Chapter 131: The Shameless Wu Hongchang

“Cousin, it’s him!” The blondie said as he pointed at Qin Yu’s nose.

As soon as he finished speaking, he saw a young man walking over.

He rubbed the ring on his finger and slowly walked over to Qin Yu.

“It’s you who beat up my cousin?” The young man sized up Qin Yu and said.

“Why don’t you ask him why he was beaten up?” Qin Yu sneered.

“I don’t care about that. Since you dared to beat up my cousin, I’ll cripple you today!” The young man snorted coldly.

Qin Yu guessed that he was also an unreasonable person, so he waved his hand and said, “You’d better call Lu Shuming over.”

The young man froze, and then he said angrily, “Mr. Lu has a lot of affairs to attend to every day. How can you call him over so casually?”

“If you don’t call him, I will.” Qin Yu took out his phone and called Lu Shuming.

Soon, Lu Shuming picked up the phone.

He said enthusiastically on the phone, “Mr. Qin, why are you calling me so late at night?”

Qin Yu said, “Mr. Lu, you own Midnight KTV?”

Lu Shuming froze and quickly said, “Yes, I’m at Midnight KTV right now. Do you want to come to have some fun? I’ll arrange it for you right away!”

“No, I’m at Midnight KTV right now. Your manager threatened to cripple me,” Qin Yu said with a cold smile.

Lu Shuming’s expression immediately changed. He hurriedly asked, “Mr. Qin, where are you? I’ll be there right away!”

“Room 888,” Qin Yu said.

“Okay, I’ll be there right away!” Lu Shuming said anxiously.

After hanging up the phone, Qin Yu looked at the blonde’s cousin.

“Lu Shuming will be here right away,” Qin Yu said nonchalantly.

“Hehe, I think you’ve had too much to drink. Who do you think you are? Do you think you can call for President Lu just because you want to?” The young man couldn’t help but sneer.

Qin Yu didn’t want to waste time with him, so he didn’t say anything more.

The blonde’s cousin snorted coldly. He waved his hand and said, “Let’s cripple him.”

“Break his legs!” The blonde said fiercely from the side.

“No problem.” His cousin’s expression was calm.

These seven to eight strong men immediately walked towards Qin Yu. They looked fierce, and it was obvious that they weren’t to be trifled with.

At this moment, the door of the private room was suddenly opened.

Then, they saw Lu Shuming standing at the door as he panted.

When he saw Lu Shuming, the blonde's cousin froze.

He hurriedly went up to him. He said obsequiously, "Mr. Lu, why are you here?"

Lu Shuming ignored him and walked to Qin Yu quickly.

"Mr. Qin, are you okay?" Lu Shuming said somewhat anxiously.

Qin Yu smiled and said, "I'm fine, Mr. Lu. The manager of your KTV is so impressive."

Lu Shuming's expression changed. Qin Yu had just saved his life, yet now, such an incident had happened. How could Lu Shuming not panic?

"Mr. Qin, don't worry. I won't let him off easily!" Lu Shuming said with a forced smile.

Then, Lu Shuming turned to look at the manager.

At this time, the manager was already scared sh*tless.

He said with a terrified look, "Mr. Lu, I didn't know he knew you. Please... Please spare me..."

Lu Shuming said coldly, "Spare you? I think you're too arrogant. You even dare to offend Mr. Qin!"

The manager hurriedly knelt in front of Qin Yu and begged desperately, "Mr. Qin, I know I was wrong. Please forgive me this time..."

“Alright, you guys can drag him out.” Lu Shuming waved his hand impatiently.

“Yes, Mr. Lu.” The seven to eight strong men immediately changed their stances and dragged the manager out.

Not far away, the yellow-haired man was trembling with fear. He didn’t expect Qin Yu to have such powerful connections!

“Sir, I... I was wrong...” the yellow-haired man said with quivering lips.

But the yellow-haired man didn’t expect Qin Yu to completely ignore him.

It was obvious that Qin Yu didn’t take this yellow-haired man seriously at all. No matter how he pleaded, he was still ignored.

This made the yellow-haired man feel extremely humiliated, but he didn’t dare to say anything.

Lu Shuming walked to Qin Yu’s side and said, “Mr. Qin, let’s go to the private room next door and chat.”

Qin Yu glanced at Sun Ying, who was barely conscious on the sofa, and shook his head. “Forget it. I still have something to do, so I won’t chat anymore.”

Lu Shuming didn’t say anything more and nodded in agreement.

Then, Qin Yu picked up Sun Ying and walked out of the KTV.

“Do you know where her home is?” After getting into the car, Qin Yu looked at Chen Xin and asked.

Chen Xin said with some surprise, “Aren’t you her brother-in-law? You actually don’t know where her home is?”

“I’ve never been there,” Qin Yu said expressionlessly.

Chen Xin secretly stuck out her tongue, and then said, “Then I’ll take you there.”

Qin Yu agreed, and then signaled Yao Qing to drive.

...

In the Liu family’s villa.

“Dad, you absolutely can’t let it go like this. You absolutely can’t give the Water Dragon Cave to Qin Yu!” Liu Shihui said through gritted teeth.

Liu Yi glanced at him and snickered. “Of course. During this period of time, I sent someone to Jingdu to investigate and confirmed that the Yan family won’t interfere.”

When he heard this, Liu Shihui’s eyes immediately lit up and said somewhat excitedly, “Really?”

“Absolutely.” A cold look flashed in Liu Yi’s eyes.

“Since the Yan family won’t interfere, I definitely won’t let him off the hook!” Liu Yi said with a sinister expression.

The reason the Liu family kept a low profile during this period of time was because they had sent people to Jingdu.

After knowing that the Yan family wouldn’t interfere, Liu Yi relaxed completely.

“Mr. Liu, a person called Wu Hongchang requests to see you.” At this moment, a subordinate suddenly walked in and said.

“Wu Hongchang?” Upon hearing this name, Liu Yi couldn’t help but frown slightly.

“Isn’t he Lu Shuming’s subordinate?”

“Haha, that’s all in the past.” At this moment, Wu Hongchang walked in from outside the door.

He smiled nonchalantly and said, “Mr. Liu, how have you been?”

Liu Yi sized up Wu Hongchang and was a little nervous for a moment.

Because among all the hangers-on of the Liu family, only Tao Shan could deal with Wu Hongchang.

Wu Hongchang noticed Liu Yi’s worried look, so he smiled nonchalantly and said, “Mr. Liu, don’t be nervous. I’m here to defect.”

“Defect?” Liu Yi was even more confused.

“Aren’t You Lu Shuming’s subordinate? As far as I know, Lu Shuming treats you quite well.” Liu Yi asked suspiciously.

Wu Hongchang snorted and said, “A talented person is free to choose his own boss. Moreover, Lu Shuming won’t have any big developments. He’s short-sighted and bad at discerning the real deal from wannabies. I’ve decided not to help him anymore.”

Wu Hongchang’s shamelessness was indeed shocking. He was obviously chased away by the Lu family, but he acted like he had abandoned the Lu family.

“Why should I believe you? Who knows if you were sent by Lu Shuming.” Liu Yi narrowed his eyes and said.

Wu Hongchang laughed loudly and said, “What kind of person am I, Wu Hongchang? I have countless followers! Not to mention that I’m the one who abandoned Lu Shuming.”

At this point, Wu Hongchang paused for a moment and said with a nonchalant smile, “As far as I know, you have a grudge with Qin Yu, right?”

Liu Yi nodded. This matter had already spread throughout South City and even Chuzhou. It wasn’t strange for Wu Hongchang to know.

Wu Hongchang said with a nonchalant smile, “To tell you the truth, I don’t like him either.. I’ve decided to seek justice and help the Liu Family salvage its dignity!”

Chapter 132: Wu Hongchang’s Goodwill

Upon hearing Wu Hongchang’s words, Liu Yi couldn’t help but show surprise on his face.

In South City, Wu Hongchang was considered quite famous.

Plus, barely anyone knew that he had been beaten by Qin Yu.

“Mr. Wu, are you serious? Qin Yu isn’t easy to deal with.” Liu Shihui hurriedly asked before Liu Yi could speak.

Wu Hongchang snorted and said, “In my opinion, Qin Yu isn’t worth mentioning at all!”

“That’s right, that’s right. Mr. Wu, you’ve been famous for many years, so it’s a piece of cake for you to deal with Qin Yu.” Liu Yi said with a smile.

Wu Hongchang said with a nonchalant smile, “If Mr. Liu trusts me, give me two days. I’ll bring Qin Yu’s head to you!”

