

## My Rich Wife - Chapter 1321 - 1330

*Chapter 1321: Chapter 1,321, strange creatures*

Chen Cang knew that he could no longer stop them, so he did not hide it anymore.

He said in a deep voice, "This mountain range is extremely strange. Once you step into it, everything in front of you will turn gray."

Qin Yu and Wan 'er did not dare to say anything more. They quietly listened to Chen Cang's follow-up.

Chen Cang continued, "I don't know what this aura is. I only know that it is extremely thick and heavy. It is like a huge mountain pressing on your chest. When you take a deep breath, you can even feel the heavy pressure on your chest."

"Some people in Yang City have speculated about the aura in this mountain range. Some say that it's chaotic qi, some say that it's internal Qi, but most people think that it's demonic qi."

Qin Yu immediately felt extremely surprised. He couldn't help but ask, "Demonic qi? What is that?"

It wasn't just Qin Yu. Even Wan 'er and Ah San, who were natives of the Holy Region, didn't know anything about it.

Chen Cang said slowly, "This is a name given by the locals of Yang City."

AH SAN snorted, "It's just an internal Qi. What's so dangerous about it?"

Chen Cang glanced at Ah San, his eyes flashing with intense displeasure.

He snorted and said, "If it's just this internal Qi, then there's nothing dangerous about it. But do you know why the internal Qi in this mountain range is called Demonic Qi?"

"How would I know?" Ah San frowned.

At this moment, Qin Yu, who was at the side, noticed something unusual.

He touched his chin and said, "Could it be that... these internal Qi are hiding some strange creatures?"

"How do you know?" It was Chen Cang's turn to be surprised.

Qin Yu pointed at the marks on the armor and said, "These marks seem to be left by some kind of sharp blade or claws. In addition, the name of this internal Qi is very strange, so I'm guessing that this internal Qi is hiding some creatures."

"That's right!" Chen Cang nodded.

"The creature inside is not worse than the ones in the Green Rock Forest. It's even more terrifying than the demonic beasts in the outer area!"

"I once saw someone's head crushed by a claw with my own eyes!"

"What's more terrifying is that we can't see its appearance clearly at all. We can only see a vague outline. It's a creature that is flashing with a strange green light."

At this point, Chen Cang pointed at the marks on the armor and said, "These creatures have different strengths. The deepest one almost scratched through the armor."

Qin Yu could not help but squint his eyes and thought to himself, "I wonder if my desolate God's eye can see through these creatures..."

"What?" Chen Cang asked.

Qin Yu waved his hand and said, "It's nothing. Please continue."

Chen Cang grunted and said, "This mountain range is somewhat similar to the Green Rock Forest. The deeper you go, the more powerful that strange creature becomes."

At this point, Chen Cang paused again.

His eyes swept over the three people and said coldly, "Do you know why someone guessed that this is the internal Qi of Chaos?"

"It must be because the aura here is extremely thick!" Ah San hurriedly shouted as if he wanted to show off in front of Wan 'Er.

However, Chen Cang snorted coldly and said, "You can't look at things only from the surface. If you can't see through the essence, you will never have a great future."

Hearing this, Ah San was immediately furious. He gritted his teeth and eventually endured it.

"Could it be... that this aura has a restriction on cultivation? Is it similar to the internal Qi?" Qin Yu guessed.

A smile appeared on Chen Cang's face.

He looked at Qin Yu with admiration and said, "As expected of the person that Aileen has her eyes on. Not bad. This place is indeed similar to the internal Qi. It can also suppress one's cultivation level. This is also the reason why I have been unwilling to let you step into it."

Qin Yu became happier the more he heard.

His desolate God's eye could see through almost everything. And now, he no longer had any spiritual energy in his body. He was relying on this body.

The horror of this mountain range seemed insignificant to Qin Yu.

Seeing the smile on Qin Yu's face, Chen Cang frowned and said, "I'm saying this because I hope that you can turn back. It's not too late to go back now."

Qin Yu smiled and said, "Old Mister Chen, thank you for your information, but we still want to go in and take a look."

"That's right!" Ah San hurriedly said.

Chen Cang sighed slightly. He waved his hand and said, "In that case, I have nothing more to say. But I suggest that you guys don't try to be brave. When you see that things are not looking good, leave immediately."

"Definitely." Qin Yu bowed and said.

Chen Cang did not say anything more and immediately walked down the mountain.

Looking at this vast mountain range, Qin Yu's heart was filled with anticipation.

If he could obtain life Qi from this, it meant that he could recover his strength.

At that time, all the problems would be solved.

"Miss Wan 'er, after entering the mountain range, remember to follow behind me." Qin Yu looked at Wan 'er and said.

Ah San snorted coldly and said, "Follow behind you? Kid, you better take care of yourself."

Qin Yu smiled and said, "If you're afraid, I don't mind you following behind me."

"Hehe, I hope you won't Pee in your pants when we enter this mountain range later," ah San retorted.

After saying this, he grabbed Wan 'er's hand and said, "Miss, let's go."

*Chapter 1322: Chapter 1322, the reckless AH SAN*

Ah San led Wan 'er and headed towards the mountain range.

Qin Yu did not waste any time and followed closely behind.

This mountain range was extremely vast, and the entire Yang City was beneath it.

Qin Yu used the desolate God's eye to investigate, but he could not see anything in the mountain range, nor could he see the so-called demonic qi.

Therefore, Qin Yu deduced that there should not be any danger at the edge of the mountain range.

As expected, ah San was very careful along the way. He did not dare to relax at all.

However, after walking for a long time, they still did not see the so-called demonic aura. There was not even the slightest abnormality.

Other than whether it was a tree that had appeared, there was nothing else.

"Damn it, that old man must be spouting nonsense," AH San said with a cold face.

Wan 'er, however, still said vigilantly, "Old Mr. Chen has no need to deceive us."

"That's not necessarily true. Maybe he just found an excuse to scare us," AH SAN said with a cold snort.

Qin Yu ignored him. He took the initiative to walk to the front of the group and walked toward the depths of the mountain range.

After the three of them walked for half a day, the legendary "Demonic qi" finally slowly appeared.

The surroundings first turned gray, as if everyone was surrounded by smoke.

As they went deeper, the smoke became thicker.

"Miss Wan 'er, hold on to my hand!" Ah San hurriedly said.

He held Wan 'er tightly, as a trace of fear appeared in his heart.

Although AH San had a strange temper, he was completely devoted to Wan 'er, willing to die for her.

Qin Yu did not dare to think too much about it. He immediately activated the desolate divine eye and looked around warily.

The smoke became thicker and the heaviness in Chen Cang's mouth began to show.

"My chest... is so uncomfortable." Wan 'er was the first to be unable to bear it. She clutched her chest as if it was difficult for her to breathe.

Ah San followed closely behind, but he did not say anything.

Even Qin Yu began to feel a little uncomfortable.

This kind of aura was different from the dark energy. Although the spiritual power in the internal Qi would be suppressed, it did not have that bone-chilling feeling.

"Swoosh!"

At this moment, a clear sound suddenly swept through the smoke and dust. A green light flashed in front of everyone, and before they could see it clearly, it had already disappeared without a trace.

