a sorry state.”

“Your news is too outdated.” At this moment, someone beside him interrupted.

“According to the latest news I’ve received, the Heavenly Cloud sect has already dispatched three protectors. They’re preparing to kill that Kid.”

“Three protectors?”

“Mm, rumor has it that these three protectors have already reached the late-stage of the Almighty Realm, and are considered outstanding in the entire Southern Province.”

“TSK tsk, three late-stage of the Almighty Realm. I’m really looking forward to it.”

“Those three protectors are nothing.” Another person interrupted.

“Do you know who is leading the team?”

“Who? Could it be the great protector? Or the first elder? It Can’t be the sect leader, right?”

“Wrong, all wrong! The one leading this team is the young sect master of the Heavenly Cloud Sect!”

“The young sect master of the Heavenly Cloud Sect? That youth who is known as the number one genius of the Southern Region?”

“That’s right, it’s him. Rumor has it that this young sect master is only eighteen years old, but he has already stepped into the middle stage of the

Almighty Realm. Rumor has it that even the late stage of the Almighty realm might not be able to defeat him!”

Qin Yu sat at the side, quietly listening to their comments.

Young sect master?

Has This Heavenly Cloud Sect Gone Mad? Aren't they afraid of Qin Yu slapping their young sect master to death with a single slap?

“The number one genius of the South Province... interesting.” Qin Yu rubbed his chin and muttered softly.

Just as he was thinking, a strange beast that was flickering with light in the sky flapped its wings and descended.

That huge wing blotted out the sky and covered the sun, causing the originally bright restaurant to instantly turn gray.

The exotic beast landed on one side of the restaurant, and then a man dressed in expensive clothes walked down.

This person was full of internal Qi, and his aura was extremely extraordinary. One look and one could tell that he wasn't from an ordinary family. “Lord Meng is here.” Seeing this middle-aged man, the people in the restaurant stood up one after another and greeted Lord Meng.

Qin Yu's eyes, however, had been staring at the exotic beast at the door.

The exotic beast was locked by a golden glass lock. It stood there quietly, looking rather dazzling.

Lord Meng seemed to have noticed Qin Yu's gaze. He walked directly to Qin Yu and said with a faint smile, "Do you like it?"

Qin Yu was startled, and he hurriedly lowered his head and said, "I like it very much. It's very beautiful. Do you want to give it to me?"

"Give it to you? No, no, no, you've misunderstood. I'm just here to show off. This exotic beast is called the seven-colored divine Phoenix, but it can travel a hundred stars a day. I spent a whole 100,000 spirit energy to buy it," said Lord Meng proudly.

After saying that, he even sized up Qin Yu, and then said even more proudly, "Let me tell you this. With your looks, I reckon you won't be able to afford it in ten lifetimes. hahaha!"

Qin Yu couldn't help but snort softly in his heart.

Keep showing off. I'll snatch it for you later.

Chapter 1264 Chapter 1,264, Qingyan Forest

Master Meng seemed to like this kind of vanity that was the focus of attention. Seeing that Qin Yu did not have any reaction, he walked to the next table and continued to brag.

"You all know about my Meng family, right? That is a great aristocratic family that is known to have tens of millions of spiritual power!" Master Meng kept on bragging.

"There are eight demonic beasts like this in my family! Just my family's manor, in our entire city... Oh No, in the entire South Province, it can be counted with one's fingers!"

Qin Yu secretly glanced at this Lord Meng. As he stood up, he muttered, “Doesn’t this person know what it means to not leak money?”

Following that, Qin Yu placed the money on the table and walked out of the door.

When that Lord Meng saw that Qin Yu was planning to leave, he shouted, “Are you leaving already? I’ll let you touch my seven-colored divine Phoenix later.”

Qin Yu smiled and said, “No need, I’ll get one later too.”

“You Get One? Your Ass. Where did you get the money from?” Lord Meng muttered.

Qin Yu didn’t pay attention to him. He turned around and walked out of the restaurant, coming all the way to the seven-colored divine Phoenix’s side.

He saw the glazed lock on the seven-colored divine Phoenix’s neck shining. Under the binding of the glazed lock, the seven-colored divine Phoenix became extremely obedient.

“It’s really a pretty good exotic beast.” Qin Yu touched the smooth fur on its body and muttered softly.

Then, Qin Yu stretched out his hand and placed it on the glazed lock.

The moment he touched it, the glazed lock immediately produced a counterforce.

However, this force was nothing in front of Qin Yu.

“I’m afraid this lock can only be opened by a special spell or a secret key,”Qin Yu thought in a low voice.

“Unfortunately, I don’t have a secret key, so I can only open the lock by force.”

With that, the divine power in Qin Yu’s hand surged, and he grabbed the glazed lock fiercely.

Meanwhile, in the restaurant, Lord Meng was still bragging

“Lord Meng, that seven-colored divine phoenix is so valuable. Aren’t you afraid of losing it if you throw it outside the door?”Someone beside him asked.

Lord Meng patted his chest and said proudly, “A good horse with a good saddle. Even my father can’t open the glazed lock on my seven-colored divine Phoenix’s neck! It cost a whole ten thousand spirit energy to buy! Who can take it away?”.

“Master Meng Is Awesome!”The person next to him immediately boasted.

“Master Meng, there is a seven-colored divine phoenix outside that is exactly the same as your mount! Look, it’s flying!”

“Right, damn, it’s too similar, master Meng!”

“Oh? Let me take a look.”Master Meng raised his eyebrows and turned around.

He saw a seven-colored divine phoenix spreading its arms and flapping its wings to fly away.

“Grandpa Meng, Don’t you think it’s similar to yours?”

Grandpa Meng’s face turned black as he cursed, “That’s my F* cking seven-colored divine Phoenix! Kid, Hurry up and come down!”

Qin Yu waved at Grandpa Meng and said, “How is it? Did I get one too?”

“You F* CKING Fool Your Grandpa! Come Down for me!”

However, how could Qin Yu Pay attention to him? He sat on the back of the seven-colored divine Phoenix and flew up to the nine heavens.

However, this seven-colored divine Phoenix was snatched by Qin Yu after all, so how could it listen to Qin Yu’s orders.

Its huge body kept spinning in the sky.

Qin Yu patted his head and said, “Little Guy, I was the one who opened the glass lock on your neck. Shouldn’t you beat me up? Hurry up and send me to Qingyan Forest.”

However, this seven-colored divine Phoenix didn’t seem to understand him. It continued to spin in the sky.

“As long as you send me to the Green Rock Forest, I will give you your freedom. How about it?” Qin Yu continued to guide it patiently.

However, the seven-colored divine Phoenix still ignored Qin Yu.

“F* ck.” Qin Yu immediately lost his patience. He raised his palm and a huge force instantly pressed on the seven-colored divine Phoenix’s head.

“Hurry up and send me to the Green Rock Forest. Otherwise, I will smash your head right now.”Qin Yu’s body emitted a cold killing intent.

After feeling the power in Qin Yu’s hand, the seven-colored divine Phoenix immediately rushed towards the green rock forest.

“Damn, he’s really a beast.”Qin Yu couldn’t help but curse in his heart.

Although that Lord Meng loved to show off, he was right. This seven-colored divine Phoenix was indeed fast.

With the support of the seven-colored Divine Phoenix, Qin Yu’s speed increased by a lot.

Not only that, Qin Yu could also use the time on the road to comprehend the fighting word formula.

After flying for two days and two nights, the seven-colored divine Phoenix finally arrived near the Green Rock Forest.

The seven-colored divine Phoenix seemed to know about the hunter organization, and actually stopped at the side of the Hunter organization.

This organization was not as big as imagined, only seven or eight houses of various sizes.

Resources could be seen everywhere at the entrance of the houses, as well as demon beasts that had been killed.

Other than that, there were also many strong men walking around the entrance.

They seemed to be hunters that had returned from the expedition. Every one of them was stained with fresh blood.

The seven-colored divine Phoenix landed nearby. Its huge body immediately attracted the attention of countless people.

Qin Yu walked down from the seven-colored divine Phoenix. He patted the seven-colored divine Phoenix's neck and said, "Alright, you are free now."

The seven-colored divine Phoenix did not hesitate at all. It waved its arm and disappeared without a trace.

Then, Qin Yu walked toward the hunter organization.

At the entrance of a house, there was a small table.

This was the registration office of the Hunter organization. The person in charge of registration was a young man. The Young Man's face was full of unruly arrogance. On his face, there was an eye-catching scar.

Qin Yu walked over quickly and said, "I'm here to register."

After hearing Qin Yu's words, the young man glanced at Qin Yu and snorted coldly, "Another young master who came to throw his life away."

"Kid, let me tell you, every Hunter is born bathed in fresh blood. They are not here for you to play House." A strong man walked over and said.

Qin Yu was stunned and quickly reacted.

It must be that seven-colored divine phoenix that made them misunderstand their identity.

Therefore, Qin Yu explained, “I snatched that seven-colored divine Phoenix. It’s just convenient for me to travel. I have long looked forward to the hunter organization.”

“Oh?” The young man slowly stood up. He took out a stone that was shining with light and said, “Put your hand on it.”

Qin Yu frowned and said, “Another testing divine stone? Can you not test this thing?”

“It’s fine even if you don’t test it.” The youth sneered. “You can also choose to kill a Demon Beast at the mighty realm to prove yourself.”

Qin Yu didn’t even think before agreeing.

“A Demon Beast at the Mighty Realm, right? Alright, wait for me here for a few minutes.” Qin Yu said.

After saying this, Qin Yu walked towards the pitch-black green rock forest.

“Another rich young master who wants to come here for training. I hate people like him the most in my life,” said the youth with a cold snort.

“That’s right. Those pampered young masters don’t know the dangers of green rock forest at all. They really treat this place as a training ground,” said a brawny man with his arms crossed.

“Speaking of which, that Kid entered the green rock forest by himself. He won’t die inside, right?”

“He deserves to die. People like him deserve to die as well,” the young man said with a cold snort.

Ildn

At this moment, the cries of birds and beasts rang out in the mountain forest. The mountain rocks crumbled and large trees collapsed one after another.

Not long after, Qin Yu dragged a huge demonic beast out of the green rock forest slowly.

Chapter 1265 Chapter 1,265, the number one sect in the Southern Prefecture

Qin Yu threw the demonic beast in front of everyone. Then, he clapped his hands and said, "It's done."

The young man frowned slightly, and many strong men surrounded him.

"It's a scarlet rabbit beast," someone said.

"Mm, it's indeed a scarlet rabbit beast at the Mighty Realm."

The young man glanced at Qin Yu and snorted lightly. "You're quite good at picking. You chose the weakest Scarlet Rabbit Beast."

Qin Yu spread out his hands and said, "I encountered it as soon as I entered Qingyan Forest. I saw that it was in the mighty realm, so I killed it conveniently."

Hearing this, a trace of displeasure flashed across the youth's face.

"It's best not to be too vain, and also not to run wild with your words. Otherwise, you'll easily be at a disadvantage," the youth said coldly.

Qin Yu didn't want to argue with him anymore, so he said, "Anyway, I've already fulfilled your request. Now, it can be considered as joining the hunter organization, right?"

Although the young man was a little displeased, he still agreed.

Then, he called over a brawny man and asked this brawny man to bring Qin Yu along. At the same time, he also explained the rules of the hunter organization.

The Brawny Man's name was Guan Zhuang. His body size was extremely huge, and he was somewhat similar to Chang Mang.

"Guan Zhuang is an old hunter and has rich experience. You had better follow him closely. Otherwise, if you die, I won't be responsible," the young man said with a cold snort.

Qin Yu couldn't help but frown.

Why was this young man acting as if he had eaten gunpowder? His words were full of sarcasm.

"Brother, don't be angry. Jing Bai only has this temper. He can't stand those who treat this place as a place for fun." Guan Zhuang patted Qin Yu's shoulder.

Qin Yu nodded and said with a smile, "I understand."

Guan Zhuang nodded and said, "Follow me."

With that, Qin Yu followed behind Guan Zhuang and entered a house.

There were some protective gear and equipment in the house for the hunters to choose from.

“Although these equipment are not considered top-tier, they can protect your life at critical moments,” said Guan Zhuang.

Qin Yu took a look and shook his head, “I don’t really need these things.”

Qin Yu’s body was tougher than these protective gear. As for the equipment, it was even weaker than Qin Yu’s pair of Iron Fists.

However, this sounded a little strange to Guan Zhuang.

“Brother, don’t be too arrogant when you come to Qingyan Forest,
“Guan Zhuang said with a frown.

Qin Yu smiled bitterly and said, “It’s not that I’m arrogant, it’s that I really don’t need these things...”

Even Guan Zhuang was a little unhappy about this.

He waved his hand and said, “You youngsters... forget it, you can do whatever you want.”

After saying that, Guan Zhuang turned around and walked out.

Qin Yu followed behind Guan Zhuang like a follower.

Although Guan Zhuang was extremely dissatisfied with Qin Yu’s performance, out of responsibility, he still explained the rules of the hunter organization and Qingyan Forest to Qin Yu.

“Usually, we have orders here, and you can pick them yourself. The more difficult the order is, the more generous the reward will be,” said Guan Zhuang.

“For example, the Red Rabbit Beast You killed is considered inferior. It can only be sent to a high-end restaurant or eaten by everyone. The reward you will receive is only a little spirit coin.”

Qin Yu nodded and said, “Understood.”

Then, Guan Zhuang continued, “As for those orders, they are usually sent by the major organizations. They will pay a certain condition in exchange for the demon beast they want.”

Qin Yu nodded repeatedly and listened attentively to Guan Zhuang’s explanation.

At this moment, Guan Zhuang took out a map. This map was the nearby Green Rock Forest.

On this map, the vicinity of the Green Rock Forest was planned out.

Guan Zhuang pointed at a small area that was planned out and said, “This is our hunting area. Remember, you must not cross this line of defense.”

Qin Yu frowned and said, “Isn’t this too small?”

“Small? On the map, it is small, but in reality, it is extremely vast. It would take hundreds of years to finish it,”Guan Zhuang said.

Qin Yu nodded. That was true.

After this journey, Qin Yu had a general understanding of the size of the holy region.

That one star could be a kilometer long.

“By the way, why can’t we pass through this line of Defense?” Qin Yu pointed at the line drawn on the map and asked.

Guan Zhuang lightly snorted. “If we leave that line of defense, we’ll just wait for death. The depths of the green rock forest are filled with primordial beasts. Not just you and me, even a peak-stage mighty figure or even an expert might not be able to return alive.”

Hearing this, Qin Yu couldn’t help but gasp.

Even a peak-stage mighty figure couldn’t come back alive? Was the Green Rock Forest that terrifying?

One had to know that the entire Li Prefecture was surrounded by the green rock forest. If that was the case, it was simply impossible to travel to the Central Prefecture on foot.

“Oh Right, Big Brother Guan Zhuang, let me ask you a question.” At this moment, Qin Yu suddenly said.

Guan Zhuang nodded and motioned for Qin Yu to speak.

Qin Yu hurriedly said, “Do you know about the Heavenly Cloud Sect?”

“Heavenly Cloud Sect? The number one sect in the Southern Region, why?” Guan Zhuang asked.

Qin Yu continued to ask, “Just how strong is this heavenly cloud sect? And what realm is the sect master at?”

Chapter 1266 I’ll accept chapter 1,266!

Guan Zhuang muttered, “Since the Heavenly Cloud sect is known as the number one sect in the southern region, it’s naturally not for nothing.”

“It can be said that all the major sects in the Li region have some strength. Rumor has it that the Heavenly Cloud sect once produced a saint.”

Hearing this, Qin Yu immediately sucked in a breath of cold air!

A Saint? That was an existence that was unreachable!

Once one entered the saint realm, they would truly become a saint. It was definitely not something Qin Yu could compare to.

“Although that was many years ago, it’s not difficult for a saint to lead a top-tier sect,”Guan Zhuang continued.

“The treasures they left behind are enough to protect the sect for a long time.”

Qin Yu nodded slightly and said in a low voice, “In other words, it’s very likely that they have a saint weapon.”

“That’s right.”Guan Zhuang nodded slightly.

“As for the realm of their sect master, I’m not sure either. I only know that when they conquered the South Province a few years ago, no one was their match.”

Qin Yu frowned and said, “Is there no one who is their match in the South Province?”

“Of course there is,”Guan Zhuang said calmly.

“The South Province is so big, and there are countless top-notch martial artist. Not everyone is willing to establish a sect.”

“For example, the unique dance of Mount Hua Ning, Qu Zhu of Mount Ning Temple, Mr. Yong Ji of Eternal City, and... forget it, why are you asking so many questions?”. Qin Yu waved his hand and did not continue asking

However, these names were silently engraved in Qin Yu's heart.

“Oh right, there is one more question.” At this moment, Qin Yu suddenly thought of the key point.

“Do you know where to look for vitality?”

“Vitality?” Guan Zhuang raised his eyebrows and continued, “Are you referring to vitality?”

“That's right.” Qin Yu hurriedly nodded.

Guan Zhuang smiled and said, “There might be vitality in the bodies of the exotic beasts in Qingyan Mountain.”

Qin Yu was instantly overjoyed when he heard that.

He hurriedly asked, “Big Brother Guan, is what you said true? The exotic beasts in Qingyan Mountain have vitality?”

Guan Zhuang nodded slightly and said, “That's right. Not long ago, someone had struck out life energy, but the possibility of that is relatively low.”

Speaking up to this point, Guan Zhuang asked suspiciously, “What do you want life energy

for?”

Qin Yu frowned, but in the end, he did not say anything

He muttered, "I can't tell you for the time being, but... I need a large amount of life energy. If Big Brother Guan has any ideas, please be sure to tell me."

Guan Zhuang laughed and said, "Okay, if I find life force, I will definitely sell it to you at a low price!" Qin Yu cupped his hands and said, "Thank you very much."

As long as he found life force, Qin Yu would be able to recover his spiritual power.

With his current state, if he recovered his spiritual power, he did not know how powerful he would be.

