

MY RICH WIFE

Chapter 1371 -1380

Chapter 1371 - the enraged Ding Jie 1

Chapter 1371: Chapter 1,371: the enraged Ding Jie 1

Qin Yu took Wen Dawen er to many places in succession.

No matter which city they arrived at, Qin Yu would always go to the places where there were many treasures to search for life qi.

Unfortunately, he returned empty-handed every time.

The scarcity of life Qi was beyond imagination.

On this day, Qin Yu and the two of them arrived at a city.

This city was called Kingstown, and it was a rather ordinary city.

Qin Yu brought Wen Da and Wen da into Kingstown and found a place to stay for the time being.

“Sigh, how long will I have to live like this?”Wen Da couldn’t help but sigh.

Qin Yu was also a bit depressed. The days of escaping were not easy.

If they couldn’t find the life qi, they would be caught sooner or later.

The scarcity of life force is beyond imagination. If I can’t find it, I have to go to Yang City again, Qin Yu thought.

As far as Qin Yu knew, only Yang City and Qingyan Forest had life force.

Although these two places were full of danger, Qin Yu had no other way.

“What?”

At this moment, Wen da suddenly frowned.

“What’s Wrong?”Qin Yu asked in puzzlement.

Wen Da said in a low voice, “It seems that someone is coming.”

“I feel it too.”Wen Er nodded.

As he spoke, a figure appeared outside Qin Yu’s window.

This person had his hands behind his back and was looking at Qin Yu coldly.

“Qin Yu, I Found You.”The other party sneered.

The person who came was none other than Ding Jie, who had been tracking Qin Yu.

Qin Yu stood up from the floor. He looked coldly at Ding Jie outside the window and said, “Someone from the Heavenly Cloud Sect?”

Ding jie sneered and said, “What do you think? Qin Yu, you have nowhere to hide. Surrender!”

Qin Yu narrowed her eyes slightly and said, “That depends on whether you have the ability or not.”

With that, Qin Yu looked at Wen Dawen er and said, “The two of you stay here and don’t move. I’ll be right back.”

After saying that, Qin Yu leaped and shot toward Ding Jie!

However, Ding Jie was extremely cunning. He did not fight head-on with Qin Yu. Instead, he relied on his extremely fast speed to quickly pull away.

He put his hands behind his back and said with a faint smile, “Qin Yu, I know that I’m not your opponent, so I won’t fight with you. I only need to defend you.”

Qin Yu’s expression changed slightly.

It had to be said that Ding Jie’s actions were indeed a headache for Qin Yu. It was also what he was most worried about.

Qin Yu tried to give chase, but Ding Jie once again pulled away and refused to let Qin Yu touch him.

Qin Yu lost her patience after running away repeatedly.

He looked at Ding Jie coldly and said, "Are you a man? If you have the ability, then fight me."

"Hehe, Qin Yu, I'm not a reckless person like Ling Yun. Your provocation is useless against me," Ding Jie said as he pointed at his own head.

Qin Yu gritted his teeth and unleashed all of his divine power towards Ding Jie.

However, no matter how hard Qin Yu tried, she was unable to touch Ding Jie.

"F * ck!" Qin Yu couldn't help but curse.

He pointed at Ding Jie and cursed, "I don't care about you anymore. If you have the ability, just follow him!"

Ding Jie smiled faintly and said, "Don't worry, I will."

Qin Yu knew that she couldn't catch up with Ding Jie, so she didn't do anything useless. She turned around and returned to her residence, ignoring Ding Jie.

Ding Jie also kept his word. No matter where Qin Yu went, he would follow closely.

"No, if this goes on, the people from the Heavenly Cloud sect will definitely arrive soon," Qin Yu said in a deep voice as she sat in the room.

"Damn it, this competition is so F * cking Shameless!" Wen Da couldn't help but curse.

He pushed open the window and cursed at Ding Jie who was outside.

"Why are you still chasing after her? Your Wife is already cheating on you at home. Why Don't you go back and take a look?"

“You are so loyal to the Heavenly Cloud sect. Did you let them play with your wife?”

Wen da exclaimed, “Really? His wife really gave it to the Heavenly Cloud Sect?”

“It’s true. I heard it with my own ears during the last myriad sect meeting!”Wen Er said with a serious face.

The two brothers echoed each other, making Ding Jie’s face turn ashen and extremely angry.

Qin Yu, who was observing from the side, seemed to have noticed something as well.

Ding Jie seemed to place great importance on the Heavenly Cloud sect and his wife. Once his wife and the Heavenly Cloud sect were involved, his expression would turn extremely ugly.

Thinking of this, Qin Yu immediately joined the camp.

The three of them leaned against the window and scolded Ding Jie incessantly.

“No wonder your wife cuckolded you. Who would be able to stand such a cowardly man like you?”

“You only know how to peek outside every day. You also hid outside when your wife put a hat on you, didn’t you?”

The three of them almost brought out all the dirty words they had used in their lives. All kinds of unbearable words kept coming out.

After an hour, Ding Jie finally couldn’t hold it in anymore.

He glared at the three of them and said through gritted teeth, “Qin Yu, don’t think that I’m really afraid of You!”

“I don’t know if you’re afraid of me or not. Your Wife Likes Me a lot anyway,”Qin Yu grinned and said.

“You’re courting death!”Ding Jie couldn’t hold it in anymore.

After he shouted, his anger reached its peak.

“If I don’t kill all of you today, I, Ding Jie, will write the two words upside down!”

My Rich Wife - Chapter 1372 - Cooperation 1

Chapter 1372: Chapter 1372, Cooperation 1

Ding Jie’s entire body erupted with an extremely terrifying spiritual power, shaking the entire city.

Wen Da and Wen Er were so frightened that they hurriedly hid behind Qin Yu and whispered, “Qin Yu, I’ll leave the rest to you.”

Qin Yu sneered, “Don’t worry, I was just about to test the effects of this body tempering.”

A treasured sword appeared in Ding Jie’s hand.

The treasured sword flickered with a cold radiance and carried a sharp aura as it stabbed straight at Qin Yu!

Qin Yu narrowed his eyes. He clenched his fist and pretended to attack. He deliberately revealed a flaw and let Ding Jie’s treasured sword stab at Qin Yu’s face.

Upon seeing this, Ding Jie was immediately overjoyed. The spiritual power in his entire body burst out to the limit and was poured into the treasured sword in an attempt to pierce through Qin Yu’s head!

The sword was approaching Qin Yu’s glabella, and Qin Yu took the opportunity to reach out her palm and grab Ding Jie!

“Clang!”

The sword landed on Qin Yu’s glabella, and a wound appeared on her glabella!

