

## My Rich Wife - Chapter 1341 - 1350

*Chapter 1341: Chapter 1,341, The Shocking Wen Wanyi*

“Wen da!”

Qin Yu’s face was pale. He anxiously pushed towards Wen Da, but it was already too late.

That palm directly pressed towards Wen da!

Qin Yu felt despair in her heart, and that almighty expert broke out in cold sweat!

If this palm landed on Wen Da’s body, it would probably instantly take his life!

At that time, Wen Wanji would definitely not let him off!

“Buzz!”

Just as this palm was about to land on Wen Da’s body, a ray of light lit up.

After that, an old figure materialized and blocked in front of Wen Da.

Although this figure was quite old, he was full of bandit aura. His face was full of fierce meat, and one look was enough to tell that he was not to be trifled with.

“Grandfather!”

Seeing this phantom, Big Wen instantly heaved a sigh of relief.

And the expression of the almighty in front of him changed. Without even thinking, he hurriedly cupped his hands and said, “Greetings, senior wen...”

Wen Wanli glanced at him, then turned his head to look at Big Wen.

“F \* ck, take a look and see if it’s already exceeded the time limit!” Wen Wanli’s mouth made people’s jaws drop.

The words he said did not match his identity as an expert at all.

Qin Yu could not help but be stunned.

Was this really an expert that even the Heavenly Cloud Sect was afraid of? Why... Why did it not seem to be in tune?

“Aiya, isn’t it delayed?” Wen Da muttered.

"That's right, that's right. It's all their fault. They stopped us from leaving and even attacked Wen da just now!"Wen Er added fuel to the fire.

Hearing this, Wen Wanji's old face darkened. He turned around and looked at the nearly one hundred people in front of him.

"Oh, this is Gu City,"Wen Wanji said to himself.

Hearing this, that Almighty immediately broke out in sweat.

He hurriedly knelt on the ground and said in a trembling voice, "Senior, you... you misunderstood. The one we want to catch is this Qin Yu. Just... just now was just an accidental injury..."

"Accident?"The veins on Wen Wanyun's face bulged. He then scolded, "I accidentally injured your grandpa! You F \* cking nearly killed my precious grandson? I'll kill you!"

That Almighty was so scared that his entire body trembled. He didn't dare to say a single word.

"Just you wait. Tomorrow, I'll come to Gu City and have a chat with your city lord,"Wen Wanyun said with a cold expression.

"Don't... Don't. Senior, this... This is really a misunderstanding..."that mighty figure even wanted to die.

Wen wanyun still wanted to say something, but Wen da waved his hand and said, "Forget it. Spare his life. Grandfather, we have to hurry back."

"Qin Yu, let's go."Wen Da pulled Qin Yu and said.

Qin Yu didn't dare to be negligent and turned around to leave.

But at this time, that almighty hurriedly said, "Senior, senior, please hand this Qin Yu over to us..."

Wen Wenzhi's old face darkened. He gritted his teeth and said, "You F \* cking dare to bargain with me, right?"

"He... He and your grandson have only just gotten to know each other. You Don't have to protect him..."that Almighty said with a trembling voice.

"F \* cking bullshit!"Big Wen jumped up and gave him two slaps.

"How long have you known him? He's a friend of mine! Don't be so Shameless, do you understand?"Wen Da pointed at the Almighty's nose and scolded him.

The Almighty didn't dare to say a word. He just tried his best to hold on.

"Did you hear what my grandson said? Hurry up and make way!" Wen Wanli said impatiently.

The Almighty didn't seem to give up. He braced himself and said, "Senior, this Qin Yu killed Ling Yun. He's the most wanted criminal in the Tianyun sect..."

These words instantly infuriated Wen Wanli. His face instantly darkened.

"Are you using the Tianyun sect to suppress me?" Wen Wanli said coldly.

That icy cold killing intent instantly swept across the entire scene.

"No... of course not. I said something wrong. Please forgive me, Senior..." that Almighty was so frightened that his entire body was trembling.

Wen Wanli snorted coldly and said, "Just tell the Tianyun sect that I, Wen Wanli, took him away."

After saying this, he looked at Wen Da.

Wen Da did not waste any time and pulled Qin Yu away.

This time, no one stopped them.

Qin Yu sat on the wind-chasing stallion and followed the Wen brothers into the distance.

Wen Wanji's figure also slowly disappeared.

That almighty knelt on the ground, not daring to move.

"General, Wen Wanji has left..." only when someone reminded him did he get up from the ground.

"Damn it!" The general couldn't help but clench his teeth.

He never thought that the cooked duck would fly away just like that.

"Should we continue chasing?" Someone asked at this time.

"Chase Your Grandpa!" The general was full of anger and had nowhere to vent it. He turned around and slapped him in the face.

"I can't risk my life for the sake of the Tianyun sect."

Wen Wanli was a madman. No one was willing to provoke him.

“Anyway, I’ve done what I had to do. The rest has nothing to do with me,” the general thought to himself.

How did more than a hundred people come out and return to the imperial palace.

In the main hall, the general knelt on the ground and told the city lord what had happened.

After the city lord heard it, his expression immediately became even more unsightly.

“It’s over now. Not only did I fail to curry favor with the heavenly cloud sect, but I’ve also offended Wen Wanji...” the city lord muttered in a low voice, as if he was mourning for his mother.

*Chapter 1342: Chapter 1342: The Terrified City Lord of Gu City 1*

On the other side, Qin Yu was sitting on the wind-chasing stallion, hurrying towards the Wen family.

On the way, Qin Yu couldn’t help but think to himself.

This Wen Wanye was far too different from the immortal-like character he had imagined. He was just like a rough man.

“No wonder the Wen brothers have such personalities...” Qin Yu muttered softly.

The two brothers did not take it seriously. Obviously, this was not the first time.

“F \* ck, I wonder if we can make it back in time,” Wen da muttered.

“Why? Do you have anything else to do when you go back?” Qin Yu asked with some doubt.

Wen da glared and said, “Of course. The flower appreciation meeting that is held once every ten years is about to begin. If I miss it, I will be so angry!”

Qin Yu was slightly surprised and said, “I didn’t expect you to be a refined person.”

“Refined my ass. He’s just trying to pick up girls,” said Wen Er.

Wen da laughed and said, “Women are also flowers, and they are even more beautiful and flirtatious!”

At this point, Wen Da moved to Qin Yu's side and said mysteriously, "Let me tell you, there are many beautiful women at this flower viewing event, and all of them have good taste. I can't miss this opportunity!"

Qin Yu didn't know whether to laugh or cry. He didn't have the leisure to pick up any girls. He just wanted to recover his strength as soon as possible and go to the central plains to look for Yan Ruoxue.

The three of them flew in the air for a long time. About three days later, they landed at a place called Dayue City.

"Do you see it? The huge manor in front is our Wen family!" Wen Da said excitedly.

