Chapter 1287: Chapter 1,287, conspiring in cahoots

Zhong Wu hurriedly nodded. “No Problem! By the way, Young Master Ling, what benefits do I get after this matter is settled?”

Hearing this, Ling Yun’s expression turned cold again, but it was fleeting.

What he hated the most was people chasing after him for rewards.

In Ling Yun’s heart, as long as he could give, no one else could take it. Otherwise, it wouldn’t be called a reward.

If it were any other time, Ling Yun would definitely kill Zhong Wu. However, he still needed him now. Thus, he nodded and said, “Of course. Whatever you want, just name it.”

Zhong Wu was overjoyed. He quickly said, “It’s enough that you can make me the city Lord!”

“Okay, no problem.”Ling Yun nodded in agreement.

The tianyun sect controlled countless small countries. Many City lords were directly controlled by the Tianyun sect.

Therefore, it wasn’t difficult for them to appoint a city lord.

Zhong Wu didn’t waste any time and immediately rushed back.

The tianyun sect controlled countless small countries. Many City lords were directly controlled by the Tianyun sect.

Therefore, it wasn’t difficult for them to appoint a city lord.

Zhong Wu didn’t waste any time and immediately rushed back.

At this time, no one knew about the transaction between Zhong Wu and Ling

Yun.

The next day.

Jin Lun, who was severely injured, couldn't enter Qingyan Forest to hunt for a few days.

These few days, his followers accompanied him to play chess, play cards, and chat.

At this moment, Zhong Wu pushed open the door and entered. He sat down next to Jin Lun.

A two-faced person like Zhong Wu had long established a relationship with Jin Lun. Therefore, Thong Wu's arrival did not surprise Jin Lun. He only raised his head to look at him.

"Thong Wu, you're here," Jin Lun said as he pondered over the chessboard.

The person next to him said sarcastically, "Thong Wu, haven't you been getting close to that Qin Yu recently? Why did you come to Our Place?"

Zhong Wu waved his hand and said, "Who's close to him? I've long disliked that Kid."

"You're scared because he offended the heavenly cloud sect, right?"

The people in the room immediately burst into laughter.

Zhong Wu wasn't angry because he knew that as long as Jin Lun didn't say anything, these people couldn't do anything to him.

“Brother Jin Lun, how are you feeling? Are You Okay?” Zhong wu asked hypocritically.

While playing chess, Jin Lun said indifferently, “I’m okay. I Won’t die.”

Since he had already said the pleasantries, it was time to get down to business.

He leaned against Jin Lun’s ear and whispered, “Brother Jin Lun, I want to discuss something with you.”

“What is it? Tell me,” Jin Lun said casually.

Zhong Wu didn’t say anything but looked at the other people in the room.

Jin Lun didn’t even raise his head and said indifferently, “They are all on the same side. If you have something to say, just say it.”

Zhong wu smiled embarrassedly and said, “This matter is of great importance. It’s better for you and I to discuss it in private.”

Jin Lun frowned slightly. He thought for a moment, then put down the flag in his hand and said, “You guys go out first.”

“Yes. “Everyone agreed and walked out of the room.

After everyone left, Zhong Wu leaned on the door and carefully looked around.

After making sure that no one was there, Thong Wu returned to Jin Lun’s side.

He said in a deep voice, “Brother Jin Lun, this matter is very important. It involves the heavenly cloud sect.”

Then, Thong Wu told Jin Lun his thoughts.

After hearing Thong Wu's words, even the arrogant Jin Lun was shocked. "You Mean... you want me to kill the team leader?" Jin Lun narrowed his eyes and asked.

"Yes. "Thong wu nodded slightly.

"As long as you kill him, you will be the new team leader! With the help of the Heavenly Cloud Sect, the entire hunter organization will be in your hands!" At this moment, a hint of hesitation appeared on Jin Lun's face.

Although he was a ruthless person, he had never thought of getting rid of the team leader.

He looked at Thong Wu coldly, as if he could not believe that Zhong Wu would have such thoughts.

"Those who achieve great things must be decisive in their killing. Do you want to forever be under the team leader?" Thong Wu said patiently.

"Furthermore, there's another Qin Yu Now! If he doesn't die, will you still be able to catch him as the Hunter King?"

Jin Lun wasn't an indecisive person, especially when he heard the name Qin Yu. His expression was extremely cold.

"Alright! We'll do as you say!" Jin Lun said coldly.

However, at this moment, Jin Lun changed the topic and said with a frown,

"But the team leader has the bone club. I'm not his match."

“Hehe, you don’t have to worry about that. I’ll bring you to see Ling Yun tonight. He will think of a way.”Zhong Wu smiled faintly.

Jin Lun looked at Thong Wu and said, “Okay.”