Qin Yu also took the opportunity to grab Ding Jie’s palm. He ignored his injury and rushed forward, pulling Ding Jie in front of him!

Ding Jie’s expression changed. He had a bad feeling and immediately planned to escape.

How Could Qin Yu give him the chance? He immediately approached and grabbed Ding Jie's neck!

"Now you can't escape, right?" Qin Yu grinned and said with a cold smile.

Ding Jie's expression couldn't help but turn ugly. He had never thought that Qin Yu would choose such a desperate method of fighting.

Traces of blood flowed out from between Qin Yu's brows.

The treasured sword had pierced half a centimeter into Qin Yu's glabella, leaving a trace of a wound on his skull.

However, such an injury couldn't endanger Qin Yu's life at all. Instead, he had fallen into the jaws of a tiger.

Ding Jie tried to struggle, but he discovered that Qin Yu's palm was like an iron pincer, unable to move at all.

"You people from big sects seem to be quite fragile in your hearts," Qin Yu said with a cold smile.

Ding Jie gritted his teeth. A bright light suddenly burst out from between his brows, trying to force Qin Yu away.

However, Qin Yu did not dodge, but actually withstood it!

The light hit Qin Yu's body, emitting bursts of explosive sounds. White spots appeared in front of everyone.

Ding Jie's expression changed slightly, and then he sneered, "No wonder even the sect master looks up to you. You really have some ability."

Qin Yu looked coldly at Ding Jie in front of her and said, "You're not my match. Don't waste your energy. If you're willing to help me, I might consider letting you go."

"F * ck you. Since I'm here, I have no intention of going back alive!" Ding Jie sneered.

"To tell you the truth, if you kill me, the great elder will immediately find your position! At that time, you won't be able to escape!"

"Come on, come and kill me!"

Qin Yu frowned slightly. This Ding Jie was really loyal to the Heavenly Cloud sect.

As such, Qin Yu couldn't kill him.

Qin Yu thought for a moment and then said, "Ding Jie, don't you think about your wife?"

"Bah! You Don't deserve to mention her! Shut Up!" Ding Jie's eyes were wide open and his face was ferocious.

"There's no need to be so agitated," Qin Yu said with a smile. "Think about it carefully. If you die, how sad your wife will be. If you die, the words we scolded you just now will become real."

Ding Jie's expression immediately became a little ugly.

He seemed to be unable to accept his wife becoming someone else's home.

After hesitating for half a second, Ding Jie said coldly, "Don't waste your energy. I Won't do anything that will let down the heavenly cloud sect."

"Don't worry. I Won't let you do anything that will let down the heavenly cloud sect. This matter is beneficial to me and the Heavenly Cloud Sect," said Qin Yu.

Ding Jie frowned slightly. He looked at Qin Yu as if he was waiting for Qin Yu to continue.

Qin Yu said in a deep voice, "I heard that the young master of the Heavenly Cloud sect rarely shows his face and almost never leaves the sect, right?"

Ding Jie snorted coldly and said, "So? You killed the young master just after he left the sect. You deserve to die!"

Qin Yu ignored Ding Jie's curses and continued, "Have you ever thought about why the young master of the Heavenly Cloud sect suddenly left the sect and provoked me on the premise that I have already made peace with your sect master?"

"Do you want to kill him just because he provoked you? !" Ding Jie said angrily.

Qin Yu shook her head and said, "I think there's a trick in this. I'm afraid that someone did it on purpose to sow discord between me and the Heavenly Cloud Sect."

Upon hearing this, Ding Jie was also stunned for a moment, but he soon sneered.

"What do you want to say? You want to stay clear of this matter? Isn't it you or something?" Ding Jie sneered.

"You underestimate me, Qin Yu." Qin Yu sneered.

"I killed him. The relationship between me and the Tianyun sect has long fallen to the freezing point. There is no possibility of detente."

"I only let you do this because I want to clarify the matter. I don't want to be used for no reason."

"I think your sect master will have the same idea."

"If you cooperate with me, you can save your life and help your sect leader figure out the truth. Why Not?"

Chapter 1373: Chapter 1,373, heading to Mount Hua Ning

Ding Jie fell silent.

Although his expression was still as cold as ever, there was a hint of conflict in his eyes.

It was obvious that he had been persuaded by Qin Yu.

"You want your sect master to be kept in the dark for the rest of his life? Even if you think that I deserve to die, shouldn't the person behind it deserve to die?" Qin Yu questioned coldly.

Ding Jie took a deep breath. He looked at Qin Yu coldly and said, "I can promise you, but let me tell you, I will still tell your position to the sect master."

"F * ck you! Why Are You So Shameless!" Wen Da couldn't help but come up and scold him.

Ding Jie ignored Wen Da and Wen Er. Instead, he stared at Qin Yu in front of him.

Qin Yu spread her hands and said, "Of course. Suit yourself."

"To tell you the truth, I have already sent someone to inform the great elder of your location. I believe that it won't be long before the great elder arrives here," Ding Jie continued.

Qin Yu frowned slightly. He estimated that this place was not close to the Heavenly Cloud sect. It would probably take some time for the great elder to arrive.

Therefore, Qin Yu let go of Ding Jie and said, "Remember, observe elder Bai more. He is the biggest suspect."

Ding Jie looked at Qin Yu in front of him and said, "Are you really going to let me go?"

"Hurry up and get lost!" Wen Er waved his hand and said.

Ding Jie snorted. He didn't say anything and turned to leave.

After he left, Qin Yu hurriedly looked at Wen Da and Wen Er.

“Pack up. Let’s go.” Qin Yu’s tone was somewhat anxious.

“Where are We Going?” Wen Da asked in confusion.

Qin Yu said, “To Mount Hua Ning to find Jue Wu.”

“AH? Isn’t Aunt Jue Wu in seclusion?” The two brothers didn’t understand Qin Yu’s intention.

Qin Yu stopped what he was doing, he said in a deep voice, “I’ve thought about it. The reason why Ding Jie could find us is because of the two of you. He can capture your aura and find my position. Therefore, we have to move separately.”

Wen Da opened his mouth and was about to speak, but was interrupted by Qin Yu with a wave of her hand.

“I’ll send you to Mount Hua Ning. At that time, I’ll leave immediately. The target of the Heavenly Cloud Sect is me. The two of you are not important. I believe that they won’t barge into Mount Hua Ning for the sake of two insignificant people,” Qin Yu said coldly.

Wen Da and Wen Er seemed to understand what Qin Yu meant.

“Then what about you?” Wen Da asked with a frown.

