

My Rich Wife - Chapter 1331 - 1340

Chapter 1331: Chapter 1,331, the terrifying right fist

After the two of them left, ah San could not help but ask, “Miss Wan ‘er, have you ever thought that we would offend Ling Yun and even the Tianyun Sect?”

“With our Zhao family’s ability, we are definitely not a match for the Tianyun sect. Is it worth it to do this for Qin Yu?”

Wan ‘er smiled and said, “This matter has nothing to do with the family. If the Tianyun sect really wants to settle the score, I will look for them to clarify it.”

“What About You?” Ah San hurriedly asked, “Don’t tell me you want to sacrifice your life for that Qin Yu?”

Wan ‘er shook her head and said, “I have already thought it through. I want to leave the Zhao family, go to the western ridge, or the Thunder Academy.”

“These few years have allowed me to see clearly the members of the Zhao family. I don’t want to stay there for a long time.”

To Wan ‘er, the Zhao family had become a sad place.

The place where she was born had brought her endless rolling eyes.

This was the holy region, a place that only respected strength.

“Miss Wan ‘er, you... you really want to leave the Zhao Family?” Ah San said in a trembling voice, his eyes somewhat sad.

Wan ‘er hummed in gratitude and said, “I’ve already thought about it. Before I recover my spiritual power, I’ve thought about it countless times.”

“What About Me?” Ah San’s face was full of pain.

Wan ‘er smiled and said, “You should continue to stay in the Zhao family.”

“I... I want to stay by your side...” Ah San looked even sadder.

Wan ‘er shook her head and said, “Silly, you should know that it’s impossible between us. I’ve always treated you as a friend, a very good friend.”

Ah San was even more disappointed. He stood there at a loss.

He wanted to follow Wan ‘er, even if he knew that there would be no result.

With Wan 'ER's talent, it would not be a problem for her to join any sect, including the famous Thunder Academy.

However, ah San could not. He did not have the qualifications.

...

In the room, Qin Yu was closing his eyes slightly.

In his hand was the spirit refining clothes.

This was a magic tool that could protect the primordial spirit. Rumor has it that it could protect a full-strength attack.

Qin Yu's physical body could be said to be unparalleled. Almost no one in the mighty realm could break through his defense.

However, the primordial spirit couldn't. If someone used the primordial spirit spell, then Qin Yu would definitely die.

"The soul-refining clothes... I'm counting on you," Qin Yu said to himself.

He planned to use these three days to refine the soul-refining clothes to prevent Ling Yun from using the primordial spirit spell.

Qin Yu closed his eyes slightly. Threads of light floated out from between his brows and slowly condensed into Qin Yu's appearance.

At this moment, a small golden figure was Qin Yu's primordial spirit. At this moment, it was flickering with a faint light in the darkness.

The small golden figure slowly walked towards the spirit refinement clothes. He landed on the spirit refinement clothes and began to fuse with the spirit refinement clothes.

The spirit refinement clothes' devouring was extremely simple. To put it bluntly, it was to put a layer of armor on the primordial spirit.

This layer of armor was attached to the primordial spirit and could protect one's life at a critical level.

The soul refining robe slowly fused with the primordial spirit before finally sticking to the primordial spirit.

At this moment, the news of Qin Yu and Ling Yun's battle had already spread nearby.

Many people from Yang City and the vicinity of Yang City had rushed over to watch the battle.

“Young Master Ling, many people want to witness the battle between the two of you,” the attendant said in a deep voice.

“Battle?” Ling Yun couldn’t help but sneer. “Can it be considered a battle between him and me? I’m here to kill him, that’s all.”

The attendant hurriedly bowed and said, “I’m sorry, I said something wrong.”

Ling Yun didn’t say anything else. He stood on top of the tall building with his hands behind his back, silently gazing at Yang City.

His residence was on the side of the river.

Standing in front of the window, he could see the western ridge on the opposite side.

“The western ridge... an entire Lizhou is actually divided into five sections,” Ling Yun said in a low voice as he narrowed his eyes.

The attendant bowed and said, “Speaking of which, it’s all because of this great river in front of us. If it wasn’t for this great river, sect master would definitely have been able to enter the western ridge back then and bring the western ridge into our territory.”

“Oh?” Ling Yun raised his eyebrows.

He recalled his master’s words.

First Elder said that Qin Yu had no way of escaping to the western ridge because of the river in front of him.

“What is the origin of this river?” Ling Yun asked.

The attendant bowed and said, “I’m not sure either. In short, sect master used many methods back then but was unable to cross this river.”

“Regardless of whether it’s humans, birds, or beasts, none of them were able to fly above this river. Furthermore, the cost of using a teleportation formation was too high. In the end, they could only give up.”

Ling Yun snorted coldly. “When I become the sect leader, I will definitely flatten the western ridge and turn the entire Li Zhou into My Tianyun sect’s territory!”

The attendant didn’t say anything, but there was a hint of ridicule in his heart.

Who was the sect leader of Tianyun sect? Something that even he couldn't do, let alone Ling Yun.

...

Time flew by. In the blink of an eye, two days had passed.

And Qin Yu had finally succeeded in swallowing the spirit-refining clothes.

The wisps of primordial spirit returned to his original body.

Qin Yu slowly opened his eyes and said in a low voice, "This spirit-refining clothes... I don't feel anything."

He originally thought that the spirit-refining clothes would make Qin Yu feel a little uncomfortable, but now, he didn't feel the slightest bit of fighting.

"That's good too," Qin Yu stood up and said.

"In that case, I have nothing to worry about."

If Ling Yun didn't use the disk vision, even Qin Yu's defense wouldn't be able to break through.

Another Day passed.

The day of the battle with Ling Yun was already near.

That night, Wan 'er and Ah San came to Qin Yu's room.

"Young Master Qin, the injury on your hand..." Wan 'er asked tentatively.

Qin Yu pulled off the gauze on his hand. A faint dark golden glow could be seen flickering on his hand.

Although there were still some injuries, the effect was not great.

"There's no problem." Qin Yu lightly clenched his fist and said coldly.

"That's good." Wan 'er smiled.

Ah San muttered, "Qin Yu, I've never been able to figure it out. Why did you break your right hand?"

Qin Yu glanced at him and said with a smile, "Look at these two hands. Are there any changes?"

Ah San looked at them carefully and said, "The color seems to have changed a little, but... What's the use?"

Qin Yu thought for a moment and said, "I can't explain it to you. You just need to know that this fist is several times stronger than before."

"Hehe, Qin Yu, it's not that I don't believe it. It's just that this is too ridiculous." Ah San waved his hand and said.

"You can become stronger by breaking your own hand? I've never heard of such a cultivation method."

Qin Yu raised his eyebrows and said half-jokingly and half-seriously, "Do you want to try?"

Ah San also rubbed his fist and said, "I really have the intention."

Chapter 1332: Chapter 1,332, battle with Ling Yun

"AH SAN, don't mess around!" Wan 'er hurriedly reprimanded.

Qin Yu waved his hand and said, "It doesn't matter. I just want to try my right hand. If even ah San can't defeat him, then I don't need to battle Ling Yun."

Wan 'er seemed to feel that this sentence was quite reasonable and retreated to the side.

Ah San, on the other hand, felt humiliated.

He glared at Qin Yu and said, "Don't look down on me. When I was in that mountain range, my spiritual power was only suppressed. It's different now!"