“Are you serious?” Liu Yi’s expression was joyful as he hurriedly asked.

Wu Hongchang nodded and said, “I’ll do as I say! But after the matter is done, I want 10% of the Liu family’s shares. Is that alright?”

“No problem!” Liu Yi hurriedly nodded and said.

“Alright, then we’ll meet the day after tomorrow.” Wu Hongchang stood up and walked out cockily.

After Wu Hongchang left, Liu Shihui couldn’t help but sneer and said, “With Mr. Wu’s help, Qin Yu will definitely be dead meat!”

“That’s right. In all these years, Wu Shichang has never been defeated by anyone besides Tao Shan. Dealing with Qin Yu is a piece of cake.” Liu Yi sneered.

...

Yao Qing drove for a long time and finally sent Sun Ying home.

Sun Ying’s family lived in a high-end residential area in South City. Although this wasn’t a single-family villa, each home was extremely large. Even the smallest home was at least 300 square meters.

“This is Sun Ying’s home,” Chen Xin pointed and said.

Qin Yu nodded. After the car was parked, Qin Yu carried Sun Ying into the residential area.

They arrived at the door of Sun Ying's home. Qin Yu stretched out his hand and knocked on the door. Not long after, Sun Ying's father, Sun Fu, opened the door and walked out.

The moment he saw Qin Yu, Sun Fu's expression immediately changed.

When he saw Sun Ying in Qin Yu's arms, his entire face flushed quickly!

"Qin Yu, how dare you touch my daughter?! I won't forgive you!" Sun Fu said aggressively and pounced towards Qin Yu.

But before he could touch Qin Yu, he was kicked to the ground by Yao Qing.

"Are you out of your mind?" Yao Qing couldn't help but say with a cold expression.

Sun Fu got up from the ground, pointed at Qin Yu and scolded, "You good-for-nothing dared to touch my daughter! You beast!"

Qin Yu said with a cold expression, "Sun Ying drank too much. I just sent her home."

"You forced my daughter to drink? She is only a teenager, yet you let her drink so much. What are your intentions?" Sun Fu was still unwilling to let it go.

Chen Xin quickly explained, "Sir, it has nothing to do with Qin Yu. If it weren't for Qin Yu, Sun Ying would have been in danger tonight. You should thank him."

"Bah! You guys are in cahoots and lying to me." Sun Fu snorted coldly.

Qin Yu couldn't help but sigh inside.

As expected of Sun Yumei's younger brother, Sun Fu acted just the same.

"Believe it or not, it has nothing to do with me." Qin Yu put Sun Ying on the ground, then turned around and left.

Sun Fu scolded from behind, "Just you wait. If anything happens to my daughter, I won't spare you, you piece of trash!"

Qin Yu didn't say anything and turned around to leave.

After going downstairs, Chen Xin couldn't help but say, "Why is Sun Ying's father like this? He's so unreasonable."

"Their whole family is the same," Qin Yu snickered.

Chen Xin stuck out her tongue and didn't say anything.

After that, Qin Yu sent Chen Xin to school and then returned to the hotel.

The next day, after Qin Yu woke up, he went to the balcony.

As he sat on the balcony, he couldn't help but think about the Chinese Medicine Conference.

"There's less than a week left until the Chinese Medicine Conference. It's time to prepare," Qin Yu thought to himself.

According to Mr. Yang, as long as he got first place in the Chinese Medicine Conference, he would be able to obtain a hundred-year-old herb stalk.

This was a rare opportunity for Qin Yu.

He sat cross-legged on the balcony and whispered, “According to the records of the inheritance, producing spiritual fire is possible at the Foundation Establishment Stage, and spiritual fire is extremely useful for refining medicine.”

Thinking of this, Qin Yu closed his eyes.

He gathered all the spiritual power in his body in his palm and tried to conjure the spiritual fire according to the method recorded in his memory.

Soon, Qin Yu’s palm felt a trace of heat flow.

This heat flow became more and more intense in Qin Yu’s palm, and the burning sensation was somewhat unbearable for Qin Yu.

“Phew!”

At this moment, a flame ignited in Qin Yu’s palm out of thin air!

Qin Yu hurriedly opened his eyes and saw that the flame, a little dim under the sunlight, was light blue in color.

“So conjuring spiritual flames is that simple.” Qin Yu couldn’t help but mutter.

If others heard this, they would definitely be extremely angered.

There was no telling how many top alchemist masters had been unable to succeed despite studying it for a lifetime.

After that, Qin Yu flicked his finger, and this wisp of spiritual flame floated out from Qin Yu’s palm.

The flame fell onto the ground and flickered for a long time.

It was only a small spark, but it actually burned for more than half an hour.

When the flame disappeared, a black hole actually appeared on the ground.

“Spiritual fire really lives up to its reputation. If it can be used to refine medicine, it will be twice the result with half the effort,” Qin Yu thought to himself.

Although that was the case, controlling it was very difficult.

If it wasn't properly controlled, the wild flames might burn the herbs into ashes.

Qin Yu stood up from the balcony. At this moment, there was a knock on the door.

As soon as the door opened, he found Wu Hongchang standing at the door.

“What are you doing here?” Qin Yu didn't have a good impression of Wu Hongchang at all. A trace of disgust flashed across his face.

Wu Hongchang hurriedly bowed and said, “Mr. Qin, I'm here to apologize to you.”

“Apologize?” Qin Yu was a little surprised.

“Yes. I didn't know how powerful you were before, so I hope you won't blame me for being rude to you,” Wu Hongchang said respectfully.

Yao Qing couldn't help but sneer. “Wu Hongchang, you were chased away by the Lu family, so you're anxious, aren't you?”

Wu Hongchang glanced at Yao Qing and said with a smile, “My young friend, you’re wrong. With my abilities, any aristocratic family would scramble to recruit me.”

It was true. Although Wu Hongchang liked to brag, he was still an Inner Strength Master Hands. Even without the Lu family, he could fend for himself.

“Mr. Qin, in order to express the sincerity of my apology, I specially prepared a gift for you,” Wu Hongchang continued.

Then, Wu Hongchang took out a pill that was emitting a green light from his pocket.

This pill looked crystal clear, and it was enveloped in a faint medicinal aroma.

“This is a medicinal herb that I have treasured for many years. I hope that I can get Mr. Qin’s forgiveness,” Wu Hongchang said politely.

As the saying went, one shouldn’t slap someone with friendly intentions.

Since Wu Hongchang’s attitude was so humble, Qin Yu couldn’t treat him coldly.

“There’s no need for that. Come in and have a seat,” Qin Yu said.

Seeing this, a crafty look flashed across Wu Hongchang’s face.

“Okay. Thank you, Mr. Qin.” Wu Hongchang bowed and then strode in..

Chapter 133: I Was Poisoned, But Not Completely

Wu Hongchang’s attitude was extremely humble, and he was no longer as arrogant as before.

He sat opposite Qin Yu and handed over the pill with both hands.

“I hope that you and I can turn over a new leaf. I also hope that Mr. Qin can give me some pointers.” Wu Hongchang said courteously.

Qin Yu took a look at the pill and shook his head. “Mr. Wu, you don’t have to be so polite. You can take this pill back. As for giving pointers, we can talk to each other.”

When he heard this, Wu Hongchang hurriedly stood up and said with slight fear, “Mr. Qin, please accept this pill! Otherwise, my conscience won’t allow it!”

Qin Yu looked at the pill and contemplated it for a moment. Then, he nodded and said, “Alright, then I can only accept it.”

This pill looked quite attractive. Although it couldn’t be compared to those hundred-year-old herbs, it would definitely be helpful in increasing one’s strength.

After Qin Yu accepted the pill, the two of them began to chat.

Wu Hongchang talked about his past and how he had come this far from nothing.

This made Qin Yu empathize with him somewhat, because Wu Hongchang’s past hardships were too similar to his own.

“Mr. Qin, your future is full of potential. Yet at my age, there’s no hope anymore.” Wu Hongchang sighed.

When he heard this, Qin Yu smiled and comforted him, “Mr. Wu, you don’t have to underestimate yourself. There are very few people who can reach your level.”

Wu Hongchang forced a smile and said, “That being said, I have been stuck at the Inner Strength Master Hands level for more than ten years. I just can’t pass that level.”

When he heard this, Qin Yu contemplated it for a moment.

He walked to Wu Hongchang and said, “You might as well try to use your Inner Strength to break through the major acupoints. Maybe it will work.”

Martial arts training and spiritual cultivation were essentially the same. The only difference was that one relied on Inner Strength, while the other relied on spiritual energy.

Therefore, Qin Yu’s experience could also be used in martial arts training.