“Don’t worry. I don’t have any spiritual energy fluctuations in my body. It’s not difficult for me to hide,” Qin Yu said.

“Don’t waste any more time. We’ll leave now.”

Wen Da and Wen Er didn’t dare to waste any more time. They immediately followed behind Qin Yu and quickly left the place.

Mount Hua Ning wasn’t very far from here. With the support of the wind chasing colt, they spent a short two days to arrive at the foot of Mount Hua Ning.

This was a high mountain surrounded by clouds and mist. It looked like a heavenly palace.

Qin Yu had never expected that the unruly and unruly Jue Wu would live in such a place with such artistic conception.

“TSK TSK, one really can’t judge a book by its cover,” Qin Yu sighed.

“Aunt Jue Wu likes flowers. Hua Ning Mountain is covered with flowers,” Wen Da said.

The three of them immediately walked up the mountain.

As soon as they reached the top of the mountain, they saw two youths blocking Qin Yu's path.

The two youths were a man and a woman. They wore white clothes and held treasured swords in their hands. They had delicate features.

"Lord Jue Wu has gone into seclusion. Please leave," the youth said coldly.

Qin Yu pointed at Wen Da and Wen er and said, "They are Wen Wanji's grandchildren. They want to come here to seek refuge for a few days."

Hearing this, the pair of youths couldn't help but frown.

It was obvious that they knew Wen Wanyi.

"But Master Jiewu is in seclusion, so it's not convenient to meet guests..." the youth's tone was much gentler.

Qin Yu cupped her hands and said, "Don't worry. They won't disturb Jiewu's seclusion. It's enough as long as they stay here."

"This... I'm afraid we can't make the decision." The youth looked extremely conflicted.

Qin Yu smiled and said, "If anything happens, I'll be responsible."

"Aiya, don't worry. Aunt Juewu will definitely agree," Wen Dawen er also said.

Seeing this, the youth could only nod and say, "Alright then. But you must remember that you must never disturb Lord Juewu's cultivation."

"Don't Worry!" Wen Dawen er patted his chest and said.

After sending the two of them off, Qin Yu didn't stay any longer. He immediately turned around and rushed towards Yang City.

The mountain range in Yang City might be Qin Yu's last hope.

Even if he was really discovered by the people of the Heavenly Cloud sect, Qin Yu could still hide in the mountain range.

Heavenly Cloud sect.

The first elder quickly rushed to Kang City. According to the location given by Ding Jie, he smelled Wen Dawen er's aura.

“They have already left,” said the attendant beside him.

The great elder nodded and said indifferently, “It doesn’t matter. As long as they are in this world, I will definitely be able to find their traces.”

“Moreover, they haven’t gone far.”

The great elder didn’t say much. He immediately released his powerful spiritual sense and began to search for the traces left behind by Wen Da Wen Er.

As expected, the great elder, whose spiritual sense was extremely powerful, quickly caught the auras left behind by these two people.

Chapter 1374: Chapter 1374, Mount Hua Ning

The Great Elder revealed a strange and proud smile on his face.

“Let’s see where you can run to.” The great elder waved his hand and led several people away.

He followed Wen da Wen Er’s aura and chased them all the way, but the more they walked, the more they realized that something was wrong.

“Great Elder, this route... seems to be the route of Mount Hua Ning.” A disciple at the side frowned and said.

Great Elder naturally saw it too. He said coldly, “I’m afraid they have escaped to Mount Hua Ning.”

“Then do we still have to go? Offending Jue Wu is not a wise choice...”

“Go, of course we have to go.” Great Elder sneered.

Not to mention offending Jue Wu, even if they offended everyone in the world, the Heavenly Cloud sect would still capture Qin Yu this time.

Very quickly, the group arrived at the foot of Mount Hua Ning.

Under the lead of the first elder, they ascended Mount Hua Ning.

Just as they ascended the mountain, Jue Wu’s two young attendants quickly walked out.

“Stop!” The youth held a treasured sword in his hand and shouted loudly.

“This is Lord Jue Wu’s residence. No one is allowed to trespass here.”

The first elder's expression was cold. He took a deep breath and said, "My two young friends, we have no other intentions. We are only here to look for Qin Yu. We hope that the two of you will cooperate and hand him over."

"Impudent! You Dare to come to Hua Ning mountain to ask for him!"The youth was instantly enraged.

The first elder said coldly, "I am the first elder of the Heavenly Cloud sect. Qin Yu has a deep hatred towards us. I hope that the two of you do not fail to appreciate our kindness."

"I don't care who you are! In any case, you are not allowed to barge in here!"The youth said coldly.

The first elder narrowed his eyes and said, "Then what if we barge in?"

"Then give it a try!"The two young men made a pose and prepared to meet the attack at any time.

The first elder said with a hint of ridicule, "Don't think that I don't know that Jue Wu is already in closed door cultivation. The two of you can't Stop Me at all!"

The faces of the two changed slightly, and a trace of solemnity flashed across their brows.

"If you force your way in, Lord Jue Wu will definitely not spare you after he comes out of closed door cultivation!"The young girl said with an icy tone.

"That's for the future. Let's talk about it in the future!"The first elder snorted.

Then, he waved his hand and said, "Search for him!"

At this moment, Wen Da and Wen Er walked out from inside.

Seeing these two people, the first elder narrowed his eyes and sneered, "You are indeed hiding here!"

Wen Da picked his nose and said, "We are indeed here, but unfortunately, Qin Yu is not here."

The Great Elder's pupils contracted slightly as he said coldly, "What do you mean?"

"Do You Think Qin Yu is a fool? He had long seen that you guys could catch our aura, so he had long split up and moved out."Wen Da sneered.

"That's right, that's right. If you are a fool, don't think that others are also stupid."Wen Er also said.

The Great Elder's expression changed slightly. Although he said so, he still had some doubts.

What if this was a smoke bomb deliberately thrown by Qin Yu?

"My two young friends, let us go in and search. If we can't find it, we will leave immediately."The great elder looked at Jue Wu's two followers.

The youth immediately shouted, "Lord Jue Wu is in closed-door cultivation. No one is allowed to disturb him!"

"Don't worry. We will definitely not disturb Jue Wu."The great elder continued.

"Sigh, forget it, let them go in and look for her. Anyway, if they wake Jue Wu up, they'll have to bear the consequences,"Wen da said with a wave of his hand.

The young man and young woman looked at each other and seemed to agree to this suggestion.

After all, with their abilities, there was no way they could stop the first elder.

"Then I'm warning you, don't make any big movements."The young man let out a sigh of relief and then opened up a path.

The first elder didn't say anything and immediately led his people into Mount Hua Ning.

Half an hour later.

