

## My Rich Wife - Chapter 1351 - 1360

*Chapter 1351: Chapter 1,351, Myriad sect gathering 1*

Qin Yu laughed awkwardly, not knowing how to reply.

With the two of them as backers, the heavenly cloud sect would most likely not do anything.

But once there was a conflict, it would most likely be a great war.

The next day.

Wen Wanyun and the others had already dressed up early in order to participate in this banquet.

“What is the purpose of this myriad sect gathering?” Qin Yu asked with some doubt.

Wen Wanli said, “To put it bluntly, it’s to divide the territory, but in reality, it’s just a formality. Everyone knows that the Heavenly Cloud sect is currently in the number one position.”

Qin Yu spread out his hands. This was the truth.

“I wonder if Guan Zhuangti’s other people will come,” Qin Yu thought to himself.

Not long after, Wen Da and Wen Er also walked out.

These two people had obviously dressed up meticulously and looked extremely handsome.

“Grandpa, let’s work hard today and find a grandson-in-law for you!” Wen Da said excitedly.

Wen Wan rolled his eyes and said, “Keep bragging. Who Would Like You?”

“Grandpa, you’re underestimating my charm too much,” Wen da said unhappily.

“That’s right, that’s right. It’s fine if you don’t like his charm, but do you not even care about my handsomeness?” Wen Er followed up.

“Go to hell!” Wen Da kicked Wen Er’s butt.

“Alright, don’t waste time. The myriad sect meeting is about to begin. Let’s go,” Wen Wanli said.

Jue Wu, who was at the side, hurriedly jumped onto Qin Yu's shoulder.

She had a lollipop in her mouth. She sat on Qin Yu's shoulder and swayed her calves, feeling quite at ease.

"Let's Go!" Jue Wu shouted.

The group of people didn't waste any more time and rushed toward the great Yue mountain.

The Great Yue Mountain was an extremely mysterious place.

In the center of the mountain, there was a huge statue.

The statue was lifelike and looked extremely domineering.

The owner of the statue was the famous da Yue, one of the great cultivators who had transcended the tribulation.

At this moment, many people had already come to the Da Yue Mountain.

Those who could attend the myriad sect gathering were naturally extraordinary. They were basically the city lords of large city-states or the sect lords of first-rate sects.

In the depths of the Da Yue Mountain, there was a place that was like a Fairyland on Earth.

There was Jade Dew, immortal mountains, and pavilions. Delicious food could be seen everywhere. They were all demonic beasts from the Green Rock Forest, and the fine wine had been treasured for countless years.

The tables placed everywhere seemed to be made of jade, and the wine cups and lacquer plates were extremely exquisite.

There were elegant young masters drinking and chatting with Qingcheng, and there were also sect leaders reminiscing about the past.

When Qin Yu, Wen Wanyun, and the others arrived, the place was already crowded with guests.

When they saw Wen wanyun, many of them stood up and greeted him.

When they saw the unique dance sitting on Qin Yu's shoulder, their expressions changed slightly and they subconsciously moved to the side.

There were also people secretly sizing up the unique dance on their shoulders, but they didn't dare to say a word.

"What are you looking at! If you keep looking, I'll knock your eyeballs out!"

"That kid, what are you laughing at? Do you believe that I'll Tear Your Mouth Open for you?"

Jue Wu's curses caused the people around them to immediately disperse.

"Why are you so irritable?" Qin Yu asked softly.

Jue Wu said impatiently, "How would I know? I just don't like them."

Qin Yu stuck out his tongue and didn't say anything more.

The few of them found a seat and sat down. It seemed that someone wanted to greet Wen Wanji, but because he saw Jue Wu beside him, he gave up in the end.

Qin Yu sat there bored to death, but Jue Wu was quite happy. She kept stuffing food into her mouth as if she hadn't eaten for years.

"This place is too boring. Let's Find a place to play," Wen da poked Qin Yu's shoulder and said.

Qin Yu nodded. This place was indeed too boring. The surrounding tables were all empty. It was enough to prove how much they feared Jue Wu.

Therefore, Qin Yu followed Wen Da and Wen Er to another table.

"City Lord, that Qin Yu is here too."

At this moment, a young man not far away said to the person beside him.

This person was none other than the city lord of Gu City.

"What is this bastard doing here..." the city Lord's face couldn't help but turn black.

"Let's go and look for him," the person beside him said.

The city Lord hurriedly stopped him and said with a black face, "Are you crazy? Wen Wanyun is definitely here. You just offended him last time, and you still dare to go and look for him. Are you tired of living?"

After the city Lord's Reminder, he also reacted.

“Wait, wait for the sect master of the Heavenly Cloud sect to come,” the city Lord said coldly.

“Yes.”

...

Wen Da and Wen Er knew a lot of people. Basically, they would greet each other wherever they went.

“Look, Li Yingying is also here.” Wen Er poked Wen da’s arm and said.

Wen Da swallowed his saliva and hurriedly ran over.

“Yingying, long time no see.” Wen Da said with a smile.

Li Yingying was startled by Wen Da. She turned around and rolled her eyes. “Why are you here?”

“Hehe, I’m Looking for you to play. We are old acquaintances.” Wen Da touched his nose and said.

As he said this, Wen da pulled Qin Yu to sit down.

There were many young talents at this table. It could be seen that they didn’t like Wen Da and Wen er very much.

“This should be brother Qin Yuqin.” At this time, someone at the table suddenly said.

*Chapter 1352: Chapter 1,352, Young Generation 1 of the South Province*

Qin Yu looked at the young man and saw that he had a smile on his face. It was like a spring breeze that made people feel comfortable.

“You are Qin Yu? The person who killed Ling Yun?” The others were also shocked when they heard this.

Li Yingying looked at Qin Yu in astonishment as if she wanted to see through Qin Yu.

Qin Yu nodded at him as a form of greeting.

These people seemed to be filled with curiosity towards Qin Yu, and one after another, they invited Qin Yu to take a seat.

The two Wen brothers, who had already been neglected, were instantly seething with anger, but they still sat to the side.

"I've long heard of Brother Qin's great name. Today, I finally got to meet you," said the youth.

Qin Yu smiled and said, "This fellow brother is joking."

After some small talk, they learned that this young man's name was Zhuo Jing. He could be considered a well-known person in the region.

Not only that, he also knew Ling Yun. He had even been compared with Ling Yun back then. This was enough to prove his talent.

"Brother Qin, we know quite a bit about Ling Yun's strength. How did you kill him with two punches?" Zhuo Jing asked in puzzlement.

"That's right. There aren't many people in the younger generation in the entire south province who can compare to Ling Yun's abilities. However, from what I can see, Brother Qin's realm... doesn't seem to have any spiritual energy fluctuations," Li Yingying said with a frown.