When he heard this, Wu Hongchang hurriedly closed his eyes and tried to break through the acupoints according to Qin Yu’s method.

A few minutes later, Wu Hongchang opened his eyes in surprise and said excitedly, “It really works! Mr. Qin, you’re really a genius. I have never heard of such a method before!”

“Maybe you have never seen it before.” Qin Yu said with a smile.

Wu Hongchang was extremely excited. He had been stuck at this level for many years and had never made any progress. Now that he knew of Qin Yu’s method, he was suddenly filled with hope.

“Mr. Qin, then I won’t stay any longer. I want to try to break through to the Inner Strength Past Master level. I will never forget your kindness!” Wu Hongchang stood up and said respectfully.

“You’re too courteous, Mr. Wu.” Qin Yu nodded slightly.

After sending Wu Hongchang away, Yao Qing couldn't help but say, "Wu Hongchang is a cunning villain. You helping him is pointless and it'll never be reciprocated!"

Qin Yu smiled and didn't explain.

After taking something from him, he naturally couldn't take it for free.

Then, Qin Yu took out the pill that Wu Hongchang sent over.

He rubbed it in his hand for a moment and said, "This pill might benefit me substantially."

Thinking of this, Qin Yu swallowed the pill.

After the pill entered his stomach, Qin Yu closed his eyes slightly.

Yao Qing, afraid of disturbing Qin Yu, stood at the side and didn't say a word.

A few minutes later, Qin Yu's expression suddenly changed, then he clutched his stomach and cried out in pain!

"It hurts... my stomach hurts so much. It's like a bomb exploded..."
Drops of sweat dripped down from Qin Yu's forehead! He let out a miserable roar!

Yao Qing, who was at the side, panicked. He said anxiously, "Mr. Qin, are... are you okay? I... I'll send you to the hospital right now!"

As soon as he said that, the door of the room was suddenly kicked open!

Then, he saw Wu Hongchang standing at the door proudly.

"Hahaha, Qin Yu, you finally fell into my hands!" Wu Hongchang couldn't help but laugh.

“It was you!” Yao Qing was immediately enraged. He clenched his fist and rushed towards Wu Hongchang!

However, Wu Hongchang was an Inner Strength Master Hands after all. His strength definitely far surpassed Yao Qing’s.

Wu Hongchang waved his hand, and Yao Qing was instantly sent flying!

“Humph, a mere ant dares to make a ruckus in front of me?” Wu Hongchang said indifferently.

Yao Qing couldn’t help but feel angry. He gritted his teeth and said, “Mr. Qin was kind enough to help you breakthrough, but you backstabbed him. What sort of person are you?!”

Wu Hongchang didn’t care at all. Instead, he said proudly, “This is called ‘all is fair in war’. Qin Yu, you’re still too naive.”

Qin Yu held his stomach and said with difficulty, “You... what exactly is this thing...”

Wu Hongchang laughed and said, “This is a poison that I bought from an expert in the southwest when I was traveling a few years ago.”

“As long as you take this medicine, your body will be powerless and your Inner Strength will dissipate!”

“Qin Yu, currently, you’re no different from an ordinary person!”

Qin Yu gritted his teeth and said, “Wu Hongchang, you’re really despicable!”

Wu Hongchang sneered and said, “You deserve it. How dare a youngster try to steal my limelight? You deserve to die!”

Qin Yu held his stomach and squinted his eyes as he said, “You want to kill me because of this reason?”

“There are many reasons to kill you. I don’t like you. Does this count?”
Wu Hongchang snickered.

Qin Yu couldn’t help but show anger. In the eyes of these people, were human lives that trivial?

He looked at Qin Yu, who was lying on the ground and wailing. He couldn’t help but mutter, “The seller didn’t say that this medicine would cause stomach pain. I didn’t expect it to have an unexpected effect.”

“Huh? It won’t cause stomach pain?” Qin Yu was stunned.

“But... doesn’t poison usually cause stomach pain?” Qin Yu muttered.

When he heard this, Wu Hongchang said impatiently, “How would I know? Maybe I’m wrong. In short, you’re going to die today!”

Qin Yu suddenly came to a realization. He took his hand away from his stomach and said with a smile, “You didn’t remember wrong. I guessed wrong.”

“What do you mean?” Wu Hongchang couldn’t help but be puzzled.

“Nothing.” Qin Yu didn’t explain anything. Instead, he stood up from the ground.

He dusted his body and grinned. “Wu Hongchang, an ungrateful person like you really makes people feel disgusted. I should have beaten you to death back then.”

Wu Hongchang wasn’t fazed. He snickered and said, “So what? You’re already powerless now. What’s the point of saying all this?”

“Yeah.” Qin Yu sighed.

“I’m already crippled now. Hurry up and do it.”

Wu Hongchang snorted coldly and said, “You don’t need to remind me!”

As soon as he finished speaking, Wu Hongchang rushed towards Qin Yu!

Qin Yu didn’t dodge. He simply let his fist land on his body.

“Clang!” A loud sound was heard! Wu Hongchang felt that his fist seemed to have hit a piece of steel and his wrist was in extreme pain!

“How is that possible?!” Wu Hongchang’s expression suddenly changed.

“You... you weren’t poisoned at all?” Wu Hongchang couldn’t help but take two steps back.

Qin Yu grinned and said, “I was poisoned, but not completely..”

Chapter 134: Reckoning!

Wu Hongchang’s face was as pale as a sheet of paper. Fear had already occupied his entire mind!

“No... Impossible!” Wu Hongchang roared angrily and clenched his fist once again!

This time, Qin Yu raised his hand and met it with a punch.

“Kacha!”

A terrifying force traveled from Wu Hongchang’s fist to his entire arm!

With this punch, Wu Hongchang’s entire arm actually shattered!

“Ah! ! !” Wu Hongchang couldn’t help but shout out in pain.

Qin Yu sneered and said, "It seems that I was too soft-hearted. But speaking of which, I have to thank you. In the future, I will remember to never show mercy to people like you."

Wu Hongchang was already panicking. He retreated and said in horror, "Qin... Qin Yu, it was Liu Yi who sent me here. It has nothing to do with me. If you want to settle the account, go look for him..."

"Liu Yi?" Qin Yu frowned slightly.

"That's true. It's time for the enmity with the Liu family to be ended," Qin Yu said coldly.

Wu Hongchang hurriedly nodded and said, "Yes, yes. You should go look for the Liu family. Go look for them!"

Qin Yu sneered and said, "Okay, but I will bring you with me."

After saying that, Qin Yu took a step forward and punched Wu Hongchang's lower abdomen fiercely.

With a loud bam, Wu Hongchang was sent flying!

His internal organs were instantly blown apart, and blood gushed out of his mouth like a fountain!

Wu Hongchang fell to the ground. He tried to get up, but Qin Yu raised his foot and stomped on his chest!

With this stomp, Wu Hongchang's chest instantly sank several degrees! His bones were shattered!

And Wu Hongchang didn't even have time to repent before he died.

Qin Yu, his face emotionless, looked at his corpse.

He turned around and walked in front of Yao Qing while saying, “Are you okay?”

Yao Qing shook his head, then said with some surprise and joy, “Mr. Qin, you already knew?”

Qin Yu shook his head and said, “I didn’t know, but I was wary toward Wu Hongchang.”

What a joke. Qin Yu wouldn’t even completely believe in Lei Hu, let alone Wu Hongchang?

The moment Qin Yu swallowed the pill, he isolated it with spiritual energy.

The moment the spiritual energy touched the pill, it turned black, so Qin Yu knew that there was something wrong with the pill.

“Sigh, looks like I have to go to the bathroom to poop it out,” Qin Yu muttered.

After saying that, Qin Yu went straight to the bathroom.

Ten minutes later, Qin Yu took Wu Hongchang’s corpse and left the hotel to head straight for the Liu family’s home.

“Mr. Liu, it’s my great honor to be able to work with you. I will remember your great kindness!” Sun Fu was holding a glass of wine with an obsequious look on his face.

Liu Yi glanced at him, and a trace of disdain flashed across his face.

If it wasn’t because of the incident with Qin Yu that caused the Liu family’s business to dwindle, Liu Yi wouldn’t even consider Sun Fu.

“I never dreamed that I, Sun Fu, would have the qualifications to work with you. Mr. Liu, I... I’ll drink all of this!” Sun Fu held his wine cup and said excitedly.

Liu Yi just nodded casually and didn’t even say anything.

Sun Fu was the only one at the dining table who was chatting non-stop, but the Liu family’s father and son didn’t say a word.