After saying that, ah San began to use his spiritual power.

All the power was gathered on his fist.

"You don't have spiritual power. I don't believe how strong you are!" Ah San roared angrily and then clenched his fist and charged at Qin Yu!

Qin Yu didn't neglect him. He clenched his right fist, and a pale golden light flickered.

Under the Rays of Light, Qin Yu raised his hand to meet AH SAN!

"Boom!"

This was a huge collision! The air was exploding!

Wan 'er hurriedly made a move to protect the inn, in case the two of them fought and the inn was shattered.

After a loud sound, ah San staggered backward, and half of his fist was directly cracked!

The blood flowed down his fist, and it looked terrible.

"How are you? Are You Okay?" Qin Yu quickly walked over and asked.

Ah San didn't care about his injuries. He stared at Qin Yu's fist and said in surprise, "How... How is this possible? There is no spiritual power in your body?"

Qin Yu nodded and said, "No."

"This... is too ridiculous!" Ah San's eyes were wide open. He obviously couldn't believe it.

Qin Yu couldn't help but sigh in his heart.

He had only used 20% of his strength in that punch just now. If he had used his full strength, ah San would have died on the spot.

Of course, Qin Yu didn't tell him. Otherwise, he would have definitely gone crazy.

"I really don't know what kind of scene it will be after the spiritual power recovers," Qin Yu sighed.

He looked at his fist, which was flashing with a faint radiance.

This was without the support of spiritual energy. It was just that he had recovered his physical body.

Tomorrow... I have to kill Ling Yun immediately, Qin Yu thought to himself coldly.

With Ling Yun's abilities, he would definitely notice Qin Yu's abnormality.

Once he escaped, Qin Yu wouldn't be able to do anything to him.

"Ling Yun, don't worry. I'll kill you at the First Opportunity Tomorrow," Qin Yu thought to himself.

Ah San was still in shock. He wanted to ask something, but he was dragged out by Wan 'Er.

"Young Master Qin, rest well." Wan 'er hurriedly left after saying this.

She was slightly worried.

From the fist exchange between Qin Yu and Ah San, even though Qin Yu was stronger than Ah San, he wasn't much stronger.

With such strength, he wasn't a match for Ling Yun.

"Sigh." Wan 'er sighed in her heart.

She could only pray in secret that Qin Yu would be able to defeat Ling Yun.

...

The next day.

Qin Yu got up early and prepared to look for Ling Yun.

Everyone already knew where Ling Yun was. The inn he stayed at was even more deserted.

It was because of his arrival that everyone was terrified.

Of course, there were also people who hid in the dark to watch the battle.

"Today is the appointed day," Ling Yun said coldly as he stood in front of the window.

"If he still doesn't come, don't blame me for starting a massacre!"

A hint of viciousness flashed across Ling Yun's eyes. His young face was filled with a viciousness that didn't match his age.

On the other side, Qin Yu, Wan 'er, and the others were also rushing over.

Along the way, Ah San was chattering non-stop while Wan 'er was full of worries.

Seeing that they were getting closer and closer, Wan 'er finally couldn't help but speak.

"Young Master Qin, are you confident?" Wan 'er asked.

Qin Yu smiled and said, "I'm 90% confident."

The reason why he wasn't 100% confident was because of the unforeseen circumstances in the battle.

It was either kill him in one strike or stop the battle.

“No matter what, we can’t let him escape!”Qin Yu said coldly in his heart.

The group of three walked towards the inn.

Soon, their figures appeared below the inn.

The people who were secretly observing in the dark quickly discovered Qin Yu.

“That person should be Qin Yu, right?”

“That should be right. No one has dared to come near this place for the past few days. Who else could it be other than him?”

“This person looks ordinary. How would he dare to shout at that Ling Yun?”

“Who are the two people beside him? That girl seems to be that girl from the Zhao family. She could be considered to have had a great time back then.”

On the tall building, Ling Yun naturally noticed Qin Yu.

His eyes narrowed slightly as the corners of his mouth curled up into a cold smile.

“You’re here, you really dare to come!”Ling Yun’s face revealed a look of madness.

“Young master, be careful, that Zhao Wan ‘er is also here,”the attendant reminded him.

Ling Yun said coldly, “I don’t believe that she would dare to make a move against me!”

After saying that, Ling Yun shook violently and directly shattered the window. He jumped down and landed in front of Qin Yu.

Their eyes met, and the madness on Ling Yun’s face became even more intense.

“Qin Yu, you really dare to come!”Ling Yun’s eyes were wide open and filled with madness.

Qin Yu said expressionlessly, “I issued a letter of challenge to you. Why wouldn’t I Come?”

“Hahahahaha!”Hearing this, Ling Yun couldn’t help but burst into laughter.

“You issued a letter of Challenge to me? Do you have the qualifications!”

“Let me tell you, I’m here to kill you today!”

Qin Yu remained silent. He clenched his right fist lightly, ready to attack at any time.

“Are the two of you planning to help him?” At this moment, Ling Yun’s gaze landed on Wan ‘er and Ah San.

Wan ‘er laughed. “Young Master Ling, you’re joking. We’re just accompanying him.”

After saying that, wan ‘er took ah San to the side.

Ling Yun looked at Qin Yu coldly. The spiritual energy in his entire body was surging rapidly.

In the dark, countless people were secretly watching this battle.

“Qin Yu, die!”

Ling Yun let out an angry roar. His internal Qi suddenly soared!

In his state of complete victory, he planned to show Qin Yu his might!

Qin Yu had been waiting for this opportunity. He narrowed his eyes and raised his right fist. All of his divine power gathered on his right fist and headed straight for Ling Yun’s face!

This punch was extremely fast. It was the gathering of all of Qin Yu’s fighting spirit. In the blink of an eye, he was right in front of Ling Yun!

Just the powerful Qi energy alone was enough to shatter Ling Yun’s handsome face!

Ling Yun’s expression changed drastically. An intense fear flashed across his heart!

Chapter 1333: Chapter 1333, shattered with a single punch

That punch contained the power to destroy the heavens and earth. It smashed towards Ling Yun’s face in an instant!

“Bang!”

This punch landed squarely on Ling Yun’s face.

The protective magical artifact that appeared on Ling Yun’s face didn’t even last half a second. The moment it appeared, it was shattered!

His face was instantly split open, and his entire body shot back hundreds of meters!

Qin Yu’s expression was ice-cold. With a jolt of his feet, he quickly chased after him.

The surrounding people widened their eyes in shock!

What happened just now? Why was Ling Yun sent flying in just a second?

“You... did you guys see clearly? How did Ling Yun fly backwards in an instant?”

“Could it be some kind of spell? There’s actually such a strange spell?”

“That must be it! I saw a flash of red on Ling Yun’s face just now. That must be the color of the spell!”

“... that’s obviously blood!” Finally, someone couldn’t hold it in anymore and pulled out the emperor’s novelty.

The scene was completely silent. In reality, they were also suspicious, but they didn’t want to believe it.

After all, Ling Yun was known as the number one genius in the southern province. How could he be sent flying with a single punch!

Wan ‘er and Ah San were even more shocked. Wan ‘er covered her small mouth and her beautiful eyes were wide open. Even though she was born in a big family, she couldn’t remain calm.

As for Ah San, he shivered and couldn’t help but feel a lingering fear.

