

My Rich Wife - Chapter 1361 - 1370

Chapter 1361: Chapter 1,361, the Righteous Wen Wanji

As one of the top experts in the southern region, Wen Wanji's words carried a lot of weight, so his seat was quite eye-catching.

Just as they were discussing, Wen da rushed over.

He tried his best to appear calm and said with a smile, "Grandpa, let's Hurry Home."

"Go Home? The myriad sect meeting isn't over yet. Why should we go home?" Wen Wanfu frowned and said.

"I have something to tell you," Wen da said with great effort, "It's very important."

Wen Wanfu rolled his eyes and said, "What can you have? Besides eating, drinking, and having fun, you're just going out to pick up girls."

Everyone at the table suddenly laughed.

"Aiya, if there's really something, hurry up and follow me," Wen da urged.

The sect master of the Tianyun sect laughed and said, "Wan Chong, since your grandson is looking for you for something, you should leave first."

"What could he possibly have to do?" Wen wanyun stood up and muttered.

"Maybe he really has something to do this time." The sect master of the Tianyun sect laughed and said.

Wen wanyun stood up and cupped his hands to everyone. He said, "Everyone, I'm sorry. I'll go back first."

After saying this, the two of them walked out of the great Yue mountain.

"What's the matter? Why are you in such a hurry?" Wen Wanji asked.

Wen Da didn't say anything, but a grave expression appeared on his face.

Only after the two of them left the mountain did Wen da say with a horrified expression, "Grandfather, something bad has happened. Qin Yu beat the son of the Heavenly Cloud Sect's sect master to death."

Wen Wanli was stunned for a moment before his expression changed drastically.

“Where’s Qin Yu? where is he now?”Wen Wanli asked hurriedly.

“I asked Wen Er to hide him. He’s now in the Wen family’s secret realm,”Wen da said.

Wen Wanli did not dare to think too much. He brought Wen Da and hurried home.

On the way, Wen da told Wen Wanli everything that had happened.

After Wen Wanyi heard it, he couldn’t help but look solemn.

On the way back, he didn’t say a word, showing a rare nervousness.

After rushing back to the Wen family, Wen Wanyi quickly entered the Wen family’s mystic realm.

In the Mystic Realm, Qin Yu was sitting cross-legged. When he saw Wen wanyi rushing over, Qin Yu quickly stood up and said, “Master.”

Wen wanyi nodded and said coldly, “You killed the son of the sect master of the Heavenly Cloud Sect. He will never let you go.”

Qin Yu smiled bitterly. “I didn’t expect it to be his son either.”

“There must be something wrong with this matter.”Wen Wanli frowned.

“His son hasn’t left the Tianyun sect for many years. This time, he suddenly came to the myriad sect gathering and provoked you. There must be someone who is trying to cause trouble.”Wen Wanli took a deep breath.

Qin Yu acknowledged and said, “Regardless of whether there is someone who is trying to cause trouble, I was the one who killed him. The Tianyun sect will definitely not let me off.”

“That’s right. That’s his son. Ling Yun isn’t on the same level as him,”Wen Wanli said in a deep voice.

Qin Yu stood up and cupped his hands. “Master, this matter started because of me. I will bear the responsibility myself. I will not implicate the Wen family. I will leave now.”

Wen Wanli looked at Qin Yu coldly and said, “What nonsense are you talking about? Since I have accepted you as my disciple, I will naturally be responsible for you.”

“Moreover, I’ve just publicly announced that you’re my disciple at the myriad sect meeting. Even if you leave, will the heavenly cloud sect let this matter rest?”

This was the truth. If Qin Yu couldn't be found, Wen Wanji would most likely be found to take responsibility.

"What should we do now?" Qin Yu frowned and asked.

Wen Wanji took a deep breath and said, "From now on, you're not allowed to leave this place even half a step. Do you understand?"

Qin Yu hurriedly nodded and said, "Okay."

Then, Wen Wanye looked at Wen Da and Wen er and said, "From today on, the two of you are not allowed to leave the Wen family. I will go and inform your grandfathers to come as guests."

Wen wanye naturally had his friends, and all of them were experts.

The reason why he invited them as guests was to prevent the heavenly cloud sect from suddenly making trouble.

Seeing how busy they were, Qin Yu couldn't help but feel a little ashamed.

"I'm really sorry..." Qin Yu sighed.

Wen wanyi shook his head and said, "The matter has already happened. There's no point in saying anything. Just stay here and I'll try my best to handle this matter."

"It's a pity that Jue Wu is in closed-door cultivation." At this moment, Wen Wanyi couldn't help but sigh slightly.

If Jue Wu was here, this matter would be easier to handle.

Wen Wanyi didn't stay any longer and quickly left.

Qin Yu stayed in this mystic realm by himself, and he had an unspeakable shame in his heart.

More importantly, he was unable to cultivate now, and staying here was purely a waste of time.

...

The news of the Heavenly Cloud Sect's young master being killed quickly spread.

At the scene of the myriad sect meeting.

A disciple of the heavenly cloud sect ran over with a panicked expression.

“Sect... sect master, something bad has happened...”this disciple knelt on the ground with a terrified expression.

The first elder berated, “What’s the matter? Why are you making such a fuss? Can’t you see that we’re having a meeting!”

That disciple said with a trembling voice, “Something... something big has happened. I... I have to report this matter as soon as possible...”

The sect master glanced at him and waved his hand. “What is it? Speak.”

The disciple swallowed his saliva and said, “Young master... Young Master is dead...”

Chapter 1362: Chapter 1,362, countermeasure 1

The sect master frowned slightly and said, “Young master? Which Young Master?”

This disciple said with a sobbing tone, “Your... your son.”

“What? !”The sect master suddenly stood up, and a terrifying aura instantly exploded!

Even though everyone present was top-notch, they were still suffocated by the sect master’s powerful pressure!

“Who did it... who did it!”The sect master roared angrily, and even the clouds in the sky were instantly scattered!

“It... It’s said that it’s that Qin Yu...”the disciple said with a trembling voice.

The sect master’s expression was extremely ugly, and anger filled his chest.

“This Qin Yu actually doesn’t know what’s good for him? The sect master has already retreated, but he actually killed the sect master’s Son?”

“No wonder that Wen Wanli left in a hurry just now. He must have known the news in advance.”

“This Qin Yu must die. If Wen Wanli was sensible, he would have taken the initiative to send him over!”

Everyone discussed animatedly, blaming Qin Yu and Wen Wanli one after another.

But the sect master didn’t say a word, only his expression was terrifyingly cold.

“I will definitely kill him with my own hands... from today onwards, whoever protects Qin Yu will be an enemy of our heavenly cloud sect!”The sect master said coldly.

In an instant, the sky was covered with dark clouds and lightning flashed and thunder rumbled.

It was as if it was a sign that a great battle was about to begin.

...

At this moment, Qin Yu was sitting in the mystic realm with his eyes slightly narrowed.

This kind of dull and tasteless life was extremely good at training one's temperament.

During the days when he could not cultivate, Qin Yu could only try to temper his state of mind.

"Sigh."

Qin Yu sighed slightly and stood up from the ground.

He felt extremely uncomfortable. There was nothing he could do to help. He couldn't even do anything.

In this secret realm, he couldn't hear the sounds outside, so Qin Yu had no idea what was happening outside.

In the evening.

People came to the Wen family one after another.