"Okay, Go and prepare. I will bring you to Qingyan Forest in a while."Guan Zhuang patted Qin Yu and then walked away.

On the other side, Jing Bai was frowning as he looked down at the few orders in his hand.

These orders were extremely difficult. They had been placed here for a long time and either no one accepted them or they failed.

For these few orders, several members of the hunter organization had already died.

"Phew."Jing Bai slapped the orders to the side as a conflicted look appeared on his face.

"Jing Bai, What's Wrong?"A brawny man walked up and asked.

Jing Bai said in a deep voice, “These few orders have already caused the deaths of quite a few of our brothers.”

The Brawny man glanced at the orders and nodded. “En, these exotic beasts are extremely ferocious and difficult to kill, but the rewards are indeed tempting.”

“This is what I’m worried about.”Jing Bai frowned and said.

“Because the rewards are generous enough, there are always people who come to take them. And our principle is that we can’t refuse hunters to take over the orders, which leads to many deaths.”

At this point, Jing Bai couldn’t help but clench his fists.

He gritted his teeth and said, “In order to avoid future trouble, it’s better to tear up these orders.”

After saying that, Jing Bai reached out his hand, ready to tear the orders into pieces.

The Brawny man hurriedly stopped Jing Bai and said with a frown, “This doesn’t meet the requirements.”

“I’ll be responsible for what happens,”Jing Bai said coldly.

At this moment, Qin Yu and Guan Zhuang walked over from not far away.

“Qin Yu, you can take any order here. Because it’s your first time coming to the hunter organization, it’s best to take a simple order,”Guan Zhuang said.

As he spoke, Qin Yu looked at the order in Jing Bai’s hand.

“Can you show me the Order in Your Hand?”Qin Yu asked.

“No,”Jing Bai said without hesitation.

Qin Yu frowned and asked, “Why?”

“No reason,”Jing Bai said with a cold expression.

Qin Yu spread his hands. He was too calculative.

“Jing Bai, have you forgotten the principles of the organization?”.

At this moment, another person walked over from not far away.

This person had a slender figure and a noble expression. He formed a sharp contrast with the strong men around him.

When he saw this man, Jing Bai’s expression changed slightly.

“Team leader.”Guan Zhuang greeted him.

Then, the rest of the people also greeted him.

The team leader nodded one by one. Then, he looked at Jing Bai and said, “Jing Bai, why don’t you show the order to this brother?”

Jing Bai gritted his teeth. For a moment, he didn’t seem to know how to explain.

The team leader reached out for the order and was about to hand it over to Qin Yu.

But at this moment, Jing Bai grabbed the few orders in one go. A look of determination appeared on his face.

The team leader frowned and said, “Jing Bai, do you really want to violate the organization’s principles? Do you know the consequences of violating the principles?”

Jing Bai’s face became even more embarrassed. He hesitated for a long time before finally letting go.

Qin Yu took the orders from the team leader and looked at them carefully.

He found that the rewards for these orders were extremely generous. One of them even offered a high reward of 500,000 spirit coins.

tas CU

Qin Yu was currently in need of spirit coins. This 500,000 spirit coins would definitely solve the urgent matter.

Therefore, Qin Yu said without hesitation, “I’ll take this.”

“No!” But at this moment, Jing Bai shouted loudly.

He grabbed the order, he said coldly, “Newcomer, let me tell you. Just because of this order, several brothers have died. This 500,000 spirit coins is a trap. You’d better not aim too high, understand?”

Qin Yu scratched his head and said, “But I think I can complete it...”

“You can complete my ass! Do you know that because of this order, several of my close friends have died? !” Jing Bai’s eyes were wide open and his veins were exposed. He looked extremely angry.

Chapter 1267 Chapter 1,267, Spirit Monarch Lion

But at this moment, the team leader beside him said indifferently, “Jing Bai, have you completely forgotten the principles of the Hunter Organization?”

“No matter how dangerous this order is, we can’t refuse the Hunter.”

Jing bai said furiously, “Fine, I’ll take responsibility for this! I don’t want to see anyone die fearlessly anymore!”

After saying that, Jing Bai wanted to tear the order into pieces.

And this undoubtedly infuriated the team leader.

He grabbed Jing Bai’s wrist and said coldly, “Jing Bai, are you crazy?”

“So What If I’m Crazy? At most, I’ll just leave,”Jing Bai said coldly.

Their eyes met, and rays of cold light burst out.

The two of them seemed to be about to erupt into a great battle at any moment.

Qin Yu coughed and stretched out his hand to take the order.

“Big Brother Jing Bai, thank you for your kindness, but... leave this order to me,”Qin Yu said with a smile.

Jing bai immediately said angrily, “You... ! Newcomer, let me tell you, if you die, no one will collect your corpse!”

O one

Qin Yu smiled and said, “Don’t worry, I’m confident.”

Jing Bai's expression was extremely complicated. There was anger and frustration at the same time.

However, Qin Yu had already accepted it, so there was nothing he could do.

“Big Brother Guan Zhuang, let's go. You lead the way.” Qin Yu looked at Guan Zhuang.

Guan Zhuang grunted and led Qin Yu towards Qingyan Forest.

On the way, Guan Zhuang said in a deep voice, “Qin Yu, you are too arrogant. Jing Bai is right. Many people have already died in this order.”

Qin Yu smiled and said, “In order to prevent more people from dying, leave it to me.”

Guan Zhuang could not help but sigh in his heart when he saw this.

He had been in the Hunter Organization for many years and had seen countless new people.

These new people were arrogant and arrogant, but they had all paid a heavy price in the end, so Guan Zhuang was not surprised.

“Hopefully, there is a chance to save his life,” Guan Zhuang said in his heart.

“Big Brother Guan Zhuang, isn't this hunter organization a spontaneous organization? Why is there a leader?” Qin Yu asked doubtfully.

Guan Zhuang grunted and said, “In any place, as long as there are more people, there will definitely be an organization. This is unavoidable.”

Qin Yu nodded slightly. This was the truth.

“Then does this leader have great authority?” Qin Yu asked.

Guan Zhuang was silent for a moment and said, “It’s hard to say, but he has quite a high prestige among the hunters.” Qin Yu muttered, “I think he’s not as good as Jing Bai. Although this Jing Bai looks cold, he always thinks for the sake of the hunters.”

“That’s right.” This view was approved by Guan Zhuang.

He said, “Jing Bai is a young man with a sharp tongue but a soft heart. He has a very sense of responsibility.”

“Yeah, I’m just a newcomer, but he wants to stop me from taking this order and save my life.” Qin Yu placed his hands behind his head and muttered leisurely.

Guan Zhuang rolled his eyes and said, “Unfortunately, it’s useless. The newcomer is always disobedient.”

Qin Yu smiled and did not explain.

The demonic beast on this order was called the Spirit Monarch Lion, and it was an extremely powerful demonic beast.

However, other than its name, there was no other information on the order.

“Big Brother Guan Zhuang, can you tell me about the characteristics of this spirit Monarch Lion?” Qin Yu asked.

Guan Zhuang said in a deep voice, “The spirit monarch Lion’s biggest characteristic is its rough skin and thick flesh. We tried all kinds of methods, but we were unable to severely injure it.”

“Other than that, its teeth are extremely sharp. It can easily cut open a small mountain. Its powerful internal Qi even repelled other demonic beasts and formed its own territory.”

Qin Yu nodded slightly and muttered, “That’s good, as long as it’s not a speed-type contestant.”

To Qin Yu, what he was most afraid of right now was a fast opponent.

Because Qin Yu didn’t have any spiritual energy, his speed was still slightly inferior, and it was very easy for him to escape.

As for its rough skin and thick flesh, Qin Yu wasn’t very worried.

With these two iron fists of his, nothing could withstand it.

More importantly, Qin Yu still had an iron rod in his hand.

Although Qin Yu didn’t know the origin of the Iron Rod, it was definitely a great killing weapon.

The two of them walked for a long time. In the Green Rock Forest, they could hear the roars of demonic beasts from time to time.

“Big Brother Guan Zhuang, do you think this spirit monarch Lion has life Qi in its body?” Qin Yu asked in puzzlement.

Guan Zhuang shook his head and said, “It’s hard to say.”

“Alright.” Qin Yu nodded.

It seemed that one still needed a certain amount of luck to obtain life Qi from Demonic Beasts.

At this moment, Guan Zhuang's footsteps gradually slowed down.

He stopped and said in a low voice, "We're almost at the Spirit Monarch Lion's territory."

Qin Yu hurriedly said, "Big Brother Guan Zhuang, wait for me outside in case anything unexpected happens."

Guan Zhuang glanced at Qin Yu and said, "You are quite confident. Young Man, it is not a good thing to be too confident."

Qin Yu smiled bitterly and said, "Big Brother Guan Zhuang, don't worry. I have a secret technique to protect my life."

Even though that was the case, Guan Zhuang still followed behind Qin Yu and slowly walked into the spirit monarch Lion's territory.

The moment he stepped into the lion's territory, Qin Yu felt a trace of an abnormal internal Qi.

Along the way, the surrounding sounds were quite noisy. From time to time, the roars and cries of demonic beasts could be heard.

But here, it was extremely quiet. Other than the rustling of leaves, there was no other sound.

"The Spirit Monarch Lion's territorial awareness is particularly strong. You have to be careful and follow behind me," Guan Zhuang said with a vigilant look.

Qin Yu did not say anything. He took a deep breath and tried to sense the internal Qi of the Spirit Monarch Lion.

“It’s coming!”

At this moment, Guan Zhuang suddenly roared!

Qin Yu did not sense any internal Qi at all. The Spirit Monarch Lion had already appeared behind Qin Yu!

“Be careful!” Guan Zhuang was immediately shocked and ran towards Qin Yu anxiously.

However, it was already too late. The Spirit Monarch Lion’s huge palm slammed fiercely onto Qin Yu’s body.

This slap had the power to Split Mountains and split seas!

Chapter 1268 Chapter 1,268, you have bad breath

Qin Yu’s body was instantly sent flying!

“Qin Yu!” Guan Zhuang’s expression instantly turned extremely ugly!

Qin Yu’s body had smashed through countless mountains and forests, stirring up waves of dust.

Guan Zhuang gritted his teeth and hurriedly ran in Qin Yu’s direction.

As an old hunter, he was very clear about the power of the spirit monarch lion’s Slap! Who knew how many hunters had died under his huge palm!

“Qin Yu!” Guan Zhuang roared all the way, his face revealing waves of panic.

Qin Yu was one of his men. If anything happened to him, he would also be criticized.

“It’s over. This kid didn’t even bring his protective gear. I’m afraid he’s doomed,” Guan Zhuang thought in a low voice.

At this moment, Qin Yu stood up from a collapsed forest.

He rubbed his neck and whispered, “Damn, this beast is quite strong.”

Guan Zhuang hurriedly ran in front of Qin Yu and asked, “How do you feel?”

Qin Yu waved his hand and said, “Nothing much. I was just scared. Why did this beast suddenly run behind me?”

Guan Zhuang could not hear all this. He circled around Qin Yu and said in surprise, “You... you are not hurt at all?”

Qin Yu smiled and said, “This slap can’t hurt me.”

Guan Zhuang could not help but swallow his saliva and muttered softly, “Could it be that this slap from the spirit monarch lion did not exert any strength?”

“Alright, Big Brother Guan, you go and wait at the side. I have to take care of this beast.” Qin Yu rubbed his fist, and a trace of coldness appeared on his face.

That wave of murderous aura made people feel a chill.

At this moment, the Qin Yu in Guan Zhuang's eyes seemed to have changed into a different person.

He no longer had the slightest bit of mischievous bearing. Instead, it was replaced by an indescribable chill.

The Spirit Monarch Lion was striding its huge body towards Qin Yu step by step.

Its body was indeed extremely huge, not inferior to the purple jade origin snake from before.

And its two pairs of eyes were emitting a dark radiance.

Qin Yu's face did not show the slightest fear. He looked coldly at the Spirit Monarch Lion and said in a low voice, "If I can use the cosmic form, it should be much more convenient to kill him."

This made Qin Yu yearn even more for the state of recovering his spiritual power.

"Come, Beast." Qin Yu took a step forward and took the initiative to walk towards the Spirit Monarch Lion.

Guan Zhuang, who was at the side, hurriedly shouted, "Qin Yu, you must not clash head-on with him!"

With that, Guan Zhuang pulled out a bow and

arrow.

Using both his hands and feet, he pulled open this huge bull horn bow.

Following the release of strength, a godly arrow shot towards the Spirit Monarch Lion!

This godly arrow carried an extremely dazzling radiance, burning the surrounding air.

However, it was this godly arrow that only scratched the spirit monarch lion's fur, and then directly bent.

“This Beast's body is really tough!”Guan Zhuang could not help but curse.

At this moment, Qin Yu had already walked in front of the Spirit Monarch Lion.

His body appeared extremely tiny in front of the Spirit Monarch Lion, but the aura emitted from his body shocked Guan Zhuang!

Guan Zhuang only felt that Qin Yu's body had turned into chaos at this moment. In the chaos, it was as if there was a heavenly God standing!

“Huh?”Guan Zhuang was stunned. He hurriedly rubbed his eyes, and the scene just now instantly disappeared.

“Could it be that my eyes are playing tricks on me?”Guan Zhuang said with a frown.

Right at this moment, the Spirit Monarch Lion had already raised its huge palm, crushing towards Qin Yu from all directions!

Its palm was like a huge round plate, blotting out the sky and covering the sun. It was full of imposing manner.

The surrounding ground instantly shattered and dust rose up as if an earthquake had occurred!

“Qin Yu!”Guan Zhuang gritted his teeth. He couldn’t care less about his own safety and rushed towards Qin Yu anxiously.

But at this moment, the spirit monarch Lion’s huge body suddenly rose up as if it was flying!

Guan Zhuang was stunned and frowned. “Since when can this beast fly?”

In the next second, Guan Zhuang realized that something was wrong.

The Spirit Monarch Lion’s body actually slowly turned over, as if it had been thrown out by something!

As expected! Its body completely turned over, and then with a swoosh, it was directly thrown out!

The Spirit Monarch Lion’s huge body slid on the ground, and cracks appeared on the entire ground.

The forest was filled with restless sounds, and countless trees were destroyed. The originally dense forest suddenly became bald, just like the Bald Head of a middle-aged man!

Its furious roar shook the mountains and rivers!

Guan Zhuang could not help but swallow his saliva.

He looked in the direction of Qin Yu, and saw that Qin Yu was standing there, his body still maintaining the posture of a fall.

“You... You threw it out? !”Guan Zhuang asked in a daze.

However, Qin Yu no longer had the cheeky smile on his face. He only glanced at Guan Zhuang and said coldly, “Stand there and don’t move.”

With that, Qin Yu’s feet shook, and he instantly arrived in front of the Spirit Monarch Lion.

His small body stood in front of the spirit monarch lion like a god.

The Spirit Monarch Lion seemed to be enraged. It suddenly got up from the ground and roared angrily at Qin Yu!

This roar contained a strong internal Qi. It was as if a storm had blown up, sweeping up countless mountains and forests!

Even Guan Zhuang felt that he couldn’t stand steadily. He tried his best to stabilize his body, but he still fell to the side.

On the other hand, Qin Yu stood there like a rock, unmoving

He was not affected by the Spirit Monarch Lion’s roar at all.

At this moment, Qin Yu slowly raised his head.

He looked at the spirit monarch lion coldly and said in a low voice, “Do you know that you have bad breath?”

The spirit monarch lion seemed to be shocked by this human in front of it. Before it could speak, Qin Yu’s body had already exploded, and a terrifying spiritual power appeared on his right fist!

Chapter 1269: Chapter 1,269, who exactly are you

Translator: Nyoï-Bo Studio Editor: Nyoï-Bo Studio

The Spirit Monarch Lion's hair stood on end, as if it had sensed danger!

“Shut up!”

Qin Yu let out a furious roar, and his spiritual power was fully displayed. It was clearly a pair of fists, but it contained a monstrous power!

“Bang!”

This punch ruthlessly smashed onto the spirit monarch Lion's nose. That enormous force instantly fractured the spirit monarch Lion's nose.

Under the external force, its bloody mouth suddenly closed, and its huge head slammed heavily onto the ground!

Guan Zhuang, who was watching from the side, was dumbstruck. His jaw was about to fall off.

Was this F * cking horse still human? A punch shattered the spirit monarch Lion's jaw?

One had to know that this group of strong men had used countless spells, but they were still unable to break the spirit monarch Lion's defense!

“This kid... didn't even use his spiritual energy! This is pure physical strength! !”Guan Zhuang exclaimed.

The Spirit Monarch Lion on the ground had already gotten up. Its mouth and nose were constantly bleeding.

Qin Yu looked at the spirit monarch lion coldly and said, “Your luck ends here.”

However, as the king of Demonic Beasts, the spirit monarch Lion would not give up just like that.

After a furious roar, it came again!

Qin Yu seized this opportunity and immediately jumped onto the back of the Spirit Monarch Lion.

Compared to the Spirit Monarch Lion, Qin Yu was the size of a flea and could not be felt on its body.

“Qin Yu, be careful of its fur!” At this moment, Guan Zhuang suddenly reminded.

As expected, all the fur on the back of the Spirit Monarch Lion suddenly swept over.

He originally thought that it would explode with sharp spikes, but unexpectedly, these hairs were incomparably soft, directly wrapping around Qin Yu’s four limbs.

“Is that all you have?” Qin Yu snorted coldly. His body shook violently, instantly shattering the hair!

In the next second, Qin Yu jumped onto the spirit monarch Lion’s head.

He grabbed the spirit monarch lion’s hair with one hand to stabilize his body.

His other hand clenched into a fist as surging divine power continuously smashed towards the spirit monarch Lion’s Head!

One punch, two punches, three punches.

Qin Yu's strength was so great that even the spirit monarch lion was in unbearable pain.

It shook its body crazily, but it couldn't do anything to Qin Yu!