Qin Yu knew that it was difficult to hide this matter anymore, so she decided to tell the truth.

"Does that mean that brother Qin isn't the legendary special crippled body?" Zhuo Jing asked in shock.

Qin Yu frowned and said, "Special waste body? I have heard this name many times, but I have never really understood it."

"The legendary waste body is the body that is beyond imagination and is not weaker than the demon beasts in the depths of the green rock forest. But the only pity is that the future is limited, so very few people are willing to see it," Zhuo Jing explained.

"That's right. The legendary crippled body is born unable to cultivate. Since ancient times, no one has been able to cultivate." Li Yingying followed closely behind and said.

Qin Yu touched his chin and muttered, "I really want to see this kind of crippled body..."

"It's meaningless." Zhuo Jing shook his head and said.

"Think about it. This kind of body is indeed extremely powerful in the early stages. Very few people are his match. But because they can't cultivate, they simply can't catch up to him."

"That's right. Everyone can completely avoid his sharp edge. When we reach a higher realm in the future, this kind of physique will be like fish meat at the mercy of others."

Qin Yu nodded slightly. This was the truth.

Not to mention that kind of physique, even the current Qin Yu was too easy to be “Walked” by others. This was indeed a shortcoming.

“If Brother Qin is really poisoned by the Twilight Qi, then... Once you recover in the future, I’m afraid that no younger generation in the entire South Province is your match.” Li Yingying covered her mouth and exclaimed.

Qin Yu sighed and said, “I do need a large amount of life qi. If you have any connections, please tell me. I, Qin Yu, will forever remember this favor.”

“Brother Qin, you must be joking. If I have any news, I will definitely tell you immediately!” Li Yingying took the lead and stood up.

The way she looked at Qin Yu seemed a little strange.

It was clearly the first time the two of them met, but there was some love in their eyes. This feeling made Qin Yu very uncomfortable.

“Qin Yu, Qin Yu! Where’s little meat cushion? Hurry up and come over!”

At this moment, Jue Wu’s voice suddenly spread throughout the entire great Yue mountain. It was so loud that it made people’s ears hurt.

Qin Yu only felt a little headache. Although this Jue Wu was a top expert in the South Province, she did things without any scruples. Qin Yu couldn’t do anything to her.

“Everyone, I’ll take my leave first. Please understand,” Qin Yu said with a bitter smile.

Everyone also cupped their hands and stood up to send her off.

Wen Da and Wen Er followed behind Qin Yu. As they walked, they said, “Damn it, the way that Li Yingying looks at you is too f \* cking weird.”

“That’s right, that’s right. It’s really weird. Sister Lin was like this last time, and Li Yingying is also like this this time!”

Qin Yu glanced at Wen da and said, “This Li Yingying is obviously Mu Qiang’s woman. The two of you are not suitable for each other.”

As she was speaking, Jue Wu had already sprinted over from not far away.

She directly sat on Qin Yu’s shoulder and said, “Where have you been? What took you so long?”

Qin Yu raised her hand and patted Jue Wu's head. She pretended to be angry and said, "Don't call me that next time, understand?"

Jue Wu widened her eyes and said angrily, "I just look f \* cking small. It doesn't mean that I'm really a child. If you dare to touch me like this again, I'll break your fingers. Do You Hear Me? !"

Qin Yu coughed dryly and said with slight embarrassment, "I'm sorry... But You're not allowed to make such a big fuss next time, understand?"

"Alright, Alright." Jue Wu waved her hand.

"Let's go. Quickly take me to the top of the mountain. There is a kind of fruit there that is especially delicious." Jue Wu licked her lips and said.

Qin Yu rolled her eyes and said, "What a foodie. What do you know other than eating?"

Jue Wu hurriedly shook her head and said, "I'm not eating it. That kind of fruit can help me cultivate, and it's very delicious!"

Qin Yu was stunned and said with some surprise, "It can help you cultivate? Are you kidding?"

"Absolutely!" Jue Wu said with certainty.

*Chapter 1353: Chapter 1,353, the sect Master of the Heavenly Cloud sect descended*

A fruit that could raise one's cultivation? That was probably not an ordinary fruit. It was probably some kind of heavenly treasure.

And even the absolute dance did not know what it was exactly. It was enough to witness the miraculous degree of this fruit.

Qin Yu did not waste any more words. He immediately brought the absolute dance and rushed towards the peak of the great Yue Mountain.

They rushed all the way to the top of Mount Dayue. This place was deserted, and it seemed that no one had been here for a long time.

On one side of the peak, there were a few buildings that looked like temples. There were some cracks in the buildings, which seemed to be the traces left by the cultivation of Mount Dayue.

"It's Over There!" Jue Wu sat on Qin Yu's shoulder and pointed in a certain direction.

Qin Yu nodded and walked in the direction that Jue Wu had pointed out.

Soon, large patches of fruits appeared in front of Qin Yu.

These fruits were very small and their entire bodies were red, similar to cherries.

And there were traces of dew like immortal dew on them, which made the fruits crystal clear.

“This is it.” Jue Wu jumped down from Qin Yu’s shoulder. Then, she opened her small mouth, and a strong suction force immediately burst out.

In the blink of an eye, more than half of the fruits went into Jue Wu’s mouth.

“Hey, Hey, Hey, leave some for me!” Qin Yu was anxious and quickly covered Jue Wu’s mouth.

The fruits hit Qin Yu’s palm and then fell to the ground.

Jue Wu mumbled while chewing, “I’m sorry... I forgot...”

Qin Yu hurriedly picked up the fruits and sniffed them.

“HM?”

He was surprised to find that there was no spiritual energy in the fruits at all.

“No wonder no one picked them...” Qin Yu put them in his mouth and tried to chew them.

A magical feeling instantly exploded in Qin Yu’s mouth.

In just an instant, Qin Yu felt the air rush to his brain and then spread throughout his meridians!

“What... What’s going on?” Qin Yu could not help but be stunned.

This strange feeling was somewhat similar to the Enlightenment tea.

Could it be that this fruit was similar to the Enlightenment Tea?

Thinking of this, Qin Yu hurriedly looked at Jue Wu and said, “What exactly is the effect of this thing?”

Jue Wu wiped the water stains on her mouth and said with a sob, “In any case, this thing can raise one’s realm...”

Hearing this, Qin Yu was immediately overjoyed.

It seemed that his guess was right. The effect of this fruit was exactly similar to the Enlightenment tea!

“Give me the rest, okay?” Qin Yu looked at Jue Wu with a smile.

Jue Wu waved his hand and said, “I’ll give it all to you. It’s yours.”