They were a group of old men, but all of them were quite powerful.

In the entire South Province, they were all tyrants.

"Wan Chong, why are you in such a hurry to find us?" The one who spoke was a man with a long black beard.

His name was Crow, and he was one of Wen Wanyun's good friends.

"What else can he do? He's just looking for us to drink and eat."

A short old man with a head full of white hair laughed.

This person was called white monkey, and he was quite powerful.

"Hahaha, Wan Chong, we don't have the leisure to accompany you to eat and drink," another person walked forward and said.

Wen Wanli sighed and waved his hand. "Alright, take your seats first."

After everyone sat down, Wen Wanli said, "Everyone, you can stay for a few more days."

"Don't worry. We came all the way here. We can't just leave after a meal," Crow said with a smile.

At this moment, Wen Da and Wen Er walked in.

"Hello, Grandfathers," Wen Da and Wen Er said rather obediently.

"Haha, you two brats. If you don't go out to pick up girls, what are you doing at home?" White monkey joked.

"I guess your reputation is bad and you won't be able to pick up girls," Crow also joked.

Wen Da and Wen Er scratched their heads in embarrassment. Just as they were about to speak, Wen Wanli waved his hand and said, "You two go out first. We have something to discuss."

"Okay." The two of them did not stay any longer. They turned around and walked out.

They sat on the stone steps at the door, propping their cheeks as they looked at the setting sun.

"Do you think they will help?" Wen Da asked.

Wen Er muttered, "They are all good friends of grandfather. They should be able to help, right?"

"Sigh, but the opponent is the Heavenly Cloud sect after all. No one is willing to go against the Heavenly Cloud Sect." Wen Da sighed.

"Moreover, these people like to travel around the world and are used to freedom. Who would want to cause such trouble?"

Wen Er kept silent, feeling somewhat depressed in his heart.

They all knew that this was probably a disaster for the Wen family.

If they wanted to go against the Tianyun sect, they would need the help of the top freelance martial artists of the South Province.

For example, the unique dance of Mount Hua Ning, Qu Zhu of Mount Ning Temple, and others.

However, it was almost impossible to gather them together.

As they were speaking, a loud shout came from the main hall.

“What did you say? ! Tianyun sect? Someone killed the son of the sect master of Tianyun Sect?”

“Old Wen, have you thought it through? Are you really going to go against the Tianyun sect? If they go crazy, we won’t be able to hold them off.”

Hearing the voices in the main hall, Wen Da Wen er couldn’t help but look at each other before sighing.

In a short while, people began to leave one after another.

They heard that they were going against the Heavenly Cloud sect and no one was willing to make a move.

Ten minutes later.

Other than the white monkey and crow, everyone had left.

In the huge hall, there were only the three of them.

Wen Da and Wen Er walked in. Looking at the empty hall, they could not help but feel depressed.

“Just these two?”Wen Da could not help but mutter.

Wen Wanye did not say anything, while white monkey and crow were cursing at Wen Wanye.

Although their words were unpleasant to hear, they had no intention of leaving.

“I wonder when Aunt Jue Wu will come out of seclusion,”Wen da said.

“That’s right. If Aunt Juwu makes a move, her chances of winning will be higher.”

As he spoke, a strong aura suddenly approached the Wen family.

Chapter 1363: Chapter 1,363, wrath of the Heavenly Cloud sect

Wen Wentong knew that the people from the Heavenly Cloud sect had arrived.

The white monkey and crow beside him also quickly stood up and looked up into the sky with solemn expressions.

As expected, a few figures appeared in the sky above the Wen family.

The leader was the sect master of the Heavenly Cloud Sect, and the first elder followed closely behind.

The sect master looked down coldly, the coldness and anger on his face could not be concealed.

Even though they were far away, they could still feel the bone-chilling coldness on his body.

Wen Wanji pretended not to know and walked out, quietly waiting for the arrival of the Heavenly Cloud sect.

Soon, the sect master brought everyone and slowly landed in front of them.

The sect master's expression was extremely cold, but as the ruler of the southern region, he still displayed an extraordinary calmness.

"Where is he?" The sect master asked directly.

"Who is he?" Wen Wentong pretended to be dumb.

Before the sect master could speak, the first elder at the side scolded, "Wen Wentong, stop pretending! Where is Qin Yu? Hand him over!"

Wen Wentong said with slight surprise, "I don't know either. I haven't seen him. What happened?"

"Stop pretending!" The Great Elder took a step forward, full of arrogance.

Wen wentong sneered, "I haven't pretended for a long time."

"Qin Yu killed our sect master's son. How dare you say you don't know!" The Great Elder said angrily.

Wen Wanji said with a face full of shock, "Qin Yu killed our sect master's son? How is this possible? Is there some misunderstanding?"

"Misunderstanding? So many people saw it with their own eyes. How can it be a misunderstanding!" The Great Elder said with a gloomy face.

Wen wanji frowned and said, "I really don't know. Qin Yu didn't come back either."

“Besides, hasn’t the young master of the Heavenly Cloud sect not left the sect for a long time? How can Qin Yu go to the sect to kill people?”Wen Wanji said with a bit of sarcasm.

The sect master, who had been silent all this time, finally spoke.

He took a deep breath and said, “I will investigate how my son escaped. However, Qin Yu is the murderer. He must die. Wen wanyun, you can’t protect him.”

Wen wanyun said indifferently, “Qin Yu is not with me at all. It’s useless for you to find me.”

“You are his master. If I can’t find him, I’ll take you as an example,”the sect master of the Heavenly Cloud Sect said extremely unyieldingly.

Wen Wanji was not a weak person. He sneered and said, “Alright, then come and try it.”

The sect master glanced at the Crow and white monkey behind him as if he was warning them.

Then, the sect master gave an ultimatum, “I’ll give you three days. If you don’t hand over Qin Yu, I’ll definitely trample the Wen family.”

“I, Wen wanye, am not scared. I will wait for you.”Wen wanye coldly snorted.

The sect master did not stay any longer and turned around to leave.

The first elder coldly laughed, “Wen wanye, I have not liked you for a long time. Everyone says that your strength is extraordinary. Sooner or later, I will experience it.”

“Welcome.”Wen wanye faintly said.

They did not stay any longer and immediately left the Wen family.

After they left, a grave expression finally appeared on Wen Wanli’s face.

The white monkey and crow by the side were drenched in sweat.

They were also afraid of the Tianyun sect, especially one that was about to go crazy.

“Grandfather, why don’t we... Leave the South Province?”Wen Da suggested.

Wen Wanli shook his head and said, “I will never leave Da Yue.”

Then, Wen Wanli looked at the white monkey and the crow beside him and said, “If you two want to leave, it’s still not too late.”

“Screw you. Since we are here, we naturally won’t leave,” said the Crow.

“That’s right. Since ancient times, who doesn’t die? Not to mention that we might not die.” The white monkey also laughed.

Wen Wanli hummed in gratitude. He did not say much, but everything was said in silence.

Tianyun sect.

Elder Bai was sneering. There was no other reason than that he was the biggest beneficiary.

In this way, Tianyun sect would not push him out to take the blame.

“Playing with me? You are still too inexperienced.” Elder Bai sneered in his heart.

The news of Qin Yu killing the son of the sect master of Tianyun sect quickly spread throughout the entire southern province.