The Spirit Monarch Lion's combat techniques were very poor. The reason why it was dangerous was because of its unparalleled defensive ability.

However, this defensive ability was not enough in front of Qin Yu.

His strength was enough to break through the Spirit Monarch Lion's defense. Once he lost this advantage, the spirit monarch Lion would be like a lamb waiting to be slaughtered.

Qin Yu's fists were like raindrops, continuously smashing towards the spirit monarch Lion's head.

In the blink of an eye, Qin Yu had already punched out a few hundred times.

At this moment, the Spirit Monarch Lion's head was already dripping with blood, and its skull was fractured.

But even so, he still did not die.

"Damn, this Beast's defense really isn't weak." Qin Yu could not help but curse.

One had to know that this was a few hundred punches!

If it was a human mighty figure, he would have been smashed into meat paste by these few hundred punches!

“Whoosh!”

The Spirit Monarch Lion exerted force and threw Qin Yu down.

He slid on the ground for hundreds of meters before he stabilized his body.

“Looks like I won’t be able to kill him this way,” Qin Yu thought to himself in a low voice.

This spirit monarch lion was more powerful than Protector Ren, and its defense was also more powerful.

“Looks like I can only rely on the battle word formula,” Qin Yu said in a low voice.

After saying this, Qin Yu closed his eyes slightly. The first level of the battle word formula was activated in his mind!

At this moment, Qin Yu’s strength instantly skyrocketed!

He quickly walked towards the spirit monarch lion, intending to end its life with one punch!

The Spirit Monarch Lion also quickly raised its palm and fiercely slapped towards Qin Yu!

The collision between the flesh palm and the fist was earth-shattering.

Waves of Qi swept out in all directions like water ripples.

Guan Zhuang, who could not dodge in time, was swept by this internal Qi, and his sternum was instantly broken, and he vomited blood continuously!

“Puchi!”

At this moment, Qin Yu’s fist directly pierced through the spirit monarch Lion’s flesh palm!

His body shot out from the Spirit Monarch Lion’s flesh palm and headed straight for the Spirit Monarch Lion’s chin!

“Bang!”

This punch instantly fractured the spirit monarch Lion’s chin.

Its brain was in a state of unconsciousness, and its huge body was swaying from side to side.

“Level two of the battle word technique!”

Qin Yu did not waste any more time and directly activated the level two of the battle word technique!

It was actually quite difficult to kill the Spirit Monarch Lion on the first level!

“Let’s try taking another punch!” Qin Yu roared, and his fist actually flashed with a radiance!

This was the radiance that erupted from the pure power of the physical body. It was extremely terrifying!

At that moment, Qin Yu’s fist became incomparably huge, comparable to the Spirit Monarch Lion’s Head!

“Boom!”

This punch landed squarely on the head of the Spirit Monarch Lion.

Finally, the spirit monarch lion could not hold on any longer.

Its body stiffened for half a second, and then it fell straight down.

“Phew, this beast is really hard to kill. No wonder it killed so many hunters,” Qin Yu muttered.

Guan Zhuang swallowed his saliva. He quickly ran in front of Qin Yu and said, ‘You... you killed it just like that? It’s that simple?’

Yu could not help but smile bitterly.

This fist looked simple, but it was formed by fusing all of Qin Yu’s will.

Each punch was comparable to hundreds of moves.

‘You don’t seem to have used any spirit energy at’ Zhuang said with a frown.

Qin Yu was silent for a moment before saying, ‘Yes, because there is no spirit energy in my body at all.’

“No Spirit Energy?” Guan Zhuang was even more shocked. “Then you...”

Qin Yu smiled and said, “I was born with godly power.”

Guan Zhuang was speechless.. Then, he gave Qin Yu a thumbs up and said, “You are really a F * cking genius! Who exactly are you?”

“Who am I?”

This question stumped Qin Yu.

He thought for a moment and said, “I am who I am, a different spark.”

“What?”

“Nothing. Bring this spirit monarch lion with you. Let’s go back and collect the reward.”

“...”

Qin Yu walked up to the Spirit Monarch Lion and examined it, wanting to see if there was any life energy.

But unfortunately, there was no life force flowing in the Spirit Monarch Lion’s body.

“Looks like it’s not that easy to obtain life force,”Qin Yu sighed.

He put the spirit monarch lion into the spatial magic artifact and then walked back with Guan Zhuang.

“Qin Yu, if they knew that you killed the spirit monarch lion, they would definitely look at you in a different light!”Guan Zhuang gave Qin Yu a thumbs up.

Qin Yu shook his head and said, “I don’t care about their opinions. I just want money and a place to stay.”

“A place to stay? Did you cause trouble outside?”Guan Zhuang said.

“How did you know?”

‘Many of those who came here caused trouble. I had no choice but to come here to seek refuge after killing one of our local tycoons.’

Qin Yu suddenly realized that he was not the only one seeking refuge.

‘I have also offended a sect. That sect is very powerful,’ Qin Yu said with a smile.

‘Don’t worry. As long as you come to the hunter organization, you don’t have to worry.’ Guan Zhuang patted Qin Yu’s back.

The two of them chatted and laughed as they rushed toward the hunter organization.

At this moment, in the hunter organization.

Jing Bai’s left eye kept jumping.

This gave him a bad premonition.

‘Jing Bai, what are you thinking about again?’ Someone beside him asked.

Jing bai frowned and said, ‘My left eye keeps jumping. I’m thinking that Guan

Zhuang might have been killed by that kid.’

‘Killed? What nonsense are you talking about? Guan Zhuang has rich combat experience. Even if he can’t save that kid, it’s not a problem for him to protect himself.’

‘That’s right. Besides, the left eye twitching is a good thing. Relax.’

Even though that was the case, Jing Bai was getting more and more worried.

The Spirit Monarch Lion had killed too many hunters. He did not want to see anyone else die in vain.

He looked at the remaining orders in his hands and became more and more determined.

“If anything happens to Guan Zhuang, I will destroy these few orders no matter what!” Jing Bai said through gritted teeth.

At this moment, a young man walked over from the side.

He said with a faint smile, “Tear it. Why Don’t You Tear It? Don’t you dare?”

This young man was Jing Bai’s sworn enemy. His name was Zhong Wu. The two of them had been at loggerheads for many years.

If he tore up these orders, then his current position would have to be vacated. At that time, it would fall into Zhong Wu’s hands.

Therefore, Zhong Wu kept provoking him, “If you don’t dare, then so be it. What are you pretending for? Who are you trying to scare?”

Jing Bai looked at Zhong Wu coldly and said, “How do you know that I don’t Dare?”

“Hahaha, then tear it up? I think you don’t want to give up this position, Wu said with a strange tone.

‘Yeah, we go out and risk our lives. We risk our lives every day. How can we live as well as you? We can just sit here every day.’”

Jing Bai suddenly stood up. He looked at Zhong wu coldly and said, "Even if I leave this position, it won't be your turn. A person like you doesn't deserve to sit in this position."

"I don't deserve it? I think you don't deserve it!" Zhong wu snorted.

"Come, tear it up if you have the ability. If you don't have the ability, shut your mouth!" Zhong Wu looked at Jing Bai coldly.

grabbed the orders and said coldly, "Do you really think I don't dare

Zhongwu said sarcastically, "Then tear it up. Don't play with your mouth."

Jing Bai gritted his teeth and said, "Tear it up then!"

Zhong Wu was instantly overjoyed!

As long as he tore up the orders, this position would definitely be his!

'Tear it up, quickly tear it up!' "ZhongWu roared crazily in his heart.

Just as Jing Bai was about to tear up these few orders, Qin Yu and Guan Zhuang slowly walked over from the depths of the green rock forest.

'Jing Bai, they're back!' "Someone shouted.

Hearing this, Jing Bai suddenly stood up and ran anxiously towards Guan

Zhuang.

He kept sizing up guan zhuang and frowned, "Are you injured?" "Yes, it's not a big problem," Guan Zhuang said with a smile.

Jing Bai looked at Qin Yu again and said, “How are you fine?”

looked at Qin Yu again and said, “How are you fine?”

“Uh... I don't know either. I'm fine anyway,” Qin Yu said helplessly.

Jing Bai heaved a sigh of relief and said, “It doesn't matter whether you can kill the spirit monarch Lion or not. As long as you come back alive, it's fine.”

After saying that, Jing Bai glanced at Qin Yu and said, “After experiencing this matter, you should know to restrain yourself. I'll pick out some relatively simple orders for you.”

Qin Yu and Guan Zhuang looked at each other, not knowing what to say for a moment.

“That... Jing Bai, the Spirit Monarch Lion has already been killed,” Guan Zhuang said with a bitter smile.

“En, so be it. As long as... Wait, what did you say?” Jing Bai suddenly reacted and hurriedly looked at Guan Zhuang.

‘You killed the Spirit Monarch Lion?’

Guan Zhuang shook his head and said, “Not me, it's Qin Yu...”

Chapter 1271: Chapter 1,271, the first large sum of money

Jing Bai's expression was extremely strange.

He sized up Qin Yu from head to toe, as if he couldn't believe that this was real.

“You Said... you killed the Spirit Monarch Lion?”Jing Bai said with a frown.

Qin Yu nodded and said, “That's right. The price of this spirit monarch lion is five hundred thousand spirit coins, right?”

Jing Bai nodded slightly and said, “As long as you really killed the Spirit Monarch Lion, money isn't a problem.”

Qin Yu didn't say anything more. He immediately took out the spirit monarch lion from the spatial magic artifact.

A huge body fell out of the spatial magic artifact.

The huge spirit monarch lion immediately attracted the attention of almost the entire hunter organization.

Everyone heard the news and came over. When they saw this mighty spirit monarch lion, their jaws almost dropped.

“Damn, Spirit Monarch Lion!”

“It wasn't me who killed it. It was this little brother called Qin Yu who killed it. “Guan Zhuang waved his hand repeatedly.

The group of Brawny men looked at Qin Yu in shock. They put their arms around Qin Yu's shoulders and said with a smile, “Little brother, you're good. This beast has killed quite a number of our people.”

“That's right, Qin Yu. Tell me, how did you kill this beast? Don't tell me you have a Babe on you?”

Qin Yu shook his head and said, "I used my fist to beat it to death."

"Fist? Haha, don't Joke Around." The surrounding people couldn't help but tease him.

Qin Yu didn't want to explain to them, so he just laughed it off.

After that, Qin Yu looked at Jing Bai and said, "When can you give me the money."

Jing Bai went up to check and then walked to Qin Yu and said, "Let's go. You follow me to go through the procedures."

Qin Yu grunted and followed Jing Bai to a certain room.

Jing Bai took out a form and asked Qin Yu to fill it out. Then, he took out a black card that was shining with light.

"The spirit coins are all on this card. It's a total of Bai said.

Qin Yu frowned and said, "450,000? Isn't it 500,000?"

"This is the rule of the hunter organization. 10% of it will be handed over to the hunter organization to be used for daily expenses, such as updating equipment and so on. The rest will also be used for charity," Jing Bai explained.

Qin Yu nodded slightly. He said with some doubt, "Then what if the reward is not money, but spiritual artifacts or natural treasures? "If it is not money, there will be no fees," Jing Bai said.

"I understand," Qin Yu agreed.

Jing Bai looked up at Qin Yu and said, "How did you kill this beast?"

“I really used my fists,”Qin Yu said helplessly.

Jing Bai looked Qin Yu up and down and found that there was no fluctuation of internal Qi in Qin Yu’s body.

“Special Constitution?”Jing Bai whispered.

“By the way, don’t you have a few difficult orders with you? Leave them to Yu,”Qin Yu said to Jing Bai.

Jing Bai frowned and said, “These orders are extremely dangerous. Aren’t you afraid that something will happen?”

Qin Yu smiled and said, “No worries. Even if I can’t complete the mission, I can at least protect myself.”

Seeing this, Jing Bai didn’t say anything more.

He handed the remaining orders that gave him a headache to Qin Yu.

“If you really complete these orders, then you will probably take the position of the current number one hunter,”said Jing Bai.

“Number one hunter? Who is it?”asked Qin Yu.

Jing Bai said in a deep voice, “Of course it’s Jin Lun. So far, he has killed at least a hundred demonic beasts, and every one of them is powerful.”

“And Jin Lun’s own realm has already stepped into the late-stage of the

Almighty Realm. He can be considered one of the best in the Hunter Organization.”

Qin Yu nodded slightly.

The higher the realm, the greater the gap between them.

Although early-stage and middle-stage mighty figures appeared to be only one realm apart, they were actually quite a few minor realms apart.

Just like the first level of a mighty figure and the fifth level of a mighty figure, the difference between them was like a natural moat.

‘If I think about it, I don’t think I’ve met anyone at the middle-stage of a mighty figure before, ‘Qin Yu thought to himself.

Even that protector was still quite a distance away from the middle-stage of a mighty figure.

“Speaking of which, the heavenly cloud sect seems to have sent three people at the mid-stage of the Almighty realm this time.”Qin Yu whispered to himself.

Apart from those three at the mid-stage of the Almighty Realm, there was also a youth who was known as the number one person in the southern prefecture.

Rumor has it that although this youth was at the early- stage of the Almighty realm, his strength wasn’t inferior to the mid- stage of the Almighty Realm.

Therefore, the heavenly cloud sect was equivalent to sending four people at the mid-stage of the Almighty Realm.

This level of strength was enough to intimidate any city.

“Oh right, Big Brother Jing Bai, I have something to ask of you.” At this moment, Qin Yu suddenly said.

Jing Bai nodded, indicating for Qin Yu to continue.

Qin Yu said in a deep voice, “I don’t know if the hunter organization can issue a notice or a reward.”

‘Why, do you have something you want?’ Jing Bai quickly saw through Qin Yu’s intentions.

Qin Yu nodded and said, “That’s right. I urgently need the life energy.”

“Life Energy?” Jing Bai frowned slightly. “This thing is not easy to find. Rumor has it that most of the life energy exists in the depths of the green rock forest, but no one can go deep into the Green Rock Forest. That area has long become a restricted area.’

“Other than the depths of the Green Rock Forest, is there no other source?” Qin Yu frowned and said.

‘Yes, of course there is. Many natural treasures contain the aura of life, but it is rare,’ said Jing Bai.

At this point, Jing Bai looked at Qin Yu and continued, “If there is any news, I will inform you. Of course, I will also use my personal ability to help you ask around.’

Qin Yu cupped his hands and said, “Then thank you very much.”

After saying that, Qin Yu walked out of the room.

He rubbed the card in his hand and said in a low voice, “With this money, even if I leave the hunter organization, I can at least guarantee my life.”

This card was quite similar to the bank cards on Earth. The only difference was that this card was made using some kind of spell.

Not only that, this card needed to be recognized as its owner by a drop of blood. After the drop of blood, no one but the owner could open it. It was relatively safer..

Qin Yu kept the card, intending to continue amassing wealth.

He took out a few troublesome orders and read them carefully.

These orders were basically all for spirit coins, but the price wasn't as expensive as the spirit monarch lion. Most of them were around 300,000.

Even though Qin Yu didn't particularly like money, spirit coins were used throughout the entire saint realm. As long as one had enough spirit coins, one could buy natural treasures and even life energy.

Thus, it was still useful to amass a fortune.

The news of Qin Yu killing the spirit monarch lion soon spread throughout the entire hunter organization.

For a time, Qin Yu's name became quite famous in the hunter organization.

He had just entered the hunter organization and solved a difficult problem, which made many people begin to doubt Qin Yu's identity.

“That kid is most likely a disciple from a large sect who came out to train.”

“It’s also possible that he’s a descendant of a large family or a disciple of a big shot who went into seclusion.”

While everyone was guessing Qin Yu’s identity, he had already set off with Guan Zhuang, killing Demon Beasts.

Qin Yu was an extremely generous person. He planned to give half of the 450,000 spirit coins to Guan Zhuang, but was rejected by Guan Zhuang. Under Qin Yu’s insistence, Guan Zhuang only received 100,000 spirit coins.

In the next few days.

Qin Yu’s actions were extremely swift, it could be said that he was swift and decisive.

In just a short eight days, the demonic beasts on these few orders were all killed by Qin Yu, completely massacred.

This instantly made Qin Yu’s name become famous in the Hunter organization!

And they became more and more curious about Qin Yu’s identity.

“This kid, it’s very likely that he has a very big background.”Jing Bai’s sworn enemy Zhong Wu couldn’t help but start guessing.

“If he could be on the list of a big family, who would be willing to stay here and work hard every Wu thought to himself.

Although most hunters liked freedom, there was no lack of people like Zhong wu.

From this moment on, in Zhong Wu's heart, Qin Yu had already become a person with a very strong background.

On this day, Qin Yu received the spirit coins from Jing Bai.

He had just stepped out when Zhong Wu walked over with a smile.

“Brother Qin.” Zhong wu cupped his hands slightly towards Qin Yu.

Qin Yu naturally knew of the conflict between Zhong Wu and Jing Bai. He remained calm and replied with a bow, “Brother Zhong, what's the matter?” Zhongwu smiled and said, “Can't I chat with you if I have nothing to do?” “Of course you can.” Qin Yu smiled and said.

Zhongwu cupped his hands and said, “I have just prepared delicious food and fine wine. Do you want to eat some together?”

Qin Yu thought for a moment and nodded. “Alright, then I won't stand on ceremony.”

Zhongwu pulled off a thigh from an unknown demonic beast and roasted it with flames.

Apart from that, he also prepared two bottles of bejewelled wine.

The taste of this fine wine was even more mellow compared to the immortal crane wine from before. It couldn't help but make people sigh.

“Speaking of which, Brother Qin has great abilities. Why Don't you find a large sect or a large aristocratic family?”

After three rounds of drinking, Zhong Wu began to pry.

Qin Yu saw through his intentions at a glance and immediately said helplessly, “No sect is willing to take me.”

ZhongWu rolled his eyes and said, “Brother Qin, that’s not nice. With your abilities, which sect can’t treat you as a treasure ?