If Qin Yu had really used her full strength last night, he wouldn’t have been any better than Ling Yun.

Qin Yu quickly chased after Ling Yun. At this moment, Ling Yun was already lying on the ground in a near-death state.

His face bone had been shattered, and it was almost impossible to tell what he looked like.

However, he still managed to catch his breath. Even though his voice wasn’t loud, it was clear to the ears.

Qin Yu looked down at Ling Yun and said coldly, “Not bad, as expected of the treasure of the Tianyun sect. This punch actually didn’t die.”

Ling Yun panted heavily. He tried to get up, but his injuries were too severe.

“Alright, I’ll give you another punch,” Qin Yu said coldly.

“Stop!”

At this moment, Ling Yun’s follower caught up quickly.

He stood in front of Qin Yu and said coldly, "Qin Yu, stop right now. Ling Yun is the first Elder's disciple. If you kill him, the first elder will not let you off!"

Qin Yu narrowed her eyes and said with a sneer, "Don't worry. After I kill Ling Yun, you will be next."

Since he had to do it, he might as well get rid of the root of the problem so as not to attract unnecessary trouble.

"Qin Yu, do you really have to be so ruthless? I don't believe that you really dare to kill Young Master Ling," the attendant said coldly.

Qin Yu narrowed her eyes and said, "Then you can just watch from the side obediently."

Just as Qin Yu was about to throw another punch, the attendant couldn't hold it in any longer.

His aura surged explosively, and rays of extremely resplendent light condensed around his body.

Each ray of light gushed out like a fountain, actually merging with the space.

In the next second, this light pulled the surrounding space, intending to trap Qin Yu.

"Petty tricks." Qin Yu snorted coldly, and only responded with an iron fist!

Qin Yu did not have any gorgeous moves, but only powerful divine power and that indestructible body!

The golden light of his right fist shone, and endless divine power exploded out in an instant, shattering the follower's spell!

Pieces of space fell out, revealing large patches of pitch-black color.

The attendant's expression changed, and he quickly retreated.

"Heaven and Earth Emperor Force!"

Hearing his furious roar, there was actually power surging into his body from heaven and earth!

"As expected of someone from the Heavenly Cloud Sect," Qin Yu said coldly.

However, he still did not panic. He only raised his right hand to block in front of him.

"Clang!"

With a clear and loud sound, the Heaven and Earth Emperor Force collided with Qin Yu's right hand.

At the moment of contact, the force dissipated instantly.

On the other hand, Qin Yu's right hand was actually undamaged!

What kind of physical body was this? It ignored the spells of a mighty figure!

Qin Yu looked at his right hand and could not help but feel a little smug in his heart.

"After I devour enough life Qi, my entire body will possess this kind of physical body," Qin Yu thought to himself.

In addition to his various body cultivation techniques, it wouldn't be an exaggeration to say that his physical body was invincible!

The Almighty in midair was looking at Qin Yu nervously.

He was extremely conflicted. If he fought, he wasn't Qin Yu's match. If he ran, Ling Yun would definitely die. At that time, the first elder wouldn't let him off either.

"Rather than go back and die, I might as well die in battle!" The attendant roared angrily and charged towards Qin Yu once again!

Qin Yu looked at him coldly before his right fist flashed with light. In the next second, Qin Yu's gaze landed on Ling Yun!

He wanted to ignore the attendant's attack and kill Ling Yun!

"Terrifying, too terrifying!" The surrounding people didn't dare to believe this scene.

The two almighty experts were actually unable to do anything to Qin Yu!

Most importantly, Qin Yu didn't rely on spiritual energy at all. Instead, he relied purely on his physical body!

"Such a physical body is probably not weaker than those ferocious beasts! !"

"From today onwards, the name Qin Yu will probably spread throughout the entire southern continent!"

Chapter 1334: Chapter 1334, First Elder's appearance

Everyone knew what would happen if Ling Yun died.

That would undoubtedly mean the wrath of the Tianyun sect! Who could withstand the wrath of the first elder!

Qin Yu looked at Ling Yun coldly, while the attendant was already anxious.

His spell landed on Qin Yu's back, leaving spots of blood on it. However, that wasn't enough to damage his foundation!

The follower gritted his teeth and raised his hands, as if he was preparing a top-tier spell.

"Hundred Flower Ghost Slash!"

The follower roared, and a large patch of blood-red flowers appeared in the sky.

The flowers blotted out the sky and covered the sun, making the entire space look blood-red. It was extremely beautiful!

Qin Yu frowned slightly. He raised his head and looked at the sky, feeling a little curious.

"Hundred flower ghost slash... it sounds like a very powerful spell. I don't know if I can withstand it," Qin Yu thought to himself.

He didn't dare to be negligent and directly activated the fighting word formula.

With the support of the fighting word formula, Qin Yu's physical body became even more tyrannical, and his strength also increased.

"Hundred flower ghost slash... I think I've heard of this name before," Wan 'er said softly from the side.

There seemed to be some worry on her face, but she couldn't remember this technique at the moment.

"Hundred flower ghost slash... What exactly is it? Why Can't I remember it..." Wan 'ER's expression became more and more anxious.

"Miss Wan 'er, What's Wrong?" Ah San asked from the side.

Wan 'Er didn't answer. At this moment, her pupils constricted as if she had remembered something.

"Hundred Flower Ghost Slash... Oh no, it's that spiritual spell!" Wan 'ER's expression changed. She hurriedly shouted at Qin Yu, "Young Master Qin, you must never raise your head and look directly at that Flower!"

Unfortunately, it was already too late. The sky was filled with blood-red flowers, and at this moment, they actually turned into one ghost head after another.

Qin Yu looked up at this scene. His expression suddenly froze, and his body fell straight down.

“Hundred Flower Ghost Slash. It’s said that this spell is somewhat similar to an illusion spell. It’s a spiritual attack.”

“That’s right. Once the spirit is tortured to death, at worst, the primordial spirit will be damaged, and at worst, it will never be able to wake up.”

“Yes, one second of ours is equivalent to more than ten minutes in his spiritual world.”

“The hundred flower ghost slash seems to be one of the top techniques in the Tianyun sect. It is extremely difficult to comprehend. Even Ling Yun, who is known as a genius, has not comprehended this technique. How did this follower learn it?”

“Hehe, you might not know this, but this follower was someone who had fought alongside the sect leader of the Tianyun sect back then.”

Just as they were discussing, Qin Yu’s world had already turned into a sky full of saber lights and Sword Shadows!

This was not a real attack, but it was a great torture to the mind.

That ghost head looked extremely horrifying and extremely ugly. It was said that many people would never forget it after seeing it for their entire lives.

And this was also one of the essence of the Hundred Flower Ghost Slash. It relied on the terrifying scene to break the psychological defense of the practitioner.

In addition to the accompanying flashes of swords and sabers, it was enough to make people stay here.

However, the only pity was that this technique wasn’t that effective on Qin Yu.

The terrifying ghostly heads were far inferior to the strange green creatures in the mountain mist. They were simply insignificant.

In Qin Yu’s heart, he firmly believed that his body was unparalleled and that these sabers wouldn’t be able to harm his body at all.

In the outside world.

Everyone looked at Qin Yu who was lying on the ground and sighed.

No one expected that the one who would fight with Qin Yu in the end would not be Ling Yun, but his follower!

That follower knew that he might not be a match for Qin Yu, so he quickly arrived in front of Ling Yun and planned to use this opportunity to escape with Ling Yun.