“Meet me at the East River at 10 pm,”Zhong Wu said in a deep voice.

The two of them hit it off and prepared to get rid of the team leader.

At this moment, the team leader didn’t know what the two of them were up to.

He was sitting in Qin Yu’s room and said, “Don’t leave the hunter organization during this period of time. Once you leave, he will definitely make a move on you.”

Qin Yu nodded and said, “Team leader, I understand. Thank you for your trouble.”

The team leader waved his hand and turned around to leave.

After all, this disaster was caused by Qin Yu, so it had to be resolved by Qin Yu.

If this continued, it wouldn’t be a solution.

He lowered his head to look at his injuries and said coldly, “When my injuries recover, I want to experience Ling Yun’s abilities.”

No one had expected that Jin Lun and Thong Wu would be so confident and ruthless.

The hunter organization had always been extremely united. This was also the reason why other sects were unable to infiltrate the hunter organization.

However, the judgment of these two people would definitely bring about a change in the structure of the hunter organization.

At night.

Jin Lun followed the agreement and arrived at the East River.

Under Zhong Wu's lead, they arrived in front of Ling Yun.

“Young Master Ling, this is Jin Lun,” Zhong Wu introduced.

Ling Yun glanced at Jin Lun and exclaimed, “What a huge body.”

Jin Lun wasn't like Zhong Wu. He looked at Ling Yun coldly and said, “Tell me how to get rid of the team leader.”

Hearing this, Ling Yun frowned slightly.

This Jin Lun didn't seem to be as easy to control as Zhong Wu.

However, there weren't many people that he could use at the moment, so he could only rely on Jin Lun.

Ling Yun flipped his palm and a packet of medicine appeared in his hand.

“Think of a way to make him eat this medicine. As long as he consumes this medicine, he will definitely become weak. Take this opportunity to kill him,” Ling Yun said coldly..

Chapter 1288: Chapter 1288, the death of the team leader

Jin Lun glanced at the medicine bag in Ling Yun's hand and said coldly, "Do you want me to take the blame? If they find out that I killed the team leader, Will They believe me?"

Ling Yun frowned slightly and said, "What else? Do You Want Me to go? What else do I Need You For?"

Jin Lun laughed coldly and said, "Do you think I'm an idiot? After achieving your goal, you don't care about anything anymore?"

"Do you know who you're talking to?" Ling Yun narrowed his eyes.

"I don't care who you are. I'm just cooperating with you, not your subordinate," Jin Lun said coldly.

The atmosphere instantly froze. The two of them looked at each other as if they were about to break down at any moment.

At this moment, Zhong Wu hurriedly tried to smooth things over. "Isn't that simple? Can't you just find someone to take the blame? After all, you have so many subordinates."

"No, you can't use my people." Jin Lun shook his head.

"Otherwise, they will definitely suspect me."

Ling Yun was completely enraged when he heard this.

He stood up and said, "This won't do either. Why Don't You Die?"

"Then, there's no need to talk about it." Jin Lun snorted coldly and turned to leave.

Thong Wu hurriedly stopped Jin Lun and said helplessly, “How about this, leave this matter to me. I’ll find someone to take the blame for you, Alright?”

Jin Lun stopped in his tracks. He looked at Ling Yun as if he was waiting for his opinion.

“Alright, as long as you can hand Qin Yu over to me, I don’t care what you guys do, “Ling Yun said coldly.

Jin Lun didn’t say anything else.

He took the medicine bag and was about to leave.

“Wait for the news, “Jin Lun said before ignoring Ling Yun.

Ling Yun’s expression turned even colder as he watched Jin Lun leave.

“This kid isn’t easy to control,”Ling Yun said in a low voice.

“Our goal isn’t to control the hunter organization, but to get rid of Qin Yu, “the person beside him reminded.

Even so, Ling Yun was still a little unhappy.

The next day.

Thong Wu found a scapegoat.

“I’ve already found the person. I’ll leave the rest to you,”zhong wu said to Jin

Lun.

Jin Lun looked at the chicken soup in front of him and said, “Alright, I’ll go look for the team leader now. You have to promise to bring the scapegoat here at the first possible moment.’

“Understood, “zhong wu said with a smile.

Jin Lun didn’t say anything else. He picked up the chicken soup and walked towards the team leader’s office.

These few days, the team leader had been extremely busy because of the Heavenly Cloud Sect’s matters. He was extremely experienced.

Seeing Jin Lun Walk in, the team leader waved his hand and said, “Jin Lun, why are you here?”

Jin Lun carried the chicken soup and walked to the opposite side of the team leader.

He placed the chicken soup in front of the team leader and said, “Team leader, why do you have to put in so much effort for Qin Yu?”