“Enough. Don’t you find it annoying to be chattering nonstop?” Liu Shihui said impatiently.

A hint of embarrassment flashed across Sun Fu’s face. He said with a sheepish smile, “I’m sorry, Young Master Liu. I... I’ll punish myself with three cups!”

“If you like to drink so much, take the bottle and drink it all.” Liu Shihui grabbed the bottle and placed it on the table with a clang.

Sun Fu knew that Liu Shihui was making things difficult for him, but he had no choice but to submit to them.

Therefore, he gritted his teeth, grabbed the bottle of wine, and said, “Okay, I’ll drink the entire bottle!”

“What an idiot,” Liu Shihui couldn’t help but mutter.

His voice wasn’t loud, but Sun Fu heard it clearly.

Although he was angry inside, he didn’t dare to flare up.

At this moment, the door of the living room was suddenly kicked open!

Then, they saw Qin Yu walk in from outside the door.

The moment they saw Qin Yu, the three people in the living room stood up at the same time!

Before the Liu family's father and son could say anything, Sun Fu pointed at Qin Yu and scolded, "What are you doing here? Is this a place where someone like you can come? If there's anything, wait for me to go home!"

After saying this, Sun Fu hurriedly apologized to the Liu family's father and son, "Mr. Liu, Young Master Liu, I'm sorry. I'll let him go now."

Then, Sun Fu pulled Qin Yu to the side and said with a dark expression, "Get out of here. Do you hear me? If you ruin my business, I'll kill you!"

Qin Yu sneered. "Do you think I'm here to find you?"

"What else could you be here for? Don't think I don't know about your ulterior motives!" Sun Fu said impatiently.

He took out a few hundred yuan from his pocket and threw them to Qin Yu while saying with a cold expression, "Get out of here quickly!"

Qin Yu couldn't help but feel baffled. Sun Fu was too full of himself.

Sun Fu was about to say something when Liu Shihui shouted, "Qin Yu, you actually dare to come to my house? How dare you?!"

"Why wouldn't I dare to come?" Qin Yu said with a cold expression.

Sun Fu was stunned. He looked at Liu Shihui in a daze and said in shock, "Young Master Liu, you... you know him?"

Liu Shihui ignored Sun Fu and said through gritted teeth, "Qin Yu, you won't be able to stay arrogant for long. To tell you the truth, we have already sent someone to take your life!"

“Take my life? With that trash Wu Hongchang?” Qin Yu raised his eyebrows and pointed at the door.

The Liu family’s father and son turned their heads to look and saw Wu Hongchang’s body hanging on the door! It looked extremely horrifying!

Their expressions changed dramatically!

Wu Hongchang... was actually dead?

Qin Yu sat on the sofa. He poured himself a glass of water and said coldly, “Even if you want to find someone to kill me, you should find someone decent. You found this kind of trash to send himself to his death?”

The Liu family’s father and son couldn’t help but feel a little nervous. Liu Yi even took two steps back.

“Qin Yu, what... what do you want to do?” Liu Yi said with a cold expression.

Qin Yu glanced at him and said coldly, “What do I want to do? What do you think?”

“When you sent people to kill me, you should have considered the consequences.”

Liu Yi gritted his teeth and tried his best to remain calm as he said, “Qin Yu, tell me. What do you want to do?”

Qin Yu sneered. “How about this? Both of you kneel down and apologize to me sincerely. Then, I can consider sparing you guys.”

“In your dreams!” Liu Yi immediately flew into a rage!

“Qin Yu, who do you think you are? How dare you make us kneel down and apologize? For the Liu family, killing you is like... Ah!”

Before Liu Shihui could finish his words, Qin Yu had already slapped him.

Liu Shihui's body was sent flying and he crashed into the wall!

Qin Yu slowly stood up from the sofa. He emitted a terrifying murderous aura!

“I was too merciful to you guys in the past. You guys really thought I was a pushover, didn't you?” Qin Yu narrowed his eyes menacingly.. Even the atmosphere in the room tensed up!

Chapter 135: Tao Shan of the Liu Family!

When they sensed Qin Yu's killing intent, the Liu family's father and son instantly looked extremely apprehensive. In the depths of their hearts, an intense sense of fear even surfaced!

“Qin Yu, I don't think there is any grudge between us. Why don't we sit down and have a good talk?” Liu Yi actually gave in!

After hearing his words, Qin Yu couldn't help but sneer. “Sure. Kneel down and apologize to me first. Then we can talk.”

Liu Yi gritted his teeth and said, “Qin Yu, is this your attitude? Don't you think it's out of line to ask us to kneel down?”

“Out of line?” Qin Yu's expression instantly turned cold.

He looked at Liu Yi coldly and said, “When you asked someone to kill me, did you think it was out of line? Now, I just want you to kneel down and apologize. Do you think that's unfair?”

Liu Yi was instantly speechless. He had nothing to say.

“Qin Yu.” Liu Yi took a deep breath.

“I really want to talk to you. Do you have to be so ruthless?” Liu Yi roared.

When he heard this, Qin Yu couldn't help but laugh out loud.

“Liu Yi, don't you think it's funny to say this? If Wu Hongchang killed me, would I still be standing here? Or rather, I'm just an unarmed ordinary person, would you still try to talk things out with me?” Qin Yu's voice was sonorous.

Liu Yi immediately fell into silence.

After a moment of silence, he said, “I've already given you the Water Dragon Cave. You can raise other conditions.”

“I only want you two to kneel down and admit your mistakes,” Qin Yu pointed to the ground and said.

Liu Yi sighed and slowly said, “I'm already so old. Do you think it's appropriate for me to kneel down? Let's sit down and have a chat first. Is that okay?”

Liu Yi looked sincere, but a hint of craftiness flashed in his eyes.

Although it was only a flash, it still couldn't avoid Qin Yu's eyes.

“Mr. Liu, the same move will lose its effect after being used twice.” Qin Yu sneered repeatedly.

Liu Yi's expression changed. He pretended to be puzzled and said, “What do you mean?”

“You’re stalling for time and waiting for Tao Shan, right?” Qin Yu said coldly.

Liu Yi’s expression changed again! He never expected that his thoughts would be seen through by Qin Yu!

“Alright, I will give you this opportunity. Coincidentally, I also want to see what abilities Tao Shan has,” Qin Yu said indifferently.

As soon as he finished speaking, he saw an extremely burly man walk in from the door!

The burly man was more than two meters tall, like a small mountain!

“Tao Shan, you’re finally here!” Liu Yi was immediately overjoyed. Without saying anything, he ran in Tao Shan’s direction.

Tao Shan swayed his huge body and bowed slightly. “Mr. Liu, sorry for my tardiness.”

“No. You came just at the right time!” Liu Yi couldn’t help but look smug.

He looked at Qin Yu with a crafty expression and said with a wicked smile, “You’re still too naive. You want me to apologize to you? Are you even worthy of it?”

When he heard Liu Yi’s words, Qin Yu couldn’t help but shake his head slightly.

Liu Yi was really sly.

“Tao Shan, there’s no need to talk nonsense with him. Kill him immediately!” Liu Yi pointed at Qin Yu and ordered.

Tao Shan didn't say anything. He rubbed his huge fist and walked towards Qin Yu.

The two of them looked at each other. One was tall while the other was short, forming a sharp contrast.

However, there wasn't the slightest hint of panic on Qin Yu's face. On the contrary, he was extremely calm.

"Qin Yu, you're very courageous. To be honest, I admire you a little." At this moment, Tao Shan suddenly said.

Qin Yu raised his eyebrows. "Oh really?"

Tao Shan sighed. "To go against a prominent family on my own is something that I have thought of but never dared to do. That is why I admire you."

"Cut the crap. D*mn it, kill him immediately!" Liu Yi couldn't help but roar.

Tao Shan continued, "Unfortunately, I am indebted to the Liu family, so I have to work for the Liu family. Let's do it."

Tao Shan was quite high-minded. He took two steps back, as if waiting for Qin Yu to make a move.

"Then I will have to make the first move." Qin Yu immediately conjured his spiritual power and rushed towards Tao Shan!

Tao Shan wasn't in a hurry. He raised his fist that was the size of a casserole and smashed it down!

"Boom!" A loud sound was heard! Tao Shan's huge body was actually pushed back three to four steps!

On the other hand, Qin Yu was also pushed back a few steps. His wrist was even in pain from the impact!

“What a tough body!” Qin Yu’s eyes flashed with a hint of surprise.

Tao Shan also exclaimed, “As expected of the person who killed Wu Hongchang.”

“Tao Shan, are you trying to mess with me?! Kill him quickly!” Liu Yi couldn’t help but curse.