He picked up Ling Yun and gritted his teeth as he said, "Young Master Ling, let's Retreat."

However, at this moment, the attendant suddenly felt a piercing sensation on his back as a cold sensation assaulted him.

The attendant's expression changed as he hurriedly turned around. What responded to him was Qin Yu's steel-like fist.

Boom

Even Ling Yun couldn't withstand his right fist, and this attendant was even more vulnerable.

With a single punch, his head exploded, along with his primordial spirit!

When everyone saw this, they were all shocked!

How did this Qin Yu suddenly wake up? Could it be that he was pretending just now?

Qin Yu kicked his corpse to the side and sneered, "This spell of yours is still a little lacking."

Just as Qin Yu said, the Hundred Flowers Ghost Slash controlled by the attendant was not complete, so it was easily broken by Qin Yu.

Even if it was a complete hundred flowers ghost slash, Qin Yu wasn't afraid.

He didn't grow up in an aristocratic family. Instead, he had experienced countless hardships before coming to the holy region.

Qin Yu had long developed a will as strong as steel through his life experiences.

Then, Qin Yu looked at Ling Yun.

"Alright, it's your turn." Qin Yu walked in front of Ling Yun. His right fist was sparkling.

Qin Yu didn't want to waste any time in case Ling Yun's primordial spirit took the opportunity to escape.

However, just as Qin Yu was about to make a move, a light flashed between Ling Yun's brows. A figure floated out.

It was an extremely old figure. He was tall and had a dignified look on his face.

This person was none other than Ling Yun's master, the Grand Elder of the Heavenly Cloud sect!

Chapter 1335: Chapter 1335, I don't care who you are

As expected, as the precious genius of the Tianyun sect, Ling Yun would definitely have some protective measures.

Looking at the old figure in front of him, Qin Yu narrowed her eyes and instantly saw that it was extraordinary.

This was definitely not an ordinary figure. It probably contained extremely powerful strength or had the ability to take Ling Yun Away!

The surrounding people couldn't help but turn pale with fright.

The grand elder of the Tianyun sect was a truly important figure!

Even the Master of a city was far less than one percent of him!

"You actually lost." The Grand Elder's expression became even colder as he looked at Ling Yun who was lying on the ground.

His gaze quickly turned towards Qin Yu.

"You are that Qin Yu," the Grand Elder said coldly.

Qin Yu cupped his hands and said, "Greetings, First Elder."

The first elder snorted lightly and said, "How dare you. You injured an elder of My Tianyun sect, beheaded guardian Ren's body, and now seriously injured my beloved disciple. What crime should you commit?"

Qin Yu was not in a hurry. He said politely, "First Elder, I don't want to hurt them, nor do I want to offend the Tianyun sect. It's just that you guys are forcing me so hard that I can't live on. I had no choice but to resist."

At this point, Qin Yu glanced at Ling Yun and continued, "As for Ling Yun, we fought fairly. I've issued a challenge before. With so many people watching, grand elder won't interfere, right?"

Grand Elder frowned slightly. His gaze swept across the surroundings. As expected, there were many people watching.

“Of course I won’t interfere. Ling Yun’s loss is his loss. That’s because his skills are inferior to others,” grand elder said plainly.

Although he said that, he wanted to Slice Qin Yu into a thousand pieces in his heart!

If it weren’t for the fact that there were too many people present, he would have long taken action to get rid of Qin Yu!

“The first elder is indeed a sensible person,” Qin Yu said as she cupped her hands.

The first elder didn’t want to waste any more time with Qin Yu. He placed his hands behind his back and said quietly, “Since Ling Yun has already lost, there’s nothing more to say. As for you, I’ll remember you after you win against Ling Yun.”

Qin Yu smiled. “It’s my honor. Don’t worry, I’ll get someone to send Ling Yun back.”

After saying that, Qin Yu walked towards Ling Yun.

The great elder didn’t think too much about it. After all, there weren’t many people in the entire South Province who weren’t afraid of him.

However, what he didn’t expect was that Qin Yu, who was full of respect a second ago, had a cold expression on his face now.

He walked in front of Ling Yun and punched his right fist at Ling Yun’s Head!

Bam

Ling Yun, who had already lost his ability to resist, had his head and spiritual sense explode under this punch!

The Great Elder didn’t Expect Qin Yu to do this at all!

He stared at Qin Yu and was stunned for half a second before he regained his senses!

The people around him were even more dumbfounded.

Qin Yu killed his beloved disciple in front of the great elder? Was he provoking the heavenly cloud sect?

Wan ‘er covered her mouth as if she couldn’t believe everything.

As for Ah San, he was trembling in fear.

He had spent a few days with Qin Yu and thought that he understood Qin Yu. However, at this moment, he realized that Qin Yu was much more ruthless than he had imagined!

“You... are you courting death!”The Great Elder roared angrily. This roar shook the entire area and countless people around him exploded!

Qin Yu sneered. “Idiot, do you really think that I will let him off? Let me tell you, Ling Yun deserves to die. Since he dares to accept the challenge, he should be prepared to die!”

“Ah! ! !”

The first Elder’s roar exploded like thunder! The dark clouds in the sky dispersed at this moment!

“Little Bastard, I want you to die!”The first elder suddenly stretched out his hand and grabbed Qin Yu’s head!

However, Qin Yu was naturally not a person who was waiting to die. He clenched his right fist and actually intended to meet force with force!

“Clang!”

It was clearly a phantom, but it had substance!

The two hands collided, and a terrifying force exploded and swept out rapidly in all directions!

Qin Yu was forced back a few steps, and a crack appeared on his fist!

“As expected of the Heavenly Cloud Sect’s first elder. A phantom has such ability,”Qin Yu said coldly.

The shadow seemed to know that there was no chance to kill Qin Yu Now. It could only look at Qin Yu coldly and said ruthlessly, “From today onwards, the Heavenly Cloud sect wants your life.”

“Hasn’t the Heavenly Cloud sect always wanted my life? I’ll wait here. If you have the ability, then come,”Qin Yu said with a cold smile.

The Grand Elder didn’t say anything more. Whatever he said now was futile and seemed pale and powerless.

His shadow slowly dissipated until it disappeared without a trace.

Tianyun sect, the Great Elder’s residence.

The Great Elder, who had his eyes slightly closed, suddenly opened his eyes!

A wave of energy instantly emanated from his body!

The surrounding people were all dispersed!

“Great Elder, what... What Happened to you?” Someone crawled up and walked forward quickly.

The great elder clenched his teeth and clenched his fists tightly.

He suppressed his anger and said in a low voice, “Ling Yun is dead.”

“What? !”

Everyone was shocked!

Ling Yun... was dead?

“Who has the guts to kill a member of Our Heavenly Cloud Sect?”

“He is the number one person among the younger generation of our Heavenly Cloud sect! Even the sect master treats him like a treasure. Who Killed Him?”

The great elder narrowed his eyes and said through gritted teeth, “Qin Yu... I must kill you!”

Chapter 1336: Chapter 1,336

Qin Yu had killed Ling Yun in front of the Great Elder.

This was not only a loss for the Heavenly Cloud Sect, but it was also a humiliation for them.

As the true overlord of the Southern Province, they had never suffered such humiliation!

The shadow slowly disappeared, but no one dared to approach it.