Looking at Wan 'er again, there was already a conspicuous mark left on her chest.

"Miss Wan 'er, are you alright?" Ah San immediately panicked.

Qin Yu quickly walked in front of Wan 'er and said in a low voice, "Stand behind me."

AH SAN said stubbornly, "I don't need you! I can protect Wan 'er well!"

After saying that, he pulled out his long sword and said coldly, "If that monster dares to appear again, I will definitely kill him!"

Qin Yu glanced at Ah San and shook his head. "Your vision is obstructed here. It's better if you don't try to be brave."

"Cut the crap!" How could ah San listen to him.

He gripped his long sword tightly and looked around vigilantly.

The three of them walked deeper and deeper. At this moment, ah San could clearly feel that the spiritual power in his body had been completely suppressed.

He was in the mighty realm. Even if his spiritual power was suppressed, his physical body was also extremely powerful. Therefore, ah San still had some illusions in his heart.

Qin Yu stretched out his hand and gently caressed these thick and heavy internal Qi.

He was surprised to discover that these internal Qi were clearly very thick and heavy, yet they were as fine as gauze. He simply could not catch them.

“What exactly is this internal Qi? Demonic Qi? There has never been such a record in history,” Qin Yu thought to himself.

This was definitely not demonic qi. It was probably a mysterious internal Qi that the people of Yang City had never come into contact with before.

“Hum”

At this moment, a green light suddenly appeared in front of them.

The moment the light appeared, ah San quickly grabbed his sword and blocked Wan ‘er behind him.

However, what surprised him was that this time, the green mysterious creature did not flash by. Instead, it just stood there quietly.

No one could see their faces clearly. They could only see their huge bodies and the strange green light they emitted.

Qin Yu narrowed his eyes. He used the desolate God’s eye to look at the green creature in front of him.

Under the desolate God’s eye, nothing could be hidden. Even this mysterious internal Qi could not block Qin Yu’s vision.

He saw three figures. They were green in color. Although they were in human form, they had horns that were different from humans.

Their bodies were uneven. Their eyes were deep in their heads and were the size of green beans.

It was this pair of eyes that was extremely eye-piercing.

There was no special internal Qi on their bodies. Instead, they were extremely calm, like the water of a lake, making it difficult for people to discover them.

“What... What is this thing?” Qin Yu could not help but turn pale with fright.

This thing looked extremely terrifying, even more terrifying than a baleful ghost!

The others could not see the appearance of this creature at all, especially Ah San. He grabbed his long sword and shouted angrily, "Come, watch me cut you with one sword!"

With that, he grabbed his sword and took the initiative to charge towards the creature.

Qin Yu's expression changed and he hurriedly shouted, "No, come back quickly!"

However, Ah San could not listen to him. He had already charged towards those people. The long sword in his hand danced wildly as he charged towards the strange creature!

*Chapter 1323: Chapter 1,324, Kill!*

The Reckless Ah San held his long sword and charged at the green figures.

This creature was already strange and unpredictable. Now that Ah San's spiritual power had been suppressed, how could he be a match for them.

"Idiot!" Qin Yu gritted his teeth and couldn't help but curse.

He wanted to save Ah San, but once Qin Yu left, Wan 'er, who was powerless, might be in danger.

"Clang!"

The sword in Ah San's hand fiercely hacked at the mysterious creature's body, creating sparks in an instant.

AH SAN's expression immediately changed. He pulled back his long sword and took a look, only to find that the blade had already curled up.

"Come back quickly!" Qin Yu shouted.

Ah San wanted to retreat, but there was no chance at all. A green arm instantly stretched out and grabbed Ah San in his hand.

His face instantly turned red. Due to the internal Qi, he could not exert any strength and could not break free.

Ah San's breathing became weaker, and his struggle also became weaker.

Qin Yu gritted his teeth. He looked at Wan 'er beside him and said, "Miss Wan 'er, wait for me here. Don't go anywhere."

Wan 'er quickly nodded and said, "Okay, quickly go and save Ah San..."

Qin Yu did not say anything else. With a jolt of his feet, he instantly arrived in front of this mysterious creature.

At such a close distance, the terrifying feeling was even more intense.

Even Qin Yu felt terrified when he saw this face.

However, at this moment, Ah San was about to die at any moment. Qin Yu did not have time to think. Divine power surged all over his body, and with a bang, he smashed his fist towards that mysterious creature.

Qin Yu's strength was so great that this internal Qi had no effect on him at all.

Under this punch, the mysterious creature immediately felt pain. It took a few steps back, and its hand unconsciously loosened.

Qin Yu picked up Ah San with one hand and said coldly, "Are you stupid? What are you trying to do?"

Ah San got up from the ground and said in a panic, "Where is Miss Wan 'er? where is she?"

Qin Yu frowned and said, "Go back and look after Wan 'Er. Leave these few people to me."

After saying that, Qin Yu looked at the few creatures in front of him.

Their pupils were extremely calm. There was no sadness or joy, as if they had seen through everything in the world.

And this was the first time Qin Yu had seen this kind of creature. That mysterious feeling made people full of fear.

Qin Yu mobilized all the divine power in his body, and his two fists seemed to be in a daze.

"Swish!"

At that moment, the mysterious creature's palm grabbed towards Qin Yu!

Qin Yu snorted coldly. What he was least afraid of was close combat!

His right fist was clenched in an instant, facing that Green Claw!

"Bang!"

A loud sound.

The mysterious creature's claw directly split open!

Qin Yu seized this opportunity, and his body leaped up. His fist was from top to bottom, fiercely hanging on his head!

This punch was almost all of Qin Yu's strength, and it directly cracked his skull! His huge body also fell down.

The first mysterious creature was killed, but the remaining few people actually didn't have any fluctuations.

They seemed to be one, but they seemed to be completely unrelated.

Qin Yu looked at these people coldly and said, "We only want to seek the life energy and don't want to disturb everyone. But if you want to fight, I, Qin Yu, am not afraid."

These mysterious creatures did not say a word. In the next second, they suddenly attacked together!

They had extremely fast speed and unimaginable strength.

Even Qin Yu appeared to be in a sorry state.

The sharp claws slashed across Qin Yu's body, leaving bloody marks one after another.

Qin Yu did not dare to be negligent. He immediately activated the fighting word formula and clenched his fist to meet the attack.

In this thick fog, a great battle quietly broke out.

Qin Yu was like an undefeatable war god. Facing the attacks of several mysterious creatures, he was not at a disadvantage. On the contrary, the more he fought, the braver he became.

His body was left with many bloody scars. The sharp blade was too sharp. Qin Yu's skin could not withstand it at all.

Not far away, ah San finally found Wan 'er by relying on his memory.

"Miss Wan 'er, are you okay..." Ah San said with a panicked look.

Wan 'er said anxiously, "Where's Qin Yu? where is he?"

Ah San opened his mouth and said in a low voice, "That thing is too terrifying. It's as if it doesn't belong to this world. Qin Yu... I'm afraid he's doomed."

Wan 'ER's expression changed drastically when she heard that.

She grabbed ah san and said, "You... quickly save him. He went to fight for you. You... quickly save him!"