Tao Shan ignored Liu Yi. He fixed his eyes on Qin Yu and said slowly, “Qin Yu, I am indebted to them and work for them, so I can only kill you today.”

After saying this, Tao Shan took off his clothes to reveal his strong muscles.

Tao Shan’s muscles appeared like pieces of hard stones attached to his body. Under the light, they were even glistening!

“What a strong body!” Qin Yu was even more surprised!

Unlike ordinary muscular men, Tao Shan’s muscles really looked like a suit of armor!

“I don’t have any other hobbies and I’m obsessed with martial arts. Although I’m only an Inner Strength Master Hands, I’m also a Cross-training Master,” Tao Shan said as he shook his huge body.

“Cross-training Master?” Qin Yu couldn’t help but feel a little surprised.

Qin Yu had heard of Cross-training Masters. They specialized in body training, and they polished the body to be as hard as a stone!

Rumor had it that even a bullet couldn't penetrate a top-notch cross-training master!

Qin Yu said with some anticipation, "I heard that the body of the cross-training master is like steel. I wonder if it's true or not."

Compared to Tao Shan, Wu Hongchang simply wasn't worth mentioning!

Tao Shan said in a deep voice, "You'll know when you try."

After saying that, Tao Shan roared angrily, and the muscles on his body actually expanded a few times!

Not only that, but his body seemed to have a golden hue that looked extremely dazzling!

"I combined my Inner Strength with Cross-training. My body has already reached an indestructible level. I'm not even afraid of an Inner Strength Past Master," Tao Shan said coldly.

"How powerful!" Qin Yu thought to himself.

"I have to say, with Tao Shan around, Lu Shuming is really no match for the Liu family," Qin Yu muttered in a low voice.

Not far away, Liu Yi sneered and said, "Of course. If it weren't for Tao Shan's principle of not killing the old and the young, Wu Hongchang would have died long ago!"

Qin Yu nodded slightly. At this time, he suddenly changed the topic and said coldly, "It's a pity that the Liu family offended someone they shouldn't have offended.."

Chapter 136: Deciding the Outcome with One Move

“Hahaha, Qin Yu, you really think highly of yourself! Ever since I met Tao Shan, he has never lost!” Liu Yi couldn’t help but burst into laughter!

Qin Yu didn’t say anything else. He took large strides forward. His punches were powerful, and with a bang, he swung them towards Tao Shan!

Tao Shan’s muscles instantly tensed up. His body was like steel, and this punch actually didn’t injure him in the slightest!

“What a tough body!” Qin Yu frowned slightly.

A cross-training Master indeed lived up to his reputation!

Tao Shan’s face was expressionless.

He looked at Qin Yu and said, “Besides having a tough body, my strength has also increased greatly.”

Qin Yu gave Tao Shan a heartfelt thumbs up. This body of his had indeed exceeded Qin Yu’s imagination.

“Tao Shan! Kill him immediately!” Liu Yi, afraid that something unexpected would happen, was impatient.

Tao Shan nodded. He looked at Qin Yu and said, “It’s my turn.”

As soon as he finished speaking, Tao Shan took the initiative to attack!

He took heavy steps and forcefully rushed towards Qin Yu

His burly figure didn’t affect his speed at all!

A fist the size of a casserole arrived in front of Qin Yu in the blink of an eye!

“Good timing!” Qin Yu wasn’t afraid at all. Instead, he was filled with a strong desire to fight!

He clenched his fist and met the attack head-on!

There was another collision of two fists!

However, the result this time was very different. Under this punch, Qin Yu’s body was sent flying and he crashed into the wall behind him!

The wall collapsed with a bang, and countless pieces of rubble pressed down on Qin Yu’s body!

Dust flew up, momentarily blocking everyone’s line of sight!

“Good, good! Hahaha!” Liu Yi couldn’t help but shout out in excitement!

“Tao Shan, I really didn’t raise you in vain!”

Tao Shan, his eyes staring straight at the ruins, didn’t make a sound.

“Buzz!”

At this moment, a ray of light flashed! All the rubble was sent flying! It shot out in all directions!

Then, Qin Yu stood up from the ruins.

The clothes on his body had been torn, revealing his glistening muscles.

However, Qin Yu’s internal qi didn’t weaken at all. Instead, it became stronger.

“You’re stronger than I thought.” Qin Yu’s expression darkened.

Tao Shan's talent wasn't that impressive. Just like Wu Hongchang, he had been stuck at the peak of the Inner Strength Master Hands level for countless years.

The difference was that Wu Hongchang stopped there, while Tao Shan took a different path and developed a strong body!

"He didn't die!" Liu Yi grimaced in anger.

He ordered Tao Shan anxiously, "Kill him now!"

Tao Shan looked at Qin Yu coldly and said, "Since you know, why don't you turn around and leave now? Don't come to the Liu family's home ever again."

"Tao Shan, what are you talking about? I want you to kill him!" Not far away, Liu Yi grimaced in anxiety!

Qin Yu's expression was calm. He looked at Tao Shan and said, "Thank you for your kindness. In order to repay you, I will spare your life."

Tao Shan frowned slightly. The light on his huge body grew even brighter.

"Qin Yu, since this is the case, don't blame me for being impolite." After Tao Shan said this, the muscles on his body bulged, and his blood vessels looked like dragons!

Qin Yu was extremely calm and unfazed.

"Qin Yu, you're dead meat." After Tao Shan shouted angrily, the faint light on his body actually condensed on his fist!

In an instant, that huge fist became incomparably resplendent!

“It’s over!” Accompanied by Tao Shan’s loud roar, he thrust his fist forward!

Before the fist arrived, there was a gust of wind from the momentum!

In an instant, things were sent flying in the living room! The tables and chairs were directly shattered!

“How strong!” Liu Shihui, who wasn’t far away, widened his eyes.

If he were to receive this punch, he would definitely be dead!

“Good timing!” Qin Yu didn’t panic. He roared loudly, and a layer of light blue light appeared on his body!

This light seemed to have fused with Qin Yu, and his fist was wrapped in this blue light!

“If you can break it, then I’ll admit defeat!” Qin Yu roared angrily, and for the third time, he faced Tao Shan head-on!

“Boom!”

With this punch, the entire room was instantly struck by the force, and the wall collapsed!

Not far away, the Liu family’s father and son, as well as Sun Fu, were instantly sent flying!

Along with this loud bang, dust covered everyone’s line of sight!

Liu Yi climbed up from the ground, rubbed his eyes, and said anxiously, “How is it? Is Qin Yu dead?”

As soon as he said that, the dust in front of him suddenly stirred!

Then, a figure flew out!

This figure crashed into the wall and was crushed under countless stones!

At such a fast speed, no one could even see who it was!

“Is Qin Yu dead?” Liu Yi asked anxiously.

However, at this moment, a figure crawled out from under the ruins.

Tao Shan’s entire body was covered in wounds, and his face was filled with shock!

“How is this possible.... how can your physical body be stronger than mine?!” Tao Shan shouted in shock as his pupils dilated!

Chapter 137: The Yan Family of Jingdu

A faint layer of light lingered around Qin Yu’s body. The light on Tao Shan’s body began to disappear, and his muscles slowly returned to normal.

Qin Yu slowly walked in front of Tao Shan. He looked at Tao Shan coldly and said, “You train in both Inner Strength and Cross-training, but what I train in is different from you. What I train in is spiritual power.”

“Spiritual power?” Tao Shan seemed to have heard this term for the first time.

Qin Yu said slowly, “Don’t ask anymore. You should rest.”

After saying that, Qin Yu patted Tao Shan’s body gently.

His huge body suddenly exploded with a loud bang!

“Get the f * ck up!” Liu Yi, who wasn’t far away, roared furiously.

“You must be faking it. You must be faking it!” Liu Yi gritted his teeth. He was obviously anxious.

Liu Shihui, who was beside him, had an extremely ugly expression and was on the verge of a mental breakdown.

All along, he had considered himself a genius, but in just a few short days, he realized that Qin Yu’s strength had far exceeded his imagination!

“Even Tao Shan was defeated. How is this possible?!” Liu Shihui’s expression was extremely ugly.

He couldn’t figure out how Qin Yu’s strength had suddenly increased so much in just a few days?

Qin Yu didn’t kill Tao Shan because he knew very clearly that this matter had nothing to do with Tao Shan.

Following that, Qin Yu slowly walked in front of Liu Yi.

“Kneel down and apologize.” Qin Yu’s tone was unyielding.