Tianyun sect also quickly issued a statement:

From today onwards, anyone who dared to have an affair with Qin Yu would be the heavenly cloud sect’s mortal enemy.

For a time, more than half of the southern province was in an uproar.

In just three short days, the news changed again and again, and it was all eye-popping news.

“It’s really strange. Just a day ago, it was reported that the relationship between the two had already eased up. Why did Qin Yu kill the son of the sect master of the Heavenly Cloud sect in the blink of an eye?”

“That’s right. I suspect that someone is intentionally doing bad things.”

“But no matter what, Qin Yu is indeed the murderer. He killed important figures of the heavenly cloud sect one after another. The Heavenly Cloud sect can not tolerate this any longer.”

“This time, I’m afraid that no one can protect Qin Yu, not even Wen Wanli.”

Countless comments swept through the entire southern province.

At this moment, Qin Yu was sitting in the mystic realm, feeling uneasy.

He had a bad premonition that he would implicate the entire Wen family because of him.

“No, I have to go out.” Qin Yu couldn’t hold it in any longer.

With his personality, he definitely couldn’t bear to let anyone take the blame for him.

Chapter 1364: Chapter 1,364, everything he had learned in his life

Qin Yu walked all the way to the exit. His face was gloomy, and he planned to break open this secret realm by force.

This secret realm was created by Wen Wanji, but with Qin Yu’s ability, he might be able to break it open by force.

He bent his right fist, and golden light flickered. Just as he was about to break open this secret realm, the exit suddenly flashed with light.

The next second, Wen Wanji walked in.

“Master.” Qin Yu bowed to Wen Wanji.

Wen wanji sized up Qin Yu. He seemed to have seen through Qin Yu’s intentions.

“What do you want?” Wen Wanji asked with a cold face.

Qin Yu sighed and said, “I have a bad feeling in my heart. I really can’t stay here any longer.”

Wen wanyi raised his hand and pressed on Qin Yu’s neck. A huge force burst out.

He pulled Qin Yu to the side and then said coldly, “What I ask you to do is enough. Do you remember?”

Qin Yu smiled bitterly.

Although he said so, he was not a selfish person.

At this moment, Qin Yu thought of the keepsake that Yan Ruoxue had given him.

She had said in the letter that if she ran into trouble that she couldn’t solve, she would crush the Keepsake. At that time, the Yan family would definitely send someone.

If the Yan family really sent someone, then the Heavenly Cloud sect wasn’t even worth mentioning.

After much hesitation, Qin Yu finally put away the keepsake.

Unless it was absolutely necessary, Qin Yu really didn't want to trouble Yan Ruoxue.

I wonder how long that bastard iron egg will sleep for, Qin Yu thought to himself.

Iron Egg was at the peak of the Almighty Realm, and his strength was extremely powerful.

If he woke up, he might be able to help.

"Follow me," Wen Wenti said at this moment.

Qin Yu followed behind Wen Wenti and came to the depths of the secret realm.

"Wait for me here," Wen Wenti said with a solemn expression.

Qin Yu nodded and said, "Okay."

Wen wanye turned around and left. A few minutes later, he returned with Wen Dawen and Wen Er.

The few of them gathered together and Wen Wanye handed a card to Wen Dawen.

"There is a sum of money in this card. From now on, I will hand it over to you," Wen Wanye said.

Seeing this one meter, Qin Yu's expression immediately became extremely ugly.

"Master, what are you doing?" Qin Yu frowned.

Wen Wanli ignored Qin Yu's words and said, "I am taking you to a place. This mystic realm is not safe after all. Remember, don't come back unless it is necessary."

Hearing this, Qin Yu finally couldn't bear it anymore.

He rushed forward and said coldly, "If this is the case, I would rather bear it myself."

"Don't mess around!" Wen wentu scolded.

"I'm not messing around. I have a way to protect myself," Qin Yu said seriously.

At this moment, Qin Yu had already prepared to crush the token.

But at this moment, a big hand suddenly slapped over.

Before Qin Yu could react, Wen Wentu's palm had already ruthlessly slapped Qin Yu's head.

Qin Yu's vision went black, and he felt everything in front of him shake.

He tried his best to hold on to his consciousness, intending to crush the token.

"You can hold on quite well." But at this moment, Wen Wanli slapped Qin Yu's head again.

Finally, Qin Yu couldn't hold on any longer and completely fainted.

When Qin Yu woke up again, he was already in an extremely unfamiliar environment.

It seemed to be a volcano. As soon as he opened his eyes, he was greeted by a wave of heat.

And on one side of the mountain, there was a huge fire pit.

The Flames in the pit seemed to have a life of their own as they kept jumping out.

"You're Awake?" Wen Wanji's voice was heard.

Qin Yu rubbed his eyes and frowned. "Where is this?"

Wen Wentong said, "You don't need to know where this is. In short, you will stay here for the next period of time."

Qin Yu looked around and found that the surrounding space had been completely sealed.

He raised his hand and touched it, but there was no way out.

Wen Da and Wen Er were also at the side. They were no longer as relaxed and playful as before. Instead, there was an indescribable solemnity on their faces.

Qin Yu knew that all of this had happened because of him, so he felt very ashamed.

"From now on, I'm going to give you special training for three days," Wen Wanyun said coldly.

Qin Yu clenched his teeth. He raised his head to look at Wen wanyun and said, "Master, you'd better hand me over. This matter has nothing to do with you."

"Don't talk nonsense. His tianyun sect might not be able to do anything to me," Wen Wanyun said.

"I will run away if necessary."

Then, Wen Wanyun raised his hand and pointed at the flame below.

“This flame is called the body tempering flame. It is very suitable for you,” said Wen Wanyun.

“I have brought a few disciples here before. Some of them couldn’t bear it, and some of them died in this flame. But I think this flame is nothing to you.”

Qin Yu lowered his head to look at the dancing flames. He had a faint sense of longing in his heart.

Before Qin Yu could prepare himself, Wen Wanli had already slapped Qin Yu’s back.

In an instant, Qin Yu’s body sank into the flames.

Countless tongues of fire surged from all directions and wrapped around Qin Yu.

They clung onto Qin Yu’s body crazily, as if they wanted to devour him.

Stinging pain!

This was Qin Yu’s first feeling.

It was as if there were countless needles stabbing into his body!

They pierced through Qin Yu’s skin and into his blood, as if they wanted to evaporate his blood!

The pain made Qin Yu Grimace, but he gritted his teeth and did not make a sound.

From the initial rolling, Dao gradually calmed down, and Qin Yu only used less than ten minutes.

Looking at Qin Yu who was sitting cross-legged below, a smile appeared on Wen Wanji’s face, and his eyes were filled with love.

“Sure enough, this flame is nothing to him,” Wen Wanji said with a smile.

Wen Da and Wen Er were also a little surprised.

They had followed Wen Wanji and seen many people jump into the flame, but the final result was extremely miserable.

Qin Yu’s calmness was simply unheard of!

“Qin Yu, how do you feel?” Wen wentu shouted from above.

Qin Yu gritted his teeth and said, "I'm alright. I can withstand it."

Wen wentu nodded slightly. He extended his palm and an icy blue aura turned into a long robe, scooping Qin Yu out of the flames.

Standing above, Wen Wanji looked at Qin Yu and said slowly, "Next, I will teach you everything I have learned in my life."

Chapter 1365: Chapter 1,365, the melancholic Wen Brothers

Qin Yu's expression turned cold, and there was an indescribable feeling in his heart.