Following the direction of his finger, as expected, an enormous manor appeared in front of them.

This was the saint-level, after all. There was plenty of empty space here. To experts, a single piece of land was nothing.

"Let's go. I'll show you our Wen family's Manor!" Wen Da pulled Qin Yu and stepped into the manor.

Upon entering the manor, they ran into two maids.

"Young Master Wen, you're back." The handmaidens greeted the Wen brothers.

"Yo, Little Flower, did you miss me?" Big Wen said with a smile.

"I hate you!"

"Eh? Little White, you've gained weight recently. Your Butt is bigger than before, but I like it!"

"That Ling 'er, you look much fuller again."

Along the way, almost all the handmaidens they met were teased by Big Wen.

Qin Yu's old face was red. He wished he could find a hole to hide in.

...

Qin Yu only found out when he arrived at the Wen family that the Wen family no longer had any descendants. Wen Da and Wen Er's father and uncle had both died in a battle a few years ago. In the entire Wen family, they were the only inheritance.

This was also the reason why Wen Wanji doted on these two grandsons. The only pity was that they did not inherit Wen Wanji's talent in cultivation and only inherited Wen Wanji's character.

There were hundreds of people in the Wen family. They were basically maids, servants, and guards of the Wen family.

Of course, there were also young people who came after hearing the news. They wanted to cultivate with Wen wanji, but they basically failed.

There was no other reason. Wen Wanji was temperamental, and his training was extremely strict. No one could withstand it, so he left the Wen family.

After walking around, Qin Yu found that in the entire Wen family, except for Wen Wanji's training academy, almost all the other places were used for eating, drinking, and having fun.

It was said that in order to eat, the Wen family had invited over a dozen chefs of different styles, as well as many winemakers.

It was not an exaggeration to say that the Wen family was simply heaven on Earth.

"No wonder the two of you look down on the imperial palace in Gu City." Qin Yu shook his head and said.

"TSK, what is that lousy Imperial Palace of his? One look and you can tell that he has no taste!" Wen Da rolled his eyes and said.

"That's right, that's right. If I were to build it, I would first tear down the main hall for him. Look at that Dragon and Phoenix carving. It's vulgar! Too Vulgar!" Wen Er also said.

Qin Yu didn't know whether to laugh or cry for a moment. He originally wanted to come to the Wen family to scout for news, but in the end, in the entire Wen family, there seemed to be no one who was "Decent" except for Wen wanwei.

"Is Senior Wen not at home?" Qin Yu asked.

Wen Da waved his hand and said, "We made an agreement to come back in these two days. Whoever comes back late will be punished for drinking wine and will have to give the other party a million spirit coins!"

"Hehe, looks like we won," Wen er said with a smile.

Qin Yu opened his mouth but was speechless.

Qin Yu had never seen such a way of dealing with each other.

“Qin Yu, you should rest for a day first. Tomorrow and the day after, we will take you to the Flower Appreciation Meeting!”Wen Da said mysteriously.

Qin Yu nodded and said, “Okay.”

...

Gu City, where the Heavenly Cloud sect was stationed.

The city lord was sitting in a room, his face full of worry.

“We sent over a hundred people to capture that Qin Yu, but in the end, we let him escape.”The city Lord Sighed.

A middle-aged man sitting in front of him couldn’t help but sneer, “That’s because you guys are incompetent. A hundred people can’t capture him, Qin Yu?”

The city lord glanced at him and said with a bitter smile, “Capturing him is naturally not a problem. It’s just that... Wen Wanli suddenly crossed his arms. Old Wang, you have to help me speak up more.”

The man who was called Old Wang immediately frowned.

“Wen Wanli? This madman, why does he have to interfere in this matter?”Old Wang said with a frown.

“It’s all because of his two grandsons.”The city Lord Sighed.

Old Wang was silent for a moment before he stood up and said, “No, I have to report this matter to the sect master immediately!”

*Chapter 1343: Chapter 1,343, Flower Appreciation Party 1*

Hearing Old Wang’s words, the city lord hurriedly pulled him back.

“Old Wang, you must tell the sect master about the situation at that time,”the city Lord said with extreme worry.

Old Wang rolled his eyes and said, “What are you afraid of? Even if you want to settle the score, you’ll have to settle it with Wen Wanyi. What has it got to do with you?”

Even though that was the case, the city lord was still extremely worried in his heart.

He had been in power for many years, and he could be said to have an extremely good understanding of power strategies.

Many things were not about analyzing right and wrong, but analyzing the pros and cons.

If he really wanted to find someone to take the blame, it would definitely be the city lord. It would definitely not be Wen Wanli, because the price would be too high.

On the other side, Qin Yu was lying in his room, waiting for Wen Wanli's return.

Qin Yu had a lot of doubts in her heart. Maybe Wen Wanji could answer them.

Another Day passed.

Wen Da and Wen er excitedly found Qin Yu. They smiled and said, "Tonight is the flower appreciation party. You have to be prepared."

Qin Yu sat up from the bed and said, "What do I have to be prepared for?"

"There are a lot of girls there. You have to dress up properly," Wen da said.

"That's right, that's right. Moreover, many young disciples, scholars, and even famous people will come to the flower show," Wen er said.

Wen Da came forward and whispered, "Have you heard of the unique dance?"

"Unique dance? The unique dance of Mount Hua Ning?" Qin Yu was stunned.

Qin Yu had heard of this person from Guan Zhuang.

When Qin Yu had asked Guan Zhuang if there was anyone who was not afraid of the Heavenly Cloud Sect, Guan Zhuang had told him about the unique dance of Mount Hua Ning.

"TSK TSK, you know quite a lot." Wen Da rolled his eyes and said, "Let me tell you, the unique dance almost never misses any flower appreciation event! If you can woo her, you don't have to be afraid of anything in the future!"

Qin Yu immediately laughed bitterly.

"I don't want to hide behind a woman," Qin Yu muttered.

If he wanted to hide behind a woman, then why not go look for Yan Ruoxue.

Although Jue Wu was strong, she was only limited to the southern region, or rather, the Li region.

In the entire holy region, there were many people who were stronger than her.

Compared to the nine great clans of the Holy Region, Jue Wu was nothing.

“Kid, it seems like you don’t know absolute dance very well.”Wen da rubbed his chin and said.

“That’s an existence even more powerful than my grandfather! As long as she takes a fancy to you, the Heavenly Cloud sect won’t dare to do anything to You!”

Qin Yu waved her hand and said, “Alright, Alright, I got it.”

“Dress well. Tonight Is Your Chance!”Wen Da patted Qin Yu’s shoulder.

Then, Wen da even asked someone to deliver a set of luxurious clothes.

Qin Yu originally didn’t want to wear it, but this was after all a gift from Wen Da, so Qin Yu couldn’t refuse.

After changing clothes, Qin Yu walked out of the room.