Ah San gritted his teeth and said, "It's useless even if I go. I'll just give up my life for nothing. At most, I'll bury him in glory."

Wan 'er slapped Ah San's face when she heard that.

She looked at Ah San with hatred and said, "You Coward, I'll Go if you don't go!"

After saying that, wan 'er walked straight forward.

Even though she couldn't see clearly in front of her, she didn't hesitate at all.

Ah San gritted his teeth and quickly caught up with Wan 'Er.

But at this moment, a huge figure blocked in front of them.

The thick fog covered their faces and even their bodies.

Even though this figure was standing right in front of them, they were still unable to see through their faces.

"Not good!" AH SAN's expression changed drastically as he hurriedly blocked in front of Wan 'Er.

However, at this moment, that huge figure fell heavily onto the ground, causing a loud bang to ring out.

*Chapter 1324: Chapter 1,324, encountering a mysterious creature again!*

Ah San pulled Wan 'er and hurriedly retreated, afraid that he would be smashed by this body.

"What's going on?" Ah San asked with a frown.

After the figure fell, another thin figure appeared in front of them.

This person was none other than Qin Yu.

At this moment, Qin Yu's body was covered in blood, and even his face was covered in scars.

However, his face was still as resolute as a knife.

"Qin... Qin Yu?" Wan 'er called out tentatively.

Qin Yu nodded and said, "It's okay."

Wan 'er immediately broke free from Ah San and threw herself into Qin Yu's arms.

"I thought you were dead..." Wan 'er said in panic.

Qin Yu was a little embarrassed. He gently pushed Wan 'er away and said, "My body is covered in blood. Stay away from me."

Ah San, who was at the side, had an extremely ugly expression.

He clenched his fists and looked at Qin Yu with a face full of anger.

"What kind of magic artifact do you have on You?" Ah San walked forward and shouted loudly.

Qin Yu glanced at him and said, "What kind of magic artifact?"

"Without a magic artifact, how can you be a match for that thing!" Ah San said coldly.

Qin Yu frowned and sneered, "AH SAN, I can understand if you are jealous, but I just saved your life. It's fine if you don't thank me, but you still hurled hurtful words at me. has your conscience been eaten by a dog?"

Ah San braced himself and said, "I didn't ask you to save him. You should have stayed by Miss Wan 'Er's side to protect him!"

"Idiot." Qin Yu couldn't help but curse.

This AH San was purely licking a dog, trying to rely on his so-called gentleness to capture Wan 'Er's heart.

Little did he know that the more he acted like this, the less likely it was for him to get Wan 'Er.

Because when a man grovels, he would lose all his charm.

"Miss Wan 'er, you follow behind me. I don't know when that thing will appear again," Qin Yu said in a deep voice.

Wan 'er hurriedly nodded. She followed beside Qin Yu, extremely docile.

"And you, don't F \* cking show off. If you die, no one will care about you," Qin Yu said with a dark face.

AH SAN snorted lightly, "Aren't you just relying on your magical artifact? It's nothing impressive."

Qin Yu was too lazy to explain to him. He just strode forward.

"Young Master Qin, what exactly is that thing? It looks so huge," wan 'er asked from behind.

Qin Yu was silent for a moment and said, "I don't know what exactly it is. In short, it looks extremely terrifying. Its entire body is dark green. It doesn't look like a creature from this world."

"Hehe, you really dare to say that just to show off," ah San behind him could not help but mock.

"That creature's entire body is covered in fog, so it's impossible to see clearly. How do you know that it looks terrifying?"

Qin Yu glanced at him and said, "I'm not as vain as you. The reason I can see it is because I have the desolate divine eye."

"Hehe, Miss Wan 'er, do you believe it? In any case, I don't believe it," Ah San snorted.

Wan 'er said softly, "I think Young Master Qin probably won't lie..."

AH SAN's expression changed slightly. He said unwillingly, "Miss Wan 'er, don't be deceived by him! He isn't a strong person at all. The reason why he can defeat that strange thing is because of the magic artifact on him!"

Qin Yu was a little impatient because of this AH San.

He stopped and turned to look at Ah San. He said, "If I didn't rely on the magic artifact, then you should shut your mouth, okay?"

Ah San sneered. "Okay, but if you rely on the magic artifact, then you must admit that you're a despicable person!"

"Okay, it's a deal." Qin Yu nodded.

He ignored ah San and Strode forward.

The purpose of this trip was to find the life force, not to prove himself.

Ah San stared coldly at Qin Yu's back and roared in his heart, "When we meet that thing later, I'll see how you can pretend!"

This place was extremely huge. The deeper they went, the more powerful the mysterious creature became.

Ah San was sure that they would meet more creatures in the future.

Qin Yu had the same thought, but he was more focused on searching for the Qi of life.

Qin Yu had seen the shape of the Qi of life before. It was a light green aura, which was in stark contrast to the white internal Qi around them.

With Qin Yu controlling the desolate divine eye, it was not difficult to find the Qi of life.

The three of them walked for a long time before a mysterious creature blocked their path.

That huge body was like a small mountain, making it difficult for them to breathe.

Seeing so for myself, who had seen the mysterious creature's abilities, his legs went weak and he felt fear in his heart.

"Qin Yu, didn't you say that you didn't use a Dharma artifact? Kill him!" Ah San immediately threw it at Qin Yu's head.

"AH SAN!" Wan 'er immediately frowned.

She grabbed Qin Yu and said softly, "Young Master Qin, don't try to be brave."

Qin Yu sneered, "I, Qin Yu, always keep my words."

After saying that, he raised his head and looked at this creature.

This place was already much deeper than before, so Qin Yu guessed that this creature was probably even more powerful than before.

Qin Yu did not waste any words. He directly opened the third level of the fighting word formula, and then took the initiative to attack!

He held divine power in his hand, and instantly arrived in front of this creature. His fist was directly aimed at his head!

*Chapter 1325: Chapter 1,325: Internal Qi*

Qin Yu's Iron Fist arrived in front of him in the blink of an eye!

But at this moment, the mysterious creature suddenly disappeared!

In just a short moment, it disappeared without a trace!

"Hahaha! Did you see that? I told you he was bragging!" Ah San shouted excitedly.

Qin Yu frowned slightly. He looked around vigilantly and was ready at any moment.

But at this moment, the huge figure suddenly appeared behind Ah San.

Ah San, who was laughing crazily, instantly felt a trace of fear.

He swallowed his saliva and felt a chill on his back.

"Run quickly!" Qin Yu shouted.

However, it was too late. The huge sharp blade directly pierced towards Ah San's chest and heart!

Qin Yu gritted his teeth. He used all his strength and quickly arrived in front of Ah San.

However, the speed of that thing was too fast. Even if Qin Yu tried his best, he could only push Ah San away a little.

That Claw still pierced into his chest. It was only half a centimeter away from his heart!

Fresh blood instantly gushed out.

"AH SAN!" Wan 'er immediately cried out in alarm, and she hurriedly ran towards Ah San.

But at this moment, Qin Yu pulled Wan 'er to the side, and then took this opportunity to smash his fist towards the creature's head.

A one-hit Kill!

This was the manifestation of Qin Yu's battle intent, and it was incomparably terrifying.