The first elder and the others appeared at the entrance again.

"How is it? I told you, Qin Yu isn't here at all."Wen Da sneered.

The first Elder's expression wasn't too good. He took a deep breath and said, "This treacherous villain..."

"Great Elder, what do we do now?"The person beside him asked.

The great elder gritted his teeth and said, "Let's Go!"

They didn't stay any longer and quickly left the place.

At this moment, Qin Yu was hurrying towards Yang City.

Without flying exotic beasts, Qin Yu could only walk on foot.

But this was an extremely long journey. Without flying exotic beasts, it would take at least a few days.

Qin Yu wiped the sweat off his forehead and said in a low voice, "At this speed, they will find me sooner or later."

Back when they were in Qingyan Forest, Ling Yun had a divine weapon that could find people. Naturally, the first elder would be able to find Qin Yu through the tracking device.

"With my speed, it will take at least a few days to reach Yang City." Qin Yu frowned.

His surroundings were barren and overgrown with weeds. He could even see some unknown demonic beasts running around.

Qin Yu looked up and saw a city appearing in front of him.

This city looked like it had been in decline for many years. The names on the city walls had been covered by the wind and sand.

Qin Yu's feet shook and wiped the wind and sand off the city walls. Two big words appeared in front of Qin Yu: Divine Capital City.

The name was extraordinary, but there was no one in the entire city.

"Forget it, I'll settle down here for now," Qin Yu thought.

He immediately stepped into the divine capital. As soon as he entered, a strong sense of oppression assaulted him.

Chapter 1375: Chapter 1375, Heavenly Cloud Sect's action 1

Qin Yu, who was caught off guard, was instantly crushed to the ground by this force.

He frowned slightly and was about to get up when he noticed that there were threads of golden threads on the ground.

These golden threads flickered with a weak radiance as if they had grown out of the ground and were deeply attached to the ground.

Following the golden thread, one could see dense golden threads ahead!

These golden threads actually covered the entire city!

“This... What is this thing?”Qin Yu couldn’t help but be dumbstruck.

The entire city was filled with these golden threads. It was extremely strange for them to climb on the ground.

Such a scene was something Qin Yu had never seen before!

“It’s a divine inscription.”

At this moment, a voice sounded in Qin Yu’s mind.

The sudden voice scared Qin Yu so much that he staggered.

“Who’s there!”Qin Yu got up from the ground vigilantly and scanned his surroundings coldly.

“I’m Your Grandpa!”The voice sounded again.

Qin Yu was stunned. He asked tentatively, “You... you’re tie Dan?”

“Yes, I am! Damn it!”Tie Dan couldn’t help but curse.

Qin Yu was overjoyed and asked hurriedly, “Damn it, I thought you were dead!”

“You’re the one who’s dead,”tie Dan retorted.

Qin Yu wasn’t in the mood to argue with him, so she quickly told tie Dan about the current situation.

“I’ve offended the number one sect in the South Province, the Heavenly Cloud sect. Think of something quickly,”Qin Yu urged.

Tie Dan couldn’t help but curse, “Damn it, why do I always encounter this kind of trouble every time I wake up? !”

“Do you have a way or not? I reckon the people of the Heavenly Cloud sect will catch up soon,”said Qin Yu with a frown.

“Also, I need a large amount of life qi, or else my spiritual power will not be able to recover.”

Tie Dan was silent for a moment, then said in a deep voice, “Borrow the divine patterns and activate the formation. If you don’t meet a top-tier cultivator, you won’t have a problem protecting yourself.”

“Divine patterns? is that the pattern under your feet?”Qin Yu asked.

Tie Dan nodded and said, "Leave the initiative of your body to me. I'll activate the formation."

Qin Yu frowned and said, "Are you sure it's useful? The Heavenly Cloud sect is full of powerful cultivators, and there are countless experts. How can you protect yourself with just this divine pattern?"

Tie Dan snorted coldly and said, "Do you know the origin of the divine patterns? Those are the dao patterns captured by great cultivators in the Tribulation Stage. They are not something that a mere powerful cultivator can compare with."

"Your Luck isn't bad. Although this divine inscription isn't complete, it can still protect a city. The only pity is that if I resurrect this divine inscription, I'll probably fall into a deep sleep again."

Hearing this, Qin Yu immediately rejected tie Dan's suggestion.

"Even if I resurrect this divine inscription, I'll still be trapped here. Then I won't be able to recover my spiritual power for the rest of my life, so it's meaningless." Qin Yu shook her head.

Tie Dan asked in astonishment, "Do you know how precious a city filled with divine inscriptions is?"

"I don't need it. No matter how precious it is, it would be meaningless," qin yu said with a bitter smile.

"Forget it. Let's leave this place quickly. I want to go to Yang City to look for the aura of life."

With that, Qin Yu turned around and left the divine capital, continuing on her way to Yang City.

After Iron Egg recovered, Qin Yu could be considered to have a companion.

"I've been in the holy region for so long, but I haven't been able to raise my strength at all. How Tragic." Qin Yu couldn't help but sigh.

There were endless treasures in the holy region, and all sorts of resources were countless. However, before Qin Yu recovered his spiritual energy, he was unable to do anything. This made him extremely unwilling.

Another two days passed.

Qin Yu was less than three hundred stars away from Yang City.

'at this speed, I should be able to reach Yang City in two days at most,'Qin Yu thought to himself.

The journey was rather smooth. Qin Yu tried his best to avoid crowded places, which caused his journey to be much slower.

Just as Qin Yu was about to reach Yang City, he accidentally heard a piece of news.

On this day, he was having a meal at a restaurant in a city. He planned to fill his stomach before stepping into the mountain range of Yang City.

But at this moment, the voice beside him entered Qin Yu's ears.

"It seems that the Heavenly Cloud sect and Qin Yu have become much quieter recently,"someone said.

"Haven't you heard? The sect master of the Heavenly Cloud Sect is already furious. He would rather sacrifice everything to find Qin Yu."

"Mm, it's said that the Heavenly Cloud sect has given up on pursuing Qin Yu because it's too inefficient. I heard that one of Qin Yu's friends is still in the Heavenly Cloud sect. They said that they want Qin Yu to go to the Heavenly Cloud sect to admit his punishment. Otherwise, they will kill all of his friends."

"Kill all of them? What do you mean? Could it be that Qin Yu still has many friends in the Heavenly Cloud Sect?"

"No, it's said that Qin Yu and the others came from an ancient star. These few days, the Heavenly Cloud sect is preparing to activate the ancient array platform and set foot on this ancient star again. If they still can't find Qin Yu, they will start a massacre on that ancient star."

Hearing this, Qin Yu's expression changed drastically!