‘Treat me as a treasure ? You think too highly of me, “Qin Yu said with a bitter smile.

“I was chased out by the Heavenly Cloud sect not long ago.”

“Heavenly Cloud he heard this, Zhong Wu’s eyes immediately lit up.

Qin Yu was speaking the truth, but to Zhong Wu’s ears, it sounded different.

“Looks like this kid came from the Heavenly Cloud sect. No wonder he has such great abilities, “Zhong Wu thought to himself.

“He might be the illegitimate child of some important figure in the Heavenly Cloud Sect.”

Qin Yu’s ability, coupled with the seven-colored divine Phoenix he rode on previously, made Zhong Wu even more certain of Qin Yu’s identity.

Thinking of this, Zhong Wu’s attitude toward Qin Yu became even more humble. It was more or less the same.

Qin Yu knew that this Zhong Wu was not a good person, and he could also see the change in Zhong WU’s attitude.

His eyes rolled, and he decided to use tiger skin as a banner. He smiled and said, “Brother Zhong Wu, I was in a hurry to come out and didn’t

bring much money with me. I want to go out to buy some things in a few days. I wonder if brother Zhong can lend me some first?"

Zhong Wu didn't even think and said, "Brother Qin, just tell me how much you need!"

Qin Yu thought for a moment and said, "Five million."

"Hiss..."

When he heard this number, Zhong Wu's eyes immediately widened.

Five million! To a hunter, this was simply an astronomical figure!

But at the same time, this also confirmed Zhong Wu's thoughts.

Asking for five million, this kid must be from a big aristocratic family! Otherwise, how could he have such confidence!

Thinking of this, Zhong Wu looked at Qin Yu and said, "Brother Qin, I'm really sorry. I don't have that much. Even if I plunder it all, I can at most gather a million."

"Ah? So Little?" Qin Yu pretended to be disgusted.

Zhong Wu sighed and said, "Hunters are all very poor. They are not like your big aristocratic families. Otherwise, they wouldn't have come to this green rock forest to sell their lives."

"Forget it. If it's more than a million, then it's more than a million." Qin Yu pretended to be unwilling and said.

Zhong Wu did not say anything and hurriedly took out his card.

After this card came into contact with Qin Yu's card, the more than a million

went into Qin Yu's card.

"Thank you very much. "Qin Yu cupped his hands and said to Zhong Wu.

Zhong Wu waved his hand and said with a smile, "We are friends. Since we are friends, there is no distinction between us." "Qin Yu, what are you doing here!"

At this moment, a rough voice was heard.

Looking Up, he saw Guan Zhuangzheng standing at the side with a dark face.

He pulled Qin Yu over and then pointed at Zhong Wu and warned, "Kid, I'm telling you, you better not have any ideas about Qin Yu. Otherwise, don't blame me for being rude."

Zhongwu pretended to be aggrieved and said, "What are you saying? Brother Qin and I are just having a meal and chatting about our daily life. What has it got to do with you?"

Guan Zhuang snorted coldly and said, "Don't think that I don't know what you are thinking!"

After saying that, Guan Zhuang pulled Qin Yu and turned around to leave.

'Team leader wants to see you. Follow Zhuang said coldly.

Qin Yu frowned and muttered, “Team leader? Why is he looking for me? Could it be that the Tianyun sect came looking for me?”

“What are you mumbling about? Tianyun sect?” Guan Zhuang asked in surprise.

Qin Yu shook his head, indicating that he was fine.

Guan Zhuang snorted and said, “You’d better stay away from Zhong Wu that kid. He’s not a good person. He didn’t do anything bad before. I don’t know how many brothers have suffered under him.”

Qin Yu smiled and said, “I’ve heard of it. Rumor has it that this kid often shoots people in the back to harm his own people.”

“That’s right. There was a rumor that he killed a brother in order to snatch the Demonic Beast.” Guan Zhuang said with a dark face.

Speaking of this matter, he seemed to be full of anger.

“I’ve seen through his thoughts. Don’t worry.” Qin Yu smiled and said.

Zhong Wu’s combat ability was not strong, but he had more than a million in savings.

Even an elite general like Guan Zhuang only had less than five hundred thousand in his hands.

He followed Guan Zhuang to the leader’s room and saw the leader sitting there meditating.

“Leader, Qin Yu is here,” said Guan Zhuang.

The leader slowly opened his eyes. He looked at Qin Yu and said with a faint smile, "Come, sit."

Qin Yu did not stand on ceremony. He casually found a seat and sat down.

"Why is the leader looking for me?" Asked Qin Yu.

The team leader smiled and said, "Qin Yu, you've been in the limelight recently.

Everyone in the Hunter organization knows about you. I reckon that when Golden Samsara comes back, they will definitely find trouble with you."

"Golden Samsara? That Hunter?" Qin Yu frowned.

The team leader nodded slightly and said, "That's right. Golden Samsara has a fiery temper. If he finds out that a character like you has appeared, he will definitely find trouble with you."

Qin Yu rubbed his chin. He wasn't worried at all. On the contrary, he was looking forward to it.

This Jin Lun was at the intermediate stage of the Almighty Realm. It was a good opportunity to use him to test out his skills. At the same time, he would also know how to deal with the people from the Heavenly Cloud sect.

The team leader slowly stood up. He took out a card and placed it in front of

Qin Yu.

‘What does this mean?’Qin Yu asked, puzzled.

The team leader smiled and said, “Don’t misunderstand. We just happen to need to purchase a new batch of weapons. I’ll leave this matter to you. It’s also a good time to stay out of the limelight.”

“There’s 300,000 yuan in the card. You Go with Guan Zhuang.”

Before Qin Yu could regain his senses, guan zhuang hurriedly said, “Thank you, Team Leader!”

After saying that, he even used his arm to poke Qin Yu’s shoulder.

Qin Yu also came back to his senses and quickly nodded, “Thank you, Team Leader.’

“Haha, Alright, Hurry Up and go. If you don’t know anything, just ask Guan Zhuang,”said the team leader with a smile.

Qin Yu picked up the card and followed Guan Zhuang out.

After going out, Guan Zhuang said with some excitement, “Qin Yu, it seems that the team leader thinks highly of you. He actually handed this lucrative job to you.”

Qin Yu said, “Is there any market nearby?”

‘Yes, of course there is. But the distance isn’t too close. It’s in Gu City,”said Guan Zhuang.

Qin Yu rubbed his chin. He had seen this Gu City on the map before.

This wasn’t a small country. Its city lord was at the peak of the mighty realm, and he was extremely powerful.

Apart from that, the entire country had eight mighty realm experts, and they also had a top-notch formation protecting the country.

Because they weren't too far from Qingyan Forest, they had many natural treasures, as well as top-notch weapons and magic artifacts.

The only thing that made people feel regretful was that this country belonged to the Tianyun sect.

“Group Leader treats you quite well. He told you to deliberately avoid the golden wheel.” Guan Zhuang patted Qin Yu's shoulder.

Qin Yu said, “Is this golden wheel very strong?”

“Since he is called the hunter king, his strength naturally doesn't need to be said. The most important thing is that this person has a hot temper. Once he goes crazy, no one can stop him,” Guan Zhuang said in a deep voice.

After hearing Guan Zhuang's words, Qin Yu wanted to see so for myself more and more.

“Unfortunately, I can't meet him,” Qin Yu muttered.

“Do you still want to fight with him? Let me tell you, this kid didn't take things lightly and has a bunch of lackeys by his side. It's best not to provoke him,” Guan Zhuang said.

Qin Yu nodded slightly and didn't say anything else.

This trip to Gu City was a good opportunity to see if there was any life force.

For Qin Yu, the most important thing at the moment was to find the life force and recover his spiritual power.

In his current state, if his spiritual power recovered, he wouldn't be afraid of the mighty realm at all.

At that time, even the Tianyun sect wouldn't have anything to fear.

The next day, the two of them planned to go to Gu city together.

At this time, Zhong Wu ran over and said with a smile, "Brother Qin, I heard that you're going to Gu City? I wonder if you can help me bring something?" "Bring your ass! Get lost!" Guan Zhuang shouted.

Zhong Wu looked at Guan Zhuang from the corner of his eyes and snorted, "What does it have to do with you?"

"Do you want to die?" Guan Zhuang took a step forward and his internal Qi exploded.

Zhong Wu was not afraid at all. He looked at Guan Zhuang coldly and said, "Do you think I'm afraid of You?"

Just as the two of them were about to clash, Qin Yu waved his hand and said, "Alright, what do you need me to bring? Just tell me."

When Zhong Wu saw this, a smug smile immediately appeared on his face.

"I'll have to Trouble Brother Qin to bring me two pieces of dragon gold," Zhong Wu said.

Qin Yu frowned and asked, "What is Dragon Gold?"

“It’s just a small item. It’s not worth much,” Zhong Wu said with a smile.

Qin Yu nodded slightly and said, “Okay, I’ll remember it.”

Then, Qin Yu and Guan Zhuang left Green Rock Forest and rushed to Gu City.

On the way, Guan Zhuang could not help but curse, “Why did you agree to him? Do you really want to have a deep relationship with him?”

Qin Yu waved his hand and said, “I just lied to him for more than a million yuan. It doesn’t make sense if I don’t help him bring something.”

“You lied to him? Hehe, since I’ve known him, he’s the only one who lied to others. How could anyone lie to him?” Guan Zhuang snorted coldly.

Qin Yu waved his hand and said, “He mistook me for a disciple of a big aristocratic family and is now desperately trying to build a relationship with

“No wonder,” Guan Zhuang muttered.

Qin Yu had just left when Jin Lun rushed back.

“Boss, I heard that someone called Qin Yu has recently taken care of those troublesome orders. Some people say that he will become the new Hunter King.”

Two young men said beside a strong man.

This strong man did not say anything, but his face was full of coldness.

His body was extremely huge, and he wore a tiger skin coat, which made his already rough face even more frightening.

This person was the famous Jin Lun.

He did not say anything along the way, but when he returned to the Green Rock

Forest, he kicked open the group leader's door.

The group leader who was at the table was immediately shocked.

When he saw Jin Lun in front of him, the group leader chuckled and said, "Jin

Lun, you're back."

However, Jin Lun ignored this sentence and asked coldly, "Where is that Qin Yu? Tell him to come out.."

Chapter 1274: Chapter 1,274, the arrival of the Heavenly Cloud sect

Translator: Nyoibo Studio Editor: Nyoibo Studio

Jin Lun was extremely powerful, and he even had the attitude of looking down on the team leader.

He sat down in front of the team leader and said coldly, "Team leader, you'd better not cover up for him. This is between him and me. Moreover, there is always a challenge between the hunters."

The team leader was not in a hurry. He smiled and said, "It's not that I'm covering up for him. It's just that it's too unfortunate. He just happened to be out shopping. I'm afraid he won't be back for a while."

“Shopping?” Jin Lun’s face darkened and he said coldly, “I thought he was some kind of character. Turns out he’s a coward.”

The team leader spread his hands. He did not care what Jin Lun said. As long as the two of them did not quarrel, it was enough.

Then, Jin Lun continued, “There’s no rush. I’ll wait for him to come back here.”

The team leader frowned slightly and said, “This... I’m afraid he won’t be back for a while.”

“if he doesn’t come back for a day, I’ll wait for him for a day. If he doesn’t come back for a year, I’ll wait for him for a year. If he doesn’t come back, then forget it. Just treat it as if he left the hunter organization,” Jin Lun said coldly.

After saying this, Jin Lun turned around and left.

The team leader wanted to persuade him, but in the end, he shook his head helplessly.

He knew Jin Lun’s temper very well. More importantly, he was the guardian of the Order of the hunter organization, so he would never do anything against the order.

Because he knew very well in his heart that once the order of the organization was violated, the organization would quickly disintegrate. This was also the reason why he had to confront Jing Bai earlier.

On the other side.

Qin Yu and Guan Zhuang were rushing towards Gu City.

Gu city was the closest city to the hunter organization. It was no exaggeration to say that it was the hub of the hunter organization to the outside world.

Therefore, Gu city was extremely lively, and there were countless people who came to search for treasures.

Along the way, Qin Yu's mind was filled with the life energy.

He could not wait to get the life energy and recover his spiritual power.

With his current state of mind, as long as he recovered his spiritual power, he could not help but burst out with unimaginable combat strength, and his realm would also increase accordingly.

The two of them spent three days before they finally reached the vicinity of Gu City.

The entire journey was practically a desert. Looking at the city that stood out in the distance, Qin Yu couldn't help but wipe away his sweat.

"It's so damn far away," Qin Yu muttered.

The holy region was too vast. On the map, Gu City and the hunter organization seemed to be next to each other, but it actually took them three whole days to walk.

"There's nothing we can do. After all, our southern region can't be compared to the central region. We don't have their extensive teleportation formation," Guan Zhuang said.

The city in front of them was extremely huge. The first thing that came into view was the thick city walls.

The huge golden words on the city gate were extremely dazzling.

It was as if the two worlds were separated by this wall.

Qin Yu followed behind Guan Zhuang and stepped into the city.

As soon as he entered the city, Qin Yu felt that something was wrong.

Although the entire city was extremely prosperous, there was an inexplicable sense of oppression.

This feeling was extremely strange. It was as if he had stepped into an ancient city, causing fear in people's hearts.

Guan Zhuang saw Qin Yu's confusion and said, "There is a mountain protection formation left behind here. The outside world is bestowed by the Tianyun sect, but in fact, we all know that the Tianyun sect doesn't have that much ability."

Qin Yu looked at Guan Zhuang and asked with his eyes.

Guan Zhuang snorted lightly and said, "This city has existed for God knows how many years. The formation was naturally left behind by the previous city

Lord. It has nothing to do with the Tianyun sect."

Qin Yu nodded slightly.

The holy region was a place where geniuses competed. God knows how many great cultivators at the Tribulation Stage had appeared.

The treasures left behind by them were naturally countless and mysterious.

As far as the eye could see, the entire GU city seemed extremely prosperous. There were people hawking almost everywhere.

Compared to the city where the Tianyun sect was located, it was not much different. However, the prices were much cheaper. After all, the hunter organization was next door.

“Let’s go. I’ll bring you around first.” Guan Zhuang’s huge palm patted Qin Yu’s shoulder.

Under Guan Zhuang’s lead, Qin Yu came to the largest market in Gu City.

In this market, there was almost everything.

Whether it was weapons, herbs, or all kinds of treasures, they could be seen here.

Other than that, there were also many delicacies that could not be named.

In such a bustling area, high officials and nobles could naturally be seen everywhere. On both sides of the market, there were heavy guards.

They were subordinate to the city lord, and each of them had extraordinary strength.

The two of them walked around the market for a day and were in a good mood. They also bought a lot of strange and strange gadgets.

However, these things didn’t mean much to Qin Yu. For a workaholic like Qin Yu, he soon lost interest.

“Big Brother Guan Zhuang, do you think there is life energy here?” Qin Yu asked curiously.

'You are really persistent about life energy,' Guan Zhuang said helplessly. Qin Yu did not explain, because the life energy was too important to him.

'Even if there is, you can't afford it.' Guan Zhuang shook his head.

Qin Yu opened his mouth but did not say anything.

To Qin Yu, as long as there was life energy, it was worth the risk. At most, he would just snatch it and run away.

'Let's go. I'll bring you to a place where we might be able to get some information.' Guan Zhuang patted Qin Yu's shoulder.

Qin Yu nodded and said, 'Thank you.'

At this moment, there was a sudden movement in the sky.

Looking up, they saw several extremely huge demonic beasts whizzing past in the sky.

There were a few people standing on the demonic beasts with a cold expression.

The one leading them was a young youth. Although he had a delicate and pretty appearance, there was a coldness between his brows that did not belong to his age.

'It's the people from the Heavenly Cloud sect. Why are they here?'"Guan Zhuang frowned and muttered.

Meanwhile, Qin Yu's expression changed slightly. His eyes could not help but stare at that youth.

“Is he that genius from the Heavenly Cloud Sect?” Qin Yu whispered to himself.

“I didn’t expect them to find us so quickly.”

This speed was much faster than Qin Yu had imagined..

Chapter 1275 Chapter 1275, the desolate God’s eye displayed its might

“They might have received some news.” Qin Yu took a deep breath.

“What’s Wrong?” Guan Zhuang noticed Qin Yu’s abnormality.

Qin Yu shook his head and did not explain.

The surrounding people also raised their heads and looked at the Fey beast that was whizzing past.

“It’s the people from the Tianyun sect. Why are they here?” The surrounding people discussed.

“Looking at this direction, it seems like they’re going to the Imperial Palace.”

“They came to Gu City to look for the city Lord.”

Hearing the discussions in the surroundings, Qin Yu felt more and more uneasy.

He didn’t have a deep understanding of the heavenly cloud sect. It could even be said that no one understood the true strength of the Heavenly Cloud sect. They only knew that they had once swept across more than half of the southern province, along with a few other top sects, as well as a few other great sects in the Rayleigh Province.

“Let’s go. Take Me to find the life force,” said Qin Yu.

Guan Zhuangen said, then he led the way and led Qin Yu to a certain place.

It had to be said that the prosperity of Gu City was indeed dazzling.

Even when walking on the street, one could see all kinds of lights and colorful flashes from time to time. There were even warriors fighting again.

Such a scene was simply impossible to see on Earth.

“By the way, why don’t You Use Your Spiritual Power?” On the way, Guan Zhuang asked casually.

Qin Yu did not hide it. He sighed and said, “Because my spiritual power has disappeared. Now, I continue to recover my life force.”

When Guan Zhuang heard this, David was immediately shocked.

He stared at Qin Yu and said, “You mean... you don’t have spiritual power now, and you have such abilities?”

“You can say that.” Qin Yu nodded slightly.

This made Guan Zhuang’s eyes widen.

Previously, Guan Zhuang had always thought that Qin Yu didn’t want to use spiritual power, but his body still relied on spiritual power to support it.