That huge figure slowly fell down.

Qin Yu frowned. He looked coldly at Ah San and said, "You are really an idiot."

Ah San kept spitting out blood from his mouth. He opened his mouth and said in a trembling voice, "You... you really didn't rely on a magic weapon... I admit defeat..."

"Idiot." Qin Yu immediately felt a little speechless.

At this moment, he was still thinking about this.

Qin Yu used the desolate God's eye to scan his body. Fortunately, his heart was not injured.

Normally, this injury would not be fatal.

But here, the spiritual energy in his body was completely suppressed. His recovery ability was similar to that of an ordinary person.

If he was not treated, he might really die here.

"What should I do... Ah San... you can't die..." Wan 'er grabbed Ah San's arm, tears streaming down her face.

Ah San opened his mouth and laughed, "Miss Wan 'er... seeing that you care so much about me... even if I die, it will be worth it..."

Qin Yu rubbed his head and couldn't help but sigh:

Licking a dog was really awesome.

"Alright, you won't die." Qin Yu walked in front of him, then pulled off his clothes and bandaged his wounds.

Apart from that, Qin Yu took out a pill from the spatial magic artifact.

This pill was refined by Qin Yu when he was on Earth. Although it couldn't heal his injuries, it could save his life.

Qin Yu handed the pill to AH SAN and said, "Swallow it."

"YOU MOTHERF \* cker... Don't want to harm me..." Ah San said in a trembling voice.

"Eat it or not." Qin Yu got up and was about to leave.

Wan 'er quickly took the pill and stuffed it into Ah San's mouth.

After the pill entered his stomach, Ah San's condition was clearly much better.

With Qin Yu's bandaging, he could be considered to have saved his life.

“How do you feel now?”Wan ‘er said as she supported AH SAN.

Ah San waved his hand and said somewhat weakly, “Much better than before...”

Wan ‘er heard this and hurriedly bowed to Qin Yu. “Young Master Qin, thank you for saving my life.”

Qin Yu snorted and didn’t say anything.

Just as he was about to continue moving forward, ah San said with a trembling voice, “Qin Yu, thank you for saving me twice. I owe you two lives.”

Qin Yu stopped in his tracks.

He glanced at AH SAN and snorted, “Your life is of no use to me. As long as you keep your mouth shut from now on, it will be fine.”

At this moment, ah San was truly convinced.

Qin Yu had used his fists to kill that terrifying creature and saved his life twice.

No matter how jealous he was, he felt inferior.

“Miss Wan ‘er, take good care of him and follow behind me,”Qin Yu said.

Wan ‘er nodded and said, “Thank you, Young Master Qin.”

Qin Yu did not say anything else and continued to move forward.

It had to be said that after AH SAN shut up, the surroundings became much quieter.

Qin Yu activated the desolate God’s eye and looked around vigilantly.

That mysterious creature could not be underestimated. Furthermore, no one knew how many were hidden here.

“Where did these things come from? It’s really strange,”Qin Yu muttered to himself.

Not only were they ugly, they also gave Qin Yu a very strange feeling.

That aura that was as calm as water did not seem like a living internal Qi.

Could it be that they were born from this internal Qi? Qin Yu thought to himself.

At this moment, the internal Qi was getting thicker and thicker.

Ah San, who was already injured, couldn't take it anymore.

The two of them panted heavily, as if they were going to die at any moment.

"I can't take it anymore, I can't take it anymore..." Wan 'er touched her chest, a hint of pain flashed across her pretty face.

Ah San also nodded and said, "I can't take it anymore either..."

Qin Yu frowned and said, "If you really can't take it anymore, just wait for me here."

"Waiting for you here... is also not safe. It's better to persevere," Ah San said.

Qin Yu nodded and immediately walked forward.

At this moment, under the desolate God's eye, Qin Yu saw a trace of green internal Qi.

*Chapter 1326: Chapter 1,326, obtaining the Qi of life again!*

Qin Yu's eyes immediately lit up!

Wasn't this jade-green aura the Qi of internal Qi of life?

"Found it." Qin Yu took a deep breath and said in a low voice.

"Found what?" Ah San hurriedly asked.

Qin Yu raised his finger and pointed not far away, saying, "The Qi of life is there."

"Why didn't we see it?" Ah San frowned.

"Didn't I say that I have the desolate God's Eye?" Qin Yu said unhappily.

Ah San coughed and continued to ask, "Then... how far is it?"

Qin Yu said in a low voice, "It's about ten stars away."

Ten stars away!

This number was an unreachable number for Wan 'er and Ah San.

Their bodies had already reached their limits.

If they were to travel another ten stars, they would definitely die!

Qin Yu also knew this problem. He turned around to look at the two of them and said, "Wait for me here. I'll be right back."

"Ah, what if that thing suddenly appears now?" Wan 'er exclaimed.

Qin Yu looked at Wan 'er coldly and said, "Then you can only blame your bad luck."

Such a cold tone immediately caused Wan 'er to be stunned.

Ah San, who was at the side, also frowned.

Qin Yu knew the doubts in their hearts, but to Qin Yu, nothing was more important than the Qi of life.

He was not the Holy Mother, so he had no obligation to take care of everyone.

"Leave it to fate, but I will do it as soon as possible," Qin Yu said.

"If you are still alive when I return, I will give you half of the life Qi."

Wan 'er opened her mouth as if she wanted to say something, but Qin Yu had already walked away.

His eyes were looking straight at the life Qi, and at the same time, he was also maintaining his vigilance, afraid that he would be ambushed by that mysterious creature.

Along the way, Qin Yu's speed was very fast, and the sound of the wind whistled past his ears.

However, this thick and heavy internal Qi did not retreat because of this.

Along the way, there were dangers but no dangers.

Qin Yu successfully arrived near the life qi.

There was not much life qi here, but there was also quite a lot. It was at least three times more than the flying spider from last time.

"Not bad." Qin Yu heaved a sigh of relief.

This was something that he yearned for in his heart, so Qin Yu's heart was not calm.

However, he did not waste any time. He immediately took out the container and began to collect the life energy.

During this process, Qin Yu's eyes were also looking around vigilantly, in case he was suddenly attacked.

After about half an hour, all the life energy was collected by Qin Yu into his bag, and there was a trace of sweat on Qin Yu's forehead.

"Phew, success." Qin Yu patted his chest.

His eyes looked into the depths again.

"Since there is life energy here, there must be more in the depths," Qin Yu thought to himself.

Unfortunately, the risk of doing so was too great. The creature in the depths could take Qin Yu's life at any time.

"If I go deeper, I'm afraid it won't be inferior to the demonic beasts in the depths of the Green Rock Forest." Qin Yu thought to himself.

The heavenly demon ape he encountered last time was still vivid in his mind.

After that punch, whether he could survive or not was a question. Once he was injured, it was very likely that he would be eaten up.

Qin Yu retracted his life force and then rushed back.

He used almost all his strength to increase his speed to the maximum, afraid that something would happen to Wan 'er and Ah San.

At this moment, ah San was accompanying Wan 'Er.

Wan 'Er's face was filled with an unconcealable disappointment.