This was definitely a good thing for Qin Yu, but in reality, Wen Wanli seemed to be prepared to not return.

"Master, you..." Qin Yu opened his mouth, not knowing what to say for a moment.

"No need to talk nonsense." Wen Wanji waved his hand, and a thick force directly pressed Qin Yu down to sit down.

Wen Wanji didn't say too much nonsense. He sat cross-legged in front of Qin Yu, and then a strand of spiritual sense floated up from his glabella and entered Qin Yu's mind.

In an instant, countless messages rushed into Qin Yu's mind.

The Wen family's ultimate creation art was taught to Qin Yu without any concealment.

This was a very long process that required several days. During these few days, the two of them sat cross-legged on the crater of the volcano.

And Wen Da and Wen Er were just sitting by the side. If it was any other day, the two of them would have been tired of it. But today, they were unusually quiet.

At this time, the Heavenly Cloud Sect's army had already crossed the border and was approaching da Yue.

Countless people surrounded the entire da Yue. Not even a mosquito could fly past.

The person leading the group was the first elder. He stood high in the sky and looked down on everyone, looking awe-inspiring.

And beside him was elder Bai.

Normally, he did not have the qualifications to fight, but this trip was to redeem himself.

“First Elder, is the sect master not coming?” Elder Bai stood beside first elder and tried to ask.

First Elder glanced at him and said indifferently, “The vice sect master will come. The sect master said that he must stay to protect the sect and also find out why young master left the sect.”

Elder Bai’s expression changed slightly, and he had a bad feeling in his heart.

One had to know that the reason why the young master had left the sect was because of elder Bai.

Although elder Bai thought that he had done it flawlessly, he was still a bit worried in his heart.

“If the sect master doesn’t come, can we take down this Wen Wanli? It’s said that this Wen Wanli is extremely terrifying when he goes crazy,” elder Bai said in a low voice.

The first elder looked at him coldly and said, “I think that Wen Wanli is just an empty title. I really want to see him.”

Such a big move naturally spread throughout the entire southern province.

All the forces that tried to curry favor with the heavenly cloud sect also sent people to encircle Wen Wanli.

On a mountain in the southern province.

A young man with a demonic appearance was sitting in the bamboo forest drinking wine.

A faint fragrance lingered in the bamboo forest, making people feel extremely comfortable.

“Qu Zhu, have you heard? The Heavenly Cloud sect sent a large number of people to encircle Wen Wanli this time.” A person beside him said with a smile.

Qu Zhu drank a mouthful of wine and then said with a faint smile, “It’s none of my business.”

“Hahahaha!” The person beside him immediately burst into laughter.

“It’s indeed none of your business, but aren’t you curious? It’s said that the leader of this team is the Heavenly Cloud Sect’s great elder. You must know that this great elder has always wanted to fight with Wen Wanji.”

Qu Zhu curled his lips and said, "I'm not familiar with them, so I can't be bothered to ask. But I heard that Jue Wu and Wen wanji have a good relationship. With Jue Wu's character, she will definitely make a move."

"Hahahaha, Qu Zhu, you're wrong again." Someone beside him shook his head.

"I just received news that Jue Wu is in closed-door cultivation, and she suddenly left at the myriad sect meeting."

"Yes, someone said that she found an excuse to leave because she was afraid." Someone beside her spread his hands.

Qu Zhu shook his head and said, "Impossible. Jue Wu is crazy. She Won't be afraid of anyone. I even suspect that she doesn't know what fear is."

"Maybe."

"Sigh, Jue Wu is about to break through again. We might have to consider going into closed-door cultivation. Otherwise, we'll be left behind by her."

"Yeah."

...

Time flew by. In the blink of an eye, three days had passed.

On this night, Wen Wanyun stood up from the ground.

He looked at Qin Yu in front of him and said, "I've already taught you all of my secret techniques. As for how much you can comprehend, that's up to you."

Qin Yu acknowledged and then said in a deep voice, "How about... Don't go back. Let me handle this matter."

"You handle it?" Wen Wanyi couldn't help but laugh.

"How can you handle it? You killed his son. He will definitely not let you off."

Qin Yu took out the keepsake that Yan Ruoxue gave him and then handed it to Wen Wanyi.

"This is enough to make the Tianyun sect retreat," said Qin Yu.

Wen Wentong took the token and sized it up. "What's This?"

"It's a token given to me by the Princess of the Yan family in the Central Province," said Qin Yu.

"As long as I crush it, the Yan family will send someone."

"Hahahaha!" Hearing this, Wen Wentong couldn't help but laugh.

He stuffed the token back to Qin Yu and shook his head. "Don't say such nonsense. Don't worry. It's not that easy for the Heavenly Cloud sect to kill me."

Qin Yu opened his mouth and was about to explain when Wen Wanji waved his hand and said, "Alright, I should go back. If I don't go back, he will find this place sooner or later."

"From now on, none of the three of you are allowed to leave, understand?" Wen Wanji said with a serious face.

Wen Da and Wen Er's faces were extremely ugly, and tears even appeared in their eyes.

This was their only family, so how could they bear to leave now.

Wen Wanji didn't say anything more and turned to leave.

Qin Yu gritted his teeth. He wanted to break the spatial seal, but he found that the barrier here was extremely strong and couldn't be broken.

Looking at Wen Wanyi's leaving figure, Qin Yu felt an indescribable sadness.

"Wen Da, Wen Er, I'm sorry for what happened." Qin Yu sighed.

The two of them shook their heads, but did not say anything.

They sat at the edge of the volcano, as if they were thinking about something.

After a while, Wen da stood up.

He clenched his fist and said, "I suddenly regret something."

"Huh? Regret what?" Qin Yu asked.

"Regret that I didn't cultivate seriously since I was young. At this moment, I finally understand why men always want to grow up," Wen da muttered in a low voice.

"If I can't even protect the important people around me, then I must be living a really cowardly life."

Wen Er opened his mouth and seemed to have the same feeling.

Qin Yu didn't know what to say for a moment. The environment had a great influence on people's growth. It was common for Wen Da and Wen Er to be unwilling to cultivate.

"I hope Grandpa He is okay."Wen da whispered.

Chapter 1366: Chapter 1,366, full of fighting spirit! 1

Qin Yu was similarly worried.

However, he also understood that he couldn't help much now. The only thing he could do was to cultivate with all his might.

Qin Yu patted the shoulders of the two brothers, and then jumped into the flames.

The Tongues of fire crazily devoured Qin Yu, bringing about a great pain.

In the outside world, the predicament that Wen Wanji encountered was even more terrifying.

The three of them stood in the most conspicuous place of the Wen family manor, quietly waiting for the arrival of the Heavenly Cloud sect.

The three of them knew that tomorrow was the day of the final battle.

That night was extremely restless. Dark clouds covered the sky, and a sandstorm swept through the world as if it was a sign of something.

The next morning, under the command of the first elder, people rushed toward the Wen family manor like a tide.

In a short while, dense traces appeared in the sky.

The crowd led by the first elder and the deputy sect master was looking at Wen Wanji and the other two coldly.

"You don't know life from death."The first elder snorted and then landed below.

His body that was like a swallow floated over.

The great elder put his hands behind his back and slowly walked in front of Wen Wanji.

"Wen Wanji, where is he?"The Great Elder asked straightforwardly.