Everyone was afraid of getting involved with Qin Yu and inviting revenge from the Heavenly Cloud sect.

Everyone knew that from today onwards, Qin Yu's name would not only be famous in the southern province, but he would also be blacklisted by the Heavenly Cloud sect.

“I'm afraid that this child will not be able to move forward in the future,” someone thought to himself.

They retreated slowly and did not dare to stay any longer.

A moment later, Wan 'er, who had regained her senses, walked over quickly.

"Young Master Qin, are you... Are You Hurt?" Wan 'er asked tentatively.

Qin Yu shook his head and replied, "No."

This battle was much easier than expected. No one had expected that Ling Yun would be killed so easily.

As the number one genius of the southern province, he had died in such an aggrieved manner.

He had prepared countless spells but was killed by two punches before he even had the chance to make a move.

Let alone being famous in the Holy Region, he would probably be nailed to the pillar of shame if he were to compete with the elites of the world.

"Miss Wan 'er, stay away from me. Otherwise, it will be easy to get angry," Qin Yu said.

Wan 'er smiled and said, "I don't care. Anyway, I plan to leave the South Province."

"Leave the Tianyun sect? Then where are you going?" Qin Yu said in surprise.

Wan 'er said, "I haven't thought about it yet. I will most likely choose the Thunder Courtyard."

"Thunder Courtyard..." Qin Yu murmured in a low voice.

He knew this place. It was not in the center of the Li Prefecture, but in the southeast corner.

This was also the most unique place in the entire Li Prefecture. It was clearly an academy, but it occupied the entire prefecture's position.

"Young Master Qin, why don't you go to the Thunder Academy with me? As long as you go to the Thunder Academy, the Heavenly Cloud sect can't do anything to you," Wan 'er suggested.

Qin Yu was silent for a moment. The Thunder Academy was indeed a good place to go.

The only pity was that Qin Yu didn't have any spiritual energy in his body at the moment, so the Thunder Academy might not accept him.

Wan 'er seemed to have seen through Qin Yu's thoughts. She smiled and said, "Young Master Qin, you killed Ling Yun. This is a way to get in. As for the problem with your spiritual energy, it's just because you were poisoned by the Twilight Qi. It's not like it can't be cured."

Qin Yu sighed and said, "My symptoms are a little strange. The Thunder Academy won't believe it."

If it wasn't for the special nature of the symptoms, they wouldn't have offended the heavenly cloud sect.

"Alright." Wan 'Er didn't say anything else when she saw this.

"Young Master Qin, I'm a little curious. You clearly won against Ling Yun. Why do you have to kill him?" Wan 'er asked with some doubt.

Qin Yu said coldly, "Because he deserves to die. He killed my friend, so I must have him buried with me! If there's a chance, I want the entire Tianyun sect to be buried with me!"

Wan 'er was only a little surprised when she heard this, but she didn't say anything else.

This matter quickly spread throughout the entire southern province.

The news spread like wings.

While everyone was amazed by Qin Yu's abilities, they couldn't help but tease Ling Yun.

"The number one genius of the southern province was killed by two punches and didn't even fight back. What a joke."

"Haha, I Get Angry When I see Ling Yun's appearance. He's young but has such a vicious personality. I knew he wouldn't end well!"

"Serves him right! He must have met a tough opponent this time, right? A bare-footed person isn't afraid of wearing shoes!"

The Tianyun sect's reputation had been completely destroyed. The entire sect was shrouded in a strange atmosphere.

In a certain training room in the Tianyun sect.

Di Zun was feeling proud in his heart. Even his face couldn't help but reveal a smile.

"As expected of my master. He actually killed Ling Yun with two punches!" Di Zun muttered softly.

He wished that he could tell everyone about his relationship with Qin Yu. However, this was the Tianyun sect after all. He didn't dare to say anything.

This feeling of wanting to say something but being unable to do so was too unbearable.

At this moment, elder Bai walked in from outside.

Seeing elder Bai, Di Zun hurriedly stood up and said, "Greetings, master."

Elder Bai nodded slightly. He said faintly, "You should have heard the news of Ling Yun's death, right?"

Di zun replied graciously, "It's hard not to hear it. Sigh, this is really a sad news."

Although he said that, he was overjoyed in his heart.

Elder Bai nodded slightly and snorted coldly. "I didn't Expect Qin Yu to be so bold as to kill Ling Yun in front of the first elder!"

"Awesome!" Di Zun couldn't help but blurt out.

"What did you say?" Elder Bai frowned.

Di Zun quickly changed his words. "I said... how arrogant!"

Elder bai snorted and continued, "This isn't bad news for us. Once he dies, you can take over."

Di Zun waved his hand. "I don't dare."

"There's nothing to be afraid of," elder Bai said with a smile.

"If you take over, I can also bask in your glory."

As he spoke, a disciple suddenly walked in from outside.

"Elder Bai, the sect master has invited you to the Assembly Hall for a meeting." The disciple bowed and said.

Elder Bai stroked his beard and said, "Alright, I understand. You can go."

After the disciple left, elder Bai glanced at di zun and smiled, "The opportunity has come."

Chapter 1337: Chapter 1,337, known throughout the world

Di zun hurriedly said, "Elder Bai, if you have any important news, you must tell me!"

"Don't worry," elder Bai said faintly.

In the assembly hall, there was a long table.

The sect master, who had not appeared for a long time, was sitting opposite the long table.

Besides the sect master, the deputy sect master, elders, and executive elders also arrived. They could even see a few guest elders.

This was enough to prove how important the sect master was to this matter.

Elder Bai quickly walked forward and sat down in his seat.

The first elder sat at the side of the sect master, his face filled with grief and anger.

The sect master looked like a tall and handsome young man, but everyone present knew that he was already hundreds of years old, and his strength was unfathomable.

Many years ago, he had led his disciples to conquer a large territory. Although he had retired, his strength had become increasingly powerful and mysterious.

"Sect leader, Ling Yun is my beloved disciple. Now, he was killed by two punches in front of me. There must be an end to this matter!" The great elder said furiously.

In the entire sect, perhaps only the great elder dared to speak to the sect leader like this.

The reason was because he was a meritorious official of the Tianyun sect.

The sect master's cold gaze swept across everyone present.

He said in a deep voice, "Kill Ling Yun and wait for Yun to slap the face of our Tianyun sect. This concerns the face of our Tianyun sect. If we don't deal with it properly, who will fear our Tianyun Sect?"

"That's right. That Qin Yu must die," an elder beside him said.

"Such an arrogant person must be publicly executed!"

"Ling Yun's death must be accounted for."

Everyone was chattering as they expressed their thoughts.

At this moment, the sect master said coldly, "I'm more concerned about who this Qin Yu is than taking revenge."

Almost everyone's gaze fell on elder Bai.

Elder Bai quickly stood up and recounted the whole story.

After hearing elder Bai's words, the sect master didn't speak for a long time.

He knocked on the table, and the sound of "Da Da" was like a knock on everyone's heart, making them tremble.

"He has such cultivation at such a young age, why didn't you invite him to your sect? Instead, you want to offend him?" The sect master asked coldly.

Elder Bai's expression changed drastically!

It seemed like he wanted to hold him accountable!

"Sect master, his body is just abnormal. He can't cultivate at all. This kind of person doesn't have a bright future, and there's no need to nurture him..." elder Bai hurriedly explained.