“Heh, then thank you very much.” Qin Yu didn’t stand on ceremony.

He put all these fruits into the spatial god tool and planned to use them for cultivation when his spiritual power recovered.

After putting away these fruits, Qin Yu looked at Jue Wu gratefully.

“Thank you,” Qin Yu said.

At this time, Jue Wu frowned slightly and had a strange expression.

“What’s Wrong?” Qin Yu asked immediately.

Jue Wu said in a low voice, “No, I feel like I’m about to break through. I have to go back to seclusion. Quick, take me down the mountain.”

“So Suddenly?” Qin Yu couldn’t help but be stunned.

Jue Wu jumped onto Qin Yu’s shoulder and urged, “Hurry up and leave.”

...

“This Qin Yu and that Jue Wu seem to have an unusual relationship,” Zhuo Jing said in a low voice in front of the Jade table.

“I can see that the two of them seem to have befriended each other.”

“Most of the people who befriended Jue Wu are abnormal.”

“It seems like Jue Wu and Wen Wanli are planning to protect Qin Yu. I reckon that the Heavenly Cloud sect will not be able to do anything to him.”

As they were speaking, a commotion suddenly came from outside.

Looking Up, they saw the people from the heavenly cloud sect walking over.

The person leading the way was their sect master.

“The people from the Heavenly Cloud sect are here,” Zhuo Jing said in a deep voice.

“There’s a good show to watch. I really want to see how the sect master of the Heavenly Cloud sect will handle this matter.”

Li Yingying frowned. “Qin Yu killed Ling Yun in public. This matter will definitely not end well. Even with Jue Wu and Wen Wanli protecting him, it won’t work.”

At this moment, Qin Yu rushed down from the top of the mountain.

He directly passed by the sect leader of the Heavenly Cloud sect and ran down the mountain.

The sect leader of the heavenly cloud sect frowned slightly. He looked at the two people and frowned. “That was Jue Wu just now, right?”

“That’s right. Besides Jue Wu, there’s also that Qin Yu!” The first elder gritted his teeth and said.

“Oh? That young man just now was Qin Yu?” The sect master raised his eyebrows as if he was quite interested.

The first elder didn’t have the leisure mind. He said in a cold voice, “Sect master, he probably knows that we’re here, so he ran away.”

The sect master didn’t say anything. He smiled and said, “It doesn’t matter. If I want to find him, I can find him even if he hides to the ends of the Earth.”

Then, he waved his hand and said, “Take a seat first.”

As the number one sect in the South Province, his arrival naturally attracted countless gazes.

Many people quickly walked forward and greeted him.

Not far away, Wen Wanli had a disdainful look on his face.

“A bunch of people who want to climb up to the dragon and the Phoenix,” Wen Wanli snorted lightly.

“Grandpa, the SECT Master of the Heavenly Cloud sect will definitely find trouble with Qin Yu. You have to think of a way,” Wen da said with some worry.

*Chapter 1354: Chapter 1354, the overbearing Wen wanyi*

Wen wanyi snorted lightly and said, “Don’t worry. I believe he won’t act Rashly.”

Even though he said so, Wen Wanyi's eyes were fixed in the direction of the sect master.

...

Qin Yu brought Jue Wu all the way to the foot of the mountain.

"I'll send you here. You can go back by yourself." Qin Yu said while panting heavily.

Jue Wu jumped down from Qin Yu's shoulder. She wrinkled her small nose and said in a deep voice, "The people from the Heavenly Cloud sect are here. I Can't help you. Be careful."

Qin Yu was stunned. He was too anxious just now and didn't notice the people from the Heavenly Cloud sect.

"Okay, I got it," Qin Yu nodded and said.

Jue Wu nodded and didn't say anything more. Then, she turned around and left.

It wasn't until Jue Wu was far away that Qin Yu looked up at the great Yue Mountain.

"Heavenly Cloud Sect..." Qin Yu took a deep breath and strode up the mountain.

At the top of the mountain.

Many people were surrounding the sect master of the Heavenly Cloud Sect, as if they wanted to get acquainted with him.

Even some young people walked over to greet the sect master of the Heavenly Cloud sect, expressing their admiration for him.

Of course, there were also many people watching coldly. Some people in the crowd had long been dissatisfied with the Heavenly Cloud sect.

Soon, Qin Yu arrived at the top of the mountain.

"Qin Yu!" Wen Da hurriedly waved at Qin Yu and then ran over quickly.

"The people from the Heavenly Cloud sect are here," Wen da said.

Qin Yu nodded and said, "I know."

Wen da said seriously, "From now on, Don't leave my grandfather's side. Do you understand?"

As he spoke, Wen Wanji also walked over from the side.

He pulled Qin Yu to the table and then put his hand on Qin Yu's shoulder.

"Don't worry. I'll announce to everyone that I'll take you as my disciple in a while," Wen Wanji said with an overbearing expression.

Qin Yu grunted in gratitude. His gaze would occasionally look at the people from the Heavenly Cloud sect not far away.

"Where's Aunt Jue Wu?" At this moment, Wen Da looked at Qin Yu's side.

"She's back at Mount Hua Ning. She said that she's about to break through and is going into seclusion," Qin Yu said.

Wen Da couldn't help but curse, "Damn it, she's actually going into seclusion at this time."

"That's right, that's right. She can't be afraid of the Heavenly Cloud Sect, right?" Wen Er also said.

Wen Wanli glared at them and said, "Don't talk nonsense. I've never seen absolute dance afraid of anyone."

As he said this, someone suddenly walked over to this table.

This person was a deacon of the Heavenly Cloud sect and had an extremely high position in the Heavenly Cloud sect.

He walked all the way to Qin Yu and said expressionlessly, "Which one is Qin Yu?"

Hearing this, Wen wanji immediately said coldly, "Are you blind? Don't F \* cking ask even though you know the answer."

Although the deacon was a little unhappy, he still didn't say anything.

He looked at Qin Yu and said, "Our sect master invites you over."

Qin Yu grunted and was about to get up when Wen Wanji grabbed Qin Yu and shook his head, "Don't go."

The Deacon said with a dark face, "Wen Wanji, what do you mean?"

Wen Wanji slammed the table and stood up. He said coldly, "How dare you talk to me like that? You are just a dog of the Tianyun sect. Do You Want to die? If you dare to compete again, I will slap you to death. Do you believe me?"

“You!” The deacon opened his mouth. He wanted to refute, but when he met Wen Wanji’s fierce gaze, he swallowed the rest of his words.

Wen Wanyi was too lazy to talk nonsense with him. He pulled Qin Yu and said, “Follow me.”

“AH? Where to?” Qin Yu was stunned.