"Who is he?"Wen Wanji continued to play dumb.

The Great Elder said with a gloomy face, "It seems that you don't take the sect leader's words to heart. Hand over Qin Yu, or else the Wen family won't be spared!"

"F * ck your mother!" Wen Wanli suddenly roared angrily. His thick arms instantly shattered his clothes, and a terrifying spiritual power mixed with killing intent rushed toward the great elder!

No one expected Wen Wanli to directly attack without saying anything!

The great battle immediately began at this moment. The Great Elder hurriedly responded, and was forced back several steps!

This undoubtedly infuriated the great elder! He wildly danced, his face grim as he coldly stared at Wen Wanji.

"Everyone, listen up," the first elder said coldly.

"Leave Wen Wanji to me. I want the remaining two people to disappear as soon as possible!"

With a single command, the battle began.

The dark clouds were forced back, and even space itself began to buzz.

Even the extremely stable saint-level combatants couldn't endure it any longer.

This battle would definitely attract the attention of the world.

...

At the mouth of the volcano, Qin Yu was using flames to temper his body.

The effects of the flames were extremely good, and they were quite compatible with Qin Yu.

According to this rate of progress, it wouldn't be long before his flesh God would be able to advance a few more steps.

Wen Da and Wen Er stared at Qin Yu from above, and then Wen da slowly said, "Grandfather seemed to have said that he wanted to let Qin Yu's physical body enter the return to void stage."

"That's right." Wen Er was also unusually serious.

"If his physical body enters the return to void stage, that means that no one can harm his physical body in the Almighty Stage."

“This is really a crazy idea.”

Wen Da glanced at Wen Er and said, “Don’t think too easily. It’s not that simple for the physical body to enter the return to void stage. Moreover, even if he really enters the return to void stage, it doesn’t mean that others don’t have the means to counter him.”

“That’s true.”Wen Er nodded in agreement.

Then, they all looked into the distance.

That position was in the direction of the Wen family.

The feeling of not being able to help was very uncomfortable. Even with Wen Da and Wen Er’s temperament, they felt a bit guilty at this moment.

At this moment, the Wen family manor had already turned into ruins.

The battle continued for three days. Wen Wanji and the other two fought against the Elite Forces of the Heavenly Cloud sect, but they were actually not at a disadvantage for a long time.

And the most miserable one was the first elder.

He had been forced back by Wen Wanji many times. His body was bleeding, and his aura was very weak.

On the other hand, Wen Wanji was charging forward like a wild beast, as if he was not exhausted.

“Boom!”

Another beam of bright light came from the sky, cutting the first elder’s long robe and breaking one of his arms.

Even though he had the protective dharma treasure of the Heavenly Cloud sect, it was completely shattered at this moment.

The first elder panted heavily, and a hint of fear appeared in his eyes.

“This Wen Wanli... he really lives up to his reputation...”the first elder wiped the blood from the corner of his mouth, and his teeth were grinding.

However, Wen Wanli didn’t care about this. He directly rushed towards the first elder.

The first elder was pushed and pushed repeatedly, looking extremely pathetic.

“Didn’t you want to fight with me? Come at me!”Wen Wanli roared angrily and actually shattered the space!

In the next second, Wen Wanli’s body emerged from the space fragment. Then, he clasped his palms together, and a terrifying aura exploded in front of the first elder!

“Bang Bang Bang!”

The first Elder was beaten until he vomited blood, and his body almost fell down several times.

“This won’t do. If this continues, I’m afraid I’ll lose.”The first Elder’s expression was incomparably ugly.

These loose cultivators who stood at the peak of the South Province had indeed exceeded his imagination.

Now wasn’t the time to show off, so the first elder didn’t waste any words. He immediately gathered many experts, planning to surround and annihilate Wen Wanji.

Several late-stage or even peak-stage mighty figures surrounded Wen Wanji.

They looked coldly at Wen Wanji. A cold killing intent that was as cold as water appeared in this small encirclement.

Wen Wanji swept his gaze over everyone and sneered, “What? Didn’t you say that you wanted to fight me? Are You Afraid Now? You really are a little bastard who doesn’t follow the rules.”

The great elder wiped the blood from the corner of his mouth and said coldly, “Wen wanye, this isn’t a battle between the two of us. It’s a war. A war with the goal of winning! If you’re afraid, hand over the person!”

“Hahahaha!”

As soon as these words were said, Wen wanye couldn’t help but laugh heartily.

“I, Wen wanye, have lived for so many years and have never known what it means to hand over the person. All of you can attack together. I, Wen Wanye, have nothing to fear!”Wen wanye’s heroic voice spread throughout the entire Wen family manor!

The great elder gritted his teeth and said, “Wen Wanji, aren’t you afraid of death! ?”

Wen wanji shouted loudly, “Since ancient times, who hasn’t died? How can we cowards be afraid of death! What’s more, it’s not that easy to kill me with just a few stinky fish and shrimps like you. Come On!”

“Alright, Attack! Kill him!”The great elder did not waste any more words. A group of people blotted out the sky and covered the earth as they charged straight at Wen Wanji!

Chapter 1367: Chapter 1,367, the crazed Wen wanye

The overwhelming crowd was closing in on Wen Wanye!

However, there was no fear on Wen Wanye’s face. On the contrary, he became even more arrogant.

He shouted continuously and his body was dyed with light. He was like a true undefeatable war god as he shuttled through the crowd.

This was a fierce battle. No matter how strong Wen Wanye was, he was unable to fight against so many people.

He gradually fell into a disadvantageous position. His white clothes were stained with blood, but his face did not lose its arrogance!

“Wen Wanji, you are dead meat!”The first elder stood high up and coldly berated.

Wen Wanji laughed loudly and said, “Even if I die, I will definitely take you with me!”

The first elder ridiculed, “If you can hold on, your two old buddies might not.”

As expected, he turned his head and saw that the white monkey and Crow were already heavily injured and gasping for breath.

Wen Wanli’s expression changed. Just as he was about to rush over, he was blocked by the crowd.

“Bang!”

At this moment, the white monkey could not hold on any longer. His jaw was shattered by a punch and his body flew into the air.

“White Monkey!”Wen Wanli’s expression changed drastically. He tried his best to break out of the encirclement, but in the end, he failed.

“Chi!”

At this moment, Crow encountered an even more tragic attack.

A long spear with a brilliant glow pierced straight into Crow’s head.

The long spear pierced through his head and pinned him to the ground, unable to move.

Blood continued to flow, and his aura was also rapidly spreading.

“Crow!” Wen Wanli’s expression immediately turned extremely ugly. Even his body was trembling at this moment.

The Crow’s aura was rapidly spreading, and his primordial spirit was instantly pierced through!

“Hahahaha!” The first elder couldn’t help but laugh loudly when he saw this.

“Wen Wanli, do you know fear now! ?”

Wen Wanli’s hands were hanging down, and his body was trembling.

“You... are courting death!” Wen Wanli suddenly raised his head, and a terrifying aura instantly exploded!

His eyes were scarlet red, and his body seemed to be wrapped in raging flames!

First Elder frowned slightly, but he didn’t take it to heart.

“Playing tricks.” First Elder sneered.

But right at this moment, Wen Wanli raised his head and roared angrily, “Eight devil transformation!”

After a furious roar, Wen Wanli’s entire person became extremely agitated.

His eyes seemed to have lost their humanity, and he was like a wild beast!