“TSK TSK, as expected, people rely on clothes and horses. If you change into this set of clothes, your looks are comparable to mine!”Wen Da gave a thumbs up.

Qin Yu rolled her eyes and said, “Shameless.”

“Alright, let’s hurry up and set off. We won’t be able to make it in a while,”Wen er said hurriedly.

The three of them didn’t say anything else and immediately rushed towards the flower appreciation society.

The flower appreciation society was against the border of the Great Yue. This place was filled with green mountains and rivers, but it had been artificially altered. It was extremely beautiful.

The flowers here were called the ancient flowers. They only bloomed once every ten years, and the beauty of the ancient flowers surpassed any other kind of flowers in the world.

It was said that anyone who had seen the eternal flowers would be mesmerized by them, especially women.

Qin Yu followed the Wen brothers to the flower viewing event.

At this moment, the flower viewing event was already packed with people. Almost everyone was dressed in bright and beautiful clothes.

However, compared to the eternal flowers that filled the mountains and plains, these peerless beauties seemed to have turned into green leaves.

"It smells so good." Qin Yu sniffed her nose forcefully and felt her entire body relax.

"Of course, the body fragrance of a beautiful woman is the best." Wen da wiped his saliva and said with a lecherous look.

There were many people reciting poems in the flower appreciation meeting, and there were also people tasting wine.

As for Wen Da and Wen Er, they chatted everywhere.

The way they chatted up was also very simple and violent.

"Beautiful woman, my grandfather is Wen Wanli. Can We Talk?"

"Baby, you're So Pretty. My grandfather is Wen Wanli. Shall we admire the flowers together?"

One had to admit that their method was very effective. Many people heard that they were Wen Wanli's grandsons and were interested in befriending them.

Qin Yu was not very interested in these things, and the beauty of the ancient flowers did not attract Qin Yu.

He wanted to see what kind of person the legendary swan dance was.

At this moment, four or five young geniuses walked toward Qin Yu and the others.

They were three men and two women. They were elegant, handsome, and had an extraordinary aura.

"Look, those two idiots from the Wen family are embarrassing themselves," a young man in the crowd said faintly.

"Hehe, these two idiots have completely embarrassed Wen Wanwei."

"That's right. Today is the flower viewing event. We might as well go over and tease him."

The few of them hit it off and immediately walked towards Wen Da and Wen Er.

"Young Master Wen, long time no see." One of the slender youths said with a faint smile.

Seeing this youth, Wen da said with some displeasure, "Zhu Lan? Stay away from me. I get annoyed whenever I see you."

The young man called Zhu Lan said with a faint smile, "Young Master Wen, I miss you a lot. How is it? You've caused a lot of trouble for your grandfather recently, haven't You?"

"F \* ck your grandfather!"Wen Da was instantly furious. Wen Er hurriedly stopped him from the side and said in a low voice, "There are beautiful women. Pay attention to your image."

*Chapter 1344: Chapter 1,344, I'll fight for him*

Hearing this, Wen da suppressed his anger and said impatiently, "Stay away from me. Don't force me to beat you up."

"Beat me up? Are you going to beat me up, or is your grandfather going to beat me up?"Zhu Lan mocked.

The people around Zhu Lan immediately burst into laughter.

They all knew that the Wen brothers were nothing. They often used this to tease them.

"I don't need my grandfather to beat you up. I can beat you up!"Wen da rolled up his sleeves and said.

Zhu Lan smiled faintly and said, "Oh? Really? I'll just stand here and not move. Come and beat me up."

After saying that, Zhu Lan really put his hands behind his back and looked at Wen Da and Wen Er provocatively.

"F \* ck, you're going too far!"Wen Da cursed and immediately clenched his fist and rushed over.

He clenched his fist and ruthlessly smashed it at Zhu Lan's head. With a "Bang"sound, Zhu Lan was completely fine. However, this wen da "Deng Deng Deng Deng"took a few steps back.

"Hahaha!"

Zhu Lan and the others immediately burst into laughter. They looked at Wen Da and Wen Er, who were lying on the ground, with a face full of ridicule.

"Young Master Wen, I didn't make a move. You Can't blame me for this, right? I think even your grandfather can't find me to settle the score because of this, right?"Zhu Lan said with a smile that was not a smile.

Wen da gritted his teeth and said, "Just you fucking wait!"

"Why? Are you going back to look for your grandfather?" Zhu Lan ridiculed.

Elder Wen's face turned red and he didn't know how to reply for a moment.

"Young Master Wen is right. Senior Wen doesn't need to do anything to beat you up." At this moment, Qin Yu walked out.

He slowly walked in front of Zhu Lan and said with a smile, "Your name is Zhu Lan, right?"

Zhu Lan frowned slightly and said somewhat unhappily, "It's Zhu Lan."

"Okay, Zhu Lan." Qin Yu nodded slightly. "Zhu Lan, I'll help Young Master Wen. How about it?"

Zhu Lan sized up Qin Yu and said, "Who are you? How come I've never seen you before?"

Qin Yu smiled and said, "I'm a newly recruited servant of the Wen family. I'm nobody. I'm not worth mentioning."

Zhu Lan's eyes narrowed slightly. He swept his gaze over Qin Yu's body and thought to himself, "He is actually an ordinary person without any spiritual power?"

At the thought of this, Zhu Lan could not help but sneer.

"Alright. Since you want to help him, then I will satisfy you." Zhu Lan put his hands behind his back and put on that arrogant posture once again.

Qin Yu did not waste any words. He walked in front of Zhu Lan and gently clenched his right fist. Golden Light slowly condensed.

In the next second, Qin Yu suddenly threw a punch at Zhu Lan's chest.

With a bang, Zhu Lan's chest was directly shattered, and his body was sent flying hundreds of meters away!

The faces of the people around him immediately changed. One of them even shouted, "Kid, are you courting death!"

Qin Yu sneered, "He was the one who asked me to make a move. What, Now You Want to blame me?"

Those people couldn't care less about Qin Yu. They pointed at Qin Yu and said, "Just you wait. I'll come back to settle the score with you later!"

After saying that, they hurriedly ran in the direction of Zhu Lan.

"Qin Yu, well done!" Wen Da and Wen Er said excitedly.

"I have long disliked this. If it weren't for my grandfather not willing to take action against the younger generation, I would have killed him long ago!" Wen Da said in a huff.

"That's right, that's right. Now that Qin Yu is here, I can take care of these little bastards as I please in the future."

As he spoke, Zhu Lan had already dashed over.

His entire body was covered in blood, and his entire body was dyed red.

There was even a huge bloody hole in his chest, and his ribs were all broken. It was a gruesome sight to behold.

Zhu Lan stared at Qin Yu and said coldly, "Brat, you actually dare to make a killing move?"

Qin Yu sneered, "I didn't kill you. If I killed you, do you think you can still stand in front of me?"

"What big words!" The person beside Zhu Lan said coldly.