Wen wanyi ignored him. He pulled Qin Yu and walked to the front.

“There’s a good show to watch.” Seeing this scene, the corners of the mouths of the surrounding people curled up into a smile.

“Wen Wanyi is famous for his hot temper. He will definitely not give in to anyone.”

“That’s right. There aren’t many people from the Heavenly Cloud sect today. If the two sides fight, it’s hard to say who will win.”

As he spoke, Wen Wanji pulled Qin Yu to the front.

This was a high platform made of jade. Standing here, almost everyone could see it.

Wen Wanji pulled Qin Yu. His gaze swept down and then cleared his throat. A wave of energy rolled in his chest.

In the next second, Wen Wanji said coldly, “Today is the ten thousand sect gathering that comes once every ten years. I, Wen Wanji, will also take this opportunity to announce a piece of good news and share the joy with everyone.”

His voice was like a loud bell, like a tiger roaring through the mountains and forests. It shook the entire great Yue Mountain and caused it to buzz.

Everyone looked at Wen Wanji, including the people from the Heavenly Cloud sect.

“Just a few days ago, I, Wen Wanji, took in a disciple. That person is none other than Qin Yu, who is by my side!” Wen wanji shouted.

When he said this, the expressions of the people around him changed slightly.

Everyone knew that Qin Yu was the enemy of the Heavenly Cloud sect, but this Wen Wanji announced in front of the sect master of the Heavenly Cloud sect that he had taken in Qin Yu as a disciple? Wasn’t this deliberately slapping the face of the Heavenly Cloud Sect?

Even if this Wen Wenti wanted to protect Qin Yu, he shouldn’t have slapped the Heavenly Cloud Sect’s face in front of so many people, right?

Could it be that Wen Wenti really wanted to shed all pretense of cordiality with the Heavenly Cloud Sect?

But they never expected that Wen Wenti's next words would make people even more shocked.

*Chapter 1355: Chapter 1,355, the Sect Master concedes? ! 1*

The first elder looked at Wen Wanli coldly. He clenched his fists tightly and his face was full of anger, as if he was going to explode at any moment.

The sect master was rather calm. He sat there without any expression on his face.

"Everyone knows that I, Wen Wanli, have no children. I have been looking for someone to inherit my mantle all these years. Now that I have finally found a beloved disciple, it is indeed not easy," Wen Wanli continued.

"Therefore, I view Qin Yu as my own son. If anyone dares to touch my beloved disciple, I will fight to the death with him even if I have to risk my life!"

When Wen Wanji said this, his eyes swept across the group of people from the Heavenly Cloud sect, whether intentionally or unintentionally.

Although Wen Wanji did not say it explicitly, everyone knew in their hearts that these words were directed at the group of people from the Heavenly Cloud sect.

The first elder who was sitting beside the sect master finally couldn't hold it in any longer. He slammed the table and stood up, staring coldly at Wen Wanji.

"Wen Wanji, what do you mean!" The first elder shouted angrily.

Wen Wanji sneered and said, "I mean it literally. Why? Don't you understand? It seems that your educational level isn't high and your comprehension ability is very poor. Do you need me to explain such simple words to you?"

"You!" The first elder was so angry that his chest was heaving up and down, and his veins were throbbing.

Wen Wanji continued, "Why? Are you going to die of anger just like that? It seems that your endurance is also very weak."

The first elder suppressed his anger. He took a deep breath and said, "Wen Wanji, don't think that my Heavenly Cloud Sect is afraid of You!"

"Of course the Heavenly Cloud sect is not afraid of me, but you may not be," Wen Wanji sneered and said.

“If you’re not convinced, just come out and have a match. What are you trying to do?”Wen Wanji walked over and stood almost above the first elder.

Such an arrogant attitude really shocked everyone!

Even Qin Yu didn’t expect Wen Wanji to be so tough!

The first elder opened his mouth as if he wanted to say something, but he was a little afraid.

It was obvious that the Great Elder was no match for Wen Wentong.

Helpless, the great elder could only look at the sect master as if he was waiting for the sect master to make a decision for him.

The sect master, who had been silent all this time, finally spoke.

He slowly stood up and said with a faint smile, “Wentong, why are you so angry and hurt the Peace?”

The sect master’s words once again stunned everyone.

Was this really what the sect master of the Tianyun sect said?

One had to know that the sect master of the Tianyun sect had fought in all directions back then and killed countless people, but he had never met an enemy!

Even if the other party was Wen Wanyun, he would not be afraid!

But why was his attitude today so kind?

Wen wanyun obviously did not expect the sect master of the Tianyun sect to be so polite. He frowned and did not know what to say for a moment.

“You are Qin Yu, right?”

Finally, the sect master’s gaze fell on Qin Yu.

Qin Yu nodded and said, “Greetings, sect master.”

“Come here, let me take a good look at you,”the sect master said with a smile.

However, Wen Wanji subconsciously blocked Qin Yu behind him.

The sect master smiled and said, “Wanchong, don’t worry. How could I do such a despicable thing in front of so many people?”

Wen Wanfu frowned. He seemed to feel that what he said made sense, so he moved aside.

The sect master sized up Qin Yu and said, "I heard that you were poisoned by the Twilight Qi, so you can't cultivate?"

Qin Yu nodded and said, "Yes, sect master, that's true."

The sect master was slightly surprised and said, "Then why didn't you say it? If you had said it earlier, it wouldn't have ended up like this."

Qin Yu said in a deep voice, "I said it, but elder Bai of your sect didn't believe it and tried to kill me. I had no choice."

"I see." The sect master nodded. He stood up and said, "All of this is just a misunderstanding. It shouldn't have been like this..."

The sect master's attitude caught everyone off guard.

They thought it would be a big battle, but they didn't expect it to end like this!

"This matter has to be dealt with eventually," the sect master continued.

Then, the sect master's gaze landed on Qin Yu.

He said coldly, "You and My Tianyun sect are all victims. If not for elder Bai's obstinacy, Ling Yun wouldn't have died."

Qin Yu hurriedly nodded. "That's right! It has nothing to do with me. I don't want to kill Ling Yun either."

"I understand." The sect master nodded and waved his hand. "Alright, you can go now."

"Thank you, Sect Master." Qin Yu bowed and retreated to the side.

Wen Wanji didn't say anything else. Everyone would be happy if he didn't make a move.

The two of them returned to their own table and sat down. As soon as they sat down, Qin Yu said impatiently, "This is really strange. The sect master of the Tianyun sect is actually so sensible?"

Wen Wentong stroked his beard and muttered, "I also feel that it's a little strange. This... doesn't match his style of doing things."

Not only Wen Wentong, the first elder was also extremely puzzled by this.