Following that, his aura skyrocketed, and his strength increased explosively at this moment!

“Die, all of You Die!”

Wen Wanji let out a strange cry from his mouth. At this moment, he was like a wild beast that had lost its rationality. He killed everyone he saw, including ghosts!

Such a violent attack instantly caused the heavenly cloud sect to collapse!

“Not good!” When the first elder saw this, his expression could not help but change.

However, they had already sent out troops today. If they could not take down Wen Wanji, then the Heavenly Cloud Sect’s face would definitely be lost. Hence, he could only command everyone to go all out to kill Wen Wanji!

...

Qin Yu walked out from the pit of fire.

After a few days of baptism, his physical body had undergone some changes.

His outer skin kept breaking and reassembling, and his body was dyed a fiery red.

Qin Yu looked at Wen Da and Wen Er and said, "How is it? Any News?"

Wen Da shook his head and said, "What news can we get here?"

Qin Yu frowned. He looked at the barrier around him and said, "Did master say when the spatial barrier would disappear?"

Wen Da glanced at Qin Yu and said, "My grandfather said that the spatial barrier will not disappear automatically. It can only be broken by external forces."

Qin Yu could not help but suck in a breath of cold air when he heard that.

"In other words, we will always be trapped here?" Qin Yu was greatly puzzled.

Wen Er followed up and said, "This is my grandfather's goal. He said that when you have enough power to break the barrier, you can leave this place."

"Then if you can't break it, won't you have to stay here forever?" Qin Yu felt a headache coming on.

Most importantly, Qin Yu didn't have to eat like Wen Da and Wen Er.

Qin Yu, who didn't have any spiritual power, needed to eat.

Qin Yu lowered his head and looked at his rumbling stomach. He couldn't help but feel a little embarrassed.

"Grandfather has already thought of this problem," Wen da said.

With a thought, he took out a bunch of pills that looked like green beans from the spatial artifact.

"Here, take it." Wen Da handed the big bag of pills to Qin Yu.

"This can satisfy your hunger. You can rely on this to survive," Wen da said.

Qin Yu took the pills and couldn't help but sigh, "Your Grandpa is really thoughtful."

“Brother, whether or not we can leave this place and when we can leave will depend on you.” Wen Da patted Qin Yu’s shoulder.

“That’s right, that’s right. We don’t want to stay here for too long.” Wen Er also nodded.

Qin Yu agreed, “Don’t worry, I will do my best.”

He stuffed the pill in his hand into his mouth. Not long after, a medicinal fragrance exploded.

Qin Yu’s physical strength was quickly replenished, and that sense of hunger vanished into thin air.

“One pill has such an effect. There are so many. It’s enough to support me to leave this place,” Qin Yu thought to himself.

He did not waste any more time. He immediately jumped into the fire pit and continued to temper his body.

The growth of the physical body would inevitably bring about an increase in strength.

To the current Qin Yu, this was the only way to cultivate.

It had to be said that Wen Wanji’s thoughts were extremely crazy. He actually wanted a nascent soul stage physical body to reach the return to void stage. It was simply unheard of.

In the blink of an eye, another three days passed.

At this time, the Wen family had already become a pile of ruins.

A tall and old figure stood there in a daze.

Beside him were countless corpses.

Blood had dyed the land of the Wen family manor red.

Wen Wanli froze there for a long time, as if he had aged dozens of years.

A moment later, Wen Wanli stood up and turned around to leave.

Soon, an explosive piece of news spread:

The Heavenly Cloud Sect’s army had arrived and killed Wen Wanli!

“Have you heard? It’s said that they met the crazed Wen Wanli and killed hundreds of people!”

“Yes, I heard that this is a kind of demonic technique. Once it is used, it will lose its rationality and can not differentiate between friend and foe.”

“The first elder seemed to have been seriously injured and fled the Wen family manor in a sorry state.”

“The Heavenly Cloud sect really suffered a heavy loss this time.”

“However, I have to admire Wen Wanli. He really lives up to his reputation...”

Chapter 1368: Chapter 1,368, shattering the Barrier 1

After experiencing this battle, Wen Wanji could be said to have become famous in one battle.

He, who was already famous in the Southern Province, was now even more famous in the world.

If he were to rise at this moment, he would definitely be able to establish a huge sect.

However, what was strange was that after that, Wen Wanji disappeared and never appeared again.

Heavenly Cloud sect.

The sect master’s face was ashen, and in front of them, there were two people kneeling.

One was the first elder, and the other was the vice sect master.

“Sect master, we didn’t expect that Wen Wanli would have such strength...”the first elder knelt on the ground, his face filled with panic.

It was as if this battle had left an indelible shadow in his heart.

“That’s right, we have completely underestimated Wen Wanli’s strength...”the deputy sect master said as well.

The sect master remained silent, but his face was as dark as water.

After a moment, the sect master slowly said, “It’s because of the eight devil technique. You Can’t be blamed for this.”

Hearing this, the first elder and the deputy sect master finally heaved a sigh of relief.

“Sect master, then what should we do next? Wen Wanli seems to have escaped.” The first elder asked.

The sect master shook his head and said, “It doesn’t matter. Our target is not Wen Wanli, but Qin Yu.”

“Pass down the order to search for Qin Yu with all our strength.”

“Yes!”

...

On the crater of the volcano, Qin Yu was still steadily increasing his strength.

He could clearly feel the improvement of this flame on his physical body.

In the blink of an eye, half a month had passed.

On this day, Qin Yu walked out of the flames.

“How is it?” Wen Da and Wen Er hurriedly came up and asked.

Qin Yu nodded and said, “My physical body has indeed improved greatly, but there should still be a certain distance to the return to void stage.”

“Then don’t waste time. Continue,” Wen da urged.

Qin Yu shook his head and said, “I have already encountered a bottleneck. I haven’t felt anything for a few days in a row.”

Wen Da looked at the spatial barrier and said, “Then do you have a way to break it?”

“Almost. I can try.” Qin Yu looked at the illusory spatial barrier in front of her.

Qin Yu reached out and touched the spatial barrier. The barrier was like a layer of glass. Although it couldn’t be seen, it did exist.

“Hurry up. Don’t waste time.” Wen Da was extremely anxious.

They couldn’t wait to know the relevant information about Wen Wanji.

Qin Yu didn’t waste any time and directly activated the fighting word formula.

In an instant, a terrifying power condensed on his right fist.

“Boom!”

A golden light streaked past and ruthlessly smashed towards the barrier in front of him.

“Clang!”

A loud sound accompanied by a terrifying recoil force erupted, directly forcing Qin Yu to take a few steps back.

And in front of the spatial barrier, only a crack appeared.

“So Hard,” Qin Yu said in surprise

As expected of the spatial barrier set up by Wen Wanyi, it was indeed terrifying!

“Soon, soon, come on!” Wen Da and Wen Er hurriedly helped Qin Yu up.

Qin Yu didn't dare to hide his strength anymore, and directly opened the fifth level of the fighting word formula.

His strength increased once again. Qin Yu clenched his right fist and ruthlessly smashed it toward the crack!

“Clang! Clang!”

After two consecutive punches, the spatial barrier finally could not withstand it anymore. It shattered like pieces of glass!

“That's Great!” Wen Da and Wen Er were instantly overjoyed. Without saying anything else, they ran down the mountain.