He slammed the table and stood up, staring at the people in front of him.

"Who... Who Did you all hear it from?"Qin Yu rushed forward and asked.

These people were shocked by Qin Yu's actions. They stared at him and said, "Why are you so agitated? You scared me."

Qin Yu took a deep breath. He didn't say anything. He threw down the money and turned around to leave.

Chapter 1376: Chapter 1,376, Iron Egg's suggestion 1

Looking at Qin Yu's departing figure, the group of people muttered, "Where did this lunatic come from..."

"That person seems a little familiar. I feel like I've seen him somewhere before."

"I have the same feeling. He... He seems to be that Qin Yu!"

...

After Qin Yu walked out of the restaurant, he rushed to the Heavenly Cloud sect in a hurry.

"What are you doing?" Iron Egg's voice sounded in his mind.

Qin Yu said coldly, "Going to the Tianyun sect, I can't implicate others."

"What are you afraid of? There are Dao Protectors on Earth. Would the Tianyun sect dare to cause trouble? Unless they are tired of living." Iron Egg couldn't help but ridicule.

Hearing this, Qin Yu was instantly stunned.

That's right. Back when Yan Ruoxue went to Earth, she was warned by the dao protectors, let alone a small Tianyun sect?

Qin Yu froze on the spot. He frowned and said, "But... My Friend is still in the Tianyun sect."

"Your friend? Why do you care so much? You Can't even control yourself, how can you care about others?" Tie Dan sneered.

"When you are strong enough, you can go and avenge them."

"No." Qin Yu rejected tie Dan without thinking.

"I can't let others take the blame for my matters."

"Fool." Iron Egg laughed coldly.

"Let me tell you. The holy region is an extremely cruel place. In other words, the cultivation world is inherently cruel. The people at the top of the pyramid will always be a minority. If you want to climb up, you must do whatever it takes. Otherwise, no one will collect your corpse even if you die."

Iron Egg's words weren't without reason. Unfortunately, this was different from Qin Yu's path.

Qin Yu could show no mercy to strangers, but he could not do that to the people around him.

"How about this?" Tie Dan seemed to see through Qin Yu's thoughts.

"You can go hide near the Tianyun sect. If the Tianyun sect really wants to attack your friend, you can make a decision."

Qin Yu was silent for a moment, then said, "There must be pictures of me everywhere near the Tianyun sect."

"Isn't that simple? Just buy a human skin mask and wear it on your face," said Tie Dan.

"There's such a thing?" Qin Yu couldn't help but be surprised.

Tie Dan sneered, "Of course there is. Don't forget, this is the Holy Region! Even your Earth can find it, let alone the Holy Region."

Qin Yu thought for a moment, and it seemed to be true.

Thus, he didn't waste any more time and immediately turned to leave.

This time, Qin Yu's destination was Gu City.

The only person he could ask for help now was probably sister Lin.

After rushing all the way, Qin Yu returned to Gu City once again.

The entire Gu city was also covered with Qin Yu's arrest warrant.

Fortunately, it wasn't as strict as before, so it wasn't difficult to sneak in.

"Are you sure the person you are looking for won't betray you?" Tie Dan asked in his mind.

Qin Yu shook her head and said, "I don't know. I can only try."

At the auction.

Sister Lin had finished her day's work and looked a little tired.

In addition to hosting the auction, she was also responsible for organizing all kinds of treasures.

Therefore, she only walked out of the auction very late at night.

She brushed the strands of hair on her forehead and let out a long sigh of relief.

At this moment, a hand suddenly reached out from the dark and helplessly opened her mouth.

A trace of panic flashed across sister Lin's face. She struggled with all her might, but she could not break free.

Qin Yu pulled her into the dark box and whispered into her ear, "Shh, Sister Lin, it's me, I'm Qin Yu."

Hearing this, sister Lin, who was struggling, immediately quieted down.

Qin Yu slowly let go of sister Lin. After making sure that sister Lin wouldn't shout, she completely let go.

Sister Lin hurriedly turned around. She looked at Qin Yu in front of her and exclaimed, "Qin Yu, why are you here? Don't you know that people from the Heavenly Cloud sect are looking for you?"

Qin Yu smiled bitterly and said, "I know. That's why I came to look for you."

Sister Lin was silent for a moment, and then said, "You want me to help you with something, right?"

Qin Yu nodded and said, "I can't find anyone else now. I can only place my hopes on you."

"What do you want me to do?" Sister Lin didn't waste any time and asked directly.

Qin Yu quickly said, "Two things. First, I need you to help me find a human skin mask or a spiritual artifact that can change my appearance. The better, the better."

When sister Lin heard this, a trace of surprise flashed across her face.

"Second is the life energy. Sister Lin, please think of a way to help me find the life energy." Qin Yu cupped his hands and said.

Sister Lin said in a deep voice, "The first thing is not difficult, but the vital energy... is not something that I can find just because I want it."

"That's why I hope you will put in a lot of effort. After the matter is done, I will definitely give you a great reward." Qin Yu bowed deeply.

Sister Lin had been in the auction for many years and had interacted with people who had treasures. It was probably the most suitable person to look for her.

“Okay.” Sister Lin thought for a moment and agreed.

“When do you need it?” Qin Yu asked.

“The sooner the better,” Qin Yu said.

Sister Lin nodded and said, “How about this, give me an address. I’ll send it to you in three days.”

“Okay.” Qin Yu nodded and said, “In three days, I’ll wait for you at the location of the three stars east of the East Gate of Gu City.”

Chapter 1377: Chapter 1,377, Sister Lin’s help

Sister Lin agreed, “Okay, see you in three days’ time.”

Qin Yu nodded. He cupped his hands to sister Lin again as a form of thanks.

“Be careful,” sister Lin warned.

After saying this, sister Lin didn’t stay any longer and quickly left.

After she had gone far away, Iron Egg couldn’t help but ask, “Do you really believe her? What if she brings people from the Heavenly Cloud Sect to see you in three days’ time?”

Qin Yu said, “I’ve already seen it before I came here. In the three stars to the east of the East Gate is a mountain forest. Although it’s not big, it’s very convenient to hide.”

In such a world, one must be wary of others.

Then, Qin Yu left Gu City directly.

In the next few days, he wandered around the vicinity of Gu City, hiding his face with his hat.

Qin Yu took a deep breath, feeling a little uneasy.

He was worried that the Heavenly Cloud Sect would attack the people around him.

Perhaps the Heavenly Cloud Sect would not touch Di Zun because they lacked talent.

However, it was hard to say for Zhen Yue and Fang Yue.