He said anxiously, "Sect master, you... Why are you like this! Don't Tell Me You're afraid of him, Wen Wentong!"

The sect master glanced at the first elder and shook his head, "I'm not giving him face."

"Then what is it!" The Great Elder said with great confusion.

The sect master said lightly, "Of course it's because of this Qin Yu. What I like is his talent."

*Chapter 1356: Chapter 1,356, the favor of all parties*

With the strength and status of the Heavenly Cloud sect, he was naturally not afraid of Wen Wanji.

Although Wen Wanji was not someone to be trifled with, the heavenly cloud sect could still eliminate him at a certain price.

The most important reason for the sect master to give in was that he had taken a liking to Qin Yu's potential.

Just as elder Bai had predicted, he had to not push this matter out in the end.

Everyone was discussing and commenting on this matter.

"Sigh, the Heavenly Cloud sect has also seen Qin Yu's potential." Zhuo Jing sighed.

"Brother Zhuo is right. However, this Qin Yu is indeed worth nurturing and worth compromising." Li Yingying said with a smile.

As she spoke, her eyes occasionally looked in Qin Yu's direction.

"Yingying, you seem to be interested in this Qin Yu." Zhuo Jing said jokingly.

Li Yingying didn't avoid him. She said with a faint smile, "Who wouldn't like a prodigy like him?"

"Hahaha!" Zhuo Jing couldn't help but burst into laughter. "Qin Yu and Wen Da Wen Er are friends. Do you think you have a chance?"

"So what if they are friends? I don't like Wen Da," Li Yingying said disapprovingly.

"Just because you think so doesn't mean Qin Yu will think so," Zhuo Jing shook his head and said.

Li Yingying didn't say anything. She looked in Qin Yu's direction and hesitated for a moment. Then, she suddenly stood up and walked toward Qin Yu.

However, Li Yingying was very smart. She came all the way to the table, but she didn't Greet Qin Yu. Instead, she looked at Wen Da.

"Greetings, Senior Wen."Li Yingying took the lead to bow to Wen Wanli.

Wen Wanli said with a smile, "Yingying, come, quickly sit down."

Without saying anything, Li Yingying chose to sit between Qin Yu and Wen Da.

"Wen Da, are you busy tomorrow? I want to ask you to go shopping with me."Li Yingying said with a smile.

Wen Da was stunned, and then he said in ecstasy, "Of course I'm fine. No problem, no problem!"

"Well, tomorrow morning, I'll go to your house to look for you."Li Yingying said with a smile.

"Alright, Alright!"Wen Da said hurriedly.

Li Yingying nodded with a smile and then planned to leave.

Her eyes, intentionally or unintentionally, looked at Qin Yu. Her gaze was even more seductive.

This made Qin Yu extremely uncomfortable. He really didn't like to get involved in such matters.

"This Li Yingying is definitely not a simple woman,"Qin Yu thought in his heart.

Then, Qin Yu asked Wen da, "Wen Da, you are such a playboy. Don't tell me you really like Li Yingying?"

Wen Da glared at Qin Yu and said, "You are wrong. I'm a playboy to others, but I'm sincere to Yingying!"

Qin Yu opened his mouth, but didn't know what to say for a moment. He could only laugh bitterly.

Li Yingying turned around and sat down in front of Zhuo Jing's table. Someone at the side joked, "How was it? Did you succeed?"

"Success my ass. I don't think she even talked to Qin Yu,"Zhuo Jing joked.

Li Yingying flipped her hair and said indifferently, "To deal with people like him, you need to attack from the side. Too much enthusiasm will backfire."

"TSK TSK, Yingying, you really put in a lot of effort," someone at the side joked.

Li Yingying said indifferently, "Let me tell you, Qin Yu, I'm determined to get it!"

...

"How long will this meeting last?" Qin Yu sat there and said somewhat bored.

Wen Da ignored Qin Yu. He was immersed in joy.

Wen er said, "It's going to be open for three days."

"Three days?" Qin Yu was stunned. "Why is it taking so long?"

Wen er said mysteriously, "It's said that they want to discuss the future development of the South Province, so it will take a long time."

Wen er smiled and said, "But we don't have to stay for that long. We can just leave if there's nothing else."

Qin Yu nodded. He couldn't stay for three days at such an occasion.

"Qin Yu, Young Master Wen."

At this moment, the city lord of Gu City suddenly walked over from not far away.

He cupped his hands and had a warm smile on his face.

Wen Er rolled his eyes at him and said, "What are you doing here?"

The city Lord found a seat and sat down. Then, he smiled and said, "What happened before was all a misunderstanding. I specially came over to apologize to the few of you, especially Qin Yu. I hope you don't mind."

Wen er sneered and said, "You're really a F \* cking snob. What? Seeing that the sect master of the Heavenly Cloud sect didn't make things difficult for Qin Yu, you immediately came over to kneel down?"

The city Lord was a little embarrassed. He coughed dryly and said, "You should also know that I'm only a part-time worker. To put it bluntly, I also have to look at the Heavenly Cloud Sect's face, so..."

“Alright, I won’t hold a grudge against you. But we are also destined not to be friends.”Qin Yu waved his hand and said.

The city lord quickly smiled and said, “How would I dare to dream of becoming friends with you? I...”

“Aiya, hurry up and leave. Don’t bother us anymore, okay?”Wen Er said impatiently.

Although the city Lord was a little embarrassed, he didn’t dare to flare up.

Now that Wen Wanye and the Heavenly Cloud sect were protecting him, no one in the entire South Province dared to provoke Qin Yu.

Other than the city lord, the other sects also came to greet and Toast Qin Yu. For a time, it was extremely lively.

But Qin Yu knew in his heart that this kind of prosperity was fake. It was like a bubble that could burst at any time. Therefore, he would not lose himself because of it.

*Chapter 1357: Chapter 1,357, Li Yingying’s scheming*

Wen Da and Wen Er were quite pleased with themselves, as if everyone was celebrating for them.

Time flew by, and the Sun gradually set.

The masters of the sects and city-states also gathered together and began to discuss important matters.

“Can we leave now?”Qin Yu asked.

“Let’s go. There’s no point staying any longer.”Wen Er waved his hand.

Thus, after Qin Yu and Wen Wanyi greeted each other, they turned around and left.

Along the way, Wen da seemed to be extremely excited, as if he was looking forward to tomorrow.

“What do you guys think I’ll wear tomorrow? The silk cannon or the robe made of divine ice silk?”Wen Da said excitedly.

“You can wear anything. It’s mainly because you’re handsome.”Qin Yu joked.

Big Wen said proudly, “Of course! But... I still have to dress up.”