Qin Yu's cold words seemed to have pierced her fragile heart.

"Miss Wan 'er, don't be too sad. We have only met Qin Yu by chance. He has no reason to protect us," AH San said in a rare human tone.

Wan 'er took a deep breath and said, "Yes, you're right."

Qin Yu was clearly so cold, but for some reason, wan 'er felt even more moved in the depths of her heart.

On the contrary, she did not feel anything for Ah San who was by her side.

Human Nature was cheap, and many people could not escape this law.

“Miss Wan ‘er, do you think Qin Yu left with his life force?” Ah San frowned and asked.

His words were not groundless. He was not wan ‘er, and he was not that simple.

“Impossible. Qin Yu is definitely not that kind of person!” Wan ‘er said firmly.

Ah San shook his head and said, “That may not be the case. The human heart is unpredictable. Back then, which member of the family did not respect you as a miss? But ever since you were poisoned by the Twilight Qi...”

He did not continue, but his intention was very obvious.

Wan ‘Er was also somewhat suspicious.

Her pale face was slightly sad.

After a while, wan ‘er shook her head and said, “Even if he took the life qi and left, we don’t have the right to blame him.”

“The life Qi was found by him. If he gave it to us, we should be grateful. If he didn’t give it to us, it would be reasonable.”

These words were heard by Qin Yu.

He took the life qi and slowly walked toward the two of them.

“Miss Wan ‘er, you are really a sensible girl,” Qin Yu said with a smile.

When they saw Qin Yu return, joy flashed across their faces.

“Young Master Qin!” Wan ‘er hurriedly stood up.

Ah San also asked anxiously, “How is it? Did you get the life qi?”

*Chapter 1327: Chapter 1327, do you know Ling Yun*

Qin Yu nodded and said, “I’ve got it.”

“Where is it? Take it out and take a look!” Ah San said anxiously.

Qin Yu glanced at him and said, “Let’s leave this place first. I have a bad feeling about this.”

Although this feeling wasn’t strong, Qin Yu was extremely sensitive to danger.

Wan 'er also nodded and said, "Yes, Young Master Qin is right. This place is filled with danger. It's better to leave quickly."

Thus, the group of three got up and prepared to leave this mountain range.

The surrounding fog became increasingly dense. That heavy feeling also made people's chests feel extremely uncomfortable.

Fortunately, there was no danger along the way. The three of them walked out of the fog safely.

The moment they walked out, a dense group of figures appeared in the fog.

Their bodies were emitting a jade-green light as they looked coldly at Qin Yu and the others.

...

"Phew, we finally left that damned place." Ah San panted as he tried his best to feel the spirit energy in his body.

After the spirit energy recovered, ah San's injuries also gradually began to recover.

Qin Yu and Wan 'er were even more excited. This vital energy was extremely important to the two of them. They had been impatient for a long time.

Then, the three of them walked down the mountain and returned to Yang City.

The Chen family.

Chen Cang's face was gloomy.

He raised his head from time to time and looked up. There seemed to be some worry in his heart.

At this moment, Qin Yu, Wan 'er, and the others pushed open the door and entered.

Looking at the three people who had returned, Chen Cang hurriedly stood up.

He sized up the wound on Qin Yu's body and frowned. "Did you see that thing?"

Qin Yu acknowledged and said, "Yes, I saw it."

"Not only did I see it, Young Master Qin also beheaded a lot of people," wan 'er said softly from the side.

Chen Cang's eyes were immediately filled with shock, as if he did not dare to believe Wan 'ER's words.

Qin Yu didn't want to explain too much. He smiled and said, "Old Mister Chen, thank you very much."

Wan 'er and AH San took off their armor and returned it to Chen Cang.

"Old Mister Chen, I'm really sorry for damaging your armor."Wan 'er bowed and said.

After saying that, she took out a card and handed it to Chen Cang.

"There is some money in here. Take it as compensation for you,"Wan 'er said.

Chen Cang waved his hand and said, "As long as you can come back, it's good. One or two pieces of armor is nothing."

Qin Yu could also see that Chen Cang was a good person.

He even treated strangers like this, let alone people who were close to him.

Then, they exchanged a few pleasantries with Chen Cang and returned to the room.

Wan 'er and Ah San couldn't wait any longer. They looked at Qin Yu eagerly, waiting for the life Qi in Qin Yu's hand.

Qin Yu didn't waste any time. He took it out from the spatial magic artifact.

"The life qi is in here?"Wan 'er asked in surprise.

Qin Yu nodded and said, "Look for a container. I'll give you half."

Wan 'er immediately bowed and said, "Thank you, Young Master Qin."

She had already made preparations and immediately took out the container.

Qin Yu didn't waste any more words. He opened the container in his hand and wisps of jade-green life Qi slowly flowed out.

Qin Yu gave half of the life Qi in his hand to Wan 'Er. To Wan 'er, this was a great favor.

"Young Master Qin, I will never forget your great kindness,"Wan 'er said with some excitement.

Qin Yu waved his hand and said, "There's no need to say such words. Hurry up and heal your body."

Wan 'ER's symptoms were much more serious than Qin Yu's. However, the life force she needed was not as huge as Qin Yu's.

After receiving the life force, wan 'er did not leave Qin Yu's room. Instead, she immediately sat down cross-legged and began to absorb the life force.

Qin Yu looked at Wan 'er with some curiosity. He also wanted to know what level Wan 'Er was at to be praised by Ah San so much.

Wan 'er held the life Qi in her hand and muttered softly, "After enduring for so long, I can finally recover my spiritual power..."

She did not say anything more and began to absorb the life qi.

This was not a very long process, so Qin Yu simply stood at the side, intending to witness this scene with his own eyes.

Wan 'er was the first person Qin Yu had met who had absorbed the Twilight Qi, so Qin Yu was also filled with curiosity.

As traces of life Qi entered, Wan 'ER's originally pale face began to slowly become rosy.

There were traces of spiritual Qi circulating in her body.

Qin Yu stood at the side, watching with his blood boiling, incomparably excited.

"This life qi is really useful!" Qin Yu clenched his fists.

However, he couldn't figure out why his spiritual power hadn't recovered even though he had also absorbed the life Qi!

"Great, Great!" Ah San was even more excited and shouted.

The spiritual power was slowly recovering in Wan 'Er's internal Qi, and a powerful aura surged out of her body.

Qin Yu could even feel the powerful pressure from her body!

This pressure wasn't any weaker than Ling Yun's!

This wan 'er... is really not weak, Qin Yu thought to himself.

A few minutes later, wan 'er slowly opened her eyes.

The person in front of her clearly hadn't changed much, but it felt like she was a different person.

"This internal Qi... is really not weak," Qin Yu said in a low voice.

Although Qin Yu couldn't sense her realm, the pressure was clearly visible.

"Miss Wan 'er, how do you feel now?" Ah San asked hurriedly.

Wan 'er nodded slightly and said with a smile, "My body has recovered."

"Completely recovered?" Qin Yu also asked.

Wan 'er repeatedly nodded and said, "That's right, Young Master Qin. Thank you for your help. I will always remember this favor."

However, Qin Yu frowned tightly.