Liu Yi gritted his teeth. He glared at Qin Yu and shouted, “Qin Yu, so what if you win against Tao Shan?! This is a society ruled by law. Do you dare to kill me? If you kill me, you will also be sentenced to death! Hahaha!”

Just as Liu Yi said, no one in this era could go against the authorities.

However, Qin Yu was unfazed. He sneered and said, “Do you think there is only one way to kill people?”

After saying that, Qin Yu flicked his finger, and a wisp of spiritual fire instantly landed on Wu Hongchang’s body!

“Poof!”

The moment the spiritual fire touched Wu Hongchang's body, it turned into ashes! Not even a trace was left behind!

"If I kill you, who will be able to find out?" Qin Yu narrowed his eyes and said.

Liu Yi's face instantly turned ashen, and he was extremely terrified!

He couldn't figure out how Qin Yu, who came from Jiangcheng, could force the entire Liu family to bow down to him?

A wisp of spiritual fire shot out from Qin Yu's finger again.

He sat on the sofa and said indifferently, "I'm only going to count to three. If you haven't knelt down and apologized, I won't show mercy."

After saying that, Qin Yu closed his eyes and began to count.

Liu Yi's expression was extremely ugly. Looking at the flames dancing on Qin Yu's fingers, he became even more terrified.

"Two..."

At this time, Qin Yu had already counted to the last number.

Just as Qin Yu was about to shout "three," Liu Yi suddenly knelt on the ground with a plop!

He gritted his teeth and said in misery, "Qin Yu, I was wrong... I shouldn't have offended you. I hope you can spare my life..."

"Dad!" Liu Shihui clenched his fists tightly. His face was filled with defiance.

A few days ago, Qin Yu was just a nobody. However, in just a few days, Qin Yu had the ability to go against the entire Liu family!

At this moment, Liu Yi also began to understand why so many large families insisted on hiring top-notch martial artists even if they had to spend a huge sum of money!

“What about you?” Qin Yu glanced at Liu Shihui.

Liu Shihui gritted his teeth and said, “Qin Yu, don’t even think about it!”

“Oh really?” Qin Yu raised his eyebrows. He looked at Liu Yi coldly and suddenly shouted, “Kneel down!”

These two words seemed to have the force of a thousand tons!

Liu Shihui instantly felt his legs go soft, and with a plop, he knelt on the ground!

He wanted to struggle, but he found that he couldn’t break free at all!

“How is this possible...” Liu Shihui’s ego was completely bruised!

Just two words from Qin Yu were enough to suppress him. This meant that Qin Yu’s strength had far exceeded his imagination!

Qin Yu snorted coldly. He slowly stood up, looked coldly at Liu Yi, and said, “This is the last time. If you guys provoke me again, I guarantee that the entire Liu family will disappear.”

Liu Yi lowered his head and didn’t say a word.

Liu Shihui looked completely dejected.

“Qin... Qin Yu.” At this moment, Sun Fu, who had been hiding in the corner, suddenly spoke.

He said with an embarrassed smile, “Qin Yu, I have offended you just now. You... you must not lower yourself to my level...”

Sun Fu had already been scared to death. He was just an ordinary person, so how could he have ever seen such a scene before?! Everything that happened in front of him had completely overturned his worldview!

More importantly, in his heart, the Liu family had always been out of his league but now, they were kneeling in front of Qin Yu and admitting their mistakes!

Qin Yu glanced at him and sneered. “Do you think I would stoop to your level?”

Sun Fu was stunned. He couldn't care about anything else anymore and hurriedly nodded. “Yes, yes, you're right. Just treat me as an old fart...”

Qin Yu didn't say anything, but he couldn't help but bemoan it inside.

Sun Fu and Sun Yumei were indeed blood-related siblings. They were really alike.

Qin Yu didn't stay any longer and quickly left the Liu family's home.

The next day, Qin Yu and Yao Qing prepared to return to Jiangcheng.

The two of them packed their luggage and prepared to leave.

At this time, Lu Shuming's car suddenly entered.

He said with some surprise, “Mr. Qin, I really didn't expect the Liu family to actually admit defeat!”

After saying that, Lu Shuming gave Qin Yu a thumbs up.

Qin Yu frowned slightly and said with some surprise, “How did you know?”

Lu Shuming said with an embarrassed smile, “Since I’m an opponent of the Liu family, I naturally have to pay attention to their every move. Only by knowing yourself and the enemy can you win!”

Qin Yu nodded and didn’t say anything more.

“The Liu family has fallen. No one in South City can stop you now. As long as I spread the word, you will definitely be known by everyone in South City! By that time, you can rule over an area!” Lu Shuming said excitedly.

Qin Yu glanced at him and shook his head. “There’s no need.”

Lu Shuming was stunned and said somewhat confusedly, “Mr. Qin, this is a good opportunity to establish your authority!”

Qin Yu shook his head and slowly said, “My ambitions don’t lie here.”

“Your ambitions don’t lie here?” Lu Shuming was even more confused.

Qin Yu looked to the north and slowly said, “My goal is to establish myself in Jingdu.”

To Qin Yu, everything he had done was so that he could venture into Jingdu as soon as possible and go to the Yan family to marry Yan Ruoxue.

Lu Shuming was speechless and didn’t know what to say.

...

In a huge garden in Jingdu.

This place was two thousand square meters, and the manor alone was over a thousand square meters.

In Jingdu, where every inch of land was extremely expensive, to occupy such a large area was enough to show that the owner was extremely affluent.

And this place belonged to the Yan family.

At this moment, in the huge villa, a young girl was holding a brush and drawing when the door suddenly opened. The young girl heard the sound and hurriedly closed the notebook.

“Ruoxue, what are you hiding?” The person who spoke was a kind-looking old man.

The old man’s face was full of wrinkles. The gaze he showed Yan Ruoxue was filled with doting love.

“Grandpa, why did you come in without knocking?” Yan Ruoxue pouted and said unhappily.

The old man glanced at Yan Ruoxue’s notebook and laughed.. “If I’m not mistaken, you must be writing his name, right?”

Chapter 138: Yan Ruoxue’s Worries

Yan Ruoxue blushed and said petulantly, “Grandpa, what nonsense are you talking about?!”

“Hahaha.”

“I watched you grow up. How could I not know what you’re thinking?” Old Mister Yan couldn’t help but stroke his beard and laugh.

Yan Ruoxue instantly blushed to the root of her neck. She covered the notebook and changed the topic, “Grandpa, is there something wrong?”

Old Mister Yan sat on the sofa in the bedroom and slowly said, "I'm here to tell you about Qin Yu."

Hearing this, Yan Ruoxue immediately stood up.

She quickly sat beside Old Mister Yan and said with a somewhat anxious tone, "Grandpa, how is Qin Yu now?"

Old Mister Yan didn't answer, but kept her guessing. "What do you think?"

Yan Ruoxue thought for a moment and said, "When I left, Qin Yu happened to have a feud with the Liu family. Now... Qin Yu should be thinking of a way to deal with the Liu family."

"Yep." Old Mister Yan nodded slightly to indicate for Yan Ruoxue to continue.

Yan Ruoxue thought for a moment and said, "The Liu family has Liu Shihui and Tao Shan. According to what I know, Tao Shan isn't simple to deal with. If I were Qin Yu... I would use the Yan family's reputation to protect myself. At least my life won't be in danger and I will be able to slowly develop."

Old Mister Yan seemed to have guessed what Yan Ruoxue would say. He shook his head and said, "It's a pity that I have sent people to say that the Yan family will never interfere in Qin Yu's matters, let alone care about his life or death."

Yan Ruoxue's expression immediately turned extremely ugly!

She stood up in a flash and said somewhat angrily, "Grandfather, aren't you harming Qin Yu!?"

"Hahaha." Old Mister Yan couldn't help but burst into laughter.

“If Qin Yu always has the Yan family’s protection, does he still have the chance to grow?” Old Mister Yan shook his head.

How could Yan Ruoxue still listen to him? She said anxiously, “Tell me how Qin Yu is now!”

“The Liu family has lost, and they have lost thoroughly.” Old Mister Yan said with a nonchalant smile.

Yan Ruoxue was stunned. She hurriedly asked, “Grandfather, is what you said true?”

“Of course.” Old Mister Yan said with a nonchalant smile.

“Not only that, but not long ago, Qin Yu personally killed an Inner Strength Past Master from overseas.”

This time, Yan Ruoxue was even more shocked!

Before she left, Qin Yu was only at stage five of Inner Strength. How could he develop to such a level in such a short time?

“I have already said that the son of that man isn’t an ordinary person,” Old Mister Yan said with a nonchalant smile.