Qin Yu couldn’t help but sigh in his heart.

Big Wen was afraid that he would lose out to Li Yingying, but Qin Yu couldn't persuade him at all.

That night, Wen Wanji didn't come back, and the news about the Wan Zong Conference didn't spread, so Qin Yu had a rare quiet day.

He took out the fruit from the spatial artifact and examined it carefully.

Qin Yu didn't know the name of this fruit, so he simply named it the great Yue fruit.

The great Yue fruit was blood red, and in Qin Yu's hands, it looked like a few drops of blood. There was no aura to speak of.

Qin Yu tried to eat another one, and sure enough, the feeling from before reappeared.

"It seems like what I thought," Qin Yu thought to himself.

Jue Wu's sudden seclusion probably had something to do with the Big Yue fruit.

Qin Yu got up and walked all the way to Wen Da and Wen Er's room.

He interrupted Wen Da, who was dressing up, and then asked, "Wen Da, what realm are you in now?"

Wen Da was stunned and scratched his head. "I really forgot about that. It seems to be... the nascent soul realm, right? Why are you asking this?"

Qin Yu didn't say anything. He took out the Big Yue fruit and handed it to Wen Da.

"Try This," Qin Yu said.

Wen Da took the Big Yue fruit from Qin Yu's hand. He looked it up and down and muttered, "What is this?"

"Don't ask. In short, it's good for you," Qin Yu urged.

Wen Da didn't think too much. He immediately stuffed the fruit into his mouth.

"How is it? Do you feel anything?" Qin Yu hurriedly asked.

Wen Da scratched his head and said, "I don't feel anything..."

"You don't feel anything? How is that possible? Feel it carefully again." Qin Yu's eyes immediately widened.

Wen Da still shook his head and said, "I really don't feel anything..."

"That's strange..."Qin Yu felt even stranger.

He sat on the chair and pondered for a moment. Suddenly, he seemed to have thought of something.

"Come, try eating a few more."Qin Yu took out three big yue fruits and handed them to Wen Da.

Although Wen Da was a little suspicious, he still swallowed the three big yue fruits according to Qin Yu's request.

"What about now?"Qin Yu hurriedly asked.

Wen Da was silent for a moment, as if he was carefully feeling the feelings in his body.

"There's a strange aura that rushed straight to my mind..."Wen da muttered.

"What a strange feeling. It's as if something is about to be washed away, but this feeling is fleeting."

Qin Yu clapped her hands and could not help but shout, "As expected!"

This big Yue fruit could indeed raise one's realm, but it was probably proportional to one's talent.

The stronger one's talent was, the more obvious the effects of this big Yue fruit would be!

For example, after eating more than half of the Big Yue fruit's final dance, one would instantly feel like they were about to break through.

Another example was Qin Yu, who had eaten a big yue fruit, and felt the effects of the Big Yue fruit.

On the other hand, Wen da only felt a little bit after swallowing three big yue fruits.

"I see..."Qin Yu muttered in a low voice.

He looked at the Big Yue fruit in his hand and felt even more amazed.

What kind of fruit was this? It had such a strange healing effect?

"Could it be related to Big Yue?"Qin Yu thought to himself.

As a great cultivator in the crossing calamity stage, Big Yue was someone who could look down on the entire starry sky.

Their methods were not something Qin Yu and the others could understand at all.

It was said that they could destroy the world with a raise of their hands. With a sneeze, they could shatter the galaxy. With a raise of their hands, they could reshape space.

With their abilities, it was not surprising for them to leave behind any treasures.

As Da Yue's former residence, Da Yue mountain probably left behind countless treasures.

The fact that this fruit could be left behind could be considered Qin Yu's fortune.

Qin Yu kept the fruit and planned to consume it slowly after he recovered his spiritual power.

The next day.

Wen Da and Wen Er were still dressing up when Li Yingying walked in.

She pushed open Wen Da's door and looked around as if she was looking for something.

"Yingying? Why are you here?" Wen Da walked over with a smile.

Li Yingying let out an "AH" and said, "Are you ready?"

Wen da said somewhat proudly, "Of course! I've been preparing since yesterday! We can set off at any time!"

Li Yingying grunted in gratitude. At this time, she suddenly said, "Oh right, where's Qin Yu? He should be fine too, right? Call him along."

*Chapter 1358: Chapter 1,358, the hairpin of the masked woman*

Wen Da didn't think too much about it. Besides, as a friend, he wanted to bring Qin Yu along.

As they were talking, Qin Yu walked over from not far away.

When she saw Li Yingying in front of her, Qin Yu frowned slightly.

Li Yingying, on the other hand, had the opposite attitude. She smiled and said, "Greetings, Brother Qin."

Qin Yu nodded to her as a greeting.

“Qin Yu, hurry up and pack up. We’ll go shopping later!”Wen Da said excitedly.

Qin Yu glanced at Li Yingying and shook her head. “I’m not going.”

“Why? What are you doing at home alone?”Wen Da muttered.

“You two are going shopping. Why should I follow you? Let Wen Er stay with me,”Qin Yu said indifferently.

Her words showed her attitude and reminded Wen da.

Although Wen da was fun, he was not a fool.

After hearing Qin Yu’s words, he muttered, “That’s true. I Won’t bring you two third-wheel then.”

Li Yingying frowned slightly and was extremely displeased.

If it weren’t for Qin Yu, she wouldn’t have wanted to get close to Wen da at all.

“Brother Qin, Let’s go together. I happen to have a few questions to ask you,”Li Yingying said unwillingly.

Qin Yu said expressionlessly, “If you have any questions, you can ask them now.”

“Aiya, Qin Yu, let’s go out and have some fun together. Coincidentally, I didn’t bring you around Dayue City,”Wen da came up and said.

This kid wasn’t very thoughtful. He naturally didn’t know Li Yingying’s devious thoughts.

“Let’s go, let’s go. It just so happens that we can get to know each other,”Wen da urged.

Qin Yu sighed and had no choice but to nod in agreement.

Li Yingying was delighted, and an imperceptible smile appeared on the corner of her mouth.

Therefore, the three of them left the Wen family and prepared to go shopping.

As a top-notch city, dayue city was naturally not inferior to Gu City.

Although Dayue City did not have as many treasures as gu city, it was more inclusive.

People wearing all kinds of strange clothes could be seen on the street, and they could also see all kinds of strange toys and small jewelry. They could even see people selling underwear on the street.

“Yingying, if you have anything you like, just tell me. I will buy it for you!”Wen Da patted his chest and said.

However, Li Yingying’s mind was not on Wen Da at all. She laughed at Wen Da, and then her eyes fell on Qin Yu.