He couldn't figure out why he couldn't be like Wan 'er and quickly recover his strength?

"Young Master Qin?" Wan 'er seemed to have noticed Qin Yu's strange behavior.

Qin Yu waved his hand and said, "It's fine. Miss Wan 'Er's strength is really not ordinary. You should be at the mighty realm, right?"

"Miss Wan 'er is in the mid-stage of the Mighty Realm!" Ah San said proudly.

Qin Yu was even more surprised.

This Wan 'er was not old, but she had already stepped into the mid-stage of the mighty realm?

One had to know that the current Qin Yu only had a nascent soul.

"AH SAN!" Wan 'er was slightly displeased and scolded.

"Miss Wan 'er, when we go back, we will definitely teach those who bullied you a lesson!" Ah San said excitedly.

Although Wan 'Er didn't say much, she was obviously looking forward to it.

"Miss Wan 'er, do you know Ling Yun?" Qin Yu suddenly asked.

*Chapter 1328: Chapter 1328, devouring life force*

Wan 'er was a little surprised when she heard Ling Yun's name.

“Ling Yun from the Tianyun Sect?” Wan ‘er tried to ask.

Qin Yu nodded. “Yes, that’s him.”

“I know him, but I’m not too familiar with him,” wan ‘er said.

Ah San snorted coldly. “Ling Yun is nothing! If it wasn’t for my miss’health problems back then, she wouldn’t be the number one genius in South Province!”

“Ah San, don’t spout nonsense!” Wan ‘er reprimanded.

Qin Yu didn’t say anything, but he felt that what ah San said made sense.

Ling Yun’s realm was only at the early-stage of the Almighty Realm. Even though his strength wasn’t weaker than the middle-stage of the Almighty Realm, it was only limited to the middle-stage of the ordinary almighty realm.

If they were both Heaven’s favorites, then Ling Yun wasn’t even worth mentioning.

“Does young Master Qin Know Ling Yun?” Wan ‘er asked.

Qin Yu was silent for a moment. In the end, he felt that it was best not to tell her.

After all, the Heavenly Cloud sect was powerful. It wasn’t something that ordinary people could afford to provoke.

“Miss Wan ‘er, let’s hurry back!” Ah San said anxiously.

“No Rush. I also want to witness Young Master Qin’s realm,” Wan ‘er said with a smile.

Qin Yu sighed and said with a wry smile, “Then I’m afraid I’ll have to disappoint you.”

“Oh? Why?” Wan ‘er asked with slight surprise.

Qin Yu waved his hand, not knowing how to explain.

He picked up the life qi and sat on the bed.

Wan ‘er and AH San stood quietly at the side.

“This Qin Yu is so terrifying even without spiritual power. If he recovers, he’ll probably be an expert of a region,” AH SAN said softly.

Wan ‘er nodded slightly and said, “That’s right. Speaking of which, I’m looking forward to it.”

Then, they didn't say anything more and looked at Qin Yu quietly.

Qin Yu also began to absorb the life Qi in the jar.

Traces of life qi flowed into his pores.

The dark green internal Qi flowed through his meridians and throughout his body.

Qin Yu closed his eyes slightly, wanting to feel the changes in his body.

However, with the loss of life qi, there was still no trace of spirit energy in Qin Yu's body.

"How could this be..." Qin Yu suddenly opened his eyes, and a trace of despair appeared on his face.

This was already the second time he had swallowed life qi. What made Qin Yu Sad was that his spirit energy still hadn't returned.

"Young Master Qin, How Do You Feel?" Wan 'er hurriedly walked forward and asked.  
"..."

"Strange, he still doesn't seem to have any fluctuations of spirit energy..." Ah San, who was at the side, said in astonishment.

Qin Yu slowly stood up from the bed.

His expression was extremely unsightly, and his entire person was incomparably gloomy.

"Young Master Qin, what... What Happened?" Wan 'er asked in a low voice.

Qin Yu took a deep breath.

He forcefully endured the pain in his heart and sighed. "There is still not the slightest bit of spirit energy in my body, and I can't feel any changes in my body."

"AH? How could this be?" Wan 'er covered her mouth and said in surprise.

Ah San, who was at the side, whispered, "You can't be poisoned by the Twilight Qi, right? But you can't cultivate? As far as I know, there are many people in the holy region who have a physique that surpasses that of demon beasts, but they can't cultivate."

"Ah San, don't talk nonsense," Wan 'er scolded.

Qin Yu was silent for a moment, then shook his head and said, "I don't know either. In fact, before this, I've already swallowed the life Qi once, and there's no spiritual energy in my body either."

"How could this be..." Wan 'er frowned.

She had never heard of such a situation since she was young in the Holy Region.

Qin Yu sighed, and a trace of pain flashed in his eyes.

He had worked so hard for so long, and in the end, this was the result.

Could it be that elder Bai was telling the truth and that he really couldn't cultivate anymore.

"Young Master Qin, the white hair on your head seems to have decreased by a lot."

At this moment, wan 'er suddenly said.

Hearing this, Qin Yu's eyes lit up.

He hurriedly ran to the mirror and examined it carefully.

As expected, the white hair on his head was much less!

"This seems to be of no use," AH SAN whispered from the side.

Wan 'er said somewhat reproachfully, "Ah San, what nonsense are you talking about? This at least shows that the life qi is useful to young master qin. The spiritual power has not been restored. It is very likely that the life qi is not enough to restore the spiritual power."

Qin Yu sighed and said, "I hope so."

As he spoke, Qin Yu found another abnormality.

The faintly discernible cross between his brows was actually slowly changing!

Qin Yu stared at the space between his brows, his face full of disbelief!

The shape of the cross actually slowly turned into a "Nine"!

"This... what is this situation?" Qin Yu rubbed his forehead hard, but he found that he did not feel anything.

"Young Master Qin, What's Wrong?" Wan 'er asked.

Qin Yu didn't have the mood to pay attention to Wan 'er. He stared at the space between his eyebrows, countless thoughts flashing through his mind.

"Nine... In other words, the cross that I thought was actually the number ten?" Qin Yu said in surprise.

This number appeared when he swallowed the life Qi for the first time. Now, when he swallowed it for the second time, it had changed from ten to nine.

"I understand." Qin Yu took a deep breath, and a hint of excitement flashed in his eyes.

In other words, he had to devour life Qi for eleven times before the spot between his brows would disappear.

At that time, the spiritual power that had disappeared would definitely follow!

"I understand, I understand!" Qin Yu was instantly extremely excited!

Although his spiritual power had not recovered yet, this at least gave Qin Yu a glimmer of hope.

"In other words, I still need to devour the Qi of life nine more times," Qin Yu muttered in a low voice.

Thinking of this, Qin Yu hurriedly looked at Wan 'er and cupped his hands. "Miss Wan 'er, if you know where the Qi of life is, please tell me!"

Wan 'er thought for a moment and said, "Now that my spiritual power has recovered, I think I will be valued by the family. When the time comes, I will think of a way to get someone to inquire about it."

Qin Yu nodded and said, "Thank you, Miss Wan 'Er."

"Young Master Qin, you are too kind. If it weren't for you, I would never have recovered," Wan 'er said with a smile.