The team leader sighed and said, “He is one of us after all. I naturally have to protect him. ”

Jin Lun said with a cold face, “Is it worth it to pay such a big price?”

The price he mentioned was obviously referring to the statement.

Unfortunately, the team leader did not know about it.

“No matter which Hunter is in trouble, I have to protect him. If it is you, I will also protect you.”The team leader rubbed his forehead and said.

Jin Lun frowned slightly. He took a look at the chicken soup, and a hint of conflict flashed in his eyes.

However, this hint of conflict only lasted for a short while, and soon he returned to his icy cold state.

“This is a pheasant that my men caught to treat my injuries. Drink it while it’s hot.”Jin Lun stood up and said.

The team leader nodded and said, “Thank you. Leave it there for now.”

Jin Lun did not say anything. He quickly got up and left the office.

However, he did not go far. Instead, he waited quietly nearby.

In the office.

The team leader flipped through the documents in his hand and picked up the chicken soup beside him.

He did not think too much about it. It was even more impossible for him to think that Jin Lun wanted to harm him.

A bowl of chicken soup was poured into his mouth.

As the chicken soup was poured into his stomach, the team leader soon felt that something was wrong.

The strength in his body seemed to be losing rapidly, and everything in front of him began to spin.

“Not good, the chicken soup is poisonous...”the team leader quickly understood something!

At this moment, Jin Lun pushed the door open and entered.

His huge body walked toward the team leader step by step.

At the same time, he was holding a long saber in his hand.

“Jin Lun, why... Why are you doing this ? !”The group leader tried his best to spit out these words.

Jin Lun said coldly, “I’m sorry. In order to get to the top, I can only sacrifice you.”

The group leader’s expression changed drastically. He wanted to take out the bone staff, but it was too late.

This Jin Lun held the steel saber in his hand and sliced through the group leader’s neck.

The team leader’s body fell heavily, and his primordial spirit floated out.

But how could the golden wheel give him the chance ? He immediately waved his hand and crushed the team leader’s primordial spirit.

The team leader was dead!

At this moment, the door was pushed open.

Thong Wu walked in with a young hunter.

When the young hunter saw the scene in front of him, his expression changed drastically!

“Team... team leader ? Jin Lun, you killed the team leader ? !”The Hunter said with a horrified expression.

Jin Lun's expression was extremely calm. He glanced at Thong wu and said coldly, "Follow the plan."

"What plan? Jin Lun, what are you talking about?"

But Thong Wu's words made Jin Lun Freeze on the spot.

"Thong WII, what do you mean?" Jin Lun narrowed his eyes as if he had already sensed that something was wrong.

Thong Wu pretended to be angry and said, "Jin Lun, you bastard, you actually killed the team leader?!"

"You F * cking tricked me?!" Jin Lun reacted. He glared at Thong Wu and gritted his teeth, "You F * cking dare to trick me?"

"Who tricked you? You Bastard, you actually killed the team leader, you will die a horrible death!" Zhong Wu pretended to be sorrowful and said.

Then, he shouted to the outside, "Everyone, come quickly! Jin Lun, kill the Leader!"

"Thong WII, I will kill you!" Jin Lun was furious. He clenched his fist and rushed to Thong Wu.

However, Jin Lun's injuries were not healed yet. He could not catch Thong Wu at all.

"Come quickly! Jin Lun, kill the Wu was still shouting crazily..

Although Jin Lun was furious, he knew that he could not defend himself now.

If other hunters arrived, he would probably die here!

Thinking of this, Jin Lun gritted his teeth, smashed the ceiling, and left quickly.

Zhong Wu did not chase after him, but sneered in his heart.

Jin Lun's escape was the best choice for Zhong Wu, so no one would suspect him.

As for the "Scapegoat", it was Zhong Wu who specially found him to testify.

"Jin Lun, you want to be the team leader? In your dreams!" Zhong Wu sneered.

He walked to the team leader and put the bone club into his bag.

As long as he had this item, he could control the hunter organization.

The group leader's corpse was still lying on the ground. Many hunters quickly came after hearing the news.

Qin Yu, Guan Zhuang, and Jing Bai also rushed in.

When he saw the group leader's corpse, Qin Yu's expression immediately changed!

He quickly ran in front of the group leader and said coldly, "Who did this?" "It was Jin Lun! I saw him kill the team leader with my own eyes!" The young man said angrily.

Zhong Wu also nodded and said, "That's right, it was Jin Lun who killed the team leader."

“Where is Jin Lun? !”Guan Zhuangwas instantly filled with grief and indignation as he roared angrily.

“He has already escaped, “Zhong Wu said in a deep voice.

“I really didn’t expect that this Jin Lun would actually kill the team leader.”

For a moment, many hunters cried out in pain.

They knelt in front of the team leader in grief.

The team leader treated every hunter very well, and his reputation among the hunters was also very high.