“Brother Qin, with your ability, if you recover your spiritual power, you will definitely become the number one genius of the South Province,”Li Yingying said, intentionally or unintentionally.

Qin Yu glanced at her and said, “I’m not interested in these false titles.”

“That’s true. Brother Qin, you don’t look like a person who is greedy for vanity,”Li Yingying said with a smile.

Qin Yu did not say anything. It was obvious that she did not want to talk to her.

Li Yingying continued, “I wonder what you plan to do in the future, Brother Qin?”

“I don’t know. I’ll take it one step at a time. I’ll live as long as I can.”Qin Yu deliberately showed a negative attitude in order to dispel Li Yingying’s thoughts.

“By the way, Wen Da, there’s a jewelry store over there. Why Don’t you two go over and try it out? Wen Er and I will go to the antique store over there.”Qin Yu Winked at Wen Da.

Wen Da immediately understood. He patted his chest as a gesture, then pulled li yingying and said, “Come, let’s go to the jewelry store to take a look.”

“I’m not a little girl. I’m not interested in jewelry. I also want to go to the antique store to look for gold.”Li Yingying rejected Wen da.

Qin Yu frowned slightly. He looked at Wen er and said, “Wen er, have you heard the news that there’s a treasure left behind by an ancient powerhouse in the jewelry store?”

Wen Er did not understand this at all. He scratched his head and looked a little lost.

“Yes, I have heard of it too. It is said that there is a treasure left behind by an ancient female cultivator. For example, a hairpin beside that female cultivator in the tribulation stage. They are all top-notch treasures,”Li Yingying continued.

Qin Yu could not help but curse in his heart, “F \* ck you! Can’t you tell that I don’t want to talk to you? !”

However, Li Yingying didn’t do anything excessive, so Qin Yu couldn’t be too cold.

“So where are you going?”Qin Yu directly brought up the topic.

Li Yingying was quite thick-skinned. She smiled faintly and said, “I’ll go wherever brother Qin goes. I just happen to learn from her.”

Qin Yu knew that Li Yingying was like a dog skin plaster that couldn’t be shaken off, so he didn’t say anything more.

He turned around and walked towards the jewelry store.

All the way to the jewelry store, Big Ben Wen began to carefully choose.

“Yingying, do you like this hairpin? I’ll give you that Rouge, right? That earring is too beautiful!”Wen Da said excitedly.

A trace of disgust flashed in Li Yingying’s eyes, but she did not show it.

“It’s said that there was a treasure that came from this jewelry shop,”Li Yingying said, intentionally or unintentionally.

Qin Yu nodded, obviously not wanting to pay attention to her.

Li Yingying continued, “Brother Qin, have you heard of a rumor?”

“What rumor?”Qin Yu asked casually.

Li Yingying said, “It’s said that in an ordinary jewelry shop in Zhongzhou, there was a top-notch treasure.”

“And then?”Qin Yu asked.

Li Yingying said in a deep voice, “It’s said that the treasure was a hairpin that the masked woman wore on her head.”

As soon as she said this, Qin Yu was instantly stunned on the spot.

*Chapter 1359: Chapter 1359, I have someone in my heart*

Hearing Li Yingying’s words, Qin Yu’s interest was finally piqued.

When he was on Earth, Qin Yu had heard many legends about masked women.

Especially handlebar mustaches, iron egg, and the others. They were all extremely wary of masked women.

Now that he had come to the holy region, this was the first time Qin Yu had heard news about masked women.

“You know about the masked woman?” Qin Yu asked with a frown.

Seeing that she had changed the topic, Li Yingying also smiled.

She said with a faint smile, “Of course I know. Who among the holy region cultivators doesn’t know about the rumors about her?”

“What rumors?” Qin Yu asked with some doubts.

Li Yingying said, “About five thousand years ago, she killed dozens of holy region cultivators who were at the crossing Calamity Stage.”

Qin Yu was silent.

It seemed that the rumor that Li Yingying and the others had received was another life of the masked woman.

The masked woman had reincarnated many times, but only her first life and the one 5,000 years ago had truly grown up.

Other than that, every time she reincarnated, it was almost always the time when the Golden Age arrived.

“Who ended up with that hairpin?” Qin Yu asked.

Li Yingying smiled faintly and said, “Of course it’s the nine great families. Other than them, who else could have such luck?”

Qin Yu didn’t say anything more. They probably didn’t know that the masked woman had been reborn. She was the little fish of this life.

Without a doubt, she would definitely take back all the things that belonged to her. Having her treasures wasn’t necessarily a good thing.

“Brother Qin seems to be quite interested in this matter?” Li Yingying asked tentatively.

Qin Yu shook his head and said, “I’m just asking.”

Then, Qin Yu ignored Li Yingying.

Li Yingying tried to find a topic many times, but Qin Yu’s response was extremely cold.

This made Li Yingying feel a little unhappy.

At noon, Wen Da went to find a restaurant.

While Big Wen went to the bathroom, Li Yingying frowned and said, "Brother Qin seems to be avoiding me?"

Qin Yu glanced at Li Yingying and said, "I didn't want to say anything. Since you brought it up, I'll tell you straight to the point."

"I'm not interested in you at all, and I don't like you using Big Wen. This will only make me disgusted. So, I advise you to stop doing useless things."

An embarrassed look appeared on Li Yingying's face. She was silent for a moment before saying, "Brother Qin, I can't think clearly. You and I can be considered a match made in heaven. If we can become partners, it will definitely become a good story."

"The reason you are avoiding me, could it be because of Big Wen? Just because he is your friend, do you have to suppress your heart and take your happiness with you?"

Hearing Li Yingying's words, Qin Yu almost vomited.

He was speechless in his heart. Li Yingying's confidence really gave him a headache.

"You think too much. I simply don't like you. It has nothing to do with Wen Da," Qin Yu said quietly.

"I already have someone in my heart, so don't waste your energy."

Li Yingying suddenly asked with some excitement, "Someone? Who Is It? How many girls in the entire South Province can be compared to me!"

Qin Yu glanced at her and said, "You don't need to know."

Li Yingying bit her lips and said, "I must know! Otherwise, I won't be satisfied!"

Qin Yu looked at Li Yingying coldly and said, "Well, since you must know, I'll tell you."

"The person I like is the princess of the Yan family in the Central Province. The two of us have already made a secret promise for the rest of our lives."

"I will not marry anyone but her. She will not marry anyone but me. Other than her, I will not fall in love with any other woman."

"Li Yingying, I admit that you are somewhat beautiful. You are considered a heaven's favorite in the Southern Plains. However, do you think that you are qualified to compete with the Princess of the Yan Family?"

After hearing Qin Yu's words, Li Yingying did not get angry. Instead, she smiled. There was even a trace of ridicule on her face.