But he didn’t expect that Qin Yu didn’t have spiritual power at all.

recov

“Qin Yu, according to what you said, if you recover your spiritual power, I’m afraid that your strength... is unimaginable!”Guan Zhuang said in surprise.

“At that time, I think it’s not a problem to win a city in the South Province or become an elder of a big sect.”

Qin Yu smiled and didn’t say anything. He didn’t continue this topic.

He followed behind Guan Zhuang and came to a shop.

The decoration of this shop was extremely luxurious. It had a huge area and looked like a museum on Earth.

After stepping into the shop, it was even more lively. Qin Yu glanced at the huge shop and asked, “What is this place?”

Guan Zhuang smiled and said, “I know the owner of this shop. I can ask him to help you look for it.”

After that, Guan Zhuang walked over and said a few words to the shop assistant. After a few minutes, a middle-aged man in a long robe walked out.

“Guan Zhuang, why are you here?”When he saw Guan Zhuang, the middle-aged man cupped his hands.

Guan Zhuang smiled and said, “I would like to introduce you to a friend. This is our hunter, Qin Yu. This is the boss of Luo Hai Tower, Luo Hai.”

“Greetings, boss Luo.”Qin Yu bowed slightly as a form of greeting.

Luo Hai also bowed back and said, “Guan Zhuang, why are you looking for me?”

Guan Zhuang did not hide anything and said immediately, “This brother of mine needs something. I’m afraid he needs your help.”

“Haha, Just Tell Me What It is. I Won’t say that I have everything here, but I’m one of the best in the entire Gu City,”Luo Hai said with a faint smile.

Qin Yu said in a deep voice, “Boss Luo, I need the life energy, and I need it urgently.”

“Life Energy?”Luo Hai was slightly surprised.

He frowned and said, “This thing is not easy to find...”

“If it were easy to find, I wouldn’t bother you,”Guan Zhuang said with a smile.

Luo Hai was silent for a moment and said, “Unfortunately, I don’t have the life energy here. But don’t worry, I will keep an eye out for you. As soon as there is any news, I will tell you immediately!”

“Thank you, boss Luo.”Qin Yu bowed and said.

It could be seen that the life energy was more lacking than expected.

“You guys go ahead. I still have something to do over there, so I won’t accompany you guys.”Luo Hai greeted Guan Zhuang and then walked to the side.

Qin Yu followed behind Guan Zhuang and asked as they walked, “Big Brother Guan, can we trust this Luo Hai?”

Guan Zhuang waved his hand and said, “What’s there to trust? It’s just driven by interests. This Luo Hai Tower has a close relationship with our hunter organization. Naturally, they will give us some face.”

Qin Yu nodded. That was true. After all, many treasures were obtained from Demon Beasts.

Soon, the two of them left the Luo Hai Tower.

Qin Yu followed behind Guan Zhuang and came to another special place: The Stone gambling shop.

This stone gambling shop was almost the most lively place in the entire bustling district.

Human Nature was greedy, even for cultivators.

Therefore, as long as it was related to gambling, there would often be no lack of business.

“It’s best not to touch this place,” Guan Zhuang reminded softly.

“I have been in Gu City for many years, so I know the routine here. 99% of these raw stones are waste that was selected by someone. Even 10,000 pieces might not be enough to produce a treasure.”

Qin Yu touched his chin, but he was actually somewhat interested.

The reason was none other than Qin Yu’s control of the desolate God’s eye.

The desolate God's eye could see through the void, so the raw stones naturally had nowhere to hide.

"I'm just having a little fun," Qin Yu said with a smile.

Guan Zhuang pulled Qin Yu back and said helplessly, "Kid, you really don't listen to advice at all."

Qin Yu did not explain. There were many people around the gambling den. Most of them were dressed luxuriously and had extraordinary looks. The spirit coins in their hands were thrown out in large handfuls.

"The aura of life is extremely expensive, and I am very short of money. This might be a way to earn money," Qin Yu thought to himself.

The raw stones here were very expensive. Any one of them would cost tens of thousands of spirit coins.

And there were at least tens of thousands of raw stones in this stone gambling shop! Qin Yu did not waste any time. His glabella shimmered as the desolate God's eye appeared in his mind.

Wherever the eye passed, the interior of the raw stone would be exposed.

"It's really like what Guan Zhuang said. "Qin Yu could not help but frown.

Most of the raw stones here were empty, and there were very few treasures.

But soon, Qin Yu found an unusual raw stone.

This raw stone looked quite ordinary, and it was no different from other raw stones.

On the side of the raw stone, the price was written: 30,000 spirit coins.

Without thinking, Qin Yu pointed at the raw stone and said, "Please help me cut this piece open."

"Okay!"

The Master of the stone gambling shop immediately took this raw stone and immediately cut it open in front of everyone's eyes.

Chapter 1276: Chapter 1,276, soul refining clothes

This raw stone was very different from the ones on Earth. The sealing of internal Qi was a unique skill. It was very difficult to sense anything from this raw stone, unless one was a top master.

As the raw stone was slowly cut open, traces of internal Qi leaked out. Traces of green liquid were slowly flowing out of the raw stone.

"A Babe has appeared! It's ambergris!" Someone exclaimed.

The Master of the shop at the side also hurriedly collected the ambergris.

"Sir, do you want this ambergris?" The master asked.

Qin Yu asked in puzzlement, "What do you mean?"

"Sir, it looks like this is your first time here. If you want it, it's yours. If you don't want it, we'll take it back," the master said.

He looked at the ambergris and said, "This is about 40,000 spirit coins."

“I don’t want it.”Qin Yu waved his hand without thinking. “You are lucky, “Guan Zhuangzhuang said in surprise.

Qin Yu whispered, “The good show has just begun.”

After saying that, Qin Yu activated the desolate God’s eye again and looked at the raw stone.

“Help me open that one.”Qin Yu pointed at a raw stone and said.

The raw stone slowly opened and a treasure dropped out once again.

This was a weapon. Although it was not expensive, the recovery price was at 50,000 spirit coins.

“I want that one too.”

The third piece opened and another treasure dropped out.

This could not help but make the people around cry out in surprise. They all looked at Qin Yu, their eyes filled with passion.

“I want that one too, and that one too.”

One by one, the raw stones were cut open, and each piece produced a treasure.

This made the Master of the stone gambling shop’s expression turn extremely ugly.

In less than two hours, Qin Yu had already earned a total of three hundred thousand spirit coins.

If this continued, they would probably lose money to death.

Guan Zhuang, who was watching from the side, had a face full of excitement. As someone who liked to gamble, he couldn't help but feel his hands itching.

Just as Qin Yu was having a good time, the genius youth from the Heavenly Cloud sect had arrived at the Imperial Palace of Gu City.

The city Lord of Gu City rushed out to personally welcome him.

“Young Master Ling Yun, why are you here?” The city Lord walked over and asked with a smile.

The youth known as Ling Yun looked at the city Lord coldly. His cold gaze made one's heart turn cold.

Even the city Lord of Gu City couldn't help but feel uneasy.

Ling Yun ignored the city Lord and strode into the Imperial Palace.

Even though the city lord was puzzled, he didn't dare to think too much and quickly followed.

Ling Yun wasn't old, only seventeen years old. However, his aura wasn't inferior to the city Lord's.

At this moment, Ling Yun was sitting on the city Lord's throne. His eyes were slightly closed, and no one knew what he was thinking about. The entire great hall was silent. No one dared to breathe loudly.

After an unknown period of time, Ling Yun finally spoke.

He looked at the city lord and said, “I'm looking for a person named Qin Yu.”

Someone said that he disappeared near Gu City.”

“Qin Yu? Who Is He?”The city Lord seemed a little puzzled. Ling Yun’s words were extremely simple. “A dead person.”

The city Lord’s expression changed drastically.

“What do you want me to do?”The city Lord asked.

“I’ll try my best to find him,”Ling Yun replied coldly.

The city lord nodded slightly. “Alright, I’ll try my best.’

Gu city had a large population and was highly mobile. Many people came here to search for treasures.

Therefore, it wasn’t that easy to find a person.

The city lord said, “I can only seal the city immediately and investigate. However, if that’s the case, we will face a problem.”

“If there are any important figures in Gu City who are stationed here, they will definitely be unhappy if they are sealed in the city. At that time, I’m afraid that it will be troublesome.”

Ling Yun’s eyes immediately flashed with a cold light.

He looked at the city lord coldly and said, “I don’t want to hear any excuses. I want to see the results within three days.”

The city Lord said in a deep voice, “Young Master Ling Yun, I’m Afraid I Need a promise from you. If you offend someone who shouldn’t be offended because of the city’s closure, your Tianyun sect will have to

take responsibility for it.” Ling Yun’s eyes narrowed slightly, and a hint of displeasure appeared on his face.

“Since it’s the Tianyun sect’s business, I think no one will not give us face, no matter how important the person is.”

Fortunately, the people around Ling Yun helped to mediate the situation, which stopped Ling Yun’s anger.

“Your words are enough.”The city lord nodded.

“I will order them to seal the city now.”

At this moment, Qin Yu was having a good time in the stone gambling shop.

He had earned more than a million dollars. This exaggerated figure made everyone excited.

“It’s about time to leave. If you continue playing, the shop owner will become angry from embarrassment, “Guan Zhuang reminded him.

Qin Yu agreed. He pointed at a raw stone and said, “The last one.”

Although the shop owner was unwilling, he didn’t want to shed all pretense of cordiality in front of so many people.

As the raw stone was cut open, rays of golden light burst out.

A dazzling light flashed past, and then a treasure that looked like a gauze robe appeared in front of everyone.

This treasure was somewhat ethereal, and it seemed to be neither real nor real. It was extremely strange, but anyone could tell that it was extraordinary.

“It’s the spirit refinement robe?” At this moment, someone in the crowd suddenly said.

“That’s right, it’s exactly the same as the spirit refinement robe in the records!”

“Friend, your luck is so good that you actually obtained a spirit refinement garment!”

Qin Yu asked in puzzlement, “What’s the spirit refinement garment for?”

refinement garment? Rumor has it that this item is used to protect the primordial spirit. As long as you refine this item, it’s like attaching a layer of armor to the primordial spirit!

Without waiting for Qin Yu to be surprised, the shop’s master quickly walked over.

He cupped his hands and said, “Friend, our shop is willing to take back this item at a price of one million spirit coins.”

Qin Yu hurriedly shook his head.

To Qin Yu, this spirit refining robe was an item that he needed immediately.

He had a powerful physical body, but he had always been worried that his primordial spirit would be chopped off.

If he obtained this item, it would be like adding wings to a tiger!

“I’m sorry, I’ll take this item,” said Qin Yu.

The master immediately frowned and subconsciously looked behind him.

After a while, a middle-aged man walked out..

This person walked like a dragon and a tiger. Every breath he took was extraordinary.

He was none other than the owner of this stone gambling shop.

The owner walked in front of Qin Yu, cupped his hands and said,
“Friend, our shop sincerely takes back this item... how about five million spirit coins?”

Hearing this number, everyone couldn’t help but gasp!

Five million spirit coins! This was simply a fortune!

This number, even for Qin Yu, was full of temptation.

However, he was silent for a moment, but still shook his head and said,
“I’m sorry, I also need this item.”

The boss smiled and said, “Friend, name a price.”

Qin Yu said helplessly, “It’s not about the price. It’s just that I urgently need this item, so no matter how much it is, it’s impossible.”

“Hehe, how do you know it’s impossible without a price? Everything has its price,” the boss said indifferently.

Seeing that he was so insistent, Qin Yu said, “Alright then... 100 million spirit coins, how about it?”

As soon as he said this, the boss’ face immediately turned green.

He said with a dark face, “Friend, are you kidding me?”

Qin Yu said helplessly, “You asked me to make an offer. How can you blame it on Me?”

The boss narrowed his eyes slightly. He put his face close to Qin Yu’s ear and whispered, “Friend, you made so much money in my shop, and now you still don’t give me face. Have you thought about the consequences?”

Hearing this, Qin Yu didn’t say anything and snatched the spirit refining clothes.

“I hate it when people threaten me,” Qin Yu said with a cold smile.

A trace of viciousness flashed in the owner’s eyes. He raised his hand to pat Qin Yu’s shoulder, but Qin Yu mercilessly pushed him away.

This made him, who was already embarrassed, even more embarrassed.

“Okay, okay. I’ll remember you,” the owner said coldly.

Qin Yu also knew that it was not good to stay here for long, so he turned around and left with Guan Zhuang.

“Big Brother Guan Zhuang, I’ll leave the matter of purchasing equipment to you.” Qin Yu took out a card of 500,000 and handed it to Guan Zhuang.

“There’s 500,000 in this card. Buy some good equipment for everyone.” Guan Zhuang said in surprise, “The leader only gave 300,000, you...”

“I’ll pay for the rest,” Qin Yu said.

After saying this, Qin Yu turned around and was about to leave.

At this time, Guan Zhuang pulled Qin Yu and said, “Where are you going?”

“I have a bad feeling,” Qin Yu said in a deep voice.

“There’s no time to explain. I’ll wait for you outside the city.”

After saying this, Qin Yu hurriedly ran out of Gu City.

Qin Yu had always been extremely sensitive to danger.

At this moment, he also felt that something was wrong.

In addition, the young master of the Heavenly Cloud Sect had already arrived at Gu City, so it was better to leave as soon as possible.

Guan Zhuang thought that Qin Yu was worried about the owner of the stone gambling shop, so he didn’t think too much about it.

Just as Qin Yu left Gu City in a hurry, the Heavenly Cloud sect issued a kill order.

Not only that, the entire city was announced to be closed. The city lord sent out heavy troops to guard every exit.

Apart from that, they also activated the city protection array.

The huge array enveloped the entire GU city. No one could escape.

The sudden change made many people feel uneasy.

Guan Zhuang, who was buying equipment, could not help but frown.

At this moment, the soldiers of Gu City began to issue arrest warrants.

“Everyone, don’t worry. We are only following the orders of the Tianyun sect to look for a criminal.”

The city lord was extremely smart. He had purposely revealed the heavenly cloud sect to avoid offending someone he shouldn’t have.

Numerous wanted notices came from all directions.

Guan Zhuang, who was buying equipment, also saw the equipment posted in the weapons store.

He looked at the wanted notice in confusion. When he saw the person on the wanted notice, his expression changed drastically!

“Qin... Qin Yu!”Guan Zhuangs eyes were as big as copper bells.

He never expected that the person wanted by the Heavenly Cloud sect was actually Qin Yu!

“Friend, may I ask, what did the person on the wanted poster do?”Guan Zhuang pulled a soldier from Gu City and asked.

The soldier glanced at Guan Zhuang and said, “I’m not sure. Rumor has it that he injured a guardian of the Heavenly Cloud Sect.”

“Injured a protector of the Tianyun sect?” This made Guan Zhuang even more shocked!

He knew that Qin Yu had offended the sect to escape, but he did not expect that he had offended the number one sect in the South Province, the Tianyun sect! And he had even injured their protector!

“Why? Have you seen him before?” The officer asked.

Guan Zhuang hurriedly shook his head and said, “No, I’m just curious.” At this moment, Guan Zhuang also sensed that something was wrong.

Over the past few days, many people had seen him and Qin Yu walking together. If they did not leave now, something bad might happen.

Thinking of this, Guan Zhuang hurriedly bought equipment and walked out of the city in a hurry.

The exit was still heavily guarded.

Guan Zhuang walked over in fear, afraid that he would be stopped.

Fortunately, the officer only took Qin Yu’s portrait and compared it with him. Seeing that it was not Qin Yu, he let Guan Zhuang go.

The moment he exited the gate of Gu City, Guan Zhuang ran for his life! He was afraid that someone would catch up!

“Big Brother Guan!”

Just as Guan Zhuang was fleeing, Qin Yu jumped out of nowhere and grabbed Guan Zhuang.

At this moment, Guan Zhuang was like a startled bird, frightened by Qin Yu and staggered.

He wiped the sweat on his forehead and said anxiously, “Qin Yu, the people of the Heavenly Cloud sect are arresting you! The city Lord of Gu City has issued a warrant for your arrest!”

Qin Yu narrowed his eyes slightly and said in a low voice, “As expected, they are looking for me.”

“How did you offend the Heavenly Cloud Sect, Kid? Do you know who the Heavenly Cloud sect is?”Guan Zhuang couldn’t help but shout.

Qin Yu sighed and said, “I killed one of their disciples, beat up one of their elders, and even broke the body of a protector..”

Guan Zhuang could not help but widen his eyes, which were like copper bells.

Qin Yu sighed, then looked at Guan Zhuang and said, “When you came out, no one made things difficult for you, right?”

“No, but it’s not good to stay here for long. They will definitely notice later,”said Guan Zhuang.

“Let’s go back quickly.”

Qin Yu frowned and said, “I’m worried that if I go back, I’ll implicate the entire Hunter Organization.”

Guan Zhuang waved his hand and said, “Most likely not. Even the Heavenly Cloud sect isn’t willing to shed all pretense of cordiality with our hunter organization.”

Qin Yu had heard this before, but he wasn't too sure.

That team leader didn't seem too strong, and Qin Yu hadn't seen many experts in the entire hunter organization.

Even the so-called king of hunters, Jin Lun, was only in the middle stage of the Almighty Realm.

How could such strength make the Heavenly Cloud Sect Afraid?

Guan Zhuang saw Qin Yu's doubt and said indifferently, "Don't forget, the hunter organization is extremely huge, and our supply is spread throughout the entire South Province and even more than half of the Li Province!"

"Do you know how many people's interests are involved? If the hunter organization is eliminated, it would be the same as touching most people's cake. Would the Heavenly Cloud sect do this?"

Qin Yu suddenly came to a realization.

It turned out that even in the cultivation world, there was a figure of capital.

Once someone monopolized a certain industry, it meant that they would have an extremely high status.

"Then let's hurry back," said Qin Yu.

Guan Zhuang replied. The two of them did not say anything more and rushed toward the hunter organization.

When they were about to arrive at the hunter organization, Guan Zhuang stopped in his tracks.