The sect master asked coldly, "How do you know that he isn't poisoned by the Twilight Qi? If he can't cultivate because of the twilight qi, then do you know what this means?"

Elder Bai's expression became more and more unsightly, and beads of sweat kept breaking out on his forehead.

He had originally thought that this was his chance, but now it seemed like it was a disaster for him.

"If it's because of the twilight qi, then it means that not only did we miss out on a peerless genius, we even offended him." The sect master's words became colder and colder, and even the elders couldn't help but shudder.

"No... impossible, absolutely impossible..." elder Bai's forehead was covered in sweat as he swallowed his saliva.

However, at this moment, the first elder coldly said, "I saw Qin Yu with Zhao Wan 'er from the Zhao family. As far as I know, Zhao Wan 'er was poisoned by the Twilight Qi."

"It's a coincidence, it must be a coincidence!" Elder Bai said with a flustered expression.

“Coincidence? If this Qin Yu wasn’t poisoned by the Twilight Qi, why would he stay with Zhao Wan ‘er?”The first elder said coldly.

“You are the instigator. If it wasn’t for you, my disciple wouldn’t have died! The Heavenly Cloud sect wouldn’t have lost face because of this!”

Elder Bai slumped onto the chair and said with a trembling voice, “Sect master, this... This is absolutely impossible...”

“How DARE YOU QUIBBLE!”The great elder shouted angrily. He clenched his fists as if he was going to make a move at any moment.

At this time, the sect master waved his hand and said, “Forget it, forget it. Don’t be rash before the matter is clarified.”

At this point, the sect master looked at elder Bai and said indifferently, “However, this matter has something to do with you. In order to make up for the Great Elder, hand over your new disciple to the Great Elder.”

New Disciple? Di Zun?

After going around and around, the first elder was actually doing this for Di Zun?

“Sect master, Di Zun is my last disciple. I Can’t hand him over to someone else...”elder Bai said unwillingly.

At this moment, the first elder slapped the table and said coldly, “That Di Zun’s talent is not inferior to Ling Yun’s. Only he can make up for it. Furthermore, with your ability, do you deserve such a genius?”

Elder Bai opened his mouth. He knew that there was no room for negotiation in this matter.

“Elder Bai, you’d better pray that Qin Yu didn’t lose all his spiritual energy because of the Twilight Qi poison. Otherwise, it wouldn’t be as simple as losing a disciple,”the great elder said coldly.

These words didn’t only mean the great elder, but also represented the sect master.

After the meeting ended, elder Bai’s face was pale, as if he had lost his parents.

He knew very well that if Qin Yu had really lost his spiritual power because of the Twilight Qi poison, then the heavenly cloud sect would very likely negotiate with him in order to get Qin Yu.

As for himself, it was very likely that he would become the condition for the negotiation and give him to Qin Yu.

“No, I absolutely won’t allow such a thing to happen!”Elder Bai’s face was vicious.

His eyes narrowed as countless thoughts flashed through his mind.

“There’s only one way now, and that is to intensify the conflict between the Heavenly Cloud sect and Qin Yu!”Elder Bai said coldly.

Only by making the conflict between the two irreconcilable could he have a chance of survival.

A hint of coldness flashed across elder Bai’s face before he laughed coldly.

“...”

The news of Qin Yu killing Ling Yun had long spread. The entire Yang City was trembling.

They were afraid that the Tianyun sect would wipe out the entire Yang City in a fit of rage.

As Qin Yu walked on the streets of Yang City, everyone looked at Qin Yu with hostility.

“Sigh, looks like we can’t stay here any longer,”Qin Yu said with a bitter smile.

Wan ‘er, who was at the side, nodded and said, “You can’t blame them. They didn’t have the ability to resist the Tianyun sect to begin with.”

“That’s right,”Qin Yu agreed. “After calculating the time, it’s indeed time to go back.”

“Where do you plan to go, Young Master Qin?”Wan ‘er asked.

Qin Yu thought for a moment and said, “Let’s go back to Gu City. I have nowhere else to go except there.”

Chapter 1338: Chapter 1338, Temple of No Fate 1

At this moment, wan ‘er suggested, “Why don’t you come back to the Zhao family with me?”

“Why should I go to the Zhao Family?”Qin Yu shook his head.

Wan ‘er smiled and said, “Maybe I can ask them to help me find the Qi of life?”

“Do you think it’s possible?”Qin Yu shook his head and said, “If they could find the Qi of life, would they need you to go through so much trouble to come to Yang City?”

Wan ‘er seemed to think that what he said made sense, so she stopped insisting.

“By the way, do you know where there is a channel for the life qi?”Qin Yu asked.

Wan ‘er shook her head and said, “Unfortunately, what I know now is only Yang City.”

“Well, if there is any news in the future, please do tell me,”Qin Yu cupped his hands and said.

“Of course,”Wan ‘er also agreed.

At this moment, ah San at the side suggested, “Why don’t you take advantage of this opportunity to openly recruit life force?”

“That’s right. With your current influence, you should be willing to have people invest in you, right?”Wan ‘er also said.

Qin Yu said in a deep voice, “Difficult. In the South Province, the Heavenly Cloud sect doesn’t say that they can cover the sky with one hand, but it’s almost enough. Who Dares to approach me? What I should be thinking about now is how to protect my life.”

If he couldn’t even protect his life, then the life force would be meaningless.

“Miss Wan ‘er, I think we should part ways here. If you continue to stay with me, I’m afraid you’ll be in danger,”said Qin Yu.

Wan ‘er smiled and said, “Young Master Qin, then we’ll meet again in the future.”

“We’ll meet again in the future,”Qin Yu also nodded and said.

The two sides parted here and there. No one knew when they would meet again.

Qin Yu found his wind chasing colt and planned to leave Yang City.

“Qin Yu.”

At this moment, a familiar voice sounded behind Qin Yu.

He turned around and saw that it was none other than Chen Cang.

“Old Mister Chen? Why are you here?”Qin Yu asked in surprise.

Chen Cang walked up to Qin Yu and asked in a deep voice, "Are you planning to leave?"

Qin Yu nodded and said, "I've found the aura of life. It's time to leave."

Chen Cang nodded and slowly took out a small jar.

This jar was beautifully packaged, and it was shining with light.

"Take it," Chen Cang said reluctantly.

Qin Yu took the jar and asked in surprise, "This is?"

"Life Qi," Chen Cang said in a deep voice.

Qin Yu was immediately shocked. He hurriedly put the jar back and shook his head, "Mr. Chen, this is too valuable. I Can't take it."

Chen Cang rolled his eyes and said, "Didn't you always want to take this life Qi from me when you came here? Why Did You Change Your Mind Now?"

Qin Yu laughed bitterly, "Before this, I didn't know how precious this life Qi was. Ever since I entered that mountain range, I realized that to you, this life qi is probably a gift of life. It's not good for me to take away someone's love."

"Alright, although I really can't bear to part with it, this thing is more important to you. Take it." Chen Cang once again stuffed the jar into Qin Yu's hand.

Qin Yu held the jar and was at a loss for a moment.

"Old Mr. Chen, do you have any conditions?" Qin Yu asked a moment later.

Chen Cang opened his mouth as if he wanted to say something. Then, he waved his hand and said, "No conditions. Hurry up and leave."

"Old Mr. Chen, if you have something to say, just say it. I Won't refuse if I can do it," Qin Yu continued.