A hint of relief appeared on Yan Ruoxue’s face. She said in a low voice, “I knew that Qin Yu wouldn’t let me down.”

Even Old Mister Yan sighed and said, “Yes, in fact, my prediction is similar to yours, but Qin Yu has exceeded my imagination.”

“Of course!” Yan Ruoxue’s tone sounded a little proud.

Old Mister Yan couldn't help but force a laugh. Back then, he was afraid that Yan Ruoxue would look down on Qin Yu, but he didn't expect Yan Ruoxue to fall for him herself.

"Don't be happy too early. Although Chuzhou is only a small place, there are still a few big families who reign over it," Old Mister Yan said slowly.

Of course, Yan Ruoxue already knew. Because of Qin Yu, Yan Ruoxue had a clear understanding of Chuzhou.

In Chuzhou, the truly top-tier families were still in the provincial capital.

And among them, the Jiang family was the most respected. Rumor had it that the Jiang family kept a low profile, but their assets were distributed throughout the entire Chuzhou province, and their liquid capital amounted to ten billion!

Not only that, but the Jiang family was also a martial arts blue-blood family. They had nearly ten Inner Strength Past Masters, and it was rumored that the head of the Jiang family was even a peak Inner Strength Past Master!

This might not be considered impressive in the eyes of the Yan family, but in Chuzhou, it was enough to run amok!

"Qin Yu isn't stupid. Why would he take the initiative to provoke them?" Yan Ruoxue said softly.

Old Mister Yan had a different opinion. He shook his head and said, "People cut down the tall poppy. There are some things that can't be avoided as you wish."

Hearing this, Yan Ruoxue couldn't help but bite her rosy lips.

She knew very well that with Qin Yu's current abilities, it was absolutely impossible for him to go against the Jiang family, a top-notch family in Chuzhou.

"Grandfather..." Thinking of this, Yan Ruoxue couldn't help but look at Old Mister Yan affectionately.

Old Mister Yan couldn't help but force a smile.

He had been in Jingdu for decades and had always been known for his decisive and ruthless tactics.

But when it came to his granddaughter, he could never keep a straight face.

Every time Yan Ruoxue showed affection, Old Mister Yan wouldn't even know how to reject her.

"Don't worry, I'll keep him alive," Old Mister Yan said with a forced smile.

"Really?" Yan Ruoxue's eyes lit up.

Old Mister Yan rolled his eyes. "If he really dies, won't you hold a grudge against me for the rest of your life?"

Yan Ruoxue's pretty face blushed again, and she whispered, "Grandpa, don't talk nonsense..."

...

Yao Qing sped all the way back to Jiangcheng's territory.

"Mr. Qin, did something happen in Jiangcheng? Why are there people from the military district everywhere?" Yao Qing looked out of the car window and couldn't help but frown slightly.

The entire Jiangcheng seemed to be in a state of martial law. There were armed soldiers patrolling and guarding everywhere.

Qin Yu also felt that it was a little strange, but this had nothing to do with him, so he didn't think too much about it.

The car soon returned to Dragon Paradise.

After Qin Yu arrived at Dragon Paradise, the first thing Qin Yu planned to do was to go to the factory to look for Mr. Yang and ask about the Chinese Medicine Conference.

However, just as Qin Yu took out his phone, it rang.

The caller was actually Su Yan.

Seeing her phone number, Qin Yu frowned.

After thinking for a moment, Qin Yu hung up the phone.

However, not long after, the phone rang again.

Qin Yu frowned. He picked up the phone and said with some annoyance, "What's the matter?"

On the other end, Su Yan was immediately furious, but when she thought of Zhao Gang's death last time, she felt a little intimidated.

"You... do you think I actually want to call you? Let me tell you, it's my grandpa who wants to see you. Otherwise, I wouldn't have called you!"

Su Yan braced herself and said.

Hearing this, Qin Yu immediately fell into silence.

A moment later, Qin Yu said, "I have already made it clear to Grandpa last time. I have already severed all ties with the Su family. There's no need to see me.."

Chapter 139: Who Do You Think You Are?

On the other end, Su Yan sneered. "He's about to die. It's up to you whether you want to see him or not."

After saying this, Su Yan hung up the phone.

Qin Yu's expression instantly became a little ugly, and he stood up.

"Mr. Qin, what's wrong?" Seeing this, Yao Qing hurriedly walked forward and asked.

Qin Yu took a deep breath and said, "Give me the car keys. I'm going out for a while."

"Where are you going? I'll go with you," Yao Qing hurriedly said.

"No need." Qin Yu shook his head.

After taking the car keys, Qin Yu quickly rushed to the Su family's home.

He sped all the way, and soon, Qin Yu arrived at the door of the Su family's home.

At this moment, there were many cars parked at the door. Obviously, the relatives of the Su family had come.

Qin Yu found a random place to park his car and then hurriedly walked towards the Su family's house.

The moment he stepped into the Su family's gate, he saw many relatives of the Su family sitting together. However, there wasn't a trace of sadness on their faces. Instead, everyone was beaming with joy, as if it was a family gathering.

“What are you doing here?!” The moment he saw Qin Yu, Su Wen stood up and shouted angrily.

“Get the h*ll out of here. You are no longer a member of the Su family!”

Qin Yu ignored him and asked in a cold voice, “Where is Grandpa?”

“What has it got to do with you? This is our family's business and has nothing to do with you!” Su Wen said in a cold voice.

“I am asking where your grandpa is?!” Qin Yu immediately shouted!

This angry roar contained Qin Yu's spiritual power, and it actually deafened everyone's ears until they hurt!

Su Wen was so scared that he trembled. For a moment, he didn't dare to vent his anger.

“He's in... in the room. Why are you shouting?” Su Wen mumbled timidly.

Hearing this, Qin Yu hurriedly walked into the room.

In the room, Old Mister Su was lying on the bed alone.

No one from the Su family came to take care of him.

Qin Yu quickly walked over. He squatted in front of Old Mister Su and said with some sadness, “Grandpa, you...”

Before he could finish, Old Mister Su waved his hand.

He said with a trembling voice, “Qin Yu, I... don’t have much longer to live. Before I die, I wanted to see you again...”

Qin Yu suddenly felt sad from the bottom of his heart. In the entire Su family, only Old Mister Su treated Qin Yu as a human.

After they lived together for so many years, it was impossible to say that they didn’t have affection for each other.

Old Mister Su was surrounded by a deathly aura.

The density of the death aura had already exceeded Qin Yu’s imagination.

This was clearly a sign of death.

Qin Yu gritted his teeth. He raised his hand and placed it in front of Old Mister Su. He poured the spiritual energy in his body into Old Mister Su’s body.

Unfortunately, Old Mister Su’s illness was already beyond cure. He was on the brink of death. Even Qin Yu had no way to save him.

Old Mister Su said with difficulty, “Don’t waste your energy... Qin Yu, I know that the Su family has let you down. Can you give the Su family a way out on account of me...”

Qin Yu couldn’t help but feel stunned. In fact, Qin Yu had thought of wiping out the Su family.

“Promise me...” Old Mister Su, his tone imploring, grabbed Qin Yu’s wrist tightly.

Qin Yu couldn’t bear to let him down.

He took a deep breath and nodded. “Grandfather, I promise you. As long as the Su family doesn’t provoke me, I can give the Su family a way out.”

Hearing this, Old Mister Su slowly said, “Then I’m relieved, relieved...”

As he spoke, Old Mister Su’s internal qi became weaker and weaker until it completely disappeared.

He laid on the bed and didn’t move anymore.

Qin Yu couldn’t help but feel a little sorrowful.

There were so many people in the Su family, but the one who guarded the dying Old Mister Su was actually an outsider.

“These people are really disgusting.” Qin Yu heard the commotion in the living room, and his expression couldn’t help but turn cold.

He turned his head and walked out of Old Mister Su’s room, all the way to the living room.

After they saw Qin Yu, the room immediately became quiet.

“Finished seeing him? You can go now.” Sun Yumei snorted lightly.

Qin Yu took a deep breath and said, “Old Mister Su has died. I will leave after he is buried.”

“D*mn, he finally left. He dragged it out for so long.” Su Wen’s brother, Su Wu, couldn’t help but grumble.

“Alright, alright. It wasn’t easy for us to gather together. After dad is buried, we should have a good drink!” Su Wen said with a smile.

“That’s for sure. How long has it been since the two of us last saw each other? It’s been more than ten years since I went to the provincial capital, right?”

The whole family began to chat. No one cared about Old Mister Su’s death at all.

Qin Yu sat silently at the side. He closed his eyes and tried his best to calm himself down.