He said in a deep voice, “Qin Yu, it’s best that you don’t tell anyone about this in case it causes unnecessary panic.”

Qin Yu nodded and said, “Don’t worry, I understand.”

Then, the two of them rushed back to the hunter organization.

As soon as they returned, ZhongWu ran up eagerly.

The moment he saw Zhong Wu, Qin Yu immediately felt a little awkward.

Qin Yu had long forgotten what he asked Qin Yu to bring.

“That... I’m sorry. I forgot what you asked me to bring,” Qin Yu said awkwardly.

ZhongWu was stunned, then he waved his hand and said, “It’s okay. I didn’t tell you that.”

He looked around, then came in front of Qin Yu and whispered, “That golden wheel didn’t leave. He’s waiting for you.”

Hearing this, Qin Yu’s eyes immediately lit up.

“Really?” Qin Yu said with some surprise.

Zhongwu frowned and said, “Qin Yu, this golden wheel is not simple. You...”

“I know.” Qin Yu waved his hand and said.

Guan Zhuang, who was at the side, scolded, “Don’t meddle in other people’s business. Get lost!”

Qin Yu followed Guan Zhuang and walked towards the hunter organization.

Soon, Jing Bai walked over as well.

He blocked Qin Yu's path and asked, "How is it? Did you buy all the equipment?"

'Yes, it's all here. "Guan Zhuang shook his spatial magic artifact.

Jing Bai nodded slightly. Then, his gaze fell on Qin Yu.

'Jin Lun is waiting for you. Hurry up and leave, "Jing Bai said in a deep voice. Qin Yu smiled and said, "Why should I leave? I want to see so for myself."

Jing Bai said with a dark face, "Qin Yu, this Jin Lun..."

"I know he is not simple, "Qin Yu interrupted Jing Bai.

"If he is a simple opponent, I don't want to find him, "Qin Yu said with a smile.

Jing Bai frowned and advised earnestly, "Qin Yu, Jin Lun has rich combat experience. I don't know how many demonic beasts he has killed. I know that you are not ordinary, but it is better to avoid the sharp edge for now."

Qin Yu was about to speak when two strong men suddenly walked over.

'You are Qin Yu?"The two strong men quickly walked forward. One of them even raised his hand and placed it on Jing Bails shoulder.

Jing Bai frowned slightly. He tried to shake off the two men's palms, but found that the two men's strength was extremely great.

'Jing Bai, what do you mean? You want to let him go? Do you want to offend our boss Jin Lun?'"The two men said with a faint smile.

As they spoke, the strength in their hands became heavier and heavier.

These two men were huge, and their palms were like cattail fans.

Jing Bai, on the other hand, was quite delicate and pretty. This palm almost pinched his entire arm, causing him unbearable pain.

Qin Yu coldly glanced at the brawny man and said, "Let go."

The Brawny man raised his eyebrows. He sized up Qin Yu and said, "Are you talking to me?"

"Or what? You'd better release Jing Bai immediately. I don't want to repeat myself," Qin Yu said coldly.

The burly man mocked, "Kid, you... Ah!!"

Before he could finish his words, Qin Yu suddenly stretched out his hand and broke his arm!

The arm that was as thick as a tree trunk was shattered instantly! Even the bones were shattered into pieces!

Fresh blood splattered all over Jing Bai's face, but Jing Bai's expression was getting uglier and uglier.

He knew that this battle was inevitable.

“Kid, just you wait!”The Brawny man covered his broken arm and said fiercely.

“If you’re a man, don’t Run!”The other person warned.

Qin Yu sneered, “Why should I run? I’ll wait for Jin Lun here.”

“Good, good. You have guts!”The two men threw down these words and turned to leave in a hurry.

Qin Yu looked at Jing Bai and said, “Are you okay?”

Jing bai frowned and said, “Qin Yu, Jin Lun is an extremely overbearing person. You hurt his people, so he definitely won’t let it go.”

Qin Yu smiled and said, “Don’t worry. I’m not afraid of him.”

Jing Bai wanted to say something, but was interrupted by Qin Yu with a wave of his hand.

“Brother Guan, give the equipment to Jing Bai. I’ll go back to my room first,”said Qin Yu.

Guan Zhuang opened his mouth, but in the end, he only nodded..

Translator: Nyoï-Bo Studio Editor: Nyoï-Bo Studio

Qin Yu was also quite curious about Jin Lun.

He did not know what kind of person Jin Lun was. He only knew that he was very strong and was known as the Hunter King.

However, the performance of his subordinates today had greatly damaged his impression of Qin Yu.

Guan Zhuang and Jing Bai brought the equipment back to the equipment

warehouse. Many hunters came to collect the equipment one after another.

“Eh? Dragon Horn Bow? The equipment this time seems to be a little different.”

“This is... Blazing Sun Sword? This blazing sun sword seems to be quite expensive.”

“Quick, look, this is bloodthirsty frenzied sword! Holy Sh * t, this time the group leader is letting out blood?”

Jing Bai also looked at Guan Zhuang suspiciously, as if waiting for Guan Zhuang’s explanation.

Guan Zhuang waved his hand and said, “Qin Yu personally paid 200,000 yuan to update the equipment for everyone.”

“Qin Yu? F * ck, so generous?”

“As far as I know, he doesn’t seem to need any equipment at all.”

“TSK TSK, this is the first time I’ve seen a hunter spending his own money to upgrade our equipment. Such dedication really makes me admire him.” After this move, Qin Yu’s reputation in the hunter organization rose again.

To Qin Yu, this was completely unexpected.

He only felt that he had earned a lot of money, and it didn’t matter if he spent a little. He didn’t expect to have unexpected gains.

Qin Yu stayed in his room, holding the deity refining clothes in his hand, and began to study it carefully.

The deity refining clothes flickered with an extremely strange light. Under the cover of this light, the entire deity refining clothes looked faintly discernible, extremely mystical.

“This really is a treasure.”

Qin Yu touched the spirit refinement garment and only felt a trace of coldness.

Just as Qin Yu was studying the spirit refinement garment, Gu City had already Just as Qin Yu was studying the spirit refinement garment, Gu City had already smelled information related to Qin Yu.

After all, Qin Yu had played in Gu City’s largest market for a day. Now that the wanted notice had been issued, many people ran to the imperial palace to report it.

Looking at the news that kept coming up, the city Lord’s brows furrowed even more tightly.

There was no other reason. The place that these people had told him about was long gone.

This meant that Qin Yu had already left Gu city long ago and had lost all information again.

Ling Yun sat in the seat that should have belonged to him. His expression became even colder.

That icy killing intent made even the city lord feel uncomfortable.

He had heard of this genius youth.

Rumor has it that this person was extremely cruel. He had killed countless people at such a young age and loved to massacre the entire city. He didn’t spare anyone, from the elderly to the children.

Countless people had scolded him behind his back for such cruel actions.

However, he was the precious Babe of the Heavenly Cloud sect. No one dared to provoke him.

“Are you people from Gu City all trash?” Ling Yun’s fingers tapped on the table. Every strike seemed to strike the hearts of everyone.

The city Lord said in a deep voice, “Don’t worry. Since he has been to Gu City, we will definitely find information related to him.”

Ling Yun stood up at this moment and said slowly, “I have lost my patience.”

These words undoubtedly made everyone nervous.

The city lord frowned and said, “What do you want?”

Ling Yun opened his mouth and was about to speak when someone suddenly reported loudly from outside.

“City Lord, someone claims to know about Qin Yu!” A Spy rushed in hurriedly.

The city Lord’s eyes lit up as he hurriedly said, “Let him in quickly!”

A few minutes later.

Accompanied by a few heavy soldiers, a middle-aged man dressed in a brocade cannon walked in.

This middle-aged man was none other than the owner of the stone gambling shop!

After entering the palace, he knelt in front of the city lord with a “Plop” sound.

“Greetings, City Lord, “the owner of the stone gambling shop said with a trembling voice.

The city Lord said anxiously, “You said that you’ve seen Qin Yu? where is he?”

The owner of the stone gambling shop didn’t dare to hide anything. He immediately told the city lord what had happened.

“That Qin Yu came with someone named Guan Zhuang. I reckon that he’s from the hunter organization,”the owner of the stone gambling shop said.

“Hunter organization? I see.”Ling Yun narrowed his eyes and couldn’t help but sneer.

“Do you think that I can’t do anything to you just because you hid in the hunter organization?”

The city Lord said in a deep voice, “Young Master Ling, this hunter organization isn’t like other organizations. It’s best to be careful. As far as I know, they are very protective. It Won’t be easy for them to hand you over.”

Ling Yun glanced at the city lord and said coldly, “Are you teaching me how to do things?”

The city Lord opened his mouth and smiled bitterly. “I don’t dare.”

Ling Yun snorted coldly and stood up immediately. “Let’s go to the hunter organization.”

“Young Master Ling!”

However, at this moment, the stone gambling shop owner suddenly called out to Ling Yun.

He smiled sheepishly and said, "I've helped the Heavenly Cloud sect so much. I wonder if there's any reward..."

Ling Yun's long and narrow eyes narrowed when he heard that.

A tense atmosphere quickly rose in the great hall.

Everyone had a bad feeling, but the owner of the stone gambling shop was the only one who didn't understand.

"You want a reward?" Ling Yun asked coldly.

The owner of the stone gambling shop smiled sheepishly. "It's naturally best if there's any reward..."

Ling Yun nodded slightly. He looked at the owner and sneered, "Alright, then I'll satisfy you."

Before he could finish his sentence, Ling Yun's finger suddenly stretched out and a ray of light shot out from his fingertip!

This ray of light was extremely fast. In an instant, it pierced through the forehead of the owner!

Fresh blood spilled onto the red carpet.

The owner of the stone gambling shop fell straight down.

Ling Yun looked down at the corpse and said calmly, "You can only take what I give you."

After saying that, Ling Yun turned around and left.

He brought the three almighty experts and rushed towards the hunter organization..

The sky gradually darkened.

In the green rock forest, the roars of wild beasts could be heard from time to time, and the forest shook.

Qin Yu sat in his room, still studying his spirit cultivating clothes.

At this moment, the door was suddenly kicked open.

Then, an extremely huge man was seen standing at the door.

His body actually covered the entire door. Even Guan Zhuang looked small in front of him.

“Big Brother Jin Lun, it’s him!”

The muscular man whose arm had been broken by Qin Yu pointed at Qin Yu and shouted.

Jin Lun looked at Qin Yu coldly and said, “You are Qin Yu?”

Qin Yu smiled and said in a neither servile nor overbearing manner, “You are the so-called hunter King, Jin Lun?”

Jin Lun ignored this sentence and said in a cold tone, “Why did you hurt my man?”

“Because he deserves to be beaten. Since he came to find trouble, he should be mentally prepared to get hurt,”Qin Yu said indifferently.

These words were meant to warn Jin Lun as well as the injured Brawny Man.

Of course, Jin Lun understood the reason behind these words. He looked at Qin

Yu coldly and said, “You are very brave.”

“Likewise,”Qin Yu said with a faint smile.

At this moment, the team leader, Jing Bai, and many other hunters rushed over.

“Jin Lun, what are you doing!”The team leader scolded.

“Jin Lun, we are all affiliated with the Hunter organization. We should live together peacefully.”

“Yeah, Qin Yu paid out of his own pocket to give us new equipment. From this, we can see that he is a good person.”

“There are many people in this hunter organization who earn a lot of money.

The only one who is willing to contribute is Qin Yu.”

Hearing this, Jin Lun’s face was immediately filled with frost.

“Are you complaining that I didn’t pay?”Jin Lun said darkly.

“Of course I don’t have such intentions. “The hunter hurriedly waved his hand and said.

The group leader stepped forward to mediate the situation and said, “Jin Lun, if you really want to compete, why don’t you compete to see who kills more demonic beasts? Why do you need to fight with each other?”

Jin Lun sneered and looked down at Qin Yu. He said, “Wouldn’t that be letting this kid off easy? Moreover, he injured my people. How could I spare him?”

Qin Yu didn’t give in. He said indifferently, “Don’t worry. I Won’t accept the team leader’s suggestion.”

Jin Lun narrowed his eyes and said in a low voice, “You brat who doesn’t know the immensity of Heaven and earth. If I don’t Teach You a lesson, won’t You Pierce through the Heavens?”

After he finished speaking, Jin Lun suddenly kicked at Qin Yu!

At this moment, Qin Yu was sitting on the ground, but Jin Lun shamelessly attacked suddenly!

His thick and strong thigh was like a telephone pole, incomparably terrifying. Once it was touched, it would either kill or injure!

Seeing Jin Lun who suddenly launched a sneak attack, a trace of coldness flashed across Qin Yu’s face.

He didn’t Dodge, but suddenly clenched his fist, and with a bang, he met the Attack!

The fist and foot collided, instantly shattering the entire room!

The surrounding people were also affected by the impact and all retreated backwards.

As for Jin Lun, he was even more unsteady and almost fell to the ground.

Qin Yu slowly stood up from the ground. He looked at Jin Lun coldly and said, "I thought you were a good man. I didn't expect you to be a scum who likes sneak attacks."

Jin Lun sneered and said, "I gamble with demon beasts every day and understand the principle that victory is all that matters. Do I have to talk about morality with you?"

These words seemed reasonable, but in fact, they were Bullsh * t.

He compared Qin Yu to a Demon Beast. This was simply B * Stard logic.

"In that case, there's no need to talk nonsense," Qin Yu said coldly.

please.

Jin Lun did not stand on ceremony. He immediately turned around and walked towards the Green Rock Forest.

"I'll wait for you in the Green Rock Forest. I hope you won't be afraid to fight." Jin Lun's explosive voice was like thunder that entered everyone's ears.

Looking at Jin Lun walking towards the Green Rock Forest, the surrounding hunters all stepped forward to advise him, "Qin Yu, it's better if you don't go."

"Yeah, this Jin Lun didn't take it lightly. It's very easy to kill someone."

How Could Qin Yu listen to them? Jin Lun's actions had thoroughly angered Qin

“Qin Yu, they’re right.”At this moment, Jing Bai also walked over.

He pulled Qin Yu to the side and whispered, “The reason why he chose the green rock forest is very likely to be a trap.” Qin Yu frowned.

Jing Bai’s words were quite reasonable.

Judging from Jin Lun’s various actions, it was very likely that he would do despicable things.

But if he didn’t go, he would definitely be ridiculed.

After hesitating for a while, Qin Yu finally said, “I’ll go and fight with him. No matter how he plays tricks, I’m not afraid of him.”

After saying this, Qin Yu ignored everyone’s obstruction and walked into the depths of green rock forest.

The remaining hunters looked at each other in dismay. They subconsciously looked at their team leader as if they were waiting for his order.

“Let’s go and take a look too. No matter what, we can’t let anyone die,”said the team leader in a deep voice.

The many hunters present immediately followed closely behind and walked towards the depths of the green rock forest.

In a certain mountain forest in the Green Rock Forest.

Jin Lun, who was like a small mountain, had his arms crossed in front of his chest, waiting for Qin Yu’s arrival.

His follower followed by his side, looking forward to his arrival.

Very quickly, Qin Yu walked over from the other side of the mountain forest, step by step.

“Big Brother, he’s Here!”

After seeing Qin Yu’s figure, Jin Lun finally opened his eyes.

A cold glint flashed in his eyes, and his fists were slightly clenched.

“Big Brother, rumor has it that this kid’s physical body is extremely powerful. No one can match him. You have to be careful,”Jin Lun’s follower reminded him.

Jin Lun snorted and said, “I can crush his bony body with just a little bit of force.”

“That’s right.. Big Brother can even crush the bones of Demonic Beasts, let alone that Qin Yu!”

“That’s right, don’t forget that Big Brother still has a secret weapon.”

The few of them were mysterious, which made people suspicious.

At this moment, Qin Yu had already walked to the front of Jin Lun.

In front of Jin Lun’s huge body, Qin Yu appeared extremely small, only reaching the waist of Jin Lun.

The two figures formed a sharp contrast.

The other hunters also arrived one after another. The team leader took a step forward and said, "I can allow you to fight, but I only have one rule. No one is allowed to die. Do you understand?"

Jin Lun sneered and said, "Fists and feet have no eyes. Life and death are determined by fate."

After saying that, he suddenly attacked again. That huge fist brought with it a sharp wind, directly approaching Qin Yu's face!

Qin Yu's expression turned cold. He no longer planned to hold back. The divine power in his entire body surged up at this moment and exploded on his fist!

Qin Yu held the divine power in his hand. His footsteps were light as he evaded Jin Lun's huge fist. Then, he rose up from the ground and ruthlessly smashed his fist at Jin Lun's Head!

Once this fist landed, even if it could not directly shatter Jin Lun's head, it could still severely injure him!

"Internal Qi!" Jin Lun instantly felt a trace of danger, and his forehead instantly broke out in sweat!

At this moment, a golden armor suddenly flashed above Jin Lun's head.

"It's fire gold armor!" Someone exclaimed when he saw the origin of the golden armor.

"Rumor has it that Jin Lun spent a lot of money to create an armor. I'm afraid this is the fire gold armor!"

"Clang!"

Qin Yu's fist fiercely smashed onto the fire-gold armor!

At the moment of contact, the fire-gold armor began to shatter, with cracks appearing one after another!

The powerful shock wave still made Jin Lun's head feel an intense discomfort.

It was as if a heavy hammer had struck his head, causing him to feel dizzy.

Very soon, the fire-gold armor on his head completely exploded, turning into pieces that shot towards the trees at the side.

Wherever it passed, the trees were broken and the rocks crumbled. This was enough to witness the power of this punch!

Jin Lun rubbed his head, a trace of unease flashed across his face.

Qin Yu's punch had actually directly shattered the fire-gold armor that he had spent a lot of money to forge!

God knows how much power this punch of his had!

Before Jin Lun could recover, Qin Yu had already clenched his fist once again and stood up.

This time, his attack was even fiercer, and his speed was extremely fast!

The two of them were already very close to each other, so there was no way for them to Dodge

Now!