The two of them, who loved to play, couldn't hold it in anymore after holding it in for so long.

“Is this the smell of Freedom?” Wen Da sniffed the air around him.

“Let's go. Let's leave this damn place quickly,” Wen er said hurriedly.

They took out the flying beasts from their space divine artifacts, planning to leave this damn place.

“It's better to put away your flying beasts.” At this time, Qin Yu shook his head.

“The Heavenly Cloud sect must be looking for us now. It's better to keep a low profile.”

The two of them nodded, as if they felt what Qin Yu said made sense.

Fortunately, Wen Da and Wen Er knew the way, so it wasn't difficult for them to walk out of here.

They spent three days to return to Dayue City again.

There was only one reason why they returned to Dayue City, and that was to get information about Wen Wanli.

"Wait for me here." Qin Yu brought the two of them to a relatively safe location.

"I'll go find out more information."

Wen Da and Wen Er nodded and said, "Then you be careful."

Qin Yu didn't say anything more. He didn't have any spiritual energy fluctuations. As long as he covered his face, he could basically guarantee his safety.

They arrived at the largest restaurant in Dayue City.

There were many people here, and it wasn't a high-end restaurant.

Many rumors would spread from here.

Qin Yu lowered his hat and casually found two seats to sit down. Then, he ordered a few dishes and secretly listened to the news around him.

The battle between Wen Wanye and the heavenly cloud sect could be said to be the biggest news in recent times. It was almost spread everywhere.

The table beside Qin Yu was even more boastful.

"I saw it with my own eyes that day. After Wen Wanye used the eight demons, he beat the head elder of the Heavenly Cloud sect to a pulp!"

"Is Wen Wanye really that fierce?"

"Yeah, the eight demons was Wen Wanye's famous skill. It's said that Wen Wanye accidentally killed his own son when he used the eight demons. He hasn't used this skill since then!"

"No Wonder Wen Wanyi dotes on his two grandsons."

"What's the use? Wen Wanyi did kill a lot of people from the Heavenly Cloud sect, but now he's also on the run."

"That's true..."

Hearing the discussions around them, Qin Yu couldn't help but be frightened.

From what they described, not only did Wen Wanyi not die, but he also killed a lot of people from the Heavenly Cloud sect.

"The eight demons..." Qin Yu muttered the name.

Wen Wentong had also taught this technique to Qin Yu, but Qin Yu had never comprehended it.

From what they had said, the eight demons was clearly a rare technique.

"As long as there's nothing else, it's enough." Qin Yu stood up and did not stay any longer. She turned around and left.

When she returned, Wen Da and Wen Er were discussing something.

When they saw Qin Yu, they hurriedly asked, "How is he? How is my grandfather?"

"Don't worry, master is fine," Qin Yu said.

Then, Qin Yu told Wen Da and Wen Er what she had seen and heard.

When the two of them heard the words "Eight devils," their expressions were obviously unnatural, and there was even a hint of fear.

Chapter 1369: Chapter 1369, Simple Wen da Wen 21

"What's Wrong?" Qin Yu couldn't help but ask.

The two of them shook their heads and then smiled. "Nothing. As long as Grandpa is fine, we can rest assured."

Qin Yu grunted and said, "We can't stay in Dayue City anymore. The Heavenly Cloud sect will definitely send a large number of people to find us."

However, Wen da didn't think so. He patted his chest and said, "We two brothers have been in Dayue city for so many years. How can we stay here for nothing? Don't worry. I, Wen Da, have a lot of friends here. I have even more good brothers!"

Qin Yu frowned slightly and shook her head. "I think it's better not to. They may have been your friends back then, but it's hard to say now."

Li Yingying's attitude explained everything.

But Wen da didn't care. He hammered Qin Yu's chest and said, "Don't believe in Brother's personal charm? Don't worry, he will definitely not betray me."

"That's right, that's right. His relationship with us back then was just like yours now,"Wen er also said.

Seeing this, Qin Yu could only sigh.

Wen Da Wen er was simple-minded and had never experienced any setbacks.

Therefore, no matter what Qin Yu said, they would not believe it.

"I hope they won't sell their owners for Glory,"Qin Yu thought.

Then, Wen Da and Wen Er brought Qin Yu to a wealthy family in dayue city.

About half an hour later, the three of them stopped at the gate of a courtyard.

The first thing that came into their sight was the magnificent gate, on which two words were carved: Sun family.

"This is the place,"Wen da said.

He pulled his hat and then patted the gate of the Zhao family.

Soon, the servant came out.

The servant looked at the three of them and said, "Who are you looking for?"

"I'm Looking for Sun Zhong. You tell him that his best friend is looking for him,"Wen da said casually.

"Is it convenient for you to tell me your name?"The servant asked.

Wen da glared and said, "Tell me your name. Do what I tell you to do. Don't talk nonsense!"

The servant didn't know Wen Da's identity, so he didn't dare to say anything. He quickly agreed, "Then please wait a moment. I'll go and inform him."

A few minutes later, a young man in beautiful clothes walked out of the courtyard.

This person was the sun zhong that Wen da had mentioned.

Sun Zhong walked in front of Wen Da. He sized him up and asked, "You are?"

Wen da hurriedly whispered into sun zhong's ear, "I am Wen Da."

Hearing this, Sun Zhong's expression changed drastically!

He hurriedly covered Wen Da's mouth and then looked at the servant beside him.

"You can go down first,"Sun Zhong said indifferently.

"Yes, Young Master."The servant bowed and then retreated.

It was not until he walked far away that Sun Zhong said in a panic, "Wen Da, why are you here? Don't you know that the Tianyun sect is looking for you now?"

Wen Da rolled his eyes and said, "That's why I came to find you. I asked you to find a hiding place for us. How is it? Is It Okay?"

Sun zhong nodded and said, "That's not a problem. Come with me."

After saying that, Sun Zhong took the lead and walked into the courtyard.

Wen Da proudly waved at Qin Yu and said, "How is it? Am I right?"

Qin Yu grunted and did not say anything. However, deep down, he was still worried about Sun Zhong.

Sun Zhong brought the three of them to a room in the depths of the courtyard.

"You guys can stay here for now,"Sun Zhong said. "I'll try to make some connections in the next few days. I'll send you out in a few days."

"Okay, you can go."Wen Da waved his hand.

Sun Zhong hummed in gratitude and then walked out.

Qin Yu glanced at the room and couldn't help but frown slightly.

"Something's wrong,"Qin Yu said in a deep voice.

"What's Wrong?"Wen Da lay on the bed and said with a relaxed expression.

Qin Yu pointed at the room and said, "This room is too clean. Obviously, someone has lived in it before."

"What's wrong with that?"Wen Da asked, puzzled.

Qin Yu said in a deep voice, "Think about it. If he was a Tibetan, he would definitely find us an abandoned room. Why would he find a room with people living in it?"

Wen Da waved his hand impatiently and said, "Aren't you a little too vigilant? Why? Can't I, Wen Da, make a decent friend?"

Seeing this, Qin Yu couldn't say anything more and could only stay for the time being.

In the evening, Sun Zhong brought food and two pots of wine.

After he entered, he quickly closed the door.

"Brother, how's the situation outside?" Wen Da jumped up from the bed and asked.

Sun Zhong said with a solemn face, "Very bad. It's said that old man Wen has already run away. The tianyun sect will most likely exterminate him."