Especially for Zhen Yue. She was not talented to begin with and was brought here by Qin Yu. It was very likely that the heavenly cloud sect would attack her first.

These three days were extremely difficult to endure. It could be said that the days were like years.

Finally, the third day's time arrived.

Early in the morning of this day, Qin Yu arrived at the agreed location.

He hid on a tree, using leaves to cover his body. He covered himself tightly, and only two eyes were exposed.

In addition, there were no fluctuations of nature essence in Qin Yu's body, so even if someone passed by, they wouldn't be able to find Qin Yu.

In other words, there was only one way to find Qin Yu Now, and that was to use the naked eye.

As time passed, Qin Yu's cold gaze swept past the crowd.

As long as there were any abnormalities, Qin Yu was prepared to escape.

Fortunately, there were no suspicious people throughout the entire day.

The sky gradually darkened, and the moon hung on the treetops.

The ground was illuminated by specks of light, turning the originally quiet forest into a rather artistic scene.

Qin Yu activated the desolate God's eye and looked at the entrance of Gu City from afar.

A few minutes later.

A beautiful figure appeared at the eastern entrance.

She walked hurriedly towards Qin Yu's direction.

Every two steps, she would turn around to take a look, as if she was afraid that someone would follow her.

Sister Lin's strength was not weak, she was much stronger than Wen Da and Wen Er.

With her spiritual sense, she was able to discover the people in the dark.

After nearly half an hour, sister Lin finally arrived in the vicinity.

She looked around, obviously looking for Qin Yu's figure.

But Qin Yu was not in a hurry to go down, instead, he planned to wait.

Sister Lin simply found a place to sit down. From time to time, she looked into the distance, looking up at Qin Yu's figure.

It was not until sister Lin stood up and was about to leave that Qin Yu jumped down from the forest and landed in front of sister Lin.

"Sister Lin, I'm sorry. I'm late," Qin Yu said with an embarrassed smile.

Sister Lin rolled her eyes at Qin Yu and said, "Are you late, or do you not believe me?"

Qin Yu was stunned, then smiled bitterly and said, "I really can't hide anything from sister Lin... I'm in a special situation now, so I have to be careful. Please forgive me, Sister Lin."

"Well, if I blamed you, I would have ignored you long ago," sister Lin scolded with a smile.

She took out a bottle of medicine from the space divine tool and handed it to Qin Yu, saying, "Put this medicine on your face. After about two hours, you will change into a different appearance."

Qin Yu took the medicine and said gratefully, "Thank you, sister Lin."

Sister Lin nodded and continued, "But I have to tell you that this medicine can only last for a month. It will lose its effect after a month. Be careful."

"A month is enough." Qin Yu held the bottle tightly.

Then, Qin Yu bowed to sister Lin again and said, "Sister Lin, I can't stay here for long. I'll leave first."

"Wait." At this moment, sister Lin called out to Qin Yu.

Qin Yu was startled and said, "Sister Lin, is there anything else?"

Sister Lin muttered, "Can you tell me your plan?"

Qin Yu obviously didn't expect sister Lin's words. He was silent for a moment and said, "My friends are still in the Heavenly Cloud sect. I'm afraid that something will happen to them, so I plan to stay near the Heavenly Cloud Sect."

"If the Tianyun sect really wants to touch them, then I can only appear."

Sister Lin seemed to have already guessed Qin Yu's thoughts. She pulled Qin Yu aside and said, "If that's the case, I can introduce you to a place."

Qin Yu frowned and said, "Can you be trusted?"

Sister Lin smiled and said, "Don't worry. I Won't tell them your true identity. By introducing you to a place, not only can I guarantee your safety, but I can also let you enter and exit the Tianyun sect."

Qin Yu's eyes lit up and he hurriedly said, "Are you serious?"

"Of course. When have I ever lied to You?" Sister Lin said with a smile.

"But... is there really such a place? I Can't join the Heavenly Cloud sect. It's too risky," Qin Yu said in a deep voice.

Sister Lin shook her head and said, "Don't worry. Since I said that I can guarantee your safety, I Won't lie to you."

"Wait for me here tomorrow morning. I will write you a letter of introduction and a map," said sister Lin.

Chapter 1378: Chapter 1378, Face Changing 1

"Alright, I'll wait for you here tomorrow morning," Qin Yu said to sister Lin.

Sister Lin didn't waste any more time and turned around to leave.

Qin Yu didn't dare to stay here for too long and immediately rushed into the depths.

The next morning.

Qin Yu changed a tree and hid, waiting for sister Lin's arrival.

Ten minutes later, sister Lin appeared nearby.

She scanned the surroundings and said, "Come out."

Qin Yu knew that sister Lin would not lie to her, so she jumped down from the tree.

"Sister Lin." Qin Yu greeted sister Lin.

Sister Lin acknowledged and then took out a map.

A location was marked on the map, and on the back of the map, there was a line of words written by Sister Lin:

Boss Zheng, my distant brother has just arrived in the South Province and needs a job. Please help him.

Qin Yu looked at the line of words and scratched her head. "Sister Lin, what does this mean?"

Sister Lin explained, "The heavenly cloud sect is extremely large, so it naturally needs a large number of suppliers, including medicinal herbs, food, weapons, and so on."

"And this boss Zheng is the supplier to the Heavenly Cloud sect. He is responsible for delivering food to the Heavenly Cloud sect. What he needs is a large number of ordinary people and low-level cultivators."

Qin Yu couldn't help but look at boss Zheng in shock, his eyes filled with astonishment.

Qin Yu really hadn't thought of this. After sister Lin's reminder, he finally reacted.

Where there were people, there was a market, even in the immortal cultivation world.

"Sister Lin, thank you." Qin Yu cupped his hands to sister Lin.

It had to be said that she had indeed helped Qin Yu a lot. As a result, Qin Yu had many more opportunities to come into contact with the Heavenly Cloud sect.

"Be careful," sister Lin reminded him.

After parting with sister Lin, Qin Yu first found a safe place and applied the medicine on his face.

He stood by the river, quietly waiting for the change in his appearance.

"Does this thing really work?" Qin Yu couldn't help but mutter softly as he sat by the river.

At this moment, Qin Yu felt a stabbing pain on his face, like a mask trying its best to fit his face.

Qin Yu hurriedly stood up from the ground. He lowered his head to look at the reflection of his face in the water. He could not help but look shocked.

He saw that the reflection of Qin Yu had changed his appearance.

Compared to before, this appearance appeared extremely mediocre. Even if it was thrown on the side of the road, no one would take a second look at it.

It was not ugly, nor was it good-looking. It was just so ordinary that it could not be more ordinary.