Now that he was dead, how could everyone not be in pain.

Qin Yu lowered his head to look at the team leader who was lying on the ground, and his fists were clenched tightly.

He knew clearly in his heart that this was definitely instigated by the Tianyun sect!

“Group leader... died because of me...”Qin Yu gritted his teeth and clenched his fists tightly.

“Heavenly Cloud sect, I will definitely not let you off! ! !”

He never thought that the heavenly cloud sect would directly send people to get rid of the group leader!

“We must capture Jin Lun and avenge the group leader!”The other hunters also roared angrily.

They did not have the ability to declare war with the heavenly cloud sect, so they could only vent their anger on Jin Lun.

At this time, Jing Bai said coldly, “How did he get rid of the team leader silently?”

“It’s because of that bowl of soup. “Zhong wu pointed at the empty bowl on the table and said.

“Jin Lun must have poisoned it.”

Jing Bai hurried to the table and picked up the bowl on the table to smell it.

At this time, Qin Yu sensed that something was wrong.

Since it was done by Jin Lun, what was his purpose?

If it was just to escape, why did he have to get rid of the team leader?

Could it be that the Tianyun sect had given him some benefits? Or was it a promise.

Qin Yu glanced at Zhong Wu who was not far away. He suddenly felt that this matter was probably related to Zhong Wu.

“You were the first to discover it?” Qin Yu looked at Zhong Wu.

Zhongwu nodded slightly and said, “That’s right.”

Qin Yu said with a dark face, “The team leader just died, and you appeared here?”

“Why? I wanted to report the problem to the team leader, but I just happened to run into it. is that not possible?” Zhong Wu did not panic at all.

This matter had nothing to do with him directly, so he was not afraid.

“As for you, you should be clear about the reason for the team leader’s death, right?” Zhong Wu said with a cold smile.

“If it weren’t for you, would the Heavenly Cloud sect have come? Would the team leader have died? You Jinx, you still dare to speak?”

Qin Yu frowned slightly.

Although Zhong Wu wasn’t a good person, there was nothing wrong with what he said.

“In order to prevent accidents, Qin Yu, you’d better scam quickly and leave the hunter organization,” Zhong Wu said with a faint smile.

“Otherwise, I’m afraid it will implicate our entire hunter organization.”

“No!” Jing Bai immediately stood up to oppose.

“The team leader said that we can’t give up on anyone. This is the bottom line of the team leader.”

Zhongwu sneered and said, “Since the team leader is dead, the rules he set have long been broken.”

“Moreover, don’t tell me that we have to sacrifice more people because of Qin

Jing bai coldly said, “The team leader’s corpse is not even cold yet, yet you say such words. Are you even human?”

“Hehe, I’m thinking about reality. If it really doesn’t work, then let’s vote on it.” Zhongwu snorted.

After saying that, he shouted, “Those who agree to let Qin Yu leave raise their hands!”

About half of the people present raised their hands, while the other half didn’t agree.

Zhongwu snorted and said, “Qin Yu, hurry up and scram. This matter is settled.”

“It’s not up to you,” Jing Bai berated coldly.

At this moment, Zhong Wu’s eyes narrowed slightly. He suddenly stretched out his hand, and the bone staff immediately appeared in his hand.

“Then does it count if it’s up to wu asked coldly.

Jing Bai’s expression changed, and he berated, “Why is the bone staff in Your Hand?”

Zhongwu snorted lightly and said, “Since the team leader is dead, I naturally have to hold the bone staff firmly in my hand to prevent it from being taken away by the treacherous people.”

“Also, I remember that the hunter organization has a rule, right?
Whoever gets the bone staff will be the new leader, right?”

Jing Bai opened his mouth and was instantly speechless.

The hunter organization indeed had such a rule, but this rule was also set by the leader.

“Just now, you said that the leader’s rule was nullified, and now you F*cking brought out the rule. Why, you just say whatever is beneficial to you, right?” Guan Zhuang could not help but scold.

Zhongwu snorted coldly and said, “Cut the crap. Anyway, the big white bone club is in my hands now. This position should be mine!”

Guan Zhuang was about to speak when Qin Yu stretched out his hand to stop Guan Zhuang.

He shook his head and said, “Forget it. I’ll just leave the Hunter Organization.”

“Qin Yu, absolutely not. The people from the Heavenly Cloud sect are nearby. Once you leave, they will definitely attack you immediately!

“Jing Bai said anxiously.

Qin Yu smiled bitterly and said, “It doesn’t matter. He and I will have a fight sooner or later.”

“It’s settled then. There’s no need to say anything more. I will leave the hunter organization now.”

After saying that, Qin Yu looked at the group leader.

He bowed three times to the corpse, then turned around and walked out..