"You are so young, but you are so vicious. If I don't Teach You a lesson, you will be a disaster in the future!"

"Kid, you cut off your own arms. We can consider forgiving you."

Qin Yu couldn't help but sneer when he heard that. "What nonsense are you spouting? Did the dog ask me to make a move just now? He just stood there and didn't move. What does that have to do with me? Twisting black and white to stir up trouble. Is this your face?"

These people knew that they were in the wrong, so they simply took off their hypocritical masks.

The few of them looked at Qin Yu coldly and said, "We were just joking with Young Master Wen, but you made such a deadly move. You must pay the price!"

"Pay the price of Your Grandpa!" Wen Er cursed loudly.

“That’s right, that’s right. Qin Yu, you don’t have to be afraid of him. If they dare to compete again, you can kill them all!”Wen Er also said.

Qin Yu looked at these few people coldly and said, “Whoever wants to make a move, feel free to do so.”

“You’re courting death!”One of them immediately rushed towards Qin Yu!

At this moment, Zhu Lan was frowning.

He had a feeling that he had heard of the name Qin Yu somewhere before.

“Qin Yu... HMM? Isn’t Qin Yu the person who killed Ling Yun with two punches a few days ago?”Zhu Lan suddenly recalled.

He hurriedly shouted, “Stop, come back quickly!”

However, it was already too late. Qin Yu’s Golden Fist was already heading straight for his head!

*Chapter 1345: Chapter 1345, she is the ultimate dance? ! 1*

The Golden Fist broke through all defenses, and his spells shattered the moment they came into contact!

This was a fist that could even kill Ling Yun, let alone this young man in front of him!

“Kacha!”

With a crisp sound, his head exploded, and even his primordial spirit exploded!

The corpse fell to the ground with a loud “Bang”.

The surrounding people were terrified, and their faces were ashen

What kind of punch was this? He didn’t even have the strength to fight back?

The people around Zhu Lan had extremely ugly expressions. They had wanted to tease the Wen brothers, but they didn’t expect such an outcome.

“Do you still want to come?”Qin Yu stepped forward and pressed down on Zhu Lan.

Zhu Lan’s expression was extremely ugly. His self-esteem made it impossible for him to lower his head. However, fear made him abandon his self-esteem at that moment.

“So it’s fellow Daoist Qin Yu. I’ve long heard of you. It’s because I have poor eyesight,”Zhu Lan cupped his hands and said.

Qin Yu raised his eyebrows and sneered. “You know me?”

“The news of Brother Qin killing Ling Yun has spread throughout the entire southern province,”Zhu Lan cupped his hands again.

After Zhu Lan’s reminder, the people around him also reacted.

This young man was the one who had killed Ling Yun with two punches!

Even Ling Yun couldn’t withstand two punches, let alone them!

“So... so it’s brother Qin. I’ve heard a lot about you.”The others also greeted him.

Qin Yu said coldly, “Hurry up and get lost. I’m warning you, you’d better not come here and act like a B \* TCH. Otherwise, you’ll have to bear the consequences.”

“Yes, yes.”These people didn’t dare to say anything more and turned around to run.

After they ran far away, Wen Da and Wen Er excitedly gave Qin Yu a hug.

“Damn it, Qin Yu, you’ve given us a lot of face!”

“Well done!”

The two of them gave Qin Yu a thumbs up, their faces full of excitement.

Qin Yu said half-jokingly and half-seriously, “You see, some things still have to depend on yourself, right? Even Senior Wen can’t do anything about it.”

Wen Da waved his hand and said, “This is nothing. It’s just an occasional thing.”

“That’s right, that’s right.”Wen Er also nodded.

Seeing this, Qin Yu could only let out a bitter laugh.

It seemed that these two brothers’thoughts were already deeply ingrained and would not change easily.

“Let’s go and admire the flowers!”Big Wen pulled Qin Yu and said.

It had to be said that this flower appreciation party was filled with beauties, and each of them was extraordinarily beautiful.

Meanwhile, Big Wen and Wen Er were like the second generation of the rich in the ordinary world. It could be said that they could easily pick up girls.

Qin Yu was not interested in this. His eyes kept looking around, as if he was looking for something.

“Didn’t I say that Jue Wu would come? Why isn’t she here yet?” Qin Yu muttered in his heart.

Jue Wu was a famous figure in the South Province. She was one of the people standing at the peak. She must be an outstanding woman.

“Hey, you’re blocking me. Get Out of my way!”

At this moment, an extremely childish voice came from behind Qin Yu.

Turning around, she saw a little loli who looked to be only 15 or 16 years old staring fiercely at Qin Yu.

Qin Yu glanced at her and smiled. “Little friend, I don’t seem to have blocked you, right?”

“Nonsense! Come over here, I want to ride you and admire the flowers!” The Little Loli said with an overbearing look.

Qin Yu rolled his eyes at her and said, “Little friend, this won’t do. You have to be polite, understand? Say Something Nice, Big Brother can hug you and admire the flowers.”

“Hug Me?” The Little Loli snorted. “I said I want to ride you. Do you understand?”

Qin Yu rolled up her sleeves and said, “If you continue to be so rude, I will teach you a lesson!”

“Teach me a lesson? I will teach you a lesson!”

The Little Loli’s figure suddenly disappeared as if she had disappeared into space.

Before Qin Yu could react, she had already sat on Qin Yu’s shoulder.

“En, the view is much better this way,” the Little Loli said to herself.

Qin Yu couldn’t help but be secretly shocked.

Such speed was truly terrifying.

“The flower viewing event is really full of hidden dragons and Crouching Tigers,”Qin Yu thought to himself.

However, Qin Yu didn't want to lower herself to the level of a child, so she smiled and said, “Are you satisfied now?”

The little loli frowned and said, “Satisfied my ass. Your shoulder isn't comfortable at all. It's full of bones, and my butt is aching. I order you to quickly eat fatter and be my exclusive meat cushion.”

Qin Yu didn't know whether to laugh or cry when he heard that.

“You Little Brat, it's fine if you ran to someone else without their consent, but now you dare to despise me?”Qin Yu pretended to be angry and said.

The Little Loli glared at Qin Yu and said, “Shut up and don't delay me from appreciating the flowers!”

Qin Yu rolled up his sleeves and said, “If I don't Teach You a lesson today, you will be a little arrogant.”

“Qin Yu, what the hell are you doing here!”

At this moment, Wen Da and Wen Er ran over.

Qin Yu pointed at the Little Loli on her shoulder and said, “I want to teach this little brat a lesson. Don't Stop Me.”

Wen Da looked at Qin Yu's shoulder, but his expression instantly became a little strange.

“Ma... Aunt Juewu, when did you come? Why didn't you inform us?”Wen Da laughed embarrassedly.

“That's right, that's right. It's also good for us to prepare a banquet or something.”Wen Er also nodded.

Qin Yu was stunned.