Qin Yu didn't say much. No matter what method he used, he had to gather as much life qi as possible.

There might still be some in the mountain range, but Qin Yu didn't want to take a second risk.

In the mountain range, Qin Yu clearly felt a trace of fear. This was definitely not a good omen.

"HMM?"

At this moment, Qin Yu suddenly thought of something.

After swallowing the life force last time, a certain part of his chest had turned dark gold, and that piece of flesh had also become stronger.

Now that it was the second time he had swallowed it, his physical body should have also changed!

Thinking of this, Qin Yu did not care about Wan 'er and the others. He immediately tore off his clothes and took off all his clothes.

*Chapter 1329: Chapter 1,329, Light Gold, right fist!*

Qin Yu's sudden strange action immediately made Wan 'Er Blush and she hurriedly covered her eyes.

The third shouted, "Qin Yu, what are you doing!"

Qin Yu couldn't care less about these two people. He carefully observed the changes in his body and turned around in front of the mirror.

But what puzzled Qin Yu was that there was no change in his body at all this time.

"How could this be?" Qin Yu frowned and asked.

He stood there and pondered for a long time before he suddenly thought of something!

"The last time, it was because of the injury on my chest that my new skin and flesh changed. Could it be that... I have to have a new body?" Qin Yu thought to himself.

Thinking of this, Qin Yu looked at his own fist.

"It must be like this," Qin Yu said coldly.

A trace of fierceness flashed in his eyes. Then, he clenched his left fist, and a monstrous divine power surged out.

In the next second, Qin Yu's left fist fiercely smashed onto his right fist!

This punch was extremely powerful. Even Qin Yu's own physical body could not withstand it.

At the instant of the collision, his right fist instantly shattered, and even his bones cracked!

Looking at the bloody right fist, Wan 'er and AH San were stunned.

“Qin Yu, don’t think too hard. There are still plenty of opportunities!” Ah San said in surprise.

Wan ‘Er didn’t care about being shy. She hurriedly walked forward and said, “Young Master Qin, what... What are you doing?”

However, a smile appeared on Qin Yu’s face.

He lay on the bed and said with a smile, “This should be fine...”

To Qin Yu, the most important thing was his fist.

Therefore, he had to ensure that his right hand would be the first to change!

In this way, Qin Yu was not afraid of Ling Yun at all!

Qin Yu lay limply on the bed. He ignored the pain coming from his palm.

On the other hand, Wan ‘Er was in a hurry to bandage Qin Yu’s wound. Ah San went out to find a pharmacist to treat Qin Yu.

After a period of busyness, Qin Yu’s right hand was bandaged. The pharmacist gave Qin Yu a few more doses of medicine.

“Sir, how long will it take for my hand to recover?” Qin Yu asked.

The pharmacist said, “Five or six days.”

“So Slow.” Qin Yu frowned slightly.

“You don’t have any spirit energy in your body. This is already considered very fast. Don’t be insatiable,” the pharmacist said with some disdain.

Qin Yu wasn’t angry. Instead, he laid on the bed and laughed.

For the next few days, Wan ‘er spent every day in Qin Yu’s room. It could be said that she took good care of him.

This made Ah San, who was already jealous, even more unhappy.

...

On the other side.

Ling Yun had already arrived at Yang City on an extremely powerful flying beast.

His expression was still extremely cold as he looked down on the entire city.

“Is there a need for such a city to exist?”Ling Yun asked coldly.

As someone who loved slaughtering cities, he seemed to have a natural pleasure in killing people.

The attendant beside him also saw through Ling Yun’s intentions and hurriedly said, “Young Master Ling, this is the border with the western ridge. There must be someone guarding this place. This city has a need to exist.”

Ling Yun glanced at him and snorted lightly.

“Are you sure that Qin Yu is here?”Ling Yun asked.

“I don’t know either. He said it himself,”the attendant said softly.

“If he, Qin Yu, isn’t here, I will kill everyone in Yang City!”Ling Yun said with a vicious expression.

The two of them descended in Yang City very quickly.

Ling Yun’s entourage was responsible for gathering information about Qin Yu while Ling Yun watched the people walking around Yang City coldly.

“Too slow, this is too slow.”Ling Yun frowned slightly and quickly lost his patience.

He grabbed his entourage and said coldly, “Pass down the message. Tell Qin Yu to come and see me. If he doesn’t come, I’ll kill him.”

The attendant opened his mouth and wanted to say something, but in the end, he only nodded.

The news was spread very quickly.

Not long after, Qin Yu, who was staying at the Chen family home, heard the news.

A San rushed in anxiously. He said with a flustered expression, “Qin Yu, what’s going on? Why is Ling Yun looking for You?”

Qin Yu frowned slightly. He sat up from the bed and said in a low voice, “He came quite quickly.”

“What do you mean?”Ah San asked.

Qin Yu snorted coldly. “I asked him to come.”

“Young Master Qin, is there any enmity between you and Ling Yun?” Wan ‘er asked in surprise.

Qin Yu said with a sullen face, “An irreconcilable enmity. I must kill him.”

Wan ‘er immediately turned pale with fright. She said in a low voice, “Young Master Qin, that Ling Yun is the Heavenly Cloud Sect’s Babe. Rumor has it that he is the first elder’s closed-door disciple. How... How did you offend him?”

“Because he deserves to die,” Qin Yu said coldly.

He tried to move his fist and realized that the injuries on his fist had not fully recovered.

Qin Yu snorted lightly and directly tore off the gauze.

At this moment, Qin Yu’s right fist had already grown new flesh and skin.

These new flesh and skin were flickering with a faint golden radiance.

“It’s just as I thought.” Qin Yu could not help but laugh coldly.

This new flesh was far more powerful than his original body, and it was even more terrifying!

Therefore, Qin Yu wasn’t afraid of Ling Yun at all.

“Young Master Qin, what are you doing!” Wan ‘er said anxiously.

“Your injuries haven’t recovered yet. How can you fight with Ling Yun?”

Qin Yu was silent for a moment before saying in a low voice, “Then, I can’t let others die because of me.”

Wan ‘er thought for a moment before saying, “How about this? I have met Ling Yun once before, so he might be able to give me some face.”

“Miss Wan ‘er, absolutely not. Rumor has it that Ling Yun has a vicious nature and is vicious in his actions. You must not come into contact with him!” Ah San said anxiously.

Wan ‘er smiled. “It’s alright. If he really wants to fight with me, I might not be afraid of him.”

Then, Wan ‘er looked at Qin Yu and said, “Young Master Qin, you recuperate first. Leave the rest to me.”

She turned around and walked out of the room. Ah San wanted to stop her, but he was stopped by Wan 'Er's light palm.

Qin Yu wasn't too worried. With Wan 'Er's strength, Ling Yun might not be her match.

At a tea house in Yang City.

Ling Yun was sitting there sipping tea while waiting for Qin Yu.

Very soon, wan 'er appeared in the teahouse.

She was wearing a muslin outfit and had a smile on her face. She slowly walked over to Ling Yun and sat down.

A cold expression flashed across Ling Yun's face when he saw Wan 'Er.

"I don't know if Young Master Ling still remembers me,"wan 'er said politely.