“Damn, it’s so ugly. It’s even uglier than before,” iron egg scolded.

Qin Yu had a different opinion.

He touched the unfamiliar face and smiled. “Not bad.”

It was meant to be a stealth. Whether it was too handsome or too ugly, it was not a good thing.

“With this face, I think no one will be able to recognize me,” Qin Yu thought to herself.

At this moment, tie Dan said, “Don’t be too optimistic. If someone can see through your primordial spirit, you will also be exposed.”

Qin Yu grunted and said, “It’s alright. No one will take a second look at such an ordinary face.”

With that, Qin Yu did not waste any more time.

He first went to Gu City to take a look around with this face.

After making sure that no one could recognize him, Qin Yu rode on a flying exotic beast and rushed towards the vicinity of the Heavenly Cloud sect.

The Heavenly Cloud sect was very far from Gu City. Even if Qin Yu rented a flying exotic beast, it would still take several days.

Along the way, Qin Yu exhausted three flying exotic beasts to death before he used the shortest amount of time to reach the vicinity of the Heavenly Cloud sect.

This was the second time Qin Yu came to the vicinity of the Heavenly Cloud sect.

The first thing he saw was the huge mountain gate of the Heavenly Cloud sect.

The entire sect was set up on a tall mountain, dozens of meters higher than the surrounding area, as if to express the Heavenly Cloud Sect’s high and mighty status.

Looking at the words “Heavenly Cloud sect” hanging in the clouds, Qin Yu couldn’t help but clench his fists.

"You'd better restrain your killing intent." At this moment, Tie Dan reminded him in his mind.

"If you don't want to be found out, you'd better restrain yourself."

Qin Yu took a deep breath and suppressed the killing intent in his heart.

Then, Qin Yu took out a map and followed the location of the map to the supplier.

The supplier was called an Fenglou, which was at the foot of the Heavenly Cloud Sect's mountain.

The entire Fenglou was enormous. Besides supplying the heavenly cloud sect, it was also a very famous local restaurant.

It was said that most of the Tianyun sect elders would come here to eat when they received guests.

Qin Yu tidied up his clothes and then stepped into the restaurant.

As soon as he entered the door, the waiter quickly ran over.

"Sir, what would you like to eat?" The waiter said with a smile.

Qin Yu said politely, "I was recommended by a friend to work here."

Hearing this, the smile on the waiter's face immediately disappeared without a trace.

"Wait here." The waiter waved his hand.

Qin Yu nodded and found a random place to sit down.

While Qin Yu was waiting, someone suddenly walked in.

"Elder Bai, you're here!" The waiter saw this person and ran over quickly.

Hearing this, Qin Yu's face changed dramatically.

"Don't be nervous. Keep your composure, or people will suspect you. Your face is no longer Qin Yu's, so there's no need to be nervous," Iron Egg reminded him.

Chapter 1379: Chapter 1,379. Goodbye, elder Bai

"Remember, restrain your killing intent," Iron Egg reminded him again.

Qin Yu agreed and looked at elder Bai's seat naturally and generously.

Elder Bai was now beaming with pride. His face was full of smiles, which made people feel resentful.

“Elder Bai, please come to the second floor. How many people are there today?”The waiter asked.

Elder Bai walked straight to the second floor. As he walked, he said, “Eight people. Bring me all your good wine and dishes.”

“Okay!”The waiter ran to the kitchen eagerly.

Seeing elder Bai living so comfortably, Qin Yu felt an indescribable anger in her heart.

At this moment, a middle-aged man with a big belly and well-dressed walked out.

This man was shining with jewels, covered in gold, and exuded the aura of a local tycoon.

He was none other than the owner of an Fenglou, boss Zheng.

Boss Zheng came all the way to Qin Yu and frowned. “You want to work here?”

Qin Yu quickly took out sister Lin’s letter and handed it to boss Zheng. Then she said, “Sister Lin asked me to come.”

“Sister Lin? Sister Lin from the GU city auction?”Boss Zheng took the map.

“That’s right.”Qin Yu nodded.

Hearing this, boss Zheng’s face immediately softened.

He smiled and said, “What’s your relationship with sister Lin?”

“Well... She’s one of my sisters,”Qin Yu Lied.

When boss Zheng heard that, he quickly pulled Qin Yu’s hand and said, “Then we’re a family. Are You Hungry? I’ll ask the kitchen to cook something for You?”

Qin Yu waved her hand and said, “No need, boss Zheng. I’m here to work. Please arrange a job for me.”

“No problem. What kind of job do you want to Do? Just tell me!”Boss Zheng patted his chest and said.

Qin Yu thought for a moment and then tactfully hinted, "I like freedom, and I don't like being locked in the same place all day. I think a job like being a waiter is definitely not suitable for me."

Boss Zheng rolled his eyes and said, "Do you like going out?"

"Yes, I'm too playful, so sister Lin introduced me to a job," Qin Yu said calmly.

Boss Zheng pulled Qin Yu to the backyard of an Fenglou.

He pointed at the Tianyun sect and asked, "Have you been there?"

Qin Yu was immediately overjoyed.

He suppressed his excitement and pretended to be shocked. "Is that the Heavenly Palace?"

Boss zheng laughed and said, "Yes, that's the Heavenly Palace! How about it? Do you want to go in?"

"Yes! I've never seen such a building before!" Qin Yu nodded repeatedly. His excitement was beyond words.

Boss Zheng patted Qin Yu's shoulder and said, "I'll arrange it for you in a while! You can take a look around first."

"Thank you, boss Zheng," Qin Yu cupped her hands and said.

Boss Zheng gave Qin Yu a punch and winked at her, saying, "Call me boss Zheng. We don't know each other. Call me brother Zheng!"

"... Okay, brother Zheng," Qin Yu said with a smile.

It seemed that sister Lin was very strong. Otherwise, boss Zheng wouldn't have such an attitude toward Qin Yu.

After he left, Qin Yu couldn't help but think about elder Bai.

At this time, the waiter was about to serve the dishes when Qin Yu hurriedly stopped him.

"Let me do it. I'm new here. Do more work," Qin Yu said.

The waiter looked at Qin Yu and said, "The young man is not bad. He has good eyesight. Here you go."

Qin Yu didn't waste time. He took the dishes and walked to the second floor.

Looking at the food in his hand, Qin Yu became angrier the more he thought about it.

"Ha... Pfft!" Qin Yu spat a mouthful of thick phlegm into the food and then stirred it with his hand.

"I'll let you eat! I'll let you eat!" Qin Yu cursed while stirring.

"You're so F * cking disgusting," iron egg couldn't help but say.