She sneered and said, "The Princess of the Yan Family? Qin Yu, I'm not worthy to be compared with her. Are You Worthy? Aren't you too good at bragging?"

"You are indeed a genius in the South Province, but aren't you a little too arrogant to actually covet the Princess of the Yan Family? When you talk about me, don't you consider your own conditions?"

Qin Yu opened his mouth. He knew that Li Yingying wouldn't believe him, so he was too lazy to explain.

"If you want to reject me, you don't need to find such a ridiculous excuse." Li Yingying shook her head.

She sat down as if she was trying to calm her emotions.

A few minutes later, Li Yingying said faintly, "Qin Yu, ever since I was young, there is nothing that I, Li Yingying, can not get, including you."

"Sick." A hint of annoyance flashed across Qin Yu's brows.

"What are you guys talking about?"

At this moment, Wen Da and Wen er walked back from the toilet.

"Nothing much. We're just chatting." Li Yingying said with a faint smile.

Qin Yu didn't say anything, but he made up his mind in his heart.

No matter what, he had to persuade Wen da to let go.

The dishes were quickly served. Just as the few of them were about to eat, a white-faced scholar suddenly appeared outside the door.

This person had a graceful bearing. He was dressed in white and looked like a young master from a wealthy family.

His motive was also very obvious. As soon as he entered the door, he went straight for Qin Yu.

*Chapter 1360: Chapter 1,360, son of the sect master of the Heavenly Cloud Sect! 1*

After this young master entered the door, the two followers beside him quickly followed him.

He came all the way to Qin Yu, holding a folding fan in his hand, and said coldly, "You are Qin Yu?"

Qin Yu glanced at him and said, "Who are you?"

The young man said coldly, "You don't need to know who I am. In short, you made the Heavenly Cloud sect lose face in front of so many people yesterday, right?"

Qin Yu narrowed her eyes slightly and said, "Why? Are you going to settle the score after autumn?"

The young man put his hands behind his back and said indifferently, "The dignity of the heavenly cloud sect can not be insulted. I'll give you a chance to go to the myriad sect meeting to apologize. This matter can be put to rest."

Qin Yu couldn't help but sneer and say, "Get lost quickly."

The white-clothed young man narrowed his eyes slightly and said, "I'm now asking you to go to the myriad sect meeting to kneel and apologize. Otherwise..."

"Or else what?" Qin Yu looked at the young man from the corner of her eyes.

"Or else I'll kill you!" The young man shouted.

Qin Yu sneered and said, "Then just make your move. Let everyone in the world know that Your Heavenly Cloud sect is a person who goes back on his words."

"I'll see that you're courting death!" The young man shouted, and the folding fan in his hand suddenly hacked at Qin Yu's vital gate!

Qin Yu's expression changed slightly, and a trace of coldness appeared in his heart.

This young man was extremely vicious, and his attack was aimed at taking Qin Yu's life!

Qin Yu naturally wouldn't sit still and wait for death. He clenched his right hand into a fist and fiercely welcomed the incoming attack.

"Chi la!"

However, the expected collision didn't occur. The folding fan directly shattered the moment it touched, and then it headed straight for his face!

Qin Yu did not expect the white-robed young man to be so weak, so his punches were extremely sharp.

It was too late to stop now!

“Stop!” The expression of the attendant behind him changed drastically, and he quickly rushed towards Qin Yu.

Unfortunately, he was still one step too late.

Qin Yu’s fist smashed firmly onto the white-robed young man’s face.

With a crisp “Kacha” sound, his head exploded like a watermelon!

His white clothes were dyed red with fresh blood, like blossoming beautiful flowers.

His body fell straight down.

Qin Yu frowned slightly and snorted coldly, “With such little ability, you dare to come and make a ruckus? You overestimate yourself.”

After throwing out these words, Qin Yu sat down again.

Wen Da and Wen Er didn’t take it seriously. The two of them muttered, “What kind of thing dares to come and take advantage of me?”

Qin Yu spread his hands and also felt that it was a little strange.

At this moment, the two followers walked up angrily.

Their faces were occupied by anger and fear. They were even trembling.

“Qin Yu, do you... Do you know who he is!” One of the followers said with a trembling voice.

Qin Yu sneered, “I don’t care who he is. He deserves to die for coming to challenge me.”

“He... he is the son of the sect master of the Heavenly Cloud Sect, the only son! You... you have caused a big trouble!” The attendant said in fear.

The two of them didn’t dare to stay any longer, nor did they attack Qin Yu. Instead, they fled in a hurry.

Qin Yu’s expression was also somewhat ugly.

He looked at the white-clothed young man on the ground and said in a low voice, “How can the son of the sect leader of the Tianyun sect be so weak? Furthermore, he doesn’t have any protective measures...”

At this moment, Li Yingying's face was already pale from fright. Meanwhile, Wen Da and Wen Er's faces also revealed a trace of solemnity.

This white-clothed young man was the son of the sect leader. He wasn't someone that Ling Yun could compare to.

"I did hear that the sect master of the Tianyun sect had a son, but he never showed his face in public. Very few people have seen him," Wen da said in a deep voice.

"Why would he suddenly come out and shout at you? It's really strange..." Wen er added.

Qin Yu was a little worried.

They had just warmed up their relationship with the Tianyun sect, but now that he had killed his son, their relationship would probably drop to the freezing point again.

"That... I still have something to do, so I'll take my leave first." At this moment, Li Yingying suddenly stood up and said.

She didn't stop for even a moment. She turned around and left in a hurry.

Looking at her leaving figure, Qin Yu couldn't help but sneer in his heart.

Just now, she boasted shamelessly that she wanted to follow Qin Yu, but now she turned around and ran. She didn't even dare to look back.

"Qin Yu, this isn't a place to stay for long. Let's leave quickly before the news spreads," Wen da said in a deep voice.

Qin Yu nodded. Once the sect master of the Tianyun sect found out about this, it would be difficult for her to escape.

"Wen Er, take Qin Yu home first. I'm going to inform Grandpa Now." Wen Da displayed a rare calmness.

"Okay." Wen Er nodded.

He pulled Qin Yu, turned around, and left in a hurry.

They went all the way back to the Wen family. Wen Er brought Qin Yu to a secret room.

This was a secret realm built by Wen Wanji himself. Other than the three of them, no one knew about it.

Wen Er opened the secret realm and said in a deep voice, "Qin Yu, go in quickly. Don't come out without our notice."

Qin Yu nodded and said, "Thank you."

On the other side, Wen Dazheng rushed to the myriad sect gathering.

He had to tell this matter to Wen Wanji as soon as possible and let him think of a way.