At this point, Sun Zhong's gaze fell on Qin Yu.

"If I'm not wrong, this should be brother Qin Yu, Brother Qin," Sun Zhong said.

Qin Yu cupped her hands toward him and said, "Greetings, Brother Sun."

Sun Zhong gave Qin Yu a thumbs up and said, "Brother Qin is really young and promising. Such achievements make us ashamed."

"Don't say such polite words. We are all brothers. Come, quickly sit down," Wen da pulled Sun Zhong and said.

Sun Zhong grunted in gratitude. He opened the dishes and poured four glasses of wine.

"Since the three of you have come to my sun family, it means that you think highly of me. You can stay here peacefully. When the limelight passes, I will think of a way," Sun Zhong said as he raised his glass.

Qin Yu also raised his cup and said, "Then thank you very much."

With that, the four of them raised their cups and drank together.

After drinking the fine wine, the four of them ate and chatted happily.

But at this moment, Wen da suddenly frowned.

"What's Wrong?" Qin Yu hurriedly asked.

Wen Da waved his hand and said, "Maybe this wine is too strong, and it's a little intoxicating."

"I'm also a little intoxicated. Maybe I haven't drunk for too long, and I'm a Little Dizzy," Wen er said.

Qin Yu's expression changed slightly, and he subconsciously looked at Sun Zhong.

He saw that Sun Zhong was indifferent, and no expression could be seen on his face.

Qin Yu narrowed his eyes and immediately rubbed his head, pretending to say, "Oh no, I'm also a little dizzy..."

Hearing this, Sun Zhong finally raised his head.

He put down the chopsticks in his hand and said with a faint smile, "It's good that you feel dizzy. This wine has been drugged. It can make you sleep for an entire day."

"What do you mean?" Wen Da's expression was a little ugly.

Sun Zhong sneered and said, "Wen Wanyi has already run away. Who would take a fancy to you two good-for-nothings? Do you really think that I, Sun Zhong, will offend the Tianyun sect for the sake of you two good-for-nothings?"

Chapter 1370: Chapter 1,370, I've Found You! 1

Sun Zhong's expression suddenly changed. At this moment, his face was full of coldness and ridicule.

Wen Da didn't seem to believe Sun Zhong's words. He struggled to get up and grabbed Sun Zhong's collar.

"YOU MOTHERF * cker..." Wen da wanted to say something, but Sun Zhong flung him away.

He looked coldly at Wen Da and said, "You two trash. Without Wen wanye, you're nothing. No one will look up to you."

After saying that, sun Zhong tidied his clothes and turned around, saying, "You two stay here obediently. The people from the Heavenly Cloud sect will come soon."

"Stop."

Just as Sun Zhong was about to leave, Qin Yu's voice suddenly came from behind him.

Qin Yu, who was almost "Unconscious", stood up unscathed at this moment.

He opened his mouth and spat out all the poisonous wine in his mouth.

Sun Zhong's expression changed slightly, and he said coldly, "You actually didn't drink it?"

Qin Yu said as he walked, "I'm different from Wen Dawen Er. Their life was something I once yearned for but couldn't reach. But later, I understood a principle."

As he spoke, Qin Yu had already walked in front of Sun Zhong.

"Do you know what it is?" Qin Yu stood in front of Sun Zhong and asked.

Sun Zhong's forehead was drenched in sweat, but he couldn't say a word.

"That means that everything has two sides." Qin Yu patted Sun Zhong's shoulder, and a huge force suddenly pressed down!

"Crack!"

Sun Zhong's arm was crushed, and his body suddenly knelt down.

"Spare... spare me..." Sun Zhong said in pain.

Qin Yu looked down at Sun Zhong and said, "If you had begged me a few years ago, I would have been soft-hearted and given you a chance. But now, I won't."

With that, Qin Yu slapped Sun Zhong to death.

He carried Wen Dawen Er on his back and left in a hurry without looking back.

Qin Yu brought Wen Dawen Er to a mountain forest to recuperate.

Not long after Qin Yu escaped, Sun Zhong's murder was discovered.

The people from the Heavenly Cloud sect quickly rushed to the scene and asked about the situation.

They quickly came to a conclusion.

"Those two people are Wen Dawen Er. The third person must be Qin Yu," the leader said coldly.

He stood in front of Sun Zhong's body and threw him out.

Then, he sniffed hard, as if he was looking for Wen Dawen Er's breath.

“He didn’t go far,”the leader said quietly.

This person was none other than the person-in-charge of the Tianyun sect who was stationed in Dayue City.

His name was Ding Jie. He was born in the Tianyun sect and was loyal to the Tianyun sect.

With their cultivation level, it wasn’t difficult for them to capture a person’s scent.

Moreover, although Wen Dawen er wasn’t very strong, his body still had the fluctuations of spiritual power. It wasn’t difficult to find them.

Ding Jie walked out of the Sun clan. He slightly closed his eyes, and his spiritual sense rapidly expanded.

“In the southeast direction,”Ding Jie said coldly.

He took out a token from his hand and handed it to the person next to him.

“Give this to the great elder,”Ding Jie said.

“Once I find them, I’m afraid I Won’t be able to return. But as long as I die, the great elder will be able to find Qin Yu’s location through this token.”

“Yes!”

The people next to him didn’t say any nonsense. They had grown up in the Tianyun sect since childhood and received the education of the Tianyun sect. They had long become machines loyal to the Tianyun sect.

Then, Ding Jie got up and ran along with Wen Da and Wen Er’s aura.

...

Wen Da and Wen Da lay on a patch of grass. After an unknown amount of time, they slowly woke up.

The moment they woke up, they saw Qin Yu roasting lamb legs at the side.

The fragrance that assaulted their nostrils made Wen Da and Wen Er sit up abruptly.

“You’re Awake?”Qin Yu glanced at them.

Wen Da touched his nose and said with an embarrassed smile, "Qin Yu, you're right. These B * stars are indeed fence-sitters. If it weren't for you, we might have been caught by the Tianyun sect."

Qin Yu handed a leg of mutton to Wen da and said, "Remember, don't trust anyone easily in the future, especially during difficult times."

Wen da grunted in gratitude. He took the leg of mutton and began to chew it.

"Qin Yu, where are we going next?"Wen Er asked in puzzlement.

Qin Yu looked up at the sky and sighed. "I don't know either, but it's best to leave the South Province."

At this moment, Qin Yu thought of the Thunder Courtyard. That might be a good place to stay.

"I'm afraid it won't be that easy to leave the South Province."Wen Da shook his head and said.

"That's right. There are three dead rivers around the South Province, which can not be crossed. Other than the dead rivers, there is the green rock forest. If we enter the Green Rock Forest, I'm afraid we will die even faster,"Wen er said.

"I think the Heavenly Cloud sect has already taken control of all the teleportation array platforms in the South Province. Once we show ourselves, they will be the first to know."

Qin Yu frowned slightly. This was the first time he knew that leaving the South Province would be so troublesome.

"Then let's take it one step at a time,"Qin Yu said.

"I will try my best to find enough life force before they catch me."

Qin Yu touched the number nine on her forehead and said in a low voice.

After Wen Da and Wen Er were almost done with their cultivation, the three of them set off on the road of escape again.

Not long after they left, Ding Jie arrived at this place.

Looking at the traces of the barbecue on the ground, Ding Jie couldn't help but sneer, "You're quite carefree. I've Found You!"