Juewu?

The Little Loli on her shoulder was the famous Juewu? !

*Chapter 1346: Chapter 1,346, the Strange Swan Dance 1*

Qin Yu was stunned!

There was Wen Wenzhi, who was full of swear words, and the famous Loli Swan Dance, which was simply unheard of!

“So it’s you two brats.” Swan dance looked at Wen Da and Wen Er.

“Where’s your grandfather?”

Wen da hurriedly said, “My grandfather will be back in a day or two.”

“Oh, I’ll visit your grandfather another day,” said Jue Wu.

“Okay! We’ll prepare some delicious food later!” Big Wen patted his chest and said.

Jue Wu waved her hand and said impatiently, “Okay, okay. Don’t delay me from appreciating the flowers.”

Then, she sat on Qin Yu’s shoulder and started appreciating the flowers happily.

Qin Yu coughed dryly and said somewhat awkwardly, “Are you the famous Jue Wu? It’s not quite the same as I imagined.”

“Shut up!” Jue Wu berated, “If you delay me from admiring the flowers again, I’ll Tear Your Mouth Apart!”

Qin Yu didn’t know whether to laugh or cry for a moment.

Although Jue Wu was a top-notch expert, for some reason, Qin Yu couldn’t feel that kind of reverence in her heart.

Perhaps it was because of her unique image that Qin Yu found it difficult to associate her with an expert.

Wen Dawen, who was at the side, kept winking at Qin Yu, as if he was afraid that Qin Yu would offend Jue Wu.

Jue Wu sat on Qin Yu’s shoulder and followed Qin Yu and the others to admire the flowers.

After about two hours, Jue Wu yawned and said, “I’m tired. I should go back.”

“Aunt Jue Wu, stay at our place!” Wen Da volunteered.

“Okay.” Jue Wu didn’t refuse and directly agreed.

Therefore, Jue Wu sat on Qin Yu’s shoulder and rushed to the Wen family.

After returning to the Wen family, Jue Wu jumped off Qin Yu's shoulder.

"You are too incompetent as a meat cushion. Hurry up and gain some weight." Jue Wu was like a little adult.

Qin Yu rolled her eyes and said, "It's already good enough to let you sit. You have a lot of problems."

Hearing this, Master Wen and Master Wen's faces turned green.

They kept winking at Qin Yu, asking him to say less.

However, Qin Yu ignored Wen Da and Wen Er. He squatted down, stared at Jue Wu and said, "Hey, I've carried you for so long. Do you have any benefits?"

"Benefits? It's your honor to be able to give me a meat cushion, but you still dare to ask for benefits?" Jue Wu glared and said.

Qin Yu snorted lightly and said, "Whoever wants to sit on your meat cushion, you can find another one."

After saying that, Qin Yu turned around and was about to leave.

"You Dare!"

At this moment, Jue Wu suddenly stretched out her small hand, and a huge suction force instantly pulled Qin Yu back.

Qin Yu couldn't help but suck in a cold breath. This force was too powerful, and he had no ability to resist at all!

"Kid, do you believe that I won't break your legs?" Jue Wu bared her fangs and brandished her claws as she said.

Qin Yu snorted and said, "I, Qin Yuning, will not give in even if I die. Come On!"

"Okay, then don't blame me for being impolite!" Jue Wu raised her small hand and slapped Qin Yu's calf.

"Aunt Jue Wu, don't!" Wen Da and Wen Er instantly became anxious. On the other hand, Qin Yu clenched her teeth and didn't say a word even though she was a little nervous.

That small hand stopped half a centimeter in front of Qin Yu's calf.

"Little meat cushion, are you really not afraid of Death?" Jue Wu stared at her and said in surprise.

Qin Yu snorted and said, "Who hasn't died since ancient times? I'm Not Afraid!"

"You little meat cushion, you're quite interesting," Jue Wu said with a smile.

Qin Yu got up from the ground and said, "You Little Loli are also quite interesting."

"Who's a Little Loli? At my age, it's not too much for you to call me Grandma!" Jue Wu said angrily with her hands on her waist.

Qin Yu waved her hand and said, "I don't want to talk nonsense with you. I'm going back to sleep."

"I won't Let You Go!" Jue Wu reached out her palm again and directly sealed the space in front of Qin Yu.

Qin Yu pretended to be angry and said, "What on earth do you want to do!"

"To be my meat cushion, do you understand?" Jue Wu waved her small hand and said.

"Beautiful! You Go find someone else, you go find someone with meat," Qin Yu snorted.

Jue Wu scratched her hair and said impatiently, "Okay, okay, what do you want, say it."

Qin Yu's eyes lit up and said with a smile, "Really?"

"Hurry up, say it before I change my mind!" Jue Wu scolded.

Qin Yu grinned and said, "I want life qi. I want a large amount of life qi!"

"Life qi?" Jue Wu was stunned. She frowned and said, "What do you want that thing for?"

"It's useful. Don't ask," Qin Yu muttered.

Jue Wu thought for a moment and said, "Alright, I'll help you ask later."

"Thank you very much!" Qin Yu quickly cupped her hands and said.

Jue Wu's body flashed and sat on Qin Yu's shoulder again.

She patted Qin Yu's shoulder and said, "Your shoulder is really weird. It's so hard that it's like a rock."

Qin Yu rolled her eyes and said, "Then why are you still sitting?"

Jue Wu said proudly, "I have a lot of meat on my butt. I'm Not Afraid!"

Qin Yu opened her mouth and was speechless for a moment.

She didn't know what was going on, but ever since she went with Wen Dawen, the people she met didn't seem to be normal.

The speed at which this unique dance changed her expression was extremely fast. One second, she was extremely unhappy, and the next second, she burst into laughter. She was really temperamental.

And for some unknown reason, she insisted on sitting on Qin Yu's shoulder.

*Chapter 1347: Chapter 1,347, Wen Wanye*

Qin Yu stayed at the Wen family for the next few days.

He accompanied Juewu to go shopping all day, and he really became her cushion.

But Juewu looked too young, like a child, so Qin Yu didn't feel too much psychological pressure.

Three days passed in a row.

On the fourth day, Wen Wanye, who hadn't shown up, finally came back from the outside.

"Damn it, I'm actually late." Wen Wanli cursed as soon as he entered the door.

Wen Da and Wen Er came up with smiles and said proudly, "Grandpa, we agreed that those who came back late would have to give one million spirit coins to the other party."

With that, the two made the gesture of counting money.

"Damn it!" Wen Wanli cursed. Although he was extremely unwilling, he still gave the two one million spirit coins.

At this moment, Qin Yu and Jue Wu walked in from outside.

As soon as they entered, Jue Wu shouted, "Old Wen!"

Wen Wanye was stunned and hurriedly turned to look at Jue Wu.

He changed his expression and said with a smile, "It's Jue Wu. Why are you here?"