Ling Yun looked Wan 'er up and down and narrowed his eyes. "You Are... Zhao Wan 'er?"

"Thank you for remembering me, Young Master Ling,"Wan 'ER said with a faint smile.

Hearing this, Ling Yun couldn't help but sneer. "I remember that you were poisoned by the Twilight Qi and your spiritual energy disappeared, right?"

*Chapter 1330: Chapter 1,330, give me some face*

Wan 'Er didn't hide anything. She smiled and nodded. "Young Master Ling is right."

"A cripple,"Ling Yun snorted coldly.

Wan 'Er wasn't angry. She only smiled and said, "I heard that Young Master Ling came to Yangcheng this time to look for someone?"

Hearing this, Ling Yun's expression instantly became a little cold.

A wave of murderous intent rushed towards Wan 'Er.

"What, are you here to plead for Qin Yu?"Ling Yun asked coldly.

Wan 'er smiled and said, "Young Master Ling, you must be joking. I don't have the qualifications."

"It's good that you know,"Ling Yun said coldly.

However, wan 'er suddenly changed the topic and said, "I just hope that Young Master Ling doesn't kill the innocent. I think that Qin Yu will definitely come to see you. Furthermore, it won't be long."

Ling Yun's expression became even gloomier.

He didn't reply. Instead, he stood up and said, "You know where Qin Yu is, right?"

"That's right." Wan 'Er didn't hide anything.

Ling Yun said coldly, "Then, I'll take me to see him. Otherwise, I'll kill you right now."

"Young Master Ling, I'm really sorry. I Can't take you to see him for the time being." Wan 'er shook her head.

"I think you're looking for death!" Domain suddenly stretched out his hand, ready to grab Wan 'er's snow-white neck.

However, at this moment, wan 'er lightly raised her hand and sent a palm strike towards Ling Yun.

Boom

A short explosion sounded. Both sides were simply testing each other.

However, under this palm strike, Ling Yun only felt waves of pain on his wrist.

Even Ling Yun felt a trace of danger from that powerful force.

His entourage also rushed to Ling Yun's side.

"No wonder you dared to come in front of me and shout," Ling Yun said coldly.

"It seems like your strength has recovered."

Wan 'Er didn't say anything but smiled.

Ling Yun frowned as his mind raced.

"Then, when can I see Qin Yu?" Ling Yun asked coldly.

Wan 'er was delighted, but she remained calm on the surface.

She made a simple calculation and said, "Three to five days."

"Three days at most," Ling Yun said coldly.

“If I don’t see Qin Yu in three days, I won’t give face to anyone.”

Wan ‘er was silent for a moment. She knew that this was Ling Yun’s bottom line. There was no point in arguing anymore.

Thus, she nodded and said, “Alright, three days then. Thank you, Young Master Ling.”

Then, Wan ‘er stood up and walked out of the teahouse.

Ling Yun’s gaze never left Wan ‘Er.

The killing intent in his eyes was like the cold winter of the twelfth lunar month.

After Wan ‘er walked far away, the attendant beside Ling Yun frowned and asked, “Young Master Ling, why are you giving her this face?”

Ling Yun snorted coldly and said, “I’m not afraid of her. I’m just worried that if we fight, both sides will be injured. At that time, I’m afraid that if we meet Qin Yu again, we will be doomed.”

The follower said in a deep voice, “Leave Wan ‘Er to me.”

Ling Yun glanced at him and said coldly, “You may not be her match.”

Hearing that, the follower couldn’t help but be shocked.

Zhao Wan ‘Er wasn’t much older than Ling Yun, yet she had such strength?

One had to know that this attendant was in the intermediate stage of the Almighty Realm!

“This Zhao family... I’ll remember it. When the matter is done, I’ll definitely bring people to flatten the Zhao family!” Ling Yun punched the table fiercely.

...

Chen family.

Chen Cang had also heard about this matter.

He sat in front of Qin Yu and said with a dark expression, “Qin Yu, it’s not that I don’t want to help you. It’s just that my Chen family can’t afford to offend the Tianyun sect. I can’t afford to lose so many people just because of you.”

Qin Yu smiled bitterly. “Old Mister Chen, I understand. Don’t worry, I will leave immediately.”

Chen Cang grunted in gratitude. He didn't say anything else and waved his hand, indicating for Qin Yu to leave as soon as possible.

At this moment, Wan 'er walked in from outside the door.

Seeing Wan 'er return, ah San hurriedly walked over.

"Miss Wan 'er, you're finally back. Ling Yun didn't make things difficult for you, right?" Ah San said worriedly.

Wan 'er shook her head. "No, it's already settled. He promised to give us three days."

Qin Yu looked at Wan 'er and said in a deep voice, "I'm afraid it didn't go as smoothly as you said."

Wan 'Er didn't say anything, but her meaning was very obvious.

Qin Yu couldn't help but sigh in his heart.

Although this matter had been discussed temporarily, Qin Yu knew clearly that Wan 'er had probably offended Ling Yun.

With Ling Yun's character, he would definitely not let Wan 'er off. He was afraid that he would settle the score later.

"Since that's the case, we definitely can't let Ling Yun leave Alive!" Qin Yu said coldly.

As long as Ling Yun died, this matter had nothing to do with Wan 'Er.

"Young Master Qin, what did you say?" Wan 'er asked doubtfully.

Qin Yu shook his head and said, "Miss Wan 'er, thank you so much. I will remember this favor."

"Young Master Qin, you are too polite. If it wasn't for you, I wouldn't have been able to recover my spiritual energy," Wan 'er said.

Although that was the case, Qin Yu knew in his heart that Wan 'Er didn't owe him a favor.

The two of them were partners in the first place. Since they were working together, they naturally had to split it equally. It had nothing to do with whether they owed him a favor or not.

"Let's go," Qin Yu stood up and said.

The group left the Chen family. Before they left, Chen Cang Handed Qin Yu a map and asked Qin Yu to bring it to sister Lin.

According to Chen Cang, this map was a map of the western ridge. If it was put up for auction, it would definitely fetch a good price.

The three of them found a hotel and stayed there temporarily.

“Young Master Qin, will three days be enough?”Wan ‘er asked.

Qin Yu looked at his palm and said, “I don’t know either.”

At this moment, his palm was once again wrapped in gauze. In order to recover as soon as possible, Qin Yu used a lot of herbs.

“Qin Yu, you don’t even have any spiritual energy in your body. Are you a match for Ling Yun?”Ah San couldn’t help but ask.

Qin Yu sneered. “I fought with him once. This time, I will definitely kill him!”

This New Right Fist possessed unimaginable power.

As long as his injuries recovered, Qin Yu was full of confidence.

“Young Master Qin, do you need my help?”Wan ‘er asked.

Qin Yu hurriedly waved his hand and said, “No need. You have already helped me a lot.”

“Sigh, I originally planned to ask for five days, but unfortunately I was rejected.”Wan ‘er sighed slightly.

Qin Yu cupped his hands and said, “Three days is enough. Thank you, Miss Wan ‘Er.”

“Then I Won’t disturb your rest. If you need anything, just call me,”Wan ‘er said.

After saying this, she and Ah San walked out of the room.