Helpless, Jin Lun could only clench his huge fist and attack Qin Yu as well!

“Boom!”

Two loud sounds rang out. Qin Yu’s fist pierced through Jin Lun’s chest, and Jin Lun’s fist also hit Qin Yu’s chest!

The only difference was that Qin Yu had only taken a few steps back, but a bloody hole had appeared in Jin Luffs chest!

This result was beyond everyone’s imagination!

They had never expected that Jin Lun would fall into a disadvantageous position so quickly!

“This Qin Yu... is a little too powerful.”

“To be able to achieve such a level with just his physical body is simply unheard of”

The team leader also revealed a shocked expression as he looked at Qin Yu with admiration.

As for Zhong Wu, he was even firmer in his thoughts!

This Qin Yu must be from a large sect! It was very likely that he was from the Heavenly Cloud sect!

“Good skill. “Jin Lun rubbed the bloody hole in his chest. Although his tone seemed relaxed, everyone knew in their hearts that he was already a little nervous.

Jin Lun took a deep breath and said coldly, “Your strength is stronger than I thought, but...

“Cut the F * cking crap. Either you kneel down and admit defeat, or I will beat you until you kneel down.”Qin Yu interrupted Jin Lun’s words.

The words that Jin Lun wanted to ease were suddenly stuffed into his mouth, unable to say a word.

He gritted his teeth, his face somewhat embarrassed.

He was the one who instigated this matter, and now Qin Yu did not give him any face at all. He could no longer bring himself down.

“Hu.”Jin Lun let out a long breath, blowing the trees in the green rock forest until they rustled.

“Since that’s the case, then I can only go all out.”

The cold light in Jin Lun’s eyes grew more and more intense, and layers of light that were like mountain rocks and scales appeared on his body.

In a short moment, his entire body seemed to have turned into a stone man!

“It’s the stone transformation technique! Jin Lun’s Trump Card!”Someone exclaimed.

When the team leader saw this, he frowned.

“This Jin Lun... he actually used the stone transformation technique. Does he really want to fight

He glanced at Jin Lun and then at Qin Yu before letting out a long sigh.

Things had already come to this, and it was no longer something he could control.

Jin Lun wasn't the only one who wouldn't give up. This Qin Yu didn't seem to give him any face at all.

“Are you done? Are you done transforming? When you're done transforming, I'm going to beat you up,” Qin Yu said with a cold smile.

His words were full of ridicule, but Jin Lun didn't care.

He shook his palm, and a small blood bottle appeared in his hand.

The bottle was filled with dark red blood. Bubbles rose from time to time in the blood, as if it had a scorching temperature.

“I didn't expect the Purple Phoenix Blood to be used on you at this time,” Jin Lun said coldly.

“Once I use the Purple Phoenix Blood, you must die!”

“No!” The team leader saw this and hurriedly shouted!

But it was obviously too late. Jin Lun grabbed the blood bottle and emptied it.

After swallowing the purple Phoenix Blood, Jin Lun's stone-like body underwent another transformation.

The stone-like radiance on his body was dyed a bright red, flickering in the darkness.

“It's actually the Purple Phoenix Blood! Rumor has it that after swallowing the purple Phoenix

Blood, his physical body is comparable to a demonic beast!”

“It seems that Jin Lun is really tempted.”

“The overlapping of the Purple Phoenix Blood and the stone transformation technique, God knows how abnormal his body is!”.

Chapter 1282: Chapter 1,282, the extremely powerful golden wheel

Translator: Nyoui-Bo Studio Editor: Nyoui-Bo Studio

Qin Yu wasn't too surprised when he saw the transformation of the Golden Wheel's body.

As the number one hunter, the golden wheel naturally had more than this ability.

Under the support of the stone transformation technique and the Purple Phoenix Blood, the Golden Wheel's body became even more ferocious, and its strength was as dense as the sea.

The Golden Wheel's pupils emitted a strange and murderous glow.

He clenched his fists and walked towards Qin Yu step by step.

Every step was extremely heavy, almost causing the ground to collapse.

The team leader, Jing Bai, and the others all sighed.

Since things had come to this point, it was impossible to stop it.

Between the two of them, one of them would definitely fall.

“Is this your final state?” Qin Yu looked at Jin Lun coldly. The internal Qi on his body was extremely stable, like an ancient well.

Under the stone transformation technique, Jin Lun's voice had become somewhat muffled.

“I originally didn’t want to take your life, but you forced me to do so,” Jin Lun said coldly.

“Back then, under the augmentation of the stone transformation technique, I once tore apart a tie Lin elephant with my bare hands.”

Qin Yu sneered, “So?”

“You won’t have a better outcome than tie Lin Elephant!” Jin Lun roared angrily. His fist was like a small mountain, fiercely swinging toward Qin Yu!

Qin Yu was not afraid at all. With his divine power, he chose to meet Jin Lun head-on again!

“Boom!”

After the collision, waves of terrifying internal Qi swept out in all directions! Even the air seemed to be fluctuating!

Trees were uprooted, the earth was shaking, and some demon beasts that couldn’t Dodge in time were cut in half! They turned into a pool of blood!

Qin Yu and Jin Lun were still in a stalemate. Half a second later, a violent explosion occurred between the two of them! The two of them took a few steps back!

This couldn’t help but shock everyone!

Even with the support of the stone transformation technique and the Purple Phoenix Blood, Jin Lun still couldn’t gain any benefits?

Jin Lun slowly stood up from the ground. He didn't seem to have suffered any substantial damage.

On the other side, Qin Yu also walked out from the forest.

His clothes had been torn to shreds, revealing his sturdy body.

“As expected of the Hunter King. He has some ability.” Qin Yu sneered.

Jin Lun shook his stone-like body and said coldly, “This is only the beginning. Don't be anxious.”

With that, the radiance on his body became thicker. Following that, his strength also became denser.

This was an extremely strange spell that fused his body almost like a divine stone.

Coupled with the support of the Purple Phoenix Blood, Jin Lun's physical body was extremely powerful at this moment. It could be said that he was invincible!

“Whoosh!”

In the blink of an eye, Jin Lun arrived in front of Qin Yu. Both parties once again engaged in close combat.

Jin Lun's speed was extremely fast. His huge body did not slow him down.

Qin Yu's expression did not change as he continued to receive Jin Lun's fist in an orderly manner.

It had to be said that Jin Lun's every punch was extremely powerful, and every time the two of them collided, space seemed to collapse.

The two of them became faster and faster, and in the end, only the sound of "Bang Bang Bang" could be heard.

The surrounding people watched with their mouths agape. This kind of battle that involved the use of physical bodies was indeed shocking.

At this moment, Jin Lun's body could be said to be impregnable. Qin Yu's fists had hit him many times, but even the gray stones on his body could not be broken.

On the other hand, Jin Lun's fists were incomparably heavy. Even though Qin Yu's body was indestructible, the powerful impact force still forced Qin Yu back again and again.

Qin Yu's body was continuously sent flying. God knows how many mountains and forests were smashed into pieces. It was a miserable sight.

However, what was surprising was that every time Qin Yu stood up, his body was still intact and full of fighting spirit!

This undoubtedly made the golden wheel extremely furious. He became even more furious, and the Purple Phoenix Blood on his body also began to boil. The gray stone covering his body also began to tremble!

"As expected of the intermediate stage of the Almighty Realm. "Qin Yu raised his head and stared at the enormous golden wheel, and couldn't help but think to himself.

At this moment, Qin Yu missed the time when he had spirit energy even more.

If he could use the cosmic form, it would be no problem for him to destroy this golden wheel.

“Bang!”

Another collision occurred. This time, Qin Yu was sent flying nearly a hundred meters, splitting a large mountain forest into two.

The power of the golden wheel was simply too powerful. Even though Qin Yu’s body was incomparably fierce, he still felt quite uncomfortable under such a collision.

I Can’t wait any longer, Qin Yu thought to himself.

If this continued, even if he didn’t die, he would be tortured to death by the golden wheel.

Qin Yu Closed his eyes slightly and prepared to use the ‘Dou ‘character.

But at this moment, the Golden Wheel’s body suddenly changed strangely.

It was as if he had turned into a huge stone ball, and his human form could no longer be seen!

This stone ball was extremely huge, and it flickered with the light brought by the Purple Phoenix Blood.

At a glance, it looked like a meteorite that had descended from the sky!

“Rumble...”

Large areas of the ground were affected and began to collapse.

The surrounding team leaders and others who were watching all retreated.

They knew that this was the Golden Wheel's trump card spell, and it was extremely powerful.

Qin Yu's face also revealed a trace of fear.

He did not dare to be negligent any longer, and directly opened the fighting word formula to the second level, preparing to receive the Golden Wheel's trump card spell!

“Boom!”

The stone ball brought with it a dark radiance as it came from the sky!

Qin Yu roared furiously. Divine power surged all over his body. He raised both of his hands and welcomed the stone ball!

“Boom!”

The collision between the two sides caused a huge earthquake!

In almost an instant, the ground under Qin Yu's feet began to crumble.

More than half of his body was buried into the ground!

The stone ball was still exerting its terrifying power. In the next second, the stone ball actually started to spin at an extremely fast speed!

Qin Yu's hands were instantly unable to grab onto the stone ball. The friction between his palms and the stone ball actually brought about waves of extremely intense sparks!

The stone ball spun faster and faster. Finally, Qin Yu's powerful physical body was unable to withstand it any longer.

The skin on his palms was torn apart, and traces of fresh blood seeped out!

After all, he was only at the intermediate stage of the Almighty Realm. Furthermore, he had used the stone transformation technique and the Purple Phoenix Blood!

Meanwhile, Qin Yu was only at the advanced stage of the Martial Saint Realm. He had not even stepped into the Almighty Realm!

If everyone knew about Qin Yu's realm, they would probably want to die!

“Ah!

Qin Yu's palm had been worn away. It was a bloody mess, and even his ghastly white bones were exposed!

“Go to hell!”

The stone ball emitted the cold voice of the golden wheel. Following that, an even more terrifying power was emitted from the stone ball!

“Level five of the battle character Incantation!”

Qin Yu roared and directly activated the battle character incantation to the last level!

In an instant, the divine power in Qin Yu's body instantly skyrocketed!.

Chapter 1283: Chapter 1,283 was only in the nascent soul stage

Translator: Nyoï-Bo Studio Editor: Nyoï-Bo Studio

Qin Yu, who had opened the fifth level of the fighting word formula, had his strength greatly increased!

His pair of already worn-out palms suddenly exerted force, and the bones of his hands actually directly pierced into the stone ball!

This stone ball that was spinning actually stopped in an instant!

“Ah! ! !”

Qin Yu’s mouth roared incessantly. He raised both his arms and fiercely threw this stone ball out!

The stone ball flew into the sky and crashed into the forest!

The surrounding people were shocked! Qin Yu’s sudden counterattack shocked them!

Qin Yu’s hands were bleeding. The bones exposed in the air looked extremely strange.

But no one dared to doubt the power of those hands. It was the power that forcefully grabbed the golden wheel!

“Whoosh!”

In a short moment, the golden wheel burst out from the forest.

His body was also bleeding. A large piece of gray stone had been crushed by Qin Yu, and it was bleeding.

Although this layer of gray stone looked like armor, it was actually not. This was his own physical body under the enhancement of spells!

Qin Yu knew that the fighting formula could not be maintained for too long, so he did not waste any time and quickly rushed toward the Golden Wheel!

Jin Lun did not dare to be negligent and immediately clenched his fist to meet the attack.

“Kacha!”

The collision this time made people’s eyeballs drop!

Qin Yu, who was at a disadvantage just a moment ago, now smashed the gray stone on Jin Lun’s fist into pieces with one punch!

“Ah!”

Jin Lun immediately felt pain and clenched his fist to retreat.

However, Qin Yu did not give him any chance at all. Without saying a word, he launched a set of combined punches.

“Bang, Bang, Bang!”The sound of the fists was incessant. With each punch, a piece of the gray stone on Jin Lun’s body would shatter.

This was the shattering of his physical body. His enormous body could not withstand it at all.

Fresh blood gushed out. The Purple Phoenix blood seemed to have been exhausted at this moment.

Qin Yu did not have any signs of stopping. He had to defeat Jin Lun completely before the fighting word formula disappeared!

In the blink of an eye, dozens of punches landed on Jin Lun's body. Jin Lun's body was almost shattered, turning him into a bloody man.

“Go to hell!” Qin Yu's eyes were wide open. His furious voice was like thunder, shaking the entire mountain forest.

At this moment, leaves fell and rocks rolled down.

Qin Yu's punch was aimed at Jin Lun's head!

Once it landed, even if his head was made of steel, it would be smashed into minced meat!

“Buzz!”

At this moment, a ray of light enveloped Jin Lun and blocked Qin Yu's invincible punch.

The powerful recoil forced Qin Yu back a few steps, and that Ray of light also trembled slightly.

Turning around, he saw the group leader holding a huge magical artifact made of white bones.

The layer of light that covered the Golden Wheel's body was emitted from this magical artifact.

“Enough. I've said it before. No one must die today. “The group leader looked at Qin Yu and slowly said.

Although Qin Yu looked down on the golden wheel, he had no choice but to listen to the group leader's words.

Moreover, the fifth level of Qin Yu's fighting word technique couldn't last for long. If the team leader insisted on protecting Jin Lun, Qin Yu would be helpless, so he might as well do him a favor.

Qin Yu looked at Jin Lun and said coldly, "For the sake of the team leader, I'll let you off today."

Jin Lun had become a bloody man. Although he was angry, he had lost the ability to continue fighting. Therefore, he didn't say anything, and the stone transformation art also disappeared. Guan Zhuangzhuang quickly walked to Qin Yu. He sized Qin Yu up and said, "Are you okay?"

Qin Yu waved his hand and said, "I just suffered a little injury."

There was nothing he could do. After all, Qin Yu's realm was too low, and he did not have the support of spiritual power. All of his abilities could be said to be the instinct of life. There was no technique to speak of.

Jing Bai also walked in front of Qin Yu and said in a deep voice, "Go to the infirmary. There will be someone there to treat you."

Qin Yu nodded. He walked toward the infirmary with Guan Zhuang.

The crowd slowly faded away, and Jin Lun also walked toward the infirmary with the support of his followers.

Along the way, Jin Lun's face was extremely gloomy. His blood spilled all over the ground, attracting many demon beasts to follow him.

These demon beasts didn't dare to sneak attack Jin Lun. They only watched coldly from behind.

"This Qin Yu..."Jin Lun couldn't help but grit his teeth.

"Boss, that Kid was just lucky. Otherwise, he definitely wouldn't be your match!"

"What are you talking about? It was clearly a draw today, and boss didn't lose!"

"That's right. If the team leader doesn't make a move, it's still uncertain who will win and who will lose."

"Team leader is nothing. Team leader has to give face to boss. Sooner or later, boss will replace him!"

Jin Lun didn't say a word, but he knew very well in his heart that if that punch really landed, he would either die or be crippled.

Almost everyone in the hunter organization was discussing this battle.

Qin Yu's performance had indeed shocked them greatly.

And this made Zhong Wu even more convinced of his own thoughts:

This Qin Yu must have come from a large sect or a large aristocratic family!

In the medical room.

A pharmacist wrapped Qin Yu's arm and gave him a few pills.

Guan Zhuang acted as a temporary escort. He sat by Qin Yu's bed and carefully fed Qin Yu the pills.

Even though this action was a little strange, Qin Yu's hands were indeed unable to move.

As he lay on the bed, he felt slightly uneasy.

Jin Lun was at the intermediate stage of the Almighty Realm, and the people sent by the Heavenly Cloud sect were also at the intermediate stage of the Almighty Realm.

However, in terms of resources, the Heavenly Cloud Sect's spells were many times stronger than Jin Lun's.

"I really didn't expect that a mere intermediate stage of the Almighty Realm would be able to break through my defense. "Qin Yu looked at his hands and couldn't help but sigh.

Guan Zhuang rolled his eyes and said, "Enough. If he can't even break through your defense, how embarrassing would that be?"

"Besides, he probably contributed half of the credit to that Purple Phoenix Blood. Without that Purple Phoenix Blood, I think it would be difficult."

Qin Yu didn't say anything, but he was faintly worried in his heart.

It probably wouldn't be long before the people of the Heavenly Cloud sect found this place.

"By the way, what realm are you at exactly?"Guan Zhuang suddenly asked.

Qin Yu thought for a moment and said, “If we talk about realm, before I lost my spiritual power, I should only be a martial saint.’

“Martial saint? What is that?”Guan Zhuang was stunned.

Only then did Qin Yu remember that martial saint was only a name in the martial arts world on Earth.

Thus, he explained, “It’s the nascent soul stage.”

“Nascent Soul Stage?”Guan Zhuangzhuang stood up abruptly.

“You’re bullshitting me. You’re Only a nascent soul. What qualifications do you have to fight against a mighty figure?”

“I’m not laughing at you, but killing a nascent soul is like squashing an ant, let alone a golden wheel.

Chapter 1284: Chapter 1,284, Sacred Artifact!

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Qin Yu didn’t know how to explain it either, but before he lost his spiritual power, he had indeed not been able to step into the mighty realm.

It wasn’t just Qin Yu, no one in the entire earth had stepped into the mighty realm in this world.

“Alright, if you don’t want to say it, then don’t say it. Take care of your injuries.”Guan Zhuang patted Qin Yu’s shoulder and said.

Then, Guan Zhuang walked out.

In another room.

Jin Lun's face was gloomy. In front of him, there was a large group of underlings surrounding him.

“Big Brother, this kid's appearance will definitely threaten you. Why don't we take advantage of his injury and kill him!” Someone suggested.

However, Jin Lun said coldly, “We can't. The team leader and Jing Bai will definitely protect him. Moreover, if we take advantage of him, we won't need to stay here in the future.”

“Then what should we do? Should we just let him go?”

Jin Lun didn't say a word. He had countless plans in his mind. Any one of them could take Qin Yu's life.