Jue Wu jumped down from Qin Yu's shoulder. She raised her head and said, "Why can't I come? Don't you welcome me?"

“Of course not. I miss you day and night,” Wen Wanyun said with a bit of doubt.

Hearing this, Jue Wu suddenly jumped up and grabbed Wen Wanyun’s beard.

Wen Wanyun was an extremely huge old man, more than two meters tall.

And Jue Wu was only about 1.4 meters or 1.5 meters. When she jumped up and grabbed Wen Wanyun’s beard, she could almost swing on the swing.

“If you miss me, why don’t you go to Mount Hua Ning to find me?” Jue Wu asked while pulling Wen Wanyi’s beard.

“Aiyo, hurry up and let go...” Wen wanyi covered his beard. He looked extremely painful.

“I won’t Let Go!” Jue Wu snorted.

Qin Yu was dumbfounded.

These two peerless powerhouses were actually smiling like two children. They completely subverted the image of the powerhouses in Qin Yu’s heart.

“Hurry up and get out!” Wen Da pulled Qin Yu and walked out dejectedly.

“Hu, the person my grandfather most doesn’t want to see is Jue Wu.” Wen Da patted his chest and said.

“Yes, yes.” Wen Er also nodded and said.

Qin Yu smiled bitterly and said, “Looks like your grandfather and Jue Wu are very familiar.”

“Of course, we have been friends for many years.” Wen Da waved his hand and said.

Qin Yu suddenly understood. No wonder the Heavenly Cloud sect didn’t want to offend Wen Wanli.

If Jue Wu and Wen Wanli joined forces, the Heavenly Cloud sect might not be able to do anything about it.

Qin Yu, Wen Da, and the rest were drinking in the manor. It was only in the evening that Wen Wanli called them to the restaurant.

The long table in the restaurant was already filled with delicacies. Wen Wanli was sitting at the side with a gloomy expression.

His gaze landed on Qin Yu and he asked coldly, "Are you the Qin Yu Who Killed Ling Yun?"

Qin Yu immediately cupped his hands and said, "Greetings, senior Wen."

Wen Wanli nodded his head in admiration and said, "Not bad, you're quite capable. I heard that you killed Ling Yun in front of the first elder?"

Qin Yu smiled bitterly and said, "Yes, it's also because of this that the heavenly cloud sect is desperately looking for me."

"What... What's there to be afraid of... ugh..." Jue Wu mumbled as she stuffed food into her mouth.

"You're my meat cushion. The Heavenly Cloud Sect... won't dare to do anything to you..."

Wen Wanli also nodded slightly and said, "As long as you're with me, the Heavenly Cloud sect shouldn't come looking for trouble."

Qin Yu acknowledged and said, "Then thank you very much, senior."

Wen Wanli sized up Qin Yu again and then asked, "No spiritual power? Crippled Body?"

"No, I was poisoned by the Twilight Qi," Qin Yu said in a deep voice.

As soon as he said this, Wen Wanli's eyes immediately lit up, but it only lasted for a moment.

"So, you can't use your spiritual power because of the Twilight Qi?" Wen Wanli said expressionlessly.

He looked calm on the surface, but in his heart, he was overjoyed.

Qin Yu nodded and said, "But my twilight qi poison is different from ordinary people."

Then, Qin Yu told Wen Wanli in detail what had happened.

Wen Wanli was calm on the surface, but in his heart, he had made up his mind.

In the entire Wen family, Wen Wanli only had two grandsons, and he didn't even have a personal disciple.

And these two grandsons weren't interested in cultivation at all. Wen Wanji was just wondering who he should pass on his mantle to. Wasn't Qin Yu in front of him the best choice?

“Alright, let’s eat.”Wen Wanji said expressionlessly.

After eating, Wen Wanji wiped his mouth and stood up. “Qin Yu, accompany me for a walk.”

“Okay.”Qin Yu didn’t think much. He just had a few questions he wanted to ask, so he followed Wen Wanji out.

The two of them walked in the Wen family manor. Wen wanji asked, “Qin Yu, what do you think of my two grandsons?”

Qin Yu thought for a moment and said, “Although Wen Da and Wen Er don’t look decent, they are quite kind-hearted. I think they are quite good.”

Wen wanji coughed and said, “Ordinary cultivators shouldn’t look at such people.”

Qin Yu smiled and said, “I don’t think so. Everyone makes different choices. There’s no way to say who’s right and who’s wrong.”

Wen Wanji became happier the more he heard. His heart was blooming with joy.

He suddenly stopped and looked down at Qin Yu with a serious face.

“Qin Yu, are you willing to take me as your master?”Wen Wanji said with a serious face.

*Chapter 1348: Chapter 1,348, acknowledging a master*

Qin Yu was stunned. Qin Yu was not used to Wen Wanyun’s sudden seriousness.

He coughed and said, “Senior, are you... Serious?”

Wen Wanyun put his hands behind his back and said with a serious expression, “I, Wen wanyun, never joke.”

Qin Yu scratched his head and did not know how to answer.

Although Wen Wenzhi was full of swear words, his personality was quite similar to that of Wen Da and Wen Er.

Moreover, with his cultivation, he was one of the top people in the entire South Province. It was indeed a good choice to have him as a master.

When Wen Wenzhi saw that Qin Yu didn’t speak, he thought that Qin Yu was a little worried.

He explained, "You have also seen our Wen family. Right now, only Wen Da and Wen Er are left. However, the two of them are unwilling to cultivate, and their talent isn't good either. Moreover, you should also be clear about their personalities. They are naturally good at provoking others."

Speaking up to this point, Qin Yu seemed to have understood something.

"It's fine if I'm alive now. No one dares to offend them, but what if I Die?" Wen wanye said in a deep voice.

Qin Yu smiled bitterly and said, "Senior, my words may not sound very pleasant, but... your worry doesn't seem to be necessary."

"With your strength and talent, I'm afraid that your lifespan will be longer than Wen Da and Wen Er's..."

Wen Da Wen Er's realm was extremely low, so his lifespan naturally couldn't be compared to that of a top expert like Wen Wan something.

Wen Wan something sighed and said, "Under normal circumstances, that is indeed the case, but I have a feeling that one day I will die in battle."

"Moreover, the huge Wen family does indeed need someone to inherit it. I don't wish for the Wen family to end in my generation."

"I have always hoped that they can find a girl from a large aristocratic family and give birth to an outstanding descendant."

Qin Yu remained silent. This kind of thought was indeed understandable.

No one would want their family to continue declining, especially a top expert like Wen Wanyi.

To be able to cultivate to such a realm was no longer something that could be accomplished through hard work. It was more dependent on one's talent.

It was unknown how many people were stuck at a certain realm for an entire lifetime.

"Alright, I'm Willing." Qin Yu didn't think about it anymore. To him, this matter was more beneficial than harmful.

Moreover, if he could help them, Qin Yu was also very willing, so he had no reason to refuse.