Chen Cang did not say anything. He just waved his hand and slowly left the place.

Qin Yu put away the jar. He sat on the wind chasing stallion and prepared to leave Yang City.

In reality, Qin Yu did not know where to go at all.

He said that he was going to Gu City, but even a fool knew that Gu city was probably now a part of the Heavenly Cloud Sect. How could he go back.

I can only take it one step at a time. Qin Yu couldn't help but sigh in his heart.

The last time he fought with the first Elder's shadow, Qin Yu felt a trace of pressure.

It was only a shadow, but it made Qin Yu retreat several steps. If his real body came, Qin Yu probably wouldn't be able to fight back at all.

"I wonder where Chang Mang and the others are," Qin Yu muttered.

Qin Yu had arrived a year later than Chang Mang and the others. With Chang Mang and the others' talent, no one knew how much progress they would make in a year.

"It would be great if we could find them," Qin Yu sighed.

Although the news of Qin Yu killing Ling Yun spread very quickly, it was only limited to South Province.

If they were to leave South Province, no one would know about this.

If I really can't, I have to consider leaving South Province, Qin Yu thought to himself.

After hesitating for a long time, Qin Yu finally decided to temporarily go near the hunter organization and wait for an opportunity to make a move.

There were two reasons. The first was that the hunter organization was very close to Gu City, so it was convenient to observe the situation in Gu City and gather information.

The second reason was that the flying spiders in the Green Rock Forest had a life force.

There was only one reason why he didn't directly return to the hunter organization, and that was the existence of Zhong Wu.

If he knew of Qin Yu's whereabouts, he would definitely report the news to the Heavenly Cloud sect.

"If not for the white bone scepter in his hand, I would have killed him long ago." Qin Yu could not help but sigh.

After a few days of traveling, Qin Yu finally arrived near the hunter organization.

This was a small mountain. On the mountain, there was a temple called the temple of no fate.

The location of the temple of no fate was extremely unique. It was right in the middle of the hunter organization and Gu City.

And this mountain was extremely high. Standing on the peak of this mountain, coupled with Qin Yu's desolate divine eyes, one could see the flow of people in the middle.

Qin Yu climbed all the way to the peak of the mountain and entered the temple of no fate.

There were only three to five monks in the temple. They did not have much of a reaction to Qin Yu's sudden arrival. They just took a glance and did whatever they wanted.

"You are Qin Yu, right?"

Qin Yu was just about to speak when a monk spoke indifferently.

Hearing this, Qin Yu's expression immediately changed.

He took two steps back warily and curled his right fist. Squinting his eyes, he said, "Who are you? Why do you know me?"

"The Heavenly Cloud Sect's wanted posters are everywhere. I think it's hard not to know," the monk slowly stood up and said.

Qin Yu looked at the monk. This monk looked extremely ordinary. Even if he shaved his head, he would not stand out in the crowd at all.

"Don't worry. I Won't expose you," the monk said indifferently.

Qin Yu's expression became even colder.

His previous trust had been exchanged for betrayal. How Could Qin Yu trust him now.

Qin Yu Heart Ice-cold, body also involuntarily emitted a killing intent.

Chapter 1339: Chapter 1,339, you can't leave! 1

The monk seemed to have sensed the murderous aura on Qin Yu's body.

He raised his palm, and traces of peaceful aura immediately spread out.

This peaceful aura seemed to come from the western regions. It was said that it could cleanse one's soul, and even a demon who killed people numbly would be infected.

Under this aura, Qin Yu's murderous aura disappeared, and a trace of compassion even appeared in his heart.

Even if he tried his best to resist, it was useless. He couldn't make a move at all.

This made Qin Yu's expression extremely ugly. He slowly loosened his fist, and even his expression became much friendlier.

"Young Man, don't act too rashly," the monk said indifferently.

Qin Yu didn't know how to answer for a moment. This feeling made him extremely uncomfortable.

"Who exactly are you? Where did this strange power come from?" Qin Yu said coldly.

The monk didn't explain. He just put his palms together and said, "Anyone who comes here should focus on kindness. As for whether to stay or go, it's up to you."

After saying this, the monk no longer paid attention to Qin Yu.

He didn't sit down facing Qin Yu. He slowly put his hands together.

Qin Yu looked at the monk's back and didn't say anything for a long time.

After hesitating for a moment, out of vigilance, Qin Yu finally chose to leave this place.

After coming down from the mountain, that strange feeling disappeared without a trace.

"What a magical power," Qin Yu said in a deep voice.

He didn't dare to turn his head and hurriedly left this place.

The place he originally chose was denied, so Qin Yu had no place to go for a moment.

"There he is. I found him!"

Just as Qin Yu was at a loss, a voice suddenly broke his thoughts.

Qin Yu was shocked. Just as he was about to escape, he realized that it was none other than Wen Erxiong and Wen Erxiong.

Qin Yu patted his chest and immediately heaved a sigh of relief.

The two of them walked up quickly, and Wen Erxiong punched Qin Yu's chest.

"Say it!" Wen Er stared at Qin Yu fiercely.

Qin Yu was puzzled and asked, "Say what?"

“Do you want to ride my wind-chasing colt and run away?”Wen Er said angrily.

Qin Yu rolled her eyes and said, “I’m not interested in your wind-chasing colt.”

“Nonsense, I don’t know how many people are coveting my wind-chasing Colt!”Wen Er muttered.

Qin Yu waved his hand and said, “Alright, stop talking nonsense. Let’s get down to business. How did you find me?”

Wen Er pointed at the windchaser colt smugly and said, “This is my windchaser Colt. It has a 24-hour GPS system. I know where he is at all times! You want to steal it? No Way!”

Qin Yu suddenly came to a realization. He looked at the windchaser colt in front of him and muttered, “Damn it, it actually exposed my position...”

“If you had come back a little later, I would have been too late. By then, my grandfather would have beaten me to death,”Wen er muttered.

With that, he ran over to hug the wind-chasing foal and greeted it carefully.

“Qin Yu, you’ve been in the limelight recently. You’re even more famous than the two of us.”Wen Da patted Qin Yu’s shoulder.

Qin Yu smiled bitterly and said, “Do you think I want to? I have nowhere to go now. Damn it.”

“Why don’t you come back with us? It just so happens that you can drink with us,”Wen da said with a big smile.

Qin Yu touched her chin and thought to herself, this is a good idea..

If she went to the Wen family, she could still ask for some information.

“Aren’t you afraid of the Heavenly Cloud Sect’s Revenge?”Qin Yu frowned and asked.

Hearing this, Wen Da’s eyes widened and he said, “Who the F * ck do you look down on? The heavenly cloud sect still dares to find trouble with my grandfather? My grandfather will beat him to death!”

“That’s right, that’s right. who dares to behave atrociously with my grandfather!”Wen Er also said.

Qin Yu nodded and said, “As long as it won’t cause trouble for you guys.”

“Alright, let’s go. I’ll let you see our Wen family’s super luxurious manor!”Wen Da said as he put his arm around Qin Yu’s shoulder.

“Wait.”Qin Yu shook his head and said in a deep voice, “You guys still have to help me with one more thing.”

“What is it?”Wen Da scratched his head.

Qin Yu took out the treasure that Chen Cang had given her.

“Help me send this to the auction and give it to sister Lin. Tell her that Chen Cang gave it to her,”Qin Yu said.