However, plans often couldn't keep up with changes. In the morning of the next day, a few well-dressed people suddenly arrived.

These people were wearing long robes with a huge cloud on top.

They were none other than Ling Yun from the Heavenly Cloud sect! That Genius Youth!

Without even lifting his head, Jing Bai said, “Are you going to issue an order? Fill in the form.”

Ling Yun looked at Jing Bai coldly and said, “I'm here to look for someone.”

“Look for someone?” Jing Bai frowned slightly. He put down the work in his hands and looked up at Ling Yun.

At this moment, Thong Wu suddenly ran out from the side.

He ran in front of Ling Yun quickly and said with a smile, “My lords from the

Heavenly Cloud Sect, you are here to look for Qin Yu, right?”

Ling Yun’s eyes lit up instantly as he said coldly, “Qin Yu is really here?”

“Yes, don’t you all Wu was overjoyed! It seemed like his guess was right. This Qin Yu was indeed from the Heavenly Cloud sect!

“Cut the crap and bring us to him quickly, “an almighty beside Ling Yun said coldly.

Zhong wu hurriedly said, “No problem, I’ll bring you to him right away.”

After saying that, Zhong Wu led the way and walked towards Qin Yu’s room.

On the way, Thong Wu patted his chest and said, “I’m friends with Qin Yu. I’ve been taking care of him all this time!”

“Oh? You’re friends with him?”Ling Yun said with a faint smile.

Zhong wu said proudly, “Of course. I even lent him more than a million!” Ling Yun couldn’t help but feel murderous, but he wasn’t in a hurry to make a move.

“This is it!”Zhong Wu pointed at Qin Yu’s room.

He walked forward quickly and pushed Qin Yu’s room open.

“Qin Yu, your sect is here to look for you!”Zhong Wu said excitedly.

At this moment, Guan Zhuang was feeding Qin Yu Medicine. When he heard this, Guan Zhuang couldn't help but ask curiously, “Sect? What sect?”

Before Zhong Wu could say anything, Ling Yun had brought a few people in.

When he saw these people, Qin Yu's expression changed drastically!
“You're here so soon?”Qin Yu narrowed his eyes and said softly.

“Qin Yu, you sure know how to hide,”Ling Yun sneered.

Qin Yu sat up from the bed and said calmly, “You're the genius from the Heavenly Cloud Sect?”

“Oh? You've heard of Me?”Ling Yun was slightly surprised.

“I've heard of you. I heard that you're not old, but you're vicious and cruel,”Qin Yu said plainly.

“Thank you for the compliment,”Ling Yun said with a cold smile.

Even though he was only seventeen years old, he was extremely experienced in speaking and handling matters. He didn't look like a teenager at all.

“Are you coming back with us, or do you want me to cripple you before bringing you back?”Ling Yun asked.

Qin Yu stood up slowly and said with a cold smile, “That depends on how capable you are.”

Zhong Wu, who was watching from the side, was dumbfounded. He rubbed his eyes and asked in puzzlement, “This Qin Yu... isn't a member of your sect?”

“A member of our sect? He is our enemy, “the almighty beside Ling Yun snorted coldly.

Zhong WU's expression changed drastically! In that instant, countless thoughts flashed through his mind.

“Qin Yu, you f * cking tricked me! Quickly return the money to me!”Zhong Wu cursed.

Qin Yu sneered. “When did I trick you?”

“You F * cking pretended to be a member of the Heavenly Cloud Sect!”Zhong wu said through gritted teeth.

“When did I F * cking say that I'm a member of the Heavenly Cloud Sect? Wasn't that all in your head?”Qin Yu scoffed.

Ling Yun glanced at Thong Wu and said sarcastically, “Didn't you say that you and Qin Yu are friends?”

Zhong wu hurriedly waved his hand. “Who's friends with him? I thought that he was a member of the Heavenly Cloud Sect. That's why I wanted to make friends with him. I didn't expect him to be your enemy.”

Ling Yun couldn't be bothered with Zhong Wu anymore. He waved his hand and said, “Break Qin Yu's limbs and bring him back.”

“Yes.

The three mighty figures walked forward, emitting an extremely terrifying pressure. “Stop!”

At this moment, the team leader suddenly brought everyone over.

He walked quickly to Qin Yu and looked at Ling Yun. He cupped his hands and said, “Young Master Ling, How Do You Do?”

Ling Yun looked at the team leader coldly. “Who are you?”

“I’m the team leader of the Hunter organization. If there’s anything you want to talk to me about, “the team leader said with a smile.

Ling Yun snorted lightly. “This Qin Yu has offended my Tianyun sect. I want to bring him back now.”

“I’m afraid that won’t do. “The team leader shook his head with a smile. “Our

Hunter organization has never betrayed anyone. How about this, Young Master

Ling, tell me what Qin Yu has done wrong, and I’ll punish him.”

Ling Yun’s expression turned cold as he said, “You dare to interfere in the matters of My Tianyun Sect?”

The team leader smiled faintly. “Young Master Ling, Our Hunter organization has always followed this rule. The rules can’t be broken.”

Ling Yun’s body emitted a strong killing intent as he said coldly, “Aren’t you afraid that I’ll kill you?”

“Young Master Ling, I’m afraid it won’t be that simple if you want to kill me,” the team leader said with a smile.

As he spoke, a white bone scepter appeared in his hand. The scepter emitted a faint holy aura.

This holy aura immediately caused people to be fearful!

Ling Yun’s brows also furrowed at this moment.

“That broken white bone is used as a holy weapon to scare me? Do you think I’m afraid?” Ling Yun said coldly.

“Whether it’s a holy weapon or not, Young Master Ling, why don’t you give it a try?” The team leader’s tone was neither servile nor overbearing.

Ling Yun’s expression was somewhat ugly. Facing a saint weapon, he really didn’t have the courage to give it a try.

“No one has ever dared to go against the wishes of my heavenly cloud sect. So what if you have a saint weapon in your hand? Do you think my Heavenly Cloud sect will be afraid of Yun said coldly..

Chapter 1285: Chapter 1,285, negotiation with the Tianyun sect

The team leader wasn’t flustered by Ling Yun’s threat.

He smiled and said, “I believe that the Tianyun sect will not go to war with my hunter organization.”

Ling Yun’s expression became colder and colder. He, who was arrogant by nature, had never been defeated before.

Just as he was about to flare up, the person beside him pulled him back.

“Young master, it’s better not to shed all pretense of cordiality with the

hunter organization,”the attendant said softly.

“That’s right. The scope of the hunter organization’s goods is too wide. The Tianyun sect will definitely not make up their mind to eliminate them,”another person said.

Ling Yun took a deep breath and said with a dark expression, “The enmity between Qin Yu and My Tianyun sect can not be interceded by anyone. My Tianyun sect will definitely not let this go.”

After saying that, Ling Yun waved his hand and led his men out.

“Take care, Young Master Ling,”the team leader said with a smile.

The team leader’s face only darkened after Ling Yun had walked far away.

He walked quickly to Qin Yu and said coldly, ‘You actually offended the Tianyun sect?’”

Qin Yu smiled bitterly. “That’s right, team leader. I’m really sorry...”

The group leader said in a deep voice, “The Heavenly Cloud sect is powerful. Why did you provoke them?”

“It’s a long story. “Qin Yu sighed.

He wanted to tell the group leader what happened, but the group leader waved his hand, he said, “Forget it. The principle of the hunter organization is never to give up on anyone. Since you joined the hunter organization, I can only think of a way to protect you.”

At this point, the team leader looked at Jing Bai and said in a deep voice, “Jing Bai, Go and talk to them. If possible, our hunter organization is willing to pay a certain price. It can be a heavenly treasure or money.”

Jing Bai hurriedly nodded. “I understand. I’ll go and talk to them now.”

On the other side, Ling Yun was sitting with the three almighty experts.

Their expressions were extremely cold, and Ling Yun's eyes were filled with murderous intent.

'I
A mere hunter organization wants to stop my Tianyun sect? I'll return to Tianyun sect now to retrieve the Holy Weapon,' Ling Yun said coldly.

"Young Master Ling, you mustn't." The people beside him stopped him again.

"We mustn't go to war with the hunter organization. We can't even shed all pretense of cordiality."

Ling Yun glared at the few of them and said, "Are we going to let him off just like that?"

"We can wait for him in the Green Rock Forest. As long as Qin Yu dares to go hunting, we can wait for an opportunity to get rid of him."

"That's right. When that time comes, no one will be able to blame us."

Ling Yun was extremely unhappy.

He recalled the attitude of the team leader just now and couldn't help but get angry.

"A mere team leader of a hunter organization Dares to challenge my Tianyun sect like this..." a trace of viciousness flashed across Ling Yun's eyes.

At this moment, Jing Bai suddenly walked over from not far away.

When they saw Jing Bai, their faces instantly turned cold.

“Greetings, Young Master Ling.”Jing Bai walked forward and bowed slightly.

Ling Yun asked coldly, “What are you doing here?”

Jing Bai smiled. “I’m here under the orders of our team leader to apologize to you. I hope that Young Master Ling can forgive us for our offense.”

Hearing this, Ling Yun couldn’t help but sneer. “Apologize? Then what about your sincerity? Are you relying on your mouth?”

Jing Bai hurriedly waved his hand. “Of course not. Our team leader said that if you have any requests, feel free to mention them. As long as we can do it, we will not decline.”

Ling Yun laughed out loud. “Requests? You guys think too highly of yourselves! Do you know who I am? I represent the Heavenly Cloud Sect!”

“What can a mere hunter organization like yours bring to Our Heavenly Cloud Sect?”

Looking at Ling Yun’s arrogant attitude, Jing Bai was not surprised.

He continued, “The heavenly cloud sect has many disciples. I believe that they also need a large number of weapons, materials, herbs, and so on. This happens to be the strength of our hunter organization.”

“If Young Master Ling agrees, our hunter organization is willing to give up a portion of our benefits to the Tianyun sect.”

Hearing this, Ling Yun’s smile became even colder.

In the next second, he suddenly shot in front of Jing Bai. He extended his palm and grabbed Jing Bai's neck, lifting him into the air.

The huge force made Jing Bai's expression turn pale.

“Go back and tell your team leader that I Only Want Qin Yu. There's no need to talk about anything else,”Ling Yun said coldly.

After saying that, Ling Yun threw Jing Bai to the side.

Jing Bai's body slid on the ground for a few meters before he stabilized himself. He stood up and patted the dust off his body. “Young Master Ling, are you really not going to consider it?”

“Do you want to die? I Don't mind sending you on your way ahead of time,”Ling Yun said coldly.

Since he had said so, Jing Bai didn't say anything else.

He nodded slightly and left.

After returning to the hunter organization, Jing Bai told the team leader what Ling Yun had said.

After the team leader heard it, his expression became even more solemn.

“This Ling Yun is a ruthless person. The possibility of negotiating with him isn't high,”Jing Bai said from the side.

The team leader took a deep breath and said coldly, “Then let's delay it. I don't believe that they will go to war with our Hunter Organization.”

“Moreover, there's still the white bone club.”

The team leader looked at the white bone club in his hand and instantly felt confident.

Qin Yu stood at the side and couldn't help but feel a little guilty.

“Team leader, I'm really sorry for bringing so much trouble to you.” Qin Yu sighed.

The team leader glanced at Qin Yu and said, “I'm not just doing this for you, but also for the Hunter Organization.”

“This is the rule of the hunter organization. I'm doing it more to protect the rules.”

Even though that was the case, the gratitude in Qin Yu's heart was still indescribable.

“I'll deal with this matter as soon as possible,” Qin Yu said in a deep voice,

There would be a fight with Ling Yun sooner or later. However, Qin Yu was currently heavily injured and couldn't make a move for the time being.

Qin Yu made up his mind to fight with Ling Yun after his injuries recovered.

All the hunters were a little worried, but what touched Qin Yu was that none of them blamed Qin Yu.

There was no other reason. Many of them were the same as Qin Yu. They were here to escape, so they knew Qin Yu's situation very well..

Chapter 1286: Chapter 1286, Ling Yun's plan

At this moment, Ling Yun and the three almighty experts beside him were sitting around a ball of fire, eating the wild beasts that had just attacked.

“If it really can’t be done, we can only go to Qingyan forest and wait for Qin Yu,” someone said.

“That’s right, as long as we don’t clash with them directly. We Aren’t willing to shed all pretense of cordiality with the hunter organization, and they also don’t dare to shed all pretense of cordiality with our Tianyun sect,” another person added.

Ling Yun, who had been silent all this while, let out a cold smile at this moment.

“Why Bother?” Ling Yun snickered.

He held a fire stick in his hand as he knocked on the ground while laughing coldly.

“Young Master Ling, do you have any good ideas?” Someone asked.

Ling Yun replied calmly, “It’s true that we can’t start a war with the hunter organization, but that doesn’t mean that the team leader can’t be replaced.”

The few people around him turned pale with fright when they heard this.

“Young master, what do you mean?” Some of the higher-ups didn’t understand and waited for Ling Yun to continue.

Ling Yun said calmly, “The hunter organization is so huge. There are bound to be people who are dissatisfied with that team leader.”

“Furthermore, that team leader is rigid in his actions. I’m afraid that he has already offended someone in secret.”

“As long as we increase our profits and get rid of that team leader, wouldn’t it be enough to replace him with an obedient team leader?”

The few people present couldn't help but look at each other in dismay. They seemed to be extremely shocked by Ling Yun's bold idea.

"I think the kid who brought us to find Qin Yu today is already pretty good," Ling Yun said with a faint smile.

"You guys think of a way to find him."

The person that Ling Yun was referring to was Thong Wu.

His judgment was extremely accurate. In today's short encounter, he had already seen through Zhong WII's face. It was the most suitable person to find him.

"Young master, this matter is no small matter. Shouldn't we consider it carefully before making a decision?" Someone suggested.

Ling Yun said arrogantly, "Cut the crap. Just do what I tell you to do!"

"Alright, Young Master, we'll do it right away!"

The few of them stood up slowly and rushed towards the hunter organization.

Hunter organization.

Zhong Wu was lying on the bed, tossing and turning, unable to fall asleep.

The moment he thought of Qin Yu, he was filled with anger.

When he remembered that Qin Yu had cheated him of more than a million yuan, he gnashed his teeth in hatred.

“Damn it!” Zhong Wu sat up from the bed, completely unable to fall asleep.

He pushed open the door and took advantage of the night to go look for Jin Lun. However, he had only walked for a short distance when three figures blocked his way.

“Who are you? What are you doing?” Zhong Wu said in a bad mood.

As soon as he finished speaking, Zhong Wu reacted.

Weren't these three people from the Tianyun sect during the day?

Zhong Wu's expression suddenly changed. He said with some fear, “Big Brothers, I don't know that Qin Yu at all. I'm not familiar with him. Don't look for me...”

“Cut the crap, our young master wants to see you,” the three of them said coldly.

Without waiting for Zhong Wu's reply, they grabbed Zhong Wu and sped away.

Along the way, Zhong Wu was terrified. He thought that these people were going to take his life.

A few minutes later, the few of them arrived in front of Ling Yun.

“Young master, they're here.”

Ling Yun nodded slightly. He glanced at Zhong Wu and gestured for him to come over and sit down.

Thong Wu scrambled over to Ling Yun, he smiled sheepishly. ‘Young Master Ling, that Qin Yu has nothing to do with me. I thought he was from the Tianyun sect, but I didn’t expect him to be a liar! I didn’t expect him to be the enemy of the Tianyun sect!’

Ling Yun said plainly, “It seems like you know my Tianyun sect very well. ”

Zhong wu hurriedly replied, “Of course. Who in the entire South Province doesn’t know that the Tianyun sect is the number one sect?”

Ling Yun stood up slowly. A wisp of scheming that didn’t match his age flashed across his delicate face.

‘Do you want to be the leader of the Hunter Organization?’ Ling Yun asked straightforwardly.

Thong wu frowned and asked, “What do you mean?”

Ling Yun snorted coldly. “This team leader doesn’t put our Tianyun sect in his eyes at all. He actually dares to oppose our Tianyun sect for the sake of Qin Yu!”

At this point, Ling Yun looked at Thong wu coldly and said, “So, I would like to change someone who is obedient to become the leader of the Hunter organization. I wonder if you are interested?”

Thong Wu heard this and waved his hand repeatedly. “Young Master Ling, you think too highly of me. I don’t have that ability.”

Ling Yun frowned and said, “How would you know if you don’t try? As long as you kill the current team leader or take away his holy weapon, you can become the next team leader!”

“No, no, no, Young Master Ling, I don’t have that much ambition. You’ve found the wrong person.” Zhong Wu waved his hand in fear.

This made Ling Yun furious. He glared at Thong Wu, he gritted his teeth and said, “What a useless piece of trash! Then stop talking nonsense. I want you to think of a way to kill that team leader! If you can’t do it, I’ll kill you!”

Zhong Wu said bitterly, “Young master ling, I really don’t have that ability. Moreover, even if he dies, I’m not qualified to be the next team leader...”

Speaking up to this point, Zhong Wu seemed to have suddenly thought of something.

His eyes lit up and he hurriedly said, “Young Master Ling, I can introduce you to someone. He’s definitely suitable!”

“Who?” Ling Yun replied without a hint of annoyance.

“Jin Lun, the Hunter King of our Hunter Organization!” Zhong Wu said in a low voice.

“He has a high reputation in the hunter organization and has many followers. If the team leader dies, he will definitely become the next team leader!”

“Most importantly, he has long been dissatisfied with the current team leader. Recently, he was defeated by Qin Yu. I believe that he will definitely agree to your request!”

Ling Yun and the rest looked at each other as if they were sending a message through their eyes.

‘I

IS what you said true?’ Ling Yun narrowed his eyes.

‘It’s absolutely true!’ Zhong wu patted his chest and said.

A smile appeared on Ling Yun’s face.

He patted Zhong Wur s shoulder and said, ‘Alright, I’ll leave this matter to you. Think of a way to bring him to see me.’.