Wen Wanli nodded and said, "Alright, from today onwards, I will teach you the Ultimate Arts of My Wen family, as well as the treasures I collect."

Qin Yu smiled bitterly and said, "Senior Wen, in my opinion, the most important thing now is to find the Qi of life. Otherwise, I won't be able to cultivate at all."

Wen Wanyi was silent for a moment before he agreed, "Alright, there will be a myriad sect gathering in da Yue in a few days. At that time, I will think of a way to find this item for you."

"Thank you, senior! Oh, NO, master!" Qin Yu cupped his hands.

After they finished chatting, Wen Wanyi didn't say anything more.

He didn't have too many requests for Qin Yu. As long as he got a promise from Qin Yu, it would be enough.

After returning, Wen Da and Wen Er hurriedly came over.

The two of them pulled Qin Yu and whispered, "What did my grandfather say to you?"

Qin Yu smiled and said, "He wants me to be his disciple."

Wen Da was stunned and hurriedly said, "Be his disciple? Qin Yu, you won't agree to it, right?"

"Yeah, I agreed. What's the matter?" Qin Yu asked in puzzlement.

When Wen da heard this, he couldn't help but give Qin Yu a thumbs up.

"Brother, I admire you. You Don't know how painful it is to be my grandfather's disciple. What you did was not human affairs!" Wen Da said with a sorrowful face.

"That's right, that's right. In the past, there were many people who came to be my grandfather's disciple after hearing the news. In the end, they all ran away." Wen Er also nodded and said.

Qin Yu was not worried about this problem. He had come from nothing and had experienced countless torments. All the pain was nothing to him.

Moreover, the current Qin Yu was unable to cultivate at all. Even Wen Wanji could not do anything to him.

What he could do was to find the life force for Qin Yu as soon as possible.

"Brother, take care!" Wen Dawen er looked at Qin Yu with a pitiful expression.

Qin Yu smiled but didn't say anything. With Wen Wanji's help, it would be much easier to find the life force.

On the other side.

Old Wang had already rushed back to the Heavenly Cloud sect.

He knelt in front of the first elder and told him what had happened.

“Wen Wanli? Why would he care about this?”The Great Elder said with a dark face.

Old Wang smiled bitterly and said, “It’s all because of his two grandsons. I don’t know what kind of Luck Qin Yu had to become friends with the Wen Brothers...”

The Great Elder’s face was cold and he didn’t say anything for a long time.

“This Wen Wanli thinks too highly of himself.”The Great Elder’s face was dark. “Give him some face. Do you really think our Heavenly Cloud Sect is afraid of Him?”

Old Wang quickly nodded. “That’s right. No matter how strong he is, he is just one person. How can he be compared to Our Heavenly Cloud Sect?”

The great elder said coldly, “Qin Yu killed Ling Yun. This revenge must be avenged. Otherwise, where will our Heavenly Cloud Sect’s face go? Even if he, Wen Wanji, appears, he can forget about stopping this matter!”

Old Wang quickly said, “Great Elder, you should report this matter to the sect master.”

*Chapter 1349: Chapter 1349, do you know the Keeper of the path*

The great elder glanced at Old Wang and said coldly, “Do I need you to teach me how to do it?”

A trace of panic flashed across Old Wang’s face, and he hurriedly said, “Great Elder, you’ve misunderstood. How could I dare to point fingers in front of you...”

The great elder snorted lightly and didn’t say anything more. He immediately got up and walked out of the Elder’s residence, heading toward the sect master’s room.

He walked all the way to the depths of the heavenly cloud sect.

There was a tall mountain here called the Heavenly Cloud Mountain. It was said that the Heavenly Cloud sect got its name from this mountain.

The Heavenly Cloud Mountain was also where the sect master was located. Usually, he would spend most of his time here comprehending the Dao.

This place was filled with dense mist, and it was like a fairyland.

The sect master sat under a tree. It was said that this tree was a divine tree. Back then, many top experts had attained the DAO under this tree.

The first elder pushed aside the clouds and walked over.

The moment he arrived, he realized that elder Bai was also here.

The first elder frowned and asked, "What are you doing here?"

Elder Bai smiled and cupped his hands. "Greetings, First Elder. I have something important to report to the sect master."

"Something important? What could it be that you have something important to report?" The first elder snorted.

Elder Bai's face was full of smiles, but in his heart, he had already greeted all eighteen generations of the first elder's ancestors.

The first elder coldly said, "I have something important to report to the sect master. You can leave now."

The originally displeased elder Bai would not listen to the first Elder's words at this moment.

He chuckled and said, "I'm sorry, First Elder. I also have something to say."

"I told you to SCRAM. Don't you understand?" The first elder said with a gloomy face.

Elder Bai said with a faint smile, "First Elder, aren't you being a little too overbearing?"

"You're courting death!"

"Enough!"

Just when the first elder was about to make a move, the sect master's voice came from not far away.

His figure slowly walked out from the fog like an immortal.

"If you have something to say, just say it. We're not outsiders," the sect master said in a deep voice.

Since the sect master had already said so, the first elder did not dare to say anything.

He hurriedly cupped his hands and said, "Yes, sect master."

After that, the first elder told him what had happened.

“Although that Wen Wanji has some ability, isn’t he a little too much?”The first elder said in a cold voice.

“It has been many years since someone dared to interfere in our heavenly cloud sect’s matters.”

After the sect master heard it, he shook his head.

“Wen Wanye can not be touched,”the sect master said indifferently.

The first elder frowned and said, “Why? Is Our Heavenly Cloud Sect Afraid of Him?”

The sect master glanced at him and said, “A mere Wen Wanye is indeed nothing, but Wen Wanye is a straightforward person and has made many good friends, including Hua Ning Mountain’s unique dance.”

“Once we touch Wen Wanyun, they will definitely help us. When that time comes, it will be troublesome.”

“Unique dance of Mount Hua Ning? That Crazy Woman?”The first elder frowned, and his face didn’t look too good.

It could be seen that they seemed to be more afraid of the unique dance.

The sect master put his hands behind his back and said indifferently, “That’s right, so we can’t Touch Wen Wanyun.”

“Are we going to tolerate his impudence? And that Qin Yu, he...”the great elder couldn’t help but gnash his teeth in anger.

The sect master sighed and said, “Things have to be dealt with. At the very least, there has to be an explanation. Of course, if that Qin Yu is really unable to cultivate because of the twilight qi poison, then he can make up for Ling Yun.”

The Great Elder remained silent. Although he was displeased, he understood the sect master’s intentions.

Elder Bai was terrified when he heard these words.

Once Qin Yu was poisoned by the Twilight Qi, he would definitely be pushed out as an explanation to the outside world!

“No, I have to act immediately...”elder Bai gritted his teeth.

He had to think of a way to intensify the conflict between the two.

...

At this moment, Qin Yu was staying at the Wen family, waiting for the myriad sect gathering.