Chen Cang had given his life force to Qin Yu. Naturally, he didn’t dare to forget this.

“Then why don’t you go by yourself? Why do you have to trouble us?”Wen Da grumbled.

Qin Yu shook his head. “I killed Ling Yun. If I go to Gu City, I’m afraid I Won’t be able to come out.”

“Who dares to stop us? They must be tired of living!”Wen Da glared at him.

Qin Yu waved his hand. “Alright, Alright. I know how powerful you are. In any case, hurry up and go. Consider it a favor for me.”

After much persuasion, the two of them finally agreed reluctantly.

The three of them rode the wind-chasing colt and rushed towards Gu City.

They arrived near Gu City and Qin Yu jumped off the wind-chasing colt.

“I’ll wait for you here. Hurry up and go,”Qin Yu said in a low voice.

“Okay.”This time, the two of them didn’t waste any time. They brought their belongings and entered gu city, rushing towards the auction.

However, the moment Wen Dawen stepped into Gu City, someone in the dark had already set their eyes on them.

...

Gu City, inside the imperial palace.

“City Lord, as you expected, Wen Dawen has returned to Gu City.”A man in iron armor and dressed as a general knelt down and said.

The city lord sneered and said, "Since they have returned, it means that they have found Qin Yu."

"City Lord, should we capture them now?" The general asked.

The city Lord coldly glanced at them and said, "Are you crazy? If Wen Wanli knows that we have captured his grandson, then the entire GU city will be implicated!"

The general did not dare to say anything and quietly waited for the city Lord's order.

A moment later, the city lord said coldly, "Continue to keep an eye on him in the dark. As long as we keep an eye on them, we will definitely be able to find Qin Yu."

"Yes!"

...

Near Gu City, Qin Yu was waiting for Wen Dawen in boredom.

He originally wanted to use the desolate God's eye to probe the situation, but he was afraid that the top experts in Gu City would notice, so he chose to give up in the end.

Time passed by minute by minute, and in the blink of an eye, a long time had passed.

About three hours later, Wen Da and Wen Er swaggered out of Gu City.

"How is it? Did you give it to him?" Qin Yu asked quickly.

Wen Da patted his chest and said, "I'm doing something, don't worry! I gave it to him personally!"

Qin Yu nodded and said, "Then hurry up and leave. I have a bad feeling."

"I'm afraid you can't go!"

At this time, figures broke through the space and suddenly appeared.

Chapter 1340: Chapter 1,340, the Dangerous Wen da! 1

In the space, people kept walking out.

One, two, three... There were close to a hundred people in total!

They surrounded Qin Yu so tightly that there was no way for them to escape!

Wen Da and Wen Er's expressions instantly became extremely unsightly. He looked anxiously at Qin Yu, he said, "Damn it, Qin Yu, we didn't bring this here. We don't know where these Yin Bi are hiding. We didn't see them at all!"

Qin Yu nodded and said, "Of course, I know it wasn't you guys. It was my thoughtlessness..."

This was probably what the city lord of Gu City had done. A person who could control a city was naturally quite scheming.

The leader was a mighty figure. His strength had actually reached a terrifying late-stage mighty figure!

This was probably the strongest expert Qin Yu had ever met!

"Sending so many powerful people to capture me... you really think highly of me," Qin Yu said coldly.

"Since you were able to kill Ling Yun, you naturally have some ability. If you don't send more people, how can I subdue you?" The leader said coldly.

He led the group forward and looked coldly at Qin Yu. "Are we going to take you away, or are you going to follow us back?"

Qin Yu curled his right fist and sneered. "Even if you take me back, I'm afraid you'll have to pay a price."

As he spoke, Qin Yu directly activated the fifth level of the battle word technique, preparing to fight to the death.

"HMPH, you're so stubborn." This late-stage mighty figure walked toward Qin Yu.

At this moment, Wen da suddenly rushed out.

He blocked in front of Qin Yu and angrily shouted, "F * CK, hurry up and get lost. Otherwise, I'll Call My Grandfather to beat you to death!"

That late-stage mighty figure glanced at Big Wen and coldly said, "Big Wen, no one can stop today's matter. I advise you not to bring trouble upon yourself."

Big Wen gritted his teeth and said, "Then try to kill me!"

This almighty coldly snorted and slightly frowned.

Before he set off, the city Lord had told him that no matter what, he could not hurt Big Wen er, so he did not dare to make a move against these two people.

Big Wen er also stood out at this moment. They stood in front of Qin Yu and did not allow anyone to come any closer.

“Men!” At this time, that Almighty spoke.

“Drag these two brothers of the Wen family to the side.”

“Yes!”

A few people quickly stepped out and walked towards Wen Er.

“You F * cking Dare!” The two brothers instantly became anxious.

But this time, they had made up their minds to bring Qin Yu back. Thus, the words of the two brothers didn't stop them from taking even half a step.

“Forget it. You guys don't need to care about this matter.” At this moment, Qin Yu suddenly spoke.

He dragged Wen Da and Wen er behind him and coldly said, “Let me handle this myself.”

“Qin Yu, you...” Wen Da's expression was extremely ugly.

This group of people was indirectly brought here by them. He couldn't help but feel a little ashamed.

Qin Yu smiled and said, “It's fine. This is my life. Moreover, I might not die.”

“This is for the best. It saves a lot of trouble.” That almighty expert also coldly said.

Qin Yu clenched his right fist, which was shining with light.

“Let me see just how powerful you are at the later stage of the mighty existence realm!”

After Qin Yu shouted, he directly charged forward!

“You don't know life from death.” The late stage of the mighty existence coldly snorted. He raised his palm and suddenly pressed down on Qin Yu!

In an instant, the ground collapsed, and a terrifying power directly pressed down on Qin Yu!

“Die!” Qin Yu roared repeatedly, not showing the slightest bit of fear.

The moves of the two collided violently at this moment, and a terrifying explosion swept out!

But what was shocking was that the late-stage mighty figure's technique was actually shattered by Qin Yu's punch!

What was even more shocking was that Qin Yu's right fist wasn't damaged at all!

The degree of toughness of this body had probably already exceeded the limits of a mighty figure!

The expression of the late-stage almighty didn't look too good either. He didn't expect Qin Yu to have such abilities.

"As expected of the person who killed Ling Yun. He's quite capable," the late-stage almighty said coldly.

Qin Yu was also somewhat apprehensive.

The combat abilities of a late-stage almighty and a mid-stage almighty couldn't be compared.

Even though he had the fifth level of the fighting formula, it was still extremely taxing.

"Come and try again." That late-stage mighty figure slowly raised his hand, and an endless aura condensed over.

This aura formed a small vortex in his palm, and the vast and mighty energy crazily revolved.

Even Qin Yu felt a hint of fear.

"Come, let me see how many more times you can last," that mighty figure said coldly.

Qin Yu clenched his fist tightly, adjusting his aura to the extreme.

His fist shone with an extreme radiance. At this moment, it was like a small sun.

"Come!" Qin Yu gritted his teeth, preparing to take this move.

"Boom!"

That Almighty didn't say anything else and struck out with his palm towards Qin Yu!

Endless energy erupted in an instant, pressing directly towards Qin Yu's body!

At this moment, a figure suddenly flashed past and blocked in front of Qin Yu.

Looking down, it was actually Wen da!

Qin Yu's expression changed drastically. He wanted to push Wen da away, but it was already too late!