At this moment, a young man suddenly walked in from the door.

The young man was about the same age as Qin Yu, and there was a gallant look to him.

“Gee, Xiao Bo, you’re finally back!” Upon seeing this young man, everyone in the room quickly stood up to welcome him.

The young man called Xiao Bo nodded slightly and said indifferently, “Yep, I had a mission, so I came back a little late.”

“Gee, it’s okay. You should attend to your business first.” Su Wen said eagerly.

Then, Su Wen asked tentatively, “Xiao Bo, your position in the military district shouldn’t be low right now, right?”

Su Bo glanced at him and said indifferently, “Yep, I have a three-stroke armband.”

“Three!” Upon hearing this, everyone gasped!

“Gee, Xiao Bo is really promising!”

“We have to count on Xiao Bo in the future!”

At this time, Su Bo's father, Su Wu, deliberately asked, "Xiao Bo, why are there so many soldiers coming to Jiangcheng recently? Is there some big shot coming?"

Su Bo nodded slightly and said, "Yes, the Deputy Chief of the Chuzhou region will come to Jiangcheng in the next few days."

"Deputy Chief?" Hearing this, everyone was even more shocked!

That was a big shot with a high position and power!

"Why would such a big shot come to Jiangcheng?" Su Wen asked in surprise.

Su Bo said, "I heard that it's to recruit someone. skilled in medicine and martial arts, but I don't know who exactly he is."

"D*mn, who is so capable to even have the vice-chief come and invite him?" The people in the room immediately buzzed with discussion.

While everyone was discussing, Su Bo suddenly noticed Qin Yu, who sitting wasn't far away.

He frowned slightly and then casually asked, "Who is that person?"

Everyone immediately looked at Qin Yu, who wasn't far away.

"He is your sister's ex-husband and had married into the Su family. Now that he has been chased out, he is just a loser. There is no need to pay attention to him," Su Wen snorted and said.

Su Bo's expression immediately became a little unhappy. Someone like that was actually putting on airs? Why was he still sitting there when he saw him?

Thinking of this, Su Bo immediately walked towards Qin Yu.

“Don’t you know to get up and welcome me when you see me coming? Why, is your butt exceptionally heavy?” Su Bo said with a cold expression.

Hearing this, Qin Yu slowly opened his eyes.

He glanced at Su Bo and frowned.. “Welcome you? Who do you think you are to let me welcome you?”

Chapter 140: Invitation!

Anger flashed across Su Bo’s face.

He looked coldly at Qin Yu and said, “Why? Because I’m a big shot in the Chuzhou region! Because my status is higher than yours!”

Hearing this, Qin Yu couldn’t help but sneer. “In the eyes of people like you, a high status means superiority, but in my eyes, everyone is the same, regardless of whether their status is high or low.”

“As for you, from the way you speak, I already know that you aren’t worthy of me welcoming you,” Qin Yu said coldly.

The corner of Su Bo’s mouth twitched slightly. It was obvious that he was somewhat annoyed by Qin Yu’s words.

“Young man, you must be mindful of what you say.” Su Bo raised his hand and pressed it on Qin Yu’s shoulder.

Qin Yu immediately felt a force on his shoulder, and the corner of Su Bo’s mouth curled up into a smile.

Qin Yu didn't say anything. His arm shook, and a huge force was immediately returned to him!

Su Bo's wrist was immediately hurt from the force, and he even took a few steps back!

"You're also a martial artist." Su Bo's eyes narrowed slightly.

Su Yan, who was beside him, hurriedly warned him, "Cousin, he's quite good. Don't fight with him!"

Su Bo shook his wrist and sneered. "How good can an ordinary person's skills be? Moreover, if I want to deal of him, there are many ways!"

"Since I have a mission, I won't lower myself to your level for the time being. After I'm done with this matter, see how I'll deal with you!" Su Bo pointed at Qin Yu's nose and said.

Qin Yu couldn't be bothered with him at all. The reason he stayed here was only for Old Mister Su.

After that, Su Bo went to the sofa and sat down. The members of the Su family surrounded him and kept flattering him.

"Xiao Bo, who is your senior officer coming to Jiangcheng this time? Can you tell us about it?" Su Wen asked while pouring tea.

Su Bo said indifferently, "I don't know. Moreover, this is a secret. We can't reveal it at will."

"Xiao Bo, there's nothing you can't tell your family." Su Wu said from the side.

Hearing this, Su Bo immediately smiled nonchalantly and said, "There's no harm in telling you guys."

When they heard this, everyone immediately pricked up their ears with excitement.

Su Bo slowly said, “According to our Commander, this person knows Chief Wu. However, there’s a small misunderstanding between the two of them. Otherwise, the person who came to invite him would be Chief Wu.”

When everyone heard this, they immediately asked in surprise, “Who actually needs Chief Wu to personally invite him?”

Su Bo smiled nonchalantly and said, “In short, he is a very outstanding person. Although I have never seen him before, to be able to get so many important people to invite him, he is definitely an extraordinary person.”

At this point, Su Bo paused for a moment and continued, “Of course, our Deputy Chief’s subordinates are also the elites of the Military District.”

He was obviously boasting about his position in the military district.

“Of course. I knew that Xiao Bo would have a bright future!” Su Wen quickly shouted.

“Gee, Xiao Bo finally came back, so we have to celebrate tonight!” Sun Yumei said obsequiously.

The rest of the relatives also shouted, “That’s right. We will all get drunk tonight!”

Just when the atmosphere was getting merry, Qin Yu suddenly said coldly, “The old man’s body isn’t cold yet, and he is still lying on the bed. As his descendants, it’s bad enough that you guys aren’t sad at all, but you guys are actually celebrating instead. You guys are really f * cking inhuman.”

Upon hearing Qin Yu's words, everyone in the living room immediately became quiet, and the atmosphere became a little tense.

"Tsk tsk, you are an outsider, so why are you pretending to be filial?"

"That's right. If you were really so filial, why didn't you come back earlier?"

"It's already good enough that we didn't ask you to get out!"

Su Bo snorted coldly and said, "A son-in-law who married into the family really thinks highly of himself. Don't you know what it means to live in the present?"

Qin Yu glanced at Su Bo and said, "Filial piety is the first priority. You don't even know filial piety, yet you actually dare to say that you're an elite. I think you're not far from being fired."

"Hehe, sorry, but I'm steadily rising in the military district. The higher-ups praise me a lot, and might promote me at any time." Su Bo smiled nonchalantly.

"But you, a piece of trash who married into the family, have been kicked out. I think it'll be hard for you to even survive."

Qin Yu glanced at him and didn't say anything else.

Soon, the car of the crematorium arrived at the door of the house.

Qin Yu personally carried Old Mister Su's body into the car and accompanied everyone to the cremation and burial.

It took the entire day, and when he was done, the sky was already dark.

"We're finally done. Let's go back and drink!" Su Wen said with a smile.

“We have to get drunk tonight and have a good time!” Su Wu and Su Wen put their arms around each other’s shoulders, and the atmosphere was quite harmonious.

Qin Yu glanced at them and felt that it wasn’t worth it for Old Mister Su to care so much about them.

Maybe Old Mister Su already expected this scene, so he told him not to harm the Su family, Qin Yu thought to himself.

What a pity.

Then, Qin Yu drove to Dragon Paradise.

At this moment, two people stood at the gate of Dragon Paradise.

These two people were tall and had a dignified bearing. They had bold features and gave off a gallant air.

“Commander Guo, how come I’ve never heard of Qin Yu? Why did Commander Wu insist on recruiting him into the war zone?” One of the slightly younger people said.

The man called Commander Guo smiled and said, “Xiao Yu, don’t make wild guesses. Chief Wu naturally has his own plans.”

Xiao Yu said somewhat defiantly, “He actually let the Deputy Chief personally come to recruit him. I’ve never seen something so high profile. Anyway, I don’t think it’s worth it.”

Commander Guo was silent for a moment, then said, “Not long ago, Liu Shihui of the Liu family was defeated by him.”

“He’s just a kid from a rich family. I can do it too,” Xiao Yu said defiantly.

Officer Guo was instantly speechless.

It was true. Although he was quite capable, it wasn't worth Chuzhou spending so much manpower to invite him.

“Officer Guo, you actually don't know much about it, right? I suspect that there's something shady going on,” Xiao Yu muttered.

Officer Guo immediately reprimanded, “Don't talk nonsense!”

Xiao Yu said defiantly, “It's true. I've heard rumors that Qin Yu has treated Commander Wu's illness before.. There's even some aristocratic family backing him! Maybe he's a rich kid who wants to go to the military district to squander money”