Although da Yue's geographical location was not the center of the South Province, many famous events would be held in da Yue.

There was no other reason except that it was probably a place for outstanding people.

Back then, there was a great cultivator at the tribulation stage who walked out of Da Yue.

And his name was da Yue.

In the evening, everyone gathered to eat and drink.

With Wen Da and Wen Er, as well as Jue Wu, these three clowns, there was no lack of joy at the dinner.

Qin Yu, on the other hand, was full of worries and seemed to have something to say.

After eating, Wen Da and Wen er burped and said, "The two of us are going out. A girl asked us out to play."

Speaking up to this point, Wen da asked Qin Yu, "Are you going?"

Qin Yu shook her head and said, "I'm not going."

"TSK!" Wen Da waved his hand and turned around to leave the Wen family.

After they left, Qin Yu looked at Wen Wenzhi and said, "Master, I have a few questions to ask you."

"If you have any questions, just say it," Wen Wenzhi said casually.

Jue Wu, who was at the side, widened her eyes and said, "You little meat cushion, why don't you ask me!"

Qin Yu glanced at her and said, "Don't interrupt when adults are talking."

"Little meat cushion, how dare you!" Jue Wu puffed up her cheeks and scolded angrily.

Qin Yu ignored him and looked at Wen wanyi, saying, "Master, do you know the Keeper of the path? and the Yan family of the Central Province?"

*Chapter 1350: Chapter 1,350, the legend of the Guardian*

"The Guardian?" Wen Wanfu frowned. "Are you talking about the guardian of the treasure?"

"No." Qin Yu scratched his head and said, "I don't know how to explain it to you. Anyway, people call him the guardian of the Dao..."

"You're probably talking about the guardian of a certain region," Jue Wu suddenly said.

Qin Yu was stunned. He looked at Jue Wu in surprise and said, "You actually know about it?"

Jue Wu said proudly, "How is it? You Little Meat Cushion, do you know my ability now?"

"Screw you, hurry up and say it," Qin Yu urged.

Jue Wu didn't say too much nonsense. She held her chin and said, "I've only heard rumors about the guardian of the Dao, but I've never seen it before."

"It's said that most of the dao guardians are very powerful and can protect the people in the starry sky to prevent someone from breaking the Dao. Of course, these are all legends. It's not certain whether there are any dao guardians or not."

"There definitely are!" Qin Yu blurted out.

Jue Wu rolled her eyes at Qin Yu and said, "You Little Brat, what do you know?"

Qin Yu was not in the mood to joke with her. Instead, she asked anxiously, "How can I become a Dao Guardian?"

Jue Wu thought for a moment and said, "According to the rumors, a dao protector can only be chosen. In other words, basically all dao protectors are destined at birth."

"Chosen?" Qin Yu frowned even more.

Who was the chosen one? Was it the Heavenly Dao?

"It is said that most dao protectors lead an extremely painful life. From birth, they are thrown into the cycle of reincarnation to cultivate and suffer a lot," said Jue Wu.

"Because of their identity, most of them will live a lonely life."

Hearing her words, Qin Yu felt extremely uncomfortable.

In other words, from the moment her father was born, he was thrown into the cycle of reincarnation to experience bitter cultivation in order to obtain a top-notch cultivation...

Previously, Qin Yu had always felt that she was very wronged. However, at this moment, Qin Yu suddenly realized that the suffering she suffered was nothing compared to her father.

“Can’t they marry and have children?” Qin Yu asked with a frown.

Jue Wu shook her head and said, “I heard that they can’t.”

“Then... what happens if they give birth?” Qin Yu asked carefully.

“I heard that they will be punished by the Heavenly Dao. As for what kind of punishment, I’m not too sure,” Jue Wu muttered.

“In short, I’ve heard people say before that basically all the Guardians of the Dao have no feelings to speak of. Usually, things like marrying and having children won’t happen.”

Qin Yu sat there in a daze, feeling extremely sad.

At this moment, all of his complaints towards his father had vanished into thin air.

“Aiya, just treat it as a story. Anyway, we don’t know whether it’s true or not.” Jue Wu waved her hand and said.

At this moment, Qin Yu suddenly stood up and said in a deep voice, “Jue Wu, help me find my life force. Please.”

Jue Wu rolled her eyes and said, “I’m eating. What’s wrong with you?”

Qin Yu gritted his teeth and knelt down on one knee, saying, “Please.”

Seeing this scene, Jue Wu and Wen Wanyi couldn’t help but look at each other.

They seemed to find it hard to understand Qin Yu’s abnormal behavior.

“Okay, okay. I didn’t say I wouldn’t help you,” Jue Wu picked up a piece of cake from the table and stuffed it into her mouth as she muttered.

Qin Yu stood up from the ground and took a deep breath. He tried his best to suppress the emotions that were about to burst out from his heart and try his best to maintain his calm.

“By the way, why are you asking about this?” Jue Wu asked with some suspicion.

Qin Yu shook his head and lied, “I’m just asking.”

“What about the Yan family? Why are you asking about the Yan Family?” Jue Wu continued to ask.

At this time, Wen wanji coughed and said, “Although I don’t know much about the rumors about the Guardians of the Dao, I know the Yan family very well.”

“The Yan family of the Central Plains is one of the nine great aristocratic families. It is also the most powerful representative of the current Holy Region.”

Qin Yu smiled bitterly and said, “Forget it. I don’t want to ask about it now. Those things are too far away for me.”

“What’s so far away!” Jue Wu said with her eyes wide open.

“Little meat cushion, you are so young, but you have such cultivation. In the future, you will definitely not be inferior to those sons and Sons of the Central Plains!”

“That’s right.” Wen wanyi also agreed with this.

“The number one genius of the Southern Plains was killed by you with two punches. A genius is nothing extraordinary.”

Qin Yu acknowledged and said with some gratitude, “Thank you, seniors.”

“TSK tsk, I’m not used to you calling me senior all of a sudden,” Jue Wu whispered.

Qin Yu said jokingly, “Okay, then I’ll call you a brat from now on.”

“Don’t You Dare!”

“I’ll call you a Brat!”

“I’ll beat you to death!”

“... you’ll call me that even if you beat me to death!”

...

Time flew by quickly. The time of the myriad sect meeting was set to be three days later.

And the location was the great Yue mountain.

The Great Yue Mountain was the former residence of Da Yue. Ever since he passed away, the great Yue mountain had become the venue for many important meetings.

“I think the people from the Heavenly Cloud sect will definitely come to this ten thousand sect gathering, right?”Qin Yu asked tentatively.

“Since it’s the ten thousand sect gathering, the Heavenly Cloud Sect, the number one sect in the South Province, will naturally come,”said Wen Wanyi.

Juewu, who was at the side, bared her fangs and brandished her claws as she said, “What are you afraid of? As my little meat cushion, they won’t dare to do anything to you!”