Qin Yu snorted and said, "It's just that I don't have enough time. Otherwise, I'd have to add some SH * T into it."

"Shut up, I'm going to throw up!" Iron Egg cursed.

Qin Yu carried the food all the way to the second floor and found elder Bai's room.

After entering the door, he saw nine people in the room.

Elder Bai sat on the main seat and seemed to be bragging.

"Elder Bai, I'll have to ask you to take care of me in the future." Someone cupped his hands to elder Bai.

Elder Bai waved his hand and said, "Don't worry."

"Did you catch Qin Yu?" Someone asked.

Elder Bai shook his head and said, "This Qin Yu is extremely cunning. It Won't be easy to find him."

"Didn't the Heavenly Cloud sect release the news? If he doesn't show up, they will kill his friends? Is this Qin Yu really not going to show up?" Someone continued to ask.

Elder Bai snorted lightly and said, "We did have this intention, but unfortunately, Di zun protected us, so we haven't made a move yet. Otherwise, we would have killed those people and exposed them to the public."

When Qin Yu heard this, he couldn't help but sigh in relief.

It could be seen that Di Zun's position in the Heavenly Cloud sect was very high.

"TSK tsk, looks like the sect master values di zun very much." Someone beside him sighed.

Elder Bai nodded slightly and said, "That's right. Di Zun is the most talented person in the entire heavenly cloud sect since its establishment. The sect master has said that he will become one of the strongest people in this world in the future."

Chapter 1380: Chapter 1,380, cynicism 1

Qin Yu heard elder Bai's words clearly from the side.

Back then, Di Zun had scored 91 points on the god testing stone. This was indeed shocking.

However, the god Testing Stone's test was not 100% accurate. It could only be used as a screening.

Many people who scored high on the god testing stone had mediocre results.

Now that the Heavenly Cloud sect paid so much attention to Di Zun, it was enough to show that Di Zun had shown superhuman talent in his subsequent cultivation.

"So, you don't plan to kill them?" Someone asked in surprise.

Elder Bai waved his hand and said with a faint smile, "No, no. We agreed to Di Zun for the time being, but not necessarily in the future."

"Just because we don't kill them doesn't mean that others won't get rid of them."

"Elder Bai, what do you mean?" Someone asked doubtfully.

Elder bai snorted and said, "As disciples of the sect, we naturally have to go out to gain experience. When the time comes, we'll just arrange for them to go to the Green Rock Forest."

"If they die, it's not our fault. But anyone with a discerning eye knows that this is the will of the Heavenly Cloud Sect."

"I see. Elder Bai is indeed good!" Everyone bragged.

Outside the door, Qin Yu's face turned black. He immediately spat a few more mouthfuls of Phlegm into the plate.

He pushed the door open and sent the food in his hand in.

Elder Bai Glanced at Qin Yu and didn't have any special reaction. This made Qin Yu slightly relieved.

After walking out of the room, Qin Yu's face became colder and colder.

"It seems that I have to find a way to bring them out as soon as possible," Qin Yu thought to himself.

At this moment, the waiter came up.

"Hey, why are you still here? Boss Zheng is looking for you!" The waiter said.

Qin Yu agreed and then hurried to the backyard.

In the backyard, boss Zheng was standing there waiting for Qin Yu.

There was a woman beside him. Qin Yu glanced at her and found that this woman was quite delicate and pretty. Her figure was obviously weak, but there was a faint aura fluctuation.

"Hey, where did you go?" After seeing Qin Yu, boss Zheng hurried over.

Qin Yu said, "I saw that the waiter was too busy, so I helped him deliver the food."

Boss Zheng waved his hand. He pulled the honest young man and said, "Ding Yi, in the future, he... Hey? What's Your Name?"

Boss Zheng suddenly turned around and looked at Qin Yu.

Qin Yu thought for a moment and said, "My name is Yan Qin."

"Yan Qin? Are you from the Yan Family?" Upon hearing this, boss Zheng frowned slightly.

Qin Yu hurriedly waved her hand and said, "No, no, no. If I were from the Yan family, why would I come here?"

"That's true." Boss Zheng nodded.

He didn't think too much and immediately said to the woman, "Ding Yi, you will take care of Yan Qin in the future, understand?"

Ding Yi didn't say much and just nodded.

After boss Zheng left, Ding Yi said to Qin Yu, "What's your relationship with Boss Zheng?"

"It's nothing. I'm just here to work," Qin Yu said casually.

Ding Yi nodded and continued, "You're going to deliver the goods with us later. Make some preparations."

“So Fast?”Qin Yu couldn't help but be a little surprised.

Ding Yi snorted coldly and said, “These people from the heavenly cloud sect are like pigs. They eat a lot more than the pigs in my hometown.”

After saying this, Ding Yi turned around and left.

Qin Yu spread out her hands and muttered, “It seems that this Ding Yi doesn't like the heavenly cloud sect very much.”

When evening came, Ding Yi and Qin Yu were ready to deliver the goods.

Elder Bai and the others also slowly left.

Ding Yi looked at them and couldn't help but snort coldly, “A bunch of pig heads who only know how to eat and drink every day.”

Qin Yu couldn't help but ask, “You seem to have a problem with them.”

“Of course I have a Problem!”A trace of anger instantly flashed across Ding Yi's face.

“I don't know how many people in my hometown have starved to death. In order to survive, they even changed their children and ate! Look at this group of pig heads from the Heavenly Cloud sect. They eat and drink every day, wasting things.”Ding Yi couldn't help but gnash his teeth as he said.

Qin Yu scratched his head and said, “But... does the starvation of your hometown have anything to do with the Heavenly Cloud Sect?”

“Nonsense! The entire South Province is under the control of the Heavenly Cloud sect. All the good things have been swept away by them.”Ding Yi cursed.

“Back then, the Heavenly Cloud sect took away all the talented people. What was left behind were the elderly, children, women, and ordinary people. How could they survive in such an environment?”

Ding Yi seemed to be getting more and more excited as he spoke. He pointed at the Heavenly Cloud Sect's sign and said, “Including this bullshit an Fenglou. If that Zheng fellow doesn't have a relationship with the great elder, does he have the right to supply the Heavenly Cloud Sect?”

“Even a fool can supply the Heavenly Cloud sect. Why should all the profits belong to boss Zheng?”

Qin Yu couldn't help but be speechless.

He didn't expect such a secular thing to happen in the holy region.

"This world isn't fair to begin with." Ding Yi snorted coldly.

After she said this, she walked towards the warehouse.

"It seems that this Ding Yi is quite cynical," Qin Yu sighed.

Then, he followed Ding Yi to the warehouse, ready to deliver goods to the Tianyun sect.
